

Geo. Wyman & Co.

We consider it a great pleasure to be able all the year round to sell you dependable merchandise for less than anyone else, and have the goods to deliver that are advertised. When we advertise shirts and drawers for men, women and children worth 25c each for 15c each, you can depend on what we say; we have the goods and you can depend on their being worth 25c, see! In other words we are honest with ourselves as well as being honest with you. We think honesty is the best policy in everything. We have found that it will win in the long run.

Dress Goods.

We offer 24-inch Black Taffeta Silk 50c yard; 27-inch, 69c; 36-inch Black Taffeta, 85c a yard.

One lot of Wool Dress Goods, all kinds and widths, worth up to \$1.00, to close at 42 1/2c a yard.

Hosiery & Underwear.

We offer a very complete line of A. C. Staley Mfg. Co's Underwear for men.

We offer 25c underwear for 15c. Men's 50c fleece Underwear for 25c, but not a full line of sizes.

We offer Ladies' Misses' and Children's fleeced Stockings at 10c pair.

JEWELRY and DRUGGISTS' SUNDRIES.

We offer our Rose Perfume at 50c oz.

Beautiful line of packages of fine Perfumes, 25c and 50c.

All sizes in black, 50c Corsets, 25c.

Some people carry a rabbit's foot in their pocket to give them good luck. Other people carry a horse chestnut in their pocket to keep them from getting bald-headed. We would suggest that you inaugurate a thought department in each household, with a chairman, secretary and treasurer; when you do that you will buy more goods at Wyman's, for our goods are first-class and we stand behind them, besides, we sell them for less than anyone else. Our aim is not to see how much we can get for goods, but how cheap we can sell them.

Come and see us.

Geo. Wyman & Co.

testified that he would consider \$80 to \$85 an acre the fair market value of a portion of the lands, in question but on cross-examination it was shown that he had not a very extensive knowledge concerning the value of farm lands.

Charles E. White of Dowagiac, testified that, in his judgment, the said farms were worth not to exceed \$85 per acre; that he went over them with Mr. Lee and Mr. Gray before Mr. Lee took them, but he contradicted himself to such an extent that Mr. Gray's attorneys produced an affidavit White had made some time ago, touching upon this matter; whereupon Mr. Howell objected and Judge Wanty replied that they were evidently disappointed in their witness and were trying to show an excuse for putting him on the stand.

In conclusion, the witness admitted that the values he placed on the lands at the time he went over them, were trading values.

Mrs. F. M. Gray testified as to a conversation she overheard between Mr. Chapin and Mr. Gray, and Gordon Gray, her son, also testified as to this matter, after which both sides rested, no impeaching witness being called on either side.

At the conclusion of the arguments Judge Wanty charged the jury and they retired at 5 o'clock, but they were recalled and excused at 10 o'clock Saturday morning.

LATER

The jury disagreed after deliberating one hour. This is the result of the suit of C. A. Chapin vs. F. M. Gray:

It is said that seven of the twelve jurors were in favor of granting Chapin damages and that the remaining five stood out for Gray.

It is the intention to have the case re-tried at the March term of the U. S. circuit court.

It will be recalled that Mr. Chapin sued to recover damages, alleging that Mr. Gray damaged him to the extent of \$80,000 while acting as his agent; in securing an option on the Buchanan dam and electric light plant. In the picturesque language of the curbstone orator, Mr. Gray was charged with playing both ends against the middle.

Richard Gibson on the International Live Stock Exposition—Dec. 16 to 23

There are very few of the old timers in the show yards of the country left. One of the "noblest Romans of them all," however, is still in the battle, and that is Richard Gibson, of Delaware, Canada. Therefore an interview with Mr. Gibson on the International Live Stock Exposition should carry with it a great value, especially to the younger generations.

Mr. Gibson says that it has been his good fortune to have exceptional advantages in attending various live stock shows of the Old and New Continents. Upon being asked for a candid statement on the Chicago shows, as compared with those of Great Britain and other shows in this country, Mr. Gibson said: "I will give you a statement, but in the first place I want to assure you that I do not view the Chicago show as local. Viewed from its international standpoint I am glad to give my impressions of it. We have had congregated here all the best of Britain's productions along side of our own, and the winning of a prize, even though it be Third, at the International is of more value than First at most of the other shows. Winnings at this show are all chronicled in history and will live after us. Although I am a Britisher, I am willing to concede that the International is ahead of our Royal. The Royal, the Highland Society, the Bath & West and the Great Yorkshire rolled together and with the fat stock shows of London, Smithfield, Birmingham, York and Norwich added, then only have you the nearest approach to what the International is now. Then to this great aggregation add the Draft Horse parade (where the competition is keen amongst the draft breeds) and can you imagine anything more grand in the world. The placing of this show before the patrons of the

Stock Yards by the Stock Yards people should be greatly appreciated all over the country. It gives an opportunity to form correct ideas of market types. Now that the show has grown to a point where the management, with the co-operation of the breeders, have deemed it wise to build for the future, they have put up a most magnificent building, which at this particular time shows their confidence in the future and guarantees for all time to come the permanency of this wonderful exposition. I have referred in the foregoing to the fact that Britain's market was selected for the best things. I do not mean the British market only, as Scotland, France, Belgium and Germany are ransacked for the best they can produce. There is very little that I could add to the show to make it more perfect, unless it might be the dressed poultry and some of the roots that animals are most profitably fed upon. The carlots are an inspiration to me. The grand steers and breeding stock to be seen inside the building are of less importance than the car-load lots to be seen in the yards. No place on earth can put up such a show, and to me it is the greatest revelation of what American feeders can accomplish. A few may be fed from start to finish by experts in Britain, but car-load lots such as one sees here would make their oldest veteran feeder gasp.

"I cannot close this interview with out referring to the magnificent building erected for the housing of the Record Association, in which the Saddle & Sirlion club is located. I am a member of some of these associations and I never cease to wonder at the generosity that has been displayed in giving such splendid facilities for the breeder, feeder and buyer to get together under one roof for mutual advantage. With all these attractions, is there any reason why the live stock people of this continent should not attend this Exposition?"

HUSKING BEE

At The Home of Mr. and Mrs. H. D. Eastman Residing Across the River

About forty in all participated in the "husking bee" held at the home of Mr. and Mrs. H. D. Eastman, one and a half miles across the river, last Friday night.

The evening was pleasantly passed in playing out door games, and other amusements. A unique luncheon, consisting of pumpkin pie and frank-forts was served to the 40 guests, who were arranged around the room on the floor.

About five bushels of corn was husked during the evening among which were numerous red ears, and we can say on good authority that the guests found more pleasure in paying forfeits for the red ears discovered, than they did in husking the corn.

The guest all departed at a late hour having spent a most delightful evening and one and all wishing for many more happy occasions like this one.

Card of Thanks

We wish to sincerely thank the many friends and neighbors, who so kindly gave their assistance and sympathy at the time of the sickness and death of our beloved father, Frederick Andrews.

SLEEPING CARS OF NEW DESIGN FOR ST. PAUL LINE

Drawing Room Will be in Center of Car
Instead of Over the Trucks, Making
Riding Easier and More Com-
fortable

The Milwaukee & St. Paul, one of the three roads in the United States owning and operating its own sleeping cars, announces an innovation in the construction of equipment for The Pioneer Limited train between Chicago, St. Paul and Minneapolis.

In the new cars just placed in commission, the drawing room will be in center instead of at the ends of the cars. These are the first cars after such a pattern ever constructed, and the change is made to afford easier riding and additional comfort for travelers using these compartments.

Heretofore drawing rooms have always been over the trucks at either end, which, in the opinion of many, is a rough place to ride. The new cars will be compartments throughout. Two of the cars, which have been named Onalaska and Ontonagon, are finished and will be put in service at once.—Chicago Examiner, October 26, 1905.

FORMERLY OF BUCHANAN

Mr. F. A. Ravin, of Niles was Wed Sunday to Miss Ethel Winchell, of LaPorte, Ind.

The news has come to our community of the marriage of Mr. F. A. Ravin, of Niles, but formerly of Buchanan, to Miss Ethel Winchell, daughter of Mr. and Mrs. Francis Winchell, of Laporte, Ind.

The ceremony was solemnized at the home of the bride's parents Sunday afternoon at 3:30 o'clock by the Rev. C. C. Aye of the Friend's church, in the presence of only the immediate relatives.

They left immediately after the ceremony for Niles, where the groom has charge of the American Express Co., and will in the future reside in that city.

Mr. Ravin is a brother of Mr. F. W. Ravin of this village, and is well and favorably known here.

The Record with the many friends extend hearty congratulations to the bride and groom and wish them every happiness obtainable.

Account of Thanksgiving

The M. C. R. R. Co., will sell round trip tickets at one and one third of the regular rate first class limited fare between all points west of the Detroit River. Date of sale November 29th. and 30th. Good returning not later than Dec. 4th.

M. L. JENKINS.

School Notes

All the teachers of our public schools attended the Institute in St. Joseph last week and we believe that each teacher received some new ideas and a renewed enthusiasm that will lead to better work in our schools.

Hiawatha's canoe were made by the 5th graders, after "Hiawatha's Sailing" had been studied in the Language class.

Friday afternoon Ralph Sewell entertained the 5th grade by giving a splendid description of his visit to London.

Postal cards containing fine views helped to make it interesting.

Science lessons this week in the 3rd grade will be on the squirrel and the appearance and action of frost.

The pupils of the 3rd grade are very much pleased with their new supplementary readers "Stepping Stones to Literature."

A Grand Success

The members of the Royal Neighbors pleasantly entertained about 80 guests at their hall last night, at a pedro party. Cards were in progress from 8:30 until 10:30, and at the end of twelve games, Mrs. Lou Smith and Mrs. Nannie Boyer came out a tie, and after a draw, Mrs. Lou Smith won out and was awarded a solid silver teaspoon. A second prize was won by George Leno.

Refreshments consisting of salad, cake, wafers and coffee were served. A social time was enjoyed by all and all report having had a very enjoyable evening.

Public Sale

Having decided to quite farming on account of failing health. I will sell at public auction to the highest bidder, on the Wm. Broceus farm 4 miles north of Buchanan, Wednesday Nov. 22, commencing at 10 o'clock a. m., the following which are a few of the numerous articles to be sold, horses, cows, hogs, chickens, shoats, ducks, geese, turkeys, all kinds of farm implements, 600 bushels of corn, 8 to 10 tons of hay, 1 grain cradle and a quantity of fodder in the field.

WM. BROCEUS.

BERRIEN GETS \$38,890.80

School Money Fund is a Big Help to Tax Payers

Lansing, Mich., Nov. 9.—Over two million dollars is being distributed by the state of Michigan among the primary schools of the state. This large sum of money is derived largely from specific taxes, and would be nearly sufficient to pay the running expenses of the state. The apportionment of these funds is made semi annually by the department of public instruction, the May apportionment being at the rate of 60 cents per capita and the apportionment today \$270, making a total apportionment of \$3.00 for the year for each pupil of school age in the state. In many counties of the state the amount of primary school money distributed is greater than the amount of the state taxes paid.

Of this big apportionment Berrien county schools get \$38,890.80 on a basis of 14,404 children of school age. Cass gets \$18,884.80. The amount derived from the source goes far to reimburse the county for the direct taxes that are paid to the state.

Invention of Steel Pens.

"We owe the steel pen," says an inventor, "to a man named Gillott—Joseph Gillott—an Englishman."

"Gillott was a jeweler. He lived in Birmingham. One day, accidentally splitting the end of one of his fine steel jewel-making tools, he threw it peevishly on the floor.

"An hour later it was necessary for him to write a letter. Where was his quill pen? He searched high and low but could not find it. Looking finally on the floor he discovered the broken tool.

"I wonder if I couldn't make a shift to write with this?" he said.

"And he tried to write with the split steel and succeeded perfectly.

"To this episode we owe the steel pen, which has superseded the quill all over the world."

30 Club

The 30 club met last Wednesday with Miss Georgia Wilcox. Miss Beatrice Mansfield had charge of the lesson for the day. The "artists, Palma Veeches." Following the club engaged in an old fashioned spelling bee amid much merriment. The club adjourned to meet with Mrs. Chas. Pears.

The Jeweler and Graduate Optician.

We will examine your eyes without charge, tell you just what you need and supply you with the best glasses that can be had. Your eyes will be examined by the latest and most up-to-date method.

M. B. FITCH,

The Jeweler and Graduate Optician.

A wreck occurred on the M. C. road just east of Three Oaks, Sunday night. A freight train running west broke in two parts, and the train came together, causing two cars to get derailed. After an hour and a half repairing the train then continued its journey. The 5:19 Sunday night was one hour and twenty minutes late owing to the accident.

"John," said the indignant mother, "his teacher has sent our William home from school. Now I want you, before you go to the office tomorrow to write to her and tell her she must give William back his place."

And the next day the truculent William presented the absent minded parent's note, which read: "Please re-seat this Bill promptly."—Baltimore American.

Upon entering the bakery owned by John Portz, we stop and wonder if we are in the right place, but we are soon convinced that we are, for we are promptly greeted by the congenial proprietor. Mr. Portz has made a radical change in his bakery by having the partition removed, which now gives him a much needed space. The show cases filled with choice baked goods and candies are neatly arranged along the west side of the room and in all presents a very

inviting appearance. Prosperity seems to follow Mr. Portz and we trust he may meet with still greater success.

The six months old girl of Mr. and Mrs. Dahring residing south of Benton Harbor met death in a mysterious manner Thursday afternoon. Mrs. Dahring had put the infant to sleep, put the cradle near the stove and had gone to the back of the house for a few moments on an errand. She returned to the house in perhaps five minutes and found the rear rooms of the home filled with smoke; she rushed into the living room where she had left the infant asleep just a few minutes before, only to find the cradle in which the baby had been a mass of flames. With the aid of the family she extinguished the flames but only to find the dead baby's body charred beyond recognition. The theory offered by the family is that a spark fell from the stove onto the clothing in the cradle and started the fire.

GENTS' FURNISHING GOODS

Mrs. I. BAKER, Sec.

A man who knows nothing of music, nothing of art, nothing of poetry will never have the key to a woman's heart. Just as the bravest are the tenderest among men, so the most intelligent are the most comprehending and the most compassionate of women.

Miss Nettie Scott, residing near depot, passed her 16th birthday last Saturday by inviting 16 of her friends to spend the evening at her home. The time was most pleasantly passed in games and music. Light refreshments was served. Miss Nettie was the recipient of many beautiful birthday remembrances. The guests departed at a late hour, all reporting a lovely time.

"Well, well!" exclaimed the city merchant, who had gone back to visit the farm of his boyhood days, "Here's the old feed chopper. I wish I had a cent for every cornstock I've run through that machine."

"Kind o' seems to bring everything back to you, does it?" said the farmer.

"Everything" said the merchant, "except the forefinger and part of the thumb I fed into it one day."
—Chicago Tribune.

Mr. S. C. Cook, the general agent for the Radiant Gas Light, manufactured by the Acorn Brass Manufacturing Co., of Chicago, was in the Record office last Saturday, exhibiting one of the famous lamps. The one lamp takes the place of at least five of the incandescent lights, and gives a clearer and brighter light. He has already installed 13 in this village and 20 in New Buffalo, and everyone of his patrons report them satisfactory in every way.

State Items

William H. Gardner, of Menominee Mich. died Friday from injuries received Monday by falling from a wagon in which he was riding and becoming entangled in lines while being dragged on the ground his head was crushed. His age was 60.

The five-year-old son of Circuit Court Clerk Budlong, Menominee, Mich., while "hitching" on to a farmer's wagon, fell under the wheels and was fatally injured last Friday. His right hip was crushed and his abdomen torn open.

Mrs. Lawson MacKlem, of Alpena, aged 45, mother of Glenn MacKlem, who was shot and killed by his older brother Clare, Saturday morning, died Friday at the same hour of the day the accident occurred. She was ill at the time and never recovered from the shock. She did not know what caused her son's death, thinking it was heart disease. The other son is ill and there are fears for his sanity. She leaves also two little girls, aged five and seven.

Leslie Gifford, aged 3 years, only child of Mr. and Mrs. Earl Gifford, of Coldwater, Mich., while playing alone in his home just before dinner climbed on a chair and, reaching a fancy collar-box on the dresser, took some chocolate coated strychnine tablets and ate a number of them. The child died in about twenty minutes.

Clarence Van Curen, a well-to-do farmer, who lived near Decatur, Mich., died of apoplexy on Huron street at Ann Arbor Friday afternoon. He was walking along the street and was seen to stop and lean against the wall of one of the store buildings. He swayed back and forth for a moment and then fell heavily to the walk. His head struck on the sharp corner of a stone step and a deep gash was cut. He died before medical assistance could be secured. Van Curen came to Ann Arbor with his wife about a week ago to take medical treatment with Dr. Dock. He was 46 years of age. The body was sent to Decatur Friday night.

A Few Reasons Why You Should Attend the South Bend Commercial College

"Indiana's Greatest School of Business"

Always the Leader.

BOARD \$1.50 PER WEEK.

It is past the experimental stage, 22 years under the same management Its graduates are successes; they hold the best positions in the gift of the public. Every department separated and in charge of expert instructors. Individual attention given every student. Instruction not all given by one or two teachers; every student having advantage of a large faculty of specialists. No students employed as teachers. Courses of study the best and most complete. Employment department places every qualified student in a position; hundreds placed during past year. It is endorsed by all business men. We are called upon to fill all positions in South Bend and vicinity. Our tuition rates are the lowest consistent with thoroughness. Accept only the superior faculties.

Open Now. Students may enter at any time
Both Day and Evenings.

Accept only the superior faculties of the South Bend Commercial College. Consider Quality and Quantity in estimating the cost. To accept so-called cheap courses, which are always short and superficial, will prove a waste of both time and money.

Investigate our school and you will be convinced that we can give you the best training.

Office open every day and evening. Get our catalogue.
