HOME IS DESTROYED

The Redden Home Was Burned to the Ground, Tuesday Afternoon

WILL REBUILD PROPERTY

Fire Originated From an Old Stove in the Milk Room Adjoining the Main Part of the House

The rural home of Mr. John Redden, a highly respected resident of Bakertown, was completely destroyed by fire, Tuesday afternoon, together with a large share of the contents. A piano, dining room chairs, bed room suit and a couple of stoves, besides a few other articles were saved. The fire originated in the milk room about 3 o'clock in the afternoon, and evidently started from sparks flying from the stove, that had a fire in it at the time.

Mrs. Redden and two daughters, were in the house at the time, but were not aware that their home was rapidly being reduced to ashes, until Clyde Mittan, a man in their employ, drove into the yard with a load of logs, when his horses began to shy in a frightened manner. He began at once to investigate as to the cause of their restlessness, and discovered that the entire back part of the house was on fire. Work at once was commenced to remove the household goods, but the fire had such a headway it was impossible to save only a few articles. Nothing in the upstairs apartments were saved.

It was impossible for those helping to get water to extinguish the flames, as the pump was in the milk room where the fire originated.

John Redden Jr., who is clerk of Bertrand township, is pleased to state that all the town records, which were in the house, were saved.

It is understood that a more modern house will be erected on the old site. The loss is estimated at \$2,000, being partly covered with insurance in the Farmers' Mutual Insurance Co.

Mr. and Mrs. Redden and family have the deepest sympathy of the entire community in their sad misfortune.

Village Caucus

The Republican Village Caucus will be held in Rough's Opera House on Monday evening, March 5, at 7:30 o'clock for the purpose of placing in nomination candidates for the village offices to be elected, March 12, and for such other business as may come before it.

A. A. WORTHINGTON,
H. F. KINGERY,
JOHN HANOVER,
Village Committee.

MOTTO

There's so much bad in the best of us,
And so much good in the worst of us,
It hardly behooves any of us,
To speak ill of the rest of us.

The best wheat, the best machinery and the most approved methods of milling are used in the manufacture of the "GERBELLE." No wonder that it is today the best flour on the market. For sale at Keller's.

PENSIONS FOR ALL

Bill to Give Fifty Dollars a Month to Ex-prisoners

MEN WHO HAVE SUFFERED

Are to be Cared for Under Provisions of the Act Hamilton Has Had Measure Referred

Washington, Feb. 27.—Congressman Hamilton of Michigan has introduced in the house of Representatives and had referred to the house committee on invalid pensions a bill granting pensions to soldiers, sailors and marines confined in Confederate prisons. The preamble to the measure recites that many officers, soldiers, sailors and marines of the federal army and navy were confined in so-called Confederate prisons for a great length of time, where they suffered indescribable hardships, contracted incurable diseases and disabilities difficult to prove under the existing pension laws, and also lost opportunity for promotion in the service.

Therefore for the purpose of doing justice to these surviving veterans and their families the measure directs the secretary of the interior to place on the pension rolls the names of all such veterans who were incarcerated as prisoners of war between May 1, 1861, and May 1, 1865, and to pay to each of them \$50 monthly during the remainder of his natural life.

Each pension is to begin on the date of the passage or enactment of the bill into a law, but this law will not entitle any person to draw more than one pension. It does, however, entitle the pensioner to draw and receive the increase of pension to which this act entitles him.

STAMP ALL LETTERS

Carriers on Mail Delivery Receive Notice Not to Receive Currency

Notice has been received from the postoffice department that in the future a rigid enforcement of the rules governing the work of letter carriers will be insisted upon.

The ultimatum from the department is directed especially at the practice of carriers receiving unstamped letters from people on their routes and taking the money in lieu of stamps.

It has been the custom of the carriers in order to accommodate patrons, to accept money when the party wishing the letter mailed, did not have the stamps on hand.

This practice has been followed from the time free delivery was inaugurated, but though it has been done for accommodation it has been in direct violation of the postal regulation.

Shakespearian Plays

Remarkable, indeed, has been the success which Mr. Robert B. Mantell has attained at the Grand Opera House, Chicago, this week. His massive production of "King Lear" has attracted extraordinary attention and the indications are that the Chicago engagement will prove one of the most successful in the history of the city. Not only have the dramatic reviewers been strong in the endorsement of the great art of Mr. Mantell, but the public in general and Shakespearean scholars in particular have manifested unusual interest. Not since the days of Edwin Booth has so much attention been attracted by Shakespeare's rarely acted "King Lear," and the last half to "Macbeth," which, by the way is nowadays rarely given adequate interpretation. During the coming week "Hamlet," "Othello," "Richard III," and Bulwer's masterpiece, "Richelieu," will be given on the same elaborate scale as marked the productions of King Lear and Macbeth. As a mark of recognition of the

great work of Mr. Mantell, the Chicago Shakespeare Society gave to Mr. and Mrs. Mantell a banquet at the Auditorium on Monday night. Great enthusiasm marked the event. On Friday night a large reception was given to Mr. and Mrs. Mantell at the Auditorium, in which the leading Shakespearean scholars and students of the works of the Bard of Avon were participants.

Concerning the remarkable production of "King Lear," the Chicago critics were unanimous in their enthusiastic approval. For example, this is what Mr. W. L. Hubbard, the distinguished and scholarly reviewer of dramatic events in the Tribune, had to say in part: "Robert Mantell is entitled to sincerest thanks from every lover of Shakespeare for reviving 'King Lear.' So difficult of presentation is this greatest of all the master tragedies, that opportunities to hear it are of the rarest. A score of years have passed since the patrons of the American stage have had the great drama offered them. Booth and Barrett having been the last players to present it, Mr. Booth appearing as Lear and Mr. Barrett as the Fool. Twenty years is in truth a long time for one of the finest tragedies in the English language to lie neglected, and even the reviving of it by Mr. Mantell were subject for satisfaction, no matter what the adequacy of that revival might prove to be. And when it is known that he has revived it in careful and generally excellent manner this satisfaction grows deep and remains not unmixed with gratitude.

"Few are the actors who are willing to risk the attempting to play Lear. It is a role the most difficult in the whole range of Shakespeare's men, and to portray it with entire adequacy is as impossible as it is for any actress to do full justice to the character of Cleopatra as the bard has drawn her. Only an actor of long and wide experience, thoroughly routinized in every branch of his art, and gifted with brains, imagination and temperament, can hope to succeed even partially in Lear. Edwin Booth regarded it as the severest, highest test of his powers, and Henry Irving took a similar view of the role where his own presentment of it was concerned. No youth, no novice, no bungler can attempt Lear and not come forth from the contest in disgrace." The repertoire for next week is as follows: "Hamlet," Sunday and Monday night. "Richelieu," Tuesday and Wednesday night and Wednesday matinee; "Othello," Thursday; "Richard III," Friday and Saturday nights and Saturday matinee.

A GENTLE LAXATIVE AND APPETIZER

Remember that the minstrel show is one of the coming amusements.

BETTER NO SALES THAN A DISAPPOINTED CUSTOMER.

It is a satisfaction to know that we have won the leadership in the clothing business in South Bend, but we realize the large responsibility that is put upon us.

As no other clothing store in this vicinity are you so sure of correct styles and right prices in wearing apparel. Take New York, Chicago or Indianapolis. There is always one store that leads in its line. Look about South Bend. Just this one big store is absolute authority on Men's and Boy's clothing.

We never sell a garment that is not up to the Spiro standard. That will not add to the good name of this store. We'd better throw out the back door a hundred suits, if they were of a bad style or unreliable materials, than to sell them even at a profit.

People don't forget. Neither do they fail to appreciate right treatment and an honest endeavor to give satisfaction. You can always depend upon what you buy here. Our word is back of it.

Remember, please that we always reduce stock at this time of year. It is good business to do it—and get ready for the next season. Clearances big reductions—ends of good lines, are now to be found all through the store. The loss is ours—the saving yours—and they are well worth looking into.

MARCH 2, 1905.

Investigating the beef trust appears to take the shape of keeping the investigators in hot water.

“On the warpath” is a purely figurative expression. Not once in a thousand years does the man “on the warpath” return to camp with any scalps in his belt.

Gov. Folk is the eleventh of consecutive Democratic governors in Missouri, and that party now presents the enforcement of law as its new state issue.

A London man advises the eating of wood for nourishment. It has been suspected for some time that the breakfast foods were working around to sawdust.

It is not improbable that the mooring of the Dewey dry docks at Manila will cause a greater outburst of sentiment by the Filipinos than the arrival of Col. Bryan at the same point.

The Michigan Central's tunnel under the Detroit river between Detroit and Windsor will be a mile and a half long and consist of two single-track tubes, lined with concrete and separated by a concrete wall. Such structures are now built with ease and at much less cost than formerly.

M. L. CLUB

The Monday Club was entertained by Mrs. Carrie Crotser, Monday afternoon at her home on Main street. Mrs. Ira Baker read a very interesting paper. Mrs. Johnson had charge of the Shakespear lesson, in the absence of Mrs. Phelps.

After the close of the program, the hostess served dainty refreshments, and the club spent a very pleasant social hour with her after which the club adjourned to meet next Monday with Mrs. Howard.

CORRESPONDENCE DEPARTMENT

RECENT HAPPENINGS AS GATHERED BY OUR CORRESPONDENTS IN NEAR-BY LOCALITIES.

GRANGE HALL

The ladies Aid Society will meet all day Thursday with Mrs. J. C. Beach.

Wm. McCracken had a fine day for his sale, a large crowd and good prices.

Auctioneer Wycoff received a lift at the sale from his neighbor Stark-weather.

The Ladies Aid Society cleared nearly \$17 from their lunch at the sale.

Mrs. S. M. Taber is spending a few days in her old home.

Miss Zeigle of Indiana is visiting Ruby Helmick.

Miss Ruby Helmick entertains tonight.

Oronoko Township Sunday school convention in the Baptist Church of Berrien Springs, Wednesday. Fern Helmick, Hazel Bradley and Sadie Light were the delegates from the Hall.

The third quarterly meeting will be held in the M. E. Church next Sunday morning. The Quarterly conference will be held Tuesday afternoon at 2 o'clock.

GLENDORA

Mr. Lester Kempton of South Bend spent Saturday and Sunday with his father in this place.

Mrs. B. Haynes has been visiting relatives in Galien and Three Oaks.

Miss Grace Hoaten spent Sunday with her parents in Benton Harbor.

John Orris went to Benton Harbor Monday.

Mr. B. Hapnes was in St. Joseph, Tuesday.

A lecture will be given in New Troy, Mar. 6 by Prof. Ferris of Big Rapids.

Mr. and Mrs. Bert Beistle are the parents of a baby boy.

SCHOOL NOTES

Mrs. Hartsel and Mrs. Haynes gave us a call Thursday.

Pupils are taking the winter term examinations.

Charles Mutchler, Jr., was a visitor last week.

The pupils celebrated Washington's birthday with a few exercises.

Parents are cordially invited to visit the school.

BENTON HARBOR

Our street lights are improved since the introduction of the Buchanan power. We had noticed when in that village that their lights seemed superior to ours.

The J. C. Suits, the newly acquired steamer of the G. & M. line began the season's work by making its first trip to Chicago.

A roller skating rink is to be opened tomorrow in the opera house block.

Dr. Bastar bought a race horse, “Joe Steiner” at Gas City, Ind., last week.

Miss Artelia Bell's pupils will give a musical at Library hall, Friday evening.

The Horticultural society will hold the last meeting of the series at Library hall tomorrow.

The Psi Eta sorority met last week at the home of B. H. Spencer with their daughter Jean.

Fred Warner of Watervliet was operated on yesterday at Mercy Hospital for cancer of the stomach. Operations occur almost daily there.

Last week marked the tenth anniversary of the dedication of the new court house at St. Joseph.

Prof. Crocker and his educated horses and mules will be at the Bell three days next week.

The Chautauqua circle has presented the third grade in the Central school building, a picture entitled “The Mill.”

Barratt O'Hara of Chicago and Miss Florence only daughter of Rev. E. A. Hoffman were married this evening.

The marriage mill at the court house was busy, Tuesday, when five couples were married in less than an hour.

ELECT OFFICERS

A National Protective Legion Was Organized Last Night.

A National Protective Legion was organized last night in the Grand Army Hall. The following are a list of the officers: Past president, Henry H. Porter; president, Dr. J. Filmar; vice president, Miss Mary Keller; secretary, Chas. F. Pears; treasurer, Herbert Roe; conductor, Mrs. P. A. Gaffort; chaplain, Mrs. J. G. Breene; inside sentinel, J. L. Richards, Jr.; guard, F. J. Banke; trustees, W. W. East, G. W. Noble and P. A. Gaffort.

The following is copied from the Dowagiac Daily News: “The National Protective Legion makes a loan of \$15 a week to its members in case of sickness or accident and for this feature alone they paid out last year \$287,176 50. They also returned to members in five years dividends in 1905 \$1,310,624 31, to the beneficiaries of deceased members, \$72,542 73 and have assets at present of \$2,200,000 on hand. This great order now ranks as sixth in size in the United States, has 25,000 members, in this state, nearly 400 of whom live in this city. No order in the city is enjoying a better growth which fact is due to the co-operative feature whereby the growth is procured by the members doing away with and saving to the order enormous sums which are paid to agents and deputies in other orders. Covering a period of nearly 16 years and with the disbursing of over \$6,000,000 this great order has never had a legally contested claim.” We bespeak a healthy growth for the legion in Buchanan. The next meeting will be held Thursday night, March 8.

Job Printing

Our Business

Did you ever stop to think that it is the quality of your stationery that gives you a standing with the business world?

Would a letter received by you written on a sheet of fool's cap paper with the firm's name stamped thereon with a rubber stamp, give you as good an impression as if the letter was written on stationery like we furnish,

THE KIND THAT GIVES SATISFACTION?

Let us quote you prices

The Buchanan Record

BUCHANAN, MICH.

Buchanan as a Health Resort

Buchanan, Mich., is situated on the M. C. R. R. (now a part of the New York central system.) We also have a north and south railroad, a branch of the Pere Marquette coming from Benton Harbor via Berrien Springs to Buchanan. It runs into Portage street at the top of the hill and follows on that street to near the other depot, when it bears to the west and crosses over to the south end of Days avenue to its own depot. It has a sidetrack to Banton Bros. flour mill. We can get freight from Chicago and other points by way of either railroad in competition.

We are located 87 miles east of Chicago. We have a population of about 2000 inhabitants. The railroad is the south line of the village, and the St. Joseph river the north line. They are one and one-half miles apart and the distance is spanned by a sidetrack, so that freight is received and delivered to the railroad at the dam. The dam furnishes 2000 electric horse power for manufacturing purposes, only a small part of which is in actual use in Buchanan. We have 36 arc street lamps and 144 customers for incandescent lights, all coming from the dam. We have a water works system for protection from fire and for domestic use with 7 1/2 miles of main piping and 1 1/2 miles of piping from mains to 857 residences, stores and etc. For domestic use we have 41 fire plugs, for attaching hose in case of fire. The water is obtained through galvanized pipe, drove to pure spring water which has an artesian flow over the top of the pipes into a reservoir provided for the purpose, kept clean and dust proof, from which it is pumped by two steam pumps, when necessary (only one being used except in case of fire.) Yet they are both kept in perfect order, as also the two boilers that furnish the steam power to the pumps.

We also have a new sidewalk about 1/4 of a mile long, into the center of the business part of the place where the Buchanan Cabinet Co. is erecting a three story brick factory 150 feet long and 48 feet wide. Now after giving you the above description of our nice little city, I will offer the following list of old people, who have long been old residents, as evidence that recommends it as a health resort.

This is the age of part of our oldest inhabitants, not all. Samuel Weaver will be 91 years old March 25, and his wife nee Carolinae Hunter, will be 86 November 17. They were married at Buchanan, March 24, 1838, which shows they have lived together 78 years. Mr. Weaver settled on the farm he now owns, with his father in 1835 or 36 and it has been his home ever since. Mr. Weaver once stood in the door of their farmhouse and shot at a deer. He killed a number on the farm, the first year they lived there and as game became scarce here, he went down near Lake Michigan, only 18 miles and hunted. He kept no account of the number he killed, but says they would count in hundreds. He says

he does not think there is a man now living who killed and brought in as many deer from the woods of Berrien County as he has.

Valentine Schram was born on April 8, 1815, and his wife nee Lydia M. Ryckman was born July 27, 1820. They were married in Canada, March 16, 1839 and came to Buchanan in 1857. They have lived together nearly 77 years and in Buchanan 49 years. Mr. Schram was a lumberman. Joseph Clout will be 82 April 13, and his wife nee Sarah Pattendon was 82 Jan 31. They were married March 27, 1846, in England and settled in Buchanan in 1865. They have been married 61 years and lived in Buchanan 41 years. Mr. Clout is a mason by trade.

Darius H. Smith is 75 years old April 28, and his wife nee Henrietta Coon, will be 75 November 28. They were married September 20, 1852 and came to Buchanan over 50 years ago, and have lived together nearly 54 years. Mr. Smith is a carpenter.

N. J. Slater will be 78 years old March 6, and his wife nee Ferdella L. Marsh, will be 71 years old April 26. Married October 15, 1853 and have made Buchanan their home ever since, 53 years. Mr. Slater is a wagon maker.

Rev. Wm. M. Roe is 76 years old April 26; and his wife nee Harriet E. Whitman was 78 years old January 13. Married April 10, 1853 and have made their home here ever since, and resided here only when away preaching. Married 53 years.

Geo. J. Richerson will be 77 years old October 26, and his wife nee Mary A. Lyon, will be 72, December 9. Married October 12, 1854 and both lived in Buchanan a number of years before marriage. Being married 52 years. Mr. Richerson farmed and teamed.

David S. Dutton was born on the Brandy Wine in Delaware and is 75 years old May 5, his wife nee Mantha Ingersol, will be 71 years old November 10. Married August 8, 1854 and lived on a farm 1 mile from town, until about 15 years ago. They have been married 53 years. Mr. Dutton is a carpenter and farmer.

Joseph V. Voorhees was 72 years old February 1, and his wife nee Elizabeth Robinson, will be 67 years old May 12. Married November 18, 1855, lived together 51 years, nearly all the time in Buchanan. Mr. Voorhees is a cooper by trade and now farms.

John Perrott will be 71 years old, November 27, and his wife nee Elizabeth Lemon, will be 69 years old October 8. Married February 19, 1856 and lived in Buchanan since 1846 and have been married 50 years. Mr. Perrott's trade is cabinet making and does undertaking business.

Homer N. Hathaway will be 73 years old June 8, and his wife nee Mary L. Smead, will be 72 years old, July 23. Married 50 years, March 2, 1906.

Charles F. Howe is 74 years old March 22, and his wife nee Lucy Crofoot, is 69 years old July 7 and they were married October 21, 1858, having lived together 48 years. They

lived on a farm near town until about 15 years ago, they moved to town to spend the remainder of their days.

Wm. G. Hathaway is 67 years old April 1, and his wife nee Catharine Swink, is 66 years old July 24. They were married September 27, 1860 and have lived together 46 years. They lived on a farm near town most of the time. The last 13 years has lived in town and Mr. Hathaway has sprinkled the streets in the summer.

Leonard Weese is 71 years old April 10, and his wife nee Lucy Hill, is 73. They were married December 15, 1867 and have lived together 39 years. Mr. Weese was born in the city and has lived since 1840 in the same house. Mr. Weese was an expert fisherman in his youth, knowing where all the good fishing holes in the river were and undoubtedly has caught more fish with a hook and line, than any other 3 men now living in town.

S. W. Redden is 79 years old, and his wife nee Sophia Fraser, is 67 years old. They were married in October 1868 and have lived together 38 years. Mr. Redden was born in Delaware and come with his parents and settled 2 1/2 miles southwest of town, in 1838, and has only been away 2 years in California, since went into mercantile business and come to the city in 1857 and has been interested in manufacturing companies and has erected business house for rent.

Now thinking this is enough to prove that this is a healthy city I will change to say, I do not think we can be beat for an all round, hustling go ahead town. We have two good factory buildings ready to rent and houses with all the modern improvements also for rent, so call around when you want to find a place to live in. We will convince you that Buchanan, Mich. is all O. K.

We wish to thank Mr. Hathaway for kindly assisting us in procuring the information in the foregoing article.

Public Sale

I will sell at public auction, at my home 4 1/2 miles west of Buchanan and 2 1/2 miles north of Dayton, on Wednesday, March 14, 1906, beginning at 10 o'clock a. m. the following property:

GEORGE DECKER, Prop.

Village Election

A Citizen's Caucus will be held in the Buchanan Village Council room, Monday evening, March 5, 1906 at 8 o'clock for the purpose of nominating candidates for officers to be elected at annual village election to be held March 12, 1906, and for transacting such other business as may come before the caucus.

Buchanan, Mich., Feb. 26, 1906.

B. R. DESENBERG,
JOHN McFALLON
STEVE ARNEY
Village Committee.

HERE AT HOME

Buchanan Citizens Gladly Testify and Confidently Recommend Doan's Kidney Pills

It is testimony like the following that has placed "the old Quaker Remedy" so far above competitors. When people right here at home raise their voice in praise, there is no room left for doubt. Read the public statement of a Buchanan citizen:

Henry Blodgett, of Main street, Buchanan, Mich., proprietor of the Tile and Brick works, says: "After a careful and varied experience I have not the slightest hesitation in endorsing the claims made for Doan's Kidney Pills. At intervals for over two years I was not only annoyed but I actually suffered from severe pain in the small of my back and it was always worse if I did a hard day's work. Any cold I caught aggravated the pain, weakened my kidneys and too frequent action of the kidney secretions ensued. I read about Doan's Kidney Pills, got a box at W. N. Brodrick's drug store and took them with the result that the back-aches entirely disappeared, and my kidneys were strengthened. Mrs. Blodgett also used Doan's Kidney Pills with the same good results. We both are pleased to recommend so valuable a remedy."

For sale by all dealers Price 50c. Foster-Milburn Co., Buffalo N. Y., sole agent for the United States. Remember the name Doan's and take no other.

Advertise in the Record.

Wins Suit

The jury in the case of Florence Geer vs. the Michigan Central railway returned a verdict Wednesday afternoon, giving the plaintiff \$100 and the costs in the case, just what she asked in her complaint. The sum of \$100 is all that could be collected under the statutes under which this case was commenced. The attorneys for the plaintiff have won every point in the numerous trials of the case. In a similar case Miss Alberta Van Camp received a like verdict, which was sustained by the supreme court. Attorneys John J. Serling and Cady & Andrews appeared for the plaintiff in the Van Camp case as well as the one just completed. Attorneys Valentine, Gray & Seitz and Gore & Harvey were retained by the defendants in the case.

HOW HIGH HEELS ARE MADE

The Method of Manufacturing Dainty Piece of Footwear Requires Several Effective Machines.

Making a wooden heel is an interesting task, declares the Shoe Retailer. The heel itself is moulded on an irregular moulder, a strange but very effective machine; and a singular fact about it is that not a single improvement has been made on it in 25 years. The heel is moulded from the best quality of rock maple, and after it is shaped is covered with leather usually fine kid or cabretta stock, which may be in many colors, according to prevailing fashions.

The leather is stretched on, fastened with the best quality of rubber cement and then ironed, so that when the job is finished the heel looks as if all of leather. The top lift is next attached. The lift is usually of a superior quality of sole leather, and a pair of them cost as much as a full sized top lift for women's shoes, though less than half their size. The fact is, good material and workmanship are put into the high heel, for it is one of the vital parts of the shoe or slipper.

Giant Cheese.

One of the largest cheeses, if not the largest, ever made was manufactured at Altamont, in Daviess county, Mo., recently. The cheese factories at Mabel and Pattonburg sent their curd to the factory, where it was reworked and placed in a proper condition for dressing. Milk from Winston and Brownsdale and the surrounding country was also received at the factory, where it was transformed into curd. The curd was hauled to a car near the depot, and placed into the molds of the cheese and pressed. The cheese weighs 2,100 pounds.

Made the Dog II. "I am inexpressibly sorry, Mr. Smithers," she said, "to learn that when you called the other day Tiger bit you." "Oh, that's all right," he said, with a forced effort to be cheerful. "No, it isn't," she sobbed; "the poor little fellow has been ill ever since."

Why He Didn't Read.

Boswell—Do you ever read anybody else's novels? Eminent Novelist—No; I don't. I've tried to do so, but I found that if they were worse than mine they bored me; while if they were better, they made me savage. So I leave them alone.

Why She Lost.

Fred—And you mean to say that Jack has not married, Miss Pay? Why the girl was just throwing herself at him the last time I saw them. Ted—My dear fellow, did you ever know a woman who could throw straight?—Cassell's.

Dr. E. S. DODD & SON

The Druggists

Solicit your patronage and wish especially to call your attention to three things.

We have added a full line of SMOKING and CHEWING TOBACCO to our stock.

Have just received a fine lot of SYRINGES and HOT WATER BOTTLES.

"HERPICIDE" kills dandruff and makes your hair grow.

Our Drugs are Best. Our Prices are Right.

E. S. Roe,

THE HARDWARE MAN

is offering you an especially desirable line of

Paint and Paint Stock.

Oils, Varnish, Turpentine, Putty, Lead, Zinc and Liquids

for all purposes, and offered with the positive guarantee of being the best of their respective class.

Examine the goods and be convinced.

Our policy is liberal, and treatment square.

You Wouldn't Need Heavy Underwear

In the South Sea Islands, but in this country you do need it, and I wish to call your attention to the fact that I can supply your

needs in this line, with the best the market affords.

Get Your Rubbers Now

and be ready for wet weather.
