

PLANS ARE DEVELOPING TO FINANCE HOUSE BUILDING

C. OF C. GIVING AID TO LOAN ASSO.

INVESTORS URGED TO PLACE SPARE FUNDS IN LOCAL BUILDING & LOAN ASSOCIATION

Realizing that the solution of Buchanan's housing problem lies in the building and loan plan, directors of the Chamber of Commerce and of the Industrial Building and Loan association of Buchanan are going to Kalamazoo today to make a first hand study of the association in that city.

Although no definite arrangement for the financing of a series of homes in Buchanan has yet been agreed upon, the group of directors will go to Kalamazoo to study the working of that association which has been particularly successful in recent years.

Unqualified endorsement of the Industrial Building and Loan was given by the Chamber of Commerce, urging that the community back the local concern by investing their savings in the institution. It was described as being a safe investment bringing good returns. Operated on a non-profit basis the company pays its holders 6 per cent interest, the same rate being charged borrowers.

There are now 590 homes in Buchanan that have been built through the co-operation of the Building and Loan association. Assets amount to \$581,708, an increase of \$127,000 in seven years. Stockholders now number 670 with people paying in sums ranging from \$1 up.

Supplies for the Industrial Building and Loan association is being urged by the Chamber of Commerce, as the means of solving the housing problem here.

Preparations for the building of homes in Liberty Heights have begun, with the option taken on 15 lots in that district and contractors plans being laid preliminary to the erection of homes there.

The need for homes here, long felt, has been brought to a climax by the expansion program at the Clark Equipment company. More than 250 workmen are being brought to Buchanan each day from other places. With the employment increasing at the company upon the completion of the new addition the need for houses here will be deeply felt.

A large number of the men being brought to Buchanan daily by the Clark company have expressed a desire to become residents of the town but find this quite impossible since no houses are available. The long rides from home to work and back again in the evening are not only tiresome but expensive. It takes away an hour or more of their evening and compels them to arise at an earlier hour in the morning. Another bad feature lies in the fact that it is quite impossible for them to patronize Buchanan stores. They add nothing to the taxable value of the town and contribute in no way to the support of its institutions, and through no fault of their own.

It is a well known fact that thousands of dollars of Buchanan money is now invested in Building and Loan associations in South Bend, Lansing, Detroit and other places. If this money were brought back to Buchanan and invested in the stock of the local association the same rate of interest would be earned and the money so invested would be used in home building here. A direct benefit would thus accrue to every property owner here and Buchanan could make the growth that is now demanded, but held suppressed from lack of funds to carry out a building program.

The will of Mrs. Lucy A. Brocius, who died Oct. 25, was filed in probate court Friday.

Her estate was valued at \$4500, of which \$4000 is in real estate and the balance in personal property.

The Riverside Camp Meeting association of Buchanan is bequeathed Mrs. Brocius' cottage and the balance of her holdings to be sold and distributed among several of her relatives.

WAGNER COMING SATURDAY WITH DEER LICENSES

Mr. Wagner, Jr., county clerk, has sent word to the Record that he will be in Buchanan on Saturday afternoon, Nov. 5, at Kelling's cigar store with an ample supply of licenses for deer hunters which he will issue to applicants on that date. He will be at the store from four o'clock on. Mr. Wagner is doing this as an accommodation to the hunters in this locality and to save them a trip to the county seat.

Hunters contemplating going north for the season should take advantage of this opportunity to get the necessary documents.

HALLOWE'EN IS SPENT QUIETLY

DEFLATED AUTO TIRES AND SOAPY WINDOWS WERE MAIN EXPRESSIONS OF HILARITY

Gone are the good old days when the morning after Halloween found everybody's front steps gone and somebody's lumber wagon roosting on the town hall roof.

If Monday evening's celebration is any thermometer of youthful dispositions, the growing generation is the most innocent of any yet. The night in Buchanan might be described as an evening of much laughter and little meanness. Tricks at no time reached the destructive stage. An amusing quiet week was reported by Fred French, chief of police.

The soaping of windows was perhaps the most popular occupation during the evening, that brought out a whole bevy of merchants the next morning to apply water and brush to their store fronts. Windows as far away as the high school were attacked, few panes in the town escaping unscathed.

The applying of soap to automobile windshields was a specialty with one group of more than a hundred youngsters who waited for their victims on Front street. The deflation of automobile tires was another of the principle means of amusement, the exact number of cars attacked, not being known.

A careless passerby threw a cigar stub into dry leaves on Front street that spread to a telephone pole which soon caught the attention of the youngsters and occasioned a large gathering. A trailer belonging to the Indiana & Michigan company was sent on a joy ride down the main street hill.

It is estimated that more than 400 attended the community Halloween frolic held in Gallen on Monday night. It was pronounced a success from the beginning to the last notes of dance music. A rack waltz and all kinds of games were played and many "stunts" tried.

A prize was awarded to Mrs. B. Boyle who won first in the nail riving contest. The foot ball game at 2:30 between Gallen high school and Watervliet ended 12 to 9 in favor of Watervliet.

The grand march led by the Snitlagaster band began at 7:30. Whistles and ghosts taking the lead Claude Glover, Harry Berry of Buchanan and Miss Green of Ann Arbor, were the judges and they awarded prizes to the following: Prettiest woman's costume, Marion Dodd; prettiest man's costume, Earl Hand, Buchanan; prettiest girl's costume, Miss Margaret McLaren; cleverest woman's costume, Mrs. Gus Janasch; cleverest man's costume, Miss Louise Batten; cleverest girl's costume, Mayme Proceus, Buchanan; cleverest boy's costume, Chas. Brooks, Niles; funniest woman's costume, Mrs. R. J. Kenney; funniest man's costume, Grace Westfall, Niles; funniest girl's costume, Daniel Kiefer; funniest boy's costume, Harlan Lintner.

Best costume representing nature, Mrs. M. Sunday; fattest costumed, Mrs. R. Wentland; thinnest costumed, Chas. Hohman; oldest person masked, Mrs. Frank Pierce; 2nd oldest, Mrs. M. Morley; 3rd oldest, Mrs. Horace Morley; youngest person masked, Miss Mabel Kiefer, 18 months old. The jack-o-lantern drill given by the pupils of Miss Phillip's grade, was very clever. The Buchanan entertainers won the heart of every one. Mrs. C. C. Glover, chairman of the entertainment committee deserves much credit for the success of the evening.

ATTEND ELK'S FETE

Mr. and Mrs. Cress Weldon were among the guests from Buchanan who attended the Elk's Fete Monday evening in the Elks Temple at Benton Harbor. Following a banquet at 7 o'clock entertainment was given by the Tobias company of the Redpath bureau of Chicago. Kelly's Klowns furnished music for the dance following.

BOYLE ELECTED TO GRANGE POST

MANY FROM BUCHANAN GO TO ANNUAL STATE SESSIONS OF FARMERS

The election of State Representative J. G. Boyle as chairman of the committee on state affairs at the Michigan state grange has been reported by delegates who attended the annual sessions at South Haven for three days last week.

Farm relief and reduction of taxes were two of the principle topics discussed at the Tuesday sessions. On Wednesday forenoon masters of the granges held a conference with afternoon and evening sessions taken up with annual reports. A total of 800 grangers gathered at a banquet on Wednesday evening, when special speakers including the mayor and secretary of the Chamber of Commerce appeared. Virginia Hill 8 year old daughter of Mr. and Mrs. John Hill, of Buchanan, gave readings at the banquet.

"Home Life" was the theme of Wednesday evening's program when Miss Jennie Buell, head of the department of continued education from Michigan State college and Mrs. Julia Armstrong, Pamaona lecturer, from Niles, talked on that subject. Representative John Ketcham from the Fourth district gave a short fellowship speech on Wednesday evening.

Committee reports and a memorial service to the grangers who have died during the year occupied Thursday sessions. Mrs. Olivia Woodmen of Paw Paw, was in charge of the latter service.

Reports from the committees on state and national affairs were heard on Thursday. The three-cent gas tax was occasion for discussion among state affairs. Farm relief and the protection of United States citizens in foreign countries were subjects brought up by the committee on national affairs.

The granges of this district were represented at the convention by the following: Wagner, J. G. Boyle and Mr. and Mrs. Bert Mitchell; Mr. Tabot, Mr. and Mrs. Dean Clark, Mrs. Alice Clark, Mr. and Mrs. Carl Pennell and Mr. and Mrs. Walter Fryman; Portage Prairie, Mr. and Mrs. E. S. Arney, Mr. and Mrs. Ira House, Mr. and Mrs. John Long and Mr. and Mrs. John Hill and daughter. Mr. and Mrs. Perry Morley of Buchanan, and Bert Mitchell of Buchanan, attended the presentation of the first and sixth degree work on Thursday afternoon.

Next year's convention will be held in Cadillac.

BUCHANAN HAS "FLYING TEACHER"

MISS GALE PEARLS GOES TO TOLEDO, OHIO, IN AN HOUR'S RIDE FROM HERE

Buchanan now can boast of "a flying school man." Last Wednesday morning Miss Gale Pears accompanied her brother Richard, to Toledo in his journey back to New York.

The two embarked on their flight about ten o'clock and reached Toledo in an hour's time. Taking noon day lunch in that city, Miss Pears returned to Buchanan by train in the evening. It took her three times as long to return here as it did for her to fly to the eastern city.

Lieutenant Richard Pears has returned to his position with a commercial aeroplane company of New York whose specialty is aerial surveying. He reached Buchanan last Friday, bringing a gigantic mail airplane here from Chicago and turned it over to A. Chandler, who piloted the machine on to New York.

Pears remained here for a few days' visit with his parents, Mr. and Mrs. Charles Pears of Front street. A few days ago he made a spectacular flight over Buchanan at a low altitude.

CHARGES NON-SUPPORT

Iva L. Brown of Buchanan, Wednesday filed a bill for divorce in circuit court from her husband, Albert Brown, whom she charges has failed to support her and their two children.

The bill further states that the defendant had a habit of spending every evening away from home and that the plaintiff has had to live with her mother much of the time.

They were married in Buchanan, Aug. 7, 1916, and have two children, Velva, aged 11, and Dorothy, aged 9.

CLARKS IN ACCIDENT

Mrs. Dean Clark had her face badly cut with flying glass Monday morning in an auto accident near Charlotte, Mich. Mrs. Clark and Lawrence Lauer, of Baroda, were taking the former's daughter, Miss Dorothy, to East Lansing, where she is attending school. The accident happened about 22 miles north of Charlotte. The other occupants of the Ford coupe were uninjured.

Comedy and Dancing Feature Five Act Vodvil Tonight at Clark

CLARK THEATER ENTERTAINMENT HAS RARE ARTISTS AND VALUABLE SETTINGS

The contributing of an oriental setting valued at several thousand dollars will help to make the five act vodvil presented by the College Women's club tonight at the Clark theater a decided success.

Through the courtesy of M. Strogan an unusual background of hangings and rugs imported from the Orient will be shown in an act to be staged by Mme. Mary Grace Mohn, noted dancer. In addition a Spanish dance with a background in keeping with the theme will be presented by Mme. Mohn.

A series of classical and popular numbers is also to be given by Mrs. Marjorie W. Goble, chairman and radio artist of wide note, who has been secured for tonight's entertainment. Mrs. O'Toole is an accomplished vocalist possessing a soprano voice that has brought her recognition in both the musical and entertainment world.

The whole range of stage types from pure comedy to dancing and

singing by the best artists will form the program. Two skits, rich with laughs are scheduled, when entertainers experienced as fun makers will come from behind the scenes.

A picturesque and unusual bit of amusement is promised in the act to be put on by Mrs. Harold Harper and company, well known entertainers who has appeared before many groups in southern Michigan.

For mystery supreme, Clarence Hertel, promising young performer from South Bend is coming tonight for the entertainment. Mr. Hertel has many tricks that are said to make him a true follower of Houdini himself.

The ticket sale has been going on this week with no definite reports yet submitted, although the theater promises to be filled to capacity. Proceeds of this performance will be applied on the scholarship fund of the College Women's club through which local girls will be aided financially toward the securing of a college education.

More than a dozen principle players accompanied by a large number of assistants will take roles in the show this evening.

"RADIO COLLEGE" OPENS PROGRAMS

M. S. C. BEGINS THE SHORT COURSE OF STUDY ON MONDAY NIGHT

The "school of the air" at Michigan State college opened Monday evening, Oct. 24, broadcasting over WKAR, the college radio station.

Material of interest to everyone will be presented this year combining the offerings of 22 departments of the college. The first half of the program was devoted to the arts and sciences and the last half to agriculture. In addition, special programs of music, football and basketball games were broadcast.

Farmers of the state will play an important part in the school this year. Each of the lectures to be given by the department of agricultural engineering will be based on a power project as developed by some outstanding farmer. Prominent producers of the important crops will speak on the farm crops department programs.

Five departments which did not appear on the programs last year will be included in the school this year. The Boys' and Girls' club department will give a series of fifteen lectures which will include many of the champion club boys and girls of the state among their speakers. The athletic department will give a series of lectures on the major sports which will give the average individual a better understanding of these games. The other new departments will include electrical engineering, botany and the department of drawing and design.

The radio school courses will be given five nights each week from 7:15 to 8 o'clock. The program each evening will be divided into four ten minute periods. The Fall term which opens Oct. 24, will continue until Dec. 16. The winter term of 24 weeks will open Jan. 2 and end April 20.

Catalogs giving a complete schedule of the courses are ready and may be procured by writing to WKAR.

MEN OF CHURCH TO SERVE DINNER

PUBLIC INVITED TO BANQUET AT THE PRESBYTERIAN CHURCH TUESDAY EVENING

The men of the Presbyterian church have planned a dinner which they will serve in the basement of the church next Tuesday night from six to seven thirty o'clock.

This is to be purely a man's affair so far as preparing and serving the food is concerned and it is going to be exceptionally good in quality and quantity as is attested by the fact that Lloyd Sands is the chef in charge and will be assisted by such competent help as Harry Thompson, Al Muir, and others whose fame as cooks is more than local.

Everybody and his neighbor is invited to come to the feast, and a very special invitation is extended to the ladies, to whom the men want to present a practical proof of their ability as cooks. Of course, there will be a charge for the food a meager fifty cents paying the bill, and the money so raised will be used in fixing up the church basement floor and some other things that are in need of attention. The promoters of the enterprise unqualifiedly guarantee that food of quality will be served in abundance and of wide variety. The serving of their claims is up to you.

"Smilin' Thru"—Nov. 18.

SOLDIERS GATHER ON ARMISTICE DAY

LEGION AUXILIARY WILL SERVE DINNER TO THE MEN OF THREE WARS HERE

The gathering of soldiers who have served in three wars of the country will gather in Buchanan on the evening of Armistice day when the American Legion auxiliary will serve a dinner to the men and their wives.

The list of guests who are invited includes Civil War veterans and their wives, all ex-service men from the World war, whether members of the Legion or not, and Spanish American War veterans and their wives.

The supper is scheduled to begin at 6:30 in the Legion hall with the Legion women supplying potatoes, creamed chicken and coffee. The remainder of the supper will be in the form of a potluck feed.

A program will follow the supper when music and other special features will be included. Stories of the wars will probably be swapped also.

Among the American Legion women who are aiding in the event Mrs. Betty Smith has been selected chairman of the kitchen committee and Mrs. Walter Thanning chairman of the entertainment committee. All members of the Auxiliary are working directly toward the success of the evening, that being the only celebration planned among Buchanan's ex-soldiers to commemorate the conclusion of the World war.

Plans for the event will be perfected at the regular meeting of the American Legion Auxiliary Monday evening, Nov. 7.

LARGE GROUP GO TO LEGION MEET

BUCHANAN POST SENDS LARGEST DELEGATION TO DISTRICT SESSION

Buchanan Legionnaires and local auxiliary members had the largest attendance of any post at the district meeting held Sunday in the American Legion hospital at Battle Creek.

During the morning the 150 soldiers, including 35 bed patients, were visited. Men who are able spend their time with various handicrafts including basketmaking, weaving of hook rugs and designing and tooling of leather articles. The local auxiliary took 50 quarts of canned fruit to the hospital and a supply of candy.

The hospital, conducted by the Veterans' Bureau at Camp Custer, which adjoins the Legion hospital was also visited.

Following dinner, served in the main dining room of the hospital at noon, a joint meeting of the assembled Legion posts and auxiliaries was held. Mrs. Marion Shirk, state president of the auxiliary, gave an interesting account of the national American Legion convention held in Paris.

Mrs. George Chubb, local auxiliary president, told of the work of the local post and auxiliary. Separate meetings of the posts and auxiliaries followed the joint meeting.

Buchanan had the largest attendance of any district to attend the meeting. Those from Buchanan present were: Mr. and Mrs. George Roe, Mr. and Mrs. George Chubb, Mrs. Marie Pierce, Miss Augusta Huebner, Mrs. Edith Willard, Miss Erma Wright, Mrs. Florence Chubb, Mrs. Tammonsor Binns, Robert Sparring, Jesse Lowman, Frank Chubb, Harold Pierce Harry Binns and son, Glen and the latter's guest from South Bend.

TAKEN TO HOSPITAL

Miss Josephine Gross was taken to Epworth hospital Thursday to be placed under a specialist's care. She had been recuperating at her home on Portage street following an operation several weeks ago under the care of a trained nurse.

AT FARM MEET

Representative J. C. Ketcham who spoke at the annual state grange meeting at South Haven and attended by several people from Buchanan. Rep. J. G. Boyle was elected chairman of the state affairs committee.

In the business meeting Mrs. A. H. Hiller was re-elected white box secretary for the Kalamazoo district.

Mr. and Mrs. Henry Adams and daughter, Louise are spending several days in Milwaukee, Wis., the guests of their son, George Adams and family.

COUNCIL PLANS ACTION ON SEWERS AND NEW LIGHTING

NEW CLOTHING STORE OPENS SATURDAY ON DAYS AVENUE

Announcement of the opening of a clothing store on Days avenue by Louis Alexander of Mishawaka, was made this week with plans to begin business Saturday morning, November 5.

The new firm coming to Buchanan will handle a complete line of clothing for men and will make workmen's clothing a specialty. Interior decorating is now being completed in a deep maroon shade. The exterior has been dressed up in a bright red coat of paint.

Louis Sampson, a merchant of 18 years experience, from Berrien Springs, will be in charge of the store. Alexander has had many years experience as a clothing merchant, operating stores in both Mishawaka and South Bend.

LIFE IN DENMARK TOLD BY NATIVE

YOUNG DANE RESIDING IN THIS COUNTY DESCRIBES EFFICIENT FARMS OVERSEAS

A vivid picture of farming in Denmark was described by Kaj Nielsen, a native from Denmark, who has been secured as the cow tester for the South Berrien Cow Testing association.

Recalling his home country, he pictured the farms as being much smaller than those of America, the average farmer owning but 40 or 50 acres of land at the most. Practically every farmer has a herd of cows, through which many secure their entire livelihood on the peninsula. Farms were pictured by the young Dane as having large U shaped barns of large dimensions with cows, hogs and horses being kept in the two wings and the center of the structure being used for threshing. The latter activity is carried on in the winter months.

The barns are constructed of stone and have thatched roofs. The stones are of a crumbling clay-like formation that will withstand the weather in spite of their composition.

Farmers use tractors on the larger holdings and Oliver plows are used quite extensively, he said. Equipments and methods that will make the farmer more efficient in his growing are used throughout the country. The small farms make it necessary for the farmers to conduct their growing and dairying on an intensive basis.

Reviews, cottonseed, coconut oil and other supplies that raise productivity are imported and used extensively by agriculturalists he said. Butter, bacon and eggs in turn are shipped to England and other nearby ports. Practically every farmer in Denmark is a member of the cow-testing association, that organization's special problem being to place cows on a paying basis.

Young men in Denmark, he said, are not turning from the farms, as they are in the United States. Although Nielsen's father is a hardware dealer in the coast village of Sruer, he left the town to take up farm work.

The fact that his earning capacity greatly increased in America led him to come here. Ivar Iversen, a friend also from Denmark, who is tester for the North Berrien association, has been here three years.

Altho he has lived in America for only six months and has only studied English in Danish schools for a period of two years, Nielsen speaks unusually well. English, he said, is easy to conquer but French extremely difficult. The only trouble with America was in the fact that anyone coming here never wants to return to their native country.

When asked if women in Denmark wore short skirts and bobbed hair, Nielsen said, "Girls are pretty much the same the world over."

ADVENT CONFERENCE

The Southern Michigan and Northern Indiana Advent Christian conference will convene here, beginning Thursday night, Nov. 3, and lasting over the following Sunday. There will be preaching each night with three services on Sunday. Elder Bloom of Chicago, Elder Pullen of Benton Harbor, and others are expected to be present. The public is cordially invited.

EXPERT COMING

Miss Edna Gleason, extension specialist from Michigan State college, will be in Buchanan county, Nov. 3 and 4th for her regular monthly meeting with leaders of the 12 sewing groups of the county. This session will deal with the choice of commercial patterns with special attention being paid to correct size and suitable design of the pattern.

SPECIAL MEETING TO SEE DECISION

NEED IMPERATIVE FOR ACTION ON SEWERAGE SYSTEM; WALTON ROAD SPEEDS DECISION

Definite action on the sewer and street lighting projects for Buchanan will probably be taken in the near future with the announcement at the November meeting of the village council on Tuesday that engineers have nearly completed their street lighting surveys.

Upon the completion of the prospectus now being carried on by Indiana and Michigan engineers a special meeting of the council will be called when both sewer and lighting problems will be considered. The survey of the local needs by electrical engineers of the company are being done without financial obligation, whatever on the part of the village of Buchanan.

The sewer question has gained impetus through the acceptance of the Walton road project by the county board of supervisors in their October session recently. The road extends through River and Portage streets in Buchanan and specifies a 20 foot strip of pavement. A letter from Claude A. Baker of the county road commission was read by President Brown advising that the council provide for the proper curbs, water and gas connections in preparation for the laying of the road. The Walton project has doubtless, helped to arouse interest in the sewerage system for Buchanan.

A delegation from Lake street was also present at the council meeting urging that something be done to relieve the situation in that section of the town. A survey by Village Engineer Toynoe of conditions there led him to see that no make-shift plan would take care of the surplus water but that only a sewer as a unit in the \$100,000 program would adequately provide for the situation.

A petition signed by citizens of Buchanan was presented to the village council asking for an out-let from Cauyuga street onto Front street. Difficulty in traffic passing from the street was given as the reason for the petition. The question was referred to the street committee, who will investigate conditions.

Wishing to secure building rights over McCoy's creek, Eugene Murphy appeared before the council and offered to deed a strip from the rear of his Front street property to the village for granting him the privilege. The proposed strip of land would make an ideal parking space and would help to relieve any traffic congestions on M-60. The question of just who owns the creek bed was discussed by the councilmen.

A vote of thanks was extended by the councilmen to the Niles fire department for their prompt run to Buchanan during the mill fire last week. The Buchanan department was also commended for their work.

BEE MEETING CONVENES AT BUCHANAN RESIDENCE

One of a series of meetings to illustrate the winter packing of bees conducted by Professor W. H. Ewell, bee expert from the Michigan State college was held at the home of Leo Huebner, 212 Lake street Tuesday afternoon at 12:30.

The meeting was one of a group being staged throughout the county, according to Agricultural Agent Harry A. Luskins. Other meetings held Tuesday were as follows:

The Kerlikowske brothers farm, one mile east of Riverside, at 9 o'clock. John Peachy farm, four miles northeast of Eau Claire at 2 o'clock.

On Wednesday the meeting was conducted at the E. R. Sherman farm three miles southwest of Berrien Springs at 9:30. Farmers and persons interested in bees attended the demonstration.

NINETY-FOUR INCH DAHLIA IS GROWN BY JACOB WEAVER

Raspberries blooming in November is an oddity Jacob Weaver could show anyone visiting his home on Front street this week when a small twig of the berries braved the threatening weather to show itself. Several blossoms were also visible.

What is believed to be a champion dahlia has also been raised at the Weaver home this year. A plant measuring ninety-four inches tall having been grown. Its blooms, a deep red, reached a high number.

E. I. Bird has added a new Buick sedan to his fleet of taxicabs.

DELEGATES ATTEND REVIVAL TONIGHT

HUNDREDS CROWD TO THE EVANGELICAL CHURCH TO HEAR NOTED BROTHERS

The Evangelical parish will celebrate guest night this evening with delegations from Niles and St. Joseph coming to the special services being conducted by the Newell brothers evangelistic party.

On Sunday morning Dr. Newell's subject will be "Partnership with Christ." Sunday evening he will give his copyrighted sermon, "Eternity." Rev. W. H. Camfield, the pastor of the church announces that extra seating capacity will be arranged for during the week and an efficient corps of ushers will handle the large crowds very quickly and courteously.

The Newell Brothers' Evangelistic party arrived in Buchanan last Saturday evening from Pittsburg, Pa., and were immediately conducted to the Newton Barn, hart home. Sunday evening they launched their campaign to an audience that practically filled the large auditorium of the Evangelical church.

Dr. H. H. Newell, the evangelist, is known as "a man with a message" according to reports from St. Joseph, where these men have just finished a campaign.

B. H. Newell is the chorister of the party and it is said of him that he knows how to make folks sing even though they are feeling out of sorts with the universe. He is greatly aided in this by his trombone. Just now he is busy

training a large chorus of school children who will render a program of songs and drill from the platform next Saturday night.

CLARK DANCE NOV. 17 The first of the Clark Dancing club series will be held on Nov. 17, in the Clark theater. The music will be furnished by Lola Trowbridge's W. S. B. T. radio orchestra of eight pieces.

The club is organized on a little different lines this season, the money for the series being paid in advance. Under this old plan payment was made as the dances were held and with bad weather, the committee in charge often fell short of money to meet actual expenses. Enough money has now been paid in to cover the expenses of the series. Invitation guests attending pay a higher rate than subscription members. The lunch hour will be abolished this winter.

NOTED CARVER IS BURIED HERE

CHARLES KELLY, FAMED AS A DESIGNER AND AN ADVISOR, HAD KIN HERE

The body of Charles Kelly, who died in Grand Rapids, Sunday at the age of 63, was brought to Buchanan yesterday.

Mr. Kelly had been nationally famous as a furniture carver and designer. The last years of his life had been spent in Grand Rapids where he had been employed by furniture manufacturers as designer and advisor. Prior to 40 years ago, Mr. Kelly was employed in one of the furniture factories of Buchanan, then a rival of Grand Rapids as a furni-

ture manufacturing center.

After an employment here of seven years he went to Grand Rapids. Surviving are the widow, formerly Emily Croxon, to whom he was married in Buchanan 40 years ago and a daughter, Mrs. Marie Turner of Kansas City, Mo. Frank and Dan Merson of Buchanan are nephews.

Funeral services were held on Wednesday afternoon, at Child's funeral home, the Rev. Fr. Louis Hammer of St. Anthony's Catholic church, officiating. Burial was in Oak Ridge cemetery.

It pays the farmer well to clean his wheat, says the United States Department of Agriculture. Not only does the clean grain command a higher average price than the same grain before cleaning, but the dockage obtained has a farm feeding value that is roughly during 1926 dockage sold at comparable to oats in composition, comparable to ats in composition, country points at an average price of about \$16 a ton.

Old Time Dance Saturday night at Legion hall. Good music. Every one welcome.

MORTUARY

GEORGE GLEASON

George Gleason, a former resident of Sodus township died Saturday, Oct. 22, at his home at Montrose, Colo. He was the son of the late Mr. and Mrs. Charles Gleason of Sodus, and is survived by two brothers, his widow and five children—Edward of Benton Harbor; Fred, of Sodus; Mrs. T. C. Walton, Miss Mary and Miss Hattie Gleason of Berrien Springs and Mrs. Nellie Smith of Buchanan.

MRS. ELIZABETH JOHNSON

Elizabeth Jane Johnson, daughter of John and Eliza Witt, was born in Corning, New York, Aug. 13, 1857, and passed away at her late home in Hills Corners, West Michigan Thursday evening at 7:15 o'clock, Oct. 27, aged 70 years, 2 months and 14 days.

On April 4, 1886, she was united in marriage with George B. Johnson of Atchinson, Kansas. To this union was born a son, Fred W. Johnson of Kalamazoo, who survives.

In 1902 Mr. and Mrs. Johnson came to Michigan and settled in Lake township, later moving to Westway township where they spent the remainder of their life. Mr. Johnson passed away Jan. 15, 1923, and since his death Mrs. Johnson's sister, Mrs. Emma A. Scott has lived with her.

For the past fifteen years she has been a member of the Christian church at Hills Corners.

Mrs. Johnson was much loved by all who knew her and with her even tempered and sunny disposition she met everyone with a smile and endeared herself to all alike, and will be greatly missed by the community. She leaves to mourn her departure her son and sister and a host of friends.

Funeral services were held in the residence Sunday afternoon at 2 o'clock Oct. 30, 1927. Rev. J. O. Walton, officiating. Interment was in Hinman cemetery, Sodus, Michigan.

LUCY BROCEUS

Lucy Broceus, daughter of Daniel and Mary Kauffmann, was born Nov. 1, 1848, and passed away at her late home on Main street, Buchanan, Oct. 28, 1927, aged 78 years, 11 months and 19 days.

She was united in marriage to Abram Broceus Oct. 9, 1883. Her

husband preceded her in death 33 years ago, and since his death she had lived alone.

Up to the time of her marriage to Mr. Broceus, Miss Kauffmann lived with her people in Augusta township, Northumberland, Pa., where she received her education. When but a small girl she united with the Reformed church, but after coming to Michigan she affiliated with the United Brethren church and later she united with the Evangelical church to which she was a faithful member.

After her marriage to Mr. Broceus she came with him to Buchanan where she spent the remainder of her life.

Mrs. Broceus was a valuable member of the Evangelical church of this place. The church of her choice honored her with the following offices: Superintendent of the Sunday school for 12 years, Steward of the church for a number of years, president of the Ladies' Aid society and of the Young People's association and for a number of years she held the office of treasurer of the Women's Missionary society. She was among the best talented workers in the W. M. S. She had been a teacher of the Upstreamers Bible class for 15 years or more, well versed in the Bible and capable of being its teacher.

She leaves to mourn her departure: one sister, Mrs. Malinda Johnson and a nephew, Amos Renn, both of Fishers Ferry, Pa.; five step-daughters, Mrs. J. H. Steiner, Niles; Mrs. S. C. Quint, Carroll, Ia.; Mrs. Geo. Hanley, Mrs. Anselm Wray and Mrs. Helen Fowler of Buchanan, besides other relatives and a large circle of friends.

Funeral services were held in the Evangelical church Wednesday afternoon at 2 o'clock, Oct. 26, Rev. W. H. Camfield officiating. Burial was made in Oak Ridge cemetery.

CIGARETTE MORE POPULAR THAN OLD-TIME STOGIE

Is the "stogie" doomed to die a lingering death? Or is the American "flapper" and her omnipresent cigarette the reason for the gain in cigarette consumption while the tendency toward decrease in cigar leaf consumption grows noticeable? Consumption of American made cigarettes in China and Germany is showing an ever more remarkable increase than the domestic demand, recent government surveys show. Every change of tobacco consumption in the world trade is reflected in the American market, as the United States annually grows more than three-fourths of the globe's "smokes."

1st insertion Oct. 6; last Dec. 29 MORTGAGE SALE Default having been made in the payment of money secured by a mortgage, made and executed by Daisy Russell Lumbard and Frank S. Lumbard, wife and husband, of the village of Buchanan, county of Berrien, State of Michigan, to the Industrial Building and Loan association, a corporation of the same place, said mortgage bearing date the 18th day of December, A. D. 1925, and recorded in the office of the Register of Deeds of Berrien county, Michigan, in Liber 150 of mortgages on page 186 on the 18th day of December, A. D. 1925.

Whereas, the amount claimed to be due on said mortgage for principal and interest at the date of this notice is the sum of twenty hundred eighty dollars (\$2080.00) together with an attorney fee of thirty-five dollars as provided in said mortgage and according to statute and no proceedings have been taken in law or equity to recover said debt or any part thereof.

Now, therefore, notice is hereby given that by virtue of the power of sale contained in said mortgage, it being expressly agreed by the terms of said mortgage that should default be made in any of the payments therein provided for a period of four months that the whole amount secured by said mortgage is now due and payable and said power of sale has become operative, and by the statute in such cases made and provided, the said mortgage will be foreclosed by a sale of the mortgaged premises, at public auction to the highest bidder at the south front door of the court house in the city of St. Joseph, Michigan, on the 3rd day of January, A. D. 1928, at ten (10) o'clock in the forenoon of said day. The land and premises described in said mortgage situated in the village of Buchanan, county of Berrien, State of Michigan, to wit: Part of block "E" in De. Monds addition to the village of Buchanan: Commencing at the northwest corner of lot thirteen (13), in said addition, thence north along Main street sixty (60) feet; thence east ten (10) rods; thence south sixty (60) feet; thence west ten (10) rods to place of beginning. Also the right to use for a roadway a strip of land parallel to and adjoining the above described piece of land on the north ten (10) feet wide extending from said Main street east to east line of said described piece of land.

Dated at Buchanan, Michigan, the 3rd day of October, A. D. 1927.

Also the right to use for a roadway a strip of land parallel to and adjoining the above described piece of land on the north ten (10) feet wide extending from said Main street east to east line of said described piece of land.

Dated at Buchanan, Michigan, the 3rd day of October, A. D. 1927.

Industrial Building and Loan association, mortgagee. Frank R. Sanders, Attorney for Mortgagee.

rien county, Michigan, in Liber 108 of mortgages on page 208 on the 28th day of March, A. D. 1910.

Whereas, the amount claimed to be due on said mortgage for principal and interest at the date of this notice is the sum of four hundred one dollars (\$401.00) together with an attorney fee of fifteen dollars as provided in said mortgage and according to statute and no proceedings have been taken in law or equity to recover said debt or any part thereof.

Now, therefore, notice is hereby given that by virtue of the power of sale contained in said mortgage, it being expressly agreed by the terms of said mortgage that should default be made in any of the payments therein provided for a period of four months that the whole amount secured by said mortgage should become due and payable, and whereas, said payments have not been made, so that the whole amount secured by said mortgage is now due and payable and said power of sale has become operative and by the statute in such cases made and provided, the said mortgage will be foreclosed by a sale of the mortgaged premises, at public auction to the highest bidder, at the south front door of the court house in the city of St. Joseph, Michigan, on the 3rd day of January, A. D. 1928, at ten (10) o'clock in the forenoon of said day. The land and premises described in said mortgage situated in the village of Buchanan, county of Berrien, State of Michigan, to wit: Lot two (2), in Block "E" John D. Ross addition to the village of Buchanan.

Dated at Buchanan, Michigan, the 3rd day of October, A. D. 1927.

Industrial Building and Loan association, mortgagee. Frank R. Sanders, Attorney for Mortgagee.

1st insertion Sept. 29, last Nov. 3 STATE OF MICHIGAN, the Circuit Court for the County of Berrien, in Chancery.

Max H. Cowen and Jessie V. Cowen, husband and wife, plaintiffs, vs. Richard Peckham, Jerusha Palmer, Sarah A. Palmer, John J. Peckham, Sarah A. Peckham, Anna Kelsey, Avis Cohoe, Julia Peckham, Avis Peckham, Job Peckham, Isaac Peckham, Peter Peckham, Charles F. Howe, Morris Boss, Nelson Willard, Bertha M. Dunham, Bertha Dunham, Jirah A. Ketchell, Jirah A. Kitchell, Seneca Wire, Stephen M. Glidden and Ida Kitchell and his, her or their unknown heirs, devisees, legatees or assigns of any of the parties made, defendants hereto without being named herein, defendants.

To the circuit court for said county, in chancery.

Suit pending in said court on the 22nd day of September, A. D. 1927. Present Hon. Charles E. White, Circuit Judge.

It appearing from the affidavit of plaintiffs' attorney on file in said cause, that the above named defendants are not residents of the state of Michigan, that it is not known whether the said defendants are living or dead and in what state or county they may reside, if living.

On motion of Rolland E. Barr, plaintiffs' attorney, it is ordered, that the said defendants and their unknown heirs, devisees, leg-

atees and assigns, enter their appearance in said matter or cause the same to be entered therein within three months from the date of this order and that in default thereof plaintiffs' bill of complaint be taken as confessed by them and each of them.

It is further ordered, that within twenty days from the date hereof publication hereof be made in the Berrien County Record, such publication to continue once each week for six successive weeks.

CHARLES E. WHITE, Circuit Judge.

Tuesday, Nov. 8. The men of the church will prepare and serve a supper in the dining hall of the church. Supper will be served from 6 p. m. till 7:30. Everybody welcome.

Wednesday at 7:30 p. m. We begin a course of Bible study to be held each Wednesday night. This course aims to awake interest in the Bible, all too greatly neglected, and to provide a working knowledge in the scriptures. A fifteen minute devotional period will precede the study class. Open to all who are interested in a better acquaintance with the Bible.  
Harry W. Staver, Minister

Methodist Community Church  
10 a. m. Sabbath school, Glenn Haslett supt. Mrs. Resler, junior supt.  
11 a. m. morning worship. Sermon "The Peacemakers." Anthem by choir, "Rock of Ages."  
6 p. m. Epworth league. Leadership, "King's Men of Christ."  
7 p. m. evening service. The pastor will give an illustrated lecture, "In the Land of the Incas." Or a substitute lecture. The choir will render the anthem, "Rejoice in the Lord." Solo by Mrs. Liddicoat.

We appreciate the fine congregations attending our services. We would like to take advantage of this announcement to invite all our friends to be on hand for both services Sunday.  
Each Thursday the pastor is leading a discussion on the book of Revelations. Thursday even-

ing, Nov. 3, the study will be found in Revelation 2. The letter to the church at Smyrna. This study is open to all Bible lovers. Here is a fascinating book of the Bible that is little known. The service begins at 7:30 p. m. You are welcome.  
H. Liddicoat, Pastor.

## LODGES & SOCIETIES

### EDUCATION DAY OBSERVED AT MONDAY CLUB MEETING

"Education" was the subject for discussion at the meeting of the Thirty club which was held at the home of Mrs. Fred Moyer on Monday.

Roll call was responded to with current topics after which the club joined in singing "America." Mr. Orniston spoke before the club on "Relation of the School to the Home." He told of the many movements on foot to improve the different courses of study and the many ways in which pupils are helped to choose suitable vocations in order that they may become better citizens and home makers.

Mrs. Childs gave chapters 9 to 12 inclusive on "American Government," which dealt with the Navy and Air Service Departments.

Club adjourned to meet with Mrs. A. R. Hall for Patriotic Day next Monday.

### MONDAY CLUB HEARS OF INDUSTRIAL SCHOOL WORK

About forty women attended the meeting of the Monday club this week at the home of Mrs. Mariette Redden on Front street. Members answered roll call with current events of Michigan. The work of the Industrial School for Boys at Lansing, was described by Mrs. Wilson Leiter. The industrial and religious training was described along with the home-like atmosphere of the school. Mrs. Henry Liddicoat sang two solos accompanied by Mrs. Flora Jennings.

Mrs. G. H. Stevenson gave an interesting characterization of "Three Heroines of Recent Fiction," pointing out that many of our recently created heroines are as vivid and artistically portrayed as those in older fiction.

The next meeting of the club will be with Mrs. S. E. Johnson on Berrien street.

### PRESBYTERIAN LADIES ENJOY GOOD PROGRAM

The Ladies Aid society of the Presbyterian church met at the home of Mrs. J. C. Strayer Tuesday afternoon for a social and business meeting. Following a short business session the afternoon was turned over to the entertainment committee. Mrs. Geo. Deming, Jr., gave a most interesting review of Gene Stratton Porter's book "The Keeper of the Bees." A violin duet by Helen Kean and Marion VanEreby, accompanied by Ruth Riley at the piano, was greatly enjoyed. Helen Mogford entertained with a pianologue and two readings which were greatly appreciated. Mrs. Strayer was assisted by Mrs. J. C. Rehm, Mrs. Andlauer, Mrs. Lloyd Sands and Mrs. Mogford. Ice cream and cake were served.

### WAGNER GRANGE MEETS TOMORROW EVENING

Mt. Tabor grange team will present the third and fourth degrees to three candidates at the regular meeting of Wagner grange Friday night. Following the ritualistic ceremonies, women of the Wagner grange will serve refreshments.

### NEW CLUB FORMED

Formation of a new club took place last night at the home of Mrs. Hazel Jerne when a group of 18 met for dinner and a social evening.

The new organization composed of the younger members of the W. B. A. was christened the "Westway Club" and Mrs. Olin Summerhill was named president. Monthly meetings will be held in yellow and brown and following the Jerne home was decorated for the dinner games were played. Mrs. Rose Hess, Mrs. Emma Knight and Marie Kolhoff were prize winners in the contests.

**HAPPY GO LUCKIES ELECT**  
Mrs. Glenn Smith was a delightful hostess to the members of the Happy Go Lucky club at her home Tuesday evening. Election of officers for the ensuing year resulted as follows: President, Mrs. Bay Rough; vice president, Ada Rouch and treasurer, Mrs. Ethel Richards. An enjoyable evening was spent.

**J. S. GUILD MEETS**  
The Jeannette Stevenson Guild held their regular business and social meeting Tuesday evening with Mrs. Kelsey Bainton and Mrs. Lloyd Sands as hostess. Following the business meeting Miss Moffett completed the book review and the meeting was turned over to the entertainment committee. At a late hour the hostesses.

The F. D. I. club met at the home of Mrs. Ada Schwartz on Thursday evening. The club was entertained Wednesday at the home of Mrs. Cora Wells of Millersburg.

## SOCIETY EVENTS

**HILLS CORNERS TO HAVE MASK PARTY ON SATURDAY**  
On Saturday night of this week, Nov. 5, the young people of Hills Corners and nearby communities will enjoy a big Halloween mask party that is being planned and sponsored by the 1930 club. This will be the first big social event of the winter season and all young people are urged to take advantage of the opportunity offered for a general good time. The party will be held in the grange hall. Arline Stevens, Anita Boyle, Vera Woollett and Fay Pletcher are serving as a decorating committee and they promise several weird effects for the nightly visitors. The starting bell will sound at eight o'clock.

**TUESDAY CLUB MEETS**  
Mrs. George Chubb was hostess to the Tuesday Bridge club this week at her home on Liberty Heights. Mrs. Chas. Boone won first prize in the afternoon of bridge.

**B. G. U. TO MEET**  
The B. G. U. sorority will meet next Tuesday evening with Miss Josephine Johnson at the home of her brother, Ray Anderson on N. Portage street.

The young people of the First Presbyterian church held their first organization meeting to form Christian Endeavor societies Sunday evening. This year there will be two groups, one for the boys and girls of the intermediate age and one for the Seniors. Myra Anderson and Grace Enk are in charge of the intermediates and Mrs. Harry Thompson and Mrs. Harry Staver are in charge of the senior group. Janet Thompson is president of the latter organization.

A Bible study group is being organized at the Presbyterian church under the direction of the Rev. Harry Staver, pastor. The class will meet each Wednesday evening, starting Nov. 9. The purpose of the course is to make a systematic study of the contents of the Bible. The instruction will be such that people of all ages may attend.

The W. B. A. club was entertained at a Thanksgiving dinner at the home of Mrs. Norman Smith Tuesday at one o'clock. Seventeen were present at the meeting. Games were played during the afternoon. Mrs. C. F. Spaulding will be hostess at her home on Main street in December.

The Florence Past Noble Grange club held their regular meeting with Mrs. Nina Post on Chicago street. After the business session Mrs. Effie Hathaway had charge of a program. Prizes were awarded Mrs. Otto Reinke, Mrs. Harleigh Squires and Mrs. Harry Post.

The Fortnightly club entertained the members' husbands Thursday evening at the home of Mr. and Mrs. Harry Beck at a masquerade party. Bunco and dancing were enjoyed. The next meeting will be Nov. 9, at the home of Mr. and Mrs. Bick Smith.

The Woman's Missionary society will meet at the home of Mrs. Adam Lyddick, 106 Theodor court, Tuesday, Nov. 8, at 2 in the afternoon for their monthly business meeting. Every member is requested to be present and bring their thank offering boxes.

The Sewing society of the Christian church held an all day session Thursday at the home of Mrs. L. G. Bissell. They met again Monday for pot luck dinner and sewing at the home of Mrs. George Mathie.

The Ladies Aid society of the Church of Christ will hold their annual bazaar Friday and Saturday, Nov. 11th and 12th. Chicken supper Saturday night. 431c

The Torch Bearer's class of the Presbyterian church will meet on Friday afternoon, Nov. 4th at 2:30 with Mrs. Glenn Smith. A full attendance is requested.

The Young Women's Foreign Missionary society of the M. E. church was entertained at the home of Mrs. J. R. Semple on Tuesday.

Mrs. C. D. Kent was hostess to the Women's Foreign Missionary society of the M. E. church Wednesday at her home on Main street.

Hazel Homewood will be hostess to the members of the Royal Neighbor club in her home on S. Oak street tomorrow evening.

The members of the S. S. A. will hold their regular, monthly meeting Saturday at 3 o'clock at the home of Mrs. J. C. Rehm.

The W. B. A. Review will hold their regular meeting next Tuesday evening, Nov. 8th at their hall.

Regular meeting of Sylvia chapter, No. 74, O. E. S. will be held Wednesday evening, Nov. 9.

### CAMP FIRE NEWS

Camp Fire girls had a high time last Thursday when, accompanied by their new guardian, Mary Jo Allington, they hiked to Moccasin bluff. Nearly every girl passed their fire making test, baking potatoes in leaves and frying eggs and bacon on stone. They returned to town about 7:30 singing on the way. They have learned many new songs on the last two hikes.

Last Saturday the Camp Fire Girls took part in the parade and had many compliments on their banner which the girls had made. They all attended the Niles-Buchanan football game. Camp Fire Girls are boosters at the games at all times.

## SOCIETY EVENTS

### FAMILY REUNION HELD AT BOONE HOME SUNDAY

Mr. and Mrs. D. W. Boone entertained their children and grand children at a family reunion Sunday at their home on Portage street. Nineteen enjoyed a bounteous chicken dinner. The afternoon was spent socially. The out of town children who were present were: Mr. and Mrs. Frank Boone of South Bend; Mr. and Mrs. Robert Boone and daughter Lois, of Niles and Geo. Boone of Daytona Beach, Fla. Jimmy Osborn and Malcolm Willis of South Bend were also guests. Mrs. Wm. Shedron of Denver, was the only child not able to be present.

### BIRTHDAY SURPRISE

A party of friends surprised Mr. and Mrs. J. C. Fulk of Dewey avenue Tuesday evening, the occasion being Mr. Fulk's birthday. Following the dinner the evening was spent with bridge. Mrs. Frank Hanrahan and E. J. Dittmar were holders of high scores. Dr. and Mrs. Frank Hanrahan, Mr. and Mrs. Dan Kelley and Mr. and Mrs. E. J. Dittmar were the youth Bend guests.

Ten little girl friends aided Beatrice Pearl Summerhill in celebrating her sixth birthday Thursday. Corn stalks, candles, ghosts, goblins and pumpkins lent a hallo'we'n air to the party and each guest came in costume. "Uncle Bob" of radio broadcasting station KYW, offered birthday greetings over the air as they were seated around the table. Prize winners were: Georgia Upson, Phyllis DeNardo, Betty May Osborn of South Bend and Katherine Roti. Other guests were Virginia Arnold, Dennis Hand and Mrs. John Russell, the first grade teacher.

A very noisy bunch of youngsters, 25 in number, were hallo'we'n guests at the home of Mr. and Mrs. L. Dalenberg, Smith street. Games appropriate to the night were played, decorations suggested the spirit of the hobgoblins and the splendid lunch tickled the kiddies. It was a great night for them all and all of them enjoyed it.

John and Charles Mutchler were surprised Sunday by a group of friends including the "Mystic Seersaders" from South Bend, calling at their farm home. A hot luck dinner was served at noon to 26 people and the afternoon was filled with music and games. The group also were entertained with a pot luck lunch in supper Saturday night.

Miss Eleanor Rice was hostess to a number of young friends at her home on Clark street last Thursday night. It was a hallo'we'n affair with decorations in keeping with the time. Twelve masked guests arrived at 7:30 and were greeted at the door by two jack o'lanterns and inside the home were other hallo'we'n decorations.

Celebrating the close of the squirrel season Mr. and Mrs. Jacob Weaver were guests at the home of Mr. and Mrs. Wm. Wray Monday evening when a squirrel supper was served. Riley Wray, son of Mr. and Mrs. Wray, was also present.

Little Misses Ann and Vivian Mogford celebrated Halloween on Monday night by entertaining a party of little folks at their home in West Front street. It was a most delightful occasion for the guests and the hostesses.

Richard Watson, six year old son of Mr. and Mrs. Cress Watson had a hallo'we'n party Wednesday night at the home of his day night at his home on Days avenue.

A surprise party was given on Evelyn Summerhill Monday evening when 16 friends were guests. The evening was spent with hallo'we'n festivities and games.

Kenneth Luke, son of Mr. and Mrs. Harry Luke entertained his friends at a Halloween party on Friday afternoon at his home on Liberty Heights.

### WEDDINGS & BIRTHS

Mr. and Mrs. Marvin Chipman of Cleveland, Ohio, announce the birth of a 10 lb. son, Jerry Rae on Wednesday, Oct. 26. Mr. Chipman is well known here, having lived here with his aunt and uncle, Mr. and Mrs. Arlin Clark for some time.

FIGHTIN' OUTFIT TRIMS NILES 19-0

GOOD SPORTSMANSHIP IS EVIDENCED BY BOTH TEAMS IN ANNUAL STRUGGLE

Buchanan high school's "Fightin' Outfit" trimmed Niles High 19 to 0 in the annual track last Saturday.

Buchanan received the kickoff on her 36 yard line, marched down the field making four first downs but lost the ball in the next down by an incomplete pass over the goal line.

Niles took the ball on their 20 yard line but soon had to punt. The ball was received by Buchanan on her 43 yard line.

Clem Savoldi made first down with a 19 yard run around left end. Pierce made 7 yards around right end and Clem again circled left end for 31 yards and a touch-down.

Wynn went thru right tackle for the other point making the score 7 to 0.

Niles received the ball on their 33 yard line and so unpunted, Buchanan receiving the ball on her 20 yard line.

Buchanan made one first down and punted to Niles' 32 yard line. The remainder of the quarter saw Niles tighten and hold.

The ball seessawed back and forth until the later part of the second quarter when Buchanan received the ball on her 37 yard line.

Clem went around right end for 4 yards and Wynn around left end for 12 yards making first down. Buchanan then went to Letcher netted 23 yards. Pierce made downs with an eleven yard gain and Wilcox another down with a 10 yard run putting the ball on Niles' 7 yard line.

Pierce gained 1 yard around right end, Clem over 3 around left end, Pierce 3 yards thru left tackle, but Pierce failed to gain on the fourth down and the ball went over to Niles on their one and one-half foot line.

The half was soon called after Niles punted out of danger. Buchanan received the ball on her 40 yard line but soon punted outside on her own 34 yard line.

Niles failed to make yardage and punted to Buchanan's 26 yard line. Clem made 12 yards around right end, Pierce plunged 9 yards thru left tackle and again plunged thru left tackle for an additional 3 yards.

Losing 10 yards and failing to gain Buchanan punted to Niles' 11 yard line.

The ball changed hands three times and the quarter ended finding Buchanan on her 40 yard line.

Niles received the ball on its 12 yard line. Failing in yardage Niles punted to her own 43 yard line. Pierce and Savoldi made 12 yards in three runs. Pierce gained over 4 yards around right end, Wynn lost 2 yards at right end and Letcher received a pass for a 29 yard gain bringing the ball to Niles' 2 yard line.

Pierce plunged thru right tackle but his kick failed leaving the score 13 to 0.

Niles received the kickoff on her 26 yard line and made first down. Clem intercepted the next pass on Buchanan's 40 yard line. Yards were made to Niles having 13 men on the field at once and being penalized 15 yards.

The "Fightin' Outfit" renewed the attack by going down to Niles' 4 yard line when substitutes were made while Niles took time out.

Pierce dashed around right end making the touchdown. Wynn passed over to Letcher who missed the lines and caught the ball outside the field of play leaving the score 19 to 0.

Niles received the kickoff on her 17 yard line and soon punted to her 44 yard line.

A pass from Wynn to Letcher netted 24 yards. The game ended with Buchanan on Niles' 8 yard line the score standing 19 to 0 in Buchanan's favor.

The substitutes were Cooper for Savoldi in the second quarter; Savoldi for Cooper in the third quarter; Easton for Bristol and Smith for White fourth quarter.

Buchanan was penalized 15 yards, Buchanan's gains totaled 402 yards, Niles, 75 yards; Buchanan made twenty first downs against Niles' five, and completed two out of four attempted passes while Niles tried eleven passes and completed one.

The spirit of both teams and attendants of the game were very complimentary to good sportsmanship.

The following was the lineup: upon the following to start the game against Coach Olson's team of Niles:

Buchanan Position Niles Letcher (c) Rolfe

Fatta LE C. Bruycker

Bristol LG G. Bruycker

Dempsey RG R. Kenny

Ferguson C Jauch

Knight RB Kiblinger

White RT C. Smith

THE FEATHERHEADS

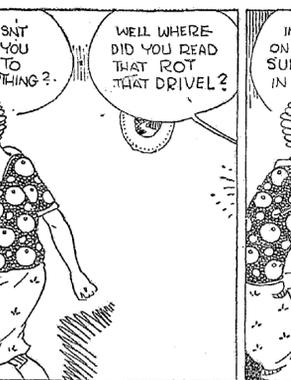

FELIX—SOMETIMES I THINK IT WOULD BE NICE IF WE HAD A LITTLE PLACE TO MOVE TO IN THE SUMMER...

WELL FROM WHAT I'VE PAID IN TAXES, I THINK PART OF THE PUBLIC PARK IS MINE!

DON'T BE SILLY—I'VE BEEN THINKING OF SAY A ROT UP ON THE EDGE OF A LOVELY LAKE WHERE YOU'VE NEVER GROWS OLD AND MOTHER NATURE CROONS THE TROUBLED HEART TO REST!

HUH! THAT DOESN'T SOUND EXACTLY ORIGINAL...

OF COURSE IT ISN'T ORIGINAL—DON'T YOU THINK I'M ABLE TO MEMORIZE ANYTHING?

INSTRUCTORS HEAR NOTED EDUCATORS

SCHOOL PROBLEMS TALKED AT ANNUAL SESSION ATTENDED BY 27 TEACHERS

Educational problems of present day interest to the teaching profession were discussed by the leaders of school circles at the annual conference of the Eighth district of the Michigan Educational association held Thursday and Friday at Kalamazoo.

The two days were divided into three main types of meetings: general, division and sectional groups with programs varying from addresses by prominent men to round table discussions conducted by the teachers themselves.

President Edward C. Elliott of Purdue university opened the sessions on Thursday forenoon with an address in which he condemned lax home training as a hindrance to the schools of the country.

Schools ought to have the cooperation of the parents; to make good citizens of present day youth.

William McAndrews, famed superintendent of Chicago's public schools, brought into the lime light recently with the "battle of the books" in his city, gave an address on "Changing Styles in Education," in which he discussed the management of class rooms and recitations.

He gave a demonstration of how teachers ought to have all members of the class participating in the recitation rather than a teacher-student dialogue.

His address was given before the Upper Grammar grade group.

Superintendent Stark participated in the Small High school section with a round table discussion as the feature.

Supt. E. L. Stewart of Berrien Springs, led the discussion on supervision.

Supt. A. H. Robertson of Dowagiac, was selected chairman for the high school section.

In a discussion group attended by Principal E. H. Ormiston the question of offering two types of diplomas to high school students was discussed.

Under this plan, which was generally opposed by the group the students attending high school for a period of four years would receive one type of diploma and those who had attended the required number of years and had made the required number of credits would receive another type of diploma which would admit them to college.

The group expressed the opinion that high schools could not afford to lower their standards by accepting this plan yet they realized that students are being forced to take subjects to which they are not adapted.

The substitution of other subjects and finding a new way of evaluating students' work were two solutions suggested.

Intimate life among the Russians was portrayed by Maurice C. Hindus, student of Russian affairs and noted journalist, who has made a first hand study of conditions in that country.

Considering the modes and habits of living in the mud hovels of Russian villages and the oppression suffered during the regime of the czar, he expressed no wonder that the populus had turned to bolshevism.

The hospitality of the Russian people and the richness of Siberia in all its vastness were revealed by the speaker.

THE MICROPHONE News of Buchanan Schools

LITTLE THIRTEEN GROUP TO DISBAND

GEOGRAPHIC LOCATION LEADS CLASS C SCHOOLS TO ORGANIZE

Disbanding of the "Little Thirteen" group of high schools was agreed upon by a gathering of representatives Thursday at the Park American hotel in Kalamazoo.

Representatives from all the schools of the athletic conference excepting Paw Paw were present.

During the meeting Principal Bragg from Otsego proposed that an association be formed of class "C" schools in the neighborhood of Kalamazoo for closer athletic relations.

During the discussion it was brought out that the conference consisting of class A, B, and C schools were not functioning as it should.

Upon the motion of Supt. Fear of Plainville, it was agreed to disband, but that a regular meeting of representatives from all schools is to be held once a year at the M. E. A. convention at Kalamazoo.

The purpose of this meeting each year will be to talk over the athletic situations and if necessary to make recommendations to state high school athletic associations.

The following schools were the members of the "Little Thirteen" conference: St. Joseph, Paw Paw, Allegan, Benton Harbor, South Haven, Dowagiac, Buchanan, Otsego, Niles, Three Rivers, Plainville, W. S. T. C. Preps and Three Oaks.

The geographical distances between schools making the grouping unworkable, was the principal reason for disbanding.

SECOND TEAMS CLASH AT NILES

BRADFIELD CHALLENGES OLSON TO A REAL SECOND TEAM CONTEST

Monday the second and third teams of "Curly" Bradfield's squad went over to Niles to play their second team and were whipped 25 to 0.

After playing a very short time it was easy to see that Niles was not playing all her Seconds, but her first team with the exception of Captain Beall and Osterban.

After this discovery their third team was run in at the beginning of the second half and the game turned to practice on Buchanan's part.

Coach Bradfield has challenged Coach Olson of Niles to send his real Seconds against ours the latter part of this or any other week during the season when there are open dates.

HIGH SCHOOL STANDINGS

Table with columns: Team, W, L, T, Pct. Rows include St. Joseph, Paw Paw, Allegan, Benton Harbor, South Haven, Dowagiac, Buchanan, Otsego, Niles, Three Rivers, Plainville, W. S. T. C. Preps, Three Oaks.

The officials were referee Ralph Wagner, Western State Normal, umpire, Sicles, Michigan State Normal, headlinesman, C. T. Metz, River Forest Normal, and timekeeper, E. H. Ormiston.

GIRLS' A. A. NETS \$20 AT NILES-BUCHANAN GAME

The Girls' Athletic association made big profits at the Buchanan-Niles game this past Saturday by selling hot dogs, cider, doughnuts, pop corn and candy.

Miss Allington's great idea was to stuff the Niles rooters so that they could not cheer. Nobody went away from the game feeling starved.

The girls took about \$20 in clear profit. The money is going to the benefit of the big banquet for the football men. Anyone can come to this banquet who purchases a ticket.

FEWER STUDENTS RUM DRINKERS

DELEGTE FROM BUCHANAN ATTENDS THE STATE CONVENTION OF W. C. T. U.

Student drinking among high schools and colleges is not increasing, Douglas Graham of Detroit, told the state convention of the W. C. T. U. that convened at Battle Creek last week.

The local organization sent Mrs. W. F. Runner to Battle Creek for the meeting.

Regarding student drinking, Mr. Graham roused his audience with statistics showing a 100 per cent decrease since the Volstead act came into effect.

His conclusion was arrived at by means of hundreds of questionnaires returned by responsible persons of all parts of the country.

"You are making a mistake," Mr. Kellogg said, "in the way you are dealing. You are giving all your attention to clamor for law enforcement and not enough to education."

The only way to rid the nation of liquor traffic is by educating youth to leave it alone, he said.

The 500 delegates to the convention indicated they were ready to pass a resolution demanding both the Republican and Democratic national conventions to include a prohibition in their platforms.

Mrs. Elizabeth Perkins of Ann Arbor, state president of the W. C. T. U., proposed the resolution and its adoption was forecast.

CASSOPOLIS PLAYS HERE SATURDAY

WELL PLAYED GAME WITH VICTORY FOR BUCHANAN TEAM IS PROPHESIED

Buchanan high school's next football game will be played on Saturday, Nov. 5, with Cassopolis on the home field.

Cassopolis has been beaten 7 to 3 by Three Oaks who was whipped 24 to 7 by the "Fightin' Outfit."

The hope may be favorable to Coach Bradfield and his team but there is no let up in their system of playing because it doesn't pay in the long run.

The team will play just as hard as if the opposition were top notch for hope is anything but dependable.

Next Saturday's game may and may not be closely contended but either way it should be a well played game on Buchanan's part.

The high school and team welcome all sportsmen to their games.

LAST WEEK'S GAMES: St. Joe, 31; Plainville, 0. Buchanan, 19; Niles, 0. Three Rivers, 12; Otsego, 0. Paw Paw, 43; W. S. T. C. Preps, 0.

Dowagiac, 19; Three Oaks, 7. Allegan, 26; South Haven, 7. Muskegon, 32; Benton Harbor, 6. DeVee—How much is 12 times 24? John—Somewhat snappy, can't you do that? DeVee—Certainly, in time, but fools multiply rapidly.

MODEL MULE AND SUNBONNET KIDS APPEAR IN BOOSTER DAY PARADE

SUPERINTENDENT STARK FAILS TO RIDE IN PICTURESQUE MARCH

And so, triumphantly, passed "The Big Parade." As planned the procession started from the school at 1:30, followed the prescribed course and arrived safely and noisily at the Athletic park.

Led by the lovely, large, white mule which for some unknown reason Mr. Stark did not ride, the Velmarian Literary society had a very unique way of representing their organization.

Three adorable "Sunbonnet Babies" played the respective roles of Vel, Mary and Lit.

Though every organization portrayed very novel ideas, the prize unquestionably went to the banner bearing the words, "We Feed this Heroic Gang," originated and made by the Domestic Science department.

SHERWOOD GIVEN HONORS AT U. OF M.

WAS YOUNGEST SUPERINTENDENT IN MICHIGAN PRIOR TO POST GRADUATE COURSE

Harvey L. Sherwood, son of Mr. and Mrs. Albert Sherwood of Bakertown, was granted his Master of Arts degree at the October 27 meeting of the Board of Regents of the University of Michigan.

In 1918 Mr. Sherwood was the youngest superintendent of schools in the state of Michigan.

As an undergraduate he was elected a member of the Acolytes, an honorary philosophical society to which students may be elected who have distinguished themselves in philosophy, election being upon recommendation of the philosophy faculty of the university.

Mr. Sherwood was but one of two undergraduates out of 1,000 students taking philosophy that year to be elected to such membership.

In 1918 he took his life certificate from Western State Normal, in 1921 the Bachelor of Arts degree from the University of Michigan and the Master of Arts in English and Philosophy was completed at the University this summer.

A free agricultural display will be one of the leading attractions at the Fall Festival to be held at the high school Dec. 2 and 3.

Prizes will be offered for the six following exhibits: Best plate of 5 apples, any variety; best plate of 5 peats, any variety; best 10 ears of corn, any variety; best 1/2 peck wheat, any variety; best 1/2 peck oats, any variety. Farmers are urged to participate in any or all exhibits. There will be a separate student's class in the first three exhibits named.

A general school party was held at the high school Wednesday, Oct. 26, to celebrate the success of the subscription campaign that was staged recently.

Miss Ruby Reese was chairman of the refreshments committee and Carl Gatticus was chairman of the program, which was thoroughly enjoyed by all.

WEIRD, QUANT COSTUMES APPEAR AT ANNUAL HALLOWE'EN FROLIC

FORTUNE-TELLING AND CIDER MAKE HIGH SCHOOL PARTY BIG SUCCESS

The annual high school Halloween party was staged in the gym Saturday evening, Oct. 29.

Beautiful decorations in keeping with Halloween were carried out, the gym being divided into compartments, where refreshments were served, dancing enjoyed and a fortune teller's booth which afforded much merriment, and where many learned of their past, present and future.

Many weird and quaint costumes were to be seen. The first prize for the girls' costume was awarded to Bessie Bradley, whose costume represented a bride and groom.

The boy receiving first prize was Robert Roe who made a very charming young lady. For the best couple the prize went to Evelyn White and Martha Shultz.

The entertainment for the evening consisted of water contests, hoop races and "stunts." The Seniors, who gave an imitation of a faculty meeting received the first prize for the cleverest class stunt. Other very clever stunts by the Freshmen, Sophomores and faculty were enjoyed.

GRADE NEWS

Elizabeth Longfellow is working at the First National Bank taking care of the school banking.

The rooms that were 100 per cent this week were Mrs. Weaver, Mrs. Whitman, Mr. Bradford, Miss Simmons, Mrs. Heim, Miss Cloney and Miss Abell.

There were two new entries in the Ward school this morning and one new entry in the Junior high. Rosa Morris entered Junior high from Baroda.

The school yard is being cleaned of the leaves ready for the fall season.

The Domestic Science club received the prize for the best banner in the school parade last Saturday.

Margaret Whitman taught for Miss Pears last week. Miss Pears took an aeroplane ride with her brother from Niles to Toledo.

Miss Pears' room is entertaining Miss Milburn's room this afternoon at a Halloween party.

The eighth grade has chosen their class colors. They are blue and silver. It has been several years since any class has had these colors for their class colors.

The results of the state tests given here last week were sent to Detroit where our school will be rated with the other schools of the state. A copy of the comparison will be sent to Supt. Stark later in the year.

Miss Simmons spent the week end at Detroit where she attended the primary sessions. The rest of the teachers went to Kalamazoo to attend the meeting. All but three teachers of the Buchanan schools attended meetings somewhere in the state.

Mrs. Fischnar is able to be back to her work at the Dewey avenue school after a four weeks rest.

Open night in the schools will be observed Nov. 10. There will be no school in the afternoon but school will take up at 7:00 until 8:30 in the evening. After school there will be a gathering in the auditorium.

The duplicator has come and is now in use in the Junior high department. The machine will make hundreds of copies from the same stencil, allowing each pupil to have his own copy of whatever test is being given.

All the grades will have assembly privileges using the high school auditorium at 3:00 in the afternoon. The programs will be given by the different grades.

The bootblack "Light or dark?" Sarah (absent minded) "I'm not particular, but please don't give me the neck."

Mrs. A. E. Coe, who has been here for three weeks caring for her sister, Mrs. Leon Wood, who is recovering from injuries received in an automobile accident on the Niles-Buchanan road August 4, returned Thursday to her home in Monticello, Ia.

EDUCATION WEEK OBSERVED HERE

PARENTS TO LISTEN IN ON REGULAR CLASSES ON NEXT THURSDAY EVENING

Opportunity to see just what the schools of Buchanan are doing for youth of this vicinity, "Open School Night" will be observed Thursday evening, Nov. 10, when parents are especially invited to visit classrooms.

On that evening the regular afternoon schedule of classes in the Junior and Senior high schools will begin at 7 o'clock and will extend through to 8:30 when a general assembly will be held in the auditorium under the supervision of the student council.

A paper session and other features will be included in the assembly period.

The three class periods held during the evening will give parents and patrons of the school a chance to see just what the students in the high school are doing.

An opportunity to get a cross-section view of everyday life in Buchanan schools is being offered.

The value of certain high school subjects, how much home work is necessary for preparations of recitations, what are some of the new methods of instruction why we have health instruction, how does your child rank in comparison with others of his grade, is he working to capacity, these and many other problems will be raised through the observance of school night.

Students of the Junior and Senior high schools will not attend school Thursday afternoon.

The evening is the big feature of National Education week being celebrated throughout the United States. The week is observed by schools throughout the country in the interest of education and has as its primary purpose the bringing to those outside the school the value of education and closer relationship between the schools and the parents and patrons.

HALLOWE'EN FUN TURNS TO TRAGEDY

GALLEN YOUNG PEOPLE ARE INJURED WHEN RETURNING FROM SOUTH BEND

Returning from an evening of Halloween fun at a party sponsored by the South Bend Business college five young people from Galien and New Carlisle were hurt when their automobile ran into a ditch Friday night.

Knocked unconscious, George Moffet of New Carlisle was taken to South Bend with Lela Roberts of Galien. The latter suffered broken ribs and a deep cut about the face.

Thomas Foster, Edna Lauver, and Ray Bernerger, the other occupants of the car, escaped unhurt.

The two couples were returning from the celebration about midnight when Foster suddenly lost control of his car and it ran into a ditch east of New Carlisle, where it was badly wrecked. The coach was practically new.

What promises to be one of the main attractions of Armistice day for Buchanan people will be the playing of the Buchanan-Kalamazoo Normal high foot ball game.

School students will pour into Athletic field for the contest is certain, with that being one of the principle events scheduled here for the day.

The fact that the football season is nearing a conclusion will also add further interest to the game, that being one of the final contests to be staged on the home field.

Kalamazoo Normal high, also a class C school, promises to be an even match for the Buchanan high, players and a close contest is looked forward to.

IN A FRESHMAN'S EYE A Senior stood on the railroad track. The train was coming fast. The train got off the track. And let the Senior pass.

THE REASON DOT MCGEE KNOWS HOW TO MANAGE A HUSBAND IS BECAUSE SHE NEVER HAD ONE

## CONGRATULATIONS

Much praise and credit is due the Buchanan fire department for their work last Wednesday evening in putting out the blazing Pears-East mill.

The fire had gained great headway among the aged rafters of the structure and only quick action on the part of our firemen saved not only the property from complete destruction but kept the flames from sweeping the Front street business firms.

The interior of the building is made entirely of hand-hewn timbers gathered from native woods. Seasoned through its seventy-three years it has stood on McCoy's creek, it offered ideal food for the flames. That the fire, which quickly ate off the south end of the building and made its way along the rafters under the eaves could have been placed under control at all, seems unbelievable.

Both the efficiency of the fire fighters as well as their quick action is to be commended highly. Citizens of the town have passed many favorable comments of Wednesday night's work. Chief Tennyson Bunker and his men have shown us that Buchanan has a good fire protection, and that with the equipment we now have such tragedies as the burning of the Presbyterian church here will not be possible.

## THEN AND NOW

The great improvements on our church properties here recently sets one to thinking. There is the Methodist parsonage, a ten room home complete in every detail. Attractive on both exterior and interior. It is something more than merely a place to stay for a year or two but is a real home for its occupant.

Think what the old ministers and circuit riders of former days on the plains had to contend with. Some actually lived out of their saddle bags, riding from place to place on horses. That was all they possessed. They knew no home at all.

Then there was the next step, the meager salaried ministers who lived in small shanties and drew a magnificent salary of a few hundred dollars, a winter's supply of vegetables and a ham or two. This was luxury in their day, thought the farmers and pioneers, have thought the farmers and pioneers of those days.

What would they say if they could see the present day minister's way of living?

This advancement in living customs is nothing unique to preachers only but is evident in all professions. It is an advancement toward a higher civilization. It is half past time for parishioners to awaken to the fact that a minister is a human being who must eat, sleep and live even as the rest of us.

## AN OUTSTANDING EVENT

The theater season is being ushered in this week with an unusually fitting performance at the Clark theater. A booking of a dozen of the talented people from northern Indiana and southern Michigan by the College Women's club for their benefit performance will mark the opening of the winter list of stage performances here.

That it was possible to gather such a list of actors together for one night's entertainment is significant. Practically every type of amusement will be included in the five-act vaudeville. There will be representatives from the arts of dancing and expression, there will be talented people from the ranks of singers and players and to top it all there will be the fun provokers, men who hold a unique place on the comic stage.

Artists from the legitimate stage, radio studios, chaufanqua platform and other places of amusement have been billed for the Clark theater performance.

It is indeed a fitting program to usher in the winter's stage entertainments here.

With such a group of artists coming here, the primary purpose of the show is almost lost sight of. The College club intends to apply the proceeds on the scholarship fund through which Buchanan girls, who might not otherwise obtain an education, will be sent to college.

## CHARITY BEGINS AT HOME

Charity begins at home. It may sound like a selfish expression yet it is nevertheless a truth that has held good for hundreds of years.

There is the old saying that still is true about the chicken always liking the pastures on the farther side of the fence. Distance is liable to lend enchantment to the view.

So it is with charity. We are apt to be carried away with the needs of people in other so-called heathen countries. Distance magnifies the wretchedness of their condition. A strange distorted picture, that even reaches the point of being a caricature, forms itself in our minds. We shut our eyes to the needs at home while we dream of distant places.

Charity begins at home. Not in New York or Chicago, nor South Bend but right here in Buchanan. The United Charities, an organization that tends to strictly local conditions, in all their unpleasantness, needs the support of every citizen of Buchanan. It is a service that is real and tangible.

## "WE"

Of the many good things that are resulting from Lindbergh's trans-oceanic flight, none is more valuable than the new realization of interdependence the public has obtained from Lindbergh's use of the word "we."

Who among us is independent? Who can live, clothe himself and go about in safety except by the help of others? Yet how often does any of us make acknowledgment of our interdependence? It is only when some genius flashes into view and makes the simple statement that "we" wrought some great deed that one gives a thought to the help one gets from multitudes-unseen and unknown.

Isn't there a thought here that all of us can apply to our own business? Who runs the transportation system in your town—the president of the company? The general manager? The superintendent of transportation? The power engineer? The way and structure engineer? The motor-man? The conductor? The office boy? The banker? The mayor? No—none of these, but all of them together, plus the hundreds of thousands of others who supply the means by which all are served and through which all prosper.

Our business is a great co-operative effort—"we" are engaged in it for the benefit of "us." May all of us perceive and appreciate this great truth.

## TYPES OF LISTENERS

How do you listen to the radio?

There are several different methods. The most common way is to turn on the loud speaker and then to begin a conversation. The program is considered simply an accompanying chorus to the gossip of the day. Those whose habit it is to use the radio in this way are usually those who want a loud snappy bit of music for said chorus. It is all a part of the confusion of the present age of machinery in which we are living.

Then there are those who want music "soft and low." Sentimental beings they generally are who mistake mental slush for true sentiment. On the other extreme are the jazz hounds who want distorted racket with complete abandon.

A fourth class are those who turn a deaf ear to music of any type and who are immune from melodies of any sort. And the fifth type are the lovers of music from the old masters of Germany, France, Russia and even America who somehow manage to survive all fads and fleeting fancies of the moment. In which class do you belong?

## TELEPHONE A NECESSITY ON FARM

The telephone as a medium of contact is firmly established on the modern American farm.

The telephone enables the calling of help immediately in case of fire, sickness or sudden accident. In case of breakdown of farm machinery, the telephone saves hours, and sometimes days, in getting repairs.

Not to be overlooked is the opportunity the telephone gives for social contact—a few minutes' chat with the nearest neighbor, who may be miles away, or a call to an adjoining state may be accomplished in the same short space of time.

The telephone is not only a convenience—it is a social and economic necessity on the farm as well as in the city.

## BE CAREFUL AT HOME

As many or more people are killed right in their own residences than on the streets and highways.

Hundreds of communities, national organizations, state bodies and local associations are trying to cope with the traffic problem, but practically nobody is worried about the national toll taken by home accidents. More than 18,500 men, women and children met accidental deaths in their own homes last year.

## EDITORIAL STATIC

Fred French seems to be as good at riding the town motorcycle as former Chief Dunbar was.

We had a hot time in the old town last Wednesday anyway, when we all attended the burning of the elevator.

More signs of winter: Football enthusiasm reaching the highest pitch. Bonfires bordering our streets. Chrysanthemums appearing on the market. Trees lifting their stark branches to the autumn sky probably begging for snow, darn them. Hallowe'en fun is gone but not forgotten. Now comes Armistice day. Thanksgiving. Christmas. They won't be long now.

Once we thought we'd count the Hallowe'en parties held in Buchanan but having no adding machine we gave up.

So few attain that nice balance midway between inferiority complex and swellhead.

What this country needs, along with a good five cent cigar, is a five cent appetite.

The "sticks" is that region where a thief is just a thief instead of a master criminal.

Social position is relative. It is the Hudson living in a town where the people are less important than yourself.

What ever became of the old-fashioned girl who used to spend Saturday mornings breathing into lamp chimneys and cleaning them with an old newspaper?

## PROHIBITION LAW CREATES CLASSES

### CHURCH INFLUENCE OUGHT TO BE FELT MORE IN THE POLITICS OF TODAY

Class distinction is the one principle difficult with the prohibition laws of today. No law that creates class distinction is just, said the Rev. Henry Liddicoat in his sermon Sunday evening at the Methodist church.

The evening was "Question and Answer Night" when the pastor devoted his entire sermon to the answering of the questions submitted by members of his parish. Topics ranging from prohibition to radio worship were discussed.

The prohibitory laws are becoming more and more effective. We are attempting a radical transformation through them. Within a period of from a two to ten years we are attempting to correct a habit ingrained in man through the centuries, the speaker said. In time, however, men like Mayor Smith and the Attorney General of Indiana, will not receive support in their politics, whatever, said the pastor.

There is not enough of the spirit of the church in politics. The church has a purifying influence on the corruptness of politics, said the speaker in discussing the question of whether the church should meddle with politics in Indiana or not.

"It is possible to worship by radio although I do not advise it unless it is a case of being a shut-in or a person being too far away from the church to attend. It is better to listen in than not to attend any church at all," he said.

The question: "Should there be any statement of belief or creed other than the Bible itself," was answered in the negative. Although theological dispensation may pass, for the time being we must have creeds, said Rev. Liddicoat. Many churches and more creeds was not, however, the solution of the problem of people outside the church.

Now is not the time for criticism but the time for patience with people who are attempting to find a belief that will be compatible with science and everyday living.

Tremendous advances have been made in the scientific world in the last few years. We have now come to a place where religion too must move forward.

Smoking habits are not on the increase among members of the church although it has had a great upward trend among those outside the church, the pastor said. Men of the church see the harm of smoking.

"I do not know one woman in Buchanan who smokes. I have no personal knowledge of a woman in this place who uses tobacco in any form," he said.

Living strictly up to the Ten Commandments has brought success to the Jew in marriage and home life. Few intermarriages with other races has also had much to do with matrimonial happiness. Morally, the Jew is a superior race of people.

## TWENTY-FIVE YEARS AGO

The young people's society of the Evangelical church enjoyed a pleasant evening at the home of Rev. Kirn on Oak street Thursday. After the rendering of an excellent number of readings, recitations and music, light refreshments were served.

Officers elected are as follows: J. C. Rehm, president; George Denno, vice president; John Lydick, secretary; Mrs. J. C. Rehm, corresponding secretary; John Houswerth, treasurer; librarian, Lillian Kirn; organist, Bertha Houswerth; ushers, Clayton Houswerth and Ed. Riffer.

Frank Miller is ready to compete with anyone in a race picking apples. He picked 65 bushel in eight hours on Wednesday of this week.

There will be a series of special meetings at the Evangelical church beginning next Sabbath evening. The pastor of the church will be assisted by some of the pastors from adjoining fields. These services will be conducted for the spiritual interest of the community in a simple manner and in the plain statement of Bible facts pertaining to christian life and character.

Lost: A small silver cup for holding the candle in candelabra. The cup had a scalloped top and was probably lost in front of Rev. Marvin's home on Detroit street. Finder please notify C. D. Kent.

Shot Gun Loaded  
Frank Merson called in the Record office the other day and requested us to announce that the parties who stole his wood would get a warm reception if they called again, as he has his double barreled shot gun loaded for them. But we fear this wood will not reach the parties as we do not have any readers of the Record would steal wood unless it was under a very serious stress and just now might be the case. Mr. Merson knows who you are, so if you should be a reader of the Record do not do it again for we do not want to lose any subscribers.

## FIFTY YEARS AGO

Mary Arthur now has her hands full of business. She has the only hotel the town can af-

John Huss and wife of Berrien township glory in the possession of an eleven pound boy. Good enough for size.

The "Red and White Ribbon" has died of starvation. The editor says it has gone to meet the ghosts of all temperance papers.

Mr. J. J. Roe intends starting this afternoon for Hooper, Ill., to assist Rev. William Roe in conducting a series of revival services here, just now. When she has

more customers than she can accommodate there is plenty of room on the roof for beds and no danger of suffocation.

The weather has become too cold for the boys to play croquet and father Ross' yard is now deserted.

No More Fun  
A hall is being fitted up by some of the young men of this place for a gymnasium where they will "develop their muscles" each

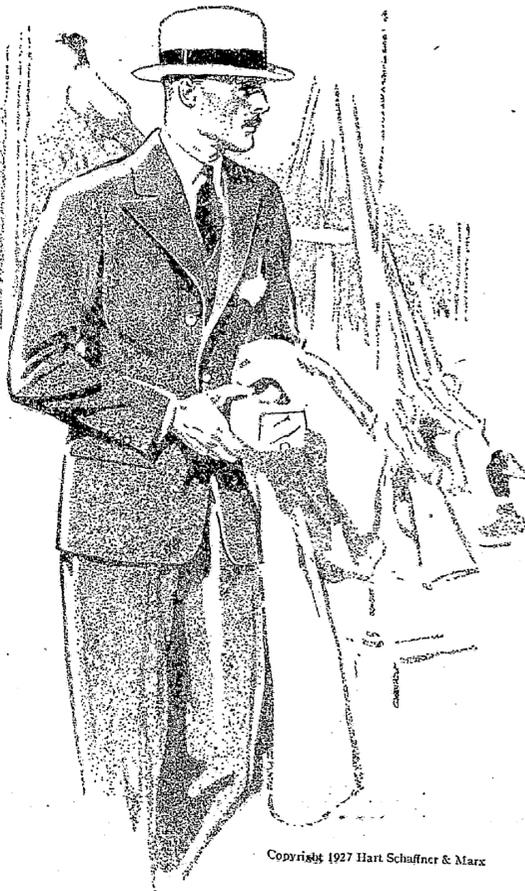

evening. This will be much better than spending their evenings in the saloons playing billiards or guzzling beer and whiskey. Success to the gymnasium.

Rev. H. Worthington proposes to preach a series of twelve sermons on "The Sacred Mountains."

Some of the Niles people keep harping on the question of moving the county seat. We hear no great complaint from any other part of the county hence we con-

clude that they want the county buildings there. Watervliet people do not object because if Niles becomes the new seat they are sure of a division of the county. A new county will be formed. We do not want the county seat near us so badly that there would be a division of the county.

Public dinner at the Presbyterian church Tuesday night, prepared by the men of the church. Dinner tickets 50c and a guarantee of your money's worth.

## BUCHANAN ATHLETICS CHALLENGE "OLD TIMERS" TO FOOTBALL GAME

### INDEPENDENTS WANT TO MEET FORMER STARS IN TURKEY-DAY GRIDIRON MEET

The success of the present independent foot ball team has brought up the question of their relative ability, as compared to independent teams to represent Buchanan in former years, and that there may be no doubt in the minds of "Old Timers" the Independents herewith challenge them to a game to be played at Athletic park at eleven o'clock on Thanksgiving morning.

The Independents will show proper respect for old age, and will not beat the "Old Timers" too bad (not more than 30 to 0), which should sharpen up their appetites for the large dinner to follow, after heavy applications of liniment and bandages.

### INDEPENDENTS GET GOSHEN VICTORY

FAST, CLEAN GAME PLAYED WITH 15 TO WIN FOR THE LOCALS IN SUNDAY'S TILT

The Buchanan Independent foot ball team continued their string of victories at Athletic park Sunday by administering a defeat to the fast Goshen Independents to the tune of 12 to 7.

The game was one of the fastest and cleanest played on the local field this year, and the Independents are to be congratulated for winning over an aggregation such as Goshen put on the field. The locals kicked off to Goshen and forced them to punt after holding them for three downs with little gain.

Buchanan immediately started a march down the field with line plunges off the tackles by Lister and Chubb, but were held from scoring when Goshen braced on their own ten yard line, held for downs, and punted out to mid-field.

Conrad and Capt. Pfingst then got their forward passing combination working with Chubb on the receiving end, and put across the first score of the game. Conrad missed the try for the extra point. Goshen then received the kickoff and cleverly mixing passes with drives off tackle, scored a touchdown early in the second half. At this point "Doc" Bailey was injected into the fray and playing one of the best games of his career, finally drove over for the winning touchdown in the last quarter, after a long pass and run by Chubb.

Chubb and Bailey were easily the stars of the game, the former cleverly handling some long forward passes and giving excellent interference to the other ball carriers while "Doc" Bailey made some runs of from fifteen to forty yards around Goshen's ends, and was a stonewall on defense. The Buchanan line clearly outplayed their heavier opponents, and the work of Gregory and Stevens in breaking through and smearing plays was some of the best ever seen on a local field, as they made a large majority of the tackles. Burk, Dempsey and Roti played a fine game at the ends, keeping most of the plays inside them.

Wheat played a nice game at center, not losing a pass and Lister, Perry, Mitchell and Penrod were a stonewall, in addition to opening the opposing line for large holes.

Watervliet Independents come to Athletic Park next Sunday and the following week the Independents travel to LaPorte to meet the team of that city. On Nov. 20, the Independents travel to South Haven to meet the Fast Independent team of the lakeside city, and are planning on a home game for Thanksgiving morning.

## ROD AND GUN CLUB IS REORGANIZED

WILL ELECT OFFICERS FOR COUNTY GROUP THE LATTER PART OF NOVEMBER

Reorganization of the Berrien County Rod and Gun club, an organization of the sportsmen of the county, got off to a good start at a meeting held in St. Joseph city, all expressed their desire to see the former members who were the former members affiliated and to see the club which has done so much for the sportsmen of this section, reorganized.

James Isbell of St. Joseph, was appointed temporary president, and Mass Rutkoskie was selected to act as temporary secretary. Notices will be mailed out to all former members of the club

"Brick" Phillips, Full back. John Voorhees, Full back. John Clevenger, Half back. Jack Goodlett, Quarter back. "Doggie" Markham, Half back. Louie Hayes, Half back. Joe Hamilton, End. Don Jerue, Guard. "Bud" Reid, End. Tom Farrell, Tackle. Carl Thanning, Guard. Elmer Thanning, Tackle. Ed. Stults, Guard. Steve Rudoni, Guard. "Goldie" Smith, Quarter back. Earl Beck, Half back. Jack Boone, End. "Birdie" Burrows, Tackle. Sharon Sarver, Center. Don Hanlin, Center. Pat Clemens, Center. Larry Smith, End. John Koops, Half back. Phil Paden, End. Art Johnson, Half back. Herb Beck, Half back.

There are many other names which could be added to the above list, and if they are interested, come to the meeting to be held at Thanning's Friday night, Nov. 4, at 7:30 p. m.

and the backers of this new movement are confident that all old members will respond and help to bring in many new members. Another meeting is scheduled for the latter part of next month, at which time permanent officers will be elected.

## RABBIT HUNTING ATTRACTS GUNNERS

SQUIRREL AND PHEASANT SEASON CLOSES AFTER A FEW DAYS OF GAMING

The opportunity to hunt pheasants, prairie chicken, woodcock and squirrels has passed this week with the season closing at sundown Monday.

More than 400 licenses have been sold from Buchanan's issuer of the permits, the Kelling Cigar store.

The few days have been especially ideal for hunters, the barking of dogs and cracking of guns being heard at sunrise on the opening day, last Tuesday. Several from Buchanan were successful in bagging pheasants and squirrel hunting was especially filled with rewards for the gunner.

Rabbits must content hunters from now on as the major game although the duck season will be open until Dec. 31.

Hunters had especially been on their toes waiting for the rabbit season to open, many of them being reported to be frequenting the countryside. October 25 saw the opening of the rabbit or hare season on the Lower Peninsula although hunters in the Upper Peninsula of the state have been shooting rabbits since Oct. 1. The season also opened up Tuesday on snow shoes or jack rabbits.

Pheasant hunting also was filled with rewards this fall to be filled with rewards this fall with the open season lasting from October 25 to Oct. 31 inclusive. Game wardens have planted pheasants in this locality so that hunters will not be disappointed in their search.

Prairie chicken was hunted from Oct. 25 to 31 inclusive as can also woodcock.

The lifting of the game law for squirrels on that same date, added further interest to the hunters. Although neither black, fox or gray squirrels were not to be hunted until Oct. 25, 1932, the season was lifted from October 25 to 31. The day's limit was set at five on squirrels and the season's limit at 15. The squirrels are reported by farmers and sportsmen to be unusually abundant this fall.

The deer (males), season will begin November 15 and last to the 30th inclusive. The personnel of the Northern woods has been reorganized in preparation for the season. Hunters will be allowed one male with not less than 3 inch antlers under hunter's license, one male with not less than three inch antlers under camp license. It will be unlawful to have in possession a deer more than 30 days after the close of the season.

## PLAN TO REMEDY GAMING CONDITIONS

ISAAC WALTON LEAGUE TO MAKE SURVEY WITH VIEW TO PROPAGATION OF WILD LIFE

The Isaak Walton League of America, a powerful state wide and nation wide conservation organization, is planning to include this community in a thorough conservation survey and campaign to remedy outdoor conditions, it was learned here today.

A complete investigation thru local sources is announced by the state headquarters of the League at Detroit to determine what steps should be taken here in the interest of the propagation of game and fish and other matters relative to outdoor sports.

The local investigation will be undertaken as part of a nation wide conservation survey being made by the League under the direction of Seth E. Gordon, formerly executive officer of the Pennsylvania Game Commission and largely responsible for the nationally famous "Pennsylvania System" of game and fish administration, state officers said.

Great effort will be exerted to make Michigan the leader of this new movement, and V. J. Van-Schoick of Detroit, state secretary, is sending out an urgent call to all sportsmen and outdoor lovers to participate in the new expansion of the Walton League movement.

More fish and better fishing, more game and better hunting, more recreation areas and more opportunities for outdoor sports, are the basic ideas of the league, which also is aggressively combating pollution of streams, commercialization of recreation areas and advocating pollution of the streams, commercialization of recreation areas, and advocating true sportsmanship and sportsmanlike methods in shooting, fishing and camping.

The steps to be taken here will depend largely upon the degree of interest shown by this community. The Walton league is undertaking its nation wide conservation and expansion program in accordance with its determination to keep stride with the increasing demands made by the popularity of outdoor recreation, which during the past few years has become a major phase of American life.

WATERVLIET PAPER CO. INSTALLS LARGE MACHINE

The big new paper machine in the plant of the Watervliet Paper company was started on regular production Monday and 8,000 pounds of coating mill stock was

manufactured on the machine mill and making possible the doubling up of the paper production of the mills. For the present the machine is being operated days only, but later it will be put on a 24 hour

schedule the same as the other machine is operated. The machine tenders who will be in charge of the new unit for the three shifts are: Fred Hotelling, Jack Hausen and C. W. Smith. Each machine tender has three helpers in operating the machine.

### PASTOR TREATS KIDS TO ICE CREAM CONES

A whole automobile load of ice cream cones may sound like a good big treat but it was considered none too large for the eighth grade civics class of Buchanan schools to manage last Tuesday afternoon.

Following out their schedule of church yard cleaning the youngsters, numbering more than 60, under the direction of Mrs. Leah Weaver, finished the Methodist yard on that day. When they had completed their grass cutting and weed burning the Rev. Henry Lid-dicoat, pastor, suddenly appeared with his car loaded with sixty ice cream cones.

Having developed an appetite with their afternoon of work the class more than welcomed the treat.

This Tuesday the Civics class raked and cut the grass on the St. Anthony's church property. The Evangelical churchyard is the next on their schedule.

Double disking corn ground for fall-sown oats in the south produces as high yields as plowing, with the advantage of a decided decrease in the cost of production. Where the land has been well cultivated and is reasonably free from grass, weeds and crop residue, disking is to be strongly recommended. Plowing should be prepared by disking.

# FARM NEWS

Stories Concerning Farm Activities and Crops, Farmers and Their Families

## MICHIGAN CROPS LIGHT THIS YEAR

### SEPTEMBER HEAT WAS A GREAT HELP TO THE CORN CROP OF THE STATE

An outstanding feature of the October crop report was the marked improvement in corn prospects over those of the previous month. A period of hot weather and frequent rains during September hastened the maturity of the corn crop, and, as there was no frost during the month, the better field will return a fair yield of sound corn. Potatoes that were planted late are still growing. Bean prospects show some improvement although rains have delayed harvesting and increased the pick. Corn: The condition on Oct. 1 was reported at 57 per cent, a gain of eight points over Sept. 1. This was due to abnormally warm weather and ample moisture during the middle and latter portion of the month. The present forecast of production is 35,765,000 bushels against 51,162,000 grown last year. It is estimated on the basis of a special inquiry, that 50 per cent of the crop was matured on Oct. 1. Much of the acreage had been cut and most of the silage filling had been completed by that date.

Spring wheat: The average yield is 19 bushels per acre, or a total production of 171,000 bushels. Favorable this year and so. Production in 1926 was 82,000 bushels. Growing conditions were generally favorable this year and most of the crop was harvested in good condition.

Oats: An average yield of 33.5 bushels of oats per acre was obtained in Michigan this year. The total production was 51,556,000 bushels which was practically the same as last year's. The quality is rated at 87 per cent, the color and weight of grain being above the average in many counties.

Potatoes: The prospect as reported on Oct. 1, is 60 per cent of a normal crop, equivalent to 23,771,000 bushels. This is the smallest crop Michigan has produced since 1916. However, the crop in other sections of the United States is heavier than last year and the total production promises to be even above the normal consumption requirements, being estimated at 394,757,000 bu.

Beans: Many beans were harvested without rain damage and the quality is unusually good. The planted portion of the crop, which is mostly in the eastern counties of the bean district, has suffered some damage by rains and will show a somewhat heavier yield. The yield in all sections is below average and for the state as a whole is 9.5 bushels per acre, the lowest since 1918. Based on the acreage of 562,000, this gives a total production of 5,339,000 bushels as compared with 6,624,000 last year. However, only about 5,300,000 bushels were merchantable last year and the pick was much heavier than it will be this year.

Sugar Beets: Drought shortened the prospective yield considerably, the condition being 72 per cent as compared with 85 per cent one year ago and 89, the ten year average. The estimated production is 870,000 tons as compared with 783,000 last year. The sugar content will probably be above the average.

Hay: First cuttings yielded well in all sections and the total crop shows an average yield of 1.50 tons per acre, or an aggregate production of 4,353,000 tons as compared with 4,037,000 in 1926. The high yield is due in part to the considerable percentage of alfalfa that is grown. All cuttings of alfalfa combined gave a yield of 2.15 tons per acre; clover, 1.50 timothy 1.53; clover and timothy, mixed, 1.45; and sweet clover, 2.00 tons.

Pastures: Rains during September improved pastures, the condition at the end of the month being 63 per cent as compared with 49 per cent at the beginning. On Oct. 1, of last year it was 83 per cent, and the ten-year average is 78 per cent.

Apples: Apple prospects remained the same as in the previous monthly report, 82 per cent of a normal crop, equivalent to 4,436,000 bushels which is slightly less than one-half of that produced in 1926. The commercial portion is estimated to be 784,000 barrels. The quality is generally good in the better commercial orchards but is very scabby and inferior elsewhere.

Peaches: A very hot period of weather in mid-September ripened the bulk of the crop within a few days and it had to be rushed to market with unusual speed. The car lot movement was greater than anticipated because trucks were inadequate to meet the transportation demands during the peak movement. The total production was 84 per cent of a normal one and amounted to 578,000 bushels, an increase over earlier estimates because of more favorable weather during the latter part of the growing period. Last year's crop was 1,564,000 bushels.

Pears: The pear crop improved late in the season and now gives promise of 60 per cent of a full production, or 785,000 bushels as

The quality is generally very good. Plums: The final report on plums indicates a production of 33 per cent of a full crop as compared with 76 per cent last year. Grapes: The yield proved to be less than growers expected in portions of the grape-growing area. The percentage has dropped to 51 per cent of a crop which is equivalent to 48,615 tons. The 1926 crop amounted to 60,900 tons. A high sugar content is reported.

Melons: The final inquiry of the season on melons showed the crop to be 60 per cent of a normal one. Last year's final report was 67 per cent of a full one. The early part of the season was too cold for normal growth but the later part was much more favorable.

## CHEAPER FREIGHT RATES ARE URGED

### FARM BUREAU JOINS IN REQUEST FOR REDUCTION OF HAULING

The Michigan State Farm bureau is joining with utilities of this state and the state government in proceedings before the Interstate Commerce Commission seeking approval by the commission of the action of several railroads which voluntarily reduced freight rates on lake cargo coal 20 cents per ton.

William W. Potter, attorney general, has assigned Harold Goodman, an assistant, to represent Michigan officially in the coal rate case which is scheduled to be heard by the commission at Washington, Nov. 14. Testimony will be taken at that time to determine what the final action of the commission shall be on the proposed new tariffs.

The proposed reduction of freight rates by the Norfolk and Western, Chesapeake and Ohio, Louisville and Nashville and the Virginian railroads, would have meant a saving of \$6,000,000 on the 30,000,000 tons of bituminous coal annually shipped into five northwestern states. Approximately one-third of the saving would have been made for Michigan by the reduction, it is set forth and in addition, the new tariffs would have indirectly affected car lot rates on all fuel in Michigan and other commodity manufacturing utilities.

Among the utilities and domestic consumers in territories near the lake ports which use this southern coal are the Detroit Edison company, Detroit City Gas company, paper and cement mills, iron industries and copper mills.

The southern railroads voluntarily announced the proposed rate reduction but the I. C. C. suspended the new tariffs, placing in effect the old rates pending final determination of the case by the commission.

The state administrative board some time ago authorized the attorney general's department to protect Michigan's interest in obtaining the saving resultant from the proposed rate slash.

This action of the commission was denounced by Attorney General Potter who issued a statement severely criticizing the commission for depriving consumers of the benefit of the reductions made by the railroads. That the state will be vigorously represented in the new proceedings in an attempt to have the reduced rates approved was indicated by an attorney general's statement.

## SAY FARMERS DUE FOR BETTER TIMES

### LEADERS AT CONFERENCE THINK THE UPWARD TREND HAS BEGUN

Agricultural leaders in close touch with farm conditions corroborated each other at the annual national conference held recently at Michigan State college in the statement that rural economic conditions are on a definite upward trend.

Michigan farmers are in the van in this forward movement, according to the statement of Dean R. S. Shaw, because these farmers have not confined their efforts to the production of any one crop. Both crop and livestock prices show improvement.

Dean Shaw believes that a comparison of the 956 bank failures in the United States last year with the single failure that occurred in Michigan is proof of the soundness of economic conditions in Michigan.

Prices for horses, cattle, sheep, and hogs show every indication of improvement, according to a statement made at the local conference by Dr. C. E. Ladd, director of extension work in New York. Dr. Ladd believes that livestock prices move in cycles up and down and that the present upward movement will continue for some time.

## STRAUB HERD HEADS COW-TESTING ASSOCIATION IN OCTOBER REPORT

### ORGANIZATION SEEKS AN ADDITION OF NEW MEMBERS TO ITS ROLLS

Dean Straub, prominent farmer of Galien, led the South Berrien Cow Testing association for the month of October, according to the report of Kaj Nielsen, tester for the organization, who completed his month's work among the 24 members of the association on Saturday.

According to the tester's report the leading herd belonging to Straub numbered 11 pure bred and grade Holsteins. The herd averaged 945 pounds of milk containing 34.23 pounds of butterfat, although only six of the 11 cows were milking.

The record tabulated by Mr. Nielsen is as follows: "Snowball," a 4-year old grade Holstein: 1996 pounds of milk, 73.9 pounds of butterfat.

"Colantha," a 5-year old pure bred Holstein: 1993 pounds of milk, 71.7 pounds of butterfat.

"Lassy," a five-year old pure bred Holstein: 2071 pounds of milk, 68.3 pounds of butterfat.

"Champ," a 7-year old pure bred Holstein: 1690 pounds of milk, 62.5 pounds of butterfat.

"Elsie," a 3-year old grade Holstein: 1535 pounds of milk, 56.3 pounds of butterfat.

"Clothilde," a 2-year old pure bred Holstein, 1107 pounds of milk, 63.2 pounds of butterfat.

Mr. Straub made this high record with feeding the cows a ration of Michigan Milk Maker, ground corn and oats, alfalfa hay and pasture. His whole herd paid him \$2.42 back for each dollar's worth of feed.

Other high herds were: Plym Farm, 21 pure bred Holsteins: 2417 pounds of fat.

Warren Toney, 12 pure bred and grade Guernseys: 33.5 lbs. fat.

F. W. Knott, 14 pure bred Guernseys: 32.5 pounds of fat.

Adolph Knott, 12 pure bred and grade Guernseys: 31.9 pounds of fat.

Thomas Katsbach, 9 mixed cows: 30.6 pounds of fat.

Joe Parren, 13 mixed Guernseys: 29.5 pounds of fat.

Franz brothers, 20 pure bred Holsteins: 28.9 pounds of fat.

Douglas Dean, 4 pure bred and grade Guernseys: 26.2 pounds of fat.

D. E. Sharpe, 7 pure bred and grade Guernseys: 24.3 pounds of fat.

In addition to Straub's herd the following individual records are worth mentioning:

Plym Farm, No. 9, "Colantha," P. B. Holstein: 58.5 pounds of fat.

"Snowball," a 4-year old grade Holstein: 1996 pounds of milk, 73.9 pounds of butterfat.

Warren Toney, Noll G. Guernsey: 53.5 pounds of fat. The latter is a very fine record with the cow coming fresh but six months ago, Mr. Nielsen reports.

M. Pardee, "Alice" P. B. Holstein: 51.6 pounds of fat.

Plym Farm, No. 5, "Aggie," P. B. Holstein: 51.0 pounds of fat.

The associations average production was 573 pounds of milk and 23.8 pounds of fat per cow. Four unprofitable cows went to the butcher during the past month.

Mr. Nielsen also reports that there is room for a few more memberships in the association, and is especially wishing to add the names of more farmers to the rolls.

With the employment of Nielsen as the tester for the association, members will have an unusual opportunity to place their herds on a paying basis, Nielsen coming here from Denmark, a country unequalled in its dairy herds.

## GRAIN SHOCKER SAVES TIME AND LABOR COST

While the combine has swept into widespread use in the Great Plains wheat region, the Northwest farmer is not to be compelled to go without the labor saving means of his southern brother. A practical grain shocker is being manufactured and sold in large numbers this year.

This machine takes the bundles from the binder, collects them in proper position and deposits them on the ground in a well formed shock. One man or a boy is required to operate the shocker while one extra horse furnishes all the additional power necessary. It is estimated that this machine will save the services of at least two hand shockers. In addition, it collects and saves shattered grain and broken heads which were formerly lost on the ground.

## FARM JOTTINGS

Dairy cows being fattened for slaughter should be handled and fed in much the same manner as beef animals. Cows giving milk should be dried up. The best ration to feed would depend upon the condition of the cows and the feeds available. Corn is one of the best fattening feeds and if fed with a legume, hay, or some concentrate rich in protein such as cottonseed meal or linseed oil meal, dry dairy cows should fatten.

"To control the river is to control the mountain." This ancient proverb was a guiding principle in the Japanese policy of erosion control and torrent regulation as long ago as 1683. Since that time reforestation has been applied extensively throughout Japan as a factor of prime importance in the protection of the tremendously valuable rice fields of the empire and in insuring the permanency and full utility of the waterpower resource.

## HENS SCORE AS EGG PRODUCERS

### TEN LEGHORNS GET FIRST PRIZE WITH A TOTAL OF 2582 EGGS

Michigan poultrymen scored signal honors on hens entered in the fifth annual egg laying contest which closed recently at Michigan State college.

The contest began November 1, 1926, and continued through 51 weeks. All birds entered in the contest receive the same care and are subjected to the same conditions of environment, so that eggs produced are an accurate measure of the productive ability of the hens.

A pen of 10 White Leghorns owned by Harry Burns, Millington, won first place with a production of 2582 eggs. Third place was won by another pen of White Leghorns, entered by F. G. DeWitt, Grand Blanc.

Other Michigan representatives among the owners of the ten high pens were Karsten's farms, Zeeland; W. C. Eckard, Paw Paw; H. E. Dennison, East Lansing; E. G. Kilbourn, Flint; and Geo. B. Ferris, Grand Rapids. These men were also owners of White Leghorns.

Michigan poultrymen won four out of the five first places for production by Bernard Roers, Honor in this section went to F. E. Fogle, Okemos; John McClellan, Cass City; Herman Berndt, and Charles E. Atwater, Cadillac.

Three out of the first five places in the Rhode Island Red section went to J. Z. and D. H. Ballard, Onondaga; G. N. Whitaker, Lawrence; and Mrs. John Goodwine, Charlotte.

Birds from Iowa, New York, Alabama, California and Indiana divided honors with contestants from Michigan.

## SOIL OF STATE NEEDS 115 YEARS TO CORRECT ACIDITY

At the present rate of applying lime, 115 years will be needed to correct the acidity of Michigan soils, according to an announcement of the soils department at Michigan State college.

The soils specialists estimate that there are 8,500,000 acres of crops grown in this state and that 6,500,000 acres of these crops are grown on acid soils. One application of lime increased the yield of wheat on a Cass county field 6.4 bushels per acre each year for a ten year period, illustrating the value of correcting soil acidity.

Experience throughout the state has shown that it is a better practice to apply lime at least six months before seeding a legume on a field. Each farmer is advised to get prices on all forms of lime and use the one that he can obtain at the least expense.

More organic matter as well as lime is required by Michigan soils. The organic matter can be supplied by plowing down green manure crops such as sweet clover, ordinary clovers, or rye.

The Rev. Harry Staver received word Monday morning of the death of his father at Saginaw. Mr. and Mrs. J. C. Rehn made a business trip to Chicago, Tuesday, returning to Buchanan yesterday.

### After the fire--

it's too late to worry about the adequacy of your insurance—or its dependability. The time to think of that is before a fire occurs.

Have you enough fire insurance and can you count on prompt and fair settlement in the event of a fire?

I can help you answer yes to both, these important questions.

# News Around New Troy

Mrs. Chris Peterson, Mrs. Nina Fischner and Miss Annie Casey spent Monday afternoon in Three Oaks shopping.

Will English is re-roofing his store building with asbestos shingles.

The farmers surrounding this community are very busy these days getting their Fall work done.

Mrs. Rood of Lansing, who is a boarder at the Walter Morley home in Weesaw, spent Tuesday afternoon with Mrs. Flora Addison.

Mrs. Bert Ede was a caller at several homes in New Troy Tuesday afternoon.

School was closed for two days last week so the teachers could attend the institute at Kalamazoo.

Mrs. Arthur Meyer and niece, Marjory Dean of Granger, Ind., are spending a few days at the Barnhart home.

About 17 partook of a cooperative dinner Thursday at the meeting of the Ladies Aid society at the home of Mrs. Flora Addison.

The quilt was finished and other work done. The chairman of the board of stewards of the church, Mrs. Barnhart, called the members of the board together and some business relating to the church was transacted.

Mrs. Rosamond and Rose Wirth invited the society to meet with them next Wednesday. The invitation was accepted. Arrangements are being made for cars to convey those who wish to attend.

Mr. and Mrs. Earl Berry had the pleasure of driving a new Pontiac sedan to Kalamazoo. They will drive from there to East Lansing to attend the homecoming of the students at M. S. C.

Francis Daniels drove to East Lansing Friday to attend the homecoming of the students at M. S. C. Saturday. Monday he went to Kalamazoo and attended a convention of Insurance men.

Mr. and Mrs. Clarence Phillips and family of Grand Rapids, spent the week end with his mother, Mrs. Ida Phillips. Clarence is driving a new Nash coupe.

Mr. and Mrs. Albert Barnhart of Berrien Springs, Mr. and Mrs. Richard Wentland, Mrs. Caroline Findal of Galien were callers on Sunday afternoon at the Barnhart home.

Mrs. Nina Fischner will return to her school work Monday. Those attending the M. E. Sunday school Sunday enjoyed the beautiful basket of flowers brought by Mr. and Mrs. Alma Rokley.

Mrs. Flora Addison, one of the delegates from the M. E. Sunday school convention held at Berrien Springs last week, gave a fine report Sunday. Next Sunday a member of Mrs. Paul Brodbeck's class will give a report in the session. The class attended in a body.

L. A. Richardson, the delegate from the Brethren Sunday school to the convention gave a fine report at the Sunday school Sunday.

Mr. and Mrs. H. O. Piper went on a pleasure trip Thursday afternoon to the twin cities. It was their 23rd wedding anniversary.

Mr. and Mrs. Charles Peterson of Chicago, and family spent Sunday with relatives here.

Mr. and Mrs. Paul Brodbeck entertained a houseful of company Sunday.

The Miller family, who have been living in the Andrew Hall residence moved to St. Joe Saturday.

Miss Rebecca Barnhart spent the week end at her home here. Saturday she, accompanied by her father and mother, drove down to the lake over the new stone road at Bridgman. It is a beautiful drive. The road leads down to the water and on each side most of the way, the trees have not yet shed their leaves and the colors were beautiful. They also drove on U. S. 12, the new road being finished.

The library is being moved into the basement of the M. E. church. The official board of the church offered the use of the basement to the committee in charge.

Several carpenters are rushing the building of the residence being built for Mrs. Caroline Findal. Theo. Trapp is improving his residence by raising the building and having a basement built under it.

Mr. and Mrs. Roland Meyer of Granger, Ind., visited at the Barnhart home Saturday afternoon. Their mother, Mrs. Arthur Meyer, who has been spending several days there accompanied them here.

Mrs. L. A. Boyd and daughter, Genevieve, started Monday for Santa Fe, New Mexico, to spend the winter in hopes of improving the health of the latter. She has been in poor health ever since submitting to an operation. She is recovering her strength slowly and it was thought best to change climates. Catherine Boyd will remain here with her grandmother, Mrs. E. Boyd.

The Misses Alberta Kline and Bernice Hartline spent the week end at their homes here.

Mrs. Elzie Wright, who has been a patient at St. Anthony's hospital at Michigan city, following an operation for appendicitis,

will be taken to the home of her parents, Mr. and Mrs. Cox of Three Oaks.

The Richardsons entertained at their home Sunday, a brother and his wife, Mr. and Mrs. Frank Richardson, Mr. and Mrs. Jay Richardson and a daughter and husband, Mr. and Mrs. Wm. Shipley of Michigan City.

The members and friends of the M. E. church will give a reception to its pastor and wife, Rev. and Mrs. Bert Ede and to the school faculty at the church Saturday evening, Nov. 5.

Mr. and Mrs. Robert McGann spent the week end at their home here.

The Brethren Aid society met at the S. E. Fletcher home Thursday evening to tie a comforter. Their husbands accompanied them. The hostess served refreshments to all.

The children and grandchildren met at the home of Mrs. Naomi Harris Sunday in honor of her birthday. A beautiful pair of wool blankets were presented to her, also many other useful presents. The house and table was decorated with fall flowers and in the center of the table was a large birthday cake made by her son-in-law, W. Strowbridge, who is a baker in Grand Haven. Those present were Mr. and Mrs. W. Strowbridge and family of Grand Haven; Mr. and Mrs. Bert Hayes and family of LaPorte; Mr. and Mrs. Delbert Bradley of Michigan City; Mr. and Mrs. Hudson Lyons a brother; and Harold Krokey and wife of South Bend. There were 30 guests in all.

Martha Sexton who is attending South Bend Business college, spent the week end with her parents, Mr. and Mrs. P. Sexton.

Mr. and Mrs. George McDonald went to Chicago Friday to visit with their daughter, Dora, and Mr. and Mrs. Gordon Moon.

Mrs. Joe Duffield has been on the sick list the past week.

The Trojan Woman's club met Tuesday afternoon with Mrs. Emma Dillenbeck at her beautiful home on the Lake. Twenty-five members were in attendance. The new president, Mrs. Kenneth Bihlmire, was in charge. Roll call was answered to with quotations from James Whitcomb Riley. Many gems were given. Mrs. Ed. Behnke gave a description of "Riley's Home." Mrs. Ervin Zarfly gave the "Life of Riley," and Mrs. Dillenbeck gave "Grigsby station" which were all very interesting. Mesdames Piper and Bihlmire were hostesses for the afternoon and were assisted by Mrs. Dillenbeck in serving refreshments. Mrs. T. C. Carpenter invited the club to meet with her on Nov. 11. A very enjoyable

Charles Landis accompanied Bruce Lang, Richard Judd and Buck Taylor of Dowagiac to Champaign, Ill., Friday night to see the Illinois football game played Saturday.

## Watch Your Engine Oil!

It is false economy to use oil in your automobile engine over 1000 miles. Change the oil completely at least this often and your engine will run better, last longer and there will be fewer repair bills.

UNIVERSAL JOINTS NEED OILING EVERY 1000 MILES

Drive up to our station and let us change your oil. We give you the kind of oil you want. We guarantee our oils.

### DE MOLAYS INITIATE

The Niles chapter of DeMolay held its first initiation of the 1927-28 season Wednesday night at the Masonic temple, one candidate Carl Trattle of Niles being on docket for degrees. The newly installed officers have held several practices since the recent election in preparation for the schedule of events which awaits them before the January turn. The Niles chapter is awaiting the district gathering of the DeMolays on Nov. 15, when further initiations of several Niles youths are contemplated.

Mr. and Mrs. Morgan Lolmaugh left this week for Yankeetown, Fla., where they will remain until Spring.

Winter's Indoor Days Again!

Is Your Living Room Ready?

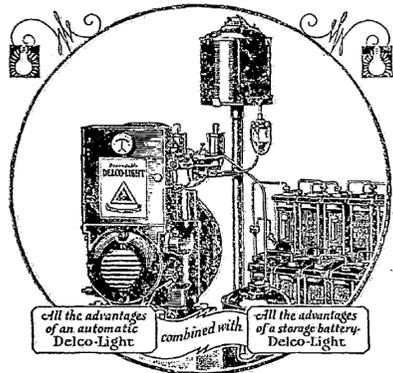

Winter is riding toward us on these chill November winds! With it come the indoor days, when cheerfulness and coziness are more than ever a home's essentials. In the living room at Thanksgiving and Christmas time, on birthdays and anniversaries, all of the tenderest sentiments of a happy family are expressed. More than any other part of the house, it characterizes a family's life. It's furnishings are so many mirrors of the thought and care that have gone into its decoration. Now, at the onset of Winter, we are prepared to be particularly helpful in getting the living room ready for the indoor days. From our housefurnishing sections will come the furniture, rugs, pictures, lamps and objects d'art for hundreds of thoughtfully planned living rooms.

## SCIENCE MARVELS AT IT!

A NEW type DELCO-LIGHT that marks an epoch in farm electric service

Get the facts about this DELCO-LIGHT achievement without delay. Write, phone or call on me personally for full particulars

If you think that all farm electric plants are much alike, see the newest achievement of Delco-Light and General Motors. Here is a plant that wins alike the enthusiastic acclaim of scientists, engineers, electrical experts and farm people.

### Small Loads from Battery

This new-type plant operates from the battery on small loads. Automatically switches to power for heavier service. Uses small battery—thus costs less. Requires less fuel. Demands practically no attention. It is the result of fifteen years' research by Delco-Light engineers. Approved by General Motors after seven years of grueling field tests.

### Other Delco-Light Plants as Low as \$225

See the new Delco-Light that is now being discussed so widely. Write, phone or call on me today and get the facts. And remember—if this new Plant doesn't exactly fill your needs, there are many other models to choose from, priced as low as \$225! Don't wait. Now is the time to act. Do it today.

# VENTILATION IS BIG FACTOR IN THE PREVENTION OF COLDS

### FRESH AIR IS THE BEST WAY TO AVOID ILLNESS OF AUTUMN

November color on cheeks and apples, November sneezes on leaves and fields, the chill of early frost in house and garden; in house and in schoolroom appear the first colds of autumn, colds that may pass from autumn colds into winter colds and remain colds until spring.

To mothers of children these autumn colds are a cause of concern and broken rest. How many times one hears a wish there were no such thing as a cold in the world. How many times and how emphatically each of us has uttered the same wish, while our heads throbed and fever consumed us.

There is no panacea against colds. There are, however, certain measures which may be taken which do help us to resist the onslaught of the fateful little germs that lie in wait for the unwary. One of the best methods of avoiding colds is the fresh air method. Sleeping in a warm bed with plenty of covers and with windows thrown wide open will help prevent colds. Living and working in rooms that are well ventilated and that are not overheated will help prevent colds. Living in overheated rooms is equivalent to an invitation to respiratory ailments. The ideal temperature as determined by the most careful scientific investigation is 68 degrees Fahrenheit. The temperature should not be allowed to vary greatly from that. If variation does occur more harm is likely to follow from a higher than from a lower temperature.

Where stoves or a fireplace are the means of heating, ventilation is easy to secure because the draft created by the heated air going up the chimney sucks in cool fresh air from the outside. Where hot air furnaces are in use ventilation is likely to be at least fair, for the currents of air create a draught from the outside. The basement inlets are kept open the ventilation with such a system may be very good. Where rooms or buildings are warmed by a system of radiation it is wise to throw doors and windows open several times a day and let the fresh cool air of outdoors sweep through the house.

Exposure to cold and wet puts one in a condition to develop pneumonia. To old people especially is pneumonia a hazard. They especially should guard against excessive cold, prolonged or sudden exposure; they should have dry clothing and adequate clothing at all times and the feet especially should be kept warm and dry. Sudden changes from a warm to a cold atmosphere without a corresponding adjustment of clothing may be dangerous. Exposure of a more prolonged or violent nature than usual should be avoided.

Every cold is potentially a serious thing. When accompanied by fever and a feeling of general weakness and exhaustion the patient should go at once to bed and stay there.

A doctor should be called and his instructions obeyed to the letter. Pneumonia and heart disease are the greatest killers of older people.

## W. S. T. C. HAS 157 BERRIEN STUDENTS

### KALAMAZOO SCHOOL IS VERY POPULAR WITH YOUNG PEOPLE TO BECOME TEACHERS

Berrien county and Buchanan has its share of representatives at Western State Teachers college. That school is apparently one of the most popular among embryo teachers in this locality, 157 students being on the rolls there this term from Berrien county.

Fourteen states and two foreign countries besides seventy counties of Michigan are represented in the enrollment at Western State Teachers college which now numbers a total of 2,314 students according to an analysis of the enrollment which has just been completed from the office of the registrar, John C. Hoekje.

The states represented outside of Michigan are: Florida, California, Illinois, Indiana, Iowa, Kentucky, Maine, Massachusetts, Minnesota, Missouri, New York, Ohio, West Virginia, and Wisconsin. One student from England and from Italy complete the number.

Kalamazoo county with 504 students enrolled leads the list of the counties. Kent with 181 is second, Berrien with 125 is third, and Van Buren with 122 is fourth.

The most popular course at the Normal is the general liberal arts course in which there are 403 students enrolled. The courses next in order of favor are: early elementary, 305; later elementary, 281; physical education, 236.

Of interest is the fact that nearly one fourth of the students are enrolled in the four year courses, 403 being enrolled in the A. B. and 148 in the B. S. courses. There are 1,520 women and 794 men enrolled. Of the total student body 958 are freshmen, 625 are sophomores, 380 are juniors and 200 are seniors.

The number attending from each county is as follows: Allegan, 84; Alpena, 1; Antrim, 7; Baraga, 2; Bay, 84; Barry, 81; Benzie, 7; Berrien, 157; Branch, 23; Calhoun, 103; Cass, 47; Char-

levoix, 23; Sheboygan, 6; Chipewewa, 10; Clinton, 8; Delta, 10; Dickinson, 10; Tacon, 80; Emmet, 40; Genesee, 12; Gogebic, 2; Grand Traverse, 13; Gratiot, 23; Hillsdale, 89; Houghton, 12; Huron, 4; Ingham, 33; Ionia, 51; Iron, 16; Isabella, 4; Jackson, 24; Kalamazoo, 549; Kalkaska, 2; Keweenaw, 1; Kent, 257; Lake, 227; Lapeer, 7; Leelanau, 6; Lenawee, 8; Livingston, 5; Mackinac, 4; Macomb, 10; Manistee, 5; Marquette, 7; Mason, 19; Mecosta, 12; Menominee, 3; Midland, 1; Missaukee, 2; Monroe, 5; Montcalm, 19; Muskegon, 65; Newaygo, 23; Oakland, 9; Oceana, 40; Ontonagon, 2; Osceola, 10; Otsewa, 73; Saginaw, 4; Sanilac, 1; Schoolcraft, 1; Shiawassee, 7; St. Clair, 4; St. Joseph, 81; Tuscola, 12; Van Buren, 114; Washtenaw, 4; Wayne, 13; Wexford, 14.

## D. A. C. CONTINUES GAS TAX WAR

### SAVING OF NINE MILLION DOLLARS BY REPEAL OF THREE CENT AND EXCISE LAWS

Motorists of Michigan will save approximately \$9,000,000 in taxes on motor cars during 1928 if attempts now being made to repeal both the federal excise tax on passenger cars and reduce the present three-cent gasoline tax to two-cents are successful, according to estimates made by the Detroit Automobile club.

Motor car owners in this state, under the present scheme of taxation, will be required to pay to the state and to the national government \$41,500,000 in the form of various automotive taxes next year. Even if the two campaigns for reduction are successful and the saving of approximately 21.7 per cent of the total tax is effected, motorists will still be obliged to pay approximately \$32,500,000. The three-cent gas tax is illegal, in a decision handed down in Wayne county circuit court last week. According to the court's decision, the tax is illegal because money spent for local purposes must have a two-thirds vote of the Legislature, which the gas tax act failed to get and no reference can be made in an act making appropriations for local purposes to other acts of the Legislature. The decision came in a permanent injunction sought by the Detroit Automobile club against the collection of the state tax. The state has requested a stay of execution on the lower court's decision, while an appeal is being prepared for the supreme court.

The \$41,500,000 which motorists will be required to take from their pocketbooks in 1928, under the present program of taxation is divided as follows: weight tax, \$20,000,000; three cent gasoline tax, \$15,000,000; federal taxes, \$2,500,000; miscellaneous taxes, such as operators' licenses, certificates of title, \$1,000,000. As motor cars of the state are valued at approximately \$450,000,000, this tax of \$41,500,000 represents the equivalent of nearly 10 per cent of the total valuation which motorists will have to pay in 12 months.

Relatively the reduction of the gas tax is of more importance to Michigan than the repeal of the federal excise tax because of the greater saving to local motorists. The Detroit Automobile club has waged an intensive campaign against the increase from two to three cents in the gas tax ever since the measure was first advocated. In September the club of 70,000 signatures demanding that the additional cent tax levy be referred to popular vote. This was more names than were required by law and all legal technicalities in circulating and signing the petitions were satisfied.

Executives of the motor club are opposed to a piece-meal highway construction program for the state, the separate, unsystematic expenditures of individual counties. A continuous, highway construction program over a definite period of years along state trunk highway lines is favored. A two cent gas tax, plus the other current revenues, would provide all the money that could be spent intelligently on such a program, it is pointed out.

The 48th annual convention of the Berrien county Sunday school association which was held in Berrien Springs last week was attended by over 800 delegates. Benton Harbor was selected as the meeting place for the 1928 convention. The following officers were elected:

President—Fred Washburn, of Benton Harbor.  
Vice president—T. G. Hance of Niles.  
Vice president—J. G. Boyle of Buchanan.  
Secretary—J. O. Nelson, Benton Harbor.  
Financial secretary—E. C. Edmunds, Benton Harbor.  
Dollar club secretary—R. D. Scamehorn, Niles.  
Treasurer—Frank Pridemore, of Benton Harbor.  
Legal advisor—W. P. Harvey of Benton Harbor.

Trustee for three years—T. W. Chamberlain, Three Oaks; Francis Hiller, Buchanan; A. H. Crosby, New Buffalo.

# Mothers' Job

BY O. LAWRENCE HAWTHORNE

No sooner do the early rays of daylight peek through the windows where our children sleep, than someone calls her back from fitful slumber. A mother's daily vigilance to keep "Oh, Mother, Phil's awake!" Dick yells, "Come, see him!" "Say, Mother," Bower shouts "Bob's got my tie!" And so her day begins—a day of service, Where duties press and problems multiply.

It's Mother's job, it seems, to do the thinking For all her boys—and sometimes for their Dad! It's Mother's job to answer all the questions, To know exactly where each careless lad Has left each toy, each article of clothing. It's Mother's job to tell them what to eat, And when, and how (an ever-vexing problem); And Mother must prepare each festive treat.

Oh, what an endless drudgery of mending The garments that are, somehow, torn each day! Oh, what a task of mending little heartaches, And healing little bodies bruised at play! A mother's job is one of constant service, And yet each moment brings her heart new joy; Her only genuine delight in living Is caring for her baby girl or boy.

Divisional superintendents. Children—Mrs. L. A. VanWert of New Buffalo; assistant, Miss Alice Maloney, Benton Harbor. Young people—M. E. Burkett, Benton Harbor; assistants, Everett Calhoun and Ted Hellenga, Three Oaks.

Adult—Daniel P. Neib, Niles; assistant—P. P. Bauschke, Coloma. Administrative—Frank Becker, Berrien Center.

Home department—Miss Georgia Wilcox, Buchanan. Educational—B. F. Eggert, St. Joseph; assistant, James Richards, Eau Claire.

Evangelistic—Lloyd Zoschke of Benton Harbor. Temperance—Rev. W. C. Osborn, Niles.

Excitement over the discovery of oil on the Vought farm near Decatur has subsided somewhat, but the town is still visited daily by many strangers drawn there by the magic word "oil," that spells riches when the substance is found in quantities.

## THE NEW KINKS FOR THE HOUSE WIFE KITCHEN CABINET

To remove chewing gum from a washable dress, soften the stain with egg white and then wash.

Spices and seasonings do not supply the body with building material or energy but they are important as appetizers.

A wire dish drainer is a great time saver. Hot water can be poured over the dishes and only the silver and glasses need be dried.

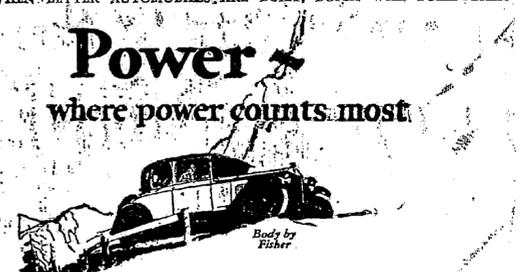

Children should be taught to eat the crusts of bread and rolls for the sake of their teeth. They should be cautioned to chew their food thoroughly.

Panned summer squash is fine. Cut the squash in quarter inch slices, flour them and brown in a heavy skillet until they are tender and a deep golden brown.

Instead of cooking pumpkin and then rubbing it through a colander, try putting the fresh pumpkin through a food chopper. Then it cooks quickly and time and fuel are saved.

To test samples of fabric for fastness to light, cover one half with cardboard and expose the rest to direct sunlight for ten days. To test for fastness in laundering, wash and dry half your sample.

WHEN BETTER AUTOMOBILES ARE BUILT, BUICK WILL BUILD THEM

## Power where power counts most

WHEN the task to be accomplished is difficult—when stamina, dependability and unflinching power are essential—the advice of those who know is, "Buy a Buick!"

Drive one today and find out why. Sedans \$1195 to \$1995. Coupes \$1195 to \$1850. Sport Models \$1195 to \$1525.

## BUICK for 1928

FORBURGER MOTOR CO. Niles, Mich.

in 1920 averaged 39 years of age and 11 years' experience as tenants. Of farmers under 25 years of age, over three-fourths were tenants, but of farmers of 65 years and over only a sixth were tenants.

Experiments to determine the proper time of applying nitrogenous fertilizers to fall-sown oats indicate that in northern Georgia best results will be obtained when the application is made around March 1. In the Coastal Plain application should be about February 1.

Whole milk should be fed to calves at the rate of from 8 to 12 pounds daily, depending on their size and condition of thrift. For the first few feedings the calf should have its mother's milk and should be fed three times daily, at regular intervals. Skim milk can be gradually substituted for whole milk at the rate of one pound daily beginning with the third week, providing the calves are vigorous and healthy. At this time the total amount can also be increased from 2 to 4 pounds daily. Unless the milk is carefully weighed at each change of feeding and the amount definitely known, there is danger of overfeeding. All milk should be fed at an even temperature of about 90 degrees in clean pails and at regular hours.

Farm tenants for the most part, are young men. Tenants farming
