PHASE 2 OF CONSTRUCTION BEGINS IN SEPTEMBER

The Library Board is very pleased to announce that Pearson Construction will again be helping to transform the library this fall. Pearson will be constructing our new glass elevator tower and remodeling the Front Street entrance. We look forward to beginning this phase and hope you enjoy watching our progress. Soon the library will have new outdoor lighting and a wonderful canopy on Front Street. This project is made possible through the continued support of the community and donations are always welcomed.

SAVE THE DATE: FUNDRAISER

The Library will be hosting its third annual food fundraiser for the summer's Last Saturday on the Common Concert. Stayed tuned for more information about pre-sale tickets, the menu, and this year's guest chef! Be sure to stay and hear the ITALS, a Grammy nominated Reggae group from Jamaica, on the Common Stage at 7:00pm.
