About 3,600 people are waiting for a life-saving organ in Michigan today. In the United States, 22 people die each day because an organ transplant was not available in time. Your decision to someday donate your organs could save up to 8 lives. Your tissue can ease the pain and improve the lives of up to 50 more sick, injured and blind people.

Visit [www.gifttolifemichigan.org](http://www.gifttolifemichigan.org) or stop by the library during **Michigan Libraries for Life Week, October 3rd-8th**, for more information on organ and tissue donation and how to join the registry.

Discover Buchanan's haunting secrets on this walking tour! Tours will leave every 15 minutes from the Tin Shop Theatre, with cider and donuts afterwards at the Redbud City Center. Tickets are \$5.00 for children 5-17 and \$7.00 for adults 18+ and are available at the library, Red Bud Insurance, & the Tin Shop Theatre.
