Downtown bids too high

The Buchanan City Commission received a jolt Monday night when Raymond Enfield of Architects Inc., planning consultants for the downtown development project, reported that the lowest of two bids received for work on Phase I of the project was nearly $59,000 higher than the amount the commission allocated for the project.

In addition, the low bid of $293,907, submitted by John G. Yerington Co of Benton Harbor, was for an alternative plan that would delete some items from the original project.

The opening of McCoy's Creek was considered central to the project and Enfield indicated that the creek work was the part of the project that caused the bids to be over the allocation

Enfield expressed dismay at both the size of the bids and the fact that only two companies elected to bid on the project He had hoped to get six bids

The other bid, $294,000 for the alternative plan, was submitted by Michigan Building Constructors of St Joseph. Both companies submitted bids of over $320,000 for the full project

The commission previously allocated $275,000 for the project. The $275,000 allocation included an estimate of $40,000 from Indiana and Michigan Electric Co for installing electrical service underground, leaving an allocation of $235,000 for the work on which bids were received Monday

Instead of accepting the low bid, the commission instructed Enfield to negotiate with John G. Yerington Co. in hopes of obtaining a bid that is nearer the budgeted amount The project will apparently have to be scaled down to meet the budget

The commission scheduled a special meeting for 7 30 p m next Monday, September 19, to consider the results of Enfield's negotiations

Mayor Richard Gault summed up the commission's feelings when he said, "I hate to see us reduce the scope of the project, but the only other alternative is to reduce the quality, and that's not good either "

Miriam Ohmann of Cripps and Associates presented applications for housing rehabilitation funds from the latest HUD grant to the city Only one of the four applicants submitted the required letter of refusal from a lending institution

That applicant was accepted without reservation and the other three were approved pending receipt of a letter of refusal. City Manager Robert Faulhaber explained that since the grant specifies that an applicant is ineligible for HUD funds if the rehabilitation can be privately financed, a letter from a lending institution refusing financing is required.

In answer to Commissioner Ben Jenson's question about the lack of local contractors involved in the rehabilitation project, the Cripps representative said, "We send letters inviting local contractors to bid, but we have not been able to get competitive bids from anyone locally who is licensed and insured "

Jenson again expressed his opposition to the entire concept of accepting Federal funds, asking "When can we get out of this HUD contract? When this contract runs out I want to get to work on the next one and knock it down "

The commission also accepted a bid of $2,995 from Turf Services of Dowagiac to install a sprinkling system at Russell Field Commissioner Reginald Bellaire expressed satisfaction with the upkeep of the field this summer, saying, "I think the field brought traffic into Buchanan that we would not have had otherwise It's been good for Buchanan "

In other business, the commission

--approved invoices from Architects Inc, totaling $11,373,

--decided to clean up some neglected property at 1104 Redbud trail North, billing the owner, Prescott Nelson of Berrien Springs, for the work,

--accepted the gift of a baseball pen set on marble from Richard Aalfs, president of the Men's Softball League, given in appreciation for the city's help in providing and maintaining the field,

--approved invoices of $300 for 50 more copies of "The Comprehensive Plan" and $3,110 for work done by United Appraisal Company,

--read a proclamation by Mayor Gault declaring September 12-17 Cystic Fibrosis Week,

--approved payment of Southeast Berrien Landfill deficit assessment of $3,055 26

STOLEN CAR WRECKED AFTER HIGH SPEED CHASE This brand new Chevrolet Monza smashed broadside into a tree on Fourth Street west of the city early Saturday morning after a high speed chase that began at the corner of Fourth and Chippewa Avenue Though officers arrived an estimed 20 seconds after the crash, they were unable to locate the driver Police later found out that the car had been stolen from Wesner Chevrolet

New car stolen and wrecked

A Chevrolet Monza worth over $4000 was stolen from Wesner Chevrolet early Saturday morning and later found wrecked against a tree on West Fourth Street.

Police spotted the vehicle accelerating rapidly on West Fourth Street at about 3 20 Saturday morning. They chased the westbound auto but lost sight of the car when it passed over a hill west of the middle school Continuing the chase, they discovered that the car had left the road and crashed broadside into a tree

Officers estimated they arrived at the scene of the accident no later than 20 seconds after it occurred, but they could find no trace of the driver The car had no license plates, but officers noticed a Wesner Chevrolet sticker on the rear of the car

After calling representatives of Wesner Chevrolet and determining that the auto had been stolen from a wash rack inside Wesner's building earlier in the evening, officers brought a state police tracking dog to the scene of the accident The dog was unable to pick up a scent even though the suspect's cap was found at the scene Police are still investigating the incident

A three to four foot tall palm tree was stolen from the rear of the Clark Equipment Corporate Building on Circle Drive over Labor Day. Richard Trautman, a Clark employee, discovered the theft The tree was last seen when it was watered August 31.

The tree, valued at $150, was contained in a 16 inch diameter galvanized steel pot It had a trunk diameter of five inches and weighed 150-200 lbs Police said the plant would have to have been removed with a vehicle no smaller than a pickup truck.

$2.3 million phone system set to go Saturday

Buchanan's new $2 3 million electronic telephone central office at 119 N Oak Street will go into service Saturday, September 17, Michigan Bell announced

The electronic office will give Buchanan telephone customers service from "one of the most modern and sophisticated communications systems in the world," explained Wanda Whirley, manager for Michigan Bell

The office, known as a No 2 electronic switching system (ESS), will make available new optional services -- Touch-Tone phones and Custom Calling features -- to Buchanan's 4,000 telephone customers in the "695" and "697" exchanges.

Mrs Shirley said the new system will not require any changes in customers' telephone numbers and all will be connected to the electronic system without any disruption of service

However, she explained, there will be some changes in calling procedures

All seven digits must be dialed for local calls beginning Saturday, Mrs Shirley stressed. "The short-cut of dialing only five digits no longer can be used with the ESS "

In addition, customers will begin dialing "611" for telephone repair service. All will hear a lower pitched dial tone, and those customers with a double-ring signal will began hearing only a single ring

Touch-Tone phones, available for the first time in the Buchanan exchange, allow one to tap out numbers on electronic pushbuttons rather than spin a dial

Also to be provided will be four Custom Calling features

--Call Waiting which, with a short tone, informs a customer using the phone there's a second call waiting to be answered ,

--Call Forwarding which automatically transfers an incoming call from one telephone number to another,

--Threeway Calling which allows a customer to add a third party to a conversation,

--Speed Calling which permits a customer to reach frequently called numbers by dialing two-or three-digit codes

The Buchanan ESS was designed by Bell Laboratories, the research arm of the Bell System, and installed by Western Electric, Bell's manufacturing and supply organization

According to Mrs Shirley, the system can handle more than 19,000 calls an hour by performing thousands of steps each second It constantly monitors its own performance and automatically alerts Michigan Bell workers if a problem is detected

This is the 84th ESS Michigan Bell has installed in the state, it provides 12,000 numbers for the Buchanan exchange.

Telephone users in Buchanan interested in Touch-Tone phones or Custom Calling features may contact Michigan Bell's business office for additional information and rates, Mrs. Shirley said

Community Outlooks

Buchanan High School's girls' basketball game with Galien, scheduled for this Thursday, September 15 has been rescheduled for Monday, November 21 at 4 p m BHS Athletic Director Ray Berry said the Gaels madvertently scheduled two games for the same date The game will be played at Buchanan

Buchanan CBers will hold a CB coffee break at Louie's Restaurant in Buchanan at 9 a m on Saturday, September 24

Local students are semifinalists in National Merit program

Sue Trull

Sue Trull, a senior at Buchanan High School, and Thomas Green, a junior at Galien High School, have been named semifinalists in the twenty-third annual National Merit Scholarship Program They now have an opportunity to continue in the competition for about 3,900 National Merit scholarships to be awarded in the spring of 1978

Sue Trull is the daughter of Donald and Kathryn Trull of 302 West Fourth Street Her school activities include participation in school plays and musicals, marching, concert and pep bands, track; cross country, and the Buckhorn She is a member of the National Honor Society and editor of the Buckhorn for 1977-78

Her other activities included church choir, bible school and service projects. She has also participated in International Band, All-Star Band and Operation Enterprise Her hobbies include cooking and handicrafts

Sue plans to go to college after she graduates and major in sciences or languages. She has not decided what school to attend, but is considering Kalamazoo College

Thomas Green carries a 3 66 average at Galien High School He is the son of Mr and Mrs J Green, Route 1, Box 310, Galien He is a member of the band and participated in the Junior Engineer program at Cook Nuclear Center He also took part in last year's Berrien County Engineer for a Day program He wants to become an engineer, but has not yet picked a college

Jerry Hess, director of guidance at Galien High School, said he believes that Tom is the second National Merit semifinalist in Galien history

Semifinalists are named from over 1 million students enrolled in 17,500 high schools who entered the 1978 Merit Program by taking the 1976 Preliminary Scholastic Aptitude Test-National Merit Scholarship Qualifying Test (PSAT-NMSQT) Semifinalists are the highest-scoring students in each state, the number named in a state is proportional to that state's percentage of the nation's total graduating senior class The semifinalists, most of whom will complete high school and enter college in 1978, represent the top half of one per cent of the nation's most academically talented young people

Teen Center enters another year

Teen Center Supervisor Mel Ravish has announced that a dance will be held at the center on Friday, September 23, featuring the six-piece band "South Shore" The dance will follow the varsity football game at River Valley and will last from 10 p m to 1 a m

"South Shore" has an excellent reputation, according to Ravish He said the dance is being held on Friday instead of the usual Saturday night because that was the only night he could get the band

Admission charge for the dance is $2 00 for teen center members and $2 25 for non-members

Ravish also expressed satisfaction with the center's first dance of the year, held on September 3, "I told the kids before the dance that how they treated the building would determine how many dances we'd have this year The building has never been cleaner than after that dance They really took good care of it "

The Teen center was founded in 1948 and has been at its present location, 112 North Oak Street, since 1948 The center was closed for one year, 1966, and membership dwindled to 13 members in 1969, but it has thrived under Ravish's leadership

Ravish has been supervisor since 1973, after sharing the duties with Tom Miller from 1969 to 1973 The center has about 250 members each year

The system that has proved so successful requires members to work up to 15 hours a year around the center as a condition of membership doing such things as sweeping and picking up trash

"Our system teaches respect besides keeping the place clean," Ravish points out "When they throw something on the floor they know they must clean it up themselves "

Buchanan School District students from the fourth grade up are eligible for membership Membership costs $ 50 and five work hours for grade-schoolers and $2.50 and 15 work hours for seventh through twelfth graders

Members must put in their work hours within 60 days of joining If a seventh through twelfth grader completes his membership requirements in his first year, he may become a member in following years, $2 00 and eight work hours Any member putting in 100 work hours is entitled to a free membership the next year and use of the upstairs "honors lounge", which features an electronic pong game

Teen Center members can choose from a wide variety of activities and equipment, including pinball, three ping pong tables, half-court basketball, bumper pool, a full-size trampoline, a stereo, two television sets, a vending machine snack area and another lounge area. There's also a kitchenette where members can bake pizzas.

"Kids are regimented and over-programmed so much today," Ravish says. "When they come through our door we want them to have a multiple choice of things to do. We want them to feel at home here."

The center is open from September to May.

The schedule for this year is as follows: Tuesday and Thursday from 4 to 5:30 fourth, fifth and sixth graders; Monday, Tuesday, Wednesday and Thursday from 6 to 9:30, and Friday and Saturday from 7 to 11; seventh through twelfth graders.

Saturday afternoons from 1 to 4 are reserved for work [illegible]

Red Bud liquor license transferred

Jones knocks press

Fred Hankins didn't attend Tuesday night's Buchanan Township Board meeting, but his presence was felt nonetheless

Township Supervisor Kenneth Jones lashed out at one area newspaper's coverage of last week's board meeting, from which Hankins was ejected, saying, "Freedom of the press is one of the most beautiful things we have in our country, but when the press makes an angel out of a man like Hankins and makes the township government look like the bad guys, freedom of the press should be questioned."

Jones also defended Township Assessor Ivan Price, who was the subject of a decertification petition initiated by Hankins and signed by 40 township residents He felt Price was treated unfairly in the same newspaper story.

"To see a man who has given 19 years of his life to the service of the township smeared and downgraded turns my stomach," Jones said. He later explained that his comments were not directed at the paper's reporter, who was present at Tuesday night's meeting

The petition charges Price with malfeasance and favoritism in his assessment duties A meeting of the state Tax Assessors Board was scheduled for last Monday night to decide whether to hold a hearing on the petition, but the meeting was cancelled. Township Clerk Donna Newsom said Price has sent a letter to the tax board refuting the charges

Hankins' name popped up again when the board approved payment of bills totaling $1,432 20. Over half of that amount, $797.50, was spent for attorney's and witness' fees for Jones' defense in the August Circuit Court trial in which Hankins sought to force the supervisor to sign his gun permit.

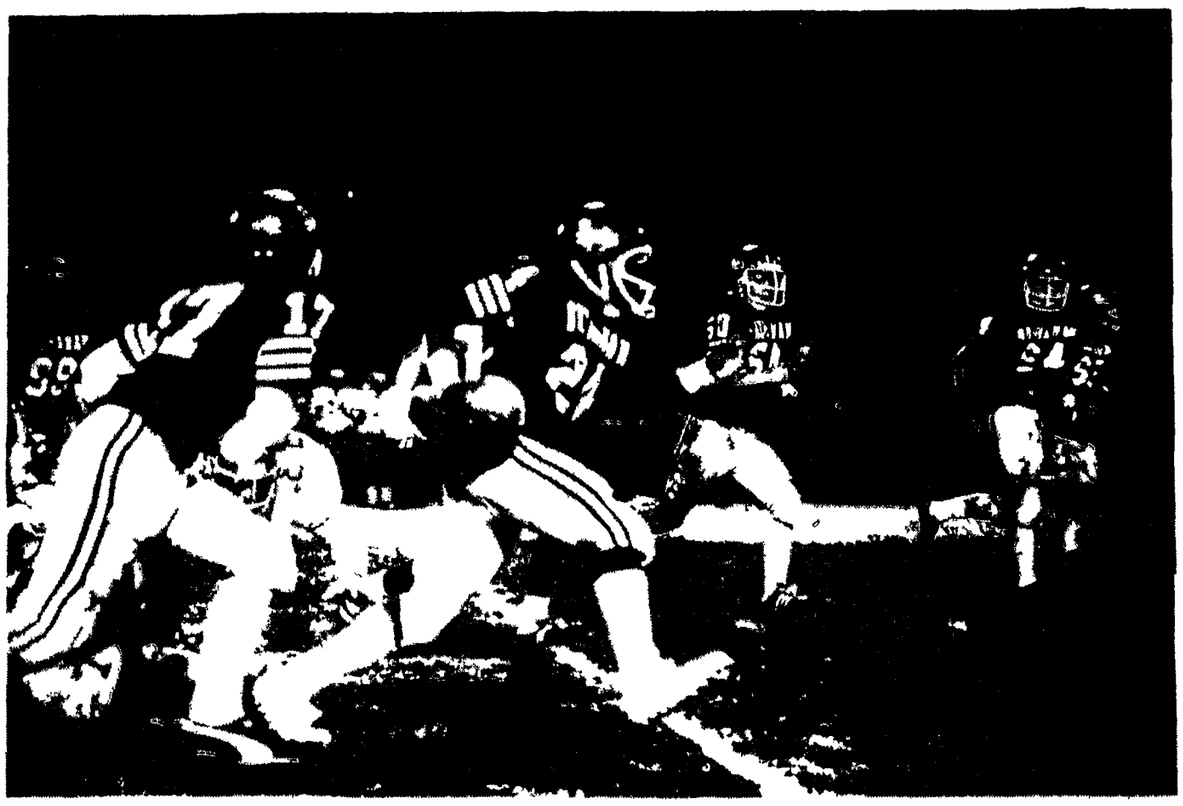
By a narrow 3-2 vote, the board approved a request for the transfer of a liquor license formerly owned by the operators of the Red Bud Inn. The transfer was requested by Jim and Mike Fulton, of Bridgman and Watervliet, owners of JF and MF Enterprises The Fultons plan to remove everything that is left of the burnt down Red Bud Inn and build a 3100 square foot building which would house a bar featuring live music.

Dan Schoenemann of Fister and Clements Realtors, St Joseph attended the meeting with the Fultons and said the construction work would be done by Jim Fulton, who is a licensed contractor Jim Fulton said the bar will feature soft rock and country and western music He hopes to start construction this year.

Gateway to hold annual meeting

Charles W. Foster, Executive Director of the Michigan Association of Rehabilitation Facilities, will be the speaker for the Fifth Annual Membership meeting of Gateway Vocational Rehabilitation Center in Berrien Springs, according to an announcement made by Robert H. Jones, the facility's executive director. The meeting will be held Wednesday, September 21, at 7 p.m at Gateway and is open to the public.

The election of new board members will be the main item of business at the meeting which will be followed by refreshments. Musical entertainment will be provided by Penny Jones.



TOUCHDOWN RUN: Jim Longerier takes off on a 67-yard jaunt that brought Buchanan to within nine points of Niles in the fourth quarter Friday night. But the Vikings came back to score the next time they had the ball and took a 35-18 victory before 3,200 spectators at Memorial Field. Niles now holds a 33-15-6 advantage in the 54-year old series between the two schools. Story on page six. (Photo by Gordon Hanson)

1902 Law 1977 Farming

It was 75 years ago that a Reclamation Act was adopted involving 17 western states. This law was passed in 1902 to limit ownership of land to which the Bureau of Reclamation irrigation water is delivered, to 160 acres That rule has not been enforced over the years, but recently, Secretary of the Interior Cecil Andrus has decided it would be a good idea to enforce the law and force farmers in those areas to sell off all the land they own above the 160 acres

Some well-meaning folks, who obviously know little about agriculture and modern-day farming, have hailed this decision as a movement back to the "family farm" and a break-up of the "giant corporate farms" of the west

What they fail to remember is that farming has changed since 1902 Back then, a farmer and his family and some horses and mules could make a go of it on 160 acres Many of us came from farms no larger than that. Our parents and grandparents didn't get rich, but they had enough to raise and take care of their families

This is not true anymore, in most cases It is very difficult, if not impossible, for a farmer to rely solely on the income he can scrape out of only 160 acres. Machinery and equipment and land prices would prevent him from doing so, without having some outside income

Not only does the Secretary of Interior propose that all the owners of farms larger than 160 acres sell their surplus, he proposes that the department monitor both the price and to whom the land will be sold.

If the Interior Secretary is able to accomplish this breakup of over a million acres of land in the 17 western states, he could somehow do the same in our own area of the country It's time Congress got busy and repealed that 75-year old law that is not compatible with modern farming

The really frightening thing about this latest proposal is that it's an indication that government can step in and take control whenever it hands out assistance and subsidies in any endeavor People seem willing to accept the "inevitable" -- especially when it doesn't directly concern them at the moment -- and are blinded to the fast-moving realities of complete government control of our lives

H.C. Stark PTO

H C Stark PTO announced open house will be held September 20, 7.30 p m at Stark School The Country Carnival and the year's activities will be discussed during a short business meeting

Parents will be able to acquaint themselves with the building, visit their child's room and meet the child's teacher

Out Of The Past

40 Years Ago
September 16, 1937

The bowling season officially opened at the Buchanan bowling alleys under the American Bowling Congress auspices for the first time, with more teams entered than ever before and prospects for a record year

Total enrollment of Buchanan Schools at the end of the week was 1050 for all grades, as compared with 1056 at the same time in 1936

Buchanan's football team was not heavy but was expected to be "fast, scrappy -- and picturesque," said Coach Miller The picturesque angle was provided by the new uniforms consisting of maroon pants and a jersey which was maroon to the armpits and white in the upper chest, neck and arms.

25 Years Ago
September 11, 1952

A net gain of 32 pupils in all of the 13 grades was reported at the end of the first week of the 1952-53 sessions of the Buchanan Schools, with a total of 1,481 students, compared with a total of 1,449 for the 1951-52 year.

The presence of a pure white sparrow among the bevies of birds congregating in yards in the Colonial Gardens addition stirred much interest among the friends of wild birds there.

Qualified electors of Buchanan were to vote in a referendum on the issue of granting permission for the sale of liquors other than beer and wine by the glass in this city, at the general election to be held Tuesday, November 4

A prediction was made that people who live near airports would have a "problem with noise" when the jet plane came into general use and an announcement was made of a portable television camera, called the "Walkie-Lookie," which may help rush spot news to thousands of video fans while it is going on, had been built and successfully tested

10 Years Ago
September 14, 1967

Extensive remodeling of the clubrooms at the American Legion Home was delayed by fire The fire extensively damaged the bar area and clubrooms, smoke and heat also damaged the large meeting room above

Adoption of traffic control orders and setting of a public hearing were the top orders of business before the City Commission

Spirits were high among Buchanan coaches as they began final preparations for the season opener with the Brandywine Bobcats The Buchanan Varsity Band was also scheduled to make its debut under its new director, Darius Jaspers

Moccasin PTM

Moccasin Parent Teacher Meeting will hold its annual open house at the school on Monday, September 19 A short business meeting starting at 7:30 will precede the open house.

Open house

Paul Gunn, son of Mr and Mrs Robert Gunn, will be honored at a going away open house Sunday, September 18, from 3:30-6 p m , at the Oronoko United Methodist Church, five miles north of Buchanan on Glendora Road

Gunn, a 1977 graduate of Buchanan High School, will leave September 26, for Camp Pendleton, California, to begin training as a US Marine

All friends and relatives are invited to attend

Medical Records Association

The Michiana Medical Record Association will hold its first meeting of the current year on Wednesday evening, September 21, 7 30 p m EDT time, at St Joseph Hospital in Mishawaka, Indiana

The speaker will be Walter Landis, D O and his topic is "Osteopathic Manipulation and General Osteopathic Principles"

Anyone interested in the medical record field is encouraged to attend

Berry's Beauties demolish highly regarded Berrien Springs

Buchanan's girls' basketball team got its 1977 season off to a running start Tuesday night, demolishing a highly regarded Berrien Springs five on its home court, 66-30

Berrien hung a 47-29 defeat on the Buckettes in the district tournament last fall and had four starters returning from that team But the Shamrock girls were never in the game Tuesday as Berry's Beauties streaked to a 30-6 lead at the end of the first period.

Berrien couldn't keep up with Buchanan's fast break. "Our fast break was very good in the first half," said Coach Ray Berry "We gave them one shot and then ran "

Buchanan scoring was well balanced as four girls finished in double figures, led by Patience Vanderbush with 17 points Lynn Bobo had 13 points and Sharon Rottman and Tracy Hargreaves each had 12 Karen Bobo added 8 points and Mary Welsh and Debbie Hesser rounded out the scoring with 2 points apiece

Berrien won the Jayvee game, 44-14. Thursday's scheduled game with Galien has switched to November 21, so Buchanan's next game is a September 20 home contest against Brandywine

Activities at Galien School

The following activities are planned at Galien school during the week of September 14-21: Thursday, September 15 -- J V. Football with Hartford, there at 7 p.m Friday, September 16 -- Varsity Football with Hartford, home game at 7:30 p m. and student pictures taken, grades 5-11.

Monday, September 19 -- Student pictures from Kindergarten-4th, Board of Education meeting 7.30 p m in north building conference room, junior high girls basketball with Hartford, there at 4 30 p m and the last day to register for the special school election to be held October 17

Tuesday, September 20 -- junior high boys football with Bridgman, here at 4 30 p m , Cross Country with Hartford, there at 4.30 p.m ; high school girls basketball with Michigan Lutheran, there at 6·30 p m

Wednesday, September 21 -- high school girls basketball with Covert, there at 6.30 p.m. and junior high girls basketball with Berrien Springs, here at 4 30 p m

Galien RLDS hosts men's luncheon

The Galien Reorganized Church of Jesus Christ of Latter Day Saints will host a Men's Witnessing Luncheon on Saturday, September 17, starting at 12 30 p m

Men and teenage youth from the congregations of the Northern Indiana District will attend the activities The witnessing luncheon will give the men an opportunity to fellowship together over a good meal and to hear the positive witness of several men Among those attending and sharing their witness will be Seventy John Pennington from Cincinnati, Ohio.

This event is open to both members and non-members Elder Richard Pennington, is pastor of the Galien branch

The luncheon will be prepared and served by the Women's Department under the supervision of Mrs Leland Williams, women's leader

Galien student pictures

Galien Township School students will be having their pictures taken at the school as follows Grades 5-11 on Friday, September 16 and grades Kindergarten-4 on Monday, September 19

Gaels trounce Covert in Yonto's first game

By Brian Dickey

Friday night was the coaching debut of Galien's new head football coach Tony Yonto It was a successful one as Galien soundly defeated the Covert Bulldogs 21-6 Jerry Woodrick led Galien in rushing with 63 yards Galien, which runs out of the T formation, drew first blood when Matt Koziel plunged one yard in the first quarter, followed by a Randy VanLew kick that made the score 7-0 Both teams played good defense, holding each other scoreless until the fourth quarter, when a mile high Covert punt came down in the arms of Koziel on the Covert one yard line Koziel then stepped into the end zone for what could be the most unusual score of the year. A Koziel kick then made the score 14-0 Galien. Covert's Ken Erwin raced 90 yards on the following kick off to give Covert its only score

Galien bounced back with a Jerry Woodrick 1 yard run and a Koziel kick to win easily 21-6 Coach Yonto was very happy with the game "Yes, I'm pleased, it's my coaching debut and I'm very pleased," he said

Galien girls outscore Titans 34-23

By Brian Dickey

Last week was a very successful one for Galien sports teams It all started Thursday night when the girls' basketball team defeated Michigan Lutheran by the score of 35 23, and was followed on Friday by the first victory for Coach Tony Yonto's football team

The girls' basketball team was led to victory on Thursday by junior Sue Heller, who paced the Gaels with 16 points Galien used the 2-3 zone to defeat Michigan Lutheran, who also used the 2-3 zone The teams battled to a 4-4 tie at the end of the first period The Titans added the press to their defensive manuevers in the second quarter, however, it was to no avail as Galien took the lead at halftime 12-9

Galien outscored the Titans 12-11 in the third period to take a four-point lead of 24-20 going into the final period of play Galien then rattled off 11 points and held the Titans to only 3 in the fourth quarter The Gaels are 1-0 for the season Guards Lori Garlinger and Stephanie Jackson led Michigan Lutheran with 5 points apiece

Apple Cider Century expecting 1000 bicyclists for day of cycling fun

ATTENTION ALL BICYCLISTS

The Three Oaks Spokes Bicycle Club presents the 4th Annual Apple Cider Century on Sunday, September 25, 1977 for your riding pleasure Here is your chance to participate in the largest bicycling event in Michigan. An estimated crowd of 1000 plus bicyclists will converge upon Three Oaks, for a full day of cycling, fun, food and friendship.

We offer (3) three routes for your riding pleasure, a flat , scenic 25 mile route for a casual relaxing trip, or try the rolling hills of the 50 mile route for a more demanding experience, but for the rider looking for the real challenge, the 100 mile route is a must This is not a race, all riders travel at their own pace, but to receive an (L A W) League of American Wheelman swiss embroidered patch, the rider must complete 25 miles in 4 hours, or 50 miles in 6 hours, or 100 miles in 12 hours Some may think 25 miles is a long ways, but think of it this way, "Frank Shorter the Olympic Marathoner ran 25 miles in 2 hours, so why can't I ride 25 miles in 4 hours "

Everyone will receive a beautiful Apple Cider Century '77 swiss-embroidered patch for cap or jacket, just for participating, regardless of the distance traveled or the time

Registration will take place at St Mary's Catholic Hall between the hours of 6 a m and 12 p m (Michigan time), those riding the 100 mile route must register by 9 a.m so as to have enough daylight to finish the ride. Cyclists may pre-register by obtaining an application from any area bicycle shop and mailing the entry form to the Three Oaks Spokes Cyclists may also register the day of the ride, but the lines will be long so arrive early or plan to stand in line. If you cannot find an application, send your money to the Three Oaks Spokes, 303 E. Michigan, Three Oaks, Michigan 49128, and we will fill our your application and all you must do the day of the ride is go to the pre-registration table and be on your way. The registration fee is $6 00

Now, what do you get for your entry fee, well, how does this sound. All riders arriving early, or while our supplies last, will be served a continental breakfast of coffee, cider and fresh donuts Along the routes every ten (10) miles will be C B equipped Sag Wagons which assist the riders, serve cider, apples and water After the ride everyone will be treated to Win Schuler aged cheddar cheese and bread sticks as a warm-up for our famous Spaghetti Supper, which will also include french bread, relish tray, coffee, cider and apples The routes will be marked on the pavement with arrows to indicate the turns and all riders will receive a map and cue sheet As in the past, all the riders have always received the L A W patch and this year everyone will also get the new Apple Cider Century '77 patch

All requests for information and applications should be sent to: Three Oaks Spokes, 303 E. Michigan, Three Oaks, Michigan 49128

The 1974 Apple Cider Century had a total attendance of 226 cyclists, coming from Michigan, Indiana and Illinois Despite cold rain and strong winds, the ride ranked as the 8th largest (L A.W.) League of American Wheelmen National Event in the United States, out of 140 rides that were held in September 1974

The 1975 Apple Cider Century was a smashing success as the attendance reached 541 riders and ranked as the 2nd largest L A W event. The weather was warm, with mild winds and sunny skies

The 1976 Apple Cider Century was destined to be the largest in the United States, but due to a steady rain from 11 p m Saturday until 6 p m Sunday evening, the total attendance only reached 644, and a 5th place tie

The 1977 Apple Cider Century has all the indications of being our largest ever The only unknown factors are the weather and the total attendance We can't control the weather, but pre-registrations are up over 1976 and the estimated count of cycists could surpass 1000 Come on sunny skies

Services at Reorganized Church of Jesus Christ of Latter Day Saints

Sunday services at the Galien Reorganized Church of Jesus Christ of Latter Day Saints will feature 9 45 a m worship with Mrs Leland Williams in charge The topic will be "The Holy Week "

Seventy John Pennington of Cincinnati, Ohio will deliver the 11 00 a m worship service message

A fellowship carry-in dinner will follow at 12 15 p m

Members and friends of the local branch will attend the Northern Indiana District Conference in South Bend at the church located on East Ewing, Sunday, September 25

At a recent planning session of the Women's Department, Mrs. Aaron Dickey and Mrs Lawrence Swank were named as co-chairmen of the Autumn Harvest Festivities Day to be held October 22 at the church for the public It will close with a dinner served between 4 30 and 7 30 p m Committees are being selected and will be announced soon

Regular meetings of the Women's Department will be held the first Wednesday of each month Mrs Leland Williams is leader and the executive committee was elected and is as follows Mrs Lewis A Lambert, assistant in training; Mrs Lawrence Swank, secretary and Mrs Aaron Dickey, treasurer

Special programs and social events will be held periodically and the first special program and social hour will be a dedication service and a special program on Hawaii at 7.30 p m , October 13 In charge will be Mrs Lawrence Swank, Mrs. Mae Lambert and Mrs Aaron Dickey, who traveled to Hawaii this summer and spent eight days on the islands of Maui and Oahu A slide presentation will be shown and refreshments in keeping with the theme will be served There will be no meeting for business on October 5

Cluckey on active duty

Air Force Reserve Senior Airman Dane A Cluckey, whose parents are Mr and Mrs Howard A Nichols of Rt. 1, Buchanan, recently served on active duty with the U S Air Force at Wright-Patterson AFB, Ohio

Airman Cluckey, a packaging and preservation specialist at Robins AFB, Georgia, participated in the two-week annual field training to fill temporary shortages in the full-time force

The airman graduated from high school in 1966 in Buchanan and is currently attending Crandall College at Warner Robins, Georgia

Patrick H. McCollough to address Democrats

The Berrien County Democratic Party will meet Thursday, September 15, 8 p m , at Weesaw Township Hall, New Troy

Guest speaker for the meeting will be State Senator Patrick H McCollough, who is running for governor of Michigan

Patrick H McCollough, 34, is a resident of Dearborn and represents the 10th State Senate District

He was first elected to the State Senate in 1970 and was re-elected in 1974 Pat established a 100 per cent legislative attendance record from the date of taking office in 1971 through 1976

A Democrat, his participation in the Party spans 16 years He was President of the Michigan State University Young Democrats in 1964. Most recently, McCollough was a delegate and Michigan Carter Delegation Floor Whip at the 1976 Democratic National Convention

The tradition of public service is well established in the McCollough family Pat's mother, Mrs Lucille H McCollough, is the State Representative of the 31st District in Dearborn. His father, Clarence, is a UAW retiree The McCollough family was originally from the thumb area of Michigan

Pat McCollough has a bachelor's degree and a master's degree in political science which he earned at Michigan State University and the University of Michigan, respectively He obtained his juris doctorate degree from the Detroit College of Law

He is a former high school teacher of government and economics

A practicing attorney specializing in criminal law, McCollough is associated with the Detroit law firm of Riley & Roumell

He has served as Chairman of the Municipalities and Elections Committee and the Select Committee on Municipal Bond Financing He was Co-Chairman of the Budget Efficiency Savings to Taxpayers (BEST) Committee McCollough presently is Chairman of the Senate Finance Committee

In 1973 he was named "Conservation Legislator of the Year" by the Michigan United Conservation Clubs

Pat is married to the former Sylvia Jean Chappell

He is a member of several professional and civic organizations, including the Michigan, Dearborn and Detroit Bar Associations, the University of Michigan Alumni Association of Dearborn, Founders Society of the Detroit Institute of Arts, Dearborn Pioneers, Goodfellows; Community Health Council of Dearborn, and a former member of the Dearborn Federation of Teachers

Cross Country team loses to Edwardsburg

Defending Blossomland Conference champion Edwardsburg beat Buchanan 19-40 in a cross country meet held here Monday

The Eddies took the first three places as winner Dan Parson set a course record in 17:15. Dan Hoover and Kevin Clark followed Hoover across the finish line

John Dougherty led the Buck harriers, finishing fourth in 18 minutes flat, his best time ever Erik Mollberg and Tom Lear also recorded personal bests while finishing sixth and seventh. Mollberg finished in 18·14 and Lear ran 18:18.

The next two Buck finishers were Rick Bollock, twelfth in 18 48, and Dennis Decker, thirteenth in 19 27

While the 19-40 score may seem lopsided, it represents a tremendous improvement over last year, when the powerful Eddies took the first seven positions. Coach Mike Rouse was encouraged by the personal records set by his first three runners.

The Bucks' Sue Trull finished in 22.27 and beat Edwardsburg's Beth Lynn, who was second in the girls' Class C state mile run last spring

Buchanan's next meet is here Thursday against Berrien Springs and Decatur The Bucks get another shot at Edwardsburg in the Conference meet here October 31. "Edwardsburg isn't unbeatable," said Rouse.

The heat pump.
An energy-saving idea a lot of people are comfortable with.
Even Uncle Sam.

The heat pump is a device that heats and cools your home.

When it cools, it works like any air conditioner.

But when it heats, it works more efficiently than any other electric heating system around.

It captures the heat that exists in outside air, even on cold days.

As a result, you can heat your home using up to one-third less electricity than other electric heating systems.

This more-for-your-money, energy-saving feature has made the heat pump very popular with a lot of people.

Including the federal government, whose energy agencies recommend it over other types of electric heat.

Actually, we don't sell heat pumps. But, the way we figure it, every bit of electric energy that can be saved these days helps all of us.

Indiana & Michigan Electric Co.
Working together is the only way.

THOMPSON'S SUPER MARKET

Vikings' Fowler too much for Bucks

Depth and Leonard Fowler.

Those were two items the Niles Vikings brought to Memorial Field Friday night that Buchanan couldn't match, and they resulted in a 35-18 Niles victory In most every other department, including desire, Buchanan played the Class A school evenly.

Buchanan Assistant Coach Bob Foster expressed the numbers problem accurately when he said, "It's frustrating to see them send in fresh players all the time when we have so many guys going both ways "

Buchanan had nine two-way starters Friday to Niles' four, though both teams made liberal use of their benches throughout the evening In Buchanan's case, though, the bench amounted to nine healthy players at the game's end Two of the Bucks' 27 athletes couldn't dress due to injuries suffered in practice and five others were either incapacitated or playing hurt by the time this exciting, offense-filled contest ended

All of which is to take nothing away from the Vikings, who didn't know until Niles' millage passed September 6 whether they would play at all this year, and their swift tailback Fowler's statistics speak for themselves 23 carries for 254 yards and two second half touchdown runs of 50 and 66 yards

Buchanan had a chance for an early lead late in the first quarter when line backer Scott Smith ripped the ball away from Niles' Tyrence Spencer and the Bucks' Tim McNeil fell on it at the Vikes 21 yard line But Buchanan gave it back on the next play when Jeff Butler's pass, intended for Dan Pinkerton was picked off in the end zone by Niles' sophomore safety Tim Gourlay

Niles than began an 80 yard drive that ended when quarterback Bill Woolverton scored from 20 yards out on a broken pass play Kip Wilken kicked the extra point and the Vikings led 7-0

They came right back after a Buchanan punt to march 59 yards in eight plays with Spencer going over from the one Wilken's PAT gave Niles a 14-0 halftime lead

The Bucks got a second break at the start of the second half, and this time they took advantage Fowler dribbled Bob Couchman's kickoff and Eric Lewis recovered for Buchanan at the Niles 16 Three plays later, fullback Ricky Davis skirted left end for 12 yards and just made it into the corner of the end zone, upsetting the out of bounds marker as he dove over the line. Couchman's kick was low and Niles led, 14-6

Then Fowler took over, ripping off long distance scores on each of Niles' next two possessions On the second, a 66-yarder that would have done O J Simpson credit, he started off right tackle, cut back against the grain, and outraced Davis down the opposite sideline

Niles led 27-6 with only 4 15 left in the third quarter, but the Bucks weren't about to quit A third Niles fumble, this one a muffed punt by Woolverton, was recovered by Pinkerton at the Vikings' 25

It took seven plays to do it, but the Bucks narrowed the score to 27-12 on Davis' four-yard plunge Butler kept the drive going on the previous play with a nine-yard bootleg when the Bucks were faced with fourth and nine

A fired-up Buchanan defense then forced Niles' only punt of the game On the next play, tailback Jim Longerier sped 67 yards down the east sideline to a touchdown The run was highlighted by a nifty cutback that left two Niles defenders grabbing air at the 15 yard line

Suddenly, with 8:06 still to play, the Bucks trailed by only 27-18. But Gourlay dove in front of Pinkerton to deflect Butler's conversion pass that would have brought Buchanan to within one touchdown

Niles then put the game on ice by driving 62 yards in ten plays Fowler gained 45 yards on this march, but Spencer got the last two and the touchdown.

Fowler's spectacular offensive show overshadowed a fine performance by Buchanan's Davis, who gained 104 yards in 19 carries and scored twice "Ricky's a good strong runner, he's hard to bring down," Bucks' Coach Mike Young said of the 5-10, 180 lb senior "He has thunder thighs " Davis also made 10 tackles as a defense back

Young blamed Buchanan's nine five-yard penalties and what he called "Texas touch football" on injuries

"Penalties, formations you'll never see Buchanan in, that's embarrassing," he said "It almost got to the point where we had to take our third-string tackle and make him a wingback "

He credited outside linebackers McNeil and Craig Vergon with outstanding play "They took tremendous punishment, because Niles ran outside all night " Pinkerton led Buchanan with 11 tackles

Niles Coach Neil McLaughlin added, "It was a typical first game We both made mistakes, but I'll take it Any time you win your first game you're happy "

Of the Bucks, he said, "I'll give them credit, they didn't fold when they could have "

RICKY DAVIS is about to be tackled by Niles defensive back Tom Herman (20) as Kevin Knoll (78) comes up from behind. Buchanan blocker is Aaron Samson (64) Davis gained 104 yards Friday night, but it wasn't enough to keep Niles from taking its tenth straight victory over the Bucks, 35-18 (Photo by Gordon Hanson)

Brandywine here Friday

Brandywine 69, Detroit East Catholic zero. All right, Pete McCauley, coach of the Brandywine Bobcats, are you that good or were they that bad?

"We aren't that good," McCauley said Tuesday. "They were physically much bigger than we are, but after we got a couple of touchdowns they just sort of laid down."

Buchanan Head Coach Mike Young might tend to think that McCauley is a bit modest "You have to be impressed with that score Any team that can score that many points has to have an explosive offense "

Young said he expects Brandywine, which plays here Friday night, to feature a good ground game led by two big backs, 6-2, 193 lb. Tony Harris and 6-1, 200 lb Norm Hollins He also expects the Bobcats to pass much more than Niles did against the Bucks last week.

The Bobcats, meanwhile, don't expect anything like the sort of romp they enjoyed last week.

"We're approaching the Buchanan game with the idea that they're a league contender," McCauley said. "They've improved 1000 per cent since last year, and we barely beat them (26-16) last year "

Young again praised the work of outside linebacker Tim McNeil in the Niles game and also said the game films showed that Ricky Davis, who gained 104 yards rushing, also did an outstanding job of blocking.

Young said leg injuries will make Jim Anderson, Scott Vergon and Jim Stoner doubtful performers Friday night

First United Methodist Church

Anyone attending Sunday morning services at First United Methodist Church, 130 South Oak Street, during the next few weeks will be asked to "take sides"

Members of the church began an "attendance game" on Sunday, September 11 The game will continue through the first week of October

There are two teams competing to have the largest attendance Janice Hamilton is captain of the "Sunbeams" and Corbin Detgen is captain of the "Fishers"

These captains are encouraging members to invite their friends and neighbors to attend and come help support their team

Which team will win? The Fishers? The Sunbeams?

BERRY'S BEAUTIES Coach Ray Berry's girls' basketball team is one of the favorites for the Blossomland Conference championship this fall. Front row, from left, are Paula Mottl, Trace Hargreaves, Mary Kay Welsh and Diane Florey Back row, from left, are Debbie Hesser, Lynn Bobo, Sharon Rottman Patience Vanderbush, Karen Bobo, Laurie Hiatt and Coach Ray Berry

"Berry's Beauties" looking good this year

With four starters, including all-conference forward-center Patience Vanderbush, returning from last year's 17-5 team, Buchanan High School's girls' basketball team has to be considered one of the favorites for the Blossomland Conference championship this fall

Last year Coach Ray Berry's girls finished second to a River Valley team which won 23 straight games before losing in the semifinals of the state Class B tournament Most of last year's Valley team, which beat Buchanan by only one and nine points in two meetings, has been lost to graduation

The 6-1 Vanderbush led Berry's Beauties last year, averaging 21 7 points and 15 6 rebounds per game She also turned in a fine performance in leading Berrien County's senior girls to the championship in last summer's CanAmer games at Brantford, Ontario

And Buchanan has other virtues . besides Patience Namely, Sharon Rottman and the Bobo twins, Lynn and Karen, returning seniors who all started last year. Sharon, a 5-10 center, was second to Patience in both scoring and rebounding last year, averaging seven points and 9.1 rebounds per game

The Bobo twins, both 5-9, each averaged five points a game last year

The four returnees will team with 5-2 junior Tracy Hargreaves, a transfer from Niles, to form Berry's starting five Tracy, a good ballhandler, will be the point guard in Berry's 1-3-1 offense, with Sharon in the middle, the Bobos on the wings and Patience underneath

Berry has six other players on this year's varsity, senior guards Mary Welsh and Paula Mottl, and junior forwards Laurie Hiatt, Sue Forburger, Diane Florey and Debbie Hesser (who also plays guard) He expects all six to see a lot of action

"The girls are all pushing each other, and we'll have good competition at all positions," he said

"We have good height and rebounding, plus the experience of those four girls (the Bobo twins, Rottman and Vanderbush) playing together throughout their careers The one thing we have to work on and continue to work on is team speed and quickness," Berry added

Berry hopes his team's rebounding ability will result in some fast break baskets, "We'll be trying to fast break all the time " He said all his girls are shooting better in practice and he expects scoring to improve this season

Correction

The address of Lawrence J. Cetrullo, arrested in connection with the theft of over $3700 from the manager's office at West Winds Apartments, is 210 West Third Street, not 210 West Front Street as given in last week's Record.

Fall Film Festival

The Fall Film Festival is scheduled to begin at Faith Baptist Church, 1300 North Main Street, at 7 p m , Sunday, September 18

The first episode "Holy Night" will be in full color The story begins when Hezekiah was king in Jerusalem and Isaiah a prophet Experience the announcement to the Virgin Mary, her visit to Elisabeth, and journey to Bethelem See the shepherds in the fields and finally the Nativity manger scene

This film is the first of twelve motion pictures all dealing with the Life of Christ

Punt, Pass & Kick set for October 1

Local boys and girls will be "dusting off" their footballs and loosening up their throwing arm soon for the 1977 Punt, Pass & Kick competition

This year the local level of PP&K will be sponsored by Campbell-Farr Ford in Buchanan The competition will be held at the Buchanan High School football field on Saturday, October 1, at 1 30 p m

Nationally PP&K is celebrating its 17th anniversary It is sponsored by the Ford Dealers of America in cooperation with the National Football League Since it was started in 1961, the program has attracted more than 14 million youngsters – and participation this year is expected to top the 1,300,000 mark.

Participants in the Punt, Pass & Kick program compete only against others their own age Any boy or girl 8 through 13 years of age, accompanied by a parent or guardian, may register to compete in PP&K at the Campbell-Farr Ford show room on Red Bud Trail North There is no entrance fee and no body contact during competition No special equipment is needed and participating does not impair a youngster's amateur standing

Scoring is based on distance and accuracy with one point added for every foot the ball is punted, passed or kicked, and a point subtracted for every foot it lands off a center line

Twelve national finalists will compete for the National Championships in their age group at Super Bowl XII in New Orleans on January 15, 1978 Winners will have their names permanently inscribed in the Pro Football Hall of Fame in Canton, Ohio Their trophies will be presented by National Football League Commissioner Pete Rozelle

"Silence is the fence around wisdom" Hebrew proverb

Bucks win two Blossomland jamborees

I expect our golf team to be in the top three in the conference this year with a good shot at first ' Buchanan High School golf coach Clarence Wold said last week, and after the first two Blossomland Conference jamborees his prediction appears to be pretty accurate

The Bucks won both jamborees at Hampshire in Niles on September 7 and Park Shore in Cassopolis last Monday, and are now sitting in first place with 16 points, three more than second place Cassopolis Lakeshore with 12 points and Coloma, with 11 are also still in the running

Buchanan tied with Cass at 159 (score based on the lowest four of each team's five men) Monday but Buchanan's fifth score Chris Stockwell's 43 was four strokes lower than Cass's fifth score giving the Bucks the victory

Rich Eichler led Buchanan with 37 the lowest individual score of the day Kris Moulds followed with 38 while Mark Hamilton and Greg Zeug each carded 42s

Buchanan and Cassopolis were followed by Coloma (168) Lakeshore (168) Edwardsburg (180), River Valley (182), Dowagiac (187) and Brandywine (206)

At Hampshire last week the Bucks totalled 170 to beat Lakeshore by two strokes Moulds and Stockwell led Buchanan with 42s Eichler and Zeug each shot 43s and Hamilton had a 46

The next Blossomland jamboree will be held this Thursday (September 15) at Lake Michigan Golf Hills Benton Harbor Defending conference and regional champion Coloma will be home team

Pioneer Community Farm Bureau

The Pioneer Community Farm Bureau met at the home of Jack Harroff, Wednesday, September 7 The meeting was conducted by Jack Harroff chairman

The Package Report was given by Gerald Tichenor The bureau voted to send letters to the Senate asking them to relax the tax on energy uses and also to the House of Representatives about easing regulations on pesticides for farm use

The discussion was "Political Clout" led by William Schwab Members agreed they should be more active in political activities They also feel they do not have enough information on political candidates It is felt the Farm Bureau should be more active in backing candidates who are supportive to agriculture

The next meeting will be on October 5, at William Schwab's home

RUSTPROOFING.
EITHER YOU HAVE IT OR YOU DON'T
Car makers don't build the rustproof car and no car dealer can deliver the real rustproofing you get with the exclusive Ziebart process
Don't be misled by some sweeping references to anti corrosion methods used in building some 1977 cars Real rustproofing must be done *after* the car is built And it must cover *every* critical area inside and under the car That's the proven Ziebart method. There are no shortcuts That's why your Ziebart Dealer uses nine different patented spray tools to reach rust prone areas That's why he uses a rustproofing sealant that actually penetrates welded seams where rust can start Your Ziebart Dealer can deliver a rustproofed 1977 car because that's his business—and he knows it Call him

Michigan Bell Service Bulletin

New Custom Calling Services, Touch-Tone® Calling, and Service Changes for Buchanan customers in the 695 and 697 exchanges.

Beginning Saturday, September 17, 1977, these new optional services will be available, and service changes will be put into effect as follows:

Custom Calling Service (1-party customers only) provides

Call waiting—A tone indicates someone is trying to call while you're on the phone You can answer the second call and hold the first

Call Forwarding—This feature permits the transfer of incoming calls to another phone number

3-Way Calling—You can bring a third party into your phone conversation

Speed Calling—By dialing a 2- or 3-number dialing code you can reach a frequently called phone number

Order any one or more of these features today!

Touch-Tone® service is an exciting, modern way to make a phone call Instead of dialing, you merely tap out a phone number It's much faster than the conventional rotary dial Try it You'll like it

SERVICE CHANGES

The new electronic telephone equipment that serves your area will provide the following changes in service

1 You'll hear a lower pitched dial tone when you pick up your receiver
2 On *local* calls, you'll need to *dial all seven digits* to reach your party If fewer digits are dialed, the call won't go through
3 The new number for Repair Service will be *611.*
4 Customers who have two rings on their phones will hear only one

If you have any questions about these changes, please call your business office on **683-9911.**

Connie Strauss married to James Chadderdon

Connie Sue Strauss was married to James Edward Chadderdon on Saturday, September 10, at Trinity Lutheran Church, Glendora, at six o'clock in the evening Rev Elmer Bickel performed the ceremony.

The bride, daughter of Mr. and Mrs Harold W. Strauss, Route Two, Box 413, graduated from River Valley High School, Three Oaks; graduated from Lake Michigan College and is employed as an accounting clerk at Shepherd Products US Inc, St Joseph

The bridegroom, son of Mr. and Mrs Russell D. Chadderdon, 1103 Main Street, graduated from Buchanan High School, graduated from Lake Michigan College, Benton Harbor, graduated from Western Michigan University, Kalamazoo and is employed as an accountant at Union Camp Corporation, Kalamazoo

The bride wore a white gown of polyester organza The empire bodice had a yoke of Chantilly lace, pearls and crystals and the long sheer sleeves were also trimmed with Chantilly lace, pearls and crystals. The a-line skirt swept into a cathedral length train The bottom of the hem was edged with pleating which was also seen on cuffs of sleeves and at the neckline. She wore a fingertip veil held by a lace and pearl cap. Pearls edged her veil She carried white sweetheart roses, miniature carnations and baby's breath.

The matron of honor was Mrs. Robert Brunke of St. Joseph, cousin of the bride Bridesmaids were Mrs Larry Quigley of Detroit, sister of the bridegroom, Miss Susan Strauss of Buchanan, sister of the bride, Mrs Dennis Strauss of Buchanan and Mrs Donald Strauss of Port Huron, both sisters-in-law of the bride

Joseph Quick of Niles was best man Groomsmen were David Alder of St Joseph and Dale Chadderdon of Tecumseh, brother of the bridegroom Ushers were Dennis Strauss of Buchanan, and Donald Strauss of Port Huron, brothers of the bride

A reception was held immediately following the ceremony at the New Troy American Legion Home, New Troy

Following a wedding trip to the east coast, the couple will reside in Kalamazoo

Mrs James Edward Chadderdon

Refreshments were served

Fernwood open house

Two gallery showings open this week's activities at Fernwood. An open house reception is planned on Sunday, September 18, for Carol Collins of South Bend who will be showing her Creative Needlepoint and for the Fernwood Nature Photographers who will display their individual efforts of the past season Open to the public, the reception hours are 2.00 to 4 00 p m. (Michigan time)

A graduate of St. Mary's College, Mrs. Collins has taught creative needlepoint at I U S B the Y.M.C A. and in classes in her home. She has completed additional study through seminars with the Embroiderers Guild of America and Mrs Collins is founder and President of the South Bend Chapter of the E G.A In 1976 her book "Needlepoint A Basic Primer", was published and she is currently working on her teacher accreditation for the Embroiderers Guild of America Mrs Collins aims her needlepoint forms as fine art, using threads as the medium rather than oils, watercolors, or acrylics She has exhibited her work in the Indiana State Museum and at the Midwest Needlework Professional Conference On Monday, September 19, Mrs Collins will be sharing her talents with Fernwood students as she begins a week of teaching. In this week-long class students will explore one technique after another Applying one canvas to another, objects to canvas, cut work, pulled work, and comparison of threads and stitches for textures are some of the features of this class. This class is full

The Fernwood Nature Photographers have held competitions all spring and summer during their monthly meetings The highest point totals qualified the photographs and slides to be on view from September 18 thru September 30 in the Fernwood Meeting House Under the direction of Leo Swinehart, President of the Fernwood Nature Photographers, some outstanding photographs and slides have been compiled for this show

A four-day workshop on Natural Dyes begins Monday, September 19 Returning to Fernwood after an absence of four years is the instructor, Mary Frances Davidson from Gatlinburg, Tennessee. In this workshop students will work outdoors over wood fires dyeing wool with natural materials. Several varieties of wildflowers have been collected and dried over the summer in preparation for this class. Mary Frances received her, B S. degree from West Virginia University and holds a Masters Degree in Education from Duke University A former teacher in the Oak Ridge, Tennessee school system, she now is an instructor for Arrowmont School in Gatlinburg. Her book, "The Dye Pot" is based on her many years of experience and experimentation with natural dyes First published in 1950, "The Dye Pot" has been revised several times as new knowledge is gained and natural recipes are proven. Her workshops and lectures take her away from Tennessee many months throughout the year and recent workshops in Florida, Louisiana, and South Carolina preceded her visit to Fernwood

Ending the week's activities at Fernwood is Arts and Crafts in Action This biennial event is staged by artists, craftsmen and class participants of Fernwood classes from the 1976-77 season. Demonstrations of many crafts will highlight each day's activity Scheduled for demonstration are weaving, spinning, natural dyeing, stained glass assembly, silversmithing and lost wax jewelry In the Pottery Studio demonstrations by both adult and child class members in hand building and wheel thrown techniques The ancient art of Raku pottery firing will also take place near the Pottery Studio Additional demonstrations of our children's art program, quilting, hand made paper, rug hooking, whittling, flower drying, calligraphy, corn husk flowers, sitchery and others offer each visitor a chance to observe, ask questions, and to learn In addition many artists will be painting on the Fernwood grounds throughout each day On display also will be Michigan's natural areas, prairie plants, and large drawings that were completed by the children of Fernwood's day camp program

On Saturday, September 24, and again on Sunday, September 25, Arts and Crafts in Action will be presented between the hours of 1 00 and 5 00 p m

Golden Age Club to have 'Mystery Trip'

The Golden Age Club met Friday, September 9, at the Niles-Buchanan YMCA for a cooperative dinner Forty-five members and six guests attended

Mrs Alice Brown, president, presided at the business meeting Mrs Flora Sommers, program chairman, introduced Niles Fire Chief Marion Fuller and Jim Cripe, who talked on fire prevention, what could happen on an overloaded circuit and too long an extension cord They advised the use of a smoke alarm.

Mrs Arlie Evits played the harmonica accompanied by Mrs Everett Smith on the piano She was also accompanied by Alice Brown

OTHER BUCHANAN CAST MEMBERS are Candy Quade (left) and Chuck Hayden, on bench, Tom Gault (with football) and David (left) and Judith Gault, standing "Love American Style" is a 10-scene musical revue of skits, songs, and dances described as a heart-warming and hilarious evening of family entertainment. The show is produced by Marie Majerek of Niles and written and directed by Rolland Bowen of South Bend Musical accompaniment is provided by pianist Charlotte Adams and percussionist Tony Briggs Margaret McCormack of Buchanan, not pictured, is also a member of the cast

Showboat Review launches Apple Festival

The fourth annual Showboat Review to be held September 15, 16, 17 and 24 at the Niles High School Auditorium, will mark the beginning of the Four Flags Area Apple Festival in Niles. The theme for this year's show is "Love American Style"

While the official opening ceremony for the festival is scheduled for 7 30 p m September 21 at the Niles High School auditorium, several festival activities will take place or start prior to that date

A queen will be picked to reign over the festivities at the Miss Apple Festival Contest, to be held at the Niles High auditorium at 8 p m. September 19 Kim Gaul of Buchanan will be among several girls vying for the honor and Dick Rossow of Buchanan will be master of ceremonies for the event

Other pre-opening events include an antique walk (September 19-25), a fishing contest (September 1-21) and the YMCA bridge championship

A prince and princess, chosen by vote from boys and girls aged three to six at the Oriole Shoppe in Niles, will be crowned at the opening ceremony on September 21 A concert, "The Sound of Barbershop," will be held at the auditorium following the opening ceremony

Several displays, booths, rides and amusements will be open to the public at the festival site at 17th Street and Lake Street in Niles during the four days of the festival, September 22-25

The highlight of every Apple Festival, the grand parade, will be held this year on Saturday, September 24, beginning at 1 p.m Grand Marshal for this year's parade will be Niles resident Ed Healey, who is a member of both the college and pro football halls of fame The parade will start at Main and Second Streets, proceed east on Main Street to Broadway, continue east on Broadway to 15th Street, then go north on Broadway and end at Niles High School.

Miss Michigan, Holly Ann Schmidt of Farmington, will make a personal appearance at First Federal Savings and Loan on Friday afternoon, September 23 and ride on the First Federal float in the parade.

Other events, listed by day

September 22 Heritage tours (10 a m -2 p m), kiddie pony rides (through September 24), at the festival site, teen fashion show (7 30 p m), at the YMCA, and free teen dance (8 30 p.m) at the festival site band shell

NOTICE OF MORTGAGE SALE

Default having been made in the conditions of one certain Mortgage, dated March 8th, 1974 made by PAUL E STEPHENS and RAMONA M STEPHENS, husband and wife, residing at Route No. 1, Cleveland Avenue, Galien, Michigan 49113, to LaSALLE FEDERAL SAVINGS AND LOAN ASSOCIATION OF BUCHANAN, and recorded in the Office of the Register of Deeds for Berrien County, Michigan, at Liber 971 of Mortgages, page 262 on the 11th day of March, A D 1974, on which Mortgage there is claimed to be due and unpaid as of September 14th, A D. 1977, the date of this Notice, on principal, the sum of Eighteen Thousand Three Hundred Sixty-one and 99-100s ($18,361.99) Dollars plus interest accrued thereon of Six Hundred Thirty-six and 25-100s ($636 25) Dollars as of September 14, 1977, with interest accrual at Four and 54-100s ($4 54) Dollars per day thereafter; and no proceeding at law having been instituted to recover said debt

This Notice is given pursuant to CL 1948 600 3212 and CL 1948 600 3240 as amended by Act No 102 of the Public Acts of 1964, and Act No 104 of the Public Acts of 1971, which establish a six month redemption period with reference to Mortgages of this classification The herein described property is residential, not exceeding four units, of not more than three acres, and the amount claimed due at the date of this Notice is more than 66-two-thirds per cent of the original indebtedness secured by this Mortgage

Notice is hereby given that on Tuesday, the 18th day of October, A D 1977, at ten o'clock in the forenoon of said day, at the Port Street entrance of the Court House in the City of St. Joseph, Berrien County, Michigan, by virtue of the power of sale contained in said Mortgage, and the statute in such case made and provided, said Mortgage will be foreclosed by sale at public auction to the highest bidder of the premises described in said Mortgage, or so much thereof as may be necessary to satisfy the amount due, as aforesaid, and all legal costs, charges and expenses, including an attorney's fee; which premises are described as follows:

That part of the Northwest Quarter of the Southeast Quarter of Section 10, Township 8 South, Range 19 West, Galien Township, Berrien County, Michigan, described as follows, to-wit: -- Commencing at the Southeast corner of the Northwest Quarter of the Southeast Quarter of said Section; thence West 247.8 feet, thence North 200 0 feet, thence East 217 8 feet to the East line of said Quarter Section and the center line of Cleveland Avenue, thence South, along said center line, to the place of beginning.

DATED. This 14th day of September, A D 1977
