The Add-On Electric Heat Pump will give you a nice, warm feeling.

You'll feel good about your new Add-On Electric Heat Pump because it could help save you energy and money. You see, it works with your existing furnace (no matter what kind of fuel it uses) to share the task of heating your home more efficiently.
And that's not all. In summer, it's a central air conditioner, cooling and dehumidifying your home.
So you've got an awful lot to feel good about... a heat pump that can actually work year round for you and could save you money on your winter heating bills.
Want to know more? Fill out the coupon and send for our fact filled, free booklet today!
