

## Township Sets Access Hours For Landfill

The Buchanan township landfill will only be open on Wednesday, Saturday and Sunday between the hours of 9 a. m. to 6 p. m., according to a decision made by the Buchanan township board at a Monday night meeting.

Prior to this decision, certain prime users had keys so that they could use the landfill at their convenience. This meant that care of the landfill could be neglected for a period of up to three days. What prompted the decision by the board, was a surprise inspection by Earle Olsen, chief of the environmental section of the Berrien County Health department. He said his inspection revealed numerous rats running in the landfill and debris that had not been covered. He did say, however, that the landfill is about the same as any he has inspected.

"In order to comply with his recommendations prime users must find a way to hold their refuse until the landfill is open," Supervisor Ivan Price said. A letter to this effect will be sent to all prime users, as was directed by the board. "We must comply with accepted health standards," stated Price.

**Legislative Changes**  
Supervisor Price read a letter from Attorney E. R. Desenberg which cited certain legislative changes which are of interest to the township. The letter revealed that regarding:  
—Firemen — Public Act 69 provides that any fireman responding to or returning from a fire alarm or while actually engaged in fighting a fire is exempt from carrying on his person any license or paper required by law. This would probably mean a driver's license.  
—Board of Review — The terms of all members now serving on the Board of Review shall terminate at noon on Jan-

## Public Boat Hearing For Clear Lake Set

A public hearing has been scheduled for Friday, August 16, at 1 p. m. for the purpose of making recommendations concerning boating problems at Clear Lake according to arrangements made by the Buchanan township board. The hearing will be held at the Buchanan township hall.

During a township board meeting Monday night, Supervisor Ivan Price urged township residents interested in Clear Lake boating problems to be represented at the meeting.

The hearing which has been called by the Boat and Water Safety section of the Michigan Department of Conservation, was set to seek comments from

citizens and to discuss their recommendations. The Department of Conservation has conducted an investigation of the water uses of the lake and to gether with public hearing results will make recommendations as to the proper use of Clear Lake.

**Marine Safety Act**  
According to Act 303 P. A. 1967, the Department of Conservation has the power to restrict the use of vessels, regulate speed, regulate use of water skis or similar contrivances, regulate hours of use, regulate areas or prescribe any other regulations relating to the use or operation of vessels or contrivances which will best protect the public safety.

January 1, 1969. Members appointed thereafter to the board shall serve for terms of two years beginning at noon on January 1 of each odd-numbered year.

—Insurance — Public Act 95 provides that no insurer can cancel or refuse to renew a policy of insurance of any peace officer or fireman on his private automobile due to accident rate statistics compiled by the peace officer or fireman while driving police vehicles or fire department vehicles in the pursuance of his duty.

**Treasurer's Report**  
Township Treasurer Ruth Rose reported the following receipts for July:  
Hills Haven Mobile Homes

for 15 trailers, \$45  
Riverside Mobile Homes Estates for 57 trailers, \$171  
Gallen Township for April and May landfill, \$353.62

**GETS POLICE AID** — Allen Rex Trapp, 23, Rt. 1, Coveney road, is given first aid by Trooper Larry Harju of the Niles Post, State Police, while arrangements are made to transport him to Pawating hospital. Trapp, riding a motorcycle, suffered head, neck, pelvic and other internal injuries when he failed to negotiate a curve on the Glendora road with his motorcycle. He was not wearing his helmet when the crash took place officers said.

## Buchanan Man Critical After Motorcycle Mishap

Allen Rex Trapp, 23, Rt. 1, Coveney road, is in critical condition today (Thursday) at South Bend's Memorial hospital as a result of a traffic accident on the Glendora road, Tuesday afternoon, shortly after 2:30 p. m.

He has been placed in the hospital's intensive care unit and, according to his physician, is suffering from injuries to his head, spine, pelvis and bladder.

According to Trooper Larry Harju of the Niles post, Michigan State Police, Trapp was westbound on Glendora road, when he failed to negotiate a curve, west of the Lewis Miller farm, and ran into the back of a farm tractor and trailer being operated by William Otto 59, of Rt. 1, Gallen.

Otto told State Police that he saw the motorcycle being driven by Trapp and knew it would not clear the curve. He proceeded to drive his farm tractor and trailer as far off the road as possible. Troopers said the trailer came to a rest in a culvert at the roadside.

Trapp was taken to Niles' Pawating hospital where he was admitted before being transferred to the South Bend institution.

Trooper Harju reported that although Trapp's cycle was equipped with a safety helmet, it was not being worn at the time of the crash.

No summons has been issued in the incident but State Police report the investigation remains open.

## Pears Wins Re-election On 300-Vote Plurality

## Jewell Tops Yost With 2 to 1 Primary Victory

Forrest "Nick" Jewell, candidate for the nomination as Sheriff of Berrien County on the Republican ticket, won that nomination by a landslide vote which totaled more than all candidates in both parties in the sheriff's race, combined.

Incumbent Sheriff Henry E. Griese ran a poor third behind former detective Victor Yost, Jr.

County totals in the race showed Jewell with 10,613; Yost in the second position with 4,379; Griese, 3,282, and Ed Merrill with 1,236.

As a result of his overwhelming victory, Jewell will face New Buffalo's Edward F. Smitchger, a Democrat, in the November general election.

Bertrand township was among the first precincts in the county to give a hint of the impending Jewell victory. At shortly after 8:45 p. m., Bertrand tallies showed Jewell the winner in the township by better than a four to one margin.

In precinct two of Buchanan township, the margin was even greater — better than six to one. He carried a two to one edge in the four precincts of the city of Buchanan.

The key to Jewell's strong showing in the south county area is attributed by observers to his strong pledge to bring the sub-station back to the area. The former sub-station, located in Buchanan, was closed by the present Sheriff early in 1967.

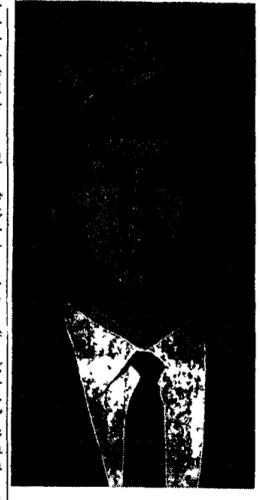

Jewell was quick to answer the voters.

In a call to the Record, early Wednesday, he said,

"I want to thank the voters in the Buchanan area for their confidence in me which they demonstrated in their voting yesterday.

"In addition to the scores of dedicated volunteers who worked so hard to make my campaign a success, there is my family, my wife Alice and my two children who endured so much to help me realize this goal.

"With the primary election behind us, we must now look to November and a victory which will give us the opportunity to bring law enforcement in Berrien County to the level See JEWELL, Page 5

## Three Hurt In Saturday Mishap

A Buchanan woman was ticketed and three other persons were given medical attention at Niles' Pawating hospital following a two-car crash on US 12 near Mayflower road Saturday afternoon, according to State Police at the Niles post.

Dottie E. Binney, 73, 505 Claremont, was cited for failure to yield right of way to oncoming traffic, troopers said, when she turned left to Mayflower road in front of a car driven by John Burkart, 18, of South Bend, which was westbound on US 12.

Officers said Burkart went off the north shoulder of the road to avoid the accident and was struck by the Binney vehicle which was continuing the turn.

Mrs. Binney and a passenger in the Binney auto, Clara Shreve, 80, 401 E. Smith St., were taken to Pawating, as was David Krueper, 16, of South Bend. See HURT, Page 3

Don R. Pears, incumbent state representative from the 43rd district won the first and major step in his re-election bid Tuesday by a scant 300 votes in Berrien county, according to unofficial Record tabulations.

Pears defeated Berrien County Supervisor William Gnodtke 5,689 to 5,391. The race was Gnodtke's first attempt to gain an elective office.

In the Buchanan area precincts, the contest was a "horse race" with the opponents less than 10 votes apart in Buchanan city precincts 1 and 2. They each drew 113 votes for a tie in the city's fourth precinct at Stark school.

In the precincts which make up the city of Buchanan, Buchanan, Bertrand and Gallen townships, Gnodtke carried a meager 3/4 vote plurality, 907 to 871.

In a statement to the Record Wednesday morning, Pears said:

"First, let me thank the voters in the 43rd District who not only believed in me and my record but were willing to go out and vote for me again.

"Once again, it was clearly shown that a "smear tactic" campaign, such as was used against me, was one which the people were able to see through. My record was my cause and they supported it."

Pears will face 21-year-old Barry L. Moon, a Democrat, in the November general election. Moon polled 666 votes in the county Democratic primary.

The senior legislator and his wife, Gladys, live at 104 Lake street. He has suffered only one defeat in the last 18 years. He was defeated in a bid for the congressional post held by Edward Hutchinson (R-Fennville) in 1962.

Pears was Speaker of the House for four years from 1959-62 and served six terms from 1951 to 1962. He was again elected to the state house seat in 1964 and successfully sought re-election in 1966.

His plurality over Gnodtke is 22 votes larger than that received in 1964, the last time he was opposed. In that election, he met Ladd Stacey Stacey recently resigned to a seat in the state house to accept the post of Superintendent of Schools for the Benton Harbor school district.

Gnodtke and his wife, Lucile, live at 311 W. Fourth St. He has served as a member of the Berrien County Board of Supervisors since 1957.

## Record Entries Set For '68 Youth Fair

A record number of exhibits is expected to be entered in the 1968 Berrien County 4-H Youth Fair when entry day rolls around Monday, Aug. 12.

Entry day will be climaxed with the annual King and Queen contest and the choosing of the 1968 Apple Queen, Monday night.

Barbara Kenney and John Greening will represent Buchanan in the race for the royalty. Barbara is the daughter of Mr. and Mrs. William P. Kenney of East River road and John is the son of Mr. and Mrs. Emil Greening, Red Bud Trail.

Providing additional entertainment that evening at the grandstand will be a band concert and the Berrien Highriders Mounted Drill team. No admission for events is charged Monday.

The program will begin with the band concert at 6:30.

**Underway Tuesday**  
The Youth fair officially opens on Tuesday, "School Day," with all school children admitted to the grounds free of charge and reduced prices on the big midway until 5 p. m.

Judging of all classes will begin at nine o'clock Tuesday morning and a "continental circus" will be the featured grandstand attraction later in the day. Performances are slated for 3:00 o'clock in the afternoon and 8:00 p. m.

Faron Stars Country and western recording star Faron Young will head up Wednesday evening's grandstand show which will also feature all star supporting cast, including Carl and Pearl Butler. Two shows are set, one at 7:00 and another at 9:00 p. m.

All the thrills and spills of the rodeo ring are set for Thursday night at the grandstand as Joe Passini's Championship Rodeo gets underway at 6:30 and 9:00 p. m. The rodeo is sanctioned by the Rodeo Cowboys association and will draw talent from around the United States.

Highlighting the week's activities under the Kleig lights at the Grandstand will be Friday's "Shower of Stars", which will be seen a second time, Saturday evening.

**The Country Clowns**  
Headliners for the extravaganza are Homer & Jethro, who return by popular demand after their outstanding performance at last year's fair. Singer Marilyn Maye and five stellar comedy and variety acts back up the world renown country clowns.

Earlier Friday, at 1:00 at the grandstand, the annual youth livestock auction will take place. This year, the entire auction will be held at the grandstand.

The annual horse shows will be presented at the same location on Saturday and Sunday, Aug. 17 and 18. Advance entries indicate two days of outstanding horse shows.

This year's edition of the fair

is the 23rd presentation and is expected to be the biggest and best ever, according to fair spokesmen.

## New Hours Set For Area Dumps

The city sanitary land fill (dump), located at the eastern end of Howe lane, on the city's south side, will be open for use on Wednesdays and Saturdays from 7 a. m. to 7 p. m.

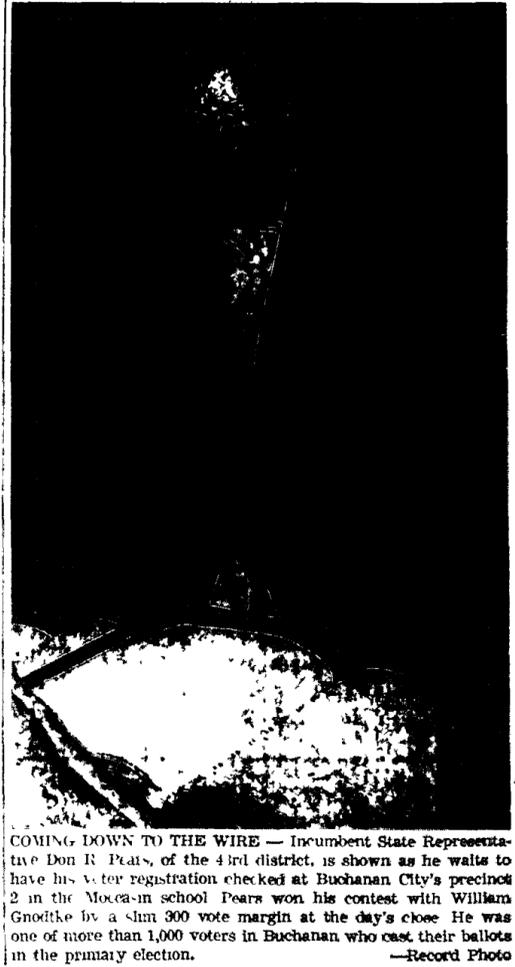

Only residents of Bertrand township and the City may use the city facility. Residents of Buchanan township may not use the landfill because of a lack of contractual arrangements between the city and the township.

The new times became effective Thursday, Aug. 1.

Residents in Buchanan township may use that township's sanitary land fill (dump) located on Elm Valley road.

The facility is open Wednesdays, Saturdays and Sundays from 9 a. m. to 6 p. m.

**Tax Deadline**  
Deadline for paying the Buchanan city taxes is Saturday, Aug. 10, according to Raymond T. Suabedissen, city clerk-treasurer.

COMING DOWN TO THE WIRE — Incumbent State Representative Don R. Pears, of the 43rd district, is shown as he waits to have his voter registration checked at Buchanan City's precinct 2 in the Moccasin school. Pears won his contest with William Gnodtke by a slim 300 vote margin at the day's close. He was one of more than 1,000 voters in Buchanan who cast their ballots in the primary election. —Record Photo

# Jayshees Serve Luau In Tropical Splendor

Entering thru a torch lit archway, guests of the Buchanan Jayshees were greeted by Islanders and presented with leis welcoming them to a tropical paradise at the Gary Clevenger residence.

Guests numbering about 40 gathered Saturday evening for the annual August outing of the Buchanan Jayshees given for Buchanan Jaycee members and life members and their wives and guests. Arriving from Caladonia were Mr and Mrs Ron Fernwalt.

David Goldberg, Mrs. Gary Clevenger and Mrs. Michael O'Bryen.

### Jayshee Organization

The Buchanan Jayshees is an organization of young women interested in civic improvement whose husbands are members of Buchanan Jaycees. The Jayshees was formed as a club to assist the Jaycees in many of their community oriented projects, such as the Miss Buchanan contest, the car safety check, and almost anything in which they are asked to assist.

Projects that the Jayshees have sponsored in recent years have included the Mothers' March of Dimes, the babysitters clinic, and the hearing and vision clinic for preschool children.

### MICHIGAN MIRROR

## City Tax Has Problems; Future Dim For Citizens

By Elmer E. White  
Michigan Press Association

Demands for more city services have forced nine Michigan municipalities to adopt a city income tax. Other cities are sure to follow suit. The income levy has been found to be an effective means to raise needed revenue without adding burden to property taxes.

Taxation of income by local government, although not used in Michigan until Detroit's adoption in 1962, actually began in 1939 in the District of Columbia, notes Avon M. Dreyer, professor of Economics at Central Michigan University. By the end of 1967, some 171 cities in eight states had begun to levy income taxes.

Uniformity of a sort was provided by the 1964 City Income Tax act. The legislation permits municipalities to levy a flat rate one percent tax on

residents and one-half percent on non-residents working within the city limits. Other provisions deal with business and industry profits. The act was deemed necessary to prevent a wide variation in bases and rates and to control maximum rates established by cities.

Cities have found the income tax somewhat difficult to administer. Critics charge that it is an "upside down income tax," based on the inability to avoid rather than the ability to pay. While it is comparatively easy to determine city residents, enforcing the tax on "outsiders" can be difficult.

Non-resident taxpayers must pay only that portion of wages earned within the city. Employees hired on a contract basis, or those with more than one place of employment present difficult problems. Renters who work outside of the city present other problems. Statistics on the amount of non-taxable insurance, annuity, and retirement income are not readily available. Corporate profit figures are not published on a local basis.

These problems and others make the city income tax costly as well as difficult to collect. A study of Mt. Pleasant in 1966 indicated that the collection cost would run as high as 13 percent a direct reflection of the need to establish a separate tax office, staffed by competent personnel.

The blow of a city income tax may be softened by two factors: a reduction in property taxes and a legal deduction against both state and federal income taxes.

Any property tax reduction depends upon the action of city government when the income tax is adopted. A substantial reduction was granted to Lansing residents, but the tax expert cautions that a city adopting the tax probably does so to wipe out deficits or increase service. In most instances, it is the school rather than the city which accounts for the major burden on property.

Dreyer notes that city tax reduces the taxable income for state and federal purposes. For example, a married man with two children who earns \$10,000 a year and is taxed \$70 at the city level would find his state and federal income taxes reduced by \$29.66. The "real" cost of the city tax would be \$40.34.

The tax is not a popular one, and ten percent of the voters can bring it back for voter reconsideration. Dreyer reminds that the tax is one of the very few ways cities can meet demands for more services with present revenue.

### Judicial Salaries

Judges in Michigan are among the highest paid in the nation, according to the American Judicial Society. A comparison indicates that Michigan Supreme Court Justices, who receive \$35,000 per year, are the fourth highest paid in the nation. New York pays \$3,500, Pennsylvania and Illinois pay \$37,500. All four states have seven high court judges. Michigan had eight until Justice Theodore Souris resigned earlier this year.

"Average salary" for state supreme court justices is \$24,640. The lowest pay is in Wyoming, Utah and Oklahoma. Judges there receive \$16,500 per year. Compensation for "intermediate" Appellate Court judges shows the same variation. New York, \$33,500 to \$40,000; Penn-

sylvania, \$35,500; Illinois, \$35,000; Michigan, \$32,500; Arizona and New Mexico pay the least, \$18,500 per year. The average salary across all states is \$27,118.

## Mrs. Litke Top As Vote Getter

Mrs. Judith Litke, GOP candidate for the nomination of county register of deeds, was the top vote getter in the contested races in Tuesday primary election.

She polled more than 11,000 votes. Forrest "Nick" Jewell, candidate for Sheriff on the Republican ticket, was second with 10,613.

In the uncontested nominations on the county level, incumbent County Clerk, Forrest Keitel, proved the best vote puller, he garnered more than 11,800. Drain Commissioner Hazen Hunt and Surveyor G. Lynn Wightman polled 14,500 and 11,111 votes respectively. Both are Republicans.

In the closest race of the day, William C. Heyn won the GOP nomination as treasurer. Ed Mundak was second and Mrs. Carol Sockman placed third. Heyn had 5,709 to Mundak's 4,567. Steckman polled 4,243.

Ronald J. Taylor won the GOP nomination as prosecuting attorney with 13,032 votes. There were no contests on the Democratic ballot.

DEVELOPMENT TESTING — Carol Hamilton, who will be a freshman come September, is shown taking part in a new educational development testing program at Buchanan high school. The test battery is being given during the summer to eliminate class interruptions during regular school hours. Three sessions, each 3 1/2 hours long are required to complete the battery. The testing will be held for the second time on Aug. 19, 20, and 21, for those students who were unable to take part during the first three days of this week. —Record Photo

## Hailey's "Airport" Book Club Review

"Airport" by Arthur Hailey was reviewed by Mrs. E. E. Mallory at the Monday afternoon meeting of the Buchanan Book club at the home of Mrs. Robert Wells of West Bertrand Feak, Niles.

Hailey's novel about situations that could happen at O'Hare airport during a violent and unceasing snowstorm has been on the best seller lists for a number of weeks and was serialized in a leading women's magazine earlier this year.

Mrs. F. E. Stout, announced the next meeting will be with Mrs. G. Vanderberg on Sept. 16 at her home at Indian Lake. The Sept. 30 meeting will be with Mrs. Maynard McKinnon.

## HURT

Bend, a passenger in the Burkart auto. They were treated and released.

Two other passengers in the Burkart auto were not injured.

Mrs. Briney will appear in the court of Justice of the Peace Harold Jackson to answer the summons.

## Local Weather

Weather was hot and muggy at the week's close as rain fell to the north of Buchanan and brought only very humid air to the city.

The week's high was Tuesday, with 99 degrees, and the low of 49 was recorded Thursday, Aug. 1.

### ONLY OTHER

James Monroe was the only president in our history other than George Washington to be unopposed for a second term. Only one dissenting electoral vote was cast against him, and this was cast because it was felt that no other American save Washington should ever enjoy the distinction of an unanimous vote.

A REAL REWARD — Don Witt, left, and John Gorbitz enjoy a piece of watermelon following the Braves' victory Saturday over the Cubs in the Pony League tournament championship Thompson's Foodliner made watermelons available to all Pony Leaguers at Centennial park and team managers found their players not at all bashful when the melons were cut. —Record Photo

## "Shunpiking" New Sport For State Drivers

Sightseers and other visitors to Michigan who really want to see the Great Lake State should get off those beautiful freeways and on to the side road—where the traffic action isn't, the Michigan Tourist Council advises.

In participating in the "shunpiking" experiment, the Michigan tourist office offers a few suggestions:

1. Take along a map, but use it only in emergencies.

2. Use a car compass and surmise your passengers with wonderful feats of navigation.

3. Don't set a rigid time table and, at the same time, keep your arms and legs from becoming rigid by getting out and stretching whenever you feel like it.

4. By all means, use your camera.

5. Keep a log of your trip.

6. Pack a snack of pre-packaged foods—just in case.

Literature describing Michigan's many places to go and things to see is available without charge from the Michigan Tourist Council, Lansing, 48926.

# Training Begins With Breathalyzer Machine

One of the largest police training courses ever conducted in the state of Michigan has recently been concluded at Michigan State University's Highway Traffic Safety center at East Lansing.

In support of the state's Implied Consent law, 946 state, municipal and county police officers have been trained and qualified as Breathalyzer operators by the Department of Public Health.

The Implied Consent law, effective Nov. 2, 1967, states that drivers operating a motor vehicle in Michigan must consent to a chemical test for blood alcohol content if arrested for driving under the influence of intoxicating liquor (DUIL). The law also states that a suspect has a right to demand that only a breath test be given.

To comply with the breath test provision of the law, a mammoth training program was begun last fall to provide a sufficient number of breath test operators throughout the state in as short a time as possible.

The 40-hour plus program was jointly operated by the Department of State Police, the Department of Public Health, the Law Enforcement Officers Training Council and Michigan State University.

In addition to the technical aspects of breathalyzer operation (the breathalyzer is a widely accepted breath testing instrument in courts of law), the officers received instruction in such areas as the pharmacology and toxicology of alcohol, legal implications of chemical testing, case preparation and role of the drinking driver in our society.

Some studies have indicated that upwards of fifty percent of drivers involved in fatal accidents had been drinking to some extent.

According to William E. Barber, course director and specialist in traffic law enforcement for the Highway Traffic Safety center, the number of arrests for DUIL have shown a marked increase since passage of the law and the license appeal boards have consistently upheld the section dealing with loss of licenses for those persons refusing to take a chemical test.

In all, 384 state, 388 municipal and 167 county police officers were trained. In addition, two classes, totaling 29 state police officers were trained as operator-inspectors. These officers will tour the state inspecting and maintaining the Breathalyzer instruments.

While the present series of training courses has been concluded, it is expected that the program will resume in the fall in order to keep DUIL enforcement levels at peak efficiency.

JUST A BREATH AWAY — State Police Trooper Louis Fitzzell of the Niles post shows the mouthpiece for the Breathalyzer, a machine which enables the operator to determine the degree of intoxication of a suspected driver. The officer indicated that 15 alcohol content after the test is considered legally drunk. Failure to submit to the test can mean suspension of driving privileges. —Record Photo

**Men in Service**

Specialist 5 William Dale Thomas is home from Saigon, Vietnam, and is visiting at the home of his parents, Mr. and Mrs. William Thomas of 1530 Bakertown road.

On Aug. 30 he will report for duty at Fort Stewart, Ga.

A 1 1/2 ounce jar of red cinnamon candies makes about 1/4 cup. The candies are good to use with apples — baked, coddled or steamed. Usually the candies are melted in the sugar syrup to be used with the apples.

**How Valuable Is Local Newspaper Advertising To Local Business People?**

Here's What the American Bankers Magazine Has To Say:

"No business man or woman in any town should allow a newspaper to go to press without his or her name and business being mentioned somewhere in its columns. This does not mean you should have a whole, half, or even a quarter page advertisement in each issue of the paper, but your name and address should be mentioned, if you do not use more than several inches of space.

"A stranger picking up a newspaper should be able to tell what business is represented in a town... it's the best possible town advertiser. The man or woman who does not advertise does an injustice to himself or herself and definitely to the town."

**Sgt. Galloway Named New Area Air Force Recruiter**

TSGT Edward J. Galloway has recently been assigned to the Buchanan area as recruiter for the U. S. Air Force. His office is located at 204 S. Main St., South Bend.

Sgt. Galloway will be visiting the Buchanan area on a weekly basis to discuss career opportunities offered by the Air Force with local young men and women.

Galloway is a recent graduate of the Air Force Recruiting school at Lackland AFB, Texas. Prior to entering the school, he served as a career counselor for the medical unit at Westover AFB, Mass.

The Sergeant is a veteran of sixteen years service with the Air Force and has traveled extensively throughout the Far East. He has been in the field of medicine since joining the service, serving as a combat medic during the Korean War and as a Flight Medic during

**494 Books On "Book Tree"**

A total of 494 miniature books were placed on the "Book Tree" at the Buchanan Public Library during the past month representing the same number of books which were read by the 63 young people registered in the Vacation Book club.

# Search Goes On For Hit And Run Driver

Members of the Berrien County Sheriff's department renew their search for the hit-and-run driver who apparently caused the death of 24-year-old Francis Kane in the late hours of July 4.

Kane died at Niles' Pawating hospital after being struck by a speeding driver on Red Bud Trail near the Riverside Inn.

A suspect had been arrested less than two hours after the incident. He was lodged in the Berrien County jail on another charge. He is continuing to serve a sentence on that charge in the County jail.

Later in the same day, members of the Michigan State Police crime lab scoured the suspect's car for evidence of his involvement in the death.

A crime lab report, released to the Sheriff's office during the last week, indicates the suspect could not have been involved in the death in the car which was impounded by Sheriff's officers.

Their investigation included a detailed inspection of the front end of the suspect's auto as well as a minute inspection of the victim through photographs taken by lab technicians.

According to investigating Deputy Richard Heminger, Kane and his uncle, Clell Horner, had been in the Riverside Inn shortly before midnight, Thursday, July 4, when Kane was told that someone was in his boat which was moored in the St. Joseph river, less than a block away.

At shortly before 11:55 p.m., Kane and Horner left the Inn and started toward the mooring. Kane running, Heminger said Horner reported later that a car, northbound on Red Bud Trail swerved into view, crossed the centerline of the road and hit Kane. Horner said the car then sped out of sight.

Taken to Pawating hospital, Kane died of cerebral injuries, despite efforts of doctors to save him.

**"Recreation" Sets Regular Meeting Dates**

Representatives of the Youth Council's "Operation Recreation", the fledgling youth organization in Buchanan presented their constitution and by-laws to the city's Park and Recreation board Thursday, Aug. 1.

The Council also expressed its need for a building.

The reception given to the statements and proposals of the group by members of the city board were described as "encouraging", and plans to deal with the request are being formulated.

With the encouragement, temporary officers and committee members within the Council will be meeting weekly in the Jaycee hall, located above the Roti Roti store on Front street.

The next meeting will be Sunday, Aug. 11 at 7:00 p.m.

Dance Scheduled

Plans were announced Tuesday for a teen dance to be held at the Buchanan high school tennis courts on Saturday, Aug. 10, from 8:30 to 11:30 p.m. Proceeds of the dance will go to the Youth Council's "Operation Recreation" program.

Music for the event will be provided by a new local aggregation known as "Filth, Dirt and Squalor". Members of the band include: David Smith, drummer, Rick Nelson, lead guitar; Mike Mitch and Dave Newsome, second guitars. Newsome also serves as vocalist for the group.

**BHS Class of 1932 Reunion Saturday**

Buchanan high school Class of 1932 will hold a reunion Saturday, Aug. 10 at the American Legion home.

Several class members meeting at the home of Mrs. Pauline VanEvery Jesse formed the plans for the reunion.

The American Legion home will be the setting with a social hour from 5 to 7 p.m. followed by a dinner and program.

Phillip R. Hanlin will be toastmaster and Mrs. Teresa White Zelder will be in charge of the dinner and table arrangements.

Members of other classes closely associated with the Class of '32 were invited to attend.

Other members of the reunion committee are Mrs. Marie Post Templeton and Mrs. Zelde Frank Shapiro, both of South Bend, and Mrs. Marjorie Sands Cramer and Mrs. Alma Shaffer Stewart.

**Hot Springs National Park in Arkansas is a government-maintained health resort.**

**POORMAN UNOPPOSED Chase Wins In District Race**

Ernest Chase of Gallien won over a field of three Republicans to gain that party's nomination as district supervisor of the 18th District in Tuesday primary election.

In Buchanan, Frank M. Poorman, running unopposed, was nominated as district supervisor on the GOP ticket in District three, which includes Buchanan city and township.

Chase piled up a 124 vote margin over second runner, former county GOP Chief, Leo Buckley. Chase polled 361 votes, Buckley 237, and third running Earl Brownfield had 126.

District eighteen includes Gallien and Bertrand townships and portion of Niles township.

In November, Chase will face Democrat Jess Whiting, who polled 80 votes. His opponent was Wayne R. Stevens who ran a close second with 77 votes.

Chase, 37, has operated a tax accounting office for the last 12 years in Gallien township and served as township building inspector and Gallien village clerk before seeking the Dist. 18 post. He and his wife, Joy, have five sons.

Whiting, who is 48, lives in Niles township and is employed by the Stewart-Warner Corp., Chicago. He is chairman of the Niles Area Planning commission and a member of the Niles township zoning board of appeals.

He and his wife Lurline have been residents of the area for the last 18 years. They have three grown children.

Mrs. Merrill Coonfield

### Capt. Coonfield and Bride Honeymooning in San Juan

Captain Merrill Gene Coonfield and his bride the former Miss Vivyan Lee Heath of Richmond, Va., are honeymooning in San Juan, Puerto Rico, following their marriage Saturday in Lee

Cape Charles, Va., and the bridegroom is the son of Mr and Mrs. Meile Coonfield of 205 Clark St.

Escorted by her brother, Hensel Heath, Jr., the bride was attired in a floor-length gown of white Chantilly lace over taffeta fashioned with a fitted bodice styled with scalloped square neckline and long sleeves tapering to bridal points. A full chapel train flowed from beneath the back neckline. A crown of lace and pearls, accented by four bows, held her bouffant veil of silk illusion and she carried a cascade of white roses.

The matron of honor was Mrs. Ronald Dull of Cape Charles. Bridesmaids were Miss Ann Williams of Richmond, Mrs. Lynn Elliott of Petersburg, Va., Mrs. Kenneth Zeschke of Carpentersville, Ill., and Mrs. Bob Wilson of Bloomington, Ill.

Richard Coonfield performed the duties of best man for his brother. Ushers and members of the honor guard included Dale Chubb of Buchanan, Joe Harp, Captain James Garvey of Fort Bragg, N.C., Captain Jim Jackson of Colonial Heights, Va., Captain Brooks Nichols, Captain Lynn Elliott, Lieutenant Stephen R. Morgan, Lieutenant Mel Marini, Lieutenant Charles L. Garlan, Captain James Johnson III and Captain Robert Aiesello of Fort Lee.

Following the ceremony, a reception was held at the Officers' club.

The bride is a graduate of Northampton, Va., high school, and Smith-Deal Massey Business college in Richmond. The bridegroom, a 1958 graduate of Buchanan high school, graduated from Western Michigan university in 1963.

On returning from their wedding trip, the couple will reside in Petersburg, Va.

Mr. and Mrs. Linden Reed

### Niles Church Setting For Siekmann-Reed Wedding

Baskets of yellow and white gladioli and chrysanthemums graced the altar of St. Paul's Lutheran church in Niles Saturday for the marriage of Miss Theresa Elaine Siekmann and Linden Zane Reed of Niles.

The Rev. Theodore Laesch officiated at the four o'clock double ceremony.

Nuptial music was played by the church organist, Mrs. Theodore Laesch.

The bride is the daughter of Mr. and Mrs. Theodore F. Siekmann of 2215 Oak Forest Rd., and the bridegroom is the son of Mr. and Mrs. Vernon V. Reed of 2109 Kathryn, Niles.

Escorted by her father, the bride appeared in a gown of imported Chantilly lace over nylon net and taffeta. The Basque bodice was designed with a scalloped neckline and long sleeves and highlighted with lustrous sequins. The bouffant skirt was formed of tiers of ruffles and a full chapel train flowed from the shoulder line of the gown. A pillow of white lace trimmed with iridescent sequins secured her elbow-length bouffant veil of silk illusion and she carried a cascade of gladioli and white roses.

A reception was held in the church parlors immediately following the ceremony. Guests were later received at a 6:30 o'clock buffet at the home of the bride's parents.

The bride is a 1965 graduate of Galien high school, is employed by Metalform, Inc. The bridegroom attended Niles high school and completed high school.

# Yankees, Braves Top Action In Pony League

With a week of tournament play, the Pony League action for the summer season has drawn to a partial close with two teams sharing honors.

The Yankees gained the title of season champs by virtue of their 82 record in circuit play. With their win Saturday, the Braves were named tourney champions. They defeated the Cubs 3-2.

## Tourney Results

The Yankees took the first victory in the week of tournaments, as reported in last week's Record, with their 7-1 win over the Cards. Duane Zdenahlik was the winning pitcher in that contest.

On Tuesday evening, the Cubs met the Tigers and came away on the high end of a 43 score. George Dietzler took the win in seven innings while Mike Travis was tagged with the loss. The Cubs had four runs on six hits and committed four errors. The Tigers scored three runs on five hits and made four bobbles in the field.

On Thursday, Aug. 1, the Braves met the White Sox in the tourney's third contest. They topped the Sox 2-1 in seven innings. The Braves tallied two runs on five hits, committing one error while the Sox had one run on six hits. They

had two errors. Gary Mullins was the winning pitcher and Harlan Vastine took the loss.

As the result of a drawing, the Cubs gained a bye to the finals and the Braves went on to a semi-final contest with the Yanks.

On Thursday evening, the Braves topped the Yankees, 2-1, with Ron Aalfs credited with the win and Duane Zdenahlik charged with the loss.

## Semi Final Play

The game got underway as a pitcher's duel with Duane Zdenahlik on the mound for the Yankees and Ron Aalfs on the hill for the Braves. With the pitching and fine defensive play on both clubs, no runs were scored until the fourth, when the Braves scored in the top half on a hit by Ron Aalfs who stole second, took third on a passed ball and scored on a sacrifice fly by Gary Mullins.

The Yanks came back in their half of the inning with Dickow safe on first on a fielder's choice, stole second and scored on a hit to left field by Duane Zdenahlik.

From this point, pitching and defensive work took over until the top of the eighth inning.

In the upper half of the frame, the Braves' Mike Frost was safe at first on an error,

went to second on Ron Aalfs sacrifice and scored on Gary Mullins two-base hit bringing the score to Braves 2, Yankees 1.

In the bottom of the eighth, the Yankees threatened with two men on and two away, but failed to make good the threat.

At game's end, the Braves had two runs on nine hits and one error, the Yankees, one run on three hits and two errors.

## Championship Match

In Saturday's championship contest, with the Braves matched against the Cubs, Bob Aalfs led off in the bottom of the first frame for the Braves with a walk, went to second when John Gorbitz was hit by a pitched ball and took third on Mike Frost's grounder to first. He scored when Ron Aalfs hit a short fly to center field.

The Cubs failed to score until the fourth inning when they marked two tallies with a hit by Mike Wesner and a triple by George Dreitzler, which scored Wesner. Dreitzler scored on Mark Rohde's infield out.

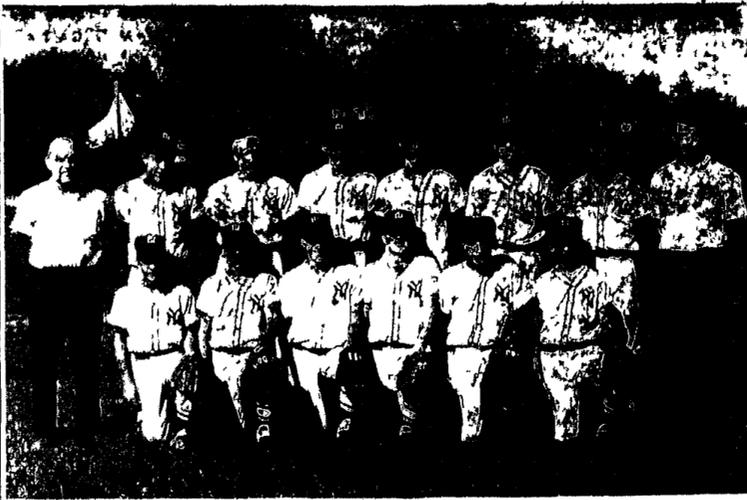

The score remained Cubs 2, Braves 1 until the Braves tied it in the fifth when Tom Castle, reached first on an error, took second on Bill Walkden's single and scored on Bob Mosier's hit, aided by an error.

The Cubs failed to score in the sixth and seventh innings and in the last of the seventh, the Braves scored the winning run when Castle took first on an error, second on Walkden's bunt single and scored on Mosier's sharp single to right center.

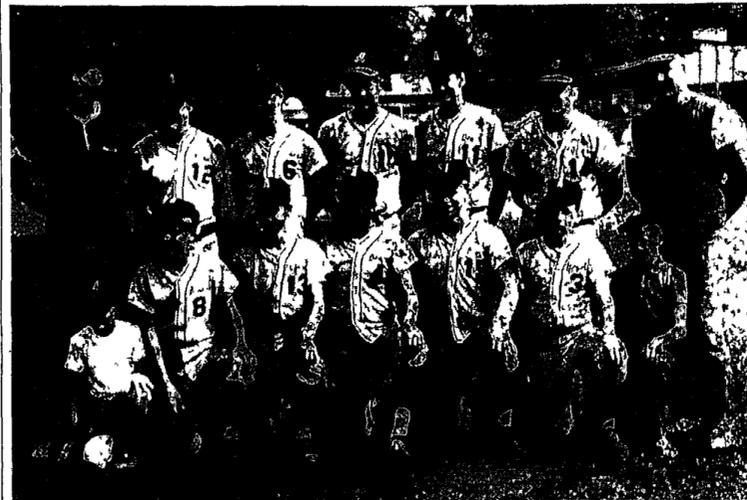

The Braves scored three runs on six hits and no errors while the Cubs wound up with two runs on three hits and three errors.

## Trophies Set

Trophies for both the Yankees and the Braves will be presented at Memorial Field, Sunday, Aug. 11, when the managers in the Pony League take on the 15-16 year olds. That contest

SEASON CHAMPS — The Yankees, finished their season with a 8-2 record for top honors in the Pony League. Shown kneeling, from left, are Eric Morrow, Ray Hartline, Tom Leidy, Randy Jackson, Rick Riggins and Mike Marazita. Standing, from the left, are Coach Frank Zdenahlik, Gary Dickow, Duane Zdenahlik, David Zdenahlik, Neil Blevins, Jeff Wood, Mark Cornwell and Jim Wolford, Yankee assistant coach.

TOURNAMENT CHAMPS — Winners of the Pony League tournament held last week were the Braves, under the direction of coaches Gene Aalfs and Kenny Weed. Shown kneeling from the left are Rodney Weed, Don Witt, Bill Walkden, John Gorbitz, Gib Mattson, Bob Aalfs and Denny Batchelor. Standing, from left, Coach Aalfs, Bob Mosier, Gary Mullins, Ronnie Aalfs, Mike Frost, Tom Castle and Coach Weed.

will get underway at 5:00 p.m., following the presentations.

After the Saturday contest, watermelons were provided to all Pony League players by Thompson's Foodliner.

The League officials were full of praise for their sponsors in the league, for their help with contributions and equipment.

The officials also had special thanks for Paul Thompson who donated food and supplies for the League's spaghetti dinner and Louie Horvath for his preparation and assistance at the supper. The Ralph Rumbaugh Post 51, American Legion, made their facilities available to the League for the supper.

## Special Game Slated For Pony Leaguers

Managers of Pony League teams will meet 15 and 16 year old members of the various teams in a special game Sunday, Aug. 11 at Memorial field. The action is scheduled to get underway at 5 p.m. Just prior to the game, trophies won by the Yankees and the Braves, season and tournament champions, respectively, will be presented by League president, Gene Aalfs.

## Desenbergs Hold Lead In Softball Circuit

Desenberg's continues to hold the lead in the Buchanan Men's Softball league with a 9-2 record. Close on their heels are the Clark nine with an 8-2 count.

On Wednesday, July 31, Desenberg's met Neal's Auto Parts and came away with a 3-0 victory. Fine defensive play by Al Taylor, Chet Patton and Roger Spaulding backed Lou Desenberg's shutout pitching. Dick Proud led the attack for Desenberg's with three hits in four trips to the plate.

In a double header, following the lead-off game, Clarks split a pair with Gambles, winning the first game 12-8. In the nightcap, the Gambles men came back to beat Clarks 15-8.

According to Bud Pelley, co-manager of the Managers with Aalfs, a practice session for the Managers will take place at Memorial field, Friday at 5:30 p.m.

Ty Hasen and Ken Weed will serve as managers for the Pony Leaguers. Umpires for the Sunday match will be Ernest Sadler and Bob Taylor.

Geof Lyon came away with two home runs in the first game of the pair and Dick had a triple for the Clark nine. Tim Hoyt led Gambles' hitting.

Gambles exploded in the second game with six runs in the first inning and five in the second. The big blow of the game was a grand slam homer off the bat of Dick Zelter. Jim Prenkert was the winning pitcher.

In action last Monday evening, Clarks was back on the winning trail, taking a victory over the Jaycees, 12-4. Clarks scored nine runs in the first inning and coasted to an easy win. Denny Garcia and Jack Toffelmire hit two doubles each in the first to lead the attack.

In the evening's second match, Desenberg's downed Gambles 11-4. Reg Bellaire, D E Wood and Don Patton led an 18 hit attack against Gambles. Patton hit a home run, a double and two singles and drove in four runs. Desenberg was the winning pitcher.

BEATS OUT HIT — Chuck Falkenstein is off and running on a hit made Friday night in a contest between Brownfields of Buchanan and Hamms of Niles. Brownfields took a loss, 5-4, with Jim Crouch tagged with the defeat on the mound. The Buchanan based team winds up the season in the Niles City Softball league with a 12-4 record. With only one game of the city championship out of the way, Brownfields took a loss Saturday from Hamms, 5-3, in the double elimination event. Remaining games in the playoffs will take place later in the month because of District playoffs which got underway Tuesday at Niles.

WITH LOVING CARE — The pride of the Roy Foster antique farm machine force is this ungainly looking steam-driven field tractor built in 1921 in Mt Vernon, Indiana. It develops 19 horsepower with more than 150 pounds of steam per square inch. It is in almost daily use on the Foster farm, on the Second Street road, west of Galien, either to run a buzz saw arrangement or to take care of extra-heavy pulling jobs. Foster is a member of the LaPorte County Historical Steam society, a group of buffs dedicated to the preservation of the relics from bygone days. —Record Photo

FROM OUT OF THE PAST? — Not hardly, this picture was taken early in July on the farm of Roy Foster, on the Second Street road, 1/4 mile west of Galien. Foster and a group of his friends, all members of the LaPorte County Historical society followed an ancient binder through the field, hand shocking the wheat as they went. More than 285 shocks dot the six acre field. Foster is shown putting the final top on the last shock. —Record Photo

## Steam Monsters Stir The Heart of Galien Farmer

By DAVE SCOTT

While area farmers had their modern, mechanical monsters in the fields baling the summer crop of wheat, one farmer and a group of his friends were busy with an ancient binder, cutting and hand shocking their grain.

For Roy Foster who lives on Second Street road, one-half mile west of Galien, it was an experience he had wanted to try for some time. This year he did it.

Foster and several members of the LaPorte County Historical Steam society, including its president, Donald Schwenk, followed behind the 1917 Deering-Ideal binder, hand shocking more than six acres of wheat.

When they were finished, the field was alive with 285 shocks, and a sight that could have been a picture from a history book.

Foster reported about a 40 bushel per acre yield. But hand shocking wheat is Foster's second love—his first is an insatiable love for old steam driven or antique farm equipment—and his barn is a veritable museum.

As the large double doors open, you are confronted on one side by the old binder, a pair of gas driven tractors, circa 1923, and a water wagon which he proudly points out he rode on as a boy. Foster is 47 years old.

Behind the old water wagon is an antique McCormick-Deering threshing machine. The marvel of it all is each piece of equipment is in working order and used, from time to time, on the Foster farm.

Near the center of the barn, in a loft, is a set of sled runners. "They're beauties," says Foster, "and they get a good workout when we have a decent snow." But, you can tell by his tone the pair of runners he's talking about now are the Sunday go-to-meetin' runners. On the floor nearby are a pair of runners you suspect are the real work-a-day set.

Perhaps his proudest possession is outside the barn where it is still used on a regular basis.

It is a huge, heavy, and cumbersome looking steam driven engine, made in Mt Vernon, Indiana in 1921. To look at it, standing at the ready beneath its large, overhanging canopy, you would imagine the need of several men to get it going, let alone to keep it running.

"Not so," says Foster, "why, my 17-year-old son Ted, can get her going and keep her going—all by himself."

When it is going full tilt, the engine develops 150 pounds per square inch of steam.

A second son, John, 20, is serving with the Air Force at Lowery Air Force Base in Denver. He, too, shares his Dad's interest in the steam machines.

Foster speaks of the ungainly looking machine in almost caressing tones, as if the machine might rattle at a harshly spoken word. As you survey the heavy steel plating and its solid riveting, you can almost imagine the days of grandeur it enjoyed as it lumbered across wide fields in its heyday. It's impressive to look at, even today.

"This steam engine," says Foster, "and twelve others like it, will be used to run the separator to thresh the wheat we have shocked up in the field."

All this takes place at the twelfth annual LaPorte County Historical Steam society's show set for Labor Day weekend, Aug. 10-11 and Sept. 1-2, at Heston, Ind.

How do you get a monster like this across country. "Simple," said Foster, "we use a low-boy trailer and it's a snap."

"We tried to drive back from Heston one year," he recalled. "We drove the eleven miles in a little over five hours." One sees right off the need for the low-boy.

"We'd like the public to come down and see this magnificent machine and its comrades in action," invited Foster.

And, we thought as we made our way back to the office, the men and their magnificent machines might be a sight worth seeing.

## Brockman-Lyon Vows Spoken Saturday in Lake Orion

Geoffrey Dale Lyon and his bride, the former Miss Lynne Kay Brockman of Lake Orion, exchanged marriage vows Saturday in St. Joseph's Catholic church in Lake Orion.

The Rev. James Mayworm officiated at the 1:30 o'clock double ring nuptial ceremony performed before an altar graced with baskets of white gladioli.

The bride is the daughter of Mr. and Mrs. Louis Brockman of 985 West Clarkston Rd., Lake Orion, and the bridegroom is the son of Mr. and Mrs. Theodore R. Lyon of 103 Clark St.

Given in marriage by her father, the bride appeared in a floor-length gown of white organza over taffeta styled with a high rise waistline and elbow length sleeves. Pearl frosted Alencon lace trimmed the bodice and wide banding of lace accented the skirt and detachable chapel train. Her chapel length veil of silk illusion was secured by a petal cap of taffeta accented with pearls and she carried a colonial bouquet of pink and white daisies and pink rose buds. She also wore a diamond pendant which was a gift of her bridegroom.

As her sister's maid of honor, Miss Sandra Brockman, was attired in an eased A-line gown fashioned of white ottoman. The

empire bodice was styled with a rolled collar and banded with a rose satin mesh. Her headpiece was a circlet of pink and white daisies and she carried a nosegay of the same flowers.

The bridesmaids, Miss Janet Peterson, Miss Linda Barnes, Miss Sue Gervais and Miss Anita Zucchet, wore costumes identical in color and fashion detail to that of the maid of honor and each carried a similar bouquet.

Lee R. Lyon of Buchanan served as his brother's best man.

Ushers were H. Bruce Baker of Ann Arbor, brother-in-law of the bridegroom, Chris Brockman of Lake Orion, brother of the bride, David Mehren of Buchanan, and Roger Manlin of Ann Arbor.

Guests were received at the home of the bride's parents.

The bride is a June graduate of Michigan State University. The bridegroom, a 1963 graduate of Buchanan high school, is a 1967 graduate of Michigan State University. He is affiliated with Phi Delta Theta fraternity.

Following a wedding trip to Acapulco, Mexico, the couple will reside in Kalamazoo where the bridegroom will attend graduate school at Western Michigan University and the bride will teach, elementary school.

## Local Youth Attends Western Orientation

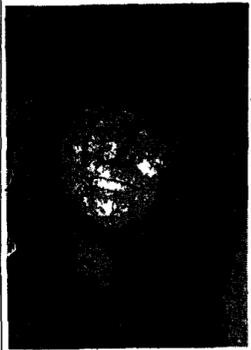

Paul Frank Marazita, son of Mr. and Mrs. Paul Marazita of 522 Liberty St., recently attended orientation for new freshmen on the campus of Western Michigan University.

While on campus, students live in WMU residence halls, take a battery of tests, meet with their counselors, and register for classes.

Additional orientation will be held before new students begin their first classes Sept. 4.

## Engagement Announced

Mr. and Mrs. Sam Goodman of 2335 Sage road announce the engagement of their daughter,

Miss Ramona Goodman

Ramona, to Steve Quick, son of Mr. and Mrs. Gordon Quick of 304 Tene Coupe.

Both are 1967 graduates of Buchanan high school. Miss Goodman is at present employed by the Social Security Administration in Benton Harbor and is planning to return to Lake Michigan college in the fall.

Her fiance is employed by Clark Equipment company and is returning this fall to Tri State college in Angola, Ind. He is majoring in engineering. No date has been selected for the wedding.

## Mrs. Snelson Weekly Queen

Mrs. Paul Snelson was named queen of the week Thursday afternoon when the Go-Downers TOPS club met at the Oronoko United Methodist church. Mrs. Donald Trull, leader, conducted the meeting attended by 11 members.

Club members voted that no fines be assessed for weight gains during the month of August, but each member is to take to every meeting this month a dietetic food item not more than 50c in value. These food items will be divided among the weight losers for the week.

The club will meet this afternoon (Thursday) at the Oronoko United Methodist church with weigh in at 1:30 p.m.

## "Rocks and Minerals" Topic at Fernwood

"Rocks and Minerals of Michigan" will be the subject of a lecture sponsored by Fernwood's natural science committee in the Meeting House on Range Line road Friday night, August 9, at 8 p.m.

Buchanan Church of God Summons New Minister

Answering a call to his first pastorate is the Rev Raymond Basore, who recently came to Buchanan to serve the Church of God
Formerly a sixth grade teacher in the Bedford township school district, near Temperance Rev Basore will be teaching in the Buchanan school system
In his home town Flint, Rev. Basore attended Flint junior college and graduated in 1961 from Toledo university, Toledo, Ohio with a bachelor of education degree with a major in social studies
He has taught elementary grades in Toledo and Oregon,

expense occurred being under written by the community. We also understand that the people of Clarendon Hills are proud of their project and are relieved of an overshadowing fear that many of us in this town have that ambulance service will not be available when sorely needed. The details as to how Clarendon Hills operates certainly could be ascertained if our Buchanan officials were to make inquiry
Certainly this is something we feel merits your help in bringing to the attention of the people of this community and in moulding public opinion

Dear Mr Herman and Staff
I received your letter and the maps I had requested and was surprised as the paper stated that they were for sale.
I wish to thank you and your staff for sending them to me and I am truly grateful for the quick response to my letter and to Mrs Olive K Michner for taking time to write the letter to me.
I am sorry that my response to your letter wasn't as quick as yours was to mine but at the present time we are in Kaohsiung, Taiwan and we have been having quite a few tropical storms and typhoons in this area. During these storms the wind and sea can be extremely swift and deadly and there is much work to be done by all hands so one's time for leisure is extremely limited. However, the storms, at least in this area, have subsided and things are fairly calm once again.
The USS Piedmont is a destroyer tender, a floating repair facility, which is capable of re-

pairing almost any type of equipment to be found on a destroyer. However, when we are deployed to the Western Pacific we are in a lot of cases the only repair facility in the area and must be extremely versatile. We have performed needed repair work on ships ranging from aircraft carriers to submarines. We have, as a result of our versatility, received the nickname of "CAN DO SHIP" by the fleet. This nickname and reputation was, of course, received many years ago but the men who are her crew work hard to live up to her reputation. She's old but she is still a fine ship.
You wondered how long it took for the Record to reach me. Normally it would take about eight to ten days and sometimes less. I have received the paper in as little as six days but with the weather conditions here in the western Pacific the mail service is somewhat poor and it often takes as long as two weeks to reach me. If we receive a sudden or emergency schedule change and must proceed to some other part of the western Pacific or to Vietnam waters to give emergency repairs to a badly damaged unit (ship) then the mail service becomes even poorer. However, under normal conditions it takes the paper eight to ten days and a letter five to six days to reach me from Michigan.
Thank you again for your letter and maps and when I return home on leave I will stop by the Record office and say "hello."
Sincerely,
Larry F. Herman, RM2

R PINWORMS CAN INFECT AN ENTIRE FAMILY
An itching around the anus may be caused by pinworms. They infect the intestinal tract and lay their eggs near or just outside the anus. The eggs do not hurt anything except when they are swallowed and hatch in the intestines.
Pinworms are so small you can hardly see them. The eggs are transmitted to the mouth by failure to properly wash the hands. They get on the fingers and under the nails. Explain to children the importance of cleanliness. Your physician can prescribe a medicine to eliminate pinworms.

a real VACATION
They had waited for this real vacation—this long trip—for years. But this time it was different, this time he wouldn't be going back to his job.
At first, retirement seemed frightening, like being shut off from the mainstream of life. He had seen too many men age beyond their years, after their career ended. He had no wish to be on the sidelines. He and his wife could have moved to a warmer climate and just have taken it easy. He didn't want that. So, before he left home, he had a long talk with his minister.
He found that there was plenty a man his age could do. Financially secure, he could afford to volunteer for a job. In fact, through the Church there was work he could do that would spread to the farthest corners of the world.
Night now, he is enjoying this vacation. He is savoring every moment of it. Because, when he gets home, he's going to lead a full and useful life. And that's the way he wants it.
THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Mr Caryl Herman, Editor
Berrien County Record
My Dear Mr. Herman:
As you must be well aware, there was a time, not too long ago, when the people of Buchanan knew that if the need for ambulance service in emergencies arose, the service was there without delay. Have you ever stopped to count the number of times dire tragedy has been averted because of the fact prompt ambulance service was available? For many years that service was furnished here in Buchanan and also in many other communities thruout the land by the local undertaker until government stepped into the picture and imposed burdens which made it impossible for local undertakers to longer render such service.
We appreciate the fact that efforts have been made to provide an ambulance service for this county but when emergencies arise requiring immediate hospitalization, delay in the arrival of an ambulance can be fatal. The excuse that the ambulances are serving a wide area and cannot be everywhere at once does not save a life.
We feel that it should be the concern of every adult citizen of this community that adequate ambulance service is not now available and that every effort should be made to provide local ambulance service for Buchanan.
We bring this to your attention because you as a public minded citizen and publisher of a paper which goes into the homes of most of the citizens of this community are in an excellent position to induce the people to do something about it. If a single life is saved as a result of your effort, could you ask for a greater reward?
Two ways to obtain local emergency ambulance service for this community occurs to us. One is for the police or fire department to own and operate, when needed, either a standard ambulance or a smaller vehicle adapted to such purpose. The end would tend to justify the added expense.
The other is for the people of this community to contribute to the cost of an ambulance with volunteers to respond to emergency calls to make the ambulance call. It is our understanding that Clarendon Hills, Ill—a town of practically the same size as Buchanan—has such a volunteer service which is performed without charge to the users and without pay to the volunteers, whatever

**Costume Show At City Park**

It was like a page from a story book with the characters running amuck. It was the Kathryn park costume show which was staged Friday at the city's northwest area park. More than 20 children competed in five different classes with a first and second place winner named in each category. Costumes ranged from a hapless-looking dog to a pre-school flapper with wide, bright eyes. According to Beth Wessendorf, park director, winners in the five classes were: Funniest: Todd Miller, wearing a gray wig, a mid-length pink woman's suit and a blue Eton hat, was the first place winner, looking every bit a "little, old lady." Mike Bumstead was the second place winner. Ugliest: Nick Selkman showed up in a modified Dracula costume with an extremely ugly face mask to win first honors in this division. Charlie Turk was second. Cutest: Capturing first place as the cutest entrant in the contest was Jenny Samson, made up to look amazingly like a flapper of the roaring 20's. Marty Welsh took second place honors. Prettiest: Tammy House was the winner with a Camelot-type medieval dress and Ronnie Veicrussse was second. Original: In the costume of a flower child, Eddie Orris walked off with first place in the class. Vickie Veicrussse was second. The contest is part of a continuing program of planned activities at the city park during the summer months.

**Giants Receive Sports Award**

The Giants of the Little League were named as the sportsmen of the league, according to a recent announcement by Harold "Bud" Mosler, league president. The team, sponsored by the Inter-City bank, won the Sportsmanship award on the basis of information received from league umpires and a poll of the managers, Mosler said. Bob Surch was manager for the team and Pat Casey and Rick Ludke were coaches. The traveling trophy will be on display until next season at the bank. Other winners, in past years, include the Indians, sponsored by Kennedy Motors; the Dodgers, sponsored by Clarks; and the Reds, sponsored by the Indian Hills Community.

**Senior Citizens Hear Don Pears**

Nineteen senior citizens of Buchanan met in the Fellowship room of the Oronoko Methodist church Monday, Aug. 5. An all day rain precluded a planned meeting at the home of Mr. and Mrs. Edward DeSonia. A co-operative supper was served. Don Pears, candidate for reelection as state representative was present and after joining the group at lunch, he displayed a sample of the current ballot. He explained how to properly mark the ballot and discussed his views on the three proposed constitutional amendments. Following the meal, those present were asked to tell either of a particular vacation experience or of an anticipated trip. The group discussed the possibility of making a trip to Lansing to see the legislature in action.

**"Mattress" At Dunes Theatre**

"Once Upon A Mattress", the funniest spoof on the search for a princess ever to hit a stage, opened at the Dunes Summer Theatre Wednesday evening, Aug. 7 and plays for two weeks, thru Aug. 17. A musical based on an old fairy tale, lyrics are by Marshall Barer and music by Mary Rodgers. The production is directed by Nora Tully MacAlvay. A determined queen tries every way to prevent her son, Prince Dauntless, from marrying. The king, unable to sway her, is speechless and communicated in vividly humorous pantomime. Ladies of the court are desperate since none can marry ahead of the prince. Then comes the amazing Princess Winifred, bold, modern, frank, and impulsive. She enters soaking wet after swimming the castle moat in her haste to see the prince. The queen frantically devises a test for her royalty. Will she be able to feel one pea hidden in a pile of twenty mattresses? No, says the queen, she'll sleep peacefully and be sent right straight

back where she came from. The Dunes Theatre is located in Michiana Shores, northwest of Michigan City, Ind. Ticket reservations may be made by calling the box office at 219-872-4395.
