

## Buchanan Sidewalk Days Friday and Saturday

### Hot Lunch Program Planned Thruout System

For the first time in at least recent history, Buchanan school district will have a hot lunch program. The program will be initiated with the beginning of the second week of school in September, and will be available to all grades K-12 thruout the system.

A hot lunch program became a reality Monday night when the Board of Education voted to accept a proposal by Schneider Vending Service. The program calls for pre-packaged lunches, which on the elementary level will be served from food warmers and on the high school level will be dispensed thru refrigerated vending machines.

The program at the high school level will be similar to that which Schneider has already contracted with Southwestern Michigan college. It is not a new program, but its use in high schools in this part of the state is new. Industry has been using vending hot lunch programs for the past four years.

Pressure for a hot lunch program in the system gained momentum last school year, with the PTA's taking a leading role. Consideration of a program was almost dropped for the present time, when it was learned that a typical lunch program complete with kitchen facilities would require a capital outlay of approximately \$110,000 for the bare minimum and in excess of \$200,000 for what architects termed an adequate facility.

Interest in a hot lunch program was revived near the end of the school year, when it was learned that by using vending machines the district could have an adequate program without a large capital outlay for kitchen facilities. The administration was instructed to study the matter, and the board's action Monday night was the result.

Working with Erwin Schneider, president of Schneider Vending, it has been estimated that the only cost to the district will be about \$200 for minor remodeling of the serving area in the high school study hall. Serving areas presently in operation in elementary schools are believed to be sufficient, according to Supt. Pierre Bailey.

The only other cost will be hiring one additional supervisory teacher in each school to work during the noon hour to help in dispensing the food on the elementary level. Bailey estimated that an expenditure of \$250 per school will provide the necessary additional teacher help each year.

Yearly costs for teacher supervision, electricity, etc., will be offset by a 10 cent rebate on gross sales. Schneider has estimated that this could be as much as \$1,200 a year returned to the district.

**Elementary Program**  
Since the high school program will practically take care of itself thru use of coin operated vending machines, the biggest problems to be solved were in the elementary program. That See SCHOOL, Page 3

### Alert City Policeman Apprehends Runaways

Alert police work by one of the new members of the city police department resulted in identification of two runaway girls.

Answering a call to the Zephyr Service station in Skyline Plaza, Officer John Jankowski found two girls in a car, acting in a rather nervous and suspicious manner. When questioned there and at the police station, the girls at first gave phony names and ages, but later admitted that they were only 14 and 16 years old and had run away from their homes in Grayling.

The girls were turned over to custody of juvenile authorities.

### 1 Inch Rain Falls On Buchanan Area

More than 1 inch of rain fell in the Buchanan area during the past week, as temperatures remained in the high 80's and 90's. The new moisture brings to 2.4 inches rainfall for this month.

Daily temperatures and rain fall as recorded by James Lamb at the city treatment plant were

Date	Rain	High	Low
July 13	1 inch	89	66
July 14	sprinkle	80	57
July 15		86	50
July 16		91	54

### Investigate Break-in

Investigation into a break-in at Edmond Chevrolet is being conducted by city police. The business was entered during the night of July 12, although nothing was reported taken. Entry was gained thru a window.

### Penny Plans Grand Opening

Grand opening will be celebrated during Sidewalk Days Friday and Saturday at Penny's New and Used Furniture, announced William "Penny" Pollard, owner.

In observance of the grand opening, Penny is offering door prizes and refreshments, plus special prices on numerous items of furniture.

He opened for business June 10 in new quarters at 306 Short St., after being located on Main street for 2 1/2 years. The new 30' x 50' concrete block building features a brick front and full basement. The main display area for both new and used furniture is located on the ground floor, with the basement being used for display of appliances and reconditioning of furniture.

### Seek Lawn Ornament

City police are investigating theft of a silver ball lawn ornament. The ball was stolen from a pedestal in the garden at the rear of the Gus Fagras residence, 421 West Front, during the night of July 13.

### Baroda Man Injured In Two-Car Crash

Jerry Penlev, 52, of Baroda was admitted to Buchanan Community hospital Sunday afternoon after suffering whip lash injuries and a back strain in a two-car accident. The mishap occurred about 2:40 p.m. on Glendora road, west of Gardner road.

Cpl. Charles Tiefenbach and Deputy Stanley Wolkins reported Penlev's car was struck from behind by one driven by Merlin Sundstrom of Benton Harbor. Sundstrom was driving behind the Penlev auto and reportedly thought Penlev was going to turn right onto Gardner road. As Sundstrom started to pass, Penlev attempted a left turn into a driveway.

### Seek Gunman in Armed Robbery

City police were still searching at press time for the man who held up the attendant at Streifling Oil company early Saturday morning. A masked gunman escaped with \$2,500 to \$3,000 in cash and approximately \$2,000 in checks.

The holdup man was described as 6 feet, 180 pounds, wearing a black jacket and dark pants, dark colored shoes and light brown gloves. He wore a woman's stocking over his head.

Officers Gerald Stocum, Joseph Lockmondy and Edward Belneke reported the attendant, Bob Marsh of 312 Main St., told them he had closed the station and was taking the cash drawer from the register to the safe. He rounded the end of the counter and found a man crouched on the floor with a gun in his hand.

The gunman reportedly ordered Marsh to clean out the safe, and then tied his hands behind his back with a 7-foot strip of adhesive tape. The gunman then fled on foot.

Marsh managed to phone police even with his hands still bound.

The station at the corner of South Portage and Carol Sts. is owned by Roy Stiefing.

### 3 Injured in Truck Crash

Three persons were injured Monday morning when the brakes on a beverage truck failed, reports Chief George Burgoyne. Sr. The mishap occurred on North Portage, south of River street.

William Kurland, 52, of Route 1, Eau Claire suffered whip lash injuries and head bruises, and a passenger, Bruno Kurland, 50, of Eau Claire, suffered a broken left wrist. The men were treated at Pawating hospital and transferred to Mercy hospital in Benton Harbor.

Emmett Nace of St. Joseph suffered a shoulder bruise. The accident involved a delivery truck owned by Twin-City Bottling company of St. Joseph and two pickup trucks. The delivery truck was driven by Lauren F. Kruger of Benton Harbor and the pickups were driven by William Kurland and Kenneth Stover of Berrien Springs.

Chief Burgoyne reported that Kurland and Stover had just turned onto Portage from River when they were struck by the south bound truck. Kruger told the officer his brakes had operated normally all the way from St. Joseph, but when he attempted to stop at the traffic light at River street his brakes failed.

The delivery truck struck the right front portion of the Stover truck and then crashed the rear of the Kurland truck twice before continuing south on Portage. The truck rolled thru the Front street intersection and started up the hill south of Chicago street, before it stopped and started to roll backwards. When the truck finally stopped, it had rolled backwards to the intersection of Front street.

Driver of the pickup, William Kurland, was knocked unconscious when the delivery truck first hit the rear of his truck. When the pickup was hit a second time, Bruno Kurland pulled the steering wheel to the right to avoid crashing head on into a utility pole. The left front portion of the cab struck the pole as the pickup jumped the curb and then traveled into a driveway.

**CUTTING PRICES**—Members of the Sidewalk Days sale committee hold some of the tools of the trade used to cut prices for the annual summer sales event in Buchanan. Local merchants are planning a gala sales event Friday and Saturday, aimed at super savings on quality merchandise. ### Charge Motorists With Careless Driving

Three South Bend drivers were charged with careless driving following their arrest early Sunday evening in Galien.

Deputies Richard Heminger and Richard Aldrich reported they were investigating a complaint that two drivers were drag racing and had almost hit a truck on Main street. The officers reported observing three subjects leave the Town Tavern and then drive off, squealing their tires and swerving their autos.

All three drivers were summoned to Justice Ben Drier's court in Galien, after posting \$25 bonds. Charged with careless driving were Martin J. Lentsch, Jr., Ronald L. Batger, and Ronald D. Blasko.

### Four Treated At Pawating

Four Buchanan and Galien area persons received emergency treatment at Pawating hospital during the past week for other than auto accidents.

William Kaiser, Jr., son of Mr. and Mrs. William Kaiser of Route 1, Galien, was released after treatment July 12 for a lacerated left index finger incurred on a sickle blade.

Alan Carpenter, three year old son of Mr. and Mrs. Richard Carpenter of 401 West Smith St., was treated and released July 13 after suffering a head laceration when he fell and hit a marble top coffee table.

Theresa Gard, two-year-old daughter of Mr. and Mrs. Richard Gard of 109 West Third St., received emergency treatment and was released July 16, after falling in the bathroom and lacerating her chin.

On July 17, two and a half year old Sandra Bui-h, daughter of Elvec Bui-h of 607 1/2 Portage, was treated and released after incurring a forehead injury on the car dashboard after a sudden stop.

**Absentee Voter Deadline**  
Deadline for applying for absentee ballots for the Aug. 2 primary election is 2 p.m. Saturday, July 20.

## Plan Special Events During Savings Spree

The annual Sidewalk Days summer sales event will be staged in Buchanan Friday and Saturday. The gala savings spree will feature outstanding bargains on quality merchandise.

### Free Parking During Sidewalk Days Sale

Free parking will be provided in Buchanan during the annual Sidewalk Days sale this Friday and Saturday. The City Commission, in cooperation with the Chamber of Commerce, designated free parking in all metered areas in the downtown area and in the north city parking lot. Free parking plus the many outstanding values awaiting shoppers adds up to super savings for those who take advantage of the annual summer sales event.

### Wheat Harvest About 1/3 Done

The wheat harvest is about one third completed, reports Lyman Clark, manager of Buchanan Co-ops. Clark said Co-ops had received approximately 50,000 bushels of new wheat as of Tuesday.

He said quality of the wheat was good, and that the price was about 40 cents above last year at this time. Co-ops paid \$1.76 per bushel Tuesday, compared to \$1.35 last year.

Clark reported the sharp increase in price came as result of less acres of wheat planted this year, due to the 1965 low price. This was the story nationwide, he said, noting that this is the old concept of supply and demand in action.

While the average yield has been about 45 bushels per acre, a number of farmers have reported 50 bushel yields and Bob Rose came in with an unusually outstanding yield of 61 bushel per acre of Monon variety.

The average weight has been about 57 pounds per bushel, which Clark described as fair. However most of the new wheat has tested a low moisture content of 11 to 13 per cent, which is considered good.

Clark said Co-ops still has a limited amount of storage space available, and urged farmers planning to use this storage to contact Co-ops as soon as possible.

The Co-ops manager noted that the overall crop picture was excellent, boosted by the recent rains. Some corn is tasseling and the market looks good for this fall, he observed.

to be found on both sidewalk displays and inside downtown stores.

"We're really chopping prices on this sale," said Leon Clark, chairman of the event sponsored by the Chamber of Commerce. "Not only will there be bargains galore thruout the two days of the sale, but entertainment is also planned."

As an inducement to take the youngsters along, a carnival will be set up in the Days avenue parking lot, starting Thursday night, featuring kiddie rides. Children may qualify for free rides when their parents shop with merchants participating in the special promotion. Each participating merchant has purchased ride tickets and is allowed to determine the basis upon which the tickets will be given out.

Merchants will also be distributing tickets for free pony rides for little children, for Saturday afternoon from 1 to 3 o'clock.

Another special attraction will be the appearance of the Camp Madron Indian dancers. They will be performing thruout the downtown area from 7 until 8:30 Friday evening.

Also Friday night, Buchanan Jaycees are sponsoring a street dance at the high school tennis courts. The dance will feature "The Bondsman" and will be chaperoned by Jaycees. It will be held from 8:30 until 11:30 p.m.

Other entertainment will be offered in form of a dart and balloon booth set up and operated by Buchanan Jaycees as a fund-raising project to support their civic activities. This booth will be located in the parking lot next to the carnival.

"The merchants of Buchanan invite you to stop and shop their many bargains all day Friday and Saturday," said Clark. "Combine shopping and entertainment during our annual Sidewalk Days sale and savings spree."

### Boy Suffers Minor Powder Burn to Foot

Ten-year-old Lloyd Thompson, Jr., suffered minor powder burns to his right foot late Monday afternoon, when a blank cartridge exploded. He was treated at Buchanan Clinic.

The victim, son of Mr. and Mrs. Lloyd Thompson of 402 Michigan, told Officer John Jankowski he had gotten some of his father's blank shells and was playing with them on the sidewalk. One of the shells exploded when the victim hit it with the butt of a toy gun.

The victim's father uses the blanks to train his hunting dogs.

## Plan Commission Sets Special Meeting Tuesday

Two major items before the City Planning Commission at a special meeting Tuesday night will be rezoning of the point at the intersection of Front, Portage and Ryerson, and consideration of an ordinance to set standards for serving of liquor by the glass.

The rezoning request is for a change from R-1 residential to C-3 commercial for the purpose of making possible purchase of the land by Sinclair Oil company and Clark Equipment company. Sinclair plans to erect a new station on the point, and Clark hopes to convert the remainder of vacant land into a parking area.

Phil Sexton, realtor, is seeking the zoning change on behalf of the property owner, Mrs. George Sutherland of Niles.

The planning body has also been charged with drafting an ordinance to set standards under which liquor by the glass may be served in the city, in event a current drive is successful in placing the question on the ballot in November, and a successful vote is obtained.

Three ordinances have been submitted for consideration by the planners. They include:

1. A short form ordinance referring to the Liquor Control act by reference providing that only a restaurant may have such a license to serve liquor by the glass.

2. A more comprehensive ordinance spelling out in greater detail some of the provisions of the Liquor Control act, applying to restaurants only.

3. A more detailed ordinance than No. 2 covering restaurants, motels or hotels, and taverns, proposed by the Chamber of Commerce.

The ordinance proposed by the Chamber is a detailed document, spelling out many of the provisions of the Liquor Control act, and setting forth standards under which restaurants, motels or hotels, and taverns might be allowed to serve liquor by-the-glass.

It leaves final granting of a license in the hands of the City Commission, but sets minimum standards which each type of establishment must meet before applying. The ordinance also spells out that at least one-half of the allocated licenses must be granted to restaurants.

Purpose behind the Chamber's ordinance is to set forth complete provisions of the regulations so that they are able to everywhere, instead making reference to statute.

It was drawn up in connection with a drive to place liquor by-the-glass in November and for possible passage. The Chamber is sponsoring the drive. See PLAN.

**THREE INJURED**—Three persons were injured Monday morning in a crash of three trucks on North Portage. Driver of this pickup, William Kurland of Eau Claire, was knocked unconscious and his truck side-swiped a utility pole. The mishap occurred when brakes failed on one of the other trucks. —Record Photo

SCHOOL

Continued from Page 1

board sought to eliminate the confusion of students operating the machines, and also of the need for students to carry money each day.

As tentatively set up, elementary students at High School Elementary, Indian Hills, Moccasin and Stark schools will purchase a weekly meal ticket if they want to participate in the hot lunch program throughout the week. Al Will, marketing manager for Schneider, has estimated that such tickets will cost about \$1.75, with cost of drink in form of milk or fruit drink separate. The cost of drink is tentatively being considered separately so that it will be readily available to students who will still be carrying lunches.

The program will be aimed primarily at students who will be eating a hot lunch daily, but is flexible enough so that other students may participate on a per day basis simply by notifying school authorities in the morning, so that the extra lunches can be prepared. Will explained that it will be necessary to prepare only enough food to meet daily consumption in the elementary program,

since this food will be served directly from food warmers and will not be reusable the next day. Under this program food will be transported directly from Schneider's kitchen to a warmer in each of the schools, where it will be maintained warm until served.

The elementary lunch will be pre-packaged 10 ounce luncheon, which will be the same in all four schools, but different each day. Will estimated that at least 10 different daily menus will be used. Menus will be prepared a week in advance.

Some consideration had been given to starting the elementary program at only one school as a pilot program, until school officials could see how the program would operate. However, it was decided that with a little parental understanding the program could be initiated just as easily in all schools.

Consideration also had been given to allowing only students who lived farther than seven blocks from the school to participate in the hot lunch program, due primarily to limited eating facilities. However, the board voted to make the program available to all students attending the four elementary schools.

Asst. Supt. William Fairman explained that if this creates a problem it would be possible to maintain the present noon hour, but divide those students participating in the program into two groups. One group would eat first while the other group had noon hour recreation, and the group would change places on the half hour.

Fairman also noted that the proposed hot lunch program would in no way interfere with the present mid-morning milk program presently available to pupils in kindergarten, first and second grades.

High School Program The high school hot lunch program is expected to operate with less detailed planning.

A bank of vending machines will be installed in the present food serving area in the study hall. A refrigerated food buffet will provide prepackaged 10-ounce lunches, sandwiches and desserts, and two micro wave ovens will be provided for cooking the lunches and sandwiches.

These ultra-high frequency ovens are capable of cooking lunches, casseroles and sandwiches in a matter of seconds. Included in the food buffet will be such popular teenage fare as hamburgers, cheeseburgers, hot dogs and Sloppy Joes.

Other vending machines will provide candy, ice cream, milk and other cold drinks, chips and snacks. The serving of hot lunches from refrigerated vending ma-

chines will eliminate the necessity of preparing only enough food for each day of serving, since the unused food will remain refrigerated and thus be available for use the next day. Cost of a hot lunch and drink for junior and senior high students is estimated to be 35 to 50 cents, depending on the choice of students in this program. It will be possible to make several different menus available each day, said Will.

As in the elementary program, students will still be able to carry lunches from home, complete with drink, or by purchasing drink at the school. The food to be used in the overall program will be prepared at Schneider Vending. The firm recently moved into the former Anderson Dan's building and a new St. Charles commercial kitchen will be installed next month. The kitchen will be operational before school opens in September.

Fred Shavone, with 20 years of experience in catering and restaurant operation in the Chicago area, has joined Schneider Vending and will be in charge of the kitchen commissary.

All of the vending machines and warming equipment used in the hot lunch program throughout the district will be furnished by Schneider at no cost to the district.

CLARK

(Continued from Page 1)

1966. The major surge came from a \$32 million order for tractor dozers placed in May by the U. S. Army.

Schirmer noted that the six-month performance represented the best first half in Clark's history. "Not only was the rate of incoming orders at an all-time high for the period," he said, "it was uniformly spread across all operating divisions."

He pointed out that orders for industrial trucks, a traditional leading indicator for the company, has remained strong despite some soft spots in the national economy. Schirmer added that orders for Tyler Refrigeration division were also well ahead of year earlier pace, even though this is a traditional peak season for sales of refrigeration equipment sales.

Looking ahead, he said he expects sales and earnings to continue to run well ahead of the 1965 level. "It's too soon to attempt a realistic forecast of earnings for the year but we're confident 1966 will produce the highest sales and earnings in the history of Clark."

South Bend Man Fined As Drunk, Disorderly Edward E. Healy of South Bend paid \$50 fine plus \$8.91 in costs Monday, after he pled guilty to the charge of being drunk and disorderly. He was arraigned before Justice Jerry Lauver.

Auxiliary to Buy Uniforms

Four special uniforms will be purchased by the American Legion auxiliary for four local member volunteers who regularly devote a day's work to the Battle Creek Veterans' hospital.

It was voted during an auxiliary meeting Monday evening to purchase uniforms for Mrs. Ward Samson, Mrs. John Oehen, Mrs. William Baker, and Mrs. Joseph Gorbitz, who were at the hospital one day each month.

Mrs. Henry Reed conducted the meeting in the American Legion hall, with 15 members present and a guest from Washington, Mrs. Harold Sprague.

Mrs. Reed announced that the initiation of nine new members will take place at the next meeting Aug. 1, and that installation of newly elected officers will be held Aug. 15. The recent American Legion convention report was postponed until the next meeting.

Hostesses for the Monday evening meeting were Mrs. Oehen, Mrs. Frank Benak, and Mrs. Richard McCormack.

School Board to Hold One Monthly Meeting

One regular meeting a month will be the rule for the Board of Education during the 1966-67 school year.

The board voted Monday night to hold a public meeting once each month, on the third Monday during the school year. The board will also meet in an executive work session on the second Monday night of each month to discuss items of business scheduled to come before the regular meetings.

The one monthly meeting and work session were decided upon in an effort to shorten public meetings.

For the past few years, the board has held regular public meetings on the first and third Mondays each month.

Under the new schedule, the board will hold a work session Aug. 8, followed by a public meeting Aug. 15. The only exception to the new schedule will come in December, when the work session will be held on the first Monday and the public meeting on the second Monday night.

Delay Naming School The board also voted to delay naming of the new elementary school to be located on Ottawa street.

Naming of the school was on the agenda, but the matter was postponed after an appeal by Lester McGowan McGowan is one of a group of local residents seeking to have the school named after Herbert "Sky" Knight, a native Buchananite who pioneered night air mail service. He asked that time be allowed for the group to gather signatures on a petition.

After some discussion, the board voted to postpone naming of the school indefinitely, after a sampling of public opinion can be obtained thru "Youth School Bulletin" and the Berrien County Record.

Table Request A request from the City Commission was tabled pending an opinion from the school attorney.

The commission voted to install a 42-foot wide street on Ottawa, and another 10 feet is needed from the property owners on the west side of the street. The school owns most of the land on that side of the

street, where the new elementary school is being built.

Since a 42-foot street is needed primarily due to anticipated school traffic, the commission requested that the board purchase the necessary 10-foot strip from the only other property owner in the block, as well as dedicating a 10-foot strip of school property.

The board readily agreed to dedicate the land, but hedged on legalities involved in the purchase. Owner of the land is asking \$1,500 for the 10x210 foot strip, enough to pay his share of public improvements along Ottawa.

In a letter to the board, City Manager Daryl Tammen stated that the board was being asked to consider the purchase so that cost of the property would not have to be spread on the special assessment roll, thus paid by other property owners in the special assessment district.

Miscellaneous

In other action, the board decided against naming of standing committees, and agreed to continue the present practice of naming committees as needed.

Accepted the bid of Schuell Fence of South Bend for purchase and installation of a line fence along the west side of Stark school property, at a cost of \$665.

Received correspondence from Doyle Barkmeier, superintendent, Berrien County Intermediate School district, requesting that the board give favorable consideration to the request from Howe school district to accept its students on a tuition basis. Barkmeier said acceptance would offer a temporary solution and would be in the best interest of the long range planning of the area. The board voted at its last regular meeting to deny the request.

Authorized payment of bills totaling \$60,108.56 for June, of which \$51,529.17 was salaries, plus \$20,062.15 for July salaries.

Be sure to use garden vegetables when they are young and tender for top flavor, recommend Purdue university extension horticulturists.

Youth Drowns In Portable Pool

The fourth accidental drowning of the season in the Buchanan area was recorded Tuesday afternoon with the drowning of a 15-year-old boy at Niles.

It marked the 14th such death in Berrien county this season. Glenn Whitaker, 15, of Steamwood, Ill., drowned while swimming in a 12' x 3' portable pool at the home of his aunt, Mrs. Vera Clark of Pineshurst avenue. A deputy medical examiner ruled the death as possible asphyxiation or drowning.

Cpl. Charles Tiefenbach and Dep. Richard Aldrich reported a plastic covering was placed over the pool when it was not being used, and the youth apparently had gone swimming without removing the cover. Apparently there was not enough air under the cover to sustain him, officers said.

Neighbors applied artificial respiration but to no avail.

While being booked at the station, he reportedly became belligerent and used foul language.

ea stopped in the inside traffic lane on East Front. The subject allegedly held a can of beer in one hand, had been drinking and had difficulty in walking.

CARD OF THANKS

ONE LITTLE ROSE I would rather have one little rose From the garden of a friend Than to have the choicest of flowers

When my stay on earth must end I would rather have a pleasant word In kindness said to me Than flattery when my heart is still

And this life has ceased to be. I would rather have a loving smile From friends I know are true Than tears shed around my casket

When this world I bid adieu Bring me all the flowers today, Whether pink, or white, or red, I'd rather have one blossom now Than a truckload when I'm dead -Author unknown

OFFICIAL MINUTES

Bd. of Education

School District No. 61

MINUTES

July 18, 1966

A regular meeting of the Board of Education, Dist No 61, Berrien County, Buchanan Public Schools, was called to order by President Ellis at 7:35 p.m. on July 18, 1966

Members present were Mr Harker, Mrs Hassan, Mr Stout, Mr Schneider, Mr Ellis and Mrs Burchfield Absent was Mr Post

The minutes of the regular meeting of July 6, 1966 were read and approved

Mr Will of the Schneider Vending Co., of Buchanan presented plans for installation of a vended hot lunch program in all the Buchanan schools

The elementary program would consist of a 10 oz hot lunch and beverage and would be made available to all elementary pupils on a weekly basis

In the High School the program would consist of not only the 10 oz hot lunch, but also assorted hot and cold sandwiches, drinks, snacks and desserts

The program would commence the second week of school It was moved by Mr Harker that the schools contract the Schneider Vending Co., of Buchanan to install a hot lunch program in all the Buchanan Schools for the 1966-1967 school year

Seconded by Mrs Hassan Carried

Mr Lester McGowan suggested that the school board solicit suggestions from the citizens of Buchanan for a name for the new elementary building on Ottawa St

Official naming of the building was tabled until a ballot or suggestion form could be distributed to all interested persons by means of the School Bulletin and the Berrien County Record

It was moved by Mr Schneider that bills totaling \$60,108.66 of which \$51,529.17 is for salaries be paid, Seconded by Mr Harker, Carried

It was decided to proceed as in 1965-1966 and appoint committees as needed

Mr Bailey reported that a request had been received from the city concerning the improvements on and widening of Ottawa St The request involved procurement of land and dedication thereof to the city

Mr Bailey was requested to contact the school attorney for advice as to the best legal procedure for the schools to take

It was reported that at a meeting with representatives of the architects the colors of some of the basic materials for the new building had been selected

Mr Bailey reported that the following bids had been received for fencing at the Stark building Gish Lumber Company \$6.00, U S Steel Corporation \$3.34, Schueler Fence Company \$5.65

It was moved by Mr Harker that the board accept the bid of the Schueler Fence Company for \$5.65 for fence on the west side of the H C Stark building Seconded by Mr Schneider Carried

The board approved the tentative Agenda for the 1966-1967 school year. It was moved by Mr Harker that for the 1966-1967 school year the board hold a public meeting the third Monday of each month except December, that month meeting on the second Monday. Seconded by Mrs Burchfield. Carried It was decided to hold board work sessions the Monday preceding all public meetings

Marvin Shank

Rites Held for Lake Victim

Funeral services were held Tuesday afternoon for Marvin D Shank of Bridgman, whose body was recovered Sunday morning from Dayton Lake

Discovery of the victim's body about 6 o'clock Sunday morning ended a 26 day search Deputies of the county marine patrol had conducted dragging operations since Shank's empty fishing boat was found shortly before noon June 21 He had rented the boat earlier and his fishing gear was in the boat

The body was found floating on the surface of Dayton lake by two fishermen, Louis Hovath, Jr, of 430 East Fulton and David Mullins of Niles and recovered by Sgt Donald Jewell and Norman Cox of Mishawaka County medical examiner, Dr John Brun, ruled the death as accidental drowning The report indicated that Shank's glasses were still in place and unbroken and that his watch had stopped at 11:48

Shank was the third drowning victim in area lakes this summer Two other men drowned in Boyle lake since May 22

Born May 5, 1908, in Gallen, Mr Shank had lived for many years in Buchanan with his wife, the former Patricia Zoric, whom he married Sept 18, 1937, in Chicago She preceded him in death Aug 2, 1965, and he had resided for the past year at Bethany Beach, Sawyer He was a member of the Baptist church of Sawyer

He is survived by one sister, Mrs Winnie Ames of LaPorte, Ind

Dr Herbert Webber, pastor of the Baptist church in Sawyer, officiated at final rites at 2 p.m. Tuesday in the Swem Funeral home interment was in Gallen cemetery

Some things a woman just can't resist—like passing a mirror without looking—holding a baby without patting him somewhere or other—dusting a bookcase without stopping to browse.

In fact, some of my best reading has been done seated tailor fashion on the floor, the dust-cloth dangling from my jeans' hip pocket.

And last week while stirring the dust around on the books at the family summer cottage, I came across a 1955 copy of Coronet magazine, with an article entitled, "Your Life Ten Years From Today." Fascinating! I never did finish the dusting.

This was a scientific forecast by Leo Cherne, famed economist and executive director of the Research Institute of America. Past predictions by Mr. Cherne had proven 74 per cent correct, the article stated and his forecasts for life in 1965 (condensed here) included:

If yours is a factory job—you will be working four days a week.

You will probably be living in a house heated and lighted by the sun, "for solar houses

gas turbine engine burning anything from aviation gasoline to household oil.

International travel will increase, and chances are by 1965 you will have been to Europe. You will travel from London to New York in about five hours by jet-propelled planes.

You will probably have two color television sets, each costing less than \$300.

You'll be able to buy a wrist watch radio at your corner drugstore for about \$25.

Average male life expectancy will have increased to 70 years, women to 75.

We will be more generally healthy, but suffer from nervous and emotional disturbances, because of the increased strain and tension of the era.

In ten years, one child in ten can expect to spend some time in a mental institution.

There will be an increase in juvenile delinquency—and one marriage in three will end in divorce.

Scientists will be more excited about trying to harness energy from the sun in 1965 than working with atomic energy, and some say that solar energy will have more effect on your life than atomic energy.

Also predicted, space satellites (but no trips to the moon before 1975), atomic energy in industrial plants and at least one trans Atlantic vessel, pay-as-you-watch television, flying saucer-type vehicles carrying 100 passengers at 600 miles per hour, almost anything purchased on the installment plan, plastic cans for food so you can see what you buy, microwave cooking, prefabricated house parts,

atomic radiation to preserve food, and kitchens that disappear behind sliding panels.

The most profound change to take place in the world, according to researcher Cherne in his 1955 predictions, would be the elimination of world war. "This will be caused by fear of government leaders everywhere of global destruction by the ultimate weapons."

Said Mr. Cherne, "You will have peace—albeit the Communists will continue to threaten free nations by means SHORT of war."

By the way, Coronet magazine is now defunct.

## Mr., Mrs. Scott Head Veterans

A Buchanan husband and wife have been teamed up as top district officers for the Veterans of World War I and its auxiliary as a result of the state convention held July 15-17 in Muskegon.

James Scott of 406 Days Ave was installed as commander of district four (which comprises 14 counties of Michigan), and his wife, Ruth, was seated as fourth district president of the auxiliary.

Mr. and Mrs. Scott are members of Four Flags Barracks of the veterans' organization, and Mrs. Scott is the immediate past president of the local auxiliary.

The local chapter was represented by seven delegates at the convention, where by a 95 per cent vote of the 532 persons present it was voted to hold the 1967 convention in Niles.

## September Bride

Mrs. Carol DeSomer of 109 Moccasin St has announced the engagement and approaching marriage of her daughter, Noel Lynn, to Harley E Nosker, son of Mr and Mrs Harley Nosker of 417 Chippewa St.

Miss DeSomer, who was chosen Miss Buchanan in 1961, is a 1965 graduate of Buchanan high school, and is presently employed at Art's Rexall Drug.

Her fiance graduated in 1963 from Buchanan high school, and is a graduate of the House of James Beauty college of South Bend. He also attended Lake Michigan college and Western Michigan university. He is presently in partnership with his father as owners managers of the Rustic Village restaurant on Red Arrow highway.

A Sept. 24 wedding is being planned by the couple, to take place at the Buchanan Church of Christ.

## BPW Holds Summer Outing

Thirty members of the Buchanan Business and Professional Women's club gathered Monday evening at the LeRoy Spencer summer home at Clear Lake, where a cooperative picnic was enjoyed, under shelter, unmarred by a severe thunderstorm.

Assisting the hostess for the evening were Mrs. Louis Hoyvath and Mrs. Virgil Miller. Mrs. George Duis and Mrs. Jerry Rossow attended as guests.

Standing committees for the coming year were announced by President Mrs. Verne Ouput during the brief business session, along with the names of arrangements committee members for the District 6 meeting in October, which is to be held by the Buchanan club.

Plans were discussed for an Aug. 26 rummage sale, and Mr. Phil Sexton was named as chairman.

Mrs. Edwin J. Michner, assisted by Mrs. Sexton and Mrs. Carl Rossow, will be in charge of the arrangements for the Aug. 15 meeting.

Mr. and Mrs. William Blaney have as their guests the latter's sisters, Mrs. W. E. LeClaire of Toronto and Mrs. F. K. Hope and Mrs. A. M. Brankin of Perth, Ont., Canada.

## Dr. Max Polley To Fill Pulpit as Guest Speaker

Guest speaker in the pulpit of the First Presbyterian church Sunday will be Dr. Max Polley, a native of Buchanan, and professor in the department of Bible and Religion at Davidson college, N. C.

Dr. Polley, along with his wife the former Jaquelyn Vander Ven of Buchanan and their children Vance and Lynn, are visiting here with their parents, Mr. Jacob Vander Ven and Mr. and Mrs. Maynard Polley. Dr. Polley plans to remain here for another month while he is doing research work at Notre Dame university in the field of contemporary religion, under a faculty teaching grant from Davidson college.

Dr. and Mrs. Polley returned last year from a one-year sabbatical abroad, where he studied at Oxford university, Regent's Park college Baptist Theological Seminary, doing special research work on a famed scholar of the Old Testament. His work at Oxford was sponsored by the Lilly Pharmaceutical Foundation with a fellowship grant.

A 1946 graduate of Buchanan high school, he received an AB degree from Albion college in 1950, and attended Duke university Divinity school at Durham, N. C., where he earned a bachelor of divinity degree in 1957, he received a Ph. D. from Duke university graduate school of religion, and has been teaching at Davidson, an all-men's southern Presbyterian college, for the past 10 years. He recently was granted a full professorship.

## Salon 580 Installs Officers

Officers for the North Berrien Cass Salon 580, 3 et 40, were seated during installation ceremonies held Tuesday evening at the Buchanan American Legion hall.

Also highlighting the monthly meeting was the presentation of three trophies and a cash award bestowed upon Salon 580 during the Marche (state convention) held Monday in Detroit. Included were a membership trophy and a cash award, a nurses' scholarship trophy for achievement, and a "fun and fellowship" trophy.

Installing officer Mrs. Frank Regel of Watervliet charged Mrs. James Lull as chapeau for the coming year, Mrs. Elsie Paul, demi-premier chapeau, Mrs. Harold Becker, demi chapeau deuxième, Mrs. Walter Ertman, la secretaire; Mrs. Harvey Svem, l'auimonie; Mrs. Sylvia Vaneck, la consierge; Mr. Vaneck, la surnendante; Mrs. Jack Zelder, l'archiviste.

A report was heard on the Marche held Monday in Detroit, following the American Legion convention. During the convention, three members of Salon 580 were retired as state officers, including Eldonna Hendricks, who served as state chapeau last year. Mrs. William Baker of Buchanan was appointed membership chairman for the departments.

Following the ceremonies and business meeting, a party was held in a patriotic theme, with the hall decorated for the occasion with flags, red, white, and blue streamers, bouquets, and with red candles on the installation table Mrs. Franklin Williams, Mrs. Vaneck, and Mrs. Viola Frame served as hostesses.

During the social hour, secret pals were revealed and new names drawn. A carry-in picnic is scheduled for Aug. 16 at the Watervliet home of Mrs. Frank Rogel.

## Men in Service

Pvt. Jack W. Webb, 21, whose wife, Wanda, and parents, Mr. and Mrs. Ralph Webb, live at 310 Short St., completed a leadership preparation course at the Army Noncommissioned Officer Academy, Fort Polk, La., July 15.

He received two weeks of intensive training in leadership, map and compass reading, weapons and drill in preparation for assuming a junior position of leadership in advanced infantry training.

## Plan Luncheon Friday

The Golden Age club will meet Friday at 1 p.m. at the Niles YMCA for a carry-in luncheon, followed by an afternoon of planned entertainment. A dish to pass and table service are asked of those who will attend.

## Dayton Rebekah Lodge Adjourns to September

With the presentation of end-of-season reports, the Dayton Rebekah lodge last week closed activities until late September.

Mrs. Clayton Leiter, noble grand, presided at the meeting held in Bertland township hall, appointing Mrs. Clara Davis and Mrs. W. B. Schantz to the social committee for Sept. 28.

The unseen gift went to Mrs. Schantz.

## 200 Honor Arden Browns

Mr. and Mrs. Arden Brown of Route 2, were honored at a silver wedding anniversary reception Saturday evening at the American Legion home.

More than 200 guests were hosted by the couple's children, Mr. and Mrs. Edward Curtis of Niles, Mr. and Mrs. Tobin Bailey of Northville, Aiden, Jr., and Terry, both at home.

Among the guests were the couple's three grandchildren and both mothers of the honorees, Mrs. Dennis Townsend and Mrs. Glen Brown. Also present were Mr. and Mrs. William Alford of Niles, attendants at the wedding which took place July 13, 1941, in Stevensville. Mr. and Mrs. Brown have spent most of their married lives in this area.

Silver bells and streamers decorated the hall where the party was held, along with bouquets in pink, blue, and silver, the colors used in the wedding 25 years ago. An elaborately decorated, tiered cake adorned in silver and pink had been baked and was served by Mrs. Donovan Brown, sister-in-law of the honored couple. A pair of silver goblets, engraved with the couple's names and the date of the wedding, was presented to the guests of honor by their children.

Assisting in the serving of guests were Mrs. Pierre Bailey, Mrs. Chris Shaw, Mrs. Robert Hutchison, Mrs. Ted Marsh, Mrs. Ronald Galbreath, and Miss Diane Curtis.

## Connie McCaslin Is EUB Delegate

Miss Connie McCaslin, daughter of Mr. and Mrs. Gordon McCaslin of 314 Hillview, was one of three delegates from the Riverside area of the Evangelical United Brethren church who left Wednesday to attend the EUB Youth Convocation at Estes Park, Colo.

Delegates from the Michigan Conference left by bus from St. Joseph for the Colorado trip, and will return July 26.

Miss McCaslin, corresponding secretary of the Riverside area YF, was chosen as a delegate on

the basis of desire, ability, knowledge, and active participation in youth church activities. Other area delegates chosen are David Titman of Benton Harbor and Cheryl Christy of St. Joseph.

The theme of the national convocation is "Called to be." The announced program will include study groups, dramatic presentations, lectures, and outside activities such as hikes, folk singing, and a Hootenanny.

Area churches provided financial assistance for the three delegates.

## New Building At Youth Fair

A new all-purpose building is being erected on the Berrien County Youth fair grounds at Benton Springs. This building will house the fair entry office, where all entries will be processed, rest rooms for youth exhibitors, shower facilities and an equipment storage room. The building will be ready for use when the Youth Fair opens its five day run on August 16.

William Bauman, chairman of the commercial exhibit committee, reports great interest in exhibit space, both indoor and outdoor. Anyone wishing to exhibit commercial wares at this year's Youth Fair, Aug. 16-20 should make reservations as soon as possible. Bauman may be reached at radio station WRRB in Benton Harbor.

The entertainment committee reports the signing of Bobby Vinton to headline the "Shower Of Stars" grandstand shows. His singing style is unique in that he sings for people of all ages. The supporting acts are considered the finest in the business. Fair-goers will enjoy Joyce's Poodles, The Bumpy Spectaculars, The Gutis, The Linares and Mike Caldwell as M.C. There will be two grandstand shows each evening Wednesday through Saturday.

Interest in the 1966 Berrien County Youth Fair by individuals and youth organizations indicates another record number of exhibitors and exhibits can be expected. Last year the exhibits topped 10,000 for the first time.

The annual horse show will be held Saturday and Sunday afternoons, Aug. 20 and 21. Entry chairman, R. B. Borst, Winn Road, Niles, reports unusually high interest by exhibitors for this year's 25 class show. The Michigan Horse Show association has approved the Youth Fair Horse Show. Those wishing to enter horses may receive entry blanks and information from Borst.

All indications point to a bigger and better Berrien County Youth Fair Aug. 16-20.

Reports say a couple of whacks of an eel on a rock or boat seat will quiet it enough to allow it to be grabbed and taken off the hook—Ancient Age Sportsman's Idea Exchange.

## Studying in Canada

Jack Babcock, son of Mr. and Mrs. Walter Babcock, is attending summer courses at the University of Laval in Quebec, Canada. A 1965 graduate of Buchanan high school, Babcock is a French major at Michigan State university where he will be a sophomore this fall.

## Duplicate, Unenforceable Laws Are Waste of Time

By Elmer E. White

Michigan Press Association

Laws which duplicate others or cannot be enforced seem a waste of time and money.

One enacted this year involves an edict to school districts to review their textbook purchases to ensure fair treatment of the races.

It tells the local districts, in effect, to be sure that the teaching tools they use do not reflect badly on minority groups such as Negroes, Jews and Indians. It empowers the State Board of Education to check periodically to be sure the local boards are following the law.

Missing, however, is any power for the State Board or any other governmental unit to punish school units which choose to stick with old books which, for example, never picture a Negro or Indian child in a group picture.

While this is not a duplication of any law, a formal policy statement to this effect was issued some years back, however, by then Superintendent of Public Instruction Lynn M. Bartlett.

In addition to being sent to the various school districts in the state, it was brought to the attention of the textbook publishers and distributors which serve Michigan districts.

Presumably in the three or four years since this policy was circulated, most schools have purchased new textbooks incorporating the policy.

For all purposes, the new law will not likely mean any change in practice. Any school districts which have not followed the policy handed down

by Bartlett will feel little pressure to change now since the 1966 law has no enforcement provision in it.

### LABOR SHORTAGE

A seemingly none problem is reported by the State Corrections Department. Michigan's prison administrators are having a difficult time finding necessary labor to keep the prison industries operating well.

The problem arises partly because of changes in the frequency of paroles and shorter sentences being given criminals. Another factor is the type of criminal housed in the prisons, which operate 14 separate industries.

Today's inmate is much younger than previously. In many cases he has little education and has done little or no work during his lifetime. He is frequently hostile and unwilling to accept discipline. He is not inclined to be a good worker.

Prison industries are operated at Southern Michigan Prison at Jackson, Michigan Reformatory at Ionia, and the State House of Corrections at Marquette.

Other corrections facilities, mental institutions, and some other state government units in the past depended greatly on the prison industries for cloth, work clothing and shoes, office furniture, road signs, cleaning supplies, and canned goods produced from prison farm goods.

Most familiar prison industry by far is the auto license plate business.

The most necessary and meaningful change being attempted to correct the labor problem is

an effort to find ways to get the youthful, "difficult" inmates to work.

As one department spokesman said, "Since work is a part of living on the outside, suitable work habits and skills, where possible, should be instilled in the inmates while they are inside."

### HEAVENLY PATROL

Speeding drivers are the primary target of a new attack on highway accidents. It likely is one of the most expensive safety moves which could be undertaken, but it could be effective.

Involved in the new program to enforce driving laws are three airplanes based at Lansing, Traverse City and Marquette.

Carrying from two to four men, planes are equipped with speed-time charts which translate stop-watch fractions of a second into vehicle miles-per-hour.

Working in conjunction with the highway department, 20 sections of roadway which were frequent accident scenes were selected for special markings. These consisted of painted lines measuring a 660 foot strip of road.

By timing a car traveling the 660 feet, a stop-watch held by a policeman in the plane marks the exact speed of the vehicle on the ground.

If the speed is over that allowed by law, word is relayed to a patrol car not far from the marked strip. The motorist is stopped and ticketed or warned.

Cost of operating planes is great. State Police decided to give the air spotting system, used in several other states, a try in an attempt to discourage speeding and other violations, such as improper passing and following too closely.

Air spotting could prove to be very effective. As one of the first men stopped noted, "I guess you guys really did me a favor." He was traveling over 90 on a freeway, where the legal maximum is 70 miles per hour.

**KNOW YOUR MICHIGAN LAW**

by Attorney General FRANK J. KELLEY

(This is one of a series of public service articles explaining in general terms a provision of Michigan law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.)

If you are out of work, need a better job, or would like some expert advice and counseling on what line of work is most suitable for you, the State of Michigan is more than willing to give you a hand.

The state maintains a number of employment offices at various convenient locations. These are operated by the Michigan Employment Security Commission, staffed by people who are well trained in the field of finding available employment to which referral can be made, and absolutely free to those seeking their services.

Contrary to a popular conception, one does not have to be unemployed, or currently drawing employment security benefits in order to obtain the services of these offices. Every person is eligible and welcome.

The state is equally concerned with the welfare and protection of the unemployed and those seeking employment through the medium of private employment agencies and bureaus which operate on a fee basis and charge you for their services.

All private employment agencies and bureaus must be licensed by the State of Michigan and are subject to strict regulations.

Under the safeguard and protection of the state, you may seek the services of private employment agencies with a reasonable assurance that you will be treated fairly. If, however, you encounter any problems in this area, you may write or contact the Superintendent of Private Employment Bureaus, 2nd Floor Lafayette Building, Detroit, Michigan 48226.

## Inter-City Using Bankard Plan

Charles A. Castle, vice president of Inter-City bank, has announced that the bank is now participating in the Michigan Bankard charge plan.

Participation in the Michigan Bankard program means that Inter-City bank will enroll merchant members, and accept applications for charge cards from individuals thruout the bank's service area, Castle said.

More than 300,000 Michigan residents are cardholders and some 8,000 establishments are already members of the charge plan. Altho some merchants in the Inter-City bank service area are already members of the charge plan, it is anticipated that merchant participation in the Berrien county area will increase rapidly in the next few months, according to Castle.

Persons applying for Michigan Bankard credit privileges will receive a merchant directory in addition to their charge cards. The directory serves as a "Shoppers' Guide" for charge card users.

## Four Permits Issued by City

It was two up and two down in the building department during the past week, as Rudolph Rodighero, city building inspector, issued two building and two demolition permits.

No. 1093—issued July 14 to Lloyd Shure, 311 West Smith, wood paneling in dining room, \$300.

No. 1094—issued July 15, to William J. Burkett, 507 West Front, demolition of frame dwelling, \$250.

No. 1095—issued July 19 to Carl S. Ewan, 128 West Alexander, enclose 10'x10' porch, \$650.

No. 1096—issued July 19 to Clark Equipment company, 402-406 Fulton, demolition of two buildings, \$600.

## PLAN

(Continued from Page 1)

community benefit to help attract the types of commercial establishments to the community which industry has indicated are necessary if the community expects continued expansion of present industry and hopes to attract new industry.

A first class restaurant and public accommodations are two of the most needed services in the community, along with more housing and better traffic control. The Chamber is also working in these and other areas.

Information available to the Chamber has indicated that the availability of liquor by-the-glass is essential if Buchanan is to attract either a first class restaurant or motel, or a combination of the two. This appears to be the case, because the city is not located along a major highway and by the fact that such establishments have not been attracted to the community in past years, according to Chamber spokesmen.

Recommendations of the planning commission will be forwarded to the City Commission for final action.

You'll need almost 6 ounces of unblanched whole almonds, to produce one cup of the blanched whole nuts.

Each employment agency is required to follow rules and regulations which the state has laid down for the protection of the job seeker and of the employer seeking workers.

Among the requirements which would be of the most interest and concern to you, the job seeker, are the following:

(1) The agency must furnish you with a written agreement showing specifically and in detail the charge which will be made for the services rendered and the terms and conditions under which payment is to be made.

(2) An agreement to refund a stated portion of your fee when employment which is supposed to be permanent turns out to be temporary.

(3) It is also required that the copies of the contract used for such transactions, together with a schedule of charges be filed with and approved by the State Superintendent of Private Employment Bureaus.

Under the safeguard and protection of the state, you may seek the services of private employment agencies with a reasonable assurance that you will be treated fairly. If, however, you encounter any problems in this area, you may write or contact the Superintendent of Private Employment Bureaus, 2nd Floor Lafayette Building, Detroit, Michigan 48226.

## THE BEST OF HAWES

Editor's Note: The columns which have been chosen by the Record staff as the "Best of Hawes" will appear in chronological order except on those occasions when one is presented which is particularly pertinent to the times. The majority of the material will be taken from the "Now Here's the Proposition" columns which Mr. Hawes wrote for the Record while he was editor from 1928-55.

The "Bi Hawes" byline in late years became "Bi Hawes."

THE INGRATIATES  
So little heart to life we bring  
We turn blank eyes upon the day  
'Til May and June have taken wing  
And spring has sung itself away

Unnoticed in the woodland  
The violet blossoms and is gone  
The red rose flowers without regard  
And drops its petals on the lawn

And so we walk our heedless ways  
Pulled here and there by care and strife,  
And living clutters up our days  
'Til we lose sight of life

BEGIN SEALCOATING PROGRAM—City employees applied sealcoating to a portion of West Front street Tuesday as they began the annual summer maintenance program. ## Miss Adams Is Delegate

Miss Judy Adams, daughter of Mr. and Mrs. A. D. Adams of Galesburg, Buchanan road, was one of 38 Michigan girls who attended the National meeting of the Future Homemakers of America last week in St. Louis, Mo.

Eleven hundred girls representing every state, Puerto Rico,

and the Virgin Islands, took part in the convention and 21st birthday celebration of the F. H. A., a national organization for senior high school girls studying home economics.

Judy was chosen delegate to represent Michigan's region five, of which she is presently chairman.

Housed in the Chase-Park hotel in St. Louis, the group, headed addresses by church and educational leaders, held group discussions, took sight-seeing trips, and enjoyed a visit to the opera.

## Local News Items

Mr. and Mrs. Harold Sprague, their daughter Pamela, and a niece, Diane, of Sequim, Wash., are house guests this week of Mr. and Mrs. A. P. Sprague of 408 South Portage.

St. Harold Sprague is the youngest brother of A. Preston Sprague.

Mrs. Orval (Shirley) Hutchison, sixth grade teacher at Stark school, entered Memorial hospital at St. Joseph this week to undergo major surgery. Her room number is 317.

# Undefeated Yanks Win League Crown

The Yankees won the Little League championship Friday night, defeating the Indians 9-7 in a battle of the undefeated teams. The Yankees finished the season with a perfect 9-0 record and the Indians finished

the Dodgers finished eighth at 2-7, the Reds ninth at 1-8 and the Tigers finished in the cellar with a 0-9 mark.

League teams are now engaged in the annual post season tournament to determine a touney champ.

The championship battle between the Yanks and Indians climaxed a season-long battle for first place. The Indians jumped to a 2-0 lead in the first inning and added two more in the second inning to take a 4-1 margin into the third inning.

A big five run third inning put the Yankees in command. Both teams then went scoreless until the sixth and final inning, when each batted in three runs.

Duane Zdenahlik claimed the victory for the Yanks, behind errorless ball by his teammates. Mitchell Thompson suffered the loss as each hurler gave up nine hits.

Rich Riggins was the hero of the day. He won the game for the Yanks with a sixth inning home run and scored two runs ahead of him. A double in the third inning scored two more runs, to give Riggins a total of five runs batted in. He also slammed a double in the fourth inning.

Other Yankee sluggers included Ron Aalfs with a double and single, Ken Snook with a pair of singles, Riley Cooper with a home run and Dave Zdenahlik with a base hit.

Dan Cauffman gave the Indians a five-run scoring punch with a home run in the second inning and a double in the sixth. Also getting important hits for the tribe were Steve Glossinger with a triple and single, Bob Mosier with a pair of singles, and Mitchell Thompson, Ron Cauffman and Jim Miller, each with a base hit.

"Pitcher of Week" honors went to Mike Wesner of the Dodgers for his no-hitter against the Tigers. Mike faced only 19 batters in six innings and struck out 13. He had a perfect game going until after two outs in the sixth inning, when he gave up his first base on balls.

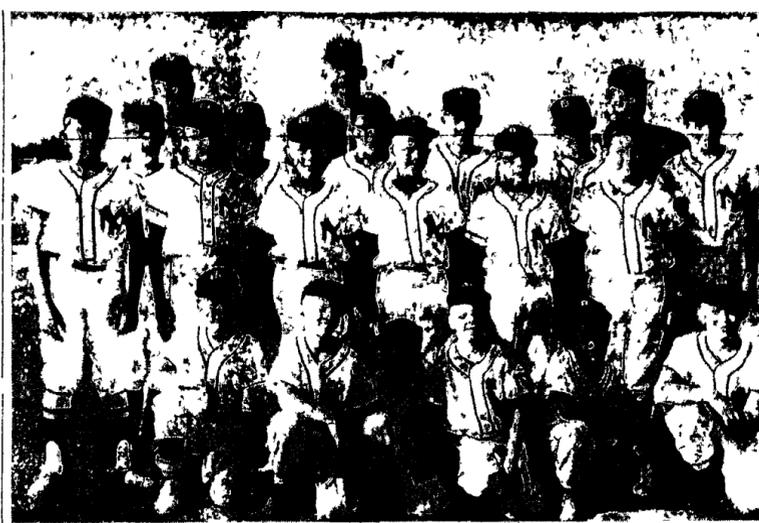

In the runner-up slot was Jim Williams of the Cubs, who gave up only two hits to the Twins, but lost the game 3-2 with both hits home runs.

Other outstanding pitchers included Dave Hess of the Orioles with a three-hitter.

In addition to the top Yankee and Indian batters mentioned above, leading sluggers included Don Collins and Mike Marazita, both of the Orioles, each with three doubles and a single; also Collins with two doubles and a pair of base hits; Fritz Thompson of the Orioles, triple, double and single; and George Dreitzler of Giants with a pair of home runs.

Box scores of games played last week include:

## Sons Each Have Son Same Day

The two sons of Mr and Mrs Frank McCarty of Galien each presented their parents with a new grandson on the same day, Tuesday, July 12.

Born to their son, Leonard, and his wife of Cleveland avenue, Galien, in Pawating hospital at 2 a m July 12, was a 3 lb 2 1/2 oz son, Dale Allen. The baby's maternal grandparents are Mr and Mrs James Rundborg of Buchanan and he has one sister, Kimberly, at home. The McCarty's other new grandson was born to their son, Jerry, and his wife of 209 1/2 Grant street, at 5 a m July 12 in Pawating hospital. The infant weighed 7 lbs 9 1/2 oz at birth and has been named Greg Allen. Mr and Mrs Clayton Lester of Buchanan are the maternal grandparents.

## Council to Survey Street Repair Needs

Discussion was held on the need for repairing of South-eastern avenue from the high school to Katen street when the village council met last week. Council members decided to contact an engineer to survey the street and inform council of necessary repairs to be made. Abe Smith, resident of Katen street, appeared before the council to ask that the street be oiled.

In other business, council decided that "No Parking" signs be placed on Green street from Green lawn to M 60.

## Miss Benjamin Honored at Shower

Miss Sue Benjamin was honored last week with personal shower held in her home given by her sister, Miss Peggy Benjamin with 11 guests attending. Prizes were won by Miss Patricia Richardson, Miss Marjorie Cantrell, Miss Kay Baker and Miss Paulette Hyschman. Miss Benjamin will become the bride of Timothy Martindale on Sept 10 in the Methodist church in Galien.

## Band Concert Tuesday

The Junior High summer band will present a concert under the direction of the bandmaster, Kenneth Stanek, Tuesday evening at 6:30 p m at the football field.

## Developing Nations Topic for Church Circle

"Developing Nations — why are they so poor?" was the topic presented by Miss Marjorie Foster at the regular meeting of the Henrietta circle of Galien Methodist church held Thursday in the youth building of the church. Members were reminded of Crystal Springs Woman's Day on Aug 5, which will take the place of the regular meeting for August. Plans were made for a bar-b-que and ice cream social to be held Sept 15 in the church yard and parking lot. Further plans and committees will be set up at a later date.

## District Conference Set at Camp Manitow

Sunday the Northern Indiana District conference will be held at Camp Manitow near Vandalla. Fellowship will begin at 9:30 a m and worship service at 10:45 a m. A cooperative dinner will be held at noon with the business meeting following at approximately 1:30 p m. There will be no services in the Galien RLDS church on this day. Regular services will resume July 31 at 9 a m. Junior boys camp will begin July 20-23 and Junior girls camp July 24-27.

## Engaged

Mr and Mrs Robert Benjamin of 310 George St, Galien, announce the engagement and approaching marriage of their daughter, Sue, to Timothy Allen Martindale, son of Mr and Mrs Vernon Martindale of Rockford, Ill.

Miss Benjamin attended Galien high school and Martindale is a graduate of Guilford high school in Rockford. The marriage will take place Sept 10 in the Galien Methodist church.

## GALIEN LOCALS

During a recent visit to Tucson, Ariz, Mr and Mrs Lloyd May and son, Bob, of Galien were entertained at a patio supper hosted by Mrs Iccal Potter and daughters. Also attending the gathering was Mrs. Bernice May, whom the Mays were visiting while in Arizona. Mr and Mrs Ray Arend and daughter Beth Ann, of Tucson, Ariz, are visiting his parents, Mr and Mrs Clarence Arend, and also other relatives in the Galien and Baroda area. Mrs Arend is the former Carolyn Potter of Galien. Mr and Mrs Dennis Gregory and sons have returned from a vacation trip to Albuquerque, New Mexico, where they visited relatives, Mr and Mrs. Nelson Neeley. Mr and Mrs R E Lockwood were recent guests of Mr and Mrs William Rittenhouse of Mishawaka, Ind.

Plan Annual Picnic The Crusader class will have its annual picnic on Thursday evening at the recreation field. Everyone is to take his own dishes and a basket supper. Hosts are Mr and Mrs Wm Shaw. The supper is to be at 7 p m.

Mr and Mrs Ralph Gilbert and son, Randy, have returned from a two week vacation to the West. They visited in the Black Hills, Bad Lands, Yellowstone Park. They visited friends in Baxton, an aunt in Dexter, Kan, and her mother and sister in Selina, Mo.

Mr and Mrs Robert Shaw spent the weekend in Chicago. They were accompanied by Mr and Mrs Fred Hoffman of north of Niles.

New residents in the area are Mr and Mrs. Leon Clifton. They are residing in the home formerly occupied by Mr. and Mrs. Oliver York. We hope they will enjoy living in the community.

Miss Elaine Siewert has returned from Grand Rapids where she visited her aunt, Mrs Gertrude Kersters, who has been confined to her bed. She was accompanied by Mrs Hank Kersters of Galien and Mrs. Richard Ross of New Carlisle. Mrs Kersters is to be moved to the new future to the Sun-land hospital at Grand Rapids.

Mrs Otto Schneider and Mrs. Ted Jensen of River Forest called at the home of Mr and Mrs William Shaw on Saturday.

## Hold Outdoor Worship

More than 125 persons attended the combined worship service of the Hinckman and Oronoko Methodist churches last Sunday morning. They were guests of the Paul Spaulding, Lolmaugh and Truman Bevel, Jr families at their lovely river side landing. This has been an annual event for a number of years and is a highlight of the church year. Rev Robert Stauss delivered his sermon from a rustic pulpit. For the junior sermon he told the children about the three plagues that can come into their lives, Time (wasting of time), Thoughtlessness (of which adults too are very guilty), and Temper (which makes both sides unhappy).

Following the worship service, baskets were brought out and opened with tables spread with all manner of delectable foods. The table reminded the writer of stables she had read of small town Fourth of July celebrations and of all the prize foods that were spread out.

When the tables were cleared water skis were brought out, speed boats revved up and a number of the young people had their first experience of this exhilarating sport. The less energetic folks enjoyed trips northward on the three pontoon boats, two of which were lashed together side by side.

In the late afternoon everyone departed for their homes relaxed and happy, thanking their hosts and slightly hating of them hopes for another invitation next year.

## Shower Honors Bride Elect

Mrs. Charles Stroud and her sister, Mrs. Norma Dokey entertained at a miscellaneous shower honoring Miss Geri Pearson who will become the bride of Joe Coffell this coming Saturday evening. There were 12 guests present and the refreshment table was centered with a punch bowl of lime sherbert. For entertainment games were played and prizes were awarded to Miss Geri's aunt Reanie and her grandmother.

## Club to Help Others

The Go-Go-Downs TOPS club decided at a recent meeting that if they had more food than they could healthfully accommodate they should share some with those less fortunate, so they voted to use the fines which they collect for gaining weight during the previous week to purchase Care packages and the treasurer, Mrs. Richard Mattern, was delegated so to do.

## Plan Bible School

"God Still Lives" will be the theme for the Vacation Bible school to be conducted at the Oronoko Methodist church this coming week, July 18 to 25 inclusive. The children will convene at 9 o'clock in the morning and will be dismissed at 11:30. A very capable crew of teachers have been assigned to teach the various age groups, from pre-school thru high school. Art and handicraft will supplement the Bible lessons. A mid-morning snack will be served to the children. Mrs. Dorothy Gunn is in charge of the school. All children of the neighborhood are invited to come whether members of the Oronoko Sunday school or of other denominations or of none at all. Every single one is more than welcome so do come one and all.

## Grange to Elect Officers

Mount Tabor Grange will hold its regular semi-monthly meeting this Friday evening with a co-operative supper served at 6:30 to be followed by a business meeting conducted by Edwin Marsh, grange master, and entertainment provided by Mrs. Evalyn Spaulding, lecturer.

An election of officers for the coming year will be held.

## Home on Furlough

Tim Dargus is home for a twenty-two day furlough from his army training in Texas. Tim is the son of Mr and Mrs Fritz Dargus.

Here's how fox hunters get Revnard out of his hole. They melt paraffin, then while still liquid, add sulphur. Stir until well mixed. Put a piece of towel wicking in a paper cup and pour the mixture in. Al low to harden. Light wick, some down hole. Out comes the fox — Ancient Age Sportsman's Idea Exchange.

## Men in Service

Pvt Robert O Lockamy, son of Mr and Mrs Floyd O Lockamy, Galien, completed a light vehicle driver course, July 8 at Fort Jackson, S.C.

During the eight-week course, he was trained in the operation and maintenance of military vehicles up to and including the two and one half ton truck. Instruction was also given in the operation of the internal combustion engine and chassis assembly.

Pvt Lockamy entered the army in February of this year. He completed basic training at Fort Knox, Ky. He attended Galien high school.

Pvt. Barz

Pvt Allen L Barz, son of Mr and Mrs Roy F Barz of Route 2, recently completed a week of testing and screening at the Naval Air Technical training center, Memphis, Tenn.

After receiving a battery of aptitude tests and interviews to determine his eligibility for technical training to prepare him for duties with the Aviation branch of the U. S Marine Corps, it was reported that Barz had qualified for helicopter and conventional aircraft mechanics. A 1963 graduate of Buchanan

To the Record Staff: While reading the article about the proposed name for the new Ottawa school, it brought back fond memories of Jack Knight known as Sky

high school, Pvt. Barz entered the Marines Jan 3 of this year.

Thomas L. Birdsong, son of Mr and Mrs Walter Birdsong of 310 Marble St, has been promoted to staff sergeant in the air force.

Sergeant Birdsong is an air traffic controller at Da Nang A.B, Vietnam. He is a member of the Pacific Air Forces which provides offensive defensive air power for the U S and its allies in the Pacific, Far East and Southeast Asia.

The sergeant is a graduate of Buchanan high school.

Fireman Apprentice Richard W Leidy, USN, son of Mr and Mrs Richard Leidy of 603 South Oak St, is on an annual two-week reserve training cruise aboard the amphibious force flagship USS Eldorado, operating out of San Diego, Calif.

He is assigned to a division aboard the Eldorado where he is undergoing a series of simulated battle problems designed to instruct him in the techniques of naval warfare.

Upon completion of the cruise, he will return to his duties with the local reserve training unit.

Knight I attended school with Sky and at that time we had 75 students in the four grades, freshman, sophomore, junior and senior classes. He was a tough fearless student and was ready to pick a fight with me any time.

We have a school named Stark school which was well named for our past superintendent of schools, Harold Stark, with whom I was on the school board for nine years. He was a very capable man handling the job efficiently.

My vote would be for the name of Sky Knight for the new school to be erected on Ottawa street.

Yours truly, Dr H M Belisle.

The Letter Box I think that the suggested name of the new westside school is ideal. An act by Buchanan honoring Sky Knight is long over due.

The name should not be Jack Knight but rather his real name Herbert Knight. All Buchananites knew him as Herbert (Sky) Knight, the name Jack was given to him after he left Buchanan, I believe in college.

On that historical flight in 1921, Sky demonstrated his cour-

age and determination to prove to Congress that airmail was practical. After stepping down from his plane in Omaha, and after being told that the other pilot did not show up, he could have said, "Well I did my part." But that was not like him, instead he took the other pilot's lap and with his single engine plane he flew out over a route unknown to him and lighted only by an occasional bonfire, thus bringing the mail on to Chicago. Without that Omaha to Chicago lap, airmail might have been delayed several years.

Yes, I would like to see, near the entrance of the new school the engraved words "Herbert Knight School" and above it the engraved replica of Sky's single motor DeHaviland.

During his funeral service, some of his fellow pilots flew over the chapel and dipped their wings in his honor. The least Buchanan could do in the way of paying tribute to a native son, is to name the school in his honor.

The 17th annual reunion of the Ellis Renbarger family was held Sunday at the Lyle Watson park north of Buchanan, with 71 persons attending from Michigan City, Three Oaks, Galien, New Buffalo, Buchanan, Niles, Battle Creek, and Alexandria, Va.

Mr and Mrs Thomas Payne and Mr and Mrs. Elton Orput, Jr., arranged the entertainment and games, which followed the basket dinner. Special prizes went to Ellis Renbarger, the eldest person present, Katilna Orput, 17 month old daughter of the Elton Orputs as the youngest, Mr and Mrs Norman Stalgie and family of Alexandria, Va., who attended from the greatest distance.

Ellis Renbarger is the honorary president of the clan, with Charles Litke of New Buffalo serving as vice president and Mrs. Litke as secretary-treasurer. Mrs. Lucille DeRop of Michigan City is the historian.

The 1967 reunion will again be held at the Lyle Watson park on the third Sunday in July.

The famous Bodleian Library is the central library of Oxford University in England.

**Exchange Students to Bid Friends, Families Adieu**

Gay farewell parties touched with the inevitable sadness of goodbyes, are being held this week as four Buchanan families, local friends and all of Buchanan prepares to lose a group of esteemed young temporary citizens.

After nearly a full year in America as exchange students at Buchanan-high school, four young Europeans, will leave Wednesday, July 27, to return to their homelands and their families.

Leo Lindroos of Finland has been living here— with his "foster parents", the Rev and Mrs W. Thomas Barnes since August, 1965, and was enrolled as a senior in the local high school.

Lisa Carlsson, of Sweden, has been a guest of the Gordon McCaslin family, and Elisabeth Nojd, also of Sweden, made her home with Mr and Mrs Arthur Funk and family. Maria Lieck, of West Germany, became for the past year a member of the family of Dr and Mrs. Kent Hassan.

When they bid farewell to their Buchanan guardians next week, the four will board a bus at Northville high school near Detroit for the trip to New York City, where they will board ship July 28 with 500 other youths in the Youth for Understanding program to begin a 10-day ocean voyage to France. From there, the group will be deployed to their homelands, after spending their shipboard days attending seminars and evaluating and comparing their experiences in the United States.

JAYCEES HAVE LUAU—Buchanan Jaycees and Javshees gathered at the David Reitz residence Saturday night for a WOW of a Hawaiian luau. Dressed in grass skirts and performing for members and the Record photographer are Reitz (left) and Tom DeRosa. Then attention is centered on Don Feinwalt.

### Prairie Class Plans Fish Fry

Plans are being made to repeat the popular Jonah fish fry sponsored last year by the Working Men's class of the Portage Prairie E. U. B. church. Sept. 2 has been announced as the date for the event, when the group will be serving from 5 to 9 p.m. in the church Fellowship hall. Carry-out service will also be featured again this year. Committees have been named, with Miss George Allsworth heading the kitchen committee, and with George Allsworth and son, Tom, serving as chef's assistants. Mr. and Mrs. William Vite will be in charge of the dining room, Mrs. Robert Ehninger, carry out service, Mr. and Mrs. James Crouch, advertising, and Victor Shafer, tickets.

### WSWS to Attend Missionary Day

Members of the Women's Society of World Service have made plans to attend a missionary day program at Riverside camp July 23. A cooperative luncheon will be served between morning and afternoon sessions.

Final plans for the event were made when the society held its regular meeting July 12. Mrs. T. E. VanEvery conducted the business meeting, and Mrs. Phil Bridges presented the lesson on Indonesia. Hostesses for the evening were Mrs. Paul Myers and Miss Peggy Huff. The next meeting will be held Aug. 9 at the church.

### Couple Married At St. Anthony's

The marriage of Geraldine Casey and William F. Faulhaber took place today (Thursday) at St. Anthony's Roman Catholic church. The eleven o'clock nuptial mass was conducted by the church pastor, the Rev. Frank Jansen, in the presence of the families of the couple. Mr. and Mrs. Edward J. Faulhaber, Jr., of South Bend, brother and sister-in-law of the bridegroom, served as attendants. A wedding breakfast at a Niles restaurant followed the ceremony. Upon their return from a wedding trip, Mr. and Mrs. Faulhaber will reside at 4955 Buffalo road.

### Sorority Holds Hawaiian Luau

A sign of Aloha with streamers and flaming torches greeted the guests attending the Hawaiian luau of Beta Sigma Phi sorority Saturday evening at the home of Mr. and Mrs. Michael Clymer of Niles. Inside, pineapple, coconut, fish net, candlelight, and leis awaited the members and husbands of Phi Gamma Tau chapter who partook of refreshments in the Hawaiian theme, and later danced to music partly of Hawaiian origin. A prize was awarded to Mr. and Mrs. Clymer, who were chosen best dressed and also the best hula dancers. The sorority social committee for 1966-67 was in charge of the luau arrangements and decorations.

### James Wallace Family On Month-long Trip

Mr. and Mrs. James Wallace and family have returned from a four-week vacation trip to Texas and California, where they visited his brother T/Sgt. Jack Wallace and family in San Angelo, Tex., and Mr. and Mrs. Fred Miller in Seminole, Tex. The latter are former long-time residents of Buchanan. In California they were guests of Mr. Wallace's parents, Mr. and Mrs. Wyatt Wallace. During the month long trip the Wallaces and their children Linda, Pam, and James, Jr., toured Carlsbad Caverns in New Mexico, Universal studios, Marineland, Mars Bay, Sequoia National park, Yosemite national park, among other points of interest. James, Jr., remained in Fresno, Calif., to work during the remainder of the summer, and plans to return in late August to attend Central Michigan university.

### Open House to Honor Couple

The six children of Mr. and Mrs. Raymond Woollet of Glendora are cordially inviting family friends to attend an open house Sunday to honor their parents on the occasion of their 25th wedding anniversary. Mr. and Mrs. Woollet were married July 27, 1941, and have resided for most of their lives in the Glendora area. Mrs. Woollet is the former Ruth Collins of that community. The couple's children, Sharon, James, Carol, Sam, Sally, and Phillip will host the party between the hours of 2 and 4 p.m. in their parents' home at Box 8, Glendora. Patina, a greenish film, forms on copper and bronze after exposure to the atmosphere or burial in the ground.

### SOCIAL SECURITY Questions and Answers

**EDITOR'S NOTE** This is the third in a series of articles on Medicare, prepared by the Social Security Administration.

#### In Patient Hospital Service

Hospital insurance will help to pay for your care, in a hospital for up to 90 days during each spell of illness.

#### Dollars and Cents

Each spell of illness provides for 90 days of benefit services. For the first 60 days, the insurance pays for all but \$40 for the covered services you receive. From the 61st to the 90th day you would be responsible for the first \$10 each day for covered services.

#### What Hospital Insurance Will Cover

Room and board in a semi-private (2 to 4 beds in a room). Nursing services ordinarily furnished to the hospital's patients. Supplies, appliances, and equipment ordinarily furnished to the hospital's patients, such as splints, casts, wheelchairs, crutches, etc. Blood transfusions, except for the cost of the first 3 pints of blood in one spell of illness. Medical services ordinarily furnished by the hospital.

Therapeutic services ordinarily furnished to the hospital's patients, such as X-ray or radium treatments. Operating room costs. Drugs and biologicals ordinarily furnished to the hospital's patients. Diagnostic services ordinarily furnished by the hospital to its patients. For example, blood tests, electrocardiograms, etc. Services of hospital residents and interns who are in approved training programs.

**What Hospital Insurance Will Not Cover** Private duty nurses. Private room unless it is medically necessary—ordinarily only when the patient's condition requires him to be isolated (otherwise you pay the difference). Private duty nurses. Cost of first 3 pints of blood (hospitals will not charge for pints replaced by donors). Physicians' and surgeons' services (Medical insurance helps pay doctor bills). Personal comfort items, such as radio and telephone charges, TV rental, etc. Hospital services after 90 days in a spell of illness.

### Father Jansen Assigned To Williamston Church

After nearly 11 years as pastor of St. Anthony's Roman Catholic church, the Rev. Frank Jansen has been assigned to a new pastorate at St. Mary's Catholic church at Williamston, it was announced last week by Bishop Alexander Zaleski of the Diocese of Lansing. When Fr. Jansen's transfer becomes effective Aug. 10, he will be succeeded here by Rev. Leon H. Pohl, who for the past year has been serving as assistant pastor at St. Augustine's church in Kalamazoo. Rev. Jansen, 55, came to Buchanan from Lansing in November, 1955, where he had been assistant pastor at St. Casmer's church. During his years of spiritual leadership here, the church has grown from a small building on North Detroit street to its present edifice on West Fourth street.

The new \$250,000 church, with a seating capacity of 600 was begun in 1962 and was dedicated in May 1963. Rev. Frank Jansen was born in Bellevue, Ky. April 2, 1911. He was ordained on Feb. 24, 1945, and his first assignment was as an assistant at the Resurrection church in Lansing. He served as chaplain of the St. Joseph Home for Boys, Jackson, for six years before moving to St. Casmer's in 1952.

**First Pastorate** The Rev. Pohl, who will celebrate his 37th birthday next month, will be taking over his first pastorate at St. Anthony's, after serving assistantships at Owosso, Jackson, Davison, Battle Creek, and Kalamazoo. He was born Aug. 6, 1929, in Fowler, Mich., and was ordained on June 2, 1956. His previous assignments have

### OUT OF THE PAST

**60 YEARS AGO** July 20, 1906. Nine wagons, the usual number of horses, and about fifty gypsies, including at least 20 children, passed thru town Wednesday afternoon. The women begged and told fortunes as they passed thru town, while the men laid back in the wagons and enjoyed life. Business for the Buchanan telephone central is on the boom. There are now 301 phones served by this station, and manager Morris also has contracts for 39 more. The M.C.R.R. company will sell round trip excursion tickets to Niagara Falls and return, \$6.75. Mr. and Mrs. A. C. Weaver have bought the Newel property on Fourth and Lake streets. Wheat harvest is over and haying well along.

**25 YEARS AGO** July 24, 1941. The Buchanan high school orchestra, R. R. Robinson conducting, will present afternoon and evening classical music at the House of David park. Clark Equipment company will pay the government in taxes more than two-thirds of its net income for the first six months of 1941. The City of Buchanan will be canvassed for old aluminum by boy scouts, American Legion, and V. F. W. The Michigan Council of Defense is asking for the collection. Mrs. Walter Dale is spending the week in Chicago, the guest of her sister. Mr. and Mrs. Ernest Grimes and Mr. and Mrs. George Chain and children returned from Irons, where they spent the last week.

**10 YEARS AGO** July 15, 1956. A boat club, as yet unnamed, has been started in Buchanan by 17 sportsmen who met Sunday at Ed Stultz' on Red Bud Trail and organized a nucleus of what is hoped to be a club to promote safety and fun on the St. Joseph river. Building permits totaling \$147,500 were granted during the first six months of 1956. The tennis courts at Buchanan high school are slated to be finished within two or three weeks. The third and final polo shots are being given to Buchanan youngsters by their family doctors, with the vaccine provided free.

Pastor Boothby to Lead Adventists at Camp Meet

District pastor, Robert L. Boothby of the Buchanan Seventh day Adventist church, Niles Buchanan Rd., will go to Grand Ledge Sunday to help prepare for the church's 98th annual camp meeting of the Michigan Conference, which convenes July 28. Pastor Boothby is joining more than 380 ministers, Bible instructors and other church employees from the Michigan Conference in making ready the convention grounds for the influx of nearly 20,000 persons. Ministerial study sessions and daily worship periods will also be held during the days of preparation. Buchanan Adventist church members this year are expecting one of the biggest and most important camp meetings ever held by the denomination at Grand Ledge. Pastor Boothby said in referring to the coming convention. He pointed out that a number of native workers from overseas divisions of the church will be there, enroute to their home countries from the Adventists' 50th international quadrennial assembly in Detroit last month. Highlighting the first week-end will be the appearance of Neal C. Wilson of Washington, D. C. newly elected head of the North American Division of the church. Pastor Boothby will have charge of the platform committee. Although approximately 50 percent of the Buchanan church members will be attending camp meeting for the whole 10 days, regular sabbath school and church services will be held at the regular hours, 9:30 a.m. and 11 a.m. respectively, each Saturday during this time.

All this glory from one tiny seed! The sunflower towers taller than a man, its huge golden head filled with thousands of seeds... and every seed contains the mystery of life and growth that science cannot explain. We are surrounded by miracles that man did not create. Who created them? Who created us? By the reasoning powers of our own marvelous minds we can be guided to see that God the Creator has made all things according to His plan, and that we can only achieve our highest development by living in harmony with it. How can we know God's will for us? We need only a small seed of faith, for He will lead us in His way if we ask Him... and that seed will grow and flourish under His loving care.

Mr. and Mrs. Zelmer Warren, Jr.

### Miss Freeze, Zelmer Warren, Jr. Married in Double Ring Service

The Church of Jesus Christ of Niles was the scene of the wedding at 2 o'clock Saturday of Barbara Elaine Freeze and Zelmer S. Warren, Jr.

The double ring service was conducted by Mayfield Cooper, pastor of the Christian Faith Tabernacle, Bertrand, with the assistance of Alta V. Johnson, pastor of the Church of Jesus Christ.

The bride is the daughter of Mr. and Mrs. Everett L. Freeze of 311 Russell St., and Mr. and Mrs. Zelmer S. Warren, Sr. of 106 North Detroit St. are parents of the bridegroom.

For the wedding, the church was decorated with altar baskets of pink and white gladioli and with streamers and wedding bells to mark the pews. Stephen Barnaby of Niles served as organist, and Miss Pamela Walters of Fortville, Ind., sang "Because".

In addition, the bridegroom sang "I Love You Truly", and the bride sang "Whither Thou Goest".

In the presence of 250 guests, the bride was escorted to the altar by her father. Her floor-length gown of nylon

and lace was designed with a molded bodice, scalloped neckline, with long sleeves tapered to bridal points at the wrist. The bouffant skirt was fashioned of seven tiers of lace with a lace apron overskirt. A princess crown enhanced with pearl tear drops held her elbow-length veil of silk, illusion, and she carried a bouquet of red roses and pink carnations tied with pink streamers.

William Boyd Freeze of Buchanan, a nephew of the bride, appeared as a miniature bridegroom.

**Attendants Wear Pink**

The matron of honor was Mrs. Lewis Frost of Niles, a sister of the bride. She was attired in a floor-length gown of pink lace, with a fitted bodice, scalloped neckline, and long fitted sleeves. She wore a

floral headpiece with a bouffant nose-tip veil, and carried a colonial bouquet of pink sweet-heart roses with white streamers.

Bridesmaids were the Misses Gloria Price and Clara Williams, both of Buchanan, and Mrs. Phillip Freeze of Berrien Springs, sister-in-law of the bride. With gowns identical to that of the matron of honor, the bridesmaids wore complementary headpieces and carried bouquets of pink roses and white carnations with streamers.

Donna Freeze of Niles, niece of the bride, served as flower girl. Her floor-length gown of white satin under pink Chantilly lace was similar in style to the bridesmaids'. She carried a white wicker basket of pink rose petals.

Todd Cauffman of Buchanan was the ring bearer. He is a nephew of the bridegroom.

Jack Warren of New Canby, Ind., attended his brother as best man. Groomsman were another brother, Lucivel Warren of Buchanan, Lyle Cauffman, brother-in-law of the bridegroom, and Charles Buoyne, both also of Buchanan. Guests were seated by Rodney McClane and Jerold William son, both of Niles.

Mrs. Freeze was attired in a street-length two-piece dress of blue "whipped creme" crepe with white accessories and a corsage of blue tinted carnations. The mother of the bridegroom chose a two-piece ensemble of blue brocaded silk with white accessories and a matching blue carnation corsage.

**Reception in Buchanan**

Immediately following the wedding, a reception was held in Buchanan township hall, where the Misses Jessie Mae Burgoyne, Midge Cauffman, Janet McClane, and Cheryl Price assisted in the serving of guests.

The new Mrs. Warren attended Buchanan high school and received her high school diploma in June from the Pentecostal Bible Institute at Tupelo, Miss.

A 1965 graduate of Buchanan high school, the bridegroom has been attending the Apostolic Bible Institute at St. Paul, where he was studying for the ministry. Both the bride and the bridegroom plan to work in Evangelism after college graduation from the Pentecostal Bible Institute.

Upon their return from a wedding trip thru northern Michigan, the newlyweds will be at home at 405 Clayton Ave., Tupelo, Miss.

Miss Sharon Lee Huling

Mr. and Mrs. Francis Huling of Main Street road announce the engagement of their daughter, Sharon Lee, to Ronald Wood, son of Mr. and Mrs. Denver Wood of 307 Hailan.

Miss Huling, a 1966 graduate of Buchanan high school, is presently employed at Inter City bank in Buchanan.

Her fiancé, also a Buchanan high school 1966 graduate, is employed at Bendix Products of St. Joseph. He plans to enter Lake Michigan college in the fall.

No date has been set for the wedding.

### Vows Spoken by Miss Borntreger

Mr. and Mrs. Raymond Borntreger have announced the recent marriage of their daughter, Mary Rae, to James Alan Bannan, son of Mr. and Mrs. James H. Bannan of Saginaw.

The marriage took place at 7:30 p.m. July 8 in the chapel of the University Methodist church, East Lansing, with the Rev. Alden B. Burns officiating.

The couple was attended by Mr. and Mrs. Robert Lepel of Niles and Mr. and Mrs. Arthur Langer of Okemos.

The bride, a 1962 graduate of Buchanan high school, is a junior at Michigan State university where she is majoring in interior design. Her husband will receive a bachelor's degree in August from Michigan State, where he is affiliated with Delta Chi social fraternity. A physical education major, he will teach

Miss Jean Swisher

The engagement of Miss Jean Ann Swisher to Lloyd E. Johnson has been announced by her parents, Mr. and Mrs. Eugene Swisher of 115 North Cayuga St. He is the son of Mrs. Theima Johnson of 311 West Third St.

The betrothed couple are graduates of Buchanan high school, with Miss Swisher receiving her diploma in 1966, and her fiancé graduating in 1964.

The bride elect will attend Lake Michigan college in the fall, and he is a cooperative student under the Clark scholarship program majoring in mechanical engineering at Tri-State college, Angola, Ind. He is also affiliated with Sigma Phi Delta, national engineering fraternity.

No date has as yet been set for the wedding.

**Plan Annual Picnic**

### 74 Attend Best Reunion

Several Buchanan families were among the 74 descendants of David and Elmira Best who gathered for the 49th annual Best reunion Sunday at the Rod and Gun club in New Buffalo.

Ross Rishel of Bremen, Ind., was succeeded as president by Robert Best of northern Michigan during the annual election.

Arthur Buegel of Niles was named vice president, with Wilma Galloway of Buchanan as secretary and Harriet Schradet of South Bend as treasurer.

Ralph Vance of Mishawaka received a bouquet in recognition of his having attended the greatest number of reunions; and a bouquet was presented to Guy Best of New Buffalo as the eldest person present. Mr. and Mrs. Guy Best received a prize for the longest marriage, of 54 years, among those attending. Mr. and Mrs. Dean Harhoff of Marshall attended from the greatest distance.

Mr. and Mrs. Leo McCarty of Buchanan will arrange games and entertainment for next year's reunion, which is to be held at the same place on the third Sunday in July.

### Rebekahs, Odd Fellows Hold County Picnic

A small gathering of 34 persons participated in the annual picnic and outing of the Odd Fellow and Rebekah lodges of Berrien county, which was held Sunday at the Brandywine Odd Fellow park near Niles.

The 1 p.m. cooperative dinner was followed by an afternoon of visiting and of games, with white elephant donations serving as game awards.

The F.D.I. club of Bayleaf Rebekah lodge will meet this evening (Thursday) for a basket supper at the home of Mr. and Mrs. Ray Grafford of Red Bud Trail.

### Mrs. Samson Assumes New Auxiliary Duties

The new president of the Veterans of Foreign Wars auxiliary, Mrs. Ward Samson, assumed her duties July 13, when members met at the V. F. W. post home on South Bend road.

The business meeting was preceded by a cooperative picnic on the grounds. During the session which followed plans were made for Mrs. John Ochenmyder, Mrs. Joseph Gorbitz, Mrs. Clara Greene, and Mrs. Will York to attend an auxiliary meeting in Dowagiac July 14 as guests of the neighboring post.

Mrs. Samson announced that she will appoint standing committee chairmen for the coming year during the July 14 meeting.

### Sons of Legion Elect Trapp State Commander

Another milestone has been reached in the long-time active participation of the Maine Trapp family in the affairs of American Legion, with the announcement this week that Richard Trapp has been elected State Commander of the Sons of the American Legion.

The new state commander, whose parents Mr. and Mrs. Maine Trapp live at 208 Days Ave., was elected during the department convention of the American Legion held in Detroit July 14 to 17.

The younger Trapp has been a member of the Ralph Rumbaugh Squadron 51 of the Sons of the Legion since it was organized three years ago. In that time he has served twice as squadron adjutant and as squadron commander in 1965-66. He has also had the job of fourth district finance officer, and is presently the newly elected commander of the fourth district.

At the state level, Richard has just completed a year as state chaplain of the Sons of the Legion.

A 1965 graduate of Buchanan high school, he will begin his sophomore year at Lake Michigan college in September.

Trapp's father, Maine, in addition to his past activities with Ralph Rumbaugh Post 51, is a past commander of the fourth district, American Legion, and is presently a fourth district committeeman.

### Celebrate Birthday

The birthday of Mrs. Fred Jochem was celebrated at the regular meeting of the Maccabee hive held in her home on Tuesday evening.

Mr. and Mrs. George Paulsen of Benton Harbor were guests for the evening.

Plans were made during the business meeting to attend the association meeting July 20 at Benton Harbor.

Prizes were won by Mrs. Lois White, Mrs. George Paulsen and Mrs. Jochem.

Mrs. Nora Welch will serve as hostess for the August 9 meeting.
