

Mini Problem of Dress Snags Galien Board

Study Committee Set; No Solution In Sight

The controversy over appropriate dress in the Galien schools continued Monday night at the regular meeting of the Galien township school board.

At the last board meeting June 17, a 3-hour executive session on the matter accomplished nothing as the issue was tabled for further consideration. According to the minutes of that meeting, "A letter from Mrs. Robert Marshall in regard to proper dress in school was presented to the board. Mrs. Marshall's letter requested the board consider the mini-pant dress as proper attire for girls to wear to school."

Monday night, Board Member Robert Marshall moved to amend the minutes to add that other board members agreed to contact their friends and constituents as to proper school dress. This motion was supported and passed.

Although the matter has not been officially made public, the apparent reason for the controversy is that the daughter of Mr. and Mrs. Robert Marshall was sent home from school for wearing a mini-pant dress. High School Principal Walter Schwarz is the administration official who is reported to have made the decision to dismiss the girl and he has not been at the last two board meetings.

However, it was stated at the meeting that Schwarz did inform the board of his action and recommendations in a letter which has not been made public.

School Survey Made

Since the June 17 meeting the school administration has conducted a survey of area schools regarding school dress. Survey results show that seven area schools do have a school dress code and six do not. Four allow the wearing of the mini-pant dress and seven do not. There were other comments that were not revealed by the administration.

The Marshall Survey

When that part of the agenda regarding old business and the dress question was first mentioned at the meeting Board Member Marshall made the following statement, "I have worked with my wife calling people and talking to people regarding the dress problem. As a board member, I don't feel we should take the responsibility away from the school administration for making a decision, but I do feel that the administration should reconsider its judgment. I think the opinions on the question are 50-50."

Mrs. Marshall then asked for permission to present a petition. She stated that she had attempted to contact 119 parents of daughters in grades 7-12. Eighty persons favored the mini-pant dress, twenty could not be reached, eight had no phones, nine would not sign the petition, six opposed the dress for school wear and four did not express an opinion. Mrs. Marshall stated, "It is now a matter of principle. I feel I do have the right to tell my child what she should wear."

After a great deal more discussion on the question of appropriate dress, it was decided to appoint a committee of the board to formulate a statement of policy on how the administration should proceed in the matter of appropriate school dress. Appointed to the committee by Board President Ted Payne were Wanda Babcock, Kenneth Kelly and James Hemminger.

Four Emergencies

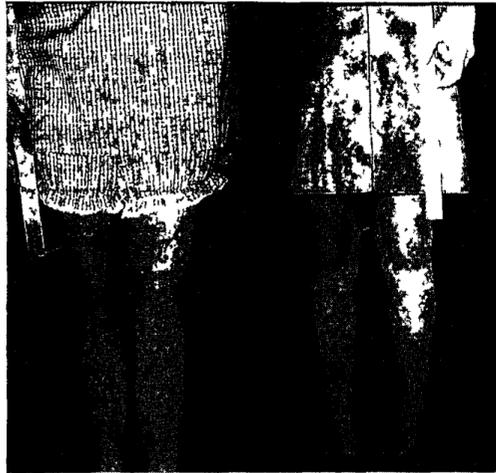

Four emergencies involving Buchanan area residents were reported from Pawating hospital during the past week.

John Kroll of 1633 Niles-Buchanan road was treated July 3 for an injury to nose suffered in a one car accident near Buchanan.

Clara Bonham of Galien was treated July 3 for injury to neck and back suffered in a two car accident at Second and Wayne streets in Niles.

Shirley Cauffman of 306 Main street was treated July 3 for ingestion of several pills and as pirin.

Sue Ervin of 128 West Alexander was treated July 7 for bite by wild squirrel on right little finger.

STORM'S EYE VIEW — Shown above at the left is the new mini-pant dress and, at the right, the mini-skirt. Using the Galien high school handbook, high school Principal William Swartz has outlawed the mini-pant dress, regardless of its length, while the mini-skirt, as long as it is worn no more than two inches above the knee, is permissible. The long and short of the problem has plagued the Galien school board during its last two meetings. Dresses courtesy of JoDee's, Buchanan. —Record Photo

Jail Escapee Caught Here

Buchanan city police Tuesday apprehended a fugitive wanted in Alabama when he allegedly took a brief tour of the city in a "borrowed" wrecker.

Bobby Gene Miles, 19, 503 Michigan, was arrested early Tuesday morning when he reportedly returned to the Edmond Chevrolet parking lot after leaving there in the firm's wrecker some fifteen minutes earlier.

Taken to city jail, he was booked on the charge of unlawfully driving away of an auto. Upon interrogation by Chief of Police David H. Shubinski, Miles admitted he is wanted by the Randolph County Sheriff's department in Wedowee, Ala.

Sheriff Charlie E. Thompson, in Wedowee, told Shubinski that Miles is being sought on escape charges as well as five counts of burglary.

Story Hour Slated

Thursday mornings have been set aside in the Moccasin school library for a story hour, according to William Fischer, director of the summer school program at the north side elementary school.

According to Fischer, the story-telling times begin at 10 a.m. each Thursday and are an integral part of the summer library program.

The Moccasin school library is open from 9 to 11 a.m. Monday and Thursday mornings.

Meeting Of Park Board Set For Next Thursday

The scheduled meeting of the City Parks and Recreation board, set for this evening (Thursday), has been postponed to Thursday, July 18, at 7:30 p.m., according to Goldwyn Smith, chairman of the board.

The meeting will be held in the Commission chambers of City Hall.

Springs Man Is Held By City

A Berrien Springs man, Vernon Dale Ray, 33 of Snow road, is in county jail awaiting trial on the charge of breaking and entering the Indiana & Michigan Electric company property on N Potage St., early Thursday morning, July 4.

He was apprehended by City police deskman Joseph Kring after a brief chase.

Taken before the bench of the Niles Municipal court, Ray pleaded not guilty on the charge, bond was set at \$125 and was not furnished. He was remanded to the custody of officers and returned to jail pending trial. He is expected to be tried on the charge today (Thursday) in the Niles court.

183 New Voters

As of July 5, 183 new voters have registered in the Buchanan area and are eligible to vote in the primary elections Aug. 6.

The City of Buchanan reported 38 new voters registered since the spring city election. Buchanan and Bertrand townships reported totals of 62 and 61 respectively, new voters since the special I & M elections held in the spring.

New Clerk-Treasurer Reports Tax Return

Approximately 11 per cent of the summer tax receipts, or \$33,911.34, of \$303,426.60 have been paid by Buchanan property owners as of July 9 reported Raymond Suabedissen, new city clerk-treasurer.

The deadline for summer taxes is Aug. 10.

Ellis Named To Head Local School Board

Bernard Ellis was reelected president of the Buchanan school board at a special reorganization meeting held Monday evening at Buchanan high school.

Gordon B. Schneider was reelected treasurer and Mrs. Chester Wessendorf was named board secretary to replace B. G. Haaker who did not seek reelection in the recent school election held June 10.

Named to the post of legislative representative for the school board was Frederick Stout, and Richard Post was asked to serve as the board's representative to the district's Curriculum council.

Newly appointed assistant superintendent of schools for business affairs, Norman Kreaiger, was introduced to the board and welcomed to the system.

This was the first meeting of the board with Buchanan's new superintendent of schools, Richard Dougherty.

Dougherty replaces Pierre Bailey whose resignation became effective July 1 after 26 years of service in the local system.

In appreciation of his services, the board passed the following resolution:

"WHEREAS Pierre Bailey made his first connection with the Buchanan public schools twenty six years ago as high school principal in which position he continued until he became Superintendent of Schools following the death of his predecessor, Superintendent Harold C. Stark, in 1937; and

"WHEREAS During Pierre Bailey's many years of service to the Buchanan public schools, more than one generation of school children of this community has been privileged to receive help, guidance, and encouragement from a man endowed with a keen sense of civic responsibility and possessing a jovial, understanding and encouraging personality; and

"WHEREAS Under his leadership the school system has expanded not only in size but also in curriculum and quality education; and

"WHEREAS The time had come, in his opinion, when he could and should spend more time with his family and pass on to others the responsibilities of his office, and

Bernard Ellis

Norman Kreaiger Ass't Superintendent

"WHEREAS Effective as of the close of the official school year on June 30, 1968, he tendered his resignation and official connection with the Buchanan public schools,

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of the Buchanan public schools that the board hereby extends its thanks and appreciation for the many years of loyal, conscientious and constructive service rendered by Pierre Bailey to the Buchanan Public School system.

In other action, the board heard Superintendent Dougherty report nineteen resignations and increased protection for

GRIM REMINDER — Serving as a grim reminder of the tragedy of a hit and run death was this shoe worn by Wayne Francis Kane, 24, of Moccasin Bluff road before he was struck down by a speeding motorist on Red Bud Trail, 2 miles north of Buchanan, shortly before midnight, Thursday, July 4. Nine feet from this shoe, lay the body of Kane when officers arrived on the scene after another motorist sped to Buchanan to alert city police. Kane died in Niles' Pawating hospital at 1:45 a.m. Friday. Sheriff's deputy Richard Hemminger investigated the incident and reported Wednesday that a suspect in the death was being held in the county jail. —Record Photo

Suspect Held In Red Bud Hit-Run Death

Police have what they believe to be a prime suspect in the hit and run death of Wayne Francis Kane, 24, early Friday morning. The fatality, one of 23 in Michigan over the holiday weekend, took place two miles north of Buchanan on Red Bud Trail.

Sheriff's deputy Richard Hemminger declined to identify that suspect but said he is being held in the county jail.

Kane, who lived on the Moccasin Bluff road within sight of the tree-lined highway where he was run down by a speeding motorist, died at 1:45 a.m. Friday in Niles Pawating hospital.

According to Hemminger, Kane and his uncle, Clell Horner, had been in the Riverside Inn when Kane was told that someone was in his boat which was moored in the St. Joseph river, less than a block away.

At shortly before 11:55 p.m. both Kane and Horner left the Inn and started toward the mooring. Horner told Hemminger that Kane was running in the roadway when a car, northbound on Red Bud Trail, swerved into view, crossed the centerline hitting Kane and proceeded north and out of sight at a high rate of speed.

The force of the impact knocked Kane to the side of the winding roadway where City officers found him minutes later after another motorist sped to Buchanan with the grim news of the accident. The sheriff's officer arrived within seconds of the Buchanan patrol car.

Jewell Answers Critics Of Sub Station Pledge

Forrest "Nick" Jewell, Republican candidate in the August 6 primary for the nomination as Sheriff of Berrien County, today leveled "cold" figures at charges made by critics of his campaign promise to reopen the department's sub-station in the South county.

South county residents "Cold logic refutes this extravagant claim," said Jewell. "Officers are presently losing more than 80 hours a week or 4,300 hours a year just in travel time from St. Joseph to their respective patrol 'zones' in the southern townships of the county," he pointed out.

Taken to Pawating by Tri-County ambulance, Kane died of cerebral injuries despite efforts for more than an hour of hospital doctors to save him.

Later in the morning, shortly after 3 a.m., area police who were alerted by the sheriff's dispatcher, apprehended a car matching the description of the hit and run vehicle, south of Niles. The driver, jailed and being held on another charge, is considered by Deputy Hemminger to figure prominently in the Kane death. Witnesses described the wanted car as a "white over black or blue convertible."

The victim's clothing, samples of paint and hair found on the suspect car are being examined by the Michigan Crime Laboratory in Lansing. Results of those tests are expected to be released within the next week.

Wayne Francis Kane was a lifetime resident of the area, born in Niles on Jan. 1, 1944. He had lived most recently with his grandfather, Thomas Horner, at the Moccasin Bluff road home.

Surviving, beside his mother, Mrs. Hazel Kane of Niles, are five sisters, Mrs. Jack Haimbaugh, Niles, Mrs. George Carlson, Niles, Mrs. Larry Grice, Hobe Sound, Fla.; and Darlene and Judy Kane, both of Niles; and a brother, Patrick Kane of Niles.

His grandfather and uncle, also survive.

Services were held Monday in the Halbritter-Swem Funeral Home in Niles with the Rev. Gerald Hartman, pastor of the Niles Free Methodist church, officiating. Burial took place in Truitt's Chapel cemetery, north of Niles.

The revitalization of the Sheriff's sub-station is a major plank in Jewell's platform.

Jewell, a 12 year veteran law enforcement officer, told the Record, "the so-called 'efficient' patrol system being used by the Sheriff today is costing all the taxpayers of the county more than \$20,000 a year to maintain — and it is costing taxpayers in the south county the loss of effective law enforcement."

The former sub-station, located in Buchanan, was closed early in 1967 when incumbent Sheriff Henry Greise said the present "zone" system would result in savings to taxpayers and increased protection for

"In the twelve months following the closing of the sub-station," said the candidate for Sheriff, "officers piled up more than 87,000 miles just travelling to and from patrol areas — and this does not include patrol mileage in their assigned areas."

Sidewalk Days July 19 and 20

The annual Sidewalk Days sale is scheduled for Buchanan on Friday and Saturday, July 19 and 20, according to Keith Welsh, chairman of the Chamber of Commerce's Sidewalk Days committee.

Welsh described this year's event as a "carnival of bargains for lucky shoppers."

To add to the carnival-like atmosphere, Janice Whiteman of Elkhardt will provide organ music from an instrument set up on Front street near Sexton's TV and Appliance store; Bob Barnes of Bridgman will serve as caller for a special Friday night square dance on Front street and the Buchanan Jaycees will sponsor the first annual Buchanan International Turtle Derby Saturday in the sale area.

A teen-age dance is being planned for the young people Saturday.

A special mobile home display will be erected at the intersection of Days and Front streets. The north side of Front street will be roped off and merchants will display their wares from special stands set up opposite their stores.

For the convenience of shoppers there will be free parking in the downtown area.

Read next week's Record for your guide to shopping values during Buchanan's annual Sidewalk Days.

DRIVER INJURED — Mrs. Mary Smotherman, 57, 404 Main street, received internal injuries and a crushed chest when this car, which she was driving, left Red Bud Trail Monday night and slammed into a tree, shortly before 8:30 p.m. She was reported in good condition at Niles' Pawating hospital Wednesday. Sheriff's officers said she apparently failed to negotiate a curve located about two miles north of Buchanan near the Riverside Inn. —Record Photo

Great Lakes Fish Seen As Key To Social Ills

By Elmer E. White
Michigan Press Association

Natural resources in the Great Lakes provides one of the rare opportunities of our time, according to Dr. Wayne H. Tody, chief of the fish division of the Michigan Department of Conservation. Dr. Tody notes that some 50 million acres of water in lakes Michigan, Huron and Superior offer a unique fisheries habitat found nowhere else in the world.

Effective management can bring rehabilitation to the almost-depleted species of gamefish, he said. Such management will bring both economical and sociological rewards to Michigan. A state image of blue lakes filled with sport fish, coupled with ample parks and recreational facilities, will build the tourist trade. The introduction of coho salmon to Lake Michi-

gan has already increased lakefront property values some 10 percent, he stated.

"In the future we can expect the catch of large sport fish such as coho and chinook salmon, lake trout and steelhead to reach a few million fish," he predicted. "Many millions of days annually will be spent by people in the pleasant pursuit of these trophy fish. When we sprinkle the effect of this new recreation on our urban population, it predictably will have a measurable influence on the problems that we now face of social unrest and disorder. I think that this effect will be immeasurably valuable to our society," he concluded.

The decline of valuable predatory species began with extensive commercial fishing operations in the post-Civil War era. Lake trout, whitefish, blue pike and walleye were sought, and in those days brought a fine market price. Exploitation of natural resources for profit was not confined to the Great Lakes. Destruction of forests, strip mines and other misuse of resources by private enterprise was consistent with the times.

Exploitive commercial fishing leveled off and remained fairly constant until 1940. Sea lamprey then invaded the Great Lakes, almost completely eliminating the few remaining gamefish. Lake Huron today is full of low-value fish. The lake is dominated by the alewife. There are a few whitefish, essentially no lake trout and only a remnant of walleye.

Whenever any fish of high value appears, Dr. Tody stated, commercial net fishermen immediately concentrate on them. The fish harvest is high for a year or two, and then declines to the previous low level.

Limits on the catch and supplementing natural spawning with fish raised from hatcheries can restore the former balance of fish life. Once rehabilitation is complete, the production and yield can equal or excel that of former years.

The 1968 Legislature gave the conservation department various authorities to control and regulate both sport and commercial fishing in the Great Lakes.

Co-ops Worker, 3 Youths Killed In Cass Crash

An 18-year-old Buchanan Co-ops employee was among four teenagers killed in an automobile crash early Saturday morning near Marcellus.

Dead is Gregory James Giffis of 313 Shillelagh, Niles. He

Gregory J. Giffis was employed in the gasoline service area of the Co-op. His mother, Mrs. M. J. Giffis, is an accountant with the same firm. Also killed in the crash were:

Alfred Justice, 17, of Niles; Rory Beckman, 15, of St. Joseph; and Linda Van Tyne, 15, of Kalamazoo.

Injured and reported Wednesday as still in "poor" condition in their respective hospital intensive care units were Chris Kirby, 15, of Kalamazoo, who is at Borgess hospital, and Kim Lawrence Welling, 18, of Niles, who was transferred to St. Joseph hospital in South Bend.

Injured in the crash but released from Pawating hospital was John Frederick Bruni, 18, of Niles, son of Dr. John Bruni, deputy county medical examiner.

State Police from the White Pigeon post said the car, driven by Giffis, was headed south on a rural Marcellus road and apparently ran a stop sign at a "T" intersection, crossed the road, travelled 65 feet and smashed into the wall of a house owned by Ray Morlin of Dewey Lake road, Marcellus.

Giffis is survived by his parents, Mr. and Mrs. Millard J. Giffis, two sisters, Gail and Gwen, both at home, and his grandparents, Mr. and Mrs. Edgar Harman of South Bend. Services were held Tuesday at the Holy Trinity Lutheran Church in Niles with the Rev. John S. Hoentzner, pastor, officiating. Burial took place in the Mission Hills Memorial Gardens. As a token of respect, the Buchanan Co-ops was closed from 1 to 3 p.m. Tuesday.

Farm Machinery Classes Begin

4-H young people, between the ages of 14 and 16, have begun six weeks of intensive training in the use of farm machinery as a part of a program designed to meet the requirements of a 1967 farm child labor order.

The order, issued early in November 1967, declared certain farm jobs hazardous for young people, below the age of 16, and said their participation in chores requiring the use of farm machinery could begin only after they have received competent instruction in the use of the equipment.

The training classes are being given in the auditorium of the Buchanan Co-ops, which is co-operating with the U.S. Department of Agriculture and the County Extension Agricultural agent, Clare M. Musgrove. The classes will begin at 7:00 p.m. each Wednesday.

The classes will continue for the next five weeks, after which a test will be administered to determine ability in operating farm machinery.

If the test is successfully completed, the young people may then help by taking part in the work load as summer field chores draw near.

Instructors for the course are Robert Huss, and Otto Juvy, manager and assistant manager, respectively, of the Co-ops Farm Machinery division. They will also be responsible for administering the course completion test.

Fourteen 4-H young people are taking part in the classes.

Commission Okays New SAD Accounting Procedures

A change of administrative procedures in accounting for Special Assessment district funds which is expected to effect a considerable savings in clerical man hours was approved by the City Commission at its regular meeting, Monday evening in City Hall.

Present for the session were Mayor Ken Witt, Commissioners Herbert Henderson, Trent Hall, Maurice Nelson and Joseph Buchman, City Clerk-Treasurer Ray Suabedissen, City Attorney B. R. Desenberg and new City Manager Robert Faulhaber.

The new change, the consolidation of SAD funds into a single checking account will eliminate the ten or more separate accounts the city had previously kept. Various funds will now be identified through accepted bookkeeping procedures.

The commission also authorized the payment of \$19,750 to Miller Equipment company for the Michigan 75-111 Tractor shovel which was delivered to the city late in March.

Adrian H. Koert, traffic and parking consultant for the city, recommended to the board, by letter, that the present southern entrance to the north side parking lot be closed to vehicle traffic and an entrance be sought from Main street. The present entrance would be open to foot traffic exclusively. The commission deferred action until the recommendation could be given further study.

In other action the commission approved Tables I and II of the salary report section of the budget and directed they be used as an overall plan for increments within job categories.

The request for Tri-County ambulance for exclusive running rights in the city was deferred.

The commission discussed insurance rates for retired employees and indicated its interest in a review of the entire retirement insurance program.

The reports of the superintendent of public works and the

Byron Wayne Rowley, 43, Rt. 1, was cited by city police Tuesday for driving on an expired chauffeur's license, after he was involved in a minor property damage accident in the parking lot of the Skyline plaza.

He demanded immediate appearance and was taken before Justice of the Peace Jerry Lauvcr, pled guilty to the charge and was released on \$25 bond, pending sentencing.

Jewell

(Continued from Page 1)

Jewell explained that officers must spend time before their shifts to read reports from prior shifts and following their tour of duty, as much as an hour to an hour-and-a-half is spent in typing reports of tour activities.

"In order to return to St. Joseph in time to type reports," Jewell said, "officers who should be in the south county are leaving that area early, under orders, and going all the way back to the jail."

"We are losing as much as \$13,000 a year in 'down time' to allow officers to travel to and from their 'zones' under the present system," he added. "Gasoline costs, alone, not counting patrol consumption,

amounts to hundreds of dollars per year," he said.

"Just because the county seat is located at the north end of the county," he noted, "south county residents should not get second class police protection from the Sheriff's department."

"Many of our officers' rank, professionally, with the best law officers in the state," he said, "now we must move to free them from wasted road time and let them do their job effectively and efficiently, as I know they can."

In his conversation, Jewell indicated that at least one south county community had offered adequate facilities for the re-establishment of the sub-station, at a minimal cost to the county.

"Considering the number of complaints being handled by the Sheriff's office in the south county has dropped considerably in the last 16 months," Jewell added, "we need positive action to rebuild confidence in the protection received by residents in the southern end of the county. Our officers should not be wasting valuable time 'commuting' from the jail to their 'zone' patrol areas."

Jewell, who resigned as a command officer of the Sheriff's department to seek the post of Sheriff, is seeking the August 6 nomination with three other candidates on the Republican ticket.

OFFICIAL MINUTES Bd. of Education School District No. 61

The regular meeting of the Board of Education, District No. 61, Berrien County, Buchanan Public Schools, was called to order at 7:40 pm on July 8, 1968, at the High School building. Members present Mr. Ellis, Mr. Schneider, Mr. Stout, Mr. Hanson, and Mrs. Wessendorf. Members absent Mr. Flenar and Mr. Post.

THE PRESIDENT recognized Mr. David Hanson, newly elected Board member and welcomed him to the Board of Education. Mr. Gordon Schneider and Mrs. Chester Wessendorf were welcomed as returning Board members. Mr. Norman Kreeger was recognized as the newly hired Assistant Superintendent of Business Affairs.

Motion by Mr. Stout, seconded by Mr. Schneider, that the following slate of officers for 1968-69 be approved by the Board. Mr. Ellis, President, Mr. Schneider, Treasurer, Mrs. Wessendorf, Secretary. Unanimously approved.

The President appointed Mr. Stout as Legislative Representative for 1968-69, and Mr. Post as the Board representative to the Curriculum Council for 1968-69.

Minutes of the June 17, 1968, regular Board of Education meeting were approved as presented.

The Secretary read a letter from the Michigan Association of School Boards regarding the state income tax. This was postponed for further study and action.

Motion by Mr. Schneider, seconded by Mr. Stout, that bills in the amount of \$34,132.32, of which \$26,286.33 was for salaries, be approved for payment. Unanimously carried.

The following resolution was offered by Mr. Stout and seconded by Mr. Schneider: WHEREAS Pierre Bailey made his first connection with the Buchanan Public Schools twenty-six (26) years ago as the High School Principal in which position he continued until he became Superintendent of Schools following the death of his predecessor, Superintendent Harold C. Stark, in 1957, and WHEREAS During Pierre Bailey's many years of service to the Buchanan Public Schools, more than one generation of the school children of this community has been privileged to receive help, guidance, and encouragement from a man endowed with a keen sense of civic responsibility and possessing a jovial, understanding, and encouraging personality, and WHEREAS Under his leadership the school system has expanded not only in size but also in curriculum and quality education, and WHEREAS The time had come, in his opinion, when he could and should spend more time with his family and pass on to others the responsibilities of his office, and WHEREAS Effective as of the close of the official school year on June 30, 1968, he tendered his resignation and official connection with the Buchanan Public Schools, NOW THEREFORE BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE BU-

CHAMAN PUBLIC SCHOOLS: That the Board hereby extends its thanks and appreciation for the many years of loyal, conscientious, and constructive service rendered by Pierre Bailey to the Buchanan Public Schools, and BE IT FURTHER RESOLVED. That the Secretary of the Board be, and hereby is, directed to present to Mr. Bailey a certified copy of this official action by the Board.

Ayes Members: Frederick Stout, Gordon Schneider, David Hanson, Bernard Ellis, and June Wessendorf. Nays Members: None. Resolution declared adopted unanimously.

Motion by Mr. Stout, seconded by Mr. Schneider, that Inter-City Bank, Buchanan, Michigan, LaSalle Federal Savings and Loan Association, Buchanan, Michigan, and Michigan National Bank, Battle Creek, Michigan, be named depositories for school funds for 1968-69. Unanimously carried.

Motion by Mrs. Wessendorf, seconded by Mrs. Schneider, that Mr. Bailey's name be removed from the safety deposit box authorization and Mr. Norman Kreeger be added. Unanimously carried.

Motion by Mrs. Wessendorf, seconded by Mr. Stout, that Marguerite Hanover (Mrs. Victor Beavo) be granted permission to continue school as a married student with the stipulation that she must reside in the Buchanan school district. Unanimously carried.

Superintendent Dougherty reported 19 teacher resignations, 3 of whom are retirees. Seven-teen of the vacancies have been filled.

Elementary enrollment and class size projection was discussed and tabled until the next meeting.

Meeting adjourned at 8:15 pm. Respectfully submitted, June E. Wessendorf, Secretary.

(These minutes subject to approval at the next regular Board of Education meeting.)

Lt. Letcher Receives Bronze Star For Heroic Action In Vietnam

The Bronze Star for heroic action under enemy fire has been awarded to a Buchanan area man, Lt. Jerry Lee Letcher of West Bertrand road, Niles.

Lt. Letcher received the Star for courageous action in the Mekong Delta of South Vietnam on January 31, the first day of the Communist Tet offensive, while leading river patrol boats during the fight to save Ben Tre and the American compound there from being overrun by Viet Cong.

The young officer is assigned to River Section 534, operating with the Navy off a barracks barge on the Ham Luong river in the delta.

Lt. Letcher led his patrol into Viet Cong fire three times that day. At one point, the river patrol boat crews learned that the Viet Cong were massing on the south bank of the canal for the attack on the American compound. Lt. Letcher describes what happened as follows:

"We went into the area and got hit with automatic weapons and small arms fire. We answered with everything we had and we were pretty lucky because when we came out, everyone gave the thumbs up sign showing they were OK."

"We went back in again, putting down all the fire we could. Those 50's (50 caliber machine guns) are incredible. There were VC falling everywhere from buildings in the marketplace."

"One of the other boats took a rocket hit which knocked out the steering. We covered while he got out."

The award citation states that when the other boat was hit, "Lt. Letcher immediately and with no thought for himself placed his patrol in a position to block the enemy fire and permit the stricken RPB to retire." Later the same afternoon, Lt. Letcher led his patrol up the canal again. In describing this action, the citation states "As the patrol proceeded up the canal, they once more met a hail of auto-

Lt. Jerry Letcher

matic weapons fire, but Lt. Letcher kept his patrol on station through six firing runs, conserving ammunition and providing maximum fire support to helicopters and forces ashore before retiring to rear."

Lt. Letcher, who graduated from Buchanan high school in 1960, is a graduate of Western Michigan university. He enlisted in the Navy immediately after his graduation from WMU. He is also the holder of the Purple Heart.

The son of Mr. and Mrs. Russell L. Letcher, formerly of West Bertrand road and now residing at 903 Woodbine Way, South Bend, Lt. Letcher is the grandson of Mrs. Alice Letcher of West Bertrand road.

Country Club To Go "South of the Border"

Ponchos, sombreros, and cacti will set the theme for the "South of the Border" dance Saturday evening from 10 p.m. to 1 a.m. at the Orchard Hills Country club.

Music for the dance will be by the Ken Morris band, announced Mr. and Mrs. Ernest Lang, chairmen. Mr. and Mrs. Ted Majerek are co-chairmen of the dance committee.

Local Girl Attends WMU Orientation

Miss Patricia Jorgensen, daughter of Mr. and Mrs. Louis Jorgensen of 1348 Rynearson road, recently attended a three day orientation program for new freshmen on the campus of Western Michigan university.

In groups of 125 to 150, the new students live in WMU residence halls, take a battery of tests, meet with their counselors, register for classes and receive a get-acquainted tour of the campus.

When the fall semester begins, Sept. 2, the new students will have additional orientation and meetings before starting their first classes on Sept. 4.

Woollets Host Loyal Workers

The Loyal Workers class of Church of Christ met Tuesday evening for a picnic dinner at the home of Mr. and Mrs. Lyle Woollet of Dewey street.

Nelson Ferris, president, conducted the meeting attended by 10 members.

Letters of appreciation were read from the mission in Italy and the Christian television mission.

The entertainment featured the viewing of color slides of Canada and Oklahoma from fishing and hunting trips made by the Woollet family. Several members also played darts.

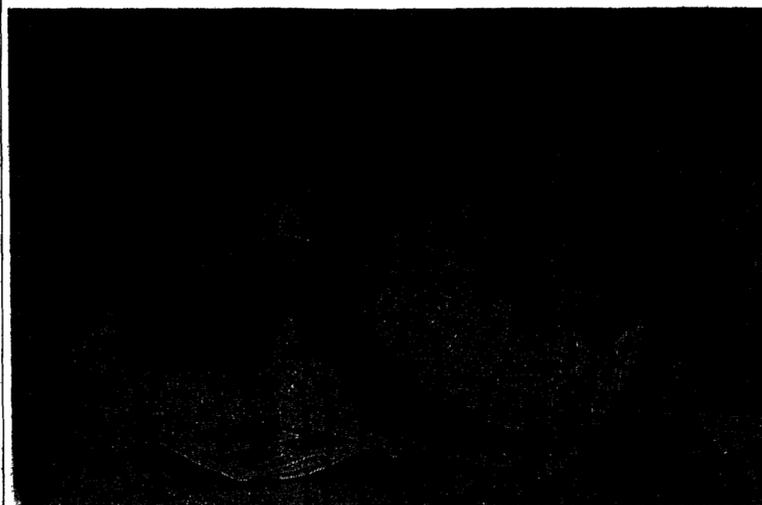

The next meeting will be Aug. 13 at the Nelson Ferris home with a co-operative dinner at 6:30 p.m.

Fernwood Offers Nature Classes

Summer classes for children were begun at Fernwood this week with a study of insects class for children ages 8 thru 12 under the direction of Mrs. Louise Kohring. The class ends Friday.

Mrs. Kohring has planned a second five-day series of more advanced insect study July 15 thru 19 for those 10 years and older. Classes will meet from 9:30 a.m. until noon. Mrs. Kohring is a fifth grade teacher at Northside school in Niles and holds a master of science in education degree from Michigan State university and is known for her knowledge of insects and wild flowers.

A third study series for children, featuring stichety will be offered July 30 thru Aug. 3. Mrs. Martha Kline of Mishawaka will teach the classes from 9:30 a.m. to 11:30 a.m.

IN SPEECH THERAPY — Roger Allen McCaslin, 5, of 724 Chippewa St., left, holds up his hand so that speech therapist John Hulecki can let him "feel" the sounds of words. Both Roger and Mark Boelcke 6, of Meade road, are taking part in a six week summer speech therapy program offered at Moccasin school to help Kindergarten children improve and/or overcome their speech difficulties before entering first grade. Twenty eight young people are enrolled in the program. —Record Photo

Minors Charged With Possession

Five area minors and a juvenile boy were charged with being in possession of intoxicants by Buchanan city police in two separate incidents during the last week, according to David H. Shibinski, department chief. James Winford Williams, 17, 501 Michigan, and Robert Dale Pelley, 19, 307 Berrien street, were arrested early Friday morning by city police as they drove west on E Front street near the Clark Equipment company administration building. Both were taken to city jail where they were held until each posted \$100 bond pending their appearance in Justice court.

A 15-year old boy, in their company, was also taken to the police building and was released in the custody of his parents, pending his appearance in juvenile court. Ramon Edmond Davis, 18, 364 Perry St., Niles, John Henry Gamble, 17, 321 Claremont and Alvin Clayton Kyle, 18, of 312 Richards St., were arrested by city police early Sunday morning at the intersection of Front and Oak streets. All were taken to city jail where they were held until furnishing \$100 bond. All were released on bond, pending appearances in Justice court.

Easter Seals Net Record In County

The 1968 Easter Seal campaign in Berrien county topped its announced goal of \$15,500 by more than \$600, according to William P. Bartz, campaign chairman. The gross amount raised was \$16,190. The announcement made no mention of the way in which the funds would be used and the costs of the campaign. The balance was called a "record" by Bartz. In his announcement, Bartz said: "We thank the people of Berrien County for their generous support of the Easter Seal campaign." The society has offices at 215 Lakeview Ave., St. Joseph. Nellie M. Miller, RN is executive secretary.

Dimes Chapter Grants Listed

Two \$500 nursing scholarships will be awarded to competing Berrien County residents, reports Andrew Novikoff, executive secretary of the Berrien County chapter of the National Foundation. Only county residents completing first year of study at any accredited nursing school or college, are eligible for the grants for the 1968-69 school year, Novikoff pointed out. "Selection of the winners, who may be of either sex, will be made on the basis of financial need, scholastic progress, and sincerity of purpose," Novikoff said. Winners will be announced on August 15. Application forms are available by writing Andrew Novikoff, Executive Secretary, March of Dimes, P.O. Box 42, St. Joseph, 49085.

Crop Wheat Certificates Set At \$1.30 For '68

A value of \$1.38 per bushel was just announced by the U.S. Department of Agriculture for 1968 crop wheat marketing certificates. Certificate payments to approximately 43,000 Michigan wheat growers will begin soon from county ASCS offices. Frank J. Light, chairman of the Michigan ASC state committee, stated that the certificate value is based on the difference between the July 1, 1968 wheat parity price of \$2.63 per bushel and the 1968 crop national average loan rate of \$1.25 per bushel. Certificate payments to farmers are based on the projected production on 40 percent of the 1965 farm wheat allotment. This reflects the wheat used for domestic food on which program cooperatives receive 100 percent of the wheat parity.

Mr. Light added that certificate payments add substantially to the income farmers receive from marketing their wheat. In determining total return per bushel for wheat, cooperatives divide their certificate payment by total production to get an average per bushel payment, about 50 cents. By adding this to the price they receive in the market, participants in the program can find their total return per bushel. Millers and others purchase wheat marketing certificates at 75 cents per bushel on all wheat processed for domestic food use. The remainder of the certificate payment is made up by the government.

Tart Cherries May Cost More For Consumers

Factors which add up to a very strong red tart cherry market and a price to producers at or above last year's record price are expected to mean increased costs to the consumer for locally grown cherries. The Michigan Agricultural Cooperative Marketing Association (MACMA) in Lansing reports that 17 million pounds of red tarts are expected in Southwestern Michigan counties and "there is little reason to expect that that figure will be exceeded," said Robert Braden, MACMA executive. High winds in the first days of July further reduced the crop prospects and a substantial amount of the crop is expected to go directly for juice, he added. He noted that brown rot is a very real danger in this area as a result of the heavy rain and wind damage. Volume harvest is expected to begin this week in Berrien county.

MACMA is advising its growers members that factors point to a 19-21c grower price per pound. Processors are balking at the prediction with comments ranging from "completely off base" to "you analysis might be correct."

Added to the grower price of 19-21c per pound would be approximately 11c for processor margin and storage allowance, bringing the cost to the retailer to about 30-32c.

Consumers in Buchanan are paying from 39-43 cents per 303 can of red tart cherries. With market factors pointing to a tightening of their position by growers, consumers can be expected to pay as much as from 42-47c per 303 can when the 1968 crop is in.

Strawberries are still available from Michigan fields, but "get 'em fast, while they last" is the byword for all practical purposes, supplies of berries are "about done," reports Maryann Meldrum, district extension consumer marketing agent in Kalamazoo.

Braves Take Two In Pony League Activity

Only three games were played in the Pony league during the last week because of a lay off for summer activities.

Braves Meet Cards

On Monday, July 1, the Braves topped the Cards 9-4 with Gary Mullins taking the win and Jim Williams tagged with the loss. Ron Aalfs started off on the mound for the Braves, pitched one full inning and faced four batters in the second. He walked two, struck out one and gave up two hits and three runs.

Mullins came on in the second and pitched six innings, walking two men, striking out six and giving up one run on five hits.

Williams pitched 6 1/2 innings for the Cards. He walked five and struck out seven men, giving up nine runs on nine hits. Carl Gruelick pitched 3/4 of an inning and walked one batter while striking out one man.

Braves began scoring in the first inning when Mike Frost who had drawn a pass to first, was scored when Ron Aalfs slammed a triple. Aalfs scored on a wild pitch.

In the second inning the Braves continued to pour it on as Tom Castle tripled and scored on Bill Walkden's single.

But the Cardinals were not to be outdone in the second. Leadoff batter Fritz Thompson singled, Dave Hess walked and Dave Nunley drew a pass to load the bases. Gerald English singled to score Thompson and Hess scored when the Braves

centerfielder John Gorbitz bobbled the ball. Nunley went to third and English took second.

Gary Mullins was called to the mound by the Braves to stop the threat, but despite the strategy, Walt Jackson singled, scoring Nunley. He went to second on the throw while English stopped at third. Jim Williams grounded to Braves shortstop Ron Aalfs who pegged the ball on the first leg of a double play, nailing Williams at first and English at the plate.

Jackson went to third during the double play action, and scored when Cauffman singled. The inning ended with the Cards leading the Braves 4-3.

The Braves took the advantage and the game, however, in the fourth inning when Mullins was at third on errors by the Cards first basemen and shortstop. Gib Mattson tripled scoring Mullins. Castle walked, stole second and both Mattson and Castle scampered across the plate on Card errors.

With one away in the seventh, John Gorbitz singled for the Braves and Frost drew a pass. Ron Aalfs singled, scoring Gorbitz and sending Frost to third. Aalfs went to second on the throw.

Carl Gruelick came in to take over the mound duties for the Cards and was almost tapped for a hit when Mullins grounded out to third. Frost scored, however, on the play and Aalfs went to third to score when the first baseman threw wildly trying to nail him at 3rd. Three runs were scored in the inning.

Tigers vs. Cubs

On Tuesday evening, July 2, the Tigers romped over the Cubs 12-6 with Mike Travis taking the pitching honors and George Dreitzler being charged with the loss.

Travis gave up eight hits, walked five batsmen and struck out seven while Dreitzler allowed only four hits, walked five men and struck out nine.

The Tigers captured the game in the first and third innings. Action got underway in the first when Jeff Adams walked and Steve Berry singled to send Adams to third. Berry stole second and both he and Adams scored when John Griffin was safe on a two base error by Cub third baseman Jamie Dougherty. Griffin went to third on another Cub error, and scored on a wild pitch.

The Tigers came away from the third inning with their second set of three runs when Adams singled, Berry was safe on an error and Griffin walked to lead the bases. Mike Travis tripled, to be credited with three RBIs, but was put out when he tried to steal his hit into a home run.

In the sixth inning, Griffin was safe on a dropped third strike, and he proceeded to score on three consecutive Cub errors, one of which allowed Travis to reach first. He stole second, went to third on a passed ball and scored on a ground out by Don Collins. Steve Swetish was safe on an error, went to second on a wild pitch and scored in a two-base error. At the end of s.x, the Tigers had 9 runs.

They scored their last set of three in the seventh when Adams walked, Berry was safe on another double base error. Travis singled, scoring Adams and Berry and he went on to second on the throw. He stole third and scored on an error by Cub third baseman Dougherty.

Cub runs were scored in the first, third, sixth and seventh innings.

Yanks vs. Braves

Last Monday evening, the Yanks met the Braves in what has been described as one of the best played games of the season on the part of both teams. In a fielder's match, the Braves squeaked past the Yanks 3-2, in ten innings.

The Yanks started things off in the first when Tom Ledy and Jeff Wood singled with one away. Gary Dickow forced Ledy at third but Wood went to third and Dickow went to second when a bad throw by Frost got past the Braves first baseman, Tom Castle. Duane Zdenahlik singled, to score Wood and Dickow.

The Braves came back in the third to counter the Yanks' two runs as John Gorbitz singled, went to second on an error, to third on a wild pitch and scored when Yank Mark Corn well made a two base error on Frost's flyball. Ron Aalfs popped to left. Mullins singled, and Frost was put out trying to score Mullins, however, made the effort worthwhile as he scored on two errors and a stolen base.

The Braves' winning run came in the 10th when Bob Mosier was safe on an error by Yank Ray Hartline at second. Don Witt struck out and Mosier stole second. Bob Aalfs drew a pass, Gorbitz struck out. The bases were loaded when Frost was sent to first after being hit by a pitch. Ron Aalfs' single brought Mosier in for the winning tally.

Both pitchers in the contest went the distance with Gary Mullins taking the win. He walked 2, struck out 7 and gave 10 hits. Charged with the loss was the Yank hurler, Duane Zdenahlik, who walked five men, struck out nine and gave up only five hits.

Presbyterian Youth Plan Canoe Retreat

The Senior Youth Fellowship at First Presbyterian church has completed plans for a canoe retreat July 12 thru 14 on the Pere Marquette river. Terry Morlock is president of the Senior Youth Fellowship and Mr. and Mrs. Larry Wilson are the advisors.

The group numbering 16 young people and seven adults will meet at the church Friday for a 5 p.m. departure.

Top-profit standards for acre-per-man have been calculated from Michigan State University's TelFarm management records. A recommended standard average is about 300 acres per man for sugar beets, beans, wheat and corn in the Saginaw Valley. But cash grain farmers with wheat, soybeans, navy beans and corn would need about 400 acres per man.

IN PLACE NOW — Shown while workmen put it in place is a new piece of playground equipment recently added to the inventory at Centennial Park. Called the "Green Castle" by its manufacturer, the climbing bar and slide combination is one of two pieces purchased early in the summer by the City Parks and Recreation board. Legion Drops Two In Holiday Tournery Play

Buchanan's Blue Gray Legion team came home with one tournament win under its belt this last week but suffered two losses, one in its second tournament appearance.

In the first game of the double elimination tourney at Benton Harbor, the Bucks took a loss at the hands of Benton Harbor 5-0 as errors took their toll.

Scott Ives took the win for the Harbor as he gave up one hit. Tagged with the loss was Steve Berry, giving up 6 hits. The Bucks were charged with 9 errors in the seven inning match.

The Bucks' only hit came in the fifth when Ron Aalfs hit a double with two away. He was stranded, however, as Dar' Snook hit to the Harbor second baseman who made the throw to first in time. Aalfs and Bob White, who walked in the second frame, were the only Bucks to reach second during the match.

Topping the hitter's list for Benton Harbor was Jim Kesterke who was 2 for 3 with a double in the fourth and a single in the sixth.

The Benton team scored runs in the third, fourth and seventh innings.

In Second Game

The Bucks bounced back in their second appearance of the day to take a 5-3 win over New Buffalo. Snook took over the pitching chores in this match and a lowed only three hits while John Holm, who pitched the first three innings for New Buffalo was charged with the loss.

Bob White and Russell in good style with a lead-off single followed by Dale Russell's single. Successive singles by Berry and Al Hicks brought Russell around for the first run of the game.

New Buffalo came back in the third with three runs to take a temporary lead in the game.

The Bucks put the lid on the game when in the fifth, runs were scored by Russell, Berry and Ted Lake. The Bucks' fifth run came in the sixth inning, scored by Rog Hassen.

Bob White and Russell shared hitting honors — both were 2-4.

Saturday Action

On Saturday, the Bucks dropped a 4-2 decision to St. Joseph. Adler was given the win for St. Joe while Rog Hassen took the loss, giving up 8 hits.

St. Joseph came on fast in the first inning, scoring three runs after successive singles by Carlson, the lead-off batter, and Bronker, the second baseman and a double by Ott which scored Knuth.

Buchanan's two runs came in the third inning as Dale Russell and Bob White crossed the plate on a pair of errors and White's double.

St. Joe put the top on the game with a run in the fifth on

Clarks Lead In Softball Action

Buchanan's Men's Softball league continues its action with Clark Equipment leading the field with three wins and only one defeat.

In last week's action, Roti Roti's sneaked by Neal's Auto Parts 12-11, Wednesday, July 3.

Clark Equipment showed why they occupy the top slot Monday when they topped the Jaycees 15-9. Two home runs by Clark's Jeff Lyon and a pair of triples by teammate Nick Young accounted for much of the team's spark.

In the second game Monday, Neal's Auto bounced back from the defeat the week before and took Gambles 11-10.

How They Stand

At the season's halfway point Clark leads the pack with Neal's Auto Parts in second with a 4-2 record. Tied for third place are Roti Roti's and Desenberg's, each with three wins and a pair of losses.

In fifth spot is Gambles with two wins and three losses and the Jaycees with five losses and in sixth place.

Mixed Two Ball, Best Ball Are OHCC Events

Winners of the Orchard Hills Country Club 4th of July events were announced Monday by Al Kinnaman and Phil Wigent, co-chairmen for the day's links activities.

In a morning best ball match, the foursome of Ed Duffield, Ted Majerek, Bill Saunders and Bob Patterson took the honors with a 107. Emerson Bowman, Jack Frank, Austin Godsey and Les Johnson made up the foursome which placed second at 113. Nosing into third with a 115 were John Miller, Terry Linville, John Shirk and Rich Beistle.

A mixed two-ball foursome event in the afternoon saw Mr. and Mrs. Robert Feldman of South Bend winning the first place spot in the low net score division. Mr. and Mrs. Ron Gabriel of Niles were second.

Taking honors in the low gross score division were Mr. and Mrs. Al Kinnaman of Niles, Phil Hadsell and Mrs. Richard Miller, both of Niles, were runners up in the division.

A continental breakfast at 7:30 a.m., a noon-time cooperative luncheon and evening fireworks display rounded out the club's holiday activities.

Donner Bailey Is Winner In Little Buick Open

There were ties galore in the Little Buick Open golf classic at Brookwood Public Golf course Saturday and Sunday with sixteen golfers slated for "sudden death" playoffs this Sunday at high noon.

Winner in the Championship Flight was Donner T. Bailey of St. Joseph who completed the double circuit with a par 72. Three strokes behind at 75 was Roy Anderson of Bridgman. Roger Hess was in the flight's third slot with a four-over par 76.

Five golfers in the Men's "A" flight will play for honors this Sunday in playoff. They are Jack Toffelmitte, Buchanan; Bob Yaw, Niles, Don Dudas, Niles, Phil Fisk of Berrien Springs and Tom Reiter, Chicago. All carded 87's for the 18 holes.

In the Men's "B" flight, seven golfers tied at 93 to win berths in the weekend playoff. They are Bob Barnhart, Buchanan, Bob Samuels, Buchanan, J. H. Brown, Niles, A. Lomough, Bu-

chanan; Bob Molica, Niles; Bob Hullinger, Buchanan and Bob Chase of Buchanan.

In the "C" flight, four golfers tied at 100 strokes and will compete in the sudden death determination Sunday. They are M. J. Somore, Bryon Whiteman, Harold Gulliksen and John Shilling of Niles.

Mrs. Richard Gerish, Buchanan, was tied in the Ladies flight with Kathy Fisk of Berrien Springs. Both carded 85's for the 18. Miss Tom Saratole of Niles was third with a 99.

Winner of the longest drive, 285 yds., was John Dick of Buchanan. Don Creed, of the Or-

chard Hills Country Club, was closest to the hole on the second shot at the fifth hole.

Ted Halbritter, Jr. was winner of the putting contest with 15 putts.

After Sunday's determination, winners in each flight will have the free use of a 1968 Buick or Pontiac from Kennedy Motors, sponsors of the event, Brookwood Public Golf course was a co-sponsor of the weekend classic.

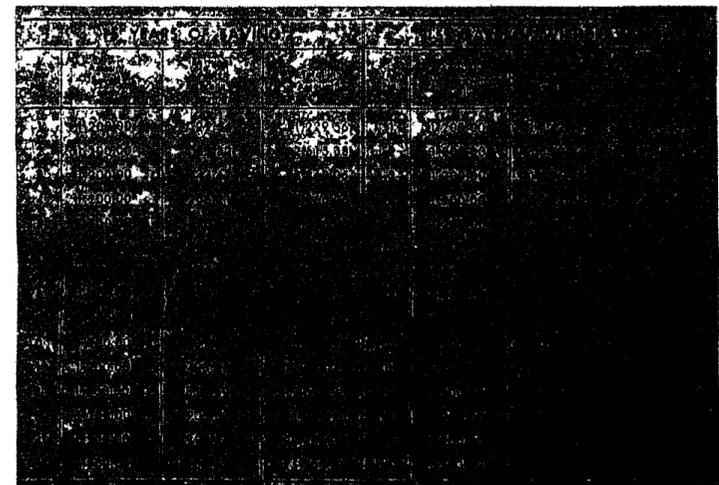

Winner of the \$140 golf bag was J. V. McBee of Berrien Springs.

Warning flags are up for Michigan poultrymen to cut back on egg production, but Michigan State University poultry scientists say that there is still room for expansion. They note that Michigan poultrymen are now supplying only 50 to 55 per cent of the eggs consumed in Michigan.

PUTTING MIND, MUSCLES TO WORK — Nicole enjoys her four daily half-hour sessions on her special floor mat. Here she has learned to "push off" from a helping hand and crawl on her own. Creeping (on hands and knees) will come next and then, walking. Mrs. Joseph Saratore, daughters Sherrle (center) and Carrie also use this time to play with Nicole and exercise her eyes through the use of toys and pictures.

Nicole Improves With Daily "Patterning"

Editor's Note: This is the second and last part of the story of a Buchanan family's courageous fight against a mandate that their four-year-old daughter be restricted to a meaningless life as the result of brain damage from meningitis — a mandate they could not and did not accept. Writer Norma Stevens has caught the spark of the Saratore's fight, the amazing and happy progress of which is pointed out in this report, "From Hope to Reality".

By Norma Stevens

Nicole Saratore is a winsome little child, weighing only 20 pounds, who can scarcely move her arms or legs or hold her head up. She is a victim of brain damage as the result of meningitis. As reported last week, Nicole was on the road back to partial recovery through a "patterning" process in which Niles women were taking part on a voluntary basis. But business was forcing the family to consider moving to Buchanan — and Mrs. Joseph Saratore was worried "would the same help be available in the new city?"

As it turned out, Mrs. Saratore's fears began to dissolve after a single phone call to a Buchanan friend, Mrs. Thomas Boyer.

"Grapevine" Works

Mrs. Boyer, in turn, contacted Mrs. Carl Newson and Mrs. John Miller, and soon the well-known small town "grapevine" system was at work at its best. The problem was brought before the Buchanan Child Study club and other groups, and before long, volunteers were responding from every side: high school students, grandmothers, non-mothers, and mothers who had to find someone to stay with their own children while they assisted in Nicole's program.

In January, the move to 319 Hillview in Buchanan was accomplished smoothly, with no break in Nicole's routine. For a time, many volunteers continued to drive over from Niles, but now, five months later, only 10 Niles helpers are taking part, with Buchanan people filling the rest of the schedule. Mrs.

John Miller has undertaken the task of planning the patterning schedule, lining up new volunteers when others must drop out, and finding substitutes when one must be absent. The volunteers never call Mrs. Saratore herself about schedule changes, for she has little time for telephone conversations.

In addition to eight-minute patterning sessions four times daily, Nicole must be masked for 60 seconds every half-hour. A small, transparent mask is placed over her mouth and nose to force re-breathing of her own breath, thus raising the carbon-dioxide level of the blood and stimulating the brain to trigger deeper and more regular breathing, which in turn develops the lungs and brings more oxygen to the brain.

The program also includes crawling exercises on the floor after each patterning session, with leg assist from a volunteer, for a total of two hours daily. There are also special procedures for tactile stimulation, eye exercises, tongue and chewing stimulation, and just lately learning words by use of cards, pictures, and a tape recorder.

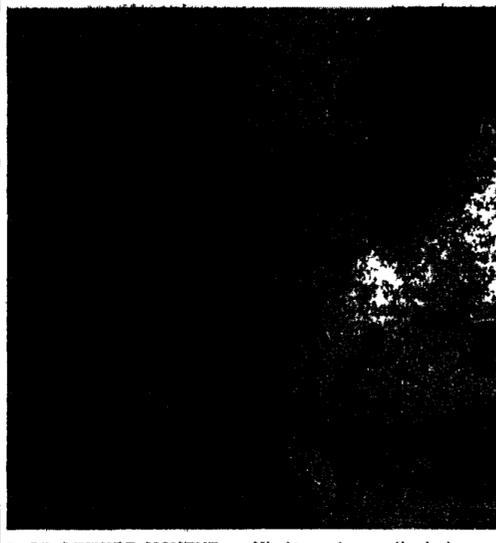

Signs of Success

The prevailing question throughout the story of little Nicole Saratore's treatment is obvious: Does it work?

There are many skeptics among laymen and doctors alike, and the medical profession as a whole is reserving judgment until more proof of its effectiveness is forthcoming. The patterning method is generally viewed, at this time, with the same doubts accorded the Sister Kenny treatment for poliomyelitis some 30 years ago (now the accepted treatment).

Yet today many doctors' children are themselves among the hundreds of youngsters being treated by the Doman-Delacato method, and stories of miraculous progress in many of these children are being heard daily.

Two weeks ago Nicole was taken for one of her regular check-ups at the Chicago institute, where tests showed that her neurological age has doubled during this first 15-month period of treatment. That her motor abilities have advanced to those of a 13-month-old child. Her sense of feeling has improved (tactile ability), as

RARE LEISURE MOMENT — Nicole, on her mother's lap, enjoys a moment of visiting with writer Norma Stevens. Mrs. Joseph Saratore has been praising the warm response of Buchanan people in answering a plea for volunteers. Prospective helpers are always welcome to come and observe, and perhaps sign up as substitutes or "regulars".

30 Club Picnic Set Monday

The annual summer picnic of the Buchanan 30 club is scheduled for Monday afternoon at the home of Mrs. Alfred Hanson at 303 North Hamilton Dr.

A cooperative luncheon will be served at 1 p.m. The planning committee with Mrs. M. A. Dairymple as chairman consists of Mrs. Robert Habicht, Mrs. R. L. White, Mrs. Ernest Hausman, and Mrs. Herbert Henderson.

Volunteers Share Progress. All these gains are proudly noted by the volunteers who come to help her, as well as by her family.

"We don't yet know Nicole's potential," says Judy Saratore, "but month by month we can see her growing slowly better. Maybe Nicole will never be able to go to school, but perhaps she'll be able to lead a somewhat normal life. We want most desperately for our little girl to be able to enjoy life and if that can come to pass, all this will have been worthwhile. As one of the doctors said, the only thing harder than this program, is for a family to see such a child never progress at all."

Nicole's mother then added, "You know, I really want Nicole's story to be told, for just two reasons. I think perhaps it may help to give people a better understanding of brain injury... that this is not an accident of nature... not a birth defect nor a hereditary thing, but rather an accident of living that can happen to anybody, anytime (heaven forbid). Also, Nicole's story may help someone else... lead another family from despair to hope, and show them a way to find help."

As she finished speaking, the telephone rang in her bright, pretty kitchen. A mother was calling from a nearby town... she had just returned with her child from the Chicago Institute... patterning was to begin in her home the next day... could Mrs. Saratore give her any words of encouragement... offer any suggestions... that would help?

Judy Saratore closed her eyes for a moment and pressed her hand to her mouth. Then "It will be alright, you'll see. Don't be afraid. Do you have all your volunteers lined up? Good. Ours are all so wonderful! Remember, there is so much to gain... and you must BE LIEVE!"

Her eyes were shiny-wet, and she took a deep breath. "It's only five years, you know... such a little time..."

with more on the forks

It takes fast handling and big loads to keep warehousing costs down. All-new Clarklift 500 trucks break tradition by adding a bonus 500 lbs capacity. Rated at 3500, 4500, and 5500 lbs, the new Clarklift 500's create radically new rating categories, moving more stock at less cost per pound of capacity.

with 4-times the display space

How do supermarkets make room for the mushrooming list of new grocery products? Clark-built Tyler Air Skreen refrigerated display cases are one solution. Their secret is a remarkable curtain of air that lets grocers stack perishables higher than ever—and still temptingly displays them out in the open. Result. Up to four times more shelf area per square foot of floor space.

on slippery 45% slopes

Washington farmer and manufacturer John Rea needed some self-propelled wagons to operate on grades up to 45% in slick, powdery soil. So he built them at his Rea Manufacturing Co. in Touchet. Using a rugged Clark power train (power-shift transmission, torque converter, non-slip planetary axles), his "bank-out" wagon has enough pull and traction to haul 550 bushels of dry grain on the sharpest slopes.

Buchanan Class of '28 Meets For 40th Reunion

Twenty-eight of the 43 members of the Buchanan high school Class of 1928 were present for the 40th class reunion held June 30 in the American Legion home. Meeting with class members were their spouses and some members of other classes, with 46 persons in attendance.

Among those present was the class president, Dr. Robert French, who served as toastmaster. Other class officers included Harvey Letcher of Manteca, Calif., and Mrs. Glenn (Carol Kool) Douglass of Oxford, Ohio, secretary-treasurer.

A social hour preceded the serving of dinner at 2:30 p.m. at tables decorated with both

Hickok, Rev. Leland Paul, Howard Cayo and Irene Imhoff DeWitt, (third row) Gordon Burrus, Marjorie Kool Batchelor, Betty Kollenberg Wilcox, Dr. Robert French, Cecelia Eisenhart Schreiber, Mary Louise Diew Gombosi, Louisa Cooke Weaver, and Mayme Proseus Bachtel and (back row) Jeanne Roti, Inez Denno Watson, Anita Boyle Tichenor, Dorothy Wessendorf Lentz, Martha Schultz, Bernice Harhoff Wright, Donna Belle Weaver Sams and Victoria Zaciman.

Senior Citizens Have Annual Fete

Thirty-eight members and guests attended the annual picnic held by the Senior Citizens of Buchanan at the Odd Fellows park in Niles.

A dinner was served shortly after noon and the afternoon was spent in outdoor games arranged by Mr. Ed DeSonia. The various guests were called on for after dinner speeches.

Cards of greeting were sent to absent members as well as to Mrs. Winifred Nolan who had been a guest of Miss Alice Herring last winter. She has returned to her home in Liverpool, England.

The need for quicker ambulance service in Buchanan was discussed. It was agreed that an ambulance would be a valuable aid in certain emergencies and might contribute toward the saving of a life in the future.

Buchanan Boy At Music Camp

Vaughn Armstrong, son of Mr. and Mrs. Arvelle Armstrong of Runyon road, is among 233 junior high school musicians presently attending Blue Lake Fine Arts camp near Muskegon.

The session, which will continue through July 14, offers instrumental training in strings, brass, woodwind, percussion, and piano for students in the seventh through the ninth grades.

The students are studying playing techniques, music theory, large and small ensemble performance, and conducting.

In addition to their musical study, students take courses in other areas of the arts including drama, art, and dance.

Blue Lake Fine Arts camp is in its third year and is affiliated with the Youth Music program of Michigan State university.

Four Local Men Receive Honors

Four Buchanan students are among 952 students honored by Ferris State college for academic excellence in the spring quarter by being named to the Dean's honor list.

Announcement of the appointments was made by Dr. Robert L. Huxol, vice president for instruction.

Receiving honors were Larry E. Aalt, James H. Desenberg, Jerry L. Donley and Jerry G. Smith. All are taking courses of study in the field of technical and applied arts.

To be named to the Dean's honor list, a student must maintain at least a "B" average while carrying a full academic load.

WHEN SHOULD YOU TRY SELF-MEDICATION?

Medical authorities agree that self-medication should be restricted to first aid for symptoms of conditions that one can recognize easily. Examples are, a simple cold that does not persist, occasional constipation, simple headaches, minor aches and pains, infrequent indigestion, or minor burns.

But, if symptoms persist, or re-occur frequently, it is dangerous to keep masking them with home remedies. A physician should be visited to diagnose the true causes of any ailment and to treat them for a cure. Treatment at the beginning of any problem is usually more effective and can prevent much future pain.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

James Rothfuchs and Bride Honeymooning in Mexico

James Arnold Rothfuchs of this city and his bride, the former Miss Linda Chambers of El Reno, Okla., are honeymooning in Mexico City and Acapulco, Mexico, following their marriage Friday, June 14, in the Trinity Baptist church in El Reno.

The bride is the daughter of Mr. and Mrs. Robert W. Chambers of 916 South County Club road, El Reno, and the bridegroom is the son of Mr. and Mrs. Arnold Rothfuchs of 314 Chippewa.

The church pastor, the Rev. A. J. Martin, officiated at the seven o'clock double ring ceremony.

Nuptial music was provided by vocalist, Joe Frank Marsh, who was accompanied by the church organist, Miss Judy Martin.

Given in marriage by her father, the bride was attired in a classic floor length gown of white peau de soie.

Mrs. James Rothfuchs

The fitted Alencon lace bodice was fashioned with a scalloped neckline and sleeves tapering to bridal points. Pearl drops highlighted the bodice and lace appliques which adorned the full skirt. Flowing from the back neckline was a chapel train of peau de soie edged in scalloped

Venice lace. A bridal cap of Alencon lace and organza, trimmed with teardrop pearls held her elbow-length veil of silk illusion.

The maid of honor, Miss Linda Ely of Oklahoma City, Okla., wore a floor-length gown of yellow dotted swiss, accented with Venice lace daisies, and a matching bow headpiece.

The flower girl was Brenda Adamson, cousin of the bride, and serving as ringbearer was Billy Chambers, brother of the bride.

Performing the duties of best man was Michael W. Stalcup of Indianapolis, Ind. Ushers were John L. Rothfuchs, brother of the bridegroom, Robert S. Chambers, brother of the bride, and Verle Ray Jones, uncle of the bride.

Immediately following the ceremony, a reception was held in the church fellowship hall.

The bride is a spring graduate of Oklahoma College of Liberal Arts in Chickasha, Okla., and the bridegroom, a Buchanan high school graduate, graduated from Western Michigan university, Kalamazoo, in April.

The couple will reside in Kalamazoo while the bridegroom studies for a master's degree in business administration.

Miss Buchanan To Be Guest

Miss Buchanan of 1968, Joan Moyer, will be a guest of the Buchanan Jay-shees this evening (Thursday) at a dinner at a South Bend restaurant.

During the evening Miss Moyer will relate some of her experiences as Miss Buchanan and will model several of the costumes which she purchased with her prize money.

Mrs. Dennis Steinhof, dinner chairman, announced that members are to meet in the bank parking lot at 6:45 p.m. and proceed as a group to the restaurant.

Mrs. Stark Is B-TOPS Queen

Mrs. Charles Stark was named queen of the week by the Buchanan B-TOPS club when it met Monday in Bertram township hall. The honor was conferred for having lost the most weight during the past week.

Mrs. Jimmie Sebasty, leader, announced that team 1 was the winner with most weight loss during the six weeks of the contest. As penalty team 2 will provide the entertainment at the club's anniversary party scheduled for July 29.

The next meeting will be Monday at 7:30 p.m. in Bertram township hall.

Hospital Guild To Meet

The Buchanan Community hospital guild will meet this evening (Thursday) at 8 p.m. in the hospital dining room. The meeting will be conducted by the president, Mrs. Dale Hanover.

Lewis Reunion Held Saturday

Forty seven members of the Lewis family gathered Saturday at the Bertram township hall for the third annual reunion of the clan.

With family members attending from Buchanan, Niles, St. Joseph, Houghton, Augusta and Detroit, Chicago, Ill., and Tullahoma, Tenn., Mr. and Mrs. Fred Marris of the latter city attended from the farthest distance. The Marris are former residents of Buchanan.

The oldest woman in attendance was Mrs. J. N. Lewis of this city and the oldest man was Elmer Lewis of Niles. Five-month-old Geoffrey Lewis, son of Mr. and Mrs. Larry Lewis of Houghton, was the youngest person present.

An interesting highlight was provided by the reading of a letter from Mrs. Sara Marris Crawford of Pearl City, Hawaii, in which she expressed regret in not being present for the occasion.

Larry Lewis was elected reunion president for the ensuing year with Robert Lewis of Augusta named vice president and Mrs. Wiley Shoemaker, secretary-treasurer.

The 1969 reunion will be held at the same location the first Saturday in July.

Meeting Rescheduled

The Church of Christ congregation meeting which was scheduled for July 8 has been re-scheduled for Monday, July 15, at 7:30 p.m. All members are urged to attend.

Miss Carlson To Be Married

Mr. and Mrs. William C. Carlson of 2806 Wilson S.W., Grandville, announce the engagement of their daughter, Laurel Lucinda, to Nicholas J. Steill, son of Mr. and Mrs. John J. Steill of Lafayette, Ind. The Carlsons are former residents of this city.

The bride elect, who attended Buchanan high school, graduated in 1958 from Columbia City Joint high school in Columbia City, Ind. She taught in the Buchanan school system during the 1963-64 school year after receiving her bachelor's degree from St. Francis college in Fort Wayne, Ind. She was granted a master's degree from the college in June. Miss Carlson is affiliated with Kappa Phi Omega sorority while at St. Francis.

Her fiancé, who graduated from Central Catholic high school and Purdue university in Lafayette, studied for his master's degree at Ball State university in Muncie, Ind.

Both Miss Carlson and her fiancé are members of the faculty at Columbia City Joint high school.

The couple will be married August 10 in Fort Wayne.
