

# TV Scene

AUGUST 28 THRU SEPTEMBER 3

An outlaw leader (Jerry Gatlin) gets his punishment from young Will Adams (series co-star Timothy Gibbs, right) and the other orphans, who coralled the no-good crook after his gang stole the kids' favorite horse. The action takes place during the "Laddie" episode of NBC's "Father Murphy" airing Tuesday, Aug. 31

**What's in a name?  
For a woman, plenty!**

Remember those infatuated days of girlhood when, pen in hand, you would dreamily write the name of your most recent beau with a neatly-penned "Mrs " preceding it? What little girl does not dream of the day when she will become, for example, Mrs Michael Evans? Well, it just might be that little girl's of the '80s no longer think along these lines

It is no longer the exceptional woman who, once she's married, decides to keep her maiden name. This is a trend which has become increasingly common among American women in recent years.

Women are more assertive these days. And, with more than 50 percent of American women in the work force, it is frequently more practical from a professional point of view to keep the maiden name

This is not to say that all women are retaining their maiden names. A married woman has several options, as was pointed out recently in *Bride's* magazine.

Taking the husband's name is by far the most popular choice among married women. If you are Janet Grayson, for example, you will probably become Mrs Michael Evans or, more commonly, Mrs Janet Evans. (Strict etiquette would have held you to Mrs Michael Evans in former times; today, however, Mrs Janet Evans is quite ac-

ceptable )

If you like your maiden name, and for whatever reasons, decide you want to keep it, by all means do so. Becoming "Mrs His-Name" is custom, not law, *Bride's* points out, except in Hawaii, where a woman is legally required to take her husband's name

You may choose to lead a dual existence: one as Ms. Janet Grayson (most likely for professional purposes), the other as Mrs Janet Evans. Both names are legally recognized, as long as you carry dual identification

A popular solution to the identity dilemma is to hyphenate both names, in this case becoming Mr and Mrs Grayson-Evans. This does not necessitate a couple's going through legal proceedings

An important consideration for the newly-married woman, *Bride's* points out, is to establish credit in her own name

Use one name—either Janet Grayson or Janet Grayson-Evans—in all your financial dealings. Have your own bank and charge accounts, and expect to be treated as an individual. If you do open any kind of joint account, insist that creditors keep separate files on both you and your husband.
