Commission Awards Two Urban Renewal Contracts

Awarding of two urban renewal contracts highlighted Monday night's meeting of the city commission. The contracts went to Kenneth Gearhart to make an inspection of houses to be rehabilitated, and to Phil Sexton for a land reuse appraisal.

The agreement with Gearhart provides \$50 each for inspection of 31 structures scheduled for rehabilitation in the north-side urban renewal area. In this capacity Gearhart will be known as the rehabilitation officer during the two-year life of the contract.

Gearhart was hired by the commission while it was acting in capacity of the Local Public Agency. He will serve as an independent contractor, but is precluded from contracting for any of the rehabilitation work.

As rehabilitation officer Gearhart is to make a thorough inspection of each house to locate and determine defects, submit a report to the LPA, submit plans for bringing each house up to standard, and provide cost estimates.

Sexton, who is a licensed realtor, was contracted to make land reuse appraisals on properties in the urban renewal area to be acquired by the city. For this service he will receive \$10 per appraisal of 41 parcels.

Delay Action
In other action, the commission delayed requesting additional urban renewal monies, approved forms for disposing of urban renewal properties, received a claim for damages, accepted the city treasurer's report for August and approved payment of bills in the amount of \$9,855.50.

The commission also heard preliminary plans for thoroughfares curbs and gutters in the urban renewal area, presented

by Robert Richardson of Engineering Planning Services of Paw Paw.

No action was taken on a request by the Little League, following receipt of an opinion by City Attorney B. R. Desenberg.

The request for additional monies, in form of No. 2 Temporary Loan Note, was made by William Burkett, urban renewal coordinator. The funds in amount of \$112,561, would be used for additional land acquisition costs, sewer construction, curb and gutter construction and rehabilitation. Action on this request was deferred until the Sept. 23 meeting.

The claim for damages was received from Charles E. Clem, thru Attorney George S. Keller. The claim was to advise the city of damages sustained by Clem following a two-car accident June 15 involving Clem and a city police car, driven by Officer M. A. MacDonald. The commission instructed City Manager Dayl Tammen to advise Clem by letter that his claim had been referred to the city's insurance agent.

Following receipt of an opinion from Attorney Desenberg, that the city does not have the power to lease public property to a private interest (even though non-profit), no action was taken on a request from Little League. The league sought permission to erect a building at Smith Park to be used exclusively by that organization and to be maintained by it. The building was to be used for income producing activities by the organization, with proceeds to be devoted to furtherance of the purposes of Little League.

In his opinion, Desenberg added that use of a portable facility for use during stipulated hours might be permissible.

DUMP MAY BE CLOSED—Buchanan township dump (pictured above) may be closed, unless some means of controlling unauthorized dumping is devised, according to Supervisor Ivan Price. Cost of maintenance at the dump has been running considerably more than was budgeted and the township "simply can't afford it," said Price. The township considered possible remedies Monday night at the regular meeting.

Township Officials Eye Outsiders Use of Dump

"If all other measures fail, we may be forced to close the dump," stated Ivan Price.

The supervisor made the statement at the Monday night meeting of Buchanan township board, following a lengthy discussion on problems involved in operation of the township dump.

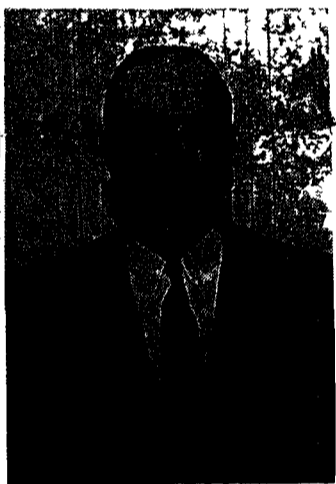

As reported by Price, the primary problem is dumping of debris by non-township residents. He said that on a recent visit to the dump, accompanied by Dale Nelson, evidence was found that residents and commercial establishments from Niles, Niles township and Buchanan are dumping trash at the township dump. He added that indications were that most of the unauthorized dumping was by people from Niles.

The biggest offenders of unauthorized dumping seem to be commercial collectors working out of Niles, said Price. He estimated that during the past year maintenance and land fill at the dump had cost the township approximately \$5,000. "This is way above our budget, and more than the township can afford," he declared.

Last Alternatives
After considerable discussion, the board came up with three alternatives for solving the problem of unauthorized dumping.

1) Post a guard at the dump on a week-long basis, to explain to residents where to dump refuse and to also check on unauthorized persons using the dump.

2) Make spot checks of persons using the dump.

Ivan Price is township supervisor. He said that on a recent visit to the dump, evidence was found that residents and commercial establishments from Niles, Niles township and Buchanan are dumping trash at the township dump.

3) Contact collectors and inform them that they will no longer be allowed to use the dump.

If these measures fail, we may be forced to close the dump, Price concluded.

Not Only Problem
It was brought out during the discussion that unauthorized dumping was not the only problem. The continued practice of township residents dumping too close to, and in the roadway is

Report Emergencies At Pawating Hospital

Two local residents received emergency treatment at Pawating hospital during the past week.

Mrs. Donald Ring of 421 Chip pewa was released Sept. 6 following treatment for injury to her right ankle, suffered when she twisted it going down stairs.

Delores May, daughter of Mr. and Mrs. Ellis May of Buffalo road, was released Sept. 8 after being treated for a fracture of her left arm, suffered while horseback riding.

Township Firemen Answer Two Alarms

Township volunteer fire departments answered two alarms during the past week.

Buchanan township department was called to the township dump on Elm Valley road Wednesday afternoon, Sept. 4, to extinguish a blaze, reports Harold Seabast, assistant chief.

Bertrand township was called out on what proved to be a false alarm, according to Chief Adam Kuntz. Firemen were summoned to the Floyd Simpson residence on Chamberlain road about 9 o'clock Tuesday evening when the family smelled smoke. Firemen could find no fire, and traced the smoke to a trash burner.

Around Town

By LYLE SUMERIK

This writer's first reaction after sale of Riverside property was to take someone to task for depriving the city, and particularly neighborhood children, of a park or recreational facility.

At that time my thinking ran along a variation of "Tom Doolley."

Hang down your heads city commissioners,
Hang down your heads and cry
Hang down your heads city commissioners,
You let a playground die!

However, further consideration of the situation points up to need for another approach. Regardless of your approach, one thing is clear... someone goofed!

There is an old saying that it is too late to lock the door after the horse has run away. In this case it was a needed public recreation area that "got away."

In this instance, the city commission must shoulder most of the blame for loss of the public land. Several months ago the school board offered the building and property to the city free, with the only stipulation being that it be retained for park or recreational purposes.

At that time one city commissioner could think only in terms of rezoning the land for tax-producing purposes, and the other commissioners apparently were not even thinking, as they let him talk the proposal down before it even got off the ground.

Since that time the city made no effort to reconsider the school board's proposal, until a few days before bids for sale of the land were to be opened. Of course, then it was too late.

Perhaps, too, in the public interest the school board could have pressed the matter. Probably what should have originally been done was to submit the proposal to the park board and have that body forward it on to the commission.

It is a bitter lesson learned by all concerned, that worthwhile proposals should be presented thru formal, prescribed channels, and in writing.

Also city commissioners now realize their earlier mistake, it is too late.

The northeast portion of the city now has the "distinction" of being the only area without a neighborhood playground.

Of Equal Concern
Of equal concern is a situation which the city has been flirting with for some time. As you drive around the city

also a big factor in the excessive cost of operating the dump.

One township official reminded his colleagues that for years he had been advocating closing of the dump.

In other business, it was announced that the board will meet with Calvin Heath, manager of county road commission, on Thursday, Sept. 12, regarding the fill on Fedore and Miller roads.

Trailer fees collected during August were reported at \$108, for 36 trailers.

One building permit was issued during August by Galen Weaver, building inspector, to Warren Boyle, for new dwelling in River Shoes, at an estimated cost of \$13,790.

Township welfare cost for August was \$60.20 for two cases.

CO CAPTAINS READY FOR OPENER—Coach Bill Karpinski hands the ball to co captains Jim Best (53) and Don McNeely (15) as a signal that the Bucks are ready for the season's grid opener at Washington Clay Friday night. Best is expected to start at center and McNeely as quarterback. Team members selected the two leaders in balloting Saturday. —Record Photo

Bucks Meet Colonials In Season Grid Opener

Drive east on M 60 to US 31, turn right and drive to the traffic light just north of the toll road underpass, turn left and go to Lily road, turn left on Lily and it will take you to Washington Clay high school, site of the 1963 season opener for Buchanan Bucks football squad.

The game will be played Friday night, starting at 7:30. Local fans are advised to park on the north side of the field for easy exit after the game.

Friday night's game with Washington Clay will mark the first time the teams have met on the gridiron since 1956. In the contest, the Colonials won a 13-7 decision in their only other meeting, 1955, the Bucks scored a 19-7 victory.

"Washington Clay is good, and we will have to be on our toes to beat them," stated Coach Bill Karpinski. He added that the Colonials are an explosive club that likes to gamble.

Karpinski said that after watching the Bucks scrimmage against Portage Saturday night the boys still need a lot of work. However, he added, they looked good in spots. Practice this week has been aimed at sharpening up the Bucks' offensive attack and on a defense for Washington Clay.

Going into practice this week, the Bucks were without the services of defensive end Mike Russell, who suffered a leg sprain. There was also some question as to whether end Larry Allen would be ready to start Friday, due to a sprained ankle.

A rundown story on Washington Clay can be found on the sports page. Comparing weights of tentative starting linemen, the Bucks will hold an overall advantage of approximately 100 pounds. In height, the Bucks hold a definite advantage at most positions.

Tentative Colonial Line-up
Head Coach Tom King has announced his tentative offensive line-up as:

RE—Jon Arnold, 5'5", 145 lbs.
RT—Mike Dorn, 5'10", 185.
RG—Randy Goss, 5'9", 160 lbs.
C—Doug Jorgenson, 5'10", 165.
LG—Dick Thomas, 5'9", 155.
LT—Frank Helm, 6'1", 190.
LE—Paul Jennings, 6', 160, or Geza Bruckner, 5'11", 170.
QB—Kenny Swaim, 5'10", 160.
FB—Gary Taylor, 5'11", 165.
RHB—Mike Rozow, 5'9", 165.
LHB—Denny Ettmuller, 5'10", 150.

Riverside School Property Sold to Buchanan Realty

Any hope that Riverside school property might be retained as public land for use as a park or recreational facility was lost Monday night, when the board of education accepted a bid for sale of the land and building.

Purchaser was Buchanan Realty company, which submitted a bid in the amount of \$5,500. Phil Sexton, vice president of the company, told the Record that the company has no definite plans for development of the property at this time.

Buchanan Realty was the only bidder on the Riverside property.

Bids were also accepted by the board Monday night, for sale of two other properties.

Bids submitted by Claude DeWitt were accepted for the Rith house adjacent to Moccasin school, and for Geyer school house on Walton road. DeWitt purchased the Rith house for \$1,001 and the Geyer building for the price of \$101.

The only other bid received was from Don Hobeck of Niles, wrecking contractor. He submitted a bid for demolition of the Rith house, at a cost of \$650 to the school district.

Sale Is Climax
Sale of Riverside school climaxed efforts by the school board to dispose of the property

for several months. The building was condemned for classroom use, by the state fire marshal, and was closed at the end of the 1962-63 school year.

Earlier this year the board offered the building and land to the city without charge, with the stipulation that it be retained by the city for park or recreational purposes. At the time the commission rejected the proposal.

Since then the school board advertised for bids on the property, but received no response. The bid opening Monday night was the second attempt to dispose of the property thru this means.

After the board had advertised for bids a second time, the commission reconsidered its previous stand. Thru the city manager the commission requested the board resubmit its offer of the land.

The last minute overture by the commission was rejected by the board Monday night, on the basis that funds from sale of the property were now needed to meet unexpected costs in purchase and installation of new boilers at the high school.

Sale of the property leaves the northeast section of the city the only area without a neighborhood park or some form of public recreational facility.

RIVERSIDE SCHOOL SOLD—Sale of Riverside School Monday night was approved by the board of education. Buchanan Realty company purchased the property for \$5,500, thus ending any speculation that the city might acquire the property for park or recreational facilities. Sale of the property leaves the northeast section of town as the only area without public playground facilities. No immediate plans for the property have been announced. —Record Photo

Adopts Committee System

School Board Raises Tuition Rates

Financial matters and creation of standing committees took up most of Monday night's meeting by the board of education.

Included in financial matters were setting of tuition rates, transfer of monies, purchase of shop equipment, method of payment for two new school buses, sale of school land and buildings, and a report on school taxes for the 1963-64 school year. Details of sale of school property and report on taxes are contained in separate stories in this edition.

Based on the state formula for establishing tuition rates, the board set the 1963-64 elementary tuition at \$213.50 and the secondary (grades 7-12) at \$228.81 per student.

Tuition for each class of students is approximately \$23 more than last year. In 1962-63 elementary tuition was \$185.57 and secondary tuition was \$200 per student. This increase was justified on the basis of teacher salary increases and other rising costs.

Transfer Funds
To be able to meet a \$22,000 payment toward cost of new boilers and installation, the board voted to transfer the present balance of the 1957-61 building and site fund, \$1,455.98, to the construction fund.

A report on the 1962-63 construction fund showed that as of Monday, approximately \$12,000 was uncommitted and could be returned to the 1957-61 building and site fund. Acting on recommendation of auditors, the board transferred funds from the building and site fund into the construction fund to

meet the boiler payment, rather than transfer the surplus from the construction fund.

The report on the construction fund showed that total available funds amount to \$508,306.63. A breakdown of this figure indicates that \$507,115.13 has already been received, and that \$14,994.74 is anticipated.

Monies already in the fund include \$452,756.89 from bond issue, \$20,000 county reimbursement for special education rooms, \$9,673.84 interest from bond money, and \$24,684.90 building and site fund from 1957-61. Anticipated revenues include \$10,842.57 balance of special education reimbursement, and \$4,152.17 National Defense Education Act reimbursement.

Of the total of \$508,306.63, some \$373,405.17 has been paid, another \$122,732.06 has been contracted and estimated expenditures not contracted or paid total \$12,169.40.

Acting on a recommendation from Newell Johnson, auto mechanics instructor, the board approved purchase of \$254.80 worth of additional equipment for the new auto shop.

The board also adopted a resolution stipulating that the unpaid balance of \$15,470 on two new school buses purchased from Robert F. Habicht, Inc., be paid for over a five-year period, starting in September 1964.

Establish Committees
Following some discussion Monday night, the board approved establishment of five standing committees to facilitate better understanding of school operation and to allow the board to conduct its business more efficiently.

In presenting the proposed committees Dr. Russell J. Vastine, board secretary, reported to his colleagues on results of a meeting with board president Robert Soucek, and treasurer Bernard Ellis. In the report, which follows, the committee set forth the purposes of establishing the committees:

"It was felt that committees would be able to better cope with the problems of the board and help to shorten our meetings. Further, it was felt that board members would be better informed of board business and function more efficiently.

"We agreed that no committees would take official action without direction from the board and that administrative procedure must be left in the hands of the administration. However, the administrative personnel will be able to obtain informed consultation to guide them in administrative decisions.

"With this in mind, we recommend the establishment of the following committees... planning, finance and budget, personnel, curriculum, and policy."

Appointment of personnel and curriculum committees, in which board members work with school personnel, and a policy committee is a continuation of previous procedure. Forming of planning and finance and budget committees will be new fields for board members.

Trial period for the committees was set for two years, to terminate July 1, 1965.

Following adoption of the report and establishment of com-

mittees, Soucek made the following appointments: Planning committee, Soucek, Vastine and Ellis; finance and budget, Ellis and Kenneth Pessicator; personnel, Chester Wessendorf and B. G. Harker; curriculum, Miriam Hassan, and policy, Vastine.

In other business, the board deferred acceptance of bids on two old school buses until the Sept. 16 meeting, accepted transfer of properties from Howe district, granted permission for a former student to resume her schooling, heard a report on progress of new construction and remodeling of buildings, and stipulated that the present bus route serving Townline road for elementary student pickup be continued. The matter of student bus pickup was brought to attention of the board by Robert Willard, transportation director, as result of a request from South Bend road residents.

Girl Injured as Walks Into Side of Moving Car

Six-year-old Carla Caye Weaver of 306 McCumber St. suffered bruises of her lower arm and right hip when she apparently walked into the side of a car Friday afternoon. She was treated by a local physician.

The mishap occurred at the corner of West Front and Terre Coupe streets.

Officer Dewey Beard reported that the girl apparently stepped off the sidewalk and walked into the side of a passing auto, driven by Larry J. Dies of 715 West Ros. Dies, who was driving west, reportedly was unable to avoid the accident.

Construction Underway on Galien Bank

Business in the present quarters of Inter City Bank in Galien is expected to be concluded about the first of the year, with completion of a modern new banking facility, according to director Ray Babcock.
 Ground was broken last month at the new construction site on Cleveland avenue, south of the old bank.
 Babcock announced that features of the modern 34'x62' banking facility will be a drive-up window and night depository. Neither of these services is now available to patrons of the Galien branch of Inter City Bank.

The structure is to be of block construction, with brick facing. The architectural design will be similar to the ICB banking facility in Baroda.
 Clare Olmstead of Galien was awarded the general contract, estimated to cost \$35,000. Baroda Hardware won the contracts for plumbing, heating and electrical contracts.
 The new facility will replace the present quarters which have housed the Galien bank since it became a state bank in 1922. Before that it was a private bank, owned by Charles A. Clark.

Babcock, who has been a director for 40 years, said the present staff will be on hand when the new facility is opened. On the staff are R. E. Lockwood, manager, who has been with the bank for about 30 years, Norma Wolkins, assistant manager, who has worked there 15 years, and Louise Cook, teller.

2,244 Students Attend Classes

Enrollment figures released following the second day of school last week show 20 less students than had been expected.

Richard Dougherty, assistant superintendent, reported that a total of 2,244 students are attending school. The projected enrollment figure was 2,264.
 Broken down by grades, enrollment is:
 Elementary: Kindergarten 192, first 179, second 201, third 180, fourth 172, fifth 157, sixth 182, and special education 28, for a total of 1,291 elementary students.
 Junior and senior high: Seventh grade 177 including eight special education students, eighth 162, ninth 185, tenth 163, eleventh 140 and twelfth grade 126, for a total of 953 secondary students.

By schools, elementary attendance figures are: High School Elementary 208, Indian Hills 165, Moccasin 464, Stark 407 and Wagner 47.
 Official enrollment figures will not be available until after the fourth Friday of the school year.

Police Seek Stolen Items

City police are investigating three thefts reported last week, involving a bicycle and items taken from cars.

Wednesday evening Jerry Warren of 124 Elizabeth reported that his bicycle had been stolen while parked at the high school that afternoon. He described it as a Schwinn Corvette racing model, painted red with silver fenders, with both hand and foot brakes.

Thursday morning Billy Dillinger of MGO reported that a box of cigars, flashlight, some wrenches and other tools had been taken from his car while it was parked in the River street parking lot of Clark Equipment company. The glove compartment door and a mirror were reported damaged.

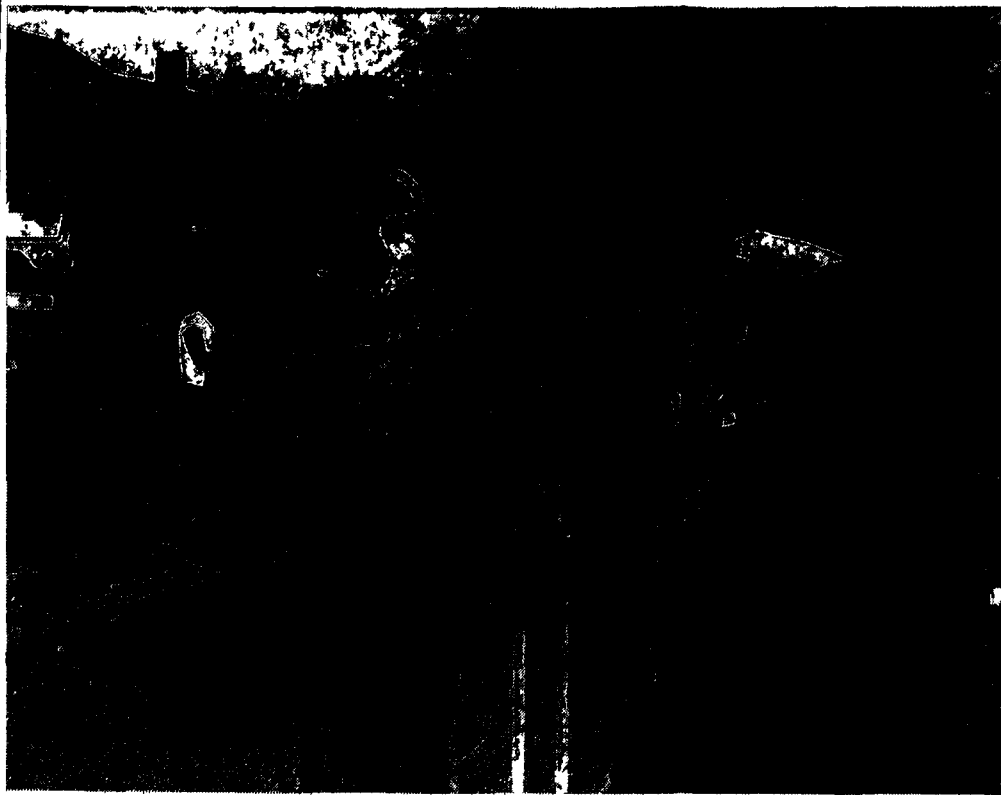

Friday afternoon John L. Myer of Niles complained that a Strato-Jet bowling ball, bag, bowling shoes and a Niles high school jacket had been taken from his car while it was parked in Clark's River street parking lot. The theft reportedly occurred between 3:30 p.m. and midnight on Sept 4.

Motorist Ticketed

Passing a stopped school bus and passing on a hill cost Willie Otis Brown of Benton Harbor \$40 fine and costs, after he pled guilty to the charge of reckless driving before Justice Charles Kiefer at Berrien Springs Thursday.

Brown was ticketed by Deputy Fred Clark, Jr., after committing the two offenses on Red Bud Trail Thursday afternoon.

Don't swim after eating, when tired, or over heated.

START CONSTRUCTION OF BANK—Construction was started recently on the new banking facility being built in Galien by Inter City Bank. The new structure will be located across the street and south of the present ICB bank building. Workmen for general contractor Clare Olmstead are shown as they prepare for pouring of footings. —Record Photo

KEEP YOUR EYE ON THE BALL—Firemen had to keep a sharp eye on the ball during the water polo contests held Sunday afternoon, when members of the Berrien County Firemen's association gathered at Bakes town for the annual family picnic. Bertrand township team won the event. Approximately 175 persons attended the affair. —Record Photo

HOSE LAYING CONTEST—Members of Buchanan's hose laying team were pictured during the contest Sunday afternoon at the annual picnic for the county firemen. Buchanan tied with Bertrand in the contest with a time of 16 seconds, but were beaten by two seconds in the run off event. —Record Photo

Bertrand Firemen Win Honors

Bertrand volunteer firemen stole most of the honors at the annual picnic of the Berrien County Firemen's association, held Sunday at Kuntz park on MGO. The affair, for firemen and their families, was hosted by members of the Bertrand township department. Buck Kingery was chairman.

Bertrand firemen won the water polo and the hose laying contests, and Glen Baker of the Bertrand department placed third in the ladder climb. In the hose laying contest Bertrand beat out Buchanan city in a championship playoff. Following the example set by

their husbands, a team of Bertrand firemen's wives beat a team of wives of Buchanan city firemen in a water polo contest.

Following a cooperative dinner at 1 o'clock, the afternoon was spent in games and contests for the approximately 175 firemen, their wives and children attending.

A highlight of the afternoon was a horseshoe pitching exhibition by Ken Jensen and Dick Hallock, both of St. Joseph, both champion horseshoe pitchers. Hallock holds a record of 50 consecutive rings.

Enters Guilty Plea

Michael J. Lodyga of Benton Harbor pled guilty to the charge of failure to have control, when he appeared recently before Justice Jerry Lauver. He paid \$12 fine plus \$4.30 costs.

Lodyga was ticketed by city police Aug 24 following an early morning crash in which three persons were injured.

School Tax Is \$485,403

Buchanan school district property owners will pay a total of \$485,403.32 in 1963-64 school taxes, according to a report presented to the school board Monday night, by Supt. Pierre Bailey.

A breakdown of the total shows \$333,952.21 for operating, \$65,951.53 for building and site, and \$85,499.58 for debt service. The tax is based on state equalized valuation of \$26,380,616. Assessed valuation of the district is \$13,001,013.

By governmental areas within the school district, property owners in each unit contribute the following amounts to the operating, building and site and debt service respectively.

City of Buchanan, \$235,788.15, \$46,565.32, \$60,367.28 for a total of \$342,720.75

Buchanan Township \$76,392.38, \$15,086.57, \$19,578.24, total \$111,037.19
 Niles township \$17,408.38, \$3,437.94, \$4,456.95, total \$25,303.27

Bertrand township \$3,051.59, \$602.05, \$781.28, total \$4,535.52
 Oronoko township \$1,311.71, \$259.05, \$335.83, total \$1,906.59

Assessed and state equalized valuations of portions of the governmental units within the district are:

City of Buchanan, \$10,174,563 and \$18,626,128
 Buchanan township \$2,391,950 and \$6,034,030

Niles township \$293,500 and \$1,375,178
 Bertrand township \$96,400 and \$241,061

Oronoko township \$44,600 and \$103,619

One of the world's largest unions, the United Automobile, Aircraft and Agricultural Implement Workers of America, AFL-CIO, was founded in Michigan in 1935.

Driver Ticketed

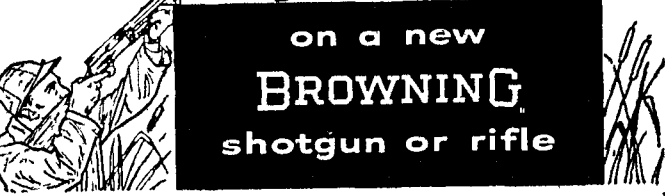

Kenneth L. Skinner of 305 West Smith St was ticketed for defective brakes, following investigation of a two-car accident about 9:20 p.m. Sept 4. The mishap occurred at the corner of Days avenue and Maible street.

Officer Lawrence Hall reported that both cars were headed east on Maible when the accident occurred.

Malcolm L. Good of Dayton had turned left onto Maible when his car was struck by one driven by Skinner. Skinner reportedly did not know that Good was going to turn and when he applied his brakes, they grabbed, pulling the car into the Good auto.

The first known hospitals were in Ceylon around 500 B.C.

Driver, Passenger Ticketed After Crash

Driver and a passenger in a car involved in an accident Friday morning were both ticketed, following investigation by Deputy Fred Clark, Jr. The mishap occurred on Madron Lake road, east of Bakertown road

Driver of the car, Tommy E. Reid of 718 West Rose, was ticketed for failure to have control

A passenger, Jack Goodrich, same address, was issued a summons for littering a public highway

According to the report by Deputy Clark, Reid was driving west on Madron Lake road and lost control of the auto when he reached into a jacket pocket The car ran off the left side of the road and into the ditch, knocking down two mail boxes and a speed limit sign. The auto then crossed to the right side of the road where it stopped

Reid suffered a laceration of his hand, but refused treatment. Goodrich was ticketed for littering after he threw a sack of beer bottles from the car, to the side of the road He was also required to pick up the bottles

The Agricultural Research Service has established a pioneering research laboratory to step up basic research on the ways hormones and growth-regulating chemicals affect plants.

Set Services for K. L. Crawford

Funeral services for Kenneth L. Crawford of 303 Berrien St., will be held Friday, Sept. 13, at 2 o'clock in the Swem Funeral home. The Rev Robert V. Gouvens, pastor of the First Presbyterian church, will officiate. Interment will be in Oak Ridge cemetery

Mr Crawford was born Dec. 10, 1917, in South Bend, Ind., the son of Daisie Korn and the late Paul L. Crawford. He had been employed as a welder at the Bryant Manufacturing company in Indianapolis, Ind. July 23, 1960, he married Esther Young Haak in Buchanan. He died at 7:40 a.m. Tuesday, Sept. 10, in Memorial hospital in South Bend

Survivors include his widow, his mother, a daughter, Mrs Joy Schafer of Berrien Springs, a son, Terry Crawford of rural Buchanan, a stepdaughter, Vicki Ann Haak, at home, two brothers, Dean of Torrence, Calif., and Donald Crawford of Denver, Colo.; a sister, Mrs Helen Hathcock of Berrien Springs, and three grandchildren

Rites Held for Crash Victim

Funeral services for James F. Reynolds, who died Wednesday morning, Sept. 4, as a result of injuries sustained in a truck accident, were held Saturday, Sept. 7, at 2 o'clock in the Swem Funeral Home. W. Robert Palmer, minister of the Church of Christ, officiated, and interment was in Oak Ridge cemetery

Mr Reynolds was born March 24, 1928, in Ligonier, Ind.

He came to Buchanan 7 1/2 years ago and was residing at 526 River St. at the time of his death. A veteran of World War II, he was employed by Electro-Voice, Inc.

He is survived by his widow, the former Blanche Lacy, his mother, Retha Reynolds of Niles; two sisters, Mrs Mary Carrasquillo of Chicago, Ill., and Miss Carolyn Reynolds of Niles, and three brothers, Capt. Charles Reynolds of the U.S. Air Force, stationed in Casablanca, Morocco, Bill of Ligonier, and Robert Reynolds of Buchanan

Set Lions' Speaker

Sydney C. Schadtmeister, county director of sanitation, will be guest speaker at the Buchanan Lions club dinner meeting Thursday evening, to be held in the American Legion home at 6:15 p.m. The program was arranged by the safety committee, composed of C. L. Hubbard, Joe Sexton and Wilfred Clark

Youth Bitten by Dog

Seven-year-old Peter Thompson of 502 Michigan suffered bites on his back, face, right ear, mouth and right shoulder while playing with a dog Monday afternoon at his home. The youth was treated at Buchanan Community hospital

Officer Dewey Eicard reported that the animal was owned by Robert Pierson of Grand Rapids, who was visiting at the Thompson home. The matter was referred to Deputy Gerald Slocum, dog warden

Boats: Business, Status Symbols

The boat, a growing status symbol in modern living, promises to account for an increasing proportion of our national income, a University of Michigan economist observes

The dramatic growth of the boating industry during the post-war period is attributable to a combination of factors, explains Ross J. Wilhelm, U-M assistant professor of business economics

"First, the boat is a status symbol and as incomes have risen an increasing proportion of persons have acquired a boat. The second factor has been the growth in population since the end of World War II"

In the 1920's and the 1930's, when car ownership became widespread, the Sunday ride, week-end trip, summer vacation became important events for many families, Wilhelm notes

Today the family boat has taken over many of the roles served by the car in the old days. According to one estimate, about one person in five in the U. S. took at least one trip or ride in a boat last year, spending about \$2.5 billion, Wilhelm says. Since 1947 the number of boats has tripled over 7,400,000.

"And, just as the automobile stimulated investments in supplementary businesses so the boat is spawning a number of supporting types of business," he points out. An example marinas have been increasing at an annual rate of over 100. There are 4,000 in the U. S. today

"Boating, marinas and the supplementary businesses are rapidly becoming big business and they promise to account for a growing proportion of our national income over the coming years," Wilhelm says. He discussed the subject on "Business Review," over the U-M Broadcasting Service.

TOWN

(Continued from Page 1)

slow down and make note of the numerous areas where children are forced to walk in the street because there are no sidewalks. Make note also of the number of drivers you see speeding up and down city streets, and think of what chance a child would have if he stayed too far from the curb.

Adults are supposed to set an example, and many a child can testify to the results when he has done what "monkey do" instead of what "monkey say."

In this instance children are taught traffic safety, with one of the rules being not to walk in the street. The big question is where else can they walk, and when will they be provided a safe avenue of travel to and from school?

Miscellaneous

The word from Richard Swem is that the Little Theatre group needs help. Unless people become interested and come forth, the scheduled production of "Harvey" will have to be cancelled. At present the group is in need of six men and six women for parts in the play. If interested, contact Little Theatre president Swem

With notices being published about opening meetings of the season for elementary PTA groups, the question comes to mind: What about a PTA for the high school?

NEW MOCCASIN ADDITION—Pictured at right is the portion of Moccasin Elementary addition that faces Moccasin street. The addition, scheduled to be completed by Aug 1, is still incomplete. The same situation exists at the high school, where neither alterations or new additions have been completed. Supt. Pierre Bailey informed the school board Monday night that it would be some time yet before work would be completed. In the background is the old Rith house, which the board sold to Claude DeWitt, to be moved from the property. —Record Photo

PTA Officers Plan for Bigger, Better Programs

September is here, school has started, and it's time for those monthly PTA meetings again. All officers of the three local PTA organizations are starting the year full of enthusiasm and optimism. They all hope to have interesting and informative programs at each meeting, and all expressed a desire to have greater and more regular attendance by parents at meetings this year.

All parents with children in High School Elementary, Moccasin or Stark schools, are urged by their PTA officers to attend the meetings each month, and help make the PTA organizations stronger and better able to function for the good of their respective schools.

September is here, school has started, and it's time for those monthly PTA meetings again. All officers of the three local PTA organizations are starting the year full of enthusiasm and optimism. They all hope to have interesting and informative programs at each meeting, and all expressed a desire to have greater and more regular attendance by parents at meetings this year.

AME Church Holding Services

Rev. Rosa Lee Porter, pastor of the Potter-Community AME church, has announced plans for an "Inspiration Week" being conducted by women of the Missionary society Sept. 9 thru Sept. 15.

Services are being held each evening in the church at 7:30 p.m. and women of the church are in charge.

A special Women's day program will be held Sunday, Sept. 15. Speakers for the 11 a.m. morning service will be Mrs. Carrie Warren and Evangelist Elizabeth Brown of Niles. In the afternoon, at 3 o'clock, the Rev. Winnie Bennett, pastor of the Benton Harbor church, and Elder M. Miller of South Bend, Ind., will be speakers.

Music for both services will be provided by the combined choirs of the Potter Community and Benton Harbor AME churches, under the direction of Leone Perkins. Jerry Warren will be organist, and Betty Warren, pianist.

Bertha Foster will be chairman for the meetings and ushers will be Evelyn Johnson, chairman, Jerry Warren, Mary Alice Foster and Marveta Gray.

Committees appointed for the series of services include Geola Lewis, chairman, Ella Freeman and Evangelist Leone Perkins of Sturgis, finance, and Mamie Crump, Verneather Warren and Marian Perkins, decorations.

The Rev. Henry Foster, assistant minister of the church,

announced that the men will hold an "Inspiration Week" Oct. 14 thru 20, and plans for the program will be completed next week.

Mrs. O. Swartz Hosts Ruth Circle

Mrs. Oscar Swartz was hostess for the Ruth circle meeting of the First Presbyterian church on Tuesday afternoon. Fifteen members attended.

Following devotions by Mrs. Donald Huron, Mrs. Robert Habicht gave the Bible lesson from the book, "One People of God." The business meeting was conducted by the chairman, Mrs. Ernest Hausman.

Members made plans to attend the women's association meeting Sept. 17, and to take the layettes which they have spent the summer completing. At the meeting members worked on cancer pads.

Refreshments were served by the hostess and Mrs. William Donley.

At the next meeting, Oct. 8, Mrs. Clarence Kent will be hostess and Mrs. Chester Wessendorf will speak on, "The Place of Music in Our Church."

Set Date for ASC Elections

The election of the ASC community committee in Berrien county will be held in each community in the county on Thursday, Sept. 19.

John Walter, chairman of the Berrien county ASC committee, has released the following list of Buchanan area meetings which will be held to elect community committeemen for the next year.

- Weesaw township, 8 p.m., New Troy fire station
- Bertrand township, 1.30 p.m., Bertrand town hall
- Buchanan township, 8 p.m., Buchanan Co-Op auditorium
- Niles township, 8 p.m., Fairland school, Stafford Rd.
- Baroda township, 8 p.m., Baroda township hall
- Galen township, 8 p.m., Galen township hall
- Oonoko township, 8 p.m., Berrien Springs township hall

To be elected are three regular committee members and two alternates. The chairman, vice chairman and regular member of the elected ASC community committee will also serve as delegate, first and second alternate delegate respectively to the county convention, where the county ASC committee will be chosen. The county convention will be held Thursday, Sept. 26.

Questions on eligibility to vote and to hold office will be determined by the community committee, subject to appeal to the county committee and to the state committee. Generally an eligible voter must be a bona fide farmer or farm owner who is taking part or is eligible to take part in one or more of the programs administered by the ASC committee.

12 Gauge Sun Shield

Ever shoot a 22 equipped with a telescope sight on a bright sunny day? If you have, you know glare can be a problem. Fix that by cutting the cardboard off a 12 gauge shell and painting it flat black inside and out. It will slip down scope out of the way when you don't need it, shield the scope end when you do. —Ancient Age Sportsman's Idea Exchange.

College Club to Organize Civic Interest Groups

Plans for the formation of two "interest groups," as a community service project, were announced at the first fall meeting of the Buchanan College club as members met Wednesday evening, Sept. 4, in the home of Mrs. Adolph Wolf.

One of the groups, a reading group, will be led by Mrs. Stanley Strom-wold. Purpose of the group will be to discuss books of many types. At the first meeting of this group, Sept. 23, "The Great Hunger," by Cecil Woodham Smith, will be discussed.

A French group, to be conducted by Mrs. Webster Soules, will meet at the home of the club president, Mrs. Trent Hall, Monday evening, Sept. 16, at 8 p.m. This first meeting, according to Mrs. Soules, will be organizational, and will determine along what lines the group's interest will be conversational or beginning French.

Future date of meetings of each group will be arranged to suit the majority, and the College club welcomes its friends who would be interested in joining either or both groups. Anyone interested, but who cannot attend the first meeting, is urged to call the leader and let her know of her interest.

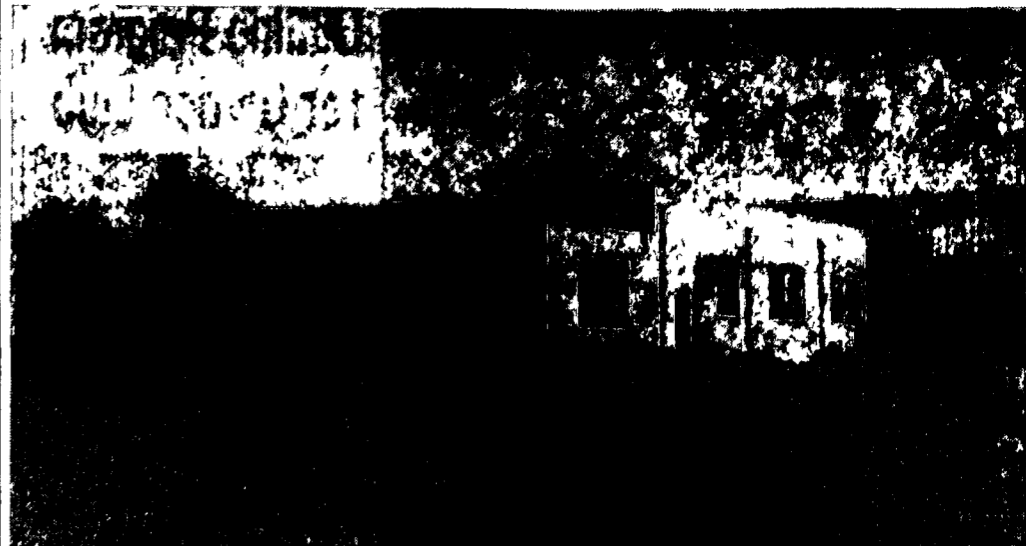

Membership Requirements
It was also announced that applications for membership blanks are available. Any woman is eligible to join College club who has had at least two full years of work in a college or university whose credits are recognized by the North Cen-

Offer Six 4-H Scholarships

Six scholarships with a total value of \$6,000 are available to present or former 4-H Club members, the National 4-H Service committee recently announced.

Freshmen planning to major in forestry can apply for one of four \$1,000 scholarships, the largest offered to the national 4-H awards program.

Two other scholarships for \$800 each are available to col-

CHANGES OWNERSHIP—A change in ownership of Southwestern Tool Corporation occurred last week, as William Crull and Richard Walkden purchased the shares of John Lotsbach. The three men were major stockholders in the corporation before Lotsbach sold out. Crull succeeds Lotsbach as president, Walkden is now vice president and treasurer, and Robert Nelson is secretary and assistant treasurer. Lotsbach has been president of the corporation since its founding in 1952. He said he has no definite plans for the future. —Record Photo

lege juniors or seniors majoring in courses dealing with crop protection or crop production. The major study areas include agronomy, soils, entomology, plant pathology or horticulture (vegetables or fruits).

Homelite, a Division of Textron, Inc., of Port Chester, N.Y., donor of the \$1,600 scholarships, and California Chemical Company, Ortho Division, San Francisco, donor of the \$800 scholarships are offering for the seventh straight year this opportunity for six young people to continue their education.

Scholarship candidates should submit applications to the State 4-H Club leader now to allow time for processing and forwarding to the National 4-H Service Committee by October 20.

Final judging is done in Chicago by Cooperative Extension Service personnel. The 1963 winners will be announced at the National 4-H Club Congress the first week in December.

More information can be obtained from the County Extension office.

PIPE CLEANER VARNISHER

When refinishing a rod, a pipe cleaner will be just the right size to varnish under the guides where small bushes won't reach. —Ancient Age Sportsman's Idea Exchange

Touchy Trout

This tip is for trout fishermen, but other fish than trout at times get so touchy that the slightest pull of the line will make them drop a natural bait. Pool 'em this way. Just cut a long rubber band and knot it at both ends. Then tie your line to one end and the end of your hook leader to the other. The stretch of rubber will absorb the fishes' pull and at the same time start the ever-so-slight pressure needed to put the hook into position. —Ancient Age Sportsman's Idea Exchange

The average size of Michigan's 11,038 inland lakes is 67 acres.

"Today we need a nation of Minute Men.... citizens who regard the preservation of freedom as a basic purpose of their daily life...."

—JOHN FITZGERALD KENNEDY

10 days after his inauguration as the 35th President of the United States.

Twenty-two years ago, in the dark, uneasy days before Pearl Harbor, the Minute Man of Concord, timeless symbol of our Nation's determination to defend its freedom, emerged as the emblem of the U. S. Savings Bonds Program. When war came, the Minute Man became the rallying force behind the huge and overwhelmingly successful effort to back our fighting men with War Bonds.

In this, 22nd anniversary year of Savings Bonds, the Minute Man of Concord calls all Americans to an unremitting effort to help preserve our peace and freedom, threatened by forces more powerful and resourceful than those we faced in 1941. Though this effort will take many forms, one way open to all is the continued investment in Shares in America, U. S. Savings Bonds, by "citizens who regard the preservation of freedom as a basic purpose of their daily life."

KING SIZED TOMATOES—Joseph Ruth of 404 Elizabeth St. displays two large tomatoes he picked from his garden last week. The largest (in his right hand) weighed 1 1/2 pounds and measured 15 1/2 inches in circumference, and the smaller of the two weighed 1 1/4 pounds and measured 14 inches. Ruth, who does gardening and landscaping as a hobby, reported that the tomatoes were of the hybrid climber variety. —Record Photo

Outline Program For Garden Club

Twenty-two members and guests attended the meeting of the Buchanan Garden club, held Monday evening at Stark school. Mrs. James Swanson and Mrs. Ila Greene were hostesses for the meeting.

The program was given by Mrs. Dorothy Rupel of the Bouquet shop in Niles. She demonstrated "Triangle Flower Arrangements."

Mrs. Walter Ross, president, announced that Mrs. Neale Shreve would be chairman of the year, and Mrs. Lowell Swern and Mrs. Roy Wright would be co-chairmen of the telephone committee.

Members were urged to support the "Tour of Homes and Gardens" sponsored by the Niles Garden club on Thursday. It was also announced that tickets are available for Mrs. C. Wallgreen's lecture, "The Ohio," to be sponsored by the St. Joseph Garden club, Oct. 17.

Mrs. Robert Calvert, program chairman, announced programs for the coming year, and stated that the theme of the year's meetings would be "Let's learn a lot."

The next meeting of the club will be Oct. 14 and Mrs. M. H. McKinnon will act as hostess. Mrs. Wright will assist as co-hostess.

Betrothed

Linda Diane Leiter

The engagement of Miss Linda Diane Leiter and Jerry McCarty is announced by her parents, Mr. and Mrs. Clayton Leiter of 402 South Hill St. Mr. McCarty is the son of Mr. and Mrs. Frank McCarty of 107 Southeastern St. in Gallen.

The bride-elect, a 1962 graduate of Buchanan high school, is also a graduate of the National Beauty College of Benton Harbor. She is employed by the Stanco company in Berrien Springs. Mr. McCarty, a 1961 graduate of Gallen high school, is employed by the Buchanan Metalform Products company. The wedding will be solemnized Oct. 26 in the First Methodist church.

Plan Circle Meeting

The first meeting of the 1963-64 season of the Minta Margaret circle of the First Methodist church will be held Tuesday evening, Sept. 17, at the home of Mrs. Max Morris, Sr., 117 North Cayuga St. Mrs. John Coleman will act as co-hostess for the 6:30 p.m. cooperative dinner.

Mrs. John Cline will give devotions, and Mrs. Earl Derflinger and Mrs. Freda Miller will be in charge of the lesson.

Loyal Workers View Pictures

Twenty-four members attended the Loyal Workers class meeting, held Tuesday evening in the Church of Christ social room.

Following the cooperative dinner, more members appeared to see slides and movies of Phoenix, Ariz., and the Grand Canyon, taken by Mr. and Mrs. Andrew Mitchell and Mr. and Mrs. Harold Sebasty and their children, Bob and Ruth, when they visited the area last summer.

During the business meeting, conducted by Mrs. Grace Shipley, the group signed a card of cheer for Mrs. Etta Bohl, who is recuperating from a broken hip.

Devotions and prayer were given by Mrs. Mitchell, and the group heard a report about the Vernon brothers of the Home-Steak, USA television program. It was announced that the Vernon brothers would be appearing at the missionary convention to be held in South Bend, Ind., Sept. 24 thru the 27. The next meeting, Oct. 8, will feature election of officers.

Circles Hold Joint Meeting

A combined meeting of the Women's circles of the Church of Christ was held Wednesday evening, Sept. 4, in the church parlors, beginning the new season.

Devotions for the meeting were given by Mrs. Gene Taube, and Mrs. Robert Mahan, council president, was in charge of the meeting. The following chairmen explained the functions of their respective committees, their goals and projects for the coming year: Mrs. Lynwood Alverson, membership; Miss Beatrice Boyle, program; Mrs. Glen Bumstead, service; Mrs. Richard Hushower, projects; and Mrs. Cecil Murden, budget.

Following the business session, Mrs. Mahan, Mrs. Hushower, Miss Boyle, Mrs. Wiley Wallace, Mrs. Murden, Mrs. LeRoy Holston, Mrs. Howard Leazerby and Mrs. Bumstead, members of the executive board, served the refreshments. Individual circle meetings will be held Oct. 2.

Name Fund Chairmen

Mrs. Gerald Moulds and Mrs. Owen Rifenberg have been appointed home solicitation co-chairmen for the Buchanan Community Fund drive. The appointments were made by drive chairman, James Murphy. The drive will be conducted Oct. 1 thru 15.

Ollen Baldwin Takes Bride

Miss Carol Sue Personette of Stevensville, and Ollen Ray Baldwin were married Friday evening, Sept. 6, at 7 p.m. by justice of the peace, Jerry Lauder.

The bride is the daughter of Mr. and Mrs. Fred Personette of Stevensville. Mr. and Mrs. Clair Baldwin of 121 Elizabeth St., are the parents of the bridegroom.

For her wedding, the bride was attired in a light beige tweed suit with a white blouse and beige accessories. A caplet of lace and pearls held a face veil.

Mr. and Mrs. Donald Ruff of Berrien Springs, attended the couple. The matron of honor wore a medium blue jersey sheath dress with matching accessories and a blue hat.

The bride is a 1962 graduate of Benton Harbor high school. Her bridegroom, a 1959 graduate of Buchanan high school, is employed by Dean's Dairy in Berrien Springs.

The couple is now residing at the Ross Riverside Trailer court on Red Bud Trail.

Reassign Rev. Porter To Buchanan Church

Rev. Rosa Lee Porter was guest of honor at a "Welcome Home" hour, held recently in the home of Mrs. Carrie Warren, who was in charge of arrangements.

The affair celebrated the reassignment of Rev. Porter as pastor of the Porter Community AME church. She attended the Michigan Annual Conference of the Fourth Episcopal district of AME churches, and she was returned to Buchanan by Rt. Rev. Joseph Gomez, bishop, and Rev. Matthew R. Rhonenee, Presiding elder of the South Detroit district.

To Elect Officers

Annual election of officers will be held at the monthly meeting of the Buchanan Women's Christian Temperance Union meeting Monday evening, Mrs. Harry Hartline of 105 Clark St. will be hostess for the 7:30 p.m. meeting.

Mrs. J. F. Phillippi, president, will be in charge of the meeting. Devotions will be given by Mrs. Joseph Lovelady. All members are urged to attend the meeting.

Past Presidents Host Secretary

Fifteen members and one guest, Mrs. Irene McMahon of Indianapolis, Ind., national secretary of the World War II Mothers, attended the Monday evening meeting of the Niles Buchanan Past Presidents club of the local organization. Mrs. Clare Davis was hostess.

Mrs. Lester Potter, Mrs. Paul Schaber, Mrs. Edward Kelling, Mrs. William Kell, Mrs. Kate Stick and Mrs. Harry Banke were appointed to make arrangements for six students of the Niles Exceptional school who will celebrate birthdays in September, or who had birth days in July or August.

It was announced that the October meeting would be held at the home of Mrs. Willard Barnes of Niles, and Mrs. Ralph DeNardo would be co-hostess.

The November meeting will be a 1 o'clock cooperative Thanksgiving dinner at the home of Mrs. Clyde Marble. Mrs. Potter and Mrs. Banke will be in charge of arrangements for the Christmas dinner meeting in December.

Mrs. Barnes received the unseen gift, and games prizes were won by Mrs. Stick, Mrs. Della Brown and Mrs. DeNardo.

Methodists to Hold Retreat

The First Methodist church has announced that a fall planning retreat will be held Saturday and Sunday, Sept. 14 and 15, at the Crystal Springs camp.

The meeting will officially begin with a dinner at 6 o'clock Saturday. The evening will be spent in planning the coming year's activities. Following breakfast Sunday morning, groups will continue work on the program.

At 10:30 a.m., a worship service will be held in the tabernacle, conducted by Virgil Miller, the church lay leader.

The various groups that will be meeting for this retreat will be the commissions on membership and evangelism, education, missions, stewardship and finance and Christian social concerns. Officers of the Senior High Methodist Youth Fellowship will also be working on their program.

Because of the retreat, announced the pastor, Rev. Dale B. Ward, there will be only the 9 a.m. service of worship at the church and there will be no evening youth meeting.

Masonic Group Plans for Dinner

The Masonic Temple association will sponsor a public dinner in the Temple on Saturday evening, Sept. 21. Serving will be from 5 to 7 p.m.

Mrs. Truman Bever will be chairman of arrangements for the affair. Bert Metzger will assist as co-chairman. Other members of the arrangements committee will be William Barnes and George Chubb, publicity, Mr. and Mrs. Paul Hicks, dining room, Wayne Castle, coffee, Mr. and Mrs. William Cunniff, des-

sert, Mr. and Mrs. Bert Metzger, kitchen, and Mrs. Charles Wilcox and Mrs. George Russell, tickets. Mrs. Phil Boone will be in charge of table decorations.

The menu for the dinner will feature fried chicken and there will also be mashed potatoes, gravy, a vegetable and tossed salad besides rolls and butter, relishes, desert and beverages.

Association to Meet

The September meeting of the Women's association of the First Presbyterian church will be held Tuesday, Sept. 17, at 2 p.m. in the recreation room of the church.

Members are asked to take the layettes they have been working on during the summer to the service meeting. A "Like New Auction" will follow the business session.

Hostesses for the meeting will be Mrs. P. R. Hanlin, Mrs. Harry Banke, Mrs. R. C. Strayer and Mrs. Kenneth Witt.

SET CORN ROAST

A corn and sausage roast will be held at the Gallen American Legion home on Saturday evening. Serving is scheduled to begin at 5 p.m.

Local News

W. D. Ellis of Tampa, Fla., a former Buchanan resident, is staying with Mr. and Mrs. Kenneth A. Gearhart while visiting friends and relatives in the Buchanan area. Ellis was in the building business when he resided here.

John A. White, who resides at 204 Clark St., is now a patient at Memorial hospital in South Bend, Ind. His room number is 418.

Tahquamenon Falls in the Upper Peninsula is one of the most beautiful waterfalls in the world. It is 200 feet wide, with a drop of more than 50 feet. The Tahquamenon river is the famous "Golden Stream" of Longfellow's "Song of Hiawatha."

Miss Conklin and Phillip Bridges United In Marriage on Saturday

Miss Charlene Mae Conklin and Phillip A. Bridges were united in marriage on Saturday, Sept. 7, during a single ring ceremony performed in the Evangelical United Brethren church.

The pastor, the Rev. Albert A. Fall, officiated at the candlelight ceremony, assisted by the father of the bridegroom, Rev. Guy Bridges.

Mr. and Mrs. Ed Beard of 420 Arctic are the bride's parents. The bridegroom is the son of Rev. and Mrs. Bridges of Lansing.

Mrs. John Nelson was organist. The church was decorated with baskets of white roses and gladioli, and lighted tapers in candelabra.

Given in marriage by her father, the bride wore a floor-length gown of lace and tulle, styled with a bouffant skirt formed of rows of scalloped lace and tulle. The fitted bodice was fashioned with a round neckline, embroidered with seed pearls and rhinestones, and long, tapered sleeves.

A tiara of seed pearls and rhinestones held her shoulder-

length veil of illusion and she carried a bouquet of yellow roses and ivy.

The matron of honor, Mrs. Paul A. Meyers, and the bridesmaid, Miss Kathy Phillip of Youngstown, Ohio, wore identical gowns of blue, fashioned with full skirts, gathered at the back of the waistlines, and topped by fitted bodices which were accented with round necklines and cap sleeves. Their crown headpieces were formed of matching blue braid and held tiny face veils. They each carried a bouquet of blue tinted white gladioli with ivy.

Norman Bridges served his brother as best man, and Paul Myers seated the guests.

For her daughter's wedding, Mrs. Beard wore a navy blue and white suit with a white hat and blue accessories. Her corsage was of white gladioli and pink roses. The mother of the bridegroom wore a yellow and green print jersey dress, with white accessories and a corsage of white gladioli and orange roses.

Following the ceremony, a reception was held in the church parlors.

Seek Help at Welfare Center

Volunteers are still desperately needed to staff the Health and Welfare center, according to the assistant director, Miss Joseph Barrett.

She stated that women are needed for volunteer work from 1:30 to 4 p.m. each Wednesday. The women mend and prepare clothing for distribution to the needy, hem diapers, cut quilt blocks, etc.

According to Mrs. Barrett, if enough women volunteer, a schedule may be set up so that they may lend their services only once or twice a month. Any woman interested in lending her assistance and time is urged to call Mrs. Barrett at OX 5-6869.
