Commission approves its 1977-78 budget

On Monday the city commission had a public hearing on its proposed 1977-78 budget, and as usual nobody appeared to ask any questions. The city plans to receive $925,396 in revenue from all sources and will use an additional $132,212 which it will borrow from assets already on hand The budget reflects an increase of six per cent for inflation The levy of 14 mills will finance the budget without any increase

The city will in addition spend $275,000 of its federal revenue sharing funds for Phase I of the downtown development project Joe Garbert II said that the downtown development authority, after a year of study and discussion, was unanimously in favor of this project and is currently studying future phases. Although Garbert still doesn't believe parking is a problem in Buchanan, there will presumably be slight increase in parking spaces made possible by the land given by the Desenbergs

The commission considered a report from the traffic consultant which stated that a plan for angle parking on Front Street was unworkable. It was decided to leave the parking the way it is on Front Street

Mrs Anderson reported that the area landfill was again in financial difficulty, and she asked for and got another $3055 26 from the city She was hopeful that this would be all that was needed for the rest of the calendar year.

There is a list of bills owed the city for various services It was recommended that they be put on the tax rolls, but the commission finally voted to take off two items from this list Gambles and Ross Standard Service had received bills from the city for snow removal after they had pushed snow into the intersection last winter.

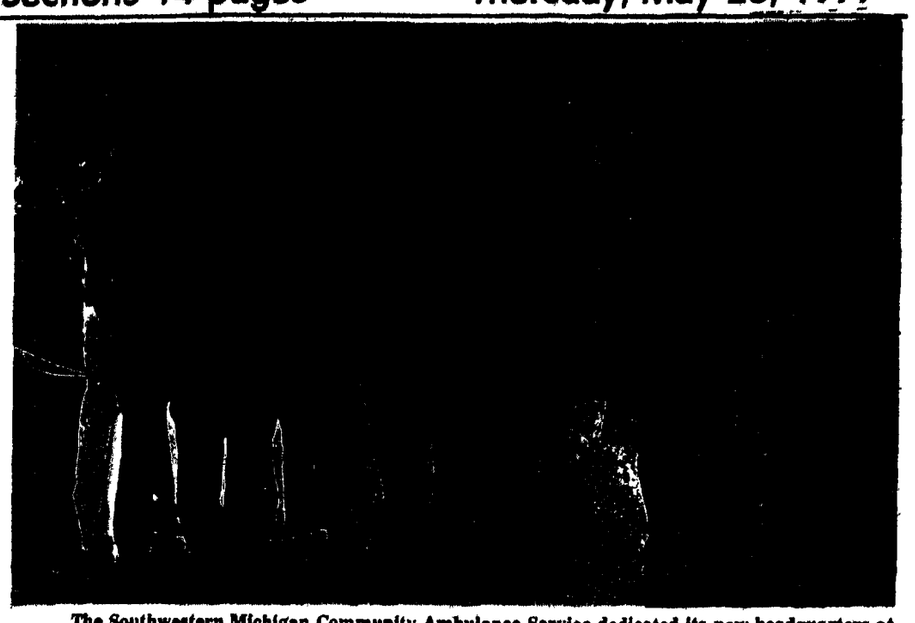
Bill Sullivan was present to protest this bill, and the commission, after considerable discussion, eliminated those bills from the tax rolls They did, however, continue to include bills to Orpurt's for clean-up and weed mowing at the apartments at Arctic Street and threatened an injunction against those owners

The transfer of a liquor license from Mrs Barbara Jesswein to Donald Radde was approved *Invoices from Leslie Cripps for* $557 and $1,030 30 were okayed.

Mayor Gault announced some of his appointments, and they were approved. Don Holmes was reappointed to the board of appeals Keith Morrow, Jim Jesse and Ken Mall were reappointed to the plan commission, and Don Ryman and Joseph Garbert, Sr. were appointed to fill vacancies.

Velma Proud was reappointed to the library board and Don Nichols was appointed to fill a vacancy Jim Wolford and Mrs Milton McGuirt were reappointed to the park and recreation board

At the suggestion of Joseph Garbert II, the commission went on record as opposing House Bill 5400 for "instant registration" of voters on the grounds that it would present a tremendous potential for vote fraud.



The Southwestern Michigan Community Ambulance Service dedicated its new headquarters at 2100 West Chicago Road, and held open house from 2-5 p.m., Sunday, May 22. Dr. Kenneth Jones, SMCAS president, and Congressman Dave Stockman, prepare to cut the ribbon at the dedication ceremonies. Bob Eichler, the originator of the volunteer community ambulance idea for the area, was also present along with SMCAS board members and alternates; Niles Mayor Woodbridge; Bertrand Township Supervisor Al Siekman and John Borst, contractor

The headquarters building features an office (open 9-5), restroom facilities for men and women, a kitchen, living room, bedroom with four beds and a garage with room for four ambulances.

School board voters' guide prepared by LWV for June 13 election

Buchanan School Board Election, June 13, 1977

This Voters' Guide was prepared by the League of Women Voters of the Niles-Buchanan Area, a non-partisan organization which never supports or opposes any political party or candidate Biographical information and answers to questions were secured by letter The answers are in the candidates' own words and have not been edited except for necessary cutting when the replies exceeded the word limitation, in which case an ellipsis is used. Each candidate was asked to respond to the following two questions in 50 words or less

1. Please explain your reasons for running for the school board at this time, emphasizing your educational values and what you personally can contribute to the board

2. List your educational priorities should financing be inadequate to maintain all current phases of education in the Buchanan Public Schools

Vote for One

George Merrill

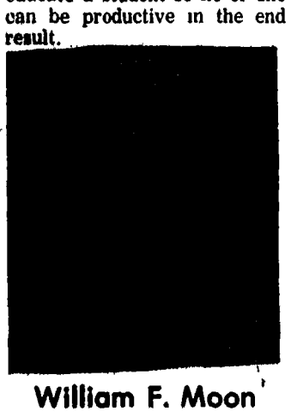
GEORGE MERRILL, age 40, 306 N Detroit St., Buchanan. Graduated from Berrien Springs High School in 1955, Western Michigan University -- 1 year, Michigan State University -- completed business courses. Life & Health Insurance Agent. Worked on the Committee of "42" in 1975 and was chairman of the Transportation & Maintenance Committee Each individual that was on the committee received an education Four children in the Buchanan School system Meribeth, age 16 -- Junior, Jeff, age 15 -- Freshman, Linda, age 14 -- Eighth grade, Ronald, age 10 -- Fourth grade.

Answers to questions

1 1.) Work towards more vocational programs and classes 30 per cent of students going to college 70 per cent do not 2.) Better communications between school and community 3) Essential programs kept in school system 4) Quality of education maintained 5) Money spent wisely

2 1.) Back to Basics 2) Vocational training and classes, trades, etc. 3.) Sports, extracurricular activities.

Each of the above are important, but the most important is to educate a student so he or she can be productive in the end result.



William F. Moon

WILLIAM F MOON, age 50, 310 W. Front St., Buchanan B S Mech Eng. -- MIT -- 1951, AB Washington and Jefferson College -- 1950. Own and operate HSC Corporation, manufacturer of industrial respirators and goggles. Previously in manufacturing management with several firms

Answers to questions

1 I believe that the school board will benefit from my four years of experience as member and president of the board. I hope to see our school district strengthen its offerings in vocational courses and also in remedial courses for those who fall behind in reading and mathematical skills

2 Basic education must be given top priority College preparatory, vocational education and extracurricular activities that order of priority are also very important

The following proposition will also appear on the ballot

TAX RATE LIMITATION INCREASE PROPOSITION FOR OPERATING PURPOSES

Shall the limitation on amount of taxes which may be assessed against all property in Buchanan Community Schools, Berrien County, Michigan, be increased by 2 6 mills ($2.60 on each $1,000 of state equalized valuation) for the year 1977, for the purpose of providing additional funds for operation purposes? Yes or No

Fourth of July celebration

Local organizations, clubs, etc. wishing to have a booth to sell ice cream, pop, etc, as part of Buchanan's Fourth of July celebration prior to the fireworks display may contact Bob Welsh at Welsh Carpet Mart or call the Chamber of Commerce for more information.

Library Summer Hours to begin May 31, 1977

Many people have requested that the library open for morning business. The library will be open from 10:00 a.m to 5:00 p.m each week day.

Saturday hours will remain the same, 12:00 to 5:00 p.m.

Buchanan to honor war dead on Monday — parade and services

Buchanan will honor its war dead Monday, May 30, with the traditional Memorial Day Parade at 10 a m , preceding a service at Oak Ridge Cemetery's Soldiers Circle Giving the memorial address will be Don Pears, former speaker of the Michigan House of Representatives.

Ralph Rumbaugh Post 51 of the American Legion is in charge of the parade, and service Dean Swem will be master of ceremonies and the Buchanan High School band will play the national anthem Rev Donald Atchison of St. Anthony's Church will give the invocation and the benediction.

The parade will form at the Legion Home at 9:30 a m and the march to the cemetery will start at 10 a m. sharp The lineup is as follows

1. City police car 2 Massed colors (Buchanan Post 51, Galien Post 344, VFW Post 3102) 3 Firing squad. 4 Marching veterans. 5. Parade Marshalls -- WWI Veterans 6. Master of ceremonies, speaker and minister 7 Legion Auxiliary and Junior Auxiliary, 8. Gold Star Mothers. 9. WWII Mothers 10. Buchanan High School Band (Clark Parking Lot) 11 Tami Fritz and twirlers 12 Miss Buchanan and court 13. Legion Poppy Queen 14 Boy Scouts (Clark Parking Lot). 15 Cub Scouts (Clark Parking Lot) 16. Girl Scouts (Clark Parking Lot). 17 Brownies (Clark Parking Lot) 18. 23. Antique Cars (Clark Parking Lot) 24 Bicycles (Clark Parking Lot). 25. Fire Departments of Buchanan City, Buchanan Township and Bertrand Townships 26 Westerners Riding Club (Clark Parking Lot) 27 Sherriffs Posse (Clark Parking Lot). 28 WCTU float. 29. City Police Car

All units will assemble at the Legion unless otherwise designated. In case of inclement weather the parade will be cancelled and the ceremonies will be held at the Legion Home

Attention

Teen Center dance

There will be a dance at the Buchanan Teen Center, 112 North Oak on Saturday, May 28 from 8:30 p.m to 11:30 p m. The band featured will be Pullman West Cost for non-members is $1.75 and cost for members is $1 50.

Chamber of Commerce launches new year

The second largest crowd in history attended the Buchanan Area Chamber of Commerce annual dinner at St. Anthony's Church last week at which Mrs. Fred Samson was honored as Citizen of the Year, and Mrs. John Cress posthumously received the Redbud Award.

Clyde Remmo was master of ceremonies for the evening He introduced Mayor Richard Gault who outlined some of the exciting things planned in Buchanan including completion of Phase I of the downtown development and the "reopening" of McCoy's Creek

President John North recognized Buchanan's industries with special plaques given to Fred Carbon Co., Buchanan Metalform, Buchanan Steel Products, Clark Equipment Co , H S. Cover Co., Electro-Voice, IMW, Food Specialties, Kayak Specialties, Pinlock Engineering, Buchanan Pallet, Jemco, Fapco and C & S Machine Products

Jim Barrett, president of the Michigan Chamber of Commerce, was the speaker of the evening. He's the youngest man to hold his present position His organization represents 4300 firms, and he pointed out that Buchanan was a charter member of the organization Barrett emphasized the need for a viable, active chamber organization in each community and the need for businesses and industries, the only ones who don't have their own strong lobby groups, to be represented on a state level by such an organization as the chamber of commerce

Concerned Parents Who Care air views on upcoming millage election

By Linda Shelles

Many residents of the Buchanan School District are satisfied with the knowledge that, by renewing the 2 4 mills for operation of our schools next year, we have assured the children in the district of an adequate educational program However, a group of parents is concerned that this basic educational program, reading, writing, and arithmetic, will not do an adequate job of educating the "total person"

This group, Concerned Parents Who Care, petitioned the Buchanan School Board to place the question of an additional 2 6 mills for one year on the June 13 ballot to make possible continuation of most of the school program that exists today, Even with the millage approved in April, the school district will be $160,000 short of being able to continue offering the current school year's program.

The group acted because they feel that the programs cut are important to the total school program and to their children's education. The board has announced the elimination of high school wood shop and home economics, and the entire string program, grades 4 through 12, is being cut In addition to these programs, mechanical drawing and German will not be offered next year. Other program cuts include elimination of one teacher at Indian Hills and one kindergarten section on the elementary level, at the middle school level, the cuts would include 1 6 classrooms and a resource room, resulting in increased pupil-teacher ratios

System-wide, additional cuts would include reduction of $18,200 in capital outlay and laying off of one custodian; $2,275 reduction in support of community education, including all programs not fully self-sustaining, $10,000 reduction in support of athletics and food services, resulting in fewer coaches and possible elimination of some minor sports, as well as increased hot lunch costs School officials also point out that increased costs in the hot lunch program do not take into account possible implementation of a state-mandated breakfast program.

Perhaps the most widely felt of the cuts is in the string program, where many of the parents of the seventy students involved have invested several hundred dollars in instruments and private lessons The program began to reach its full potential this year in a rebuilding effort started by George Spence, when today's juniors were in the fourth grade. Mary Firehammer, mother of several string students now and in the past, observed that the high school orchestra's full potential was shown in the musical, "Oklahoma," presented this spring by the High School Drama Club "The performance by a full orchestra capped a superb performance by those in the cast," said Mrs Firehammer "At times, one forgot that the production was being done by high school students and not professionals."

Those involved in Concerned Parents Who Care point out that once skills in the areas of wood shop, mechanical drawing, German and strings are achieved, they diminish rapidly unless a person continues working at it daily In a year, it would be extremely difficult to pick up where these courses leave off this year because of the ground which would most certainly be lost Programs such as home economics, wood shop, and mechanical drawing have always been a part of the basic high school program, to remove them from today's curriculum would be denying today's high school student some of the programs which his parents and grandparents may have had.

Eliminating teachers and class offerings will increase the pupil-teacher ratio which in turn diminishes the amount of individual attention a teacher can provide Further, it makes it more difficult to spot individual problems in the classroom

To insure that the children in the Buchanan School District have the opportunity to participate in the total program currently being offered, the average taxpayer in the district will be spending a mere seven or eight cents a day--a bargain by almost any standards

Junior Achievement Banquet climaxes JA year

Over 140 persons attended the sixteenth annual Junior Achievement banquet at Saint Mary's College Thursday. It climaxed a successful JA year for the Niles-Buchanan area in which 206 achievers participated in nine companies.

Gloria Cooper was the toastmistress, and the main speaker was William Peace, vice president of marketing of National Standard Company.

Jim Topash and Marie Greulich from Buchanan were chosen as two of the four representatives to go to the NAJAK conference at Indiana University later in the summer. Their selection was based on their demonstrated leadership this year

Marianna Mahoney was the recipient of a $500 scholarship which was raised by funds totally generated by J A ers

It was reported that there will be 11 companies next year in an expanded JA program. Some 107 of this year's achievers plan to return for next year's program. It was pointed out that, if Niles students may not be able to have extracurricular activities at school, they may avail themselves of Junior Achievement

Donna Shaner of Niles, was driving this car Tuesday, May 17, when she apparently lost control while going east on Front Street. The car left the street and crashed into a telephone pole. Shaner was treated and released at Memorial Hospital, South Bend.

Community Outlooks

The Berrien County Record office will be closed Monday, May 30, in observance of Memorial Day.

The Record would appreciate receiving as many news items as possible by 5 p.m., Friday, May 27.

Jim Topash and Marie Greulich from Buchanan were chosen by Junior Achievement as representatives at the NAJAK conference in Bloomington, Indiana. They were congratulated by Clyde Remmo, executive director of Junior Achievement of the Four Flags area.

Our Opinion

Ag in Action — An editorial

Glass of water?

A couple went to a restaurant for lunch, ordered and waited for their glass of water. Then they noticed a placard which said, "We are serving water upon your request only...because we care about your future." The placard went on to explain the new policy was started because "Water conservation starts at home ..yours and ours."

At first it was difficult for the couple to accept, it was traditional for the waitress to bring a glass of water. But, as they thought about it, each began to realize that the 200 years of abundance just might be drawing to an end. It was an uncomfortable moment because it represented a threat, a warning of things to come if something isn't done now about conserving the natural resources of our land.

On the back of the placard it was noted that every 8-ounce glass of water served requires another 16 ounces to rinse and wash it, making a total of three glasses full of water for every glass served In addition, every 100 racks of glasses through the restaurant's dishwasher equals 13 kilowatt hours of electricity. It was also pointed out that 13.2 therms of gas or 326 kilowatt hours of electricity is required to raise every 1,000 gallons of water 100 degrees in temperature, to the level necessary for sanitation.

Frightening? You bet! Multiply these figures millions of times and you quickly realize it doesn't take a mathematical wizard to see how much energy is consumed each day in our nation just for a glass of water for each diner. Then consider the expenditures of energy and other resources and the frightening future looms on the horizon

Unless, of course, the resources are replaced and protected But, this isn't happening very quickly Government and industry are moving to protect our fuels, water, environment and all the rest, but it takes everyone's participation

What do you propose to do to assure that the glass of water you request is available?

Out in the Pacific Northwest, bumper stickers are making the rounds with a message that's appropriate for water conservation--and June Dairy Month--or any time of the year It reads. "Make a Farmer Happy.... Save Water.. . DRINK MILK "

That's not the full answer, of course, but it does make people stop and think that our natural resources can't be taken for granted any longer.

Letters TO THE EDITOR

Parade problem

Dear Editor.

In past years the Middle School Band and the "Bicycle Brigade" have both been very near the end of the Memorial Day parade

Each year, bicyclists ride ahead of the group and often weave in and out or around the band. This causes a dangerous situation for both the bicyclists and the band members

Parents--If your child plans to ride a bicycle in the parade, please have a talk with him or her concerning this problem.

For everyone's safety, please--All bicycles should stay behind the band in a group.

Your co-operation is greatly appreciated

Dixie Detgen
Middle School Band Director

Why?

Letter to the Editor,

If anyone can explain to the majority of the Buchanan School taxpayers why should Indian Hills School be kept open -- please do inform us You see I know that there are only 96 students attending that school Its known that all the students are going to have to give up extra's from the school system It's known that some people feel they can afford an extra 2 6 mils come June election.

Myself, I really can't afford another 2 6 mils I have two children in Buchanan Schools; I want them to have a good education and some extra's But why should my budget and children both suffer -- so a few can have their own little elite Indian Hill School.

There are three elementary schools in town -- to divide Indian Hills' 96 students into, would be 32 students per school with approxmiately 6 students per grade 1st thru 5th There would be little or no extra expense to bring the kids into town because they are bused to school anyway Moneys would be saved their not having to pay utility bills, less administration and teachers This money would be enought to re-instate all programs and hold taxes down. My children deserve as good an education as anyone elses, they also need food on the table and roof over their head. Please don't let a few deprive them of either. Why keep Indian Hill's School Open!

A Parent

School millage

Editor:

In last weeks paper -- there were a couple of letters on the topic of the school millage The school board has suggested cuts in programs for all students of Buchanan, if the millage doesn't pass. But why for years do they discuss Closing Indian Hills School cause it would be a great savings of tax money. Yet they never do it Is this new millage a form of blackmail to pressure the parents? Is it either you pass the millage or all the Buchanan students will suffer because of you?

Why doesn't the School Board really evaluate to cost of Indian Hills School?

There are under one hundred students out there. If you were to divide the cost of keeping that school running by the number of students -- the school board would find it cost more per student then any of the other elementary schools in town. Is this fair?

If they closed Indian Hills School -- there would be enought money to keep all programs without this new millage. The only cuts made then would be a few people who now work at Indian Hills Figure there are at less six people working there, all of which make at least ten thousand dollars a year That alone would be a sixty thousand dollars savings. Just think how much the savings would be with there utilities bills and up keep, etc The School Board knows the millage if passed will mean the public passed a total of 6 mills this spring Does the public know this? For me this is an extra hundred dollars in taxes for six mills How about it School Board? My children should have equal rights to the school tax money

Signed Think It Over

Out of the Past

40 Years Ago
May 27, 1937

The 70th Memorial Day program for Buchanan will be staged with the Civil War Veterans absent for the first time.

What was otherwise a most enjoyable occasion for all had an unfortunate sequel when Miss Elsie Herman, daughter of Arthur Herman, incurred a painfully injured foot in an automobile collision at the conclusion of the parade staged by the high school students in celebration of the marriage of Principal Paul J Moore and Miss Judith Bulla, instructor in English

(How's this one?) Anybody that has a team of mules colored black with a white mark around the body can get a fancy price from Richard Schwartz, who wants them to complete the live stock color scheme on his farm. The mules can be any color, Schwartz states, just so they are black with a white band around the body

25 Years Ago
May 22, 1952

All Buchananites will have an opportunity to give to the Berrien County Cancer Fund Drive during the "Lights On" canvass to be staged this Thursday evening, beginning at 8 p m. Those who wish to contribute are asked to turn on their porch lights at that time.

An explosion occurred in a heat treat draw furnace burning propane gas in Building 31-A, Axle Division of the Clark Equipment plant. The furnace had not been used over the weekend An employee coming in on the 12-8 Monday turned on the diaphragm control blower and then started lighting the pilot light. It is the procedure to light this light first and then turn and light each of fourteen individual burners, one at a time By an oversight the burners had not been turned off, and the control had blown the furnace full of gas Lighting the pilot light set off the charge.

The immediate purchase of a building site and the ultimate construction on the site of a town hall from accumulated sales tax money was voted at a special meeting of the qualified electors of Buchanan Township

10 Years Ago
May 25, 1967

Buchanan's civic observance of Memorial Day will be highlighted by the presence of Wayne E Squire of Wyandotte, candidate for Michigan department commander of American Legion Squire will deliver the main address at memorial services to be held at Soldier's Circle in Oak Ridge cemetery.

Southwestern Michigan community blossom queens were given a royal welcome last week as they visited Buchanan during the annual Tour-of-the-Cities Mayor Kenneth Witt presented Miss Buchanan, Lois Schultz, with the key to the city and David Goldberg presented her with a bouquet of red roses from her sponsors, the Buchanan Jaycees.

Charles A LaBolt has been appointed corporate salaried position analyst of Clark Equipment Company. He headquarters in the industrial relations department in Buchanan

Dale Weldy, owner of Weldy's Sales & Service, North Red Bud Trail, presents a new STIHL chain saw to Mrs. Joe (Deann) Benak, Route One, Box 598, Red Bud Trail A drawing was held at Weldy's following the open house Saturday, May 21, from 8 a m to 8 p m. and Mrs Benak won the grand prize

Area Obituaries

Col. Edward T Payson

Col Edward T Payson, 74, of 509 Forest Place, Culver, Indiana, died at 7 40 p m, Sunday, May 22, in Memorial Hospital, South Bend, after a short illness He was born November 27, 1902, in Gloucester, Massachusetts, and had lived in Culver since 1926, where he was bandmaster at Culver Military Academy until his retirement in 1967 He attended Harvard University (Class of 1928) and the College of Wooster. For You From Unity Hospital

Americans generally eat better and spend a smaller share of their income on food than people in other countries. In spite of this--many American families are not getting the right amount of nutrients they need--and it's not just poor people

What is nutrition? It's the food you eat and how your body uses it to live, to grow, to keep healthy and to get the energy for work and play. GOOD NUTRITION HELPS YOU FEEL GOOD AND LOOK GOOD

A balanced diet should include these 6 basics—

1. Water--essential for life--helping to dissolve and digest food and eliminate waste

2 Proteins--which come from meats, fish, dairy products, poultry and eggs, grains and cereals.

3 Fats--a source of food energy and the essential fatty acids--come from meats, butter, vegetable oils, margarine, some salad dressings, etc

4 Carbohydrates--from starches and sugar such as sugar, jam, jellies, honey, fruits and vegetables, cereals, etc

5 Minerals--help build blood, bones, teeth and aid vital body functions are provided in milk and milk products, protein foods, leafy dark greens and fish

6 Vitamins--essential for proper utilization of food and for healthy functioning of the body are gained from foods in balanced diet including Vitamin enriched foods

Of course, age makes a difference in FOOD NEEDS AND HABITS. Good eating means fewer medical and dental bills, more efficiency at work and more fun at play Keep fit by knowing your nutrition facts, by shopping, cooking and eating to keep you and your family in GOOD HEALTH!

Happy Birthday

★ Memorial Day ★

A Day to Reflect . . .

A Special Tribute To All Americans

★ Memorial Day — a time when Americans throughout the nation pay tribute to all those who died in the name of their country.

★ Let's also consider this national holiday a special time for each of us to honor all loved ones who have passed on. The people who may have added a special meaning to our own personal lives.

★ Set aside this day to reflect upon the joys and the love that they brought into our hearts. Let's remember them all on this Memorial Day.

With deepest respect, we pause and pay tribute to the memory of all who are cherished.

SMC sets dates for nursing tests

Two test dates for the National League for Nursing Pre-nursing and Guidance Examination, designed to help present and prospective college students discover their potential for a career in health professions such as registered nursing, licensed practical nursing, or nurses' assistant-aid, are being offered to area residents by Southwestern Michigan College.

The exam will be administered at SMC on May 26 and again on June 11 Persons completing the exam on either date will find the test results useful in applying for admittance to SMC's September or February associate degree nursing program which leads toward licensure as a registered nurse, or when applying for other SMC health education programs.

SMC's associate degree nursing program may also be used in a transfer program for any student working toward a baccalaureate degree in nursing.

Persons interested in taking the test are not limited by age or previous educational experience. Both men and women should use the test as a predictor of success in health education courses and careers in the health field

The exam is composed of four separate tests, an academic aptitude test, a reading test, a science test, and a social science test.

Registering for the exam may be completed by calling the SMC Admissions office at 782-5113, extension 43. The cost of the test is $2 per person, the fee can be paid at the exam site on the day of the test

Persons taking the exam should arrive at the O'Leary Building on the SMC campus by 9 a.m on the test date of their choice The total time required for the test, including lunch, is six hours

Financial aids, through federally-funded nursing scholarship and loan programs, are available and may be awarded to persons enrolling in health education courses in SMC's Fall Semester, which begins September 8. For more information about the exam, financial aids, or other student services, call the number above.

Annual pre-school vision and hearing clinic

The annual Pre-school Vision and Hearing clinic is to be held June 20 in the Kindergarten class rooms at Galien Elementary School This is again being sponsored by the Sonja Circle of the Olive Branch United Methodist Church

Parents of pre-school children who are at least 3½ years of age and have never had a vision and hearing test, are urged to register them. Please contact Mrs. Arthur Stineback by calling 695-9575 or Mrs Marie Lutz at 545-2410

The pre-school vision law passed in 1970 requires all children entering school in Michigan to have a vision test. This free service provided by the Berrien County Health Department and the Michigan Department of Public Health fulfills the requirement of the pre-school vision law.

Americans eat more bananas than any other fruit.

Strictly Personal

By D.E.N.

There's lots of activity on the hill. A nest of crows have already hatched, and the herons are hard at work. The wrens are busy in a house next to the porch, and there's a robin's nest by the driveway. The bees are thriving. Already there's a good brood started, and the honey is being packed away.

Joe, "Mr. K.", armed with his master's degree, is going to Europe this summer. The lucky bum.

It's sad news that there'll be no group from Cambridgeshire this year. The beating that the pound has taken is the main reason.

Neighbors have been complaining about two dogs who start barking about five in the morning. Hopefully, they will eventually become adjusted to the new time

Father-Son Night

There will be a Father-Son Night at the First Presbyterian Church, 115 West Front Street, Wednesday, June 1

Dinner will be served at 6 p.m. Cost is $2 for adults and children under 12, $1.

Reservations must be made by May 27 Call the church office at 695-6151.

This Week at Fernwood

A Dyed and Painted Warp Weaving Workshop with Nancy Searles of Valparaiso, Indiana begins June's activities at Fernwood. This four-day workshop will involve making cartoons, dyeing and accenting dyed areas and weaving your own creation.

Mrs. Searles holds a B.A. degree from Skidmore College and is the weaving instructor at Valparaiso University. A recipient of many awards, Mrs. Searles is now working toward her certificate of excellence in handweaving. Her research project is Freedom Design Techniques as adopted to American Colonial Weaves. She also is teaching the beginning weaving course through Michigan State University extension at Fernwood. The Dyed-Warp Workshop filled some time ago, but there are many other June offerings to consider.

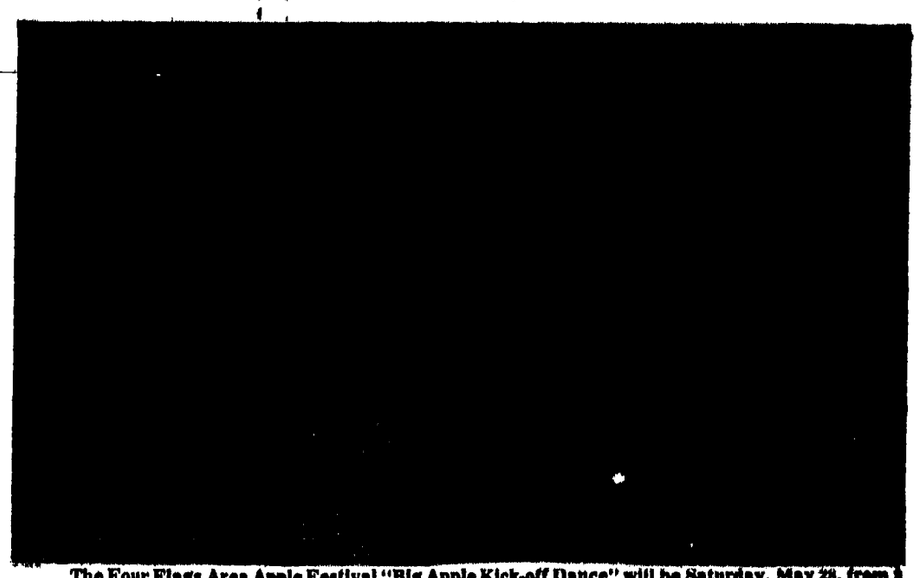
Some early June classes to register for now are, "World of the Dune" on Saturday, June 4 with Dr. Robert McIntosh of the University of Notre Dame. This four-hour field trip to the dunes features dunes past, present, and plant life of the dunes. Other early June classes are Sketching and Illustrating with Nancy Hart of Morton Arboretum in Lisle, Illinois and Raku Pottery with Nana Maher of Niles.

Mrs Hart's sketching class will learn basic design elements and drawing techniques, and will work outside as often as possible. Always a popular instructor at Fernwood, Mrs. Hart is curator of a collection of botanical prints and drawings at Morton Arboretum. Her other duties are design and illustration of publications, exhibit design and instruction of Botanical Art classes. She is an instructor for classes in landscape drawing and painting, primitive pottery, printmaking and nature printing at Morton.

The ancient art of raku firing is gaining in popularity among potters because of its increasing acceptance in national craft competitions. Fired in an open wood burning kiln, raku is a traditional Japanese firing technique which is earthy and natural and lends itself ideally for the handbuilding rather than wheel throwing process. The quality of the glazes, lusters, and special effects are not to be duplicated in any other process.

Also on the June calendar is the Outdoor Family Symposium which has been changed from a weekend event to one full day of family activities. The date for this is June 11. Other June classes that are open for registration are Evening Pottery, Day Pottery, Beginning and Advanced Quilting, Nesting Birds, Nature Photography, Miniatures, and the first of Fernwood's Paint-ins, a day of painting with other artists. Helpful instructions, critique sessions and demonstrations are included in all four of these Saturday classes, from 10:00 a.m. until 3:00 p.m Dates for the Paint-ins are June 18, July 16, September 10, and October 15.

Other June activities that also extend through the month of July are the Fernwood Day Camps. Beginning on June 6 with the four-year-olds for one session, the schedule includes two sessions of 5-and-6-year-olds, two sessions of 7 and 8-year-olds and one session each for 9 and 10-year-olds and 11 and 12-year-olds A variety of activities and nature study highlight these day camp sessions.



The Four Flags Area Apple Festival "Big Apple Kick-off Dance" will be Saturday, May 28, from 9 p.m. to 1 a.m., at St. Mary's School gymnasium. Beer and set-ups will be furnished. BYOB. Music will be by Doug Leiter's Band. Donations are $10 per couple.

These committee members have been working hard on plans for the dance. (l to r): Bette Jann, Enid Drew and Linda Crocker, committee chairman. Members not present for the picture are Sue Thompson and John Owicki.

Tickets may be purchased at the Stationery Center, Niles Chamber of Commerce, Majerek's, Linda's Lemon Tree, from board members and at the door.

LMC students receive degrees

Three hundred and forty-four Lake Michigan College students will receive associate degrees and certificates at LMC's 30th annual commencement exercise at 2 p.m., Saturday, May 28

Mrs. Jeanne C. Dwan, president of the Imperial Printing Co., of St. Joseph, will deliver the commencement address during the graduation ceremonies in the college gymnasium on the LMC East Napier Avenue campus.

Dr. James L. Lehman, president of the college, will serve as presiding officer at the commencement at which more than 1,500 friends and relatives of graduating students and patrons of the college are expected to attend.

Dr Walter F Browe, college executive vice-president, will present the graduating collegians, and Dr. Bernard C Radde, chairman of the Board of Trustees, will confer degrees and certificates on those receiving them, assisted by Dr Browe.

Pre-commencement musical selections as well as processional and recessional music will be provided by the LMC Symphonic Wind Ensemble under the direction of Dr. Donald Moely, head of the college music department. During the commencement exercises, the Wind Ensemble will perform Morton Gould's "American Salute" based on the tune "When Johnny Comes Marching Home"; the "National Anthem"; and "America the Beautiful" with Mrs. Irene Edinger, LMC vocal music instructor, as soloist.

The invocation and benediction will be offered by the Rev. Daniel Streufert, pastor of the Trinity Lutheran Church, St. Joseph

Dr Lehman, commencement presiding officer, will introduce the commencement speaker who, with four other educational, civic and business leaders, will be granted honorary degrees by the college

In addition to Mrs. Dwan, Dr. Radde, assisted by Mrs. Emily Foster, LMC trustee from Niles, will present honorary degrees to John Banyon, now retired, former Benton Harbor Division manager of the Indiana-Michigan Electric Co ; Richard Dougherty, former superintendent of the Buchanan Public School System, Mrs. Olga S Krasl, vice-president of the Leco Corporation, St. Joseph; and Dr Albert S Mowery, Michigan State University professor of Continuing Education and director of the MSU Graduate Center, Benton Harbor.

Michael E. Gerhard, member of the LMC Student Senate, will speak briefly to the audience and the graduating class. Eight prominent LMC students not in the Class of 1977 have been selected to serve as commencement marshals. They are: Lolita Rockette, of Benton Harbor; Valerie Dell and Becki Badgley, of Watervliet; Jacob Niemi and Linda Harris, of Stevensville, David Zechiel and Judy Peterson, of Coloma; and Karen Gregory, of Berrien Springs.

Members of the LMC Board of Trustees scheduled to be present during the ceremonies include, in addition to Dr Radde and Mrs. Foster, Board treasurer: Earl H Place, vice-chairman; Victor Wier, secretary, Dr. Howard Jablon, Vance R Shaw, and Charles B Huizenga

Of the 344 graduating students, seven have been designated as graduating with the Highest Honors for having achieved a straight A (4.00) average for all of their college work. Fifty-nine have been designated as graduating with High Honors for having achieved a 3 50 to 3.99 grade point average, and 90 have been designated as graduating with Honors for having achieved a 3 00 to 3.49 grade point average for all of their college work

Earlier, on Wednesday, May 18, all students designated as graduating with honors were feted at a President's Tea in the LMC library during which they heard Carmine Dandrea, professor of English, discuss the concept "The Mind Manufactures Order." Also during the President's Tea, the honor graduates were entertained by a performance of Khachaturian's "Toccata" by Lori Shoemaker, Benton Harbor High School junior who is studying piano at LMC.

The seven Highest Honor students graduating with straight A averages are: Mary E. McInerney, Coloma, Jerrold B. Grieser, Benton Harbor; Paula A McTague, Stevensville; Brenda Sue Rak, Dowagiac; Vernon J. Reidsma, Niles; Patricia Ann Trapani, Fennville, and Sonya R. Aldrich, Berrien Springs.

Those students from this area graduating from LMC in the 1977 commencement and their degrees or certificates include:

Associate in Arts: Mamiella C. Brown, 4190 Curran Road, Buchanan, graduating with honors Christopher D. Curry, Route One Box 236, Berrien Springs. Sandra L. Johnson, 413 Snow Road, Berrien Springs. Wallace Rose, 119 Sunset Drive, Berrien Springs. June W. Stover, Route One Box 186, Berrien Springs.

Business Administration: David Alan Radtke, Route One Box 233A, Berrien Springs. Barbara Ann Renbarger, 129 Cleveland, Galien.

The 142nd Session of the West Michigan Conference of the United Methodist Church opens at Albion College, Albion, Michigan. Adjournment for conference is set for Sunday, June 5, 1977. The Rev. Kenneth Snow, and Mrs. Richard Anderson will represent the Buchanan: Faith – Morris Chapel United Methodist Charge at the conference.

The Annual Vacation Bible School will be held at Faith Church June 13-17, daily at 9-11:30 a.m. All children 4 years of age and older are invited to attend this annual Christian Education Program. Mrs. Betty Goodman, Work Area Chairperson for Christian Education is in charge of this event

1973 BHS grad receives Oral Roberts degree

Sonie Sloan Suttles, daughter of Mr. and Mrs. William A. Swaim, Cassopolis, has graduated from Oral Roberts University in Tulsa, Oklahoma.

Sonie, a 1973 graduate of Buchanan High School, received her Bachelor of Arts degree in Special Education from ORU. She graduated Cum Laude. While at ORU, she was a member of the Student Education Association

Oral Roberts University is a fully-accredited liberal arts institution recognized as having one of the fastest-rising academic programs in the nation Degrees are offered in 29 fields on the undergraduate level, with a master's degree in business administration, theology, and a master-of-divinity seminary program on the graduate level. Medical and dental schools will open in 1978, and a school of law is scheduled to begin in 1979.

ORU advocates an education for the whole person–with equal emphasis placed on the development of mind, spirit, and body.

Mrs. Helfer graduates from River Valley Adult Education

A graduation party was held for Mrs Silva Helfer who graduated from the Adult Education classes at River Valley High School on May 20. The party was held at the home of Mr. and Mrs. LeRoy Williams, Buchanan on Sunday, May 22. Present were: Orville Helfer, husband; Viola Frame, both of Three Oaks; Mr. and Mrs. James Bowen, Mr. and Mrs. Don Williams of Michigan City; Mrs. Mark Stoops and daughter, Mr. and Mrs. Harry Williams, Mrs. Dave Gombosi and sons of Niles; Mrs. Jerry House and daughter, Mr. and Mrs. Don Webb, Mr. and Mrs. Jerry Pollitt, and Mr. and Mrs. Danny Schultz and daughter of Buchanan; and Mr. and Mrs. Richard Williams and sons, of Plymouth, Indiana.

Kindergarten round-up at Moccasin

The annual Kindergarten Round-up was held at the Moccasin School gymnasium Wednesday, May 18, from 1-4 p.m.

The purpose of the round-up was to enroll boys and girls in kindergarten for September classes and to give the children an opportunity to try their hand at some of the activities they will be participating in next fall.

Parents who were unable to attend the round-up may enroll their child at the office of H.C. Stark Elementary School on Claremont Street. A child must be five years old by October 15 to enroll

Lucas participates in "Solid Shield '77"

Navy Hull Maintenance Technician Fireman Douglas R Lucas, son of Mr. and Mrs. Richard P Lucas Jr. of 626 Circle Ridge Drive, Buchanan, is participating in Exercise "Solid Shield '77 "

He is serving as a crewmember aboard the amphibious command ship USS Mount Whitney, homeported in Norfolk, Virginia.

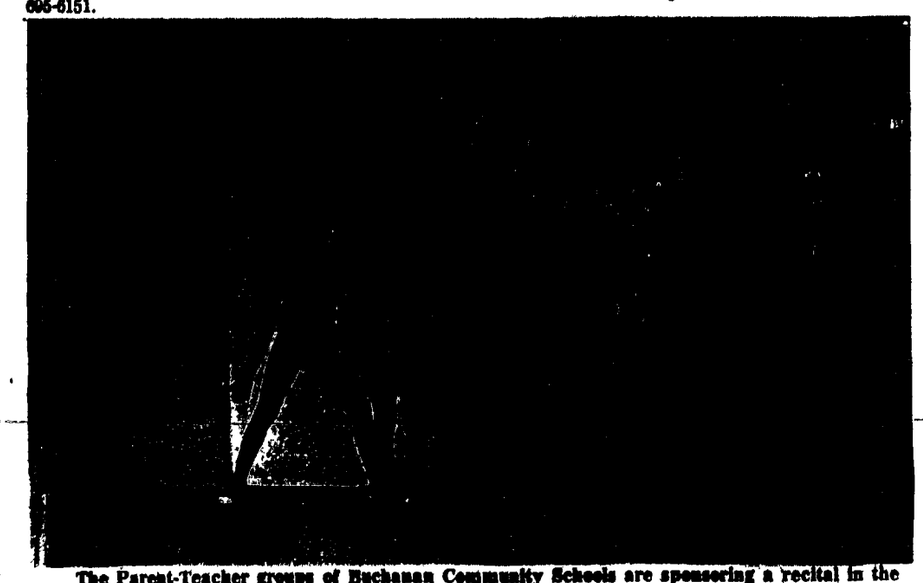
The two-week joint exercise is being conducted in the Atlantic coastal waters off North Carolina and Georgia and at nearby military installations. More than 40,000 men and women from all branches of the Armed Forces, including 3,000 Reservists, are participating. Twenty-two ships from the U S. Second Fleet, commanded by Vice Admiral John J. Shanahan, plus carrier and land-based Navy and Marine Corps aircraft have joined with units of the Army's Forces Command, a Marine Amphibious Brigade and units from the Air Force's Tactical Air Command and Military Airlift Command for "Solid Shield."

The exercise is under the overall command of Admiral Isaac C. Kidd Jr., USN, the commander-in-chief, Atlantic, "Solid Shield" is a major annual exercise, designed to provide training in joint operations for a multi-service force This year's exercise includes air, naval and ground operations and a large scale amphibious assault.

A 1975 graduate of Thornton Community College, South Holland, Illinois, with an associate of science degree, Lucas joined the Navy in September 1975

Jolly Dozen

The Jolly Dozen Club will meet Thursday, May 26, at the home of Mrs. Lena Mitchell with Mrs. Martin Mitch as hostess



The Parent-Teacher groups of Buchanan Community Schools are sponsoring a recital in the Buchanan High auditorium, Tuesday, May 31 at 7:00 p.m. Among those performing (from l to r) are: Shellie Paskiet, Amber Brown, Lisa Schrimsher, Julie Carpenter, Katrina Scroggins, and Melissa Scroggins.

Summer basketball camp planned

The Buchanan Community Education Office has announced a Basketball Camp for June 13-23 for students who will be in grades 4-9 in the fall.

The camp will last 9 days, one and one-half hours each day. Classes will be 9-10.30 a.m. for fourth and fifth grades; 10:30-12 noon for sixth grade; 1-2:30 p.m. for seventh and eighth grades and 2:30-4 p.m. for ninth grade

The primary purpose of the camp is to teach the basic skills and fundamentals of sound basketball such as: defense, passing, shooting, dribbling, rebounding, footwork, deception and individual maneuvers. They will strive to develop self confidence, the concept of fairness and sportsmanship, teamwork, mental alertness and moral integrity.

The camp will be directed by Mike Rouse, Buchanan varsity basketball coach.

Cost for the camp is $10 and includes a basketball shirt. Applications are available at the Community Education Office or at local school offices.

Class of 1947 plans reunion

The Buchanan High School graduating class of 1947 is planning its 30th reunion on August 20.

Committee members have been unable to locate three former class members. They are Iona (Morley) Wera, Barre Heime and Fred Clark.

Anyone with any information about these former class members contact Mrs. Charles (Joan) Mills at 109 Chippewa Street.

Salute to Industry Ottawa style

E T Bittner, manager of manufacturing at Buchanan Steel Products, Division of National Standard Company, visited Mrs. Clara Strayer's second grade class at Ottawa School, Tuesday, May 17, as part of Michigan Week's Salute to Industry.

Bittner gave a lesson on the Free Enterprise System. The students formed a lollipop factory under Bittner's direction. The class was divided in half and students took the roles of manager, worker, broker, government, tax man, insurance agent, materials supplier etc , to learn where the money goes when they buy a product.

The previous Sunday, May 15, Terri was also honored at a shower given by the Hoosier HoBo Camping Club at the Dutch Treat Campground in Holland, Michigan where the club was attending the Annual Tulip Festival.

Miss Horvath is a 1975 graduate of Buchanan High School and will become the bride of Maurice Crosswhite Jr on June 18

Fiddler's Jamboree and Old Time Square Dance

Feet tapping, fiddlers playing, and the audience having an old-fashioned get-together, talking about good times gone by and better times yet to come. That's the scene, Saturday, May 28 at the Grove Hall in Berrien Springs The Michigan Fiddler's Association is having its first anniversary Fiddler's Jamboree and Old Time Square Dance, and invites everyone to come and join the fun

From 2 p m to 6 p.m , the fiddlers will be taking turns, playing and learning tunes, some of which date back to European immigrants who colonized Michigan in the 1700's Everyone who plays square dance music is invited to bring their non-amplified instrument and play along

At 7 p m the dance will get underway, with live callers and fiddler's band, and squares of dancers both raising the roof and shaking the floor in an old-fashioned dance

"We're trying to reach everyone who plays this kind of music," explains Jane Allison, Secretary of the Fiddler's Association "This kind of music was dying out, and we feel that it represents an important part of Michigan's culture We don't charge admission, because we want to reach as many people as possible, and give everyone who can come a chance to learn about part of our heritage"

For more information, contact the Michigan Fiddler's Association, 2335 Rowley Road, Williamston, Michigan 48895; phone (517) 655-2695

BIG MONEY. According to the U S Congress House Committee on Government Operations, the U.S. government as of 1972 owned about $15 billion in cash, as well as about $440 billion in other property

Sandra Harrington exchanges wedding vows with Gene Baker Jr.

Sandra Harrington exchanged wedding vows with Gene Baker Jr. on Saturday, May 21, at the Bertrand Bible Church, Niles. Rev. David G Jenkins, performed the four o'clock, double ring ceremony before 300 guests The organist was Mrs. Walter Trowbridge of South Bend. John Borst, uncle of the bridegroom, sang the "Wedding Song" (There is Love). The altar was decorated with baskets of spring flowers

Mr. and Mrs Orville Harrington, 3980 Chamberlain Road are parents of the bride and Mr. and Mrs. Gene Baker Sr , 2975 Mayflower Road, Niles, are parents of the bridegroom.

The bride graudated from Buchanan High School in 1975 and is employed by Dr Phillip VanDenBerg, D D S., as a dental assistant.

The bridegroom is a 1975 graduate of Buchanan High School and is associated with his father running the Twin Pine Farm, Niles

The bride, given in marriage by her father, wore a white dacron polyester organza, floor length gown, with Chantilly lace and an attached chapel tram. The gown featured long-tapered sleeves and high neckline, trimmed with sequins She wore a waist length veil of Chantilly lace previously worn by her sister, Mrs. Jerry Donley and carried a white bride's Bible covered with white carnations, red roses and baby's breath.

Serving her sister as matron of honor was Mrs Jerry Donley of Buchanan The bridemaids were Dolly Clark of Buchanan, sister of the bride, Theresa Baker of Niles, sister of the bridegroom; Mrs. William Carson of Niles; Donna Canfield of Buchanan and Mrs. Perry Kull of Niles

They each wore a gown of blue polyester and cotton voile with acetate taffeta lining, trimmed with lace of nylon acetate and rayon The v-neckline had a shoestring tie, lace edged the bodice The sides and shoulder to elbow portion of the flared sleeves had elastic smocking The gown had a back tie, flared skirt with three lace trimmed tiers and gathered waist Each girl carried white long-stemmed roses, accented with blue and navy baby's breath and long white streamers.

Donna Donley of Buchanan, niece of the bride, was flower girl She wore a floor length gown similar to the bridesmaids and carried a basket of white roses, blue carnations and dropped rose petals.

Jeffery Baker of Niles, brother of the bridegroom, performed the duties of best man Groomsmen were James Harrington of Buchanan, brother of the bride; Jerry Donley of Buchanan, brother-in-law of the bride; William Carson, Rod Runyan and Mark Colston, all of Niles

The ushers were John and Donald Harrington, brothers of the bride, Cary Harrington of Three Oaks, cousin of the bride and Greg Eis of Buchanan Joseph Harrington, nephew of the bride, from Buchanan was ring bearer.

The bride's mother wore a floor length sheer polyester gown of pastel yellow

The bridegroom's mother wore a floor length gown of apricot print chiffon with flowing skirt

A reception was held immediately following the ceremony at the American Legion Post 51, Buchanan The wedding cake was baked and decorated by the bridegroom's grandmother, Mrs W E Baker Serving the guests were Mrs. Jessie Harrington, Mrs Donna Coleman and Debbie Coleman Cake and punch were served by Candy Clark, Daleen Harrington and Nancy Novus Tammy Baker presided at the guest book

Following a one week wedding trip to Florida the couple will be at home at 2905 Mayflower Road, Niles

Mrs Gene Baker Jr.

Linda Leazenby and Craig Stump united in marriage

Miss Linda Sue Leazenby and Craig Alan Stump were united in marriage Saturday, May 21, at the First Church of Christ in Niles Rick Stacy, pastor of the Lakeshore Church of Christ performed the 6 o'clock, double ring ceremony.

The bride is the daughter of Mr. and Mrs Wesley Leazenby, 223 Blakeslee Street, Galien. The bridegroom is the son of Mr. and Mrs Francis Stump, 285 East John Beers Road, St Joseph

Escorted to the altar by her father, the bride was attired in a gown of polyester organza, the bodice trimmed with Chantilly lace and pearls The cuffs of the sleeves were also trimmed with pearls A fitted Chantilly lace cummerbund accented her waist The full skirt had tiers of lace from the waist to the bottom skirt. Her cathedral length mantilla was edged with Chantilly lace and held by a lace and pearl headpiece She carried a bouquet of yellow roses and baby's breath

Mrs Thomas Andrasiak of New Carlisle, Indiana, was matron of honor and wore a yellow gown of magic knit, with a high neckline and belted waist with full skirt and flounced bottom A detachable cape accented the gown She carried a basket of multi-color daisies

Miss Diane Leazenby, sister of the bride, Mrs. Charles Trapp, sister of the bride, both of Galien and Mrs Robert Goodsell of Stevensville, were bridesmaids and wore dresses identical to the matron of honor

Robert Goodsell of Stevensville, friend of the groom, was best man Other attendants were Thomas Mutart of Baroda, Jerry Crump of Stevensville and Brett Bailey of Stevensville, brother-in-law of the bridegroom Ushers were Charles Trapp of Galien, brother-in-law of the bride, and Robert Nitz of Baroda

The bride is a 1972 graduate of Galien High School and is employed at Bendix Corporation in St Joseph The bridegroom is a 1971 graduate of Lakeshore High School and is employed at Skidmore Corporation in Benton Harbor

A reception was held immediately following the ceremony at the Bridgman American Legion home Mrs Clarence Marsh Jr , Mrs Phillip Geminder, Miss Dawn Marsh and Mrs Michael Raymond were in charge of serving Mrs James Leazenby of Buchanan, aunt of the bride, and Mrs Brett Bailey, sister of the bridegroom cut the cake.

Following a two week wedding trip to Florida, the couple will reside at 1681 Pheasant Run Drive, Baroda

Mrs Craig Alan Stump

John McGowan, 11, son of Mr. and Mrs. Jack McGowan, 431 Moccasin Street, caught an 18 inch brown trout in McCoy's Creek, Saturday, May 14. He had bought a new fishing rod on Friday and went to the creek to try it out

McGowan is a sixth grade student at Buchanan Middle School

Buchanan High School Buckhorn receives award at LMC banquet

Tim Cuprisin, of Stevensville, a Lake Michigan College journalism student graduating with honors and editor of the college newspaper, Wednesday night (May 18) was named the Best All-Around Student Journalist for 1977 at the college's second annual Newspaper-Radio Recognition banquet

Some 50 college and area high school student journalists, professional newspaper and radio people, and LMC faculty members and administrators attended the evening get-together held in the banquet room of the college Student Union

Pat Moody, news director of Radio Station WSJM, was the principal speaker at the banquet designed to bring student journalists and area media executives together on an informal basis and to recognize outstanding student radio, newspaper, and yearbook staff members

Others who received awards at the banquet include. Best High School News Page Typography and Makeup Buchanan High School Buckhorn, Peg Blumka, editor, and St. Joseph High School Windup, Dave Brogno, editor, tied for first place

Second place in the news page makeup contest went to Lakeshore High School Drifter, Kathy Mensinger, editor, and third place to Coloma High School Vox, Cecile Nadeau, editor.

The Best High School News Photo contest was won by St Joseph High School Windup, Mark Weber, photographer. Second place went to Coloma High School Vox, Tom Braddock, photographer, and third place tie to Dowagiac Union High School Bows and Arrows and Lakeshore High School Drifter

LMC student journalists by secret ballot selected Janet Murdock, of Stevensville, as Best First-Year College Woman Reporter and Michael Carney, of Bridgman, as Best First-Year College Male Reporter. Both were awarded Certificates of Meritorious Journalism by Dr. Walter F Browe, LMC executive vice-president

Dr Jon Penner, associate professor of speech and radio, in behalf of the college radio station WLMC, presented Certificates of Achievement in Radio Production to four WLMC staff members. Mary Simko, of Berrien Center; Mike Woods, of Stevensville, Max Butler, of Niles, and Marty Marcus, of Benton Harbor

Staff appointments for next year's Lake Michigan Journal, LMC student newspaper, also were announced at the banquet. They include Julie Swidwa, of St Joseph, editor-in-chief; Bertha King, of Benton Harbor, managing editor, Gyl Duensing, of Stevensville, news editor; and Michael Carney, of Bridgman, chief copy editor

Other Lake Michigan Journal staff appointments announced include Janet Murdock, of Stevensville, photo editor, James Kaekel, of Stevensville, sports editor, and Vickie Hauch, of St Joseph, and Robert Schindler, Jr, of Stevensville, special staff writers

The staff appointments were made earlier this week by a Publications Staff Selection Committee consisting of a faculty member, a Student Senate representative, and three outgoing student editors

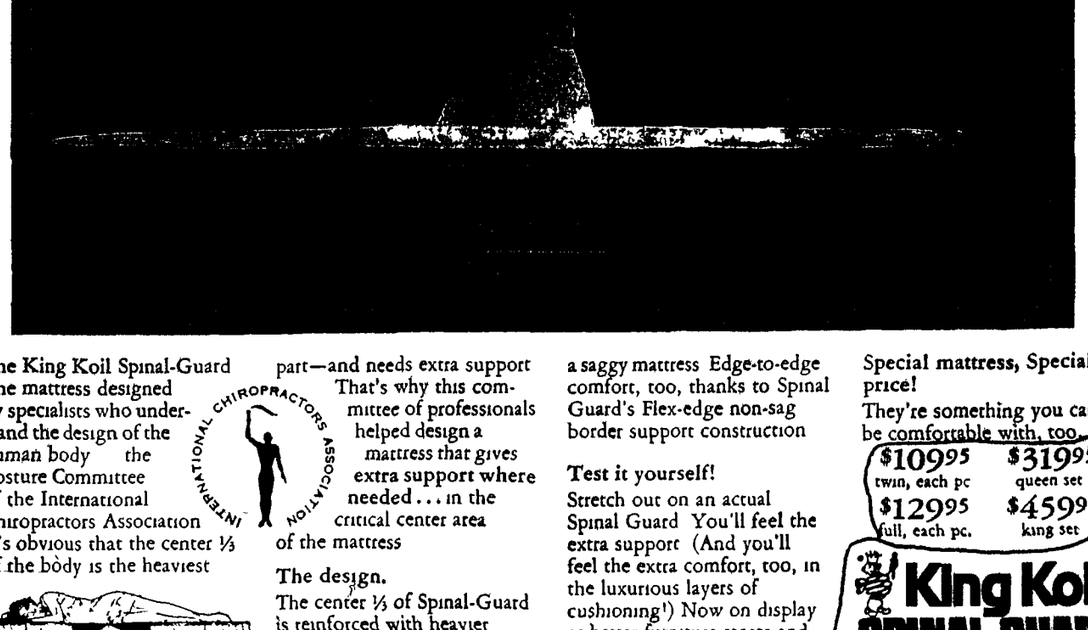
Chiropractor-designed* Spinal-Guard offers extra support where needed.



The King Koil Spinal-Guard The mattress designed by specialists who understand the design of the human body the Posture Committee of the International Chiropractors Association It's obvious that the center ⅓ of the body is the heaviest part—and needs extra support That's why this committee of professionals helped design a mattress that gives extra support where needed . . . in the critical center area of the mattress

INTERNATIONAL CHIROPRACTORS ASSOCIATION

The design.
The center ⅓ of Spinal-Guard is reinforced with heavier coils This extra support helps keep the heaviest part of your body in a firm, level sleeping position all night long.

The result:
You wake rested And Spinal Guard's extra support could relieve the discomfort of a backache caused by sleeping on a saggy mattress Edge-to-edge comfort, too, thanks to Spinal Guard's Flex-edge non-sag border support construction

Test it yourself!
Stretch out on an actual Spinal Guard You'll feel the extra support (And you'll feel the extra comfort, too, in the luxurious layers of cushioning!) Now on display at better furniture stores and sleep shops

Special mattress, Special price!
They're something you can be comfortable with, too.

$109.95 twin, each pc $319.95 queen set
$129.95 full, each pc. $459.95 king set

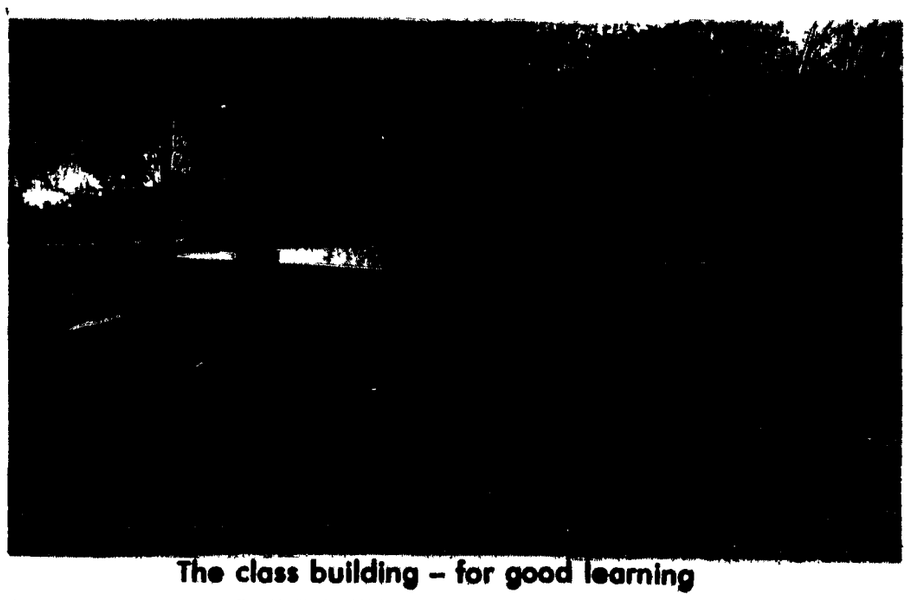
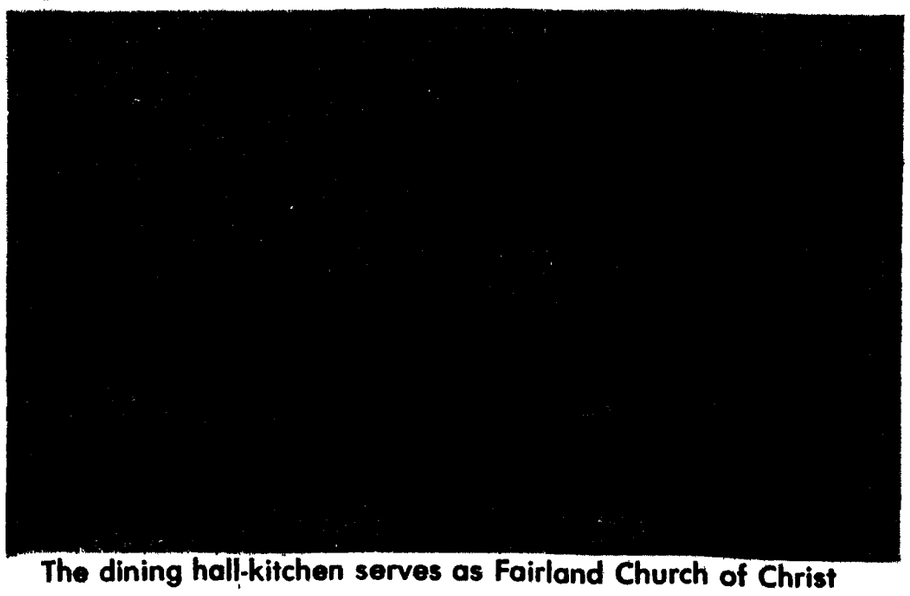
Malletts serve 10 years at Michiana Christian Service Camp

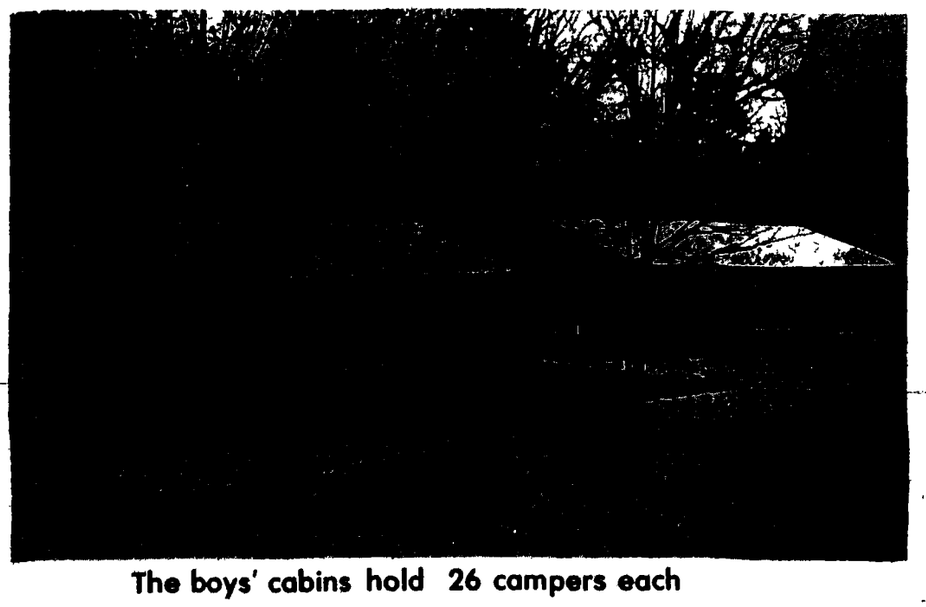


The class building – for good learning

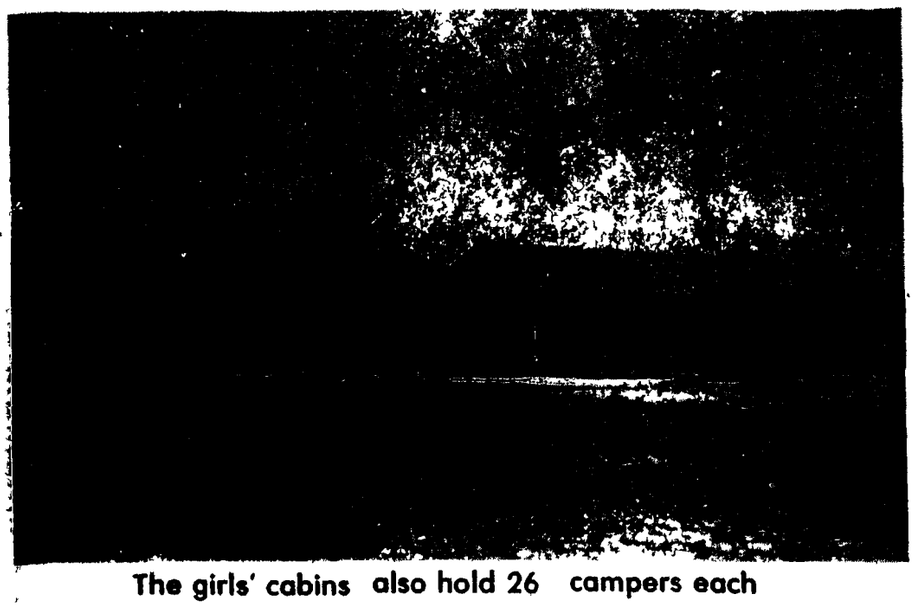
Bob, Carol, Mary and Tim Mallett stand next to the camp sign at the entrance to M.C.S.C.



The dining hall-kitchen serves as Fairland Church of Christ



The boys' cabins hold 26 campers each



The girls' cabins also hold 26 campers each

by Don Stowell

Michiana Christian Service Camp and Bob Mallett have been together now for 10 years. The site is located on 66 acres of grass and woodland on Steinbauer Road, north of Niles

Bob Mallett, his wife Carol, son Tim and daughter Mary moved to Niles 10 years ago to manage the camp. (They lived in St Joseph previously where Bob was a minister at the Church of Christ.)

In 1967, the facilities for Michiana Christian Service Camp were built By the combined support of the Churches of Christ and Christian Churches in southwestern Michigan and northern Indiana, a dining hall-kitchen building, four cabins, a classroom building, a nurse's lodge and a Vesper Spot (overlooking Little Indian Lake) were constructed (See pictures)

The first summer at the new camp, different ministers from area churches acted as manager A year later, the Malletts became full time managers and resided in the former farmhouse on the grounds

Camp Program

The regular camp week (there are 11 different weeks this summer) runs generally the same as most Classes that teach about stories in the Bible and the Life of Christ are held each morning in the three-room class building or other places around the campgrounds The classes provide learning and education about the Bible for those who go to camp

Chapel at camp is a time of sharing with a missionary of the United States or of a foreign field These missionaries talk about their ministries and what exciting things happen in their field

In the afternoon, a "well-rounded program" of recreation is provided. This includes a large outdoor pool for refreshment from the hot sun (or just a fun time to get wet), softball, volleyball, basketball, horseshoes, ping pong, and croquet. This part of the day lasts a majority of the afternoon

After a healthy dinner, campers and staff make their way to the beautiful Vespers area which is surrounded by woods and overlooks Little Indian Lake There, a quiet evening service takes place Later, fun and games are scheduled again This is another time for relaxation The day is ended with a traditional campfire

The week of camp runs somewhat the same all summer although there is a variety of events each week depending on the dean

Behind the Camp

Michiana Christian Service Camp is run by a Board of Directors. The Board consists of one minister from each area church who serves as representative This Board selects the Operating Board The Operating Board chooses the deans of each week of camp in the summer. They also decide what curriculum (classes) shall be held during each week.

The manager at this point, chooses the nurse (the camp is required to have a registered nurse at each camp week) for the different weeks plus the kitchen help for the summer.

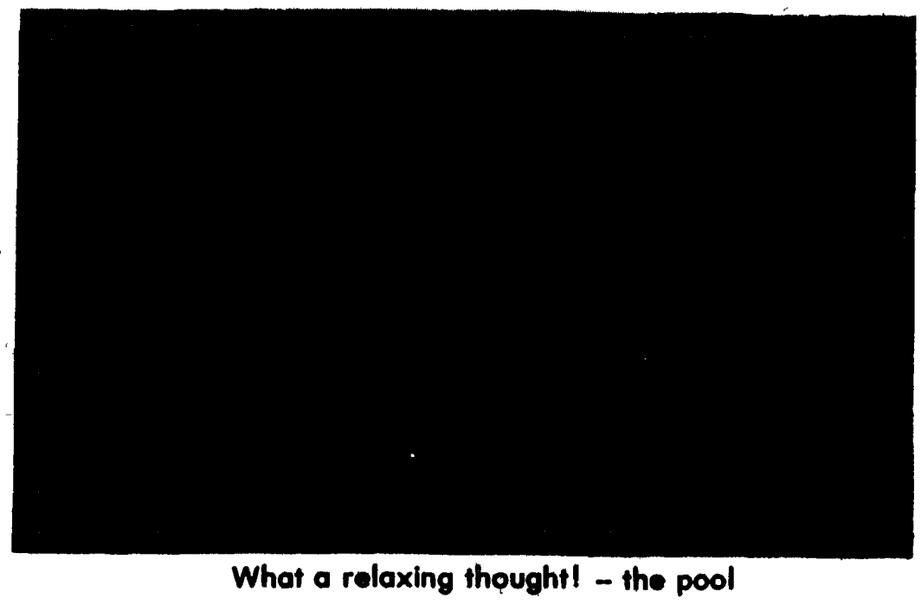
Fairland Church of Christ is held at the campgrounds each Sunday This has been a licensed church for about 2½ years The Youth Choir is a growing part of the church and is presenting its programs to the area churches in an effort to spread the love they show for Christ

Applications

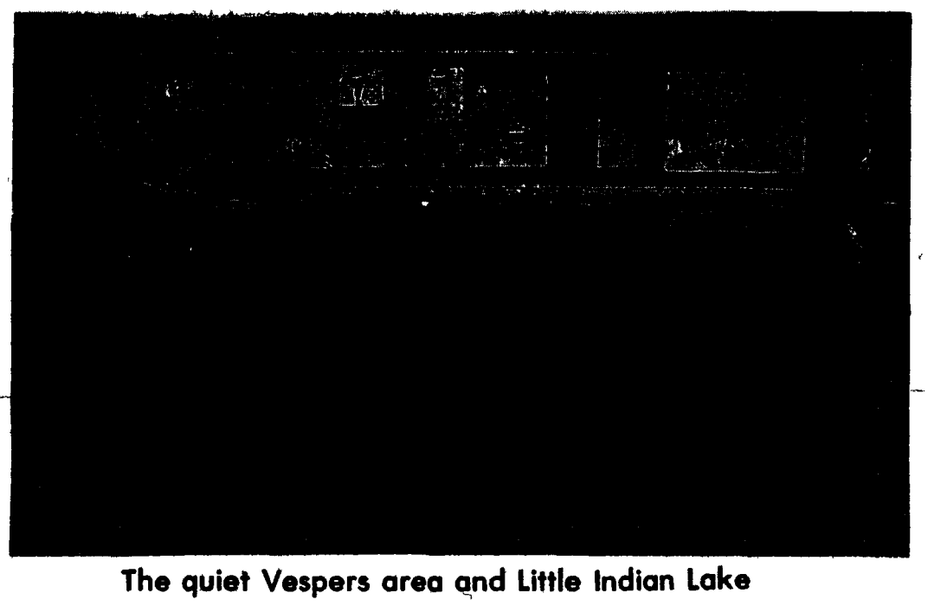
Michiana Christian Service Camp accepts anyone as a camper without regard to race, color, creed, or national origin. Both Beginner weeks are for campers entering the third grade The grade weeks (4th and 5th, 6th and 7th, etc.) are for those entering the mentioned grades. High School week is for those entering the 10th grade and above

Applications can be picked up at the Berrien County Record or at Michiana Churches of Christ and Christian Churches

Michiana Christian Service Camp has been around for awhile giving an opportunity to young people (and even the older ones) to learn and experience camp Bob, Carol, Tim and Mary are there to greet everyone who wants to share in the camp program Visitors are also welcome



What a relaxing thought! – the pool



The quiet Vespers area and Little Indian Lake

Row one (l to r): Kim Olson, Kathryn Surch, Laurie Jackson, Sheri Shrider Row two: David Schuck, Paul Seager, David Chamberlain and Tom Gault were awarded scholarships to Interlochen Music Camp.

Personalized plates may be ordered now

Do you have trouble remembering your license plate number? Do you have a suppressed desire to customize your plate to make it memorable and distinctive? There's a solution for you personalized license plates.

These plates may now be ordered through the Secretary of State's Department in Lansing. If you have never had a personalized plate, applications are available at all Secretary of State field offices

The 1978 plates will mark the fifth year the Michigan vehicle owners have been able to get personalized plates, says Secretary of State Richard H Austin

More than 13,000 were sold last year, the second highest in history, topped only by the very popular 1976 Bicentennial license plate

Ordering personalized plates is easy Owners need only to fill out an application, determine preference of not more than six numbers and letters, and send in the application with a check or money order. Cost of personalized plates has not changed since the program began, the standard license fee plus $25

Personalized plates will be mailed in the Fall on November 15 when license tags for passenger vehicles and motorcycles go on sale

Official deadline for ordering plates, according to Austin, is June 30

Austin said he could not forecast how personalized plates would sell this year

"If our start is any indication, we could have an excellent year. But it's much too early to predict More than 1,000 were sold the first week, doubling the first week's output of last year

"It's a very difficult situation since we just completed the sales deadline for this year's regular plates on March 31 and here we are, just a few weeks later, trying to sell plates for next year," Austin said

Top sale was in 1976 when more than 15,000 were sold Last year, the total dropped slightly to just over 13,000.

All revenue is used for litter pickup on Michigan highways.

While many personalized plates show ingenuity and flair, Austin said the vast majority request their initials or their names

As might be expected, Wayne county led all others in orders last year followed by Oakland, Macomb, Genesee, Kent, Ingham, Berrien, Washtenaw, Saginaw, and Kalamazoo in order

Berrien County gave $30,266 to Michigan Lung Association

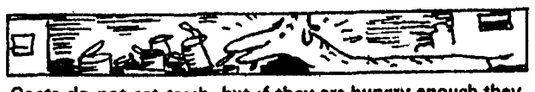
Berrien County gave $30,266 to the Michigan Lung Association this year toward the prevention and control of lung diseases. This represents 92 per cent of the county goal of $32,800

The total includes Christmas Seal contributions plus special event dollars from Lung-a-thons (walk-a-thons, bowling events, etc.) and from other sources such as memorial gifts and bequests, said Anne Deming, a member of Michigan Lung Association's Southwest Regional Board

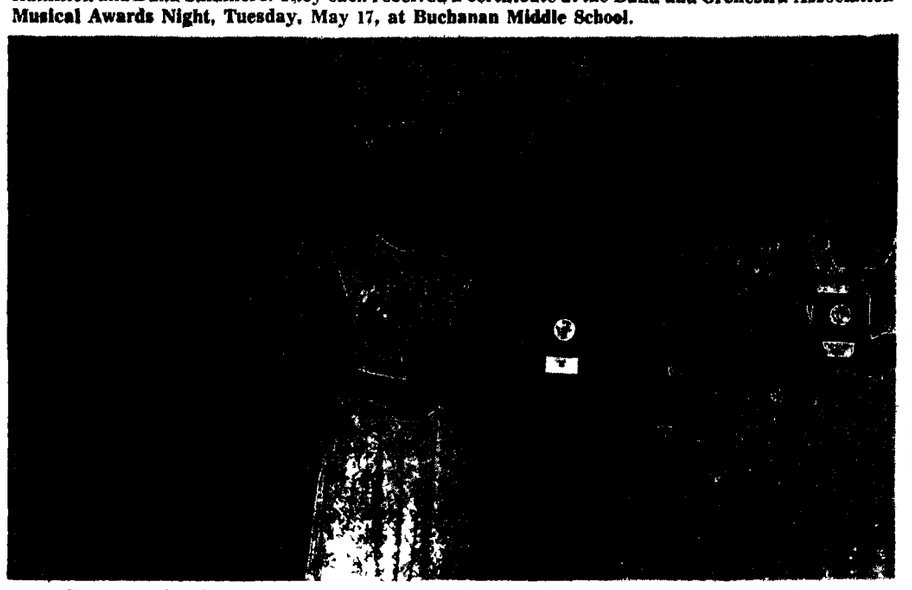
"We thank the citizens of Berrien County for their concern about lung disease and their confidence in our educational and community service efforts to combat it," she said

The total for the Southwest Region of which Berrien County is a part reached the sum of $136,138.

The new fiscal and program year for the Association began April 1



Goats do not eat trash, but if they are hungry enough they will lick the labels off cans to obtain the glue on the backs.



Four year band awards were presented to the following seniors at the Band and Orchestra Association Musical Awards Night Tuesday, May 17, at Buchanan Middle School Row one (l to r) Jane Montgomery, Diana Hall, Dianne Camp, Chris Ring, Dianne Mattern and Michelle Hamilton Row two Bonnie Holmes, Pat Dineen, Paul Gunn, Jon Roti Roti and Dana Skidmore

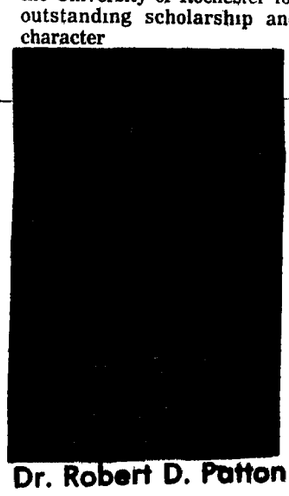
Internist and cardiologist joins medical staff at Berrien General Hospital

Dr Robert D. Patton, M D , internist and cardiologist, has joined the medical staff at Berrien General Hospital

Dr Patton most recently served at the JFK Medical Center in Monrovia, Liberia, on the western coast of Africa, as chief of medicine While at the Center, Dr Patton developed student internships and residency programs He also established out-patient clinics for diagnosis and treatment of tuberculosis, hypertension and rehydration which are still being operated by the center

In addition to his responsibility as practicing physician at the JFK Medical Center, Dr Patton also served as professor and Chairman of the Department of Medicine at the Dogliotti College of Medicine He served in Africa from 1971 to May, 1976 under the auspices of U S -AID. He received a presidential decoration for services to the Liberian government in 1976

After completing his pre-medical education at Hamilton College, Clinton, N Y , Dr Patton earned his medical degree from the University of Rochester, Rochester, N Y In 1963, Dr Patton received the Dorran J. Stephens Award from the University of Rochester for outstanding scholarship and character



Dr. Robert D. Patton

He served internships and residencies in general medicine, pediatrics, obstetrics and surgery at Strong Memorial Hospital and Highland Hospital, Rochester, N Y

Dr Patton received a post-doctoral fellowship award from the U S. Public Health Service for training in cardiology at Strong Memorial Hospital from 1969-1971 Dr Patton has also served as a clinical instructor at the New Jersey College of Medicine, and as an instructor of medicine at the University of Rochester School of Medicine.

Dr Patton is Board of Examination certified as an internal medicine specialist He is a member of the American Medical Association and the American Federation for Clinical Research, and a Fellow of the American College of Physicians

His research interest is in the field of cardiopulmonary physiology and electrophysiology He has authored or co-authored over forty medical articles His most recent work is a medical book entitled' Anti-arrythmic Agents

Dr Patton is in charge of the Intensive Care Unit at Berrien General Hospital. He and his wife, Elizabeth, reside in Berrien Springs with their four children

FDA hearings on proposed saccharin ban leaves bitter taste

The FDA hearings on the proposed saccharine ban continue to leave a bitter taste in the mouths of many

Attempts by the American Diabetes Association to fight the proposed ban have gone sour. The association's Michigan affiliate has taken official action against the ban since it was first announced, and has taken the leadership role nationally in the fight against the ban.

Representatives of the association have made repeated trips to Washington to speak to

Representatives of the association have made repeated trips to Washington to speak at the various hearings.

At the most recent hearings, Mrs. Joyce Kortman, chairperson of the association's public affairs task force presented as part of her testimony, 245 letters received in the last several weeks by the association from diabetics angered over the proposed ban

"We recognize that saccharin offers medical benefits to the 250,000 diabetics in Michigan," she said. "Other letters received by June 14 will be forwarded to the FDA."

"Even though no documented evidence of deleterious effects on human health due to saccharin, have evolved over the last 80 years, consideration is being given to denying the American public their freedom of nutritional choice," stated Kortman "The FDA apparently did not consider that withdrawing saccharin (the only approved, non-caloric, artificial sweetner) from the market as a food ingredient, would create a very real hardship for the diabetic population."

Donald C. Corning, ADA-M chairman of the board, also testified at the hearings. He feels the FDA is not interested in people, but rather only statistics

"The only way we can stop the proposed ban is through congressional action," says Corning

To date 244 members of Congress have endorsed legislation to halt the ban. He urges all interested persons to continue their correspondence Corning believes that Ralph Nadar's group is the biggest hurdle yet to overcome

"Dr Wolfe claims he is representing the consumer in his fight for the ban," Corning says "Yet, 99 per cent of the consumers don't want the ban. I intend to have my lawyer take legal action against the group for misrepresenting American consumers "

Plan Commission

Buchanan, Michigan
May 16, 1977

A special meeting of the Plan Commission was held on Monday, May 16, 1977 in the City Hall.

This meeting was duly publicized as per Act 267 of P.A. 1976.

Chairman Morrow called the meeting to order at 7:35 p.m. Members present: Loren Anderson, Kenneth Mall, Gerald Radde, James Jesse, Mrs. Reginald Bellaire, Keith Morrow, and City Manager Faulhaber. Members absent: Wm. Sullivan and Walter Moore.

The minutes of the meeting of the Committee of the Whole in session on March 21, 1977 were ratified. It was noted that the minutes of March 21, 1977 included a recommendation of the new Zoning Ordinance

It was noted that the May 5th and May 12th meetings were not convened nor recorded due to lack of a quorum.

The minutes of the meeting of April 12, 1977, a joint meeting with Township Plan Commissions, were approved

Jesse moved to approve the meeting schedules established during a non-quorum session on May 10, 1977. Motion supported by Radde, passed unanimously

It was moved by Jesse to reaffirm the Plan Commission's previous recommendation to deny vacating a portion of Willow Street. Motion supported by Radde, passed unanimously

Radde moved, supported by Jesse to adopt both Open Meeting Resolutions as follows:

(Open Meeting Resolutions copied in full in Book of Records) Jesse moved to adopt Goals & Objectives as amended Motion supported by Bellaire, passed unanimously

Chairman Morrow brought up the Preliminary Transportation Plan for discussion.

Jesse moved to approve the first fifteen (15) pages of the Transportation Plan. Motion not supported

Discussion of the Transportation Plan continued on the basis of the following recommendations for revision

It was suggested West Front Street from Terrecoupe west be considered as a truck route rather than Terrecoupe.

Consider One Way on Main Street to Dewey Avenue only.

Consider eliminating Alternate B & C -- N.E. corner.

Above suggestions to be passed to Enfield.

Meeting adjourned at 10:30 p.m.

Robert L. Faulhaber
Acting Secretary

Buchanan, Michigan
May 18, 1977

A special meeting of the Plan Commission was held in the Media Center of Middle School on Wednesday, May 18, 1977.

Chairman Morrow convened the meeting at 8:45 p.m.

This meeting was duly publicized as per Act 267 of P.A 1976.

Members present Keith Morrow, James Jesse, Wm. Sullivan, Loren Anderson, and Kenneth Mall, also Ray Enfield and Pat Meehan of Architects Incorporated, and City Manager Faulhaber. Members absent: Walter Moore, Gerald Radde, and Mrs. Bellaire Visitors were Joe Garbert II and Kim Sullivan.

Chairman Morrow brought up the Transportation Plan for discussion, specifically the truck routes on the west edge of town. It was moved by Anderson, supported by Mall, to make Front Street west a truck route

Gerald Radde reported in at 8 55 p m

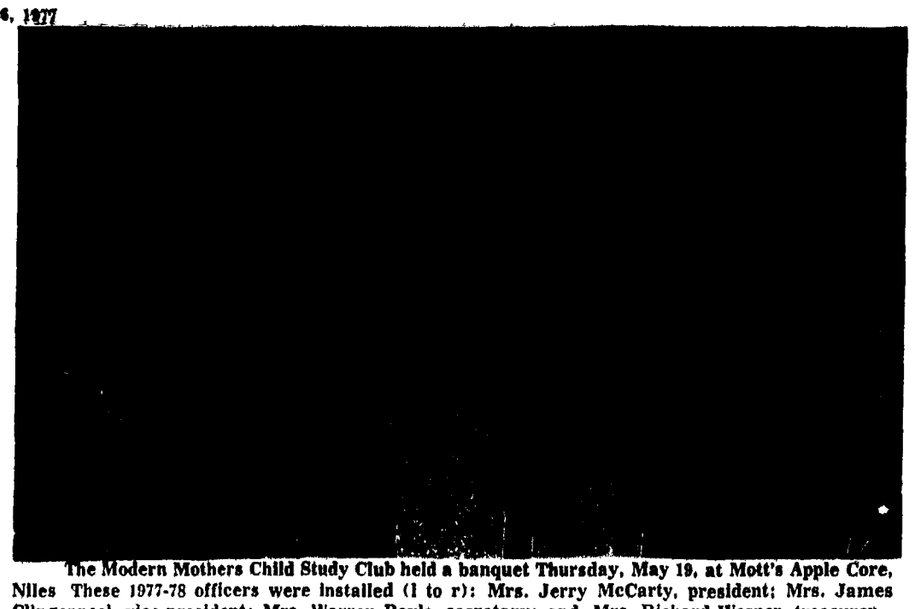
It was recommended that the traffic congestion problem at Main and Front Streets could be corrected by making Main Street a One-Way Street to Fourth Street, and directed by vote that the Transportation Plan be so modified

It was agreed that the Transportation Plan be modified by the elimination of Alternates B & C in the Northeast Area.

It was agreed that the Transportation Plan include a perimeter route along the southern edge of the City from Bakertown to Days Avenue to service potential growth in that area

Enfield presented the Housing Map and a discussion on interior city land use A discussion ensued on land use until the Chairman adjourned the meeting at 10 36 p m.

Robert L Faulhaber
Acting Secretary



The Modern Mothers Child Study Club held a banquet Thursday, May 19, at Mott's Apple Core, Niles These 1977-78 officers were installed (l to r): Mrs. Jerry McCarty, president; Mrs. James Clingenpeel, vice-president; Mrs. Warren Boyle, secretary; and Mrs. Richard Wesner, treasurer.

May 22-28 proclaimed SMALL BUSINESS WEEK

Raymond L Harshman, Michigan District Director for the Small Business Administration joined President Carter, SBA Administrator Weaver, Governor Milliken and numerous City Mayors throughout the State of Michigan in paying tribute to the more than 13 million small business men and women during SMALL BUSINESS WEEK, May 22-28, 1977

Harshman stated this was the thirteenth annual observance of SMALL BUSINESS WEEK. He quoted the Presidental Proclamation in part – "Our Nation's small businesses employ 100 million Americans and produce nearly half of our gross business product. Small businesses remain healthy in an economic environment that equates size with success because they take an active interest in the customers and communities they serve A successful small business is evidence of the independence, initiative and hard work of the man or woman who owns and operates it Their spirit has been, and will continue to be, a major factor in our nation's growth"

Harshman further stated that SBA will announce the Winner of the National Small Business Person of the Year Award during Small Business Week activities in Washington, D C Orville D Merillat, Merillat Industries, Inc., Adrian, was recently honored as the Michigan Small Business Person of the Year and will be under consideration for the National honor

Western Michigan Corporation will merge with Pacesetter

It was announced that the boards of directors of Western Michigan Corporation (parent to the $154.2 million asset First National Bank of Southwestern Michigan, Niles) and Pacesetter Financial Corporation have agreed in principle that Western Michigan Corporation will merge with Pacesetter. The Federal Reserve Board recently approved the acquisition by Western Michigan Corporation of the $19.7 million asset First National Bank of Cassopolis Under the terms of the affiliation announced today it is contemplated that the Cassopolis bank would also become a Pacesetter affiliate.

Such affiliations are subject to the approval of shareholders of Western Michigan Corporation and of First National Bank of Cassopolis as well as the approval of the Federal Reserve Board and other regulatory authorities Under the terms of the agreement, Pacesetter would exchange 1 153 shares of its common stock for each share of Western Michigan's common stock. Simultaneously with the announcement, Pacesetter announced its plans to issue one additional share of its common stock for every five shares presently outstanding prior to consummation of the Western Michigan transaction.

Pacesetter Financial Corporation is a multi-bank holding company which currently owns the Traverse City State Bank, Security First Bank & Trust Company of Grand Haven and the Owosso Savings Bank. Each of these banks is the oldest and largest bank in the community it serves. Pacesetter's assets at March 31, 1977 were $363 million. The corporation has over 1,700 stockholders and total capitalization in excess of $30 million Pacesetter recently received approval from the Federal Reserve Board for its acquisition of First Security Bank of Grand Blanc, whose assets at March 31, 1977 were $20.9 million.

Western Michigan Corporation which has approximately 980 shareholders is the parent of First National Bank of Southwestern Michigan, whose main office is located in Niles, Michigan First National Bank serves Berrien and Cass Counties through 12 banking offices located in Niles, Berrien Springs, Dowagiac and the Twin Cities area of Benton Harbor and St. Joseph.

It is anticipated that Donald F. Walter, Chairman of the Board of Western Michigan Corporation will become Vice-Chairman of Pacesetter and John T Creden, President of Western Michigan Corporation will become Vice President and a director of Pacesetter. Lemont A. Renterghem, Executive Vice President of Western Michigan will also become a director of Pacesetter.

The announcement was made jointly by J H. Beers, Chairman of Pacesetter Financial Corporation and Donald F. Walter, Chairman of Western Michigan Corporation. In making the announcement, Beers stated that Pacesetter was pleased with the opportunity to affiliate with the Niles and Cassopolis banks and looks forward to their continued growth. He said that these affiliations and the final consummation of the Grand Blanc transaction will result in Pacesetter Financial Corporation having six banking affiliates with a total of 47 officers and total resources of almost $600 million.

Walter stated that the primary attraction of the Pacesetter proposal was the Pacesetter philosophy, which assures all of its affiliates the maximum amount of autonomy in meeting the needs of their communities He stated that, in his opinion, this philosophy has been a major factor in enabling Pacesetter to produce its exceptionally strong growth in deposits and earnings.

League of Women Voters says "Get off your rocker"

"Get off your rocker!" was the theme of the Niles-Buchanan League of Women Voters Annual Meeting May 18, held at the Niles Holiday Inn. As Ms. Sara Renstrom, Director of Southeastern Michigan Regional Commission on Aging said in her talk to the League, increasing numbers of older people do not feel that life is over at retirement age. Ms Renstrom discussed agism, the pervasive discrimination against the elderly, and ways to deal with this prejudice The percentage of Americans over age 60 increases each year, and will probably reach 20 per cent in 2000, the speaker said Service for the aged, second careers, less child-oriented social service departments -- Ms. Renstrom stated that all of these ideas will become more important as the composition of the United States population changes.

At the League Annual Meeting, the local program items for 1977-1978 were approved, including an update of the LWV booklets, **Know Your Niles** and **Know Your Buchanan.** Officers for next year were elected. They are President, Carol (Mrs Richard) Noid, First Vice-President, Linda (Mrs Daniel) Shelles, Second Vice-President, Sally (Mrs Daniel) Mitchell, Secretary, Alice (Mrs Ivan) LaHaie and Treasurer, Roberta (Mrs Allan) Strang Directors for 1977-1978 are Marcia (Mrs John) Blair, Georgia (Mrs Wilbur) Boggs, Merrill (Mrs John) Clark, Ms Juanita Gill, Anne (Mrs O) Heybey and Thelma (Mrs Harold) Huston

Guests at the meeting were. Rosemary Carpenter, Grace and Bob Kelly, Marion Knepf, Rene Kruze, Ivan LaHaie, Phyllis and Jim Livings, Cindy Milner and Barbara Slates.

I & M Electric announces generating plant plans

Indiana & Michigan Electric Company announced that as soon as certain permits are received, the utility will begin site preparation work, perhaps yet this summer, for its proposed 2.6-million-kilowatt generating plant on the Ohio River in Spencer County

The initial permits are just two of nearly 50 that will be necessary from various federal, state and local governmental agencies before the plant is completed in 1982.

If construction gets under way as expected and proceeds on schedule, the first 1,300,000-kilowatt generating unit will begin commercial operation in late 1981 with the second unit to follow a year later It is estimated to cost around $1 3 billion to construct, with another $200 million for the associated transmission facilities

The new plant, which is being called Rockport Generating Station, is located on approximately 6,000 acres of land between the communities of Grandview and Rockport some 12 miles northeast of Owensboro, Kentucky I&M has been acquiring the Spencer County property along the Ohio River since 1973

Rockport Plant will be one of the largest power generating facilities in the state and when in full operation will produce an estimated 18.2-billion kilowatt-hours a year That would be enough electricity to take care of the needs of 1,700,934 households based on I&M's average residential customer usage of 10,700 kilowatt-hours per year

"Thinking is easy, acting is difficult, and to put one's thoughts into action is the most difficult thing in the world." Goethe

The leek is the national emblem of the Welsh.

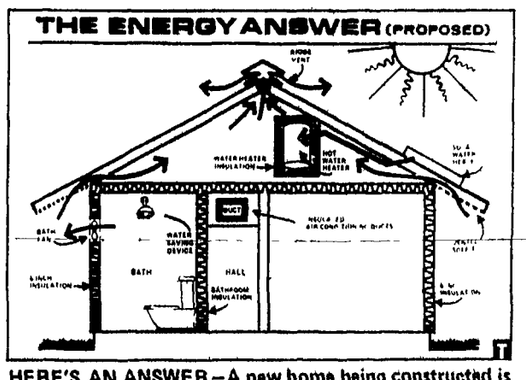
Ecology of Plant Communities

If you want to learn more about the ecology of Michigan, Michigan State University is offering a course in the Ecology of Plant Communities to be held in the Berrien Springs Middle School from June 20 to July 20.

Taught by Dr Peter G. Murphy, MSU ecologist, the class will focus on the important plant communities of Michigan - forest, bogs and lakeshore communities and will also highlight other plant groupings found around the world

Course material will be presented in lecture-discussion sessions, several field trips and in photographic slide presentations

For additional information, contact Dr. Albert S Mowery, Director, MSU Continuing Education Center, 777 Riverview Drive, Benton Harbor, MI 49022 or call 616-925-0692.



HERE'S AN ANSWER—A new home being constructed is designed to save energy and money. It puts the solar water heater in the attic, adds more insulation to exterior walls and ceiling, provides for more attic ventilation to assist air conditioning. It's expected to cut utility costs $175 a year.

NOTICE OF MORTGAGE SALE

Default having been made in the conditions of a certain Mortgage made by JOHN PAPOI and PAULA A. PAPOI, husband & wife to WHITCOMB & KELLER MORTGAGE CO , INC. dated June 6, 1974, and recorded in the office of the Register of Deeds for the County of Berrien and State of Michigan, on June 18, 1974, in Liber 977 of Mortgages, on Page 739, and assigned to Federal National Mortgage Association by assignment dated July 11, 1974 and recorded in Liber 980, Page 369 of the Office of the Register of Deeds for Berrien County.

on which Mortgage there is claimed to be due at the date of this notice, for principal and interest, the sum of Twelve Thousand Three Hundred Seventy Five and 28-100 dollars, ($12,375 28) plus interest from November 1, 1976 and no proceedings having been instituted to recover the debt now remaining secured by said Mortgage, or any part thereof, whereby the power of sale contained in said Mortgage has become operative,

Now Therefore, Notice is Hereby Given that by virtue of the power of sale contained in said Mortgage and in pursuance of the statute in such case made and provided, the said Mortgage will be foreclosed by a sale of the premises therein described or so much thereof as may be necessary, at public auction, to the highest bidder, at the front steps of the Court House in the City of St Joseph, and County of Berrien, Michigan, that being the place of holding the Circuit Court in and for said County, on June 28, 1977, at 11:00 o'clock Michigan Time in the forenoon of said day, and said premises will be sold to pay the amount so as aforesaid then due on said Mortgage together with 8¾ per cent interest, legal costs, Attorneys' fees and also any taxes and insurance that said Mortgagee does pay on or prior to the date of said sale; which said premises are described in said Mortgage as follows, to-wit:

That part of the Northeast Quarter of the Southeast Quarter of Section 15, Township 7 South, Range 18 West, Buchanan Township, Berrien County, Michigan, described as follows, to-wit: Commencing at the East Quarter post of said Section 15; thence West 208.0 feet; thence South 208.0 feet; thence East 208 0 feet; thence North 208.0 feet to the place of beginning. Containing 1 acre, more or less.

The period of redemption will be six (6) months from date of sale.

Dated May 18, 1977.

THE SILENT KILLER

VERTEBRAL SUBLUXATION
(A HARD BONE ON A SOFT NERVE!)
A killer of millions of people yearly as a basic cause of the "failure diseases" such as
- failure to control nervous tension
- failure to deliver a baby properly
- muscle function failure
- digestive failure
- failure of any organ to function properly

VERTEBRAL SUBLUXATION is a condition in which nerve control is lost or blocked between the brain control centers and the organs by a small displacement of the spinal bones, causing organ failure.

ARE YOU A VICTIM OF VERTEBRAL SUBLUXATIONS?
Only a chiropractor is trained to detect and eliminate vertebral subluxations. We call them silent killers because they cause no pain, generally, nor do they produce any obvious sign of their presence Only a careful chiropractic examination will reveal them And yet, they silently eat away at your life and well being.. until it is too late
