Vandals Strike at Local Businesses, Industries

City police and deputies of Buchanan substation are seeking vandals who left their mark at several businesses and industries during the weekend.

The most damage, dollarwise, was done at Robert F. Habicht, Inc., corner Front and Portage, where two large plate glass windows in the showroom were broken. The instrument used by the vandals is not known, but police report that it appeared to have been done by a hammer or other blunt tool. That incident occurred after 10 p.m. Sunday. No estimate of the damage was available at press time, but one of the windows was curved and a replacement will have to be custom made, according to Robert Habicht.

Other business establishments suffering vandalism include Inter City Bank, Frank Edmond Chevrolet and Nelson Transfer company.

Sometime during the weekend the front window in the former ICB bank building, corner of Front and Main streets, was broken; antennas on four used cars parked at Edmond's were broken off, and gas caps and gearshift lever knobs were taken from trucks in Nelson's parking lot. Also possibly missing from the trucks are some 20-minute flares.

Industries showing effects of visits by vandals were Buchanan Steel Products and Post Products. At Buchanan Steel, both headlights, door glasses, front turn signals and the right half of the windshield on a dump truck were smashed and the instrument panel torn loose. The truck was parked in the company's storage lot.

At Post Products five 26"x14" windows were broken, apparently by shots fired from a pellet gun. Three of the windows were on the ground floor and two were on the second floor level. The destruction at Post Products occurred after 3:30 Sunday afternoon.

Also during the weekend, a PESCO liquid fire extinguisher was taken from a truck owned by Electro-Voice. The truck was parked in the company parking lot.

Unidentified Man Sought by Police

City police are seeking an unidentified man who reportedly attempted to entice a young girl to accompany him.

A local woman notified police Tuesday evening that the incident occurred about 6 o'clock while she was at the store. According to the report, the woman's daughter was sitting on the front porch of their home when a man carrying a clipboard came up to the porch. He questioned her as to her family and their whereabouts, and then asked her to accompany him. The girl became frightened and ran to a neighbor's home.

The man was described as tall, heavy set, and wearing a white shirt and very dirty blue service-station-type pants.

VANDALS STRIKE AGAIN

Vandals struck again Tuesday night, breaking a large plate glass window at Thompson's Foodliner on West Front street. The incident happened about 10:50 p.m., after the store was closed but while people were working inside. Deputy Stanley Wolkins reported that a large rock was thrown thru a 9' x 3' window in front of the store, apparently from a passing car.

Seek Apple Thieves

Deputies of Buchanan substation are investigating two incidents of theft of apples.

About 1:15 p.m. Sunday Milton Marshke of Long Lake road reported to Deputy Charles Tiefenbach that a 1953 model car was stuck in the mud in his orchard, containing approximately eight bushels of apples. He reportedly saw a subject flee from the car as he approached.

Robert Howard of Old Orchard farm, Boyle Lake and Warren Woods road, reported to Deputy Stanley Wolkins that sometime during the weekend 20 crates of Red Delicious apples had been stolen from an orchard on Glendora road. The apples had been picked and were stacked in the orchard.

July Storm Damage Report

A final report is in on the severe thunderstorm which swept thru Buchanan July 19, toppling an estimated 200-300 trees and several TV antenna towers.

City Manager Daryl Tammin reports that city crews spent 1,827 man hours cleaning up trees and other debris after the storm. Labor cost to the city was \$3,089.97.

In addition, local insurance agents estimate that damage from falling limbs and trees would run as high as \$40,000. Exact amount of damage is unknown, as several claims are still pending.

Lee Flanagan, manager of Buchanan Indiana and Michigan Electric company office, reports that cost to the company in the Buchanan service area was approximately \$25,000. This includes labor, transportation and materials for use by company crews, as well as contract line and tree trimming crews.

CITY COMMISSION

Buchanan, Michigan, October 14, 1963

A regular meeting of the City Commission was called to order by Mayor Mitchell on Monday, October 14, 1963, at 7:30 P.M. Roll call showed all Commissioners, City Treasurer, City Attorney and City Clerk present and City Manager absent.

1921

The minutes of the regular meeting held September 23, 1963 were presented and approved.

1922

Permission was granted the Junior Class of Buchanan High School to hold a fund drive.

Mailbox Destroyed

Deputies of Buchanan substation are investigating a report of malicious destruction, in which a rural mailbox was destroyed by a fire cracker.

Sylvester Hall of Spira road reported to Deputy Charles Tiefenbach Oct. 15 that the damage occurred sometime during the previous night. He discovered the box blown apart that morning.

Community Fund Drive is Over the Top

Buchanan is over the top in the annual Community Fund drive, William Nelson, drive chairman, announced Wednesday morning.

With some "clean up" collections yet to come in, Nelson reported that more than 102 percent of the goal had been collected or pledged. The goal for funds for 1964 budget was \$31,044, and to date \$31,795.44 has been reported at drive headquarters in the Chamber of Commerce building.

Nelson also reported that every division achieved at least 100 per cent of its goal. Furnishing the big push that sent the drive so far over the top were industrial employees.

In announcing success of the fund drive, the co-chairman praised division chairmen for their ability and outstanding management of the fund campaign in their respective divisions. He said Buchanan was the first community in southwestern Michigan to report 100 per cent.

He also issued a special "Thank You" to all the people who gave so generously and for the support their contributions give to the work of the participating agencies. Convassers in the home solicitation division were also singled out for giving their time and effort so generously and effectively.

Drive Chairmen

Drive chairmen who assisted Nelson in putting the drive over the top were:

In plant Willard Kurty, Clark Equipment, Robert Murphy, Electro-Voice; Al Snow, Buchanan Steel, Lloyd Judy, Hubbard Tool and Gage, Richard Post, Post Products, Jerry Moulds, Industrial Machine Works, and Rne Metzger, Southwestern Tool; Vic Vigansky, Buchanan Metalform, and Harvey Glossinger, H and H Products Corporations, Pierre Bailey, Business Wendell Hall, Dan Smith and LeRoy Smith.

Professional and educational Richard Beistle and Richard Vavra.

Advance gifts Mrs. J C Strayer

Organizations Mrs. H. J. Post Home solicitation Mrs. Owen Rifenberg and Mrs. Gerald Moulds, co-chairmen

James Murphy was Community Fund drive chairman.

Plan Clean-up of River

Indiana and Michigan Electric company will lower the water level of the St. Joseph river on Saturday, Oct. 26, according to Lee Flanagan, manager of Buchanan office. The water level will be from one to two feet lower in the area of the Buchanan and Berrien Springs dams.

The river is being lowered at the request of the Berrien County chapter of Michiana Watershed, Inc., for clean-up of trash and debris along the river area between the state line and Niles, and will take place between 9 a.m. and 4:30 p.m.

Set Halloween Parade Plans

Warning to all local residents! Thursday evening, Oct. 31, all manner of hobgoblins, ghosts and spirits will be marching toward the American Legion home in celebration of Halloween.

The annual Halloween parade for local and area children will begin at 6:30 p.m. from Nelson Transfer company parking lot on South Oak street. All children who intend to march in the parade are asked to meet at the parking lot at 6 o'clock. When the group of assorted apparitions converge on Front street, they will turn east and head for the Legion home.

At the Legion, the youngsters will be judged and prizes awarded for the most original, funniest and prettiest costumes in each of four age groups, up to six, seven and eight, nine and 10 and 11 and older. Winners will receive cash prizes of \$3, \$2, and \$1 for first second and third place.

If the weather decides to "dampen the spirits," the parade will not be held and judging will commence at the Legion starting at 7 o'clock.

William Baker will act as MC. The judges will be from out of town.

Following the judging, cider and donuts will be served to all youngsters participating in the parade.

The parade and costume judging is sponsored annually by the Loyal Order of Moose, Ralph Rumbaugh Post No. 51 of the American Legion, and Buchanan Lions club.

Family Pet Averts Tragedy

A family pet was credited with possibly averting a tragedy early Sunday morning, when it awakened members of a family asleep in their burning house.

According to Chief Adam Kuntz, Bertrand township fire department, a dog owned by Robert Payne family of MGO awoke members of the family about 5:30 Sunday morning. The dog first awakened the children, who then awoke their parents, as the house was full of smoke.

Bertrand firemen were called to the home, located west of Bakertown, where they extinguished fire in a mattress. The mattress and bed were destroyed and the floor beneath the bed damaged. Some smoke damage was also reported.

Chief Kuntz said the fire apparently was started by a cigarette.

The department answered one other call during the week. About 3:55 p.m. Thursday firemen extinguished a grass fire along the New York Central railway at Dayton.

Buchanan township volunteer firemen reported one fire run during the past week. About 3:45 a.m. Friday firemen extinguished a grass fire along the New York Central right-of-way, on the southeast corner of the John Andrews farm, off Terre Coupe road. No damage was reported.

Trick, Treat Activity Limited to One Night

All little ghosts and goblins (and their parents) are reminded that trick or treat activity has been limited to one night again this year, according to Chief George Burgoynne, Sr.

Wednesday night, Oct. 30, will be the official "Trick or Treat" night, from 6 to 9 o'clock. At 9 p.m. the fire siren will be blown, and all residents are requested to turn off porch lights and children are to return to their homes.

The one night designated for trick or treat activity was set up thru cooperation of city and school officials two years ago, after residents had complained of being harassed on several different nights.

Bucks, Bobcats to Clash in Blossomland Tilt Friday

Action in the Blossomland league Friday night may well decide the championship.

In the key contest the Buchanan Bucks will travel to Brandywine to meet the Bobcats in a game scheduled to start at 8 o'clock. Buchanan is the only undefeated conference team, but Cassopolis and Berrien Springs each have only one loss in league play. An upset Friday night could throw the championship into a two way tie. The championship will be decided next week Friday, when the Bucks host Cassopolis.

The only other league action will be at Cassopolis Friday night, when the Rangers host the Shamocks from Berrien Springs. Coloma and Lakeshore are out of the running, having played all conference teams this season. Coloma suffered two losses, while Lakeshore suffered three.

Bobcats Optimistic

Regarding Friday night's games between the Bucks and the Bobcats, Coach Leo Kizykowski said his boys were optimistic, and would like nothing better than to surprise Buchanan.

Buchanan is heavily favored to win the game, on the basis of season records and because of the Bucks' defense in the standings department. Buchanan is 3-0 in the league and 4-1 for the season, which includes three Class A opponents. Brandywine is 0-4 in the league and 1-5 for the season, with the only win being over Decatur in the season opener.

Not only will Coach Bill Karpinski's boys be out to protect their chances for a second straight grid title, but also to protect their outstanding defensive record. And, whether about to play "Podunk Center" or the top team in the state, Buchanan's defensive unit is fiercely proud of its record to date.

In six games only nine points have been scored against the Bucks, and those points come in the first two games of the season, against Washington-City and St. Joe. Since those two Class A games, the Bucks have

Legion Not Backing Magazine Subscriptions

Ralph Rumbaugh Post 51 of the American Legion is not sponsoring or backing sales of magazines in the Buchanan area," announced Marne Trapp, local commander.

He added that representatives of some other Legion might be sponsoring such a sale, but the representatives have no connection with the local Legion post.

Trapp explained that his announcement was in response to questions from local and area residents about magazine salesmen soliciting subscriptions, claiming to represent the local post.

Susan Frame Crowned Queen

Highlight of the Coloma-Buchanan football game Friday evening was the crowning of Miss Susan Frame as Homecoming Queen during halftime ceremonies.

The honey-blond Buchanan high school senior was presented with a bouquet of roses and crowned by last year's homecoming queen, Miss Janet Penwell, during the climax of homecoming activities, which began Thursday evening with a traditional pregame pep rally.

Miss Frame and the members of her court, the Misses Cheryl Dodge, Michele Glossinger, Margie Heinemann, Sue Schneider, Pat Shogren and Loretta Smedley, all seniors, and Noel DeSomer, a junior, were guests of honor at the homecoming dance held in high school study hall following the game.

The daughter of Mr. and Mrs. James Frame of 115 scenic view, Niles, Miss Frame is a college preparatory student majoring in English and science, with minors in mathematics and languages. She plans to attend Michigan State university in East Lansing.

She is a member of the Girls Athletic Association, the Buckhorn staff and the A-Bar-A-H club, which she has served in the capacities of secretary, treasurer and vice president.

Around Town

By LYLE SUMERIX

Some local residents and officials are wondering if they have been reading the calendar correctly... or, if the past weekend was just a warning up period.

The reference is to the wide spread malicious destruction inflicted upon property of several local businesses and industries over the weekend.

Let us hope that the incidents are not an indication of what we can expect on Halloween eve. See TOWN, Page 3.

Attention Kiddies

Boys and girls in the Buchanan area will be happy to learn that the next visit of Grandma Noel at the public library will be Saturday morning, Oct. 26, from 10 to 11 a.m.

Among the special guests to be introduced at the "Harvest Time" story hour will be Roscoe, the Pigeon Cat. Mrs. Claude Lauver, city librarian, invited all boys and girls to attend the story hour.

Boy Loses Hand In Apple Grader

A seven-year-old rural Buchanan boy lost his left hand Sunday afternoon, as result of an accident about 4:15.

Leon Glissom, son of Mr. and Mrs. Eldred Glissom of Route 2, caught his hand in a chain and gear on an apple grading machine at the Old Orchard farm, corner Boyle Lake and Warren Woods road, owned by Robert Howard.

Deputy Stanley Wolkins reported that the upper part of the boy's left hand was "just dangling" when he rushed him to Pawating hospital, where the hand was amputated, above the thumb. The youth was admitted at the hospital.

Deputy Wolkins reported that the boy was in a barn where apples were being graded, when the tragedy occurred. His father was working nearby at the time.

Deputy Wolkins also reported that a guard around the chain and gear were in place, and had to be removed to free the boy's hand.

School Board Adopts Budget for \$893,810

Adoption of a working budget for the 1963-64 school year was the top order of business at the bi-monthly meeting of the board of education Monday night.

Other business included awarding of contracts for fleet insurance, purchase of shades for the Moccasin addition, purchases of farm shop equipment, discussion on open house and borrowing against state aid, and payment of bills.

The budget adopted Monday night called for anticipated expenditures of \$893,810.83 and anticipated income of \$843,999.71. This results in a deficit of some \$49,811.12. The new budget is \$73,225.83 more than

last year's budget of \$820,585. Greatest portion of the approved budget goes for salaries, in the amount of \$752,385.83 or 84 per cent. Of this amount, 63 per cent is for teachers and the other 11 per cent for non-teaching personnel.

The major sources of revenue to provide necessary funds to meet the budget are, Local property tax (based on 98 per cent collection) \$327,273, secondary tuition \$10,525, state aid, including primary fund \$403,119, special education from state \$16,675, special education from county \$11,725, transportation reimbursement from state \$21,000, and the revolving fund, and book rental \$15,750.

Last summer Buchanan school district voters turned down a proposed 2 mill increase in the operating millage, designed to balance the budget. Steps are currently underway to resubmit the proposition to the people.

Window Painting To Start Friday

The annual Halloween window painting contest is scheduled to begin Friday, when high school students wield their brushes and transform store windows of Buchanan into a haven for traditional goblins and the more modern "space spirits".

The contest is sponsored annually by the Chamber of Commerce, with cooperation of Miss May Jane Anderson, high school art teacher.

New this year is a contest regulation that all proposed window decorations must first be approved by Miss Anderson before being painted in the downtown area, according to Eileen Bulhand, Chamber secretary.

Paint will be available at the Chamber office after school Friday and paintings are to be completed Saturday afternoon. Judging will be held on Monday. Judges this year will be Mr. and Mrs. P. R. Hanlin and Mrs. James R. Abenethy.

A total of \$34 in prizes awaits the lucky window display winners. Prizes will be awarded on the basis of one first prize of \$8, two second prizes of \$4 each, two third prizes of \$3 each, three fourth prizes of \$2 each, and four honorable mentions of \$1 each.

Let Contracts

Following the adoption of the working budget, the board let contracts for insurance, shades and farm shop equipment.

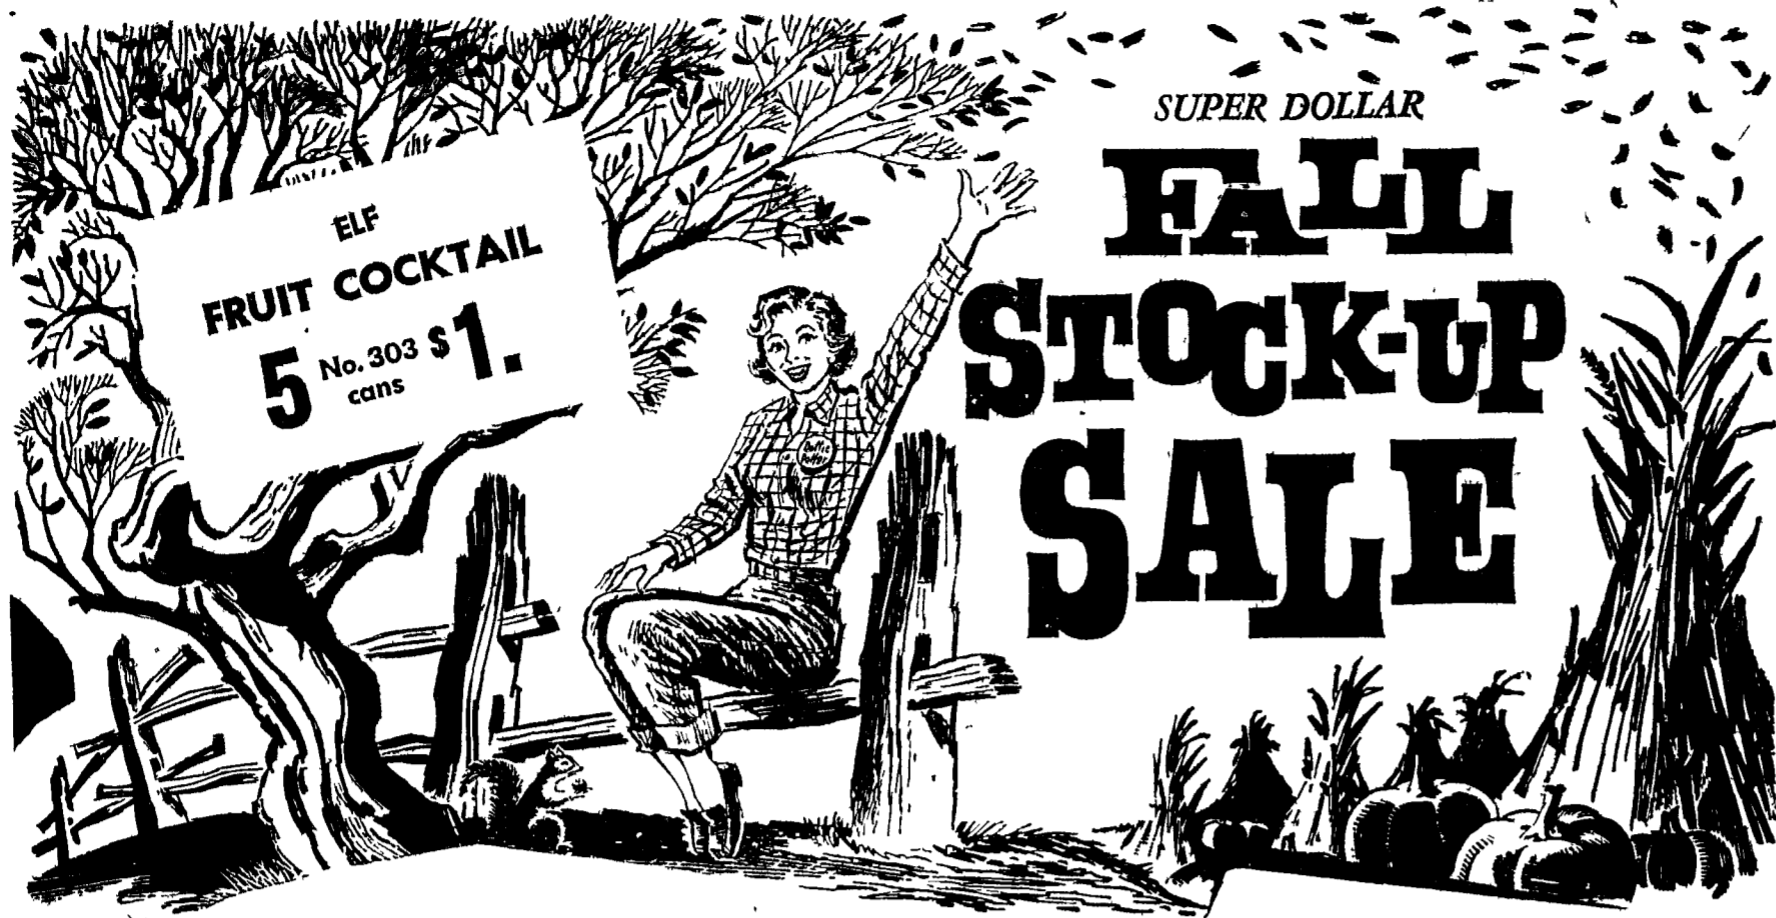

Three firms bid to furnish fleet insurance on the school's motor vehicles. Contract was awarded to Farm Bureau on a bid of \$475.22 for year-around coverage on the seven school buses and one pickup truck, and for school-year coverage on other vehicles.

Other bids on insurance coverage were submitted by W. E. Hall Agency and George Beach, with both agents bidding on the basis of providing year-around coverage for all vehicles. Hall bid \$703.72 and Beach bid \$657.40.

Letting of a contract to supply the Moccasin elementary addition with 50 double roller shades was a repeat of action taken two weeks earlier. At that time the contract was awarded on a price of \$389.30, but it later developed that two of the bidders, including the low bidder, had misinterpreted the number of shades required. The new bid accepted Monday night was in the amount of \$591.07, submitted by Benton Harbor Awning and Tent company. The price includes in-

Panel Discusses Proposed County Community College

Need and purpose of the proposed Berrien County Community college was outlined during a panel discussion at the meeting of the county Council of Parents and Teachers, held Thursday at Stark Elementary school.

The affair, attended by approximately 50 persons, was hosted by Stark PTA Mrs. Sam Ravitch, council president, presided.

Members of the panel included Henry Brown, representing Benton Harbor Community college, Doyle Barkmeier, county superintendent of schools and moderator, Robert Black, former member of Benton Harbor school board, Wallace Eberhardt of Three Oaks, chairman of action committee, and Jules Wagman of Niles, representing the college sites committee.

Explains Purpose

Brown explained the present community college program and the purposes served by the college. He emphasized one of the most recent programs initiated, that of helping persons who did not graduate from high school to obtain a diploma. He stated that 119 persons are now enrolled in the program. He explained the purpose of a community college is to serve the needs of the entire community.

Reviewing recent growth of the Benton Harbor facility, Brown said enrollment in 1961 was 1,144 students, of which 644 were fulltime day students. In 1962 1,297 were enrolled, 742 during the day, and in 1963 1,442 students are enrolled, with 792 attending classes during the day.

He added that approximately 85 per cent of enrollment is non-

PPK WINNERS AND PARENTS—Winners in the annual Punt, Pass and Kick contest, and their parents, were called down to the field before Friday night's Buchanan-Coloma game and presented their prizes. The contest was held Oct. 12, sponsored by Ford Motor company thru its local dealer Robert F. Habicht, and the National Football League. Winners included Mack Elliott, Ricky Swann, Steve Kingery, David Jeffries, George Dreitzler, Leonard Huebner, Harlan Vastine, Ronnie Aalfs, Jeff Wood, Steve Berry, Denny Letcher and Buddy Batterson. —Record Photo

resident, living out of the Benton Harbor school district.

The facility is under administration of the Benton Harbor school board.

Question Site

Several persons attending the meeting raised questions and objections to the present community college site being favored by the sites committee for the proposed unit.

Wagman stated that he felt the location ought to be where the people ate, adding that availability of land, police and fire protection, adequate water and sewage were factors in deciding the proposed site. He added that the board of trustees of the proposed county community college will in no way be bound by recommendations of the sites committee.

Wagman also reviewed several other factors affecting the future site of a county community college. These factors, and others, will be reviewed in future Record articles on the proposed unit.

The question apparently foremost in the minds of those objecting to the Benton Harbor site, was whether the proposition was being railroaded in favor of Benton Harbor.

Financial problems and need for the proposed institution were reviewed by Black and

Eberhardt, respectively, and these, too, will be explained in detail in future Record articles.

Voting on Question

Barkmeier reviewed the propositions as they would be presented when elections in Berrien county go to the polls Dec. 5.

Three questions will be decided at that time, and all must be approved for the proposed unit to be organized.

First, will be the question of whether a Berrien County Community college should be organized. This is simply a matter of whether the present status of the Benton Harbor Community college shall be changed, at the present site or a new unit be constructed at another site, he said.

Secondly, whether 10 mills shall be levied for a period of 20 years, for the purpose of operating the proposed unit and retiring bonds purchased for new building purposes.

Barkmeier pointed out that special voted millage for community colleges is handled differently from that for regular schools. In regular school millage elections the millage to be used for different purposes is voted on separate ballots. However, when voting millage for a community college, all the proposed millage may be combined on one ballot.

sion, the county Council of Parents and Teachers voted to endorse the principal of a county community college.

Next meeting of the council will be held Jan. 23 at Lafavette school in Benton Harbor.

or night. Rather than they were nothing more than misguided actions of a group of persons who can be apprehended and cured for, indeed, they are sick.

After such an incident many people scratch their heads, in wonderment, as to how anyone could have such total disregard for someone else's property. Possibly the answer will never be known, but one thing is certain.

If you have any knowledge, however remote, that might lead to the arrest of the person or persons responsible, report it to the police. For, if you withhold the information, no matter what the reason, you are as responsible as they if future acts are committed.

Watch Out for Kids

In the past few days my desk has been flooded with releases from insurance companies, universities and medical associations, stressing safe rules for parents and children to follow while in the act of tricking or treating next Wednesday night.

In reading over the material, some of the advice is nothing more than plain horse sense, but when you stop to think about it, it is so apparent that it probably escapes many a parent.

Some of the rules suggested for the night before Halloween are:

- Don't allow children to wear masks that limit visibility.
- Dress children in light-colored costumes that can be seen by motorists. If possible, use pieces of reflectorized tape on the costume.

- If some light is needed, have them carry a flashlight, not a candle or other open flame.

- If a child is making the rounds alone, and is in the lower elementary grades or a preschooler, a parent or older child should accompany him.

- Warn youngsters about crossing the street except at intersections.

These are just a few of the many common precautions that can be taken to make this a safe

Halloween for all.

How About That?

With the weather we have been having the past month, and this week, it is hard to believe that one year ago Oct. 23 the area was blanketed with the first snow of the season.

Mrs. Mae Otwell of 803 North Portage reports that she has an oriental poppy in full bloom. For this time of the year that is a real freak of nature.

Social Security Paid at Age 62

James Scott, a Scotchman by birth, recently decided to take advantage of his Social Security coverage. Altho he was born at Ayrshire, Scotland in 1900 and lived there until 1951, he did obtain Social Security coverage thru later employment in the United States. His vocation led him to Canada in 1951 where he remained until 1954. He then returned to Scotland in 1954 and remained there until February 1959, when he immigrated to the United States and filed a declaration of intention to become a U. S. citizen.

His Social Security coverage was earned while he worked on the Nike Zeus Program, as an electrical engineer, and later for the City of Buchanan. Because of changes in the Social Security Law in 1961, which lowered the retirement age for men and the amount of work needed to qualify for benefits, Scott is now entitled to benefits.

Scott plans to spend his retirement in Buchanan and perhaps return to Scotland in the future.

Serves as Example

Scott has consented to the publication of his story so that other people who have reached retirement age, but have not applied for benefits, will be reminded to check with their Social Security office.

Scott will receive benefits effective with September of this year, as he will not earn over \$100 a month beginning at that time.

Mr. Russell, district manager, of the Social Security office serving this area, states that many people who made inquiries prior to the 1961 amendment to the Social Security law are not aware of the changes yet as they have not bothered to contact the office.

In an effort to contact these people, the Social Security Administration has screened their records to obtain the names of

as many of these people as possible. However, some have moved or changed their name, or failed to realize even after contact with the office, that the changes do affect them.

Russell encourages you to contact his office if you believe the changes might apply to you, or if you have questions about your Social Security.

The local Social Security office is located at 242 Pipestone St., Benton Harbor, phone 926-8222.

Free Hunting Folder Is Aid for Beginners

Copies of "Michigan Hunting," a field aid for both beginners and veteran hunters, are available for the asking at sporting license dealers in the state and thru the Conservation Department's publications room in Lansing.

The free pocket-sized folder answers questions of the newcomer about where, what, how, and when to hunt in this state. It passes along some helpful tips on guns and shot sizes, and gives other field information to also serve as a good source of basic review for experienced hunters.

Also featured in this handy guide are state game area maps which pinpoint lands open to public hunting.

Deputies Perform "Delicate Operation"

Police were called upon to perform a "delicate operation" Saturday morning at Community hospital.

Hospital personnel called Deputy Charles Tiefenbach about 9:40 to report that a large skunk was behind the building, going around in circles. Upon arriving at the scene, the deputy radioed for Deputy Dog Warden Jerald Slocum, who disposed of the animal with a blast from a shotgun.

The "patient" was then buried, with the "doctors" none the worse from the experience.

Car Is Total Loss

A car driven by Charles Louis Topash of route 1, Gahen, was declared a total loss after it rolled over on Cleveland avenue Monday afternoon. The mishap occurred about one-fourth mile north of State Line road.

Deputy Charles Tiefenbach reported that Topash told him he was driving south and lost control of his car while rounding a curve.

Officers Attend Training School

Four local police officers and deputies are attending a pilot program in police training. The classes meet at the Fraternal Order of Policemen's hall on U.S. 33, south of St. Joseph The local officers are Sgt. Dewey Beard, Officer Randall Couchman and Deputies Stanley Wolkins and Fred Clark, Jr.

The 17-week course is patterned after that of the Michigan State university school of police administration and is designed to acquaint working policemen with the basic principles of law enforcement.

Policemen enrolled in the course receive training in such subjects as constitutional law, criminal investigation, vice repression, and accident report preparation. Instructors are from the Federal Bureau of Investigation, the Michigan State Police, Northwestern university, and local police departments.

Stanley J. Hergenroeder, dean of instruction at Community college, is in charge of the program.

Auxiliary to Write Letters

At the meeting of the American Legion Auxiliary on Monday, 21 members were present. Mrs. Ward Samson was in charge of the meeting. It was decided that each member write to the legislative representative from this area to see about raising the pensions.

There were two new members welcomed into the group. Miss Carol Jane has been selected to take care of a new project which is a publicity scrapbook. All members are urged to clip out any news items from the area papers concerning the auxiliary and give them to her. It was voted to contribute to the Leonard Wood's Memorial fund and one dollar each to CARE and the Crusade for Freedom.

The fourth district meeting will convene in Hastings on Nov. 3. Mrs. Samson is the first delegate, Mrs. James Scott second delegate, and Mrs. William York is the alternate.

Test Corn Yield Results Announced at Field Day

Results of several test plots were announced at a Corn field day Saturday, held on the Leonard Babcock farm. The farm is located on Cleveland avenue, north of Gallen.

The corn yield tests were conducted under direction of Frank Madaski, county ag agent, assisted by members of Gallen Future Farmers of America and vocational agriculture students, and Babcock.

Eleven varieties of corn were planted May 31, along with 300 pounds of 5-20-20 fertilizer and 15 tons of manure. The test yields were based on picking 131 feet into a plot. Best result by test was Pioneer 553, because of low moisture, and a yield of 111 bushel per acre. Other results are listed in the accompanying chart.

It was noted that the corn yields varied according to date of maturity and moisture. Other factors observed were height of ear on the stalk and amount of fodder.

The educational program was attended by Ed Toll, John Foster and Mike Morley, officers of Ga-

llen FFA, who assisted in checking yields. Other FFA members attending were Hozle Huff, Rex Payne, along with several farmers in the Gallen area.

Richard Kent, ag teacher at Gallen, also assisted in the project.

BPW Club Hears Talk on Taxes

Thirty-five members and guests of the Business and Professional Women's club were present at a Monday evening dinner meeting of the group, held in the social hall of St. Anthony's Catholic church, to hear state representative from the first district, Dave Upton of St. Joseph, speak on the proposed Michigan tax reforms.

During the business session, it was decided to hold a dinner meeting with the Senior Citizens club in the I & M building on Monday, Dec 2. Mrs. Milton

INSPECT STARLING DAMAGE—Starling damage to corn was a topic of discussion at the Corn Field Day, Saturday, held at the Leonard Babcock farm near Gallen. It was estimated that loss to the birds could run as high as 25 per cent. Inspecting some partially stripped ears are (from left) Ed Toll, Leonard Babcock and John Foster. Toll and Foster are members of Gallen FFA, which hosted the field day. —Record Photo

List Speakers For Community College Talks

A Speakers Bureau has been organized to bring the story of the proposed Berrien county community college to the public, and groups of all types may obtain a speaker at no charge.

Mrs. John O. Foster of Niles is chairman of the Speakers Bureau. Speakers have been lined up in all parts of the county and will be on the job up until the Dec 5 election, which will decide whether a county community college district shall be created.

Besides Mrs. Foster, area members of the speaker team include H. E. Calvert of Niles; Don Eppelheimer of Berrien Springs; Rhine Fecho of Baroda; Eugene Cooke of Gallen; Harold Remus of Niles; Richard Dougherty of Buchanan and Mrs. Howard Klone of Three Oaks.

Organized groups are asked to contact the Speakers Bureau member in their community to make arrangements. Mrs. Foster said if the group wishes to hear an outside person, such as a school superintendent or a member of the Benton Harbor Community College faculty, these requests also will be handled. Speakers Bureau members are being supplied with inform-

ative handbills to pass out among persons attending the lectures, Mrs. Foster added.

Five Treated At Pawating

Five local and area residents received emergency treatment at Pawating hospital during the past week.

Earl McClellan of 410 Hill St. was released Oct. 15 after being treated for a chin laceration, suffered when he fell on the running board of a car.

James Horner of route 1 was released Oct. 18 following treatment for a laceration near his left eye, suffered when he struck himself with a hammer.

Thomas Kepler, son of Mr. and Mrs. James Kepler of 304 Remus, was released Oct. 19 after being treated for a lip laceration, suffered when he fell from a bicycle. The wound required six stitches.

Charles Stark of 1130 North Main was released Oct. 19 following treatment for a scalp laceration, suffered when he struck his head against a car door.

Leon Grissom, son of Mr. and Mrs. Eldred Grissom of route 2, was admitted Oct. 20, and his left hand was amputated following an accident in which his hand was caught in a chain on an apple grader.

Youth to Collect For UNICEF

Members of the Youth Fellowships of the First Presbyterian and First Methodist churches will "Trick or Treat for UNICEF" Wednesday evening, Oct. 30, while other area youngsters are engaged in the usual trick or treat activity. Hours of the campaign will be from 6-9 p.m.

The drive for funds for UNICEF, an agency of United Nations Children's Fund, is held annually at Halloween. Proceeds from the collection go to aid children and young adults throughout the world.

Some of these results are striking. During the first 16 years of UNICEF's operation, more than 162 million children and young adults were vaccinated against tuberculosis in programs aided by UNICEF. More than 18 million mothers and children were treated for yaws, a crippling disease of tropical sores.

Another 700,000 mothers and children have been treated for leprosy, while about 115 million children, victims of trachoma and acute conjunctivitis, were protected against blindness.

In 1962 alone, about 24 million children and mothers benefited from the more than 170 milk and other food processing plants and the more than 23,000 maternal and child health centers which UNICEF has thus far helped to equip.

Rev. Robert V. Gouwens and Rev. Dale B. Ward, pastors of the respective churches, urge local and area residents to answer the appeal for funds for UNICEF, when members of the Youth Fellowships knock at the door Wednesday night.

TO COLLECT FOR THE NEEDY—Young people of Buchanan Seventh-day Adventist church will utilize the Halloween tradition of "Trick or Treat" to solicit canned food to be used in Thanksgiving baskets for the needy in this area, and enlarge the supply of canned goods at the Welfare Center, to be used in case of emergency or disaster. This group of youngsters has its basket all ready for the solicitation.

Treats for Needy To Be Collected on Halloween

A "share your blessings" project is to be launched by the Adventist Health and Welfare Center, and young people of the Buchanan Seventh-day Adventist church, according to Elder Merrill Y. Fleming.

A total of 107 persons helped, 1,144 pieces of clothing and bedding distributed, \$15.08 in cash and food, besides the baskets of food given at intervals from the center, 191 hours of donated labor by the men and women of the Buchanan church, which amounted to \$2,542 in cash value for the three month period. A report will be given at the end of the year of work done and help given since July.

In Matthew 26:11, Jesus says "For ye have the poor always with you."

"So won't you respond generously when the young people and Pathfinders of the Buchanan Seventh-day Adventist church knock at your door between 6-9 p.m. Halloween evening, asking for 'Treats for the Needy' The Lord will richly bless you as you give to others less fortunate," stated Mrs. Barrett in her appeal.

Persons who are not contacted, but would like to give, may call Mrs. Barrett at Oxbow 6-8869, and she will arrange for the canned goods to be picked up.

Lakeshore to Host Jaycees

The membership meeting of the Buchanan Jaycees was held Tuesday, with 12 members present. Bill DeVos was a guest. Two visitors from the Lakeshore Jaycees, Donald Doering and Joe Schultz also attended.

Doering and Schultz informed the local Jaycees that they are invited to be the guests of their club on Dec. 12. This is part of the first district vice-president George Quimco's plan of inter-club relations in the district. There are 12 clubs in the first district and six clubs will be hosts and six clubs will be the guests of those clubs. There will be a prize for the club having the biggest percentage of attendance at these meetings.

A report was given on the square dance and Halloween party hosted at Vic and Lilah Frucci's on Oct. 19.

Jim Smith, chairman of the basketball promotion for the high school games reported that donkey basketball will be held Nov. 15, the week preceding the opening game of the high school season.

Edwin Kay was the host for

this meeting and Joe Letcher was in charge of entertainment.

Local News

Miss Judith Herman spent the weekend here at the home of her parents, Mr. and Mrs. Caryl A. Herman. Miss Herman, a senior student majoring in English at the University of Michigan in Ann Arbor, is student teaching this semester at Tappan junior high school in that city.

Lions Plan Initiation

Initiation of new members will be held with Bob Melnen in charge, when Buchanan Lions club meets Thursday night, Oct. 24, at the American Legion home at 615.

Enrolled as Agent

William F. Faulhaber, Niles accountant, has been enrolled to practice as an agent before the Internal Revenue Service.

Faulhaber, principal of an accounting firm at 16 North Third St., Niles, was accredited following an examination in Chicago by the Internal Revenue Service. Faulhaber is a local resident.

GETTING READY FOR JAMBOREE—Three co-chairmen for the annual Pumpkin Jamboree have been busy gathering pumpkins for the affair, to be held Saturday afternoon at Stark school, from 1-5 o'clock. Sale and carving of pumpkins is one of many activities offered at the major fund-raising event of Stark PTA. An added attraction this year is catching of a greased pig. The jamboree is open to the public. Gathering pumpkins are (from left) Mrs. Robert Pettis, Mrs. Milton Vigan sky and Mrs. Melvin Dretzlitz.

Annual Pumpkin Jamboree To Be Held Saturday at Stark

Don't forget!—the pumpkin jamboree to be staged at the Harold C. Stark elementary school Saturday, October 26, from 1 to 5 p.m.

At the start of the festivities a greased pig will be released. There will be some kind of activity in every room plus pony rides, weather permitting. The public is invited to join in this afternoon of good clean fun.

Months of work have gone into the planning of this event, the PTA's one big project of the year. Mrs. Milton Vigansky is the chairman of the jamboree.

Others on her committee are Herb Russell, Robert Surch and Ben Jensen as assistants for the pumpkins and publicity. Other chairmen and their activities include Mrs. David Farm and Mrs. Richard Virgil, movies, Mrs. Walter Ross and Mrs. Jessie Cooper, candy sales, Mrs. Robert Helney and Mrs. Robert Wesner, make-up booth, Mrs. Robert Jackson and Mrs. Wayne Frost, clown, Mrs. George Beach and Mrs. Ralph Swartz, animal balloons, and penny candy.

Plan Guest Speaker

The Rev. Jeff Dobbins of Benton Harbor will be the guest speaker this Sunday morning at the Church of the Nazarene. The pastor, Rev. Thomas L. Voyles will be in Nashville, Tenn., to visit Trevecca Nazarene college and the young people attending there. The boys from Buchanan at Trevecca are Jim and Larry Knight.

Showers Fete Miss Downs

Miss Marcia Downs, fiancée of Max Rose, was honored at two bridal showers this last week end at the home of Mrs. Harold Rose.

Fourteen guests feted Miss Downs Saturday evening at the shower given by Mrs. Mildred Bachman, Mrs. Gene Rose, Mrs. Lee Conrad, Mrs. Marvin Baugh, Mrs. Robert Rose and Miss Jane Rose.

Sunday afternoon, 35 guests attended a second shower given by Mrs. Carl Gilbert, Mrs. Russell Heckathorn, Mrs. Albert Heckathorn and Mrs. Edna Heckathorn.

Miss Downs, daughter of Mr. and Mrs. Robert Downs, 210 East Marion street, Mishawaka, Ind., will become the bride of Max Rose, son of Mr. and Mrs. Harold Rose of Buchanan, on Nov. 16.

Guests attended the showers from Grand Rapids, Niles, Buchanan, Galien, Three Oaks, Michigan City, Gary, and Mishawaka.

Attending Assembly

Arrangements were made to send Mrs. Harry Banke and Mrs. Harold Cramer to the state Rebekah assembly in Grand Rapids this week, at the recent meeting of the Bayleaf Rebekah lodge.

A donation benefit party is planned for the Nov. 16 meeting. All members are urged to have their donations in by Nov. 1.

Prizes were awarded to the winners of the games. The next meeting is scheduled for Nov. 1.

Plan Dinner Meeting

The next meeting of the Stitch and Chatter club will be a dinner meeting at King's restaurant, with the business session afterwards, on Nov. 20, at one o'clock.

Plan Halloween Dance at Council

At the Oct. 12 meeting of the Youth Council, two officers were elected. Don Mitchell was elected president and Bill Ledy vice president. Colby Cousineau was appointed to represent members at the Youth Council's board meetings, along with Mitchell.

The council is planning a Halloween dance for Oct. 20 from 7:30 to 11 p.m. at the youth building. Music will be furnished by the Crescendos with Gary Edwards as the vocalist. Free masks and favors will be provided, whether you attend stag or drag. There will be an adequate number of chaperones. If there is a good response to this dance, the council plans to have at least one dance each month, according to Bart Huron, director.

BPW District Meeting Held

The annual fall meeting of the sixth district of Business and Professional Women's clubs was held Sunday in South Haven. There was a coffee hour at 9:30 a.m. followed by the business meeting.

Mrs. Edythe Willett of Three Rivers, district director, resigned because of other commitments. Mrs. Katie Taylor of Dowagiac, assumed Mrs. Willett's duties as director for the remainder of the year. Mrs. Nellie Corliss of South Haven conducted the devotions.

The welcoming address was given by Miss Mary Jane Hill, president of the South Haven club. Mrs. Earl Rizor, district secretary-treasurer gave her report. Miss Stella Kruzenga, second vice president of the Michigan Federation, reported on the state executive committee. It was announced that April 12 will be the next meeting, to be held in Paw Paw, and the state convention will be in May.

The morning address on "Parliamentary Procedure for Clubs" was given by Mrs. Annetta Edwards, parliamentarian of the Detroit club. Luncheon was served at noon before the afternoon meetings began.

A former Buchanan resident, Dr. David Witte, was a member of a South Haven male quartet that provided entertainment at the session.

Dr. Frances Hardin, professor of marketing at Western Michigan University, gave a talk on "The Foundation—Opportunities Unlimited."

Members from the local club attending were Mrs. Esther Hamilton, president, Mrs. Adeline Rouse, Mrs. Katherine De Nardo, Mrs. Earl Rizor, Miss Gladys Harris, Miss Laura Koenigshof, and Mrs. Mary Kolhoff.

Local News Items

Mrs. Edward Nelson of Newton, Iowa, visited in the home of Mr. and Mrs. Harry Hayden last week. Mrs. Nelson and Mrs. Hayden are former class mates.

Mrs. Rex Lamb and Mrs. Orville Hawks have returned from Pontiac where they were guests of Mr. and Mrs. Arthur VanRyzin. The VanRyzins are former residents of Buchanan.

Turkey Shoot Held by Troop 41

The rifle range at the Bend of the River Conservation club was the scene of much activity Sunday when the Dad and Son rifle teams competed in Troop 41's fifth annual turkey shoot. Eight teams were registered and the shoot started at 2 p.m., four teams firing at a time, and each in its own target area.

John Kelly, outdoor activity chairman on the troop committee, was assisted in his duties as range supervisor by assistant scoutmaster, Don Shafer, who had complete coverage to all safety precautions at the range. Official NRA targets and standard long-life ammunition were furnished. Pre-shoot arrangements and physical properties were handled by Jack Slate, Martin Wagner, and scoutmaster, Leo Slate.

High scorers for the meet and winners of the turkey were the team of Bob and Ralph Davis. Second and third places and winners of the other poultry prizes were, Russell Stephens and his father, T. R. Stephens, and David Newsom and his father, Carl Newsom.

The troop wishes to express thanks to the hosts, the Conservation club, and to all others whose co-operation made this event a success.

Weddings Performed By Justice Lauver

Book Club Hears Life of Debussy

Hostess for the meeting of the Buchanan Book club Monday was Mrs. Walter E. Schirmer, with Mrs. L. G. Fitch in charge of the program.

Mrs. Thomas G. Mitchell gave a review of the book, "Clair de Lune," by Pierre La Mure, which is based on the life of Claude Debussy. Mrs. Mitchell illustrated her review by playing four of his compositions. These selections were "Clair de Lune," "The Minstrels," "The Girl With the Flaxen Hair," and "General Lavine." Also, the story of how some of Debussy's compositions were conceived was brought out by Mrs. Mitchell.

Mrs. R. F. Wright presided at the tea table.

The next meeting will be at the home of Mrs. R. F. Wright on Nov. 4.

Church Women Sew for Cancer

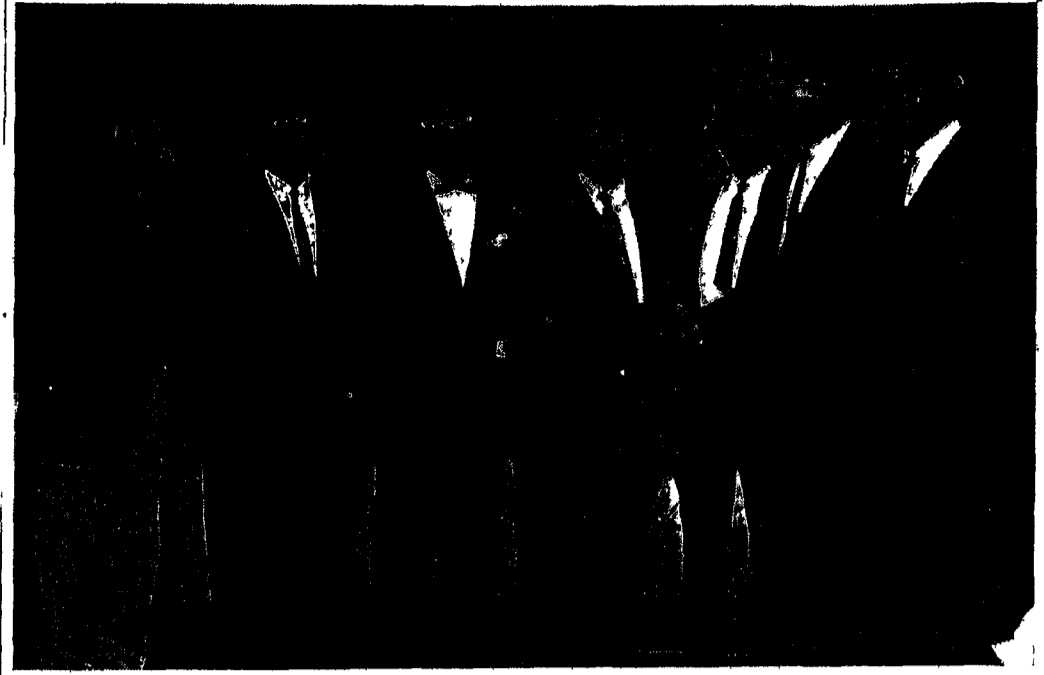

The Lucy Beach circle of the First Methodist church was hostess to the Marietta circle October 16 at the church. There were 32 members and guests present. Mrs. Charles Babcock and Mrs. Fred Hall, Sr. were in charge of the co-operative luncheon. Mrs. Hall also gave the devotions and the lesson based on "The Methodist Family."

The combined groups met to sew cancer pads for the Berrien County Cancer society. They also decided to meet again as a joint group on Nov. 13 at the church to continue sewing these pads.

All members were reminded to get their materials for the bazaar in by Nov. 20.

A Quiet Day will be observed at the Hartford Methodist church on Oct. 25. A delegation from Buchanan is planning to attend on Oct. 30. There will be a program at 9:30 a.m. in observance of prayer and self-denial for all women of the church, which will be followed by an executive board meeting of the W.S.C.S.

BUCKS GET TOGETHER—Former and present Buchanan Bucks got together in Spartan stadium Saturday afternoon, after Michigan State beat Indiana 20-3. All are former Bucks, except Jerry Dietz, who is now playing in his senior year. The occasion was to see John Karpinski play for the Spartans. Karpinski, now in his sophomore year, is a regular starter at State. Left to right are Jim Hyeppock, Dietz, Willie House, Karpinski, Barile Blood and Jim Shafer. —Record Photo

The Score: 25-0 Buck Defense Blanks Comets at Homecoming

Buchanan's mighty defensive unit shut out the Coloma Comets Friday night, 25-0, before a large homecoming crowd. The shut out was the fourth straight for the Bucks, and now gives them a record of having only nine points scored against them in six games.

The loss by Coloma eliminated the Comets from contention for a share of the Blossomland title. The Bucks are now 3-0 in the Blossomland conference, while Coloma is second with a 3-2 tally. If Buchanan's defense holds up for one more game the Bucks will clinch the title for the second straight year.

Friday night the Bucks traveled to Brandywine and the follow-

ing week host the Cassopolis Rangers. Both are conference foes, but a victory over either would give Coach Karpinski's boys an undisputed title. A sweep of both would make the second year the Bucks would be undefeated in league play.

A highlight feature of the homecoming game was crowning of a Homecoming Queen, from the most competitive field in several years. Last year's queen, Janet Penwell, placed her crown atop the head of the 1963 Homecoming Queen, Sue Frame.

Leading the Bucks' offensive drive for the second week was David Shoemaker, who ran for two TD's and passed for a third one. All but one of the Bucks'

scores came in the second half, as the Comets contained them during the first two periods.

Neither team effective Coloma bucked off to start the action, but during the first two punt exchanges neither team was successful in moving the ball. After each team had punted twice a first down was yet to be recorded, as the defensive units dug in.

The third time Buchanan took control of the ball, the Bucks put it into play late in the first period on their own 21. Shoemaker bucked the line for 11 yards, and then Willie Sam Warren ran around right end for 25 more yards, to the 43 of Coloma. This was the first time either team had penetrated enemy territory.

After a 5-yard penalty, Warren ran it back to the 43, and on third down Jack Jesse threw one to Warren on the 22 for a 21-yard gainer. Three plays later Shoemaker ran off left tackle to the 13 and Don McNeely made it first and goal to go on the 10.

Warren Scores
On the next play Warren again skirted right end for 10 yards and the TD Warren end converted and with the second period only 48 seconds old, the Bucks held a 7-0 lead.

Coloma took the kickoff and dove to Buchanan's 45, but the Bucks' defense settled down and Coloma was forced to punt. The Bucks put on a sustained drive from their own 25, but it sputtered and died on the Comets' 1-yard line after two attempts to crash the line.

At halftime the score still stood at 7-0.

Returns Punt
Coloma had the ball for three plays in the third period before the Comets were forced to punt. Shoemaker gathered in the pigskin on his own 36, and behind good blocking scampered 64 yards into the end zone. The conversion attempt by Warren missed its mark, and with 9:44 minutes remaining in the third period Buchanan held a 13-0 margin.

The remainder of the period was a see-saw battle, as neither team could make more than a few feet. Early in the final period the Bucks put the ball into play on the 45.

Warren set up the next tally when he took the ball on an inside reverse and galloped 32 yards, to Coloma's 23. Six plays later Shoemaker connected with Lyle Davidson on a 5-yard pass for another six pointer. The conversion attempt by Warren missed its mark, and with 9:44 minutes remaining in the third period Buchanan held a 13-0 margin.

Final Tally
The final tally came with about four minutes to play. After Davidson's TD Coloma was forced to punt and Buchanan took over on its 42. Line plunges by Larry Lamb and Shoemaker moved the ball to Coloma's 48. Jesse then fired a pass to Shoemaker, who ran the remainder of the 48 yards to pay dirt. On the conversion attempt by Warren, the ball bounced off the goal posts. That score came with 7:45 minutes to play.

Warren was the leading ground gainer, with 87 yards on 10 carries. Shoemaker had 57 yards on 10 carries, Lamb was 31 for 7 and Jesse 28 yards on seven carries.

Defensive Lamb was credited with 11 tackles, to lead his teammates in that department. As a unit, Buchanan's defense continued its domination over opponents, holding the Comets' rushing attack to 139 yards and one yard in the air. In the aerial department, Coloma completed only one of 13 attempted

passes. The Comets failed to get inside the Bucks' 30-yard line all evening.

The conversion attempt by Warren missed its mark, and with 9:44 minutes remaining in the third period Buchanan held a 13-0 margin.

The remainder of the period was a see-saw battle, as neither team could make more than a few feet. Early in the final period the Bucks put the ball into play on the 45.

Warren set up the next tally when he took the ball on an inside reverse and galloped 32 yards, to Coloma's 23. Six plays later Shoemaker connected with Lyle Davidson on a 5-yard pass for another six pointer. The conversion attempt by Warren missed its mark, and with 9:44 minutes remaining in the third period Buchanan held a 13-0 margin.

DAVIDSON SCORES—End Lyle Davidson took the ball from the hand of two defenders to score for the Bucks in the fourth period against Coloma Friday night. He snared a five-yard pass from David Shoemaker and was immediately tackled in the end zone by an unidentified defender. The Bucks won the contest by shutting out the Comets, 25-0. —Record Photo

CROWN CAROL NEKVASIL QUEEN

Gallen Gaels continued on their winning ways Friday night, as they scored an easy 41-7 victory over New Troy. The victory, combined with crowning of a new queen, highlighted Homecoming activities at Gallen.

Miss Carol Nekvasil was crowned the new Homecoming queen. Members of her court were Karen Zelaski, Jerita Babcock and Patty Kozel.

Friday night's Big Eight win leaves the Gaels with a 3-0 conference record. This Friday the Gaels travel to Three Oaks to take on the unbeaten Oakers in a Big Eight battle that could decide the championship.

Score for Gaels
Against New Troy Gary Payne and Jerry Doehrer each scored two TD's, Kent Ingles scored once and Allen Ender accounted for the other tally.

The lone first period tally was scored by Payne on a 25-yard run. An Ingles to Doehrer pass then gave the Gaels a 7-0 lead.

In the second period Payne led off the scoring with a 47-yard jaunt, after which Ingles ran into the end zone for the conversion. Ingles later rolled out and skirted end for 70 yards and another TD. Bill Rotzien kicked the extra point and the Gaels held a 14-0 lead.

The third second period score came when Ender ran two yards into the end zone, and Ingles passed to Doehrer for the conversion. That TD was set up by a 34-yard run by Payne, who was pushed out of bounds on the two.

Pass to Score
With a 28-0 lead at halftime, Coach Larry Taylor gave his reserves some experience in the second half, although the scoring chores were left up to the veterans.

In the third period Ingles passed to Steve Morley on a play that covered 25 yards, and set up the Gaels fifth TD. On the next play Ingles hit Doehrer for 27 yards and the tally. A pass for the conversion fell incomplete.

The final TD came on a 14-yard Ingles to Doehrer pass, that was set up by a 16-yard Ingles to Morley aerial. Rotzien converted for the Gaels' final point.

The lone New Troy score came in the last minute of play, against Gallen freshmen. Charles Robbins scored from six yards out and Harry Pletcher kicked the extra point.

In the rushing department Payne carried eight times for 117 yards and Ingles had 89 yards on nine carries.

Three Go-Kart Track Records Broken Sunday

On Saturday, Oct. 19, Kristie Karters held their seasonal championship races. Time trials were held for anyone wanting to break the track records at Christie's Go-Kart track, and three of these records were broken. They are as follows:

A Stock (Senior) Danny Nelson of Buchanan—old time 22.4—new time 21:85

Modified (Heavy) Gene Zarembo of South Bend—old time 22:1—new time 21:2

B.C. Open—Ray Brandt of Three Oaks—old time 21:7—new time 20:1.

The relay race winning team consisted of Ralph Pears of St. Joseph, Danny Nelson of Buchanan, Ken Edquist of Chesterton, Ind., and Gene Zarembo of South Bend.

The Kristie Karters won the roving trophy for having the highest number of points accumulated during the day.

Regular Race Results
The winners of the regular competition racing were:

West Bend—first, Charles Kelley of Buchanan

Sportsman first, Ralph Pears of St. Joseph; second and third places won by Terry Lovelady and Ron McIntosh, both of Buchanan.

"A" Stock Jr and Light first, Dennis King of Niles, second, John Gelesko of Bridgman; and third, Danny Nelson of Buchanan.

"A" Stock Heavy—first, Ken Edquist of Chesterton, Ind., second, Fred Harvell, also of Chesterton, and third, LaVonne Zeller of Niles.

Jayvees Blank Coloma Reserves with 35-0 Win

Buchanan's Jayvees scored an even bigger rout of Coloma than did their older "brothers" last week, as they whipped Coloma Jayvees 35-0. The game was played at Coloma.

Coach Ray Berry said the victory was definitely the result of team effort, both defensively and offensively. While holding Coloma scoreless, Buchanan gained 360 yards rushing and another 45 thru the air.

Gary Armstrong started the scoring spree with a two-yard quarterback sneak in the first period. The TD capped a sustained drive from Buchanan's 35. Steve Couchman converted the extra point.

Local Jayvees struck pay dirt twice in the second period. Jerry Donley broke thru the line of tackle and ran 65 yards for the first tally, after which Terry Handley converted. The second TD capped a long drive when Handley scored from the six. Couchman converted, and Buchanan held a 21-0 lead at halftime.

Kick Twice
Buchanan was forced to kick the extra point twice, following a third period TD. After a sustained drive to Coloma's 20, Armstrong passed to Mike Luke at the 15, and Luke carried the pigskin in for the score. Handley converted, but a penalty nullified the effort. Couchman then converted from five yards further back.

Coloma threatened in the final quarter, driving to Buchanan's one yard line, but the local Jayvees put up a goal line defense and pushed the invaders back to the 10. There Buchanan took over for the final scoring drive. Rick Luke climaxed the drive when he drove over from Coloma's 10, and Handley converted for the final tally.

TD's Called Back
In addition to the five TD's which counted, local Jayvees scored four others, but all were called back.

In the third period Buchanan scored from inside the 10, but a penalty nullified the effort. Local Jayvees scored again on the next play, but this too was called back. The scoring threat was stopped on the next play, when Coloma intercepted a pass.

In the fourth period Handley scored the same TD twice, but neither counted. He carried over on a 35-yard run, a penalty nullified the score. On the next play he scored again, but again the effort was nullified by a penalty.

The local Jayvees now boast a 3-2 mark for the season. Thursday afternoon, at 4 o'clock, they will host Brandywine Jayvees at Memorial field.

St. Joe Downs Freshmen Unit

Buchanan's freshmen grid-ers suffered a set back last week when they traveled to St. Joe, as the future Bears clayed them 20-13.

Coach Don Rennhack's boys now hold a 2-2 season record. Next Tuesday afternoon local freshmen will host Elkhart, in a game to be played at Memorial field at 4:30. It will be the last grid contest of the season for the local freshmen.

St. Joe scored first last week, after blocking a Buchanan kick. Buchanan bounced right back, as Arthur McKinney took the kickoff and ran it all the way into the end zone for six points. Larry Elliot booted the extra point, but a penalty nullified the effort. McKinney's long run was aided by key blocks on the part of Jim Rumsley and Elliot, springing the runner loose.

St. Joe scored three times before Buchanan struck paydirt again. Local freshmen scored late in the final period, on a

Mrs Clayton Spaulding and Mrs Gordon McCaslin were appointed to take lessons at the Christmas workshop at Berrien Springs in the Youth Memorial building at the fair grounds, and then present what they have learned to the club members. Mrs Walker is in charge of the Thanksgiving basket this year. Mrs Carl Horton gave a short lesson on, "Know Your Organization."

The next meeting, Nov 21, will be in the home of Mrs McCaslin, with Mrs Fred Hagley and Mrs Clark as co-hostesses.

Panel Addresses Moccasin PTA

The monthly meeting of the Moccasin Elementary school P.T.A. was held Oct 16, with Donald Huron presiding. Mrs William Nelson is the new treasurer, replacing acting treasurer, Mrs Gene Wesner.

The members voted \$35 for an exhaust fan for the teachers lounge. Mrs Andrew Fagan announced that school pictures will be taken Oct 31 and notes will be sent to the parents about the costs.

The program, "Know Your Community," moderated by Paul Manning had city representatives, Maurice Nelson of the city commission, Robert Soucek of the school board, and William Burkett of the urban renewal program on the panel. Each representative gave a 15 minute talk about the community and emphasized that the people of Buchanan do not participate enough in the community affairs and are not taking their share of the burden.

The social hour after the meeting had Mrs John Cress Mrs Wendell Hall as co-hostesses.

The next meeting, Nov. 20, will have "Special Education in Our Schools" as the topic of discussion.

Stark PTA Hears Reports

Last Wednesday evening, Oct. 16, the Harold Stark P.T.A. met at the school. Mrs. Milton Vigansky reported on the pumpkin jamboree set for Oct 26 at the school, at which there will be pony rides, the ponies provided by Mrs C Rhodes, weather permitting.

Ben Jensen reported on the pictures that will be taken of the school children, Nov 6 and 7. Milton Vigansky reported that the playground equipment the P.T.A. bought is already in use. The remainder of the money to be used for the playground has been given to Principal William Fairman to purchase small hand equipment. The members want to acquire a legislative chairman for their group P.T.A. to be a representative in the county and state organization.

The room award was won by Mrs Kenneth Bever's second grade class. After the meeting, refreshments were served. The speaker for this meeting was Elizabeth Ganzoa, Berrien County Friend of the Court.

The next meeting, slated for Nov. 20, will feature a study in modern mathematics explained by Mrs. Gies, University of Michigan Extension service. The kindergarten room mothers will serve refreshments.

How wonderful is enthusiasm Mom and Dad will forgive this noise They catch the spirit and joy of their young drummer boy.
Enthusiasm is not limited to small fry. But as we grow older, these joyous moments when our spirits ride high, wear thin and are diluted by everyday cares.
This is true of our religious experience. Often we are filled with eager enthusiasm when we pray and worship. Our church can guide this energy in channels of service and love.
But often our religious enthusiasm fails. In these moments when our spirits lag, we are stunted and encouraged by the enthusiasm of our fellow Christians.
How wonderful is enthusiasm. Come to church to have it renewed Sunday and always.

Civil Rights in Michigan Emphasized by Officials

By **ELMER E. WHITE**
Michigan Press Association

Official state policy on civil rights is that no citizen should be denied education, employment or other opportunities because of his race, religion or creed.

This policy, a long standing one, has been spelled out in detail a number of times in recent years. The emphasis throughout the country this year on civil rights has again brought Michigan's policy to the forefront.

Gov. George Romney reminded state agencies of this policy when he first took office. A short time before that, former Gov. John B. Swainson re-issued a statement of policy to all agency heads. Prior to that, long-time Gov. G. Mennen Williams emphasized his support of the equal opportunities policy.

Take Action
Activities in the South recently prompted the leaders of the two major political parties here to appoint new human relations coordinators to improve the civil rights picture in Michigan.

At the same time, the state Attorney General announced a plan to implement the civil rights provisions of the new Constitution, taking effect Jan. 1.

On the education front, Superintendent of Public Instruction Lynn M. Bartlett formed a state committee on equal educational opportunity. The committee's job is to determine where improvements might be needed to insure that each Michigan citizen gets his full civil rights in education.

Long Term Basis
It might be observed, that these recent efforts can only serve their intended purpose if continued on a long-term basis. One shot efforts in the field of civil rights would be of little value if their purpose was just to "win friends and influence people."

In civil service in Michigan, equal employment opportunities are a reality. Capacity for a position is the only factor taken into account.

In at least one other governmental unit, civil rights are being emphasized to contractors who deal with the state. The State Highway Department issues a letter each year at the beginning of the construction season.

Commissioner John C. Mackie informs contractors wishing to bid on state projects that they should hire on the basis of ability. A contractor who takes into consideration other factors could be disqualified from bidding on state work.

As in most experiences of life, one learns by his mistakes. For the school dropout, however, the lesson often comes too late to correct the error of cutting off education.

A youth determined to leave school most likely will have a deaf ear to a parent or older friend who attempts to convince him otherwise.

Statistics indicate that young people are unemployed at about three times the rate for the total work force, while some jobs geared for young people go unfilled because of the lack of trained applicants.

A concentrated effort by youth leaders in the schools

Continuing, unsung efforts of this type appear to be those which will further the state policy in the long run.

A Paradox
Concentration on civil rights this year brought forth one other interesting point: a paradox of sorts.

When school superintendent Lynn M. Bartlett was asked how many Negro teachers were employed in various school systems, the paradox brought about by just a few years passing came into focus.

In past years, applications for various jobs including those in most school districts contained a blank where "race" was listed. Some years back, however, a hue and cry about racial discrimination prompted school districts and many other employers to leave this off job application forms.

Thus, when Bartlett was asked to count Negro teachers it became a large task to survey school districts, which in turn had to check each school.

The simple line on a job application would have eliminated this extra census, but the desires of the Negro community a few years ago had been not to have this designation available.

Sad Lesson
An "Operation Bootstrap" appears to be in order among Michigan's and the nation's youth.

Within this state alone, an estimated 10,000 young people joined the long list of high school dropouts this Fall. About double this will probably be added as the school year progresses. Past experience shows the persons on this list often are on the unemployment rolls.

After January 1, when the revised Constitution takes effect, those who do not have property assessed for taxes will be able to vote on questions of raising the tax limitation only where the increase is for 5 years or less. Otherwise, the rules on voting will remain the same, meaning that the other questions may be voted on only by those who hold tax assessed property.

If any questions should arise in regard to these matters, the local school election authorities should be contacted.

USE THE LITTLE GIANTS RECORD WANT ADS

might well be able to spot the signs of disinterest before a dropout is recorded and convince the individual that it is to his best interest to remain in school.

(This is one of a series of public service articles explaining in general terms a provision of Michigan law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.)

In the hundreds of letters which flow into the Attorney General's office each week there are almost always inquiries on who may vote on tax issues in school districts. "Must I be a property owner in order to vote?" is the most common question asked.

The answer to that question varies, depending upon the specific issue before the voter and upon whether the election is to take place under the present Constitution or under the new one which goes into effect on January 1, 1964.

Under the present Constitution all voters may cast a ballot on the question of raising the maximum tax limitation in a school district, but only voters owning property assessed for taxes may vote on the direct expenditure of public money or the issuance of bonds.

After January 1, when the revised Constitution takes effect, those who do not have property assessed for taxes will be able to vote on questions of raising the tax limitation only where the increase is for 5 years or less. Otherwise, the rules on voting will remain the same, meaning that the other questions may be voted on only by those who hold tax assessed property.

If any questions should arise in regard to these matters, the local school election authorities should be contacted.

Hare Outlines Provisions Of State School Bus Law

With school in full swing, more than a half a million children are once again travelling to and from Michigan's schoolhouses in more than 6,300 buses, which travel an estimated 62 million miles annually.

According to Secretary of State James M. Hare, nearly all states are trying to adjust their laws so that there will, some day, be a uniform code from coast to coast. Michigan, too, is constantly improving its school bus laws so that they provide better protection for both motorists and children.

The law states that vehicles approaching or overtaking a school bus which is picking up or discharging passengers must stop 10 feet to the front or rear of the bus. Act 149, Public Acts of 1963, provides that the school vehicles be equipped with a special front mirror which enables the driver to see in front of the bus as well as along the side of the bus.

"The law is not one-sided," Hare pointed out. "There are specific things which the schools and bus drivers must provide to insure the safety of their charges as well as specific rules motorists must obey for the same reason."

Important Elements

Here are some of the most important elements of the school bus law.

"No school bus driver shall stop his bus for the purpose of receiving or discharging passengers unless such bus is clearly visible in its stopped position to approaching or overtaking drivers of vehicles for a distance of at least 500 feet.

"The driver of a vehicle upon any highway which has been divided into two roadways by leaving an intervening space, or by a physical barrier, or clearly indicated dividing sections so constructed as to impede vehicular traffic, need not stop upon meeting a school bus which has stopped across the dividing space, barrier, or section.

"Every school bus shall, in addition to any other equipment and distinctive marking required by law, be equipped with signal lamps mounted as high and widely spaced laterally as practicable which shall be capable of displaying to the front 2 alternately flashing red lights located at the same level and to the rear 2 alternately flashing red lights located at the same level. Said light shall have sufficient intensity to be visible from a distance of at

least 500 feet in normal sunlight and shall be actuated by the driver of said school bus whenever but only whenever such vehicle is stopped or is about to stop for the purpose of receiving or discharging school children."

Children Unpredictable
Hare said "One of the most important facts the driver must keep in mind is that children are unpredictable. When you are driving in an area where children are being picked up or discharged by a school bus, you must watch for children who may suddenly dart across the street. Watch for school buses which may be slowing or stopping, and be aware of traffic and road conditions in relation to the speed you are traveling."

When approaching a bus that is either stopping or has stopped to pick up or discharge children, motorists must halt at least 10 feet behind the bus even if the bus is not on the traveled portion of the highway.

The most common accident that occurs where school buses have stopped or are stopping is the rear end collision and the run-off-roadway accident. These are caused by following too closely and excessive speed. It is the motorist's responsibility to drive in such a manner so as to have complete control of his car at all times.

Hare noted that the problems associated with the school bus emphasize the importance of being alert and driving at careful and prudent speeds at all times so that "one could stop to avoid accidents within the assured clear distance ahead."

Attending School

A number of women from the Oronoko Methodist church, as well as the First Methodist church of Buchanan, are attending the 10th annual School of Prayer being conducted daily

this week by Glenn Harding, the executive director of Koinonia Foundation, Baltimore, Md.

Hold Layman Sunday

Paul Spaulding conducted the worship service of Oronoko Methodist church Sunday when Oronoko marked Layman Sunday. The sermon, "Take Time Out," was presented by Richard Hines and the benediction was pronounced by Richard Hemp-hill. Arthur Blake led the hymn singing as well as the choir. The service was planned by Elmer Handley. Rev. Staus announced a church membership class will start in the near future and there will be a sacrament of baptism. Those interested may contact him.

Attend Annual Meeting

Mr. and Mrs. Frank Nelson were among those who attend the annual meeting of the Michigan Grange held at Sault Ste. Marie last week. Miss Mary Clark, daughter of Mr. and Mrs. Kenneth Clark, represented Berrien county, having been chosen as Cinderella.

WSCS Views Films

The WSCS of Oronoko Methodist church met at the home of Mrs. Gail Wregglesworth Oct. 15. Mrs. Robert Gunn showed interesting pictures of New York City and especially the United Nations building and meeting while she and Mr. Gunn photographed while on their honeymoon. She also gave the lesson which was based on the work of the United Nations.

The balance of the evening was spent studying catalogs to choose the light fixtures for the new sanctuary.

Festival a Success

The Little Italy Fall Festival held by the Indian Hills Community club was termed highly successful and Mrs. Robert Cline, president, thanks all who attended and all who worked on the various projects.

Postpone Meeting

In order to avoid conflict with the chicken pie supper being served at the Hinchman Methodist church this Thursday evening, the Mt. Tabor Grange has postponed its meeting which was supposed to have been held on Thursday, Oct. 24. The meeting will be held on Friday evening, Oct. 25, instead, at which time new officers will be installed.

Berrien County
Extension Director

This has been an unusual season for the farmers in south Berrien county - cool dry weather prevailed most of the summer - soybeans yielded almost 10 bushels per acre less than last year - needless to say prices have been difficult to figure out. Supplies are low - this year's harvest yield is lower nationwide so supply is going to be even with demand, especially if consumption is as great as last year.

Mrs. Curtis New, Mr. and Mrs. Robert Klaer and Mr. and Mrs. Robert New spent Sunday with the former's parents, Mr. and Mrs. Leo Dalynple.

Mr. and Mrs. Orville Weibbaum were Sunday callers on Dr. and Mrs. Wagner of LaPorte. Mrs. Gertrude Sheldon, Mr. and Mrs. Orville Weibbaum and

Sam Young, Gallen elevator operator, helped us run moisture tests on our corn variety plots. Eleven hybrids were tested on plots at Leonard Babcock's farm. Richard Kent, vocational agriculture teacher, and his vocational agriculture class, helped harvest the varieties and gather the information for the field day held last Saturday at 8:30 to 12 noon.

Berrien County Land Judging contest was held last week on the Earl Beck and Son farm, north of Buchanan. Gene, his son, is secretary of the Gallen River Soil Conservation district. He and Paul Kemble, district board chairman, helped set up the contest on Tuesday. Some 108 boys from Niles, Buchanan, Gallen, Eau Claire, Benton Harbor and Lakeshore vocational agriculture classes were in the contest.

Leo Jones, work unit conservationist from Gallen Soil Conservation district, and Maurice Roberts, Berrien County 4-H club agent, were in charge of the program. This contest is geared to teach soil conservation and land use to future farmers. A good learning experience for the boys. The program is sponsored jointly by the Berrien County Extension Service and the Gallen and St. Joe River Conservation districts in the county.

Set Hearing

The Senate Conservation Committee, Senator Fred Hilbert of Allegan, chairman, is holding a public hearing on Oct. 28 in the Student Union center at Western Michigan university at Kalamazoo. Senator Hilbert and his committee are concerned with management of the deer herd in Southern Michigan. The hearing will be held at 1:15 p.m. in Room 215-216. Deer are becoming more plentiful in our county. Some farmers report seeing quite a few deer. Fruit growers are reporting damage to young orchards.

OUT OF THE PAST

10 YEARS AGO

Construction on six grain silos by Buchanan Co ops was nearing completion at a site west of the Michigan Central depot. The addition was to afford storage for 30,000 bushels of corn coming to market was showing effect of a drought which had been in process 11 weeks, in form of small ears, ears not filled out to cob tip, and ears rated as dwarf nubbins. A high moisture rating of 22 per cent was credited to lack of a killing frost.

25 YEARS AGO

Business houses of Buchanan were closed from 2 p.m. to 10 p.m. in honor of Fred Mead, who had operated a barber shop here for 31 years before his death. He was also well-known to sports enthusiasts, having managed the Buchanan Blues for 22 years, from 1908 to 1930, and led the campaign to buy the tract of land known as Athletic park. For a number of years he also promoted the civic band concerts and played a coronet in that organization. He was a

member of the town board of trustees and an active promoter of the centennial celebration in 1933.

Walter Squier reported finding a map of Southern Michigan and states to the immediate south, bearing a date of 1832. It showed a Berrien county with only one settlement, that at the "Caley Mission station." According to the 1830 census population listing on the map, Berrien county was credited with 323 residents and the entire state with 31,262. The only settlement listed in Cass was Edwardsburg. There apparently was no South Bend worth putting on a map, and to the south of St. Joe county, Ind., was a great stretch of country belonging to the Pottawatomies.

New CHEVELLE! by Chevrolet

New Chevelle Malibu Sport Coupe (foreground) with Malibu Super Sport Convertible

Only this could come between Chevrolet and Chevy II. The Chevelle is a highly polished car on a trim 115-inch wheelbase. With its weight down in the 3,000-pound range. All of which makes it a sweet-handling, easy-to-manuever automobile.

But it's roomy and relaxing inside, with the kind of ride you'd expect in a bigger car. And it's styled with a lively grace and refinements (note the curved side windows and pillars, for example) that make its modest price all the more remarkable.

A neat trick? We agree. But not so difficult really when you have the skills of seasoned Body by Fisher craftsmen to draw upon.

And the advantage of Full Coil suspension developed by the

same engineering talent that came up with the Jet-smooth Chevrolet's ride. And that irreplaceable Chevrolet spirit in a choice of four engines—V8 or 6—including optional-at-extra-cost versions all the way up to 220 hp. Small wonder this one turned out the way it did.

Did we say one? Actually there are 11 models—wagons, sedans, sport coupes, convertibles—in three series.

Even some cars that have been around for quite a long time don't give you a choice like that.

Sound like something you ought to check into further? Consider this your invitation for a real hood-raising, door-slammng, seat-bouncing, wheel-turning time of it at your Chevrolet dealer's.

See five entirely different lines of cars at your Chevrolet Showroom—CHEVROLET, CHEVELLE, CHEVY II, CORVAIR & CORVETTE
