The Tin Pan Alley Band from the Golden Age Club in Niles has become much in demand for their rendering of many popular old favorites. That's Mrs. Eula Stout of Buchanan at the piano. The group was on hand last week for the Halloween party at Heritage Home.

Armed Robbery At Rees Jewelry Monday

When Helen Becker stopped to meet her husband Walt, who works at Rees Jewelry, she observed two black men in a bag store placing objects in a bag. She went directly to the police station.

The two men had come into the store at 4 p. m. and asked to look at some rings. They looked at several and left. They wandered about town until 5:20 when they went back to Rees. They asked Jack Rees to show them the rings again. At this point one of them pulled a gun and announced that it was a holdup. Employees Walt Becker, Dorothy Good and Lorraine Schrimsher and a customer Dan Baker were herded into the back room along with Rees, were tied and put in a washroom. A personal ring of Rees, valued at \$2,000, and the

wedding ring and band of Mrs. Schrimsher were taken from their fingers. The contents of the safe and cash register were taken. One man went between Jim's Bar and Ross Standard into the city parking lot where he dropped a card containing three rings. The other went south on Days.

Several persons had seen the two men in the two hours during which they had been in Buchanan and had entered several stores. Witnesses were able to give descriptions of the men and the car with which they had been seen earlier. Witnesses were able to aid the police in obtaining composite pictures of the subjects, who had made no attempt at disguising themselves. Sets of fingerprints were obtained at the scene.

Pumpkin Winners

The participation in the pumpkin contest conducted by the Buchanan merchants was disappointing, according to chairman Ann Desenberg, but three winners were selected.

Bill Blumka, whose pumpkin was displayed at Desenberg's Men's Wear, was first among the 10 to 12 year olds. Jamie Blackwell's pumpkin at Castle's was winner among the 13 to 15 year olds, and Sandy Hemminger's winner among the 16 and over was displayed at Jo Dees. No senior citizen entry was received as had been originally expected.

Most of the stores displayed scarecrows, and the grand winner was at Batchelor's TV. This was a weird little combo calling themselves the Three Stuffed Shirts.

Three hours of fishing brought this fine catch to Tim Cornwell, and he was quick to point out it was right in Buchanan.

School Administrators Protest Governor's Cut

On Friday six area school superintendents including Buchanan's Richard Dougherty and Galien's Dr. Robert Tilmar called a press conference to which they invited area dailies. They went on record to protest Governor Milliken's executive order to cut \$47,450,000 from state aid to education in order to help balance the state budget.

It was estimated that the proposed cuts would amount to \$65,361 for Buchanan and \$27,834 for Galien. The superintendents said that the only way most of them could possibly cut their budgets would be by laying off teachers, since the costs such as utilities are already fixed in their budgets. One alternative would be for schools to ask local taxpayers for more operational millage.

Buchanan expected to receive 26 percent of its income from state aid and 69 percent from local taxes. They are in somewhat better shape than other school districts whose percentage of state aid is greater. Dougherty listed the expected cuts as \$22,000 from 8 tenths percent of state aid, \$1,600 reading support, \$24,000 academically talented, \$9,672 adult high school completion, \$3,700 transportation and \$4,389 for the community school program. He said that the Buchanan school district had already borrowed the maximum of \$700,000 in anticipation of state aid.

Tilmar itemized his cuts as

\$7,182 from 8 tenths percent of state aid, \$5,922 in adult education, \$1,150 compensatory education, \$2,420 in transportation, \$2,000 in reading support, and \$3,900 in community education. In addition, he said, the Galien schools lost \$5,262 in an August cut in state aid.

The Buchanan school district's position is that school districts should be expected to operate on a budget, but it must be the result of planning, not getting one agency to cover for another. They say that to ask education to make up approximately one third of the state's deficit after the year has started and most purchasing is done is flirting with disaster.

The Buchanan school administration's position is that a per capita cut was expected, but to direct cuts in individual categories is discriminatory against all but the largest districts. Dougherty said that the cuts are too late (too far into the operating year), too big a share of the state's deficit, and they are based on some wrong categories.

Their superintendents estimated the cuts as \$158,423 in Niles and \$98,800 in Bradywine.

The school administrators urged individuals to protest to the governor and to Dominic Jacobetti, chairman of the House appropriations committee and Jerome Hart, chairman of the State appropriations committee.

Breaks In Car

Patsy Breka, 110 1/2 E. Front Street, reported that someone had broken into her automobile which had been parked in the alley behind her apartment. They had removed a child's car seat and had siphoned from 10 to 12 gallons of gas from the tank.

Later police observed a suspicious vehicle parked in a no parking zone on Main Street. Upon investigation they found a car seat matching the description of the one taken from the Breka car. Further search revealed another baby seat in the trunk of the car. Arrested was Allen Halton, 17, of 305 Chicago Street. He was charged with breaking and entering of a motor vehicle.

Landfill Authority Tries To Avoid Deficit

City manager Robert Faulhaber was thinking out loud and had said that his statement was not for publication when he suggested that the Southeast Berrien County Landfill should be closed. But the newspapers picked up the statement and added his further words that perhaps Buchanan should get out of the business of trash pickup and allow a private firm to do it.

All of this stemmed from the recent court decision which allows Acme Disposal Company to continue picking up trash and garbage in Niles and Niles Township and using their own landfill rather than the one set up by the Landfill Authority.

Without the larger volume of use by these two municipalities, a deficit in operation might be expected by the Landfill Authority. Ivan Price, supervisor of Buchanan township and president of the board of the authority, said that he doesn't predict as large a deficit as some others do and says that, during the

short time it has been in operation, it is doing very well. He said that future C E T A funds are still expected.

Last week the landfill authority agreed with Buchanan that the formula for requiring the municipalities involved to make up any deficit would have to be changed to be more equitable. This would evolve to a formula based on population of each municipality rather than on volume of use. Since the city of Buchanan is the only municipality which picks up everybody's trash and takes it to the landfill, the formula based on volume would indeed be inequitable for the taxpayers of Buchanan. Faulhaber said that since the other municipalities rely on pickup from private firms, he didn't want Buchanan to be the "fall guy" by being the biggest single user if private firms in the area were not required to use the landfill but could take their trash to whatever landfill was closer or more convenient.

Buchanan, Buchanan township, Niles, Niles township and

Bertrand township had each contributed money for the acquisition of land for the landfill. With one more payment due, Buchanan will have paid \$15,000 for land acquisition. In addition each municipality gave \$7,860 for initial operating capital, and this amount will some day be reimbursed by a bond issue.

The city of Buchanan budgeted \$67,000 for trash pickup and fees at the landfill this year. If they were to discontinue picking up the trash in the city, it would be necessary for a private company to contract for this service with individuals in Buchanan. Whether or not this private firm could be forced to use the authority's landfill is what the Acme suit was all about.

Rees

Diamonds • Watches • Gifts • Jewelry

Several of the police force arrived at the scene of the Rees robbery soon after the suspects had successfully fled.

We'll Fight The Sale Of It

Several wondered why the editor of this paper would be so foolish as to allow his name to be printed in connection with a recent drug raid. It's because this paper feels that the selling of marijuana to our young people is still illegal and is a dreadful assault on the whole social structure of this or any other community.

A small bag of the stuff is worth \$25 and many people are apparently willing to pay this high price. We're not naive enough to think that none of our young people indulge regularly in the smoking of it.

Many people have tried to suggest that there are no known harmful effects from the smoking of marijuana, but conversations with educators and the police who are constantly exposed would indicate otherwise.

In Japan a tourist can go anywhere at any time of the day or night without fear. We have gone down narrow streets in Tokyo where we wouldn't even venture in Buchanan or Niles. The Japanese say that's because they have severe penalties for anybody caught with drugs.

It burns us up that somebody caught here with marijuana is so well protected by the courts. The police have to go through so much red tape and waste so much time even getting a search warrant. The rights of the pusher seem in this case to be so much stronger than the rights of a parent of a child who is buying the stuff.

If the use and sale of marijuana were ever legalized, we might change our minds if somebody could control the sale price and see to it that nobody is making tremendous profits from its sale, then some good might be accomplished.

But until that time the Record considers marijuana as a primary evil and will do everything it can to discourage the sale of it to young people in Buchanan.

So, if anybody's caught in a raid, we will attempt to feature his picture prominently in the paper.

BPW Bazaar Opens Friday

Knockknacks and Snacks will be this Friday and Saturday, November 6 and 7, in the old bank building at the corner of Main and Front Streets. Sponsored by Buchanan Business and Professional Women's Club, the event will offer a variety of sandwiches and soups as well as craft and gift items and baked goods of all sorts.

The doors will open both days at 8 a. m. and remain open until 8 p. m. Friday and until noon Saturday. Food will be served from 11 o'clock on on Friday. Co-chairmen of the bazaar are Mrs. Fred Samson and Mrs. Harold Rutter.

Officer Joe Yeakley on the right dusts for fingerprints so that Jim Ellis can photograph them following the armed robbery at Rees Jewelry.

A week ago in the Halloween Parade the marching band added a lot to the festivities with their colorful costumes as they led the youngsters through town.

Firemen To March Saturday For M.D.

Bertrand Township Firemen, under the leadership of Fireman Robert L. Kell, will conduct the annual Muscular Dystrophy March Saturday, November 8. A news release received from the St. Joseph office of Muscular Dystrophy Associations incorrectly gave November 1 as the date which was used in last week's Record.

It will definitely be November 8 when firemen will be canvassing the area to collect funds to go for financing a comprehensive research program aimed at finding a cure, for patient care programs and for a variety of orthopedic services and equipment for local dystrophy patients.

Out of the Past

10 Years Ago
November 7, 1965
Richard Walkden, Jack Sull, Ray Batten and John Russell wins honors in Berrien County Judging contest, it is announced by the BHS ag department

A story on the leasing of Bear Cave tells a little history of that section once called Scotchtown. According to C F Pears, that area was the location of a sawmill with a settlement around it. There was also a wooden bridge over the river there, used by Glendora, Baroda, etc to Niles traffic, and carried away in 1875 by a log jam.

Bucks pick up 7th win of the season against Brandywine

Bicentennial Art Event

Three Floors of Art, an arts and crafts exhibit, sponsored by the Berrien County Art Guild is to be this Sunday, November 9 from 10 a m to 7 p m in the Veterans Memorial Hall, 415 Lake Boulevard overlooking Lake Michigan in St Joseph.

Forty artists and craftsmen will participate in the exhibits and demonstrations. All works will be for sale.

Media represented in the show will be watercolors, oils, acrylics, pastel, charcoal, ink resist, pottery, silk screen, macrame, silver jewelry, china painting, wood inlay, clay sculpture, copper tooling, batik, horseshoe nail jewelry, scratchboard etching, sandcasting, fired glass creations and wire wrap jewelry.

A feature will be a silk screen demonstration in red, white and blue of the official Berrien County Bicentennial logo design. Poster size prints made during the demonstration will be given free to the viewers throughout the day.

Letters To The Editor

Dear Sir
When I am home from college on weekends, I read your newspaper to catch up on all the local news.

I enjoy the Record both for its news content and for its editorials. However, I am a bit by one facet of the paper, that being the weekly church advertisements.

I'll not debate the value of the claims, leaving that to a more scientific forum. What I find most dissonant is the fact that doctors, lawyers, dentists, osteopaths, psychologists and other professionals are not permitted to insert anything more than a listing under professional services. To do otherwise is considered to be unethical.

Yours very truly,
M C Schrock
E Lansing, Michigan

Dear Mr Editor
I have never found it necessary to write a letter to the editor of our newspaper, but when I read a letter in October 30, 1975 paper cutting down our great J V football team and its coaches, I felt a reply was indeed necessary.

My son is a sophomore and a member of this team. To put the record straight, he became a member three weeks into the season and due to a health problem, had never played football before. He was not considered first string yet after becoming eligible, he played in every game as did all players who did not break rules and who thought it important enough to attend practices regularly.

On the Dad's Night that the letter writer wrote so much about, my son played the beginning of the second quarter. Granted, this might was a special night, but there was still a game to be played. Isn't every game special to an athlete?

There are four boys in my family and they are involved in every type of athletic event that comes along and they have been on many teams under the direction of all kinds of coaching. The thing that stands out with this J V. team and coaching is that the players help each other, play together as a team, each player is treated equally, and each boy receives individual attention and instruction. They all perform with a maximum total team effort. Almost no J V. player resents sitting the bench. He knows why he's there, usually for missing practices that week or for an injury that the coaches will not let him play, for fear of a more serious injury. The coaches care about the boys. I have been to every J V game and have seen every eligible player on the team play in every game.

Mr Thompson says, if this kind of coaching, and uses the term loosely, is allowed to continue, the number of boys out for football will dwindle. Sure, the size of a team may dwindle, but there are always those who will quit no matter how hard you try or what you do.

My opinion is that under such concerned men coaching our sons, we need not worry when they take the field, they are getting the right kind of training under the right type of leadership.

If all this effort can be done to only glorify coaching careers, so be it, they deserve such careers.

Next time you have things that "disturb" you, Mr Thompson, why not call the coaches and ask a few questions? I know you will receive answers to them all. I have yet to find a coach, teacher, principal or superintendent in our school systems who is unwilling to answer or explain the rules of the school, classroom or a sport.

My congratulation to Coach Wishart, Coach Huklinski and each member of the J F football team on a great season. The first winning football team in Buchanan for many years.

Mrs Joy Musgrave

To Whom It Concerns:
Concerning Dr. Vanderbush's article which recently appeared in the Record, I had hoped that a reply from me would NOT be necessary. You will recall that THAT article was an implicit indictment of high school teachers and students. His premise that high school students to degree were coming out of high school so ill-prepared for college that quite a few colleges lower their entrance requirements (Everyone understands, I feel quite certain, that tax supported colleges wish to maintain their teaching staffs, and the more students that are enrolled - all the better for your tax supported college teachers!) But for Vanderbush to indict student and teacher alike is reprehensible.

I should like to make a few comments that I feel are pertinent.

First, there are many more high school students getting a better education than at any time in the past. Their values and their concern for our trembling society are truly magnificent. Can a single one of you parents claim that your son or daughter is less well educated than you were? You KNOW they are better educated.

For a supposedly well-educated high school administrator to use the Scholastic Aptitude Test lower median scores to demean students and teachers is, quite unbelievable.

SAT scores someday will be an anachronism - if, in fact, that is not already true. No matter what SAT scores indicate high school students in most parts of the country ARE better educated. And they can really "read and write" - except perhaps in New York and Chicago!

Secondly, NOT ONE SINGLE BUCHANAN HIGH SCHOOL TEACHER sought to publicly defend HIS OR HER TEACHING TECHNIQUES AND THE ABILITIES OF THEIR STUDENTS.

Again they acceded to an administrator's judgment that students were not learning properly because of their teachers' lack of ability to motivate them.

Apparently it is true that "when noses are counted among teachers in Buchanan, you will find more brown ones than any other color." Will they accept any kind of crap just to keep their jobs?

Perhaps these same teachers believed a statement attributed to Mr Dougherty, Superintendent of Schools, that students should come to school SELF MOTIVATED!

If that was true all teachers would have to do would be to stand around and maintain order -- and let the students "make it" on their own "Self-motivators" every single one of them!

In conclusion here are some thoughts I should most respectfully wish to leave with you:

1. How much more educational garbage from your top school officials do you think you can take before you make the necessary changes?
2. Do YOU believe the statements made by local and national school (pseudo) administrators that your children are "really not all that good?" I am CERTAIN THAT YOU DO NOT. Your children are really the greatest ever -- (but, of course, they DO need motivating sometimes!)
3. How important are these top administration officials who make half-cocked statements regarding the education of your children. And who allegedly draw salaries from \$20,000 to \$35,000 per year? (Did I hear someone say "more than that"?)
4. Do you think that YOU personally can make the necessary changes? Or -- is it just not that important anymore? Well, it is awfully easy to just "give up and give in." But please let me add this:

You WILL feel a whole better -- and you will have a great degree of pride -- if you DO make the effort.

John S. Moulder
Ex-Buchanan High School English Teacher
(And perhaps the newest addition to the staff. Who Knows?!)

Strictly Personal

By D.E.N.

The paper this week will have been issued with more than the usual amount of problems. Election night on Tuesdays always slows us up, and the editor (the one we can't fire) was to appear in court as a witness on Tuesday afternoon.

Hateful unsigned letters have been coming. Wish the person who's writing them would have the guts to confront the recipient in person.

Various signs indicate that the economy in the nation is picking up, but money's hard to get in Buchanan. Many businessmen are saying that their accounts receivable are very slow in being paid.

Kathy Pletcher has a very interesting bi-centennial flag afghan which she designed and made on her knitting machine.

Wasn't the band's half-time show, planned by the seniors, an excellent one?

One caller was upset that the teachers were getting unemployment insurance for Christmas and summer vacations. That's not so for anybody on a yearly contract, although there's still a gray area concerning those on hourly wages.

Dan's WORD SCRAMBLE

Veterans May Get New Forms On Request

Veterans -- including those planning to enroll or currently enrolled in college -- who wish to have their Separation Program Number (SPN), the reason and authority for discharge, and re-enlistment code deleted from their copy of Form DD 214, or from previously issued separation documents, may request issue of a new Form DD 214 without coded entries by applying to the proper authority

According to Richard T. Lane, Lake Michigan College V A representative, letters of request should contain veteran's full name, military service serial number, social security number, and dates of service. The letters should be accompanied by a copy of the veteran's Form DD 214 or equivalent. "SPN's have a history of presenting a negative image of a discharged veteran. This method of requesting a new

Form DD 214 may assist veterans in updating their forms and thus erase any discriminatory information," Lane said. Veterans should mail their letters of request to the appropriate addresses as follows: Army Commander, Reserve Components Personnel and Administration Center, Box 12479, Olive Branch, St. Louis, Mo 63132; Air Force AFMPC-DPMDR, Randolph AFB, Texas, 78148

Navy Chief, Bureau of Naval Personnel (Pers 38), Department of the Navy, Washington, D C 20370; Marine Corps Commandant, U S Marine Corps (MSRB-10), Washington, D C 20380

Lake Itasca, Minnesota, is so named from two Latin words meaning "true heads" (VERITAS CAPUT) in honor of its being the source of the Mississippi

Many businesses around town entered into the Halloween spirit this year but the staff of Wilt's really went all out with their efforts. They stole a minute to pose for the Record in front of another artistic creation of Hank Wolford, that old codger in the foreground

Missions Convention Set For This Weekend

Rev. James H. Treadway

November 7, 8 and 9 mark the days of the Third Annual Missions Convention of the Buchanan Church of God "A Faith Promise Missions Convention is a meeting with a two-fold purpose," states Rev. William A. Crane, the pastor "First to give an awareness of missionaries and their needs and second to make a 'faith promise' to help support missionaries in their work"

Services will be at 7:30 each night and at 10 and 11 a.m. Sunday. The church is located at 1128 North Main Road, Buchanan.

Guest for the occasion is James H. Treadway, well-known speaker for church services, missions conventions and writers' groups.

Rev. Treadway, editor of Church of God Missions and director of Missions Education for the Church of God, is responsible for articles, pamphlets, and booklets issued by the Missions Education Committee. This committee represents the Women of the Church of God, the Missionary Board, and the Board of Church Extension and Home Missions—all Church of God agencies. Editorial offices are in Anderson, Indiana.

A native of Kentucky, Rev. Treadway grew up in Ohio and following graduation from Anderson College, Indiana in 1959, was pastor of Church of God congregations in South Haven, Traverse City, and Benton Harbor. He was ordained in 1961. In 1968 he became book editor for Warner Press, Inc., publishing house for the Church of God. He also edited Pathways to God, a quarterly devotional magazine for which Pastor Crane is also a contributor.

In addition to Mr. Treadway's theological training, he has had graduate work in English and journalism at Andrews and Ball State Universities.

A contributing editor to Vital Christianity, his articles and stories have appeared in many publications and he also serves on the Journalism Advisory Council of Ball State. He has traveled widely in the United States, Canada, Japan, Korea, Mexico and Europe.

Receives Certificate

Mrs. Duane (Carol) Stineback of Boyer Road, Buchanan, was awarded a certificate of achievement and gold pin for her success in recent certification examinations at the annual meeting of the American Association of Medical Assistants at Louisville, Kentucky recently. Mrs. Stineback, who is employed by Dr. Humphrey Uddoh of Niles, completed her LMC training program in June, 1975.

United Way At 85 Percent

The Buchanan United Way reached \$45,521 this week. This is 85 percent of the goal of \$54,000, but percentage-wise is much better than most area cities.

There are still a few more businesses to hear from, and some more contributions are expected from Clark employees. Chairman Bob Powers is still confident that a greater percentage of the goal will be reached with a last minute effort by those who have not yet participated.

In WMU Marching Band

The seventh annual Band Spectacular, sponsored by the Department of Music at Western Michigan University will be held in Miller Auditorium at 8 p.m. on Friday, November 14. This event will feature the WMU Bronco Marching Band, an aggregation of 130 performers sporting all-new uniforms and bell-front brass instruments.

The Marching Band will perform music from its special Bicentennial Show. Sharing the program will be the University Symphonic Band performing traditional concert band music and the Jazz Lab Band doing charts from the Stan Kenton library.

Laura Gault, the daughter of Mr. and Mrs. Richard Gault and a sophomore at WMU, is a member of the Marching Band.

D.U.I.L.

Police arrested Debra Bowker, 20, of West U.S. 12 for driving under the influence of liquor after her car crossed the center line on West Front Street early Saturday morning. She was given a breathalyzer test and lodged Bryon Benton, same address, was arrested and lodged for public intoxication.

Deborah Circle

Deborah Circle of the First Presbyterian Church will meet Tuesday, November 11 at 8 p.m. with Mrs. Donald Trull as the hostess. The program on Our Missions will be given by Mrs. Daniel Shelles and Mrs. Doug Bobo.

Bachman Wins

Mayor Joseph Bachman won re-election as commissioner in Buchanan. The vote was Bachman 250 to Cletha Wade's 114 to Tom Hagley's 70. Only 450 ballots were cast, and there were 16 spoiled ballots. Mrs. Wade took her own precinct by 2 votes.

Galien Votes Yes

In Galien, the school millage vote passed by a wide margin. There were 250 yes votes, 77 no votes and 4 spoiled ballots.

Airman Thomas L. Schroeder, son of Mr. and Mrs. Clarence L. Schroeder of 1950 Chamberlain Road, Buchanan, has completed Air Force basic training at Lackland AFB, Texas.

During his six weeks training, he studied the Air Force mission, organization and customs and received special instruction in human relations.

The airman is remaining at Lackland for specialized training in the security police field.

Airman Schroeder is a 1975 graduate of Buchanan High School.

LMC Offers Off Campus Centers

Twenty-nine credit courses offered by Lake Michigan College this fall at 10 off-campus extension centers have enrolled 572 students, a sizeable increase over last year, according to Jim Fent, LMC director of Continuing Education and Extension Services.

LMC now offers college credit courses to area residents in 10 outlying communities. "It is our goal to provide students with an opportunity to complete up to two years of college work at our extension centers," Fent said, "and we are moving toward that goal as rapidly as local interest and needs allow us to."

Seven of the LMC extension centers have directors who live and work in the communities in which the centers are located and whose responsibilities include registration of students, book acquisition and sales, determination of community wishes and needs, selection of courses, and academic staffing.

Among these directors of the individual extension centers are Wayne Ritter, Buchanan, Tania Humerjager, Galien, Larry Fisher, River Valley and Chuck Luke, Niles.

"Without their assistance it would be impossible to maintain a continued quality college-level program in these outlying communities," Fent said.

Residents of Heritage Home had a Halloween party last week planned by recreation director Mrs. Robert Knst, who helped many of them dress up for the occasion. These residents are watching the entertainment provided by a lively group of musicians.

Time Is Near For Our Town

Next Friday, November 14, the Buchanan High School drama department will open its 1975 season with the Pulitzer prize winning play *Our Town*.

This simple, yet compassionate play deals with the lives of the people in a small New Hampshire town at the turn of the century. There are no heroes in this drama, for the story tells great and significant moments in the lives of everyday citizens.

Thornton Wilder is one of the few playwrights to have a real sense of the universe. To him each of us is an important human being and each one has a contribution to make.

In the play the audience will see the living and the dying of two neighboring families and will share their joys and suffer their sorrows.

The cast is strong and experienced and they have been working hard to bring out the simple beauty of the play. Laurie Nelson will play the young Emily Webb, with Joe Hagey playing her childhood sweetheart, George Gibbs. David Habicht will carry the demanding role of the stage manager with Maggie Moon, Marti Rifenberg, Walt Vanderbush, Kevin Clem, Sue Spaulding, David Gault, Eric Samson, Erik Mollberg, Sue Trull, Tom Trull, Scott Entenman, Brenda Blumka, Tim Loraff, David Runkevich and Joanne Wilcox rounding out the cast.

The play will be performed on only two nights, Friday and Saturday, November 14 and 15 with curtain time at 8 both evenings. Tickets will be on sale at \$1.50 for adults and \$1.00 for students.

Takes Counseling Position

Patti Morris, the daughter of Mr. and Mrs. Harry Ritter of East River Road, has recently assumed a position at Northwestern University, Chicago, as a member of the Counseling Center while completing her requirements for a master's degree in counselor education there.

A member of the peer counseling team, she helped with this trimester's Freshman Orientation and will be helping students adjust to college life and plan their academic and vocational futures.

Mrs. Morris, a 1953 graduate of Buchanan High School, just recently completed her studies for her bachelor of arts degree at Harper College. She lives in Elk Grove Village, Illinois, and is the mother of two—Jeffery, a freshman at Western Illinois University and Marilee, who is 14.

During rehearsals for *Our Town*, Marti Rifenberg (left) as Mrs. Webb snips beans with the help of Maggie Moon, who plays the part of Mrs. Gibbs. The young thespians are preparing for the opening performance of the BHS Drama Club production on November 14. (Photo by Mike Bashara)

Charge Changed

Larry Wier, who was arrested October 27 and charged with possession of marijuana and delivery, appeared in court Tuesday and waived preliminary hearing. The charge was reduced to attempted delivery. He will appear in court on that charge.

Traveling by car is the most dangerous way to get anywhere—there is one fatality for each 45 million passenger-miles traveled. Scheduled airlines come next, with 1 fatality for each 100 million miles, and railroads last, with 1 fatality for each 600 million (passenger) miles.

WHEN IT COMES TO

auto Loans

WE TAKE A BACK SEAT TO NO ONE

Your credit union has made a lot of auto loans through the years. In fact, we continue to loan out more money for buying cars than for any other purpose.

It tells us our members like the way we handle things for them, without a lot of waiting or hassle. And it tells us they like our special money-saving rates on both new and used cars.

So check us out as thoroughly as you will that next car you're going to buy. Your credit union takes a back seat to no one when it comes to making convenient, low-cost auto loans.

New Warnings on Hazards Without Child-Safe Caps
Child resistant packaging is paying off. According to the U.S. Consumer Product Safety Commission, fewer children have been poisoned by aspirin since 1972 when the new safety packaging regulations went into effect. But the child-safe packages

are difficult for many older or physically disabled persons to open. So, a compromise has been made. Some standard packaging is now back on the market, says Irene Hathaway, Michigan State University Extension Specialist. New regulations are in force for the packaging and labeling of potentially hazardous household substances.

Manufacturers now may use their standard packaging for one size of a particular product. But that product size must carry the warning label "This package for households without young children."

The substance must also be made in another size in child-resistant packaging. The one exception to this is that liquid drain cleaners with 10 percent or more sodium and/or potassium hydroxide must be issued in child-safe containers.

Warning statements must be marked clearly and conspicuously - in capital letters within a border - both on the container itself and on any outer package or wrappers. Items too small to carry the entire statement must read "Product not child resistant." Labels must include first-aid information too. The warning label law does not apply to prescription drugs.

Government attempts to require safe packaging are helpful, but the final responsibility rests with the consumers themselves. Even with child-resistant packaging, the items are not necessarily child-proof. Some children can figure out a way to get into almost anything.

Many potentially harmful prod-

ucts are packaged in bright, colorful containers. The products may have been scented to increase their appeal. This makes them especially attractive to curious young children.

So check through your shelves. Some of the hazardous items are infrequently used. You may even have some which were purchased before safety packaging requirements went into effect. Once you find the items, make sure they are kept out of the reach of children.

Invite Young People To Help Plan For '76

The second meeting to plan for the Bicentennial Musical drama presentation is scheduled for this Monday night, November 10, at 7 in the high school vocal room.

This meeting is open to all high school and college - age youth who wish to participate. The program, under the direction of Michael Bashara and Janice Merrill, will be presented during the summer months of '76. Plan now to be a part of Buchanan's Bicentennial in '76.

The congregation of the First United Methodist Church was treated to the "big choir sound" last Sunday morning as a special choir festival took place. Many former members of the Chancel Choir who returned to their places for the event are shown here practicing under the direction of Mrs. Corbin Detgen just before the start of Sunday morning worship.

Missionaries To Speak Here

Mr and Mrs. Charles Morrow, missionaries in charge of community development projects of

the Church of the Nazarene in Haiti, are on furlough in the United States, engaged in deputation work among churches of the denomination. They will speak and show a slide presentation at the Buchanan Nazarene Church on November 14, 15 and 16.

This is the Morrow's first visit home since assigned by the Department of World Missions of the Church of the Nazarene in 1972 to develop self-help projects with the Haitian people and coordinate construction projects. The Morrow's studied Creole and French in Montreal, and at Port-au-Prince to prepare themselves.

Morrow was born in Iowa and graduated from Iowa State University in 1965, with B.S. and M.S. degrees in Vocational Agricultural Education. Before serving as a missionary, he was research assistant at Iowa State University and Vocational Agriculture instructor at Knoxville, Iowa, receiving the Iowa Career Educator Award from the Iowa Vocational Agricultural Association while there.

His wife, Joyce, graduated from Bethel College in Mishawaka, with honors and did graduate work at Iowa State University. The couple has three daughters.

Hills Corners Study Group

The Hills Corners Study Club met last week in the home of Iola Zindler.

The meeting opened with the Extension Women's Creed led by the chairman Louise Duns. Martha Wolkins gave the devotions.

Roll call was answered by naming a favorite elderly person and telling why. Members were reminded of the October 29 Extension Holiday Tea.

The Child and Family Service Act of 1975 was brought to the attention of members, and on the motion of Mrs. Fred Sommers members voted to write their congressmen to object to its passage.

The lesson, entitled Age is a State of Mind, given by Mrs. Jack Harroff, was an explanation of service rendered in Berrien County under the Older American Act of 1965.

The recreation arranged by Mrs. Zindler was the identification of leaves from local trees. For the next meeting, November 18, Mrs. Fred Sommers will be the hostess and the lesson will be on Drugs, Alcohol and People.

To Begin Child Care Classes

Mrs. Rosemary Shoemaker of the BHS faculty announces the starting of Child Care Classes from 9 to 12 noon in room 106. The series will begin November 24 and continue on November 25, 26, December 1 through 5, December 8 through 12 and 15 through 19.

The classes will be open to a limited number of toilet trained youngsters 2 to 5 years old. There is no charge for participation but it is desired that the children involved be there every day.

To make arrangements for a child to take part, parents are asked to contact Mrs. Shoemaker at 695-2771 through Mr. Dougherty's office.

Women Of The Moose

The Women of the Moose will meet November 13 at 8 p.m. sharp. Chairman of the November meetings is Mrs. Onofrio Morelli of the library committee.

A traditional part of Pack 524's October meeting each year is the awarding of prizes to three brothers and sisters of the cubs for their Halloween outfits. Kim McBain (left) was named ugliest, Karen Cole, the funniest and Tommy Kelley, most original.

Cubs Earn Some Awards

Cub Scout Pack 524 met October 28 at Faith United Methodist Church with the cubs and their brothers and sisters coming in Halloween costumes.

Judging the costumes were Richard Proud and Louis Desenberg. The ugliest prize went to Robbie Larson, funniest to Max Christopher and most original to Jeff Sexton. The winners among the sisters and brothers were funniest, Karen Cole, ugliest to Kim McBain and most original to Tommy Kelley.

After the flag ceremony by den 4, Cubmaster Charles Kelley handed out service pins to cub scouts. One year pins went to Mike Unger, David Garcia, Paul Bellaire, Jeff Sexton, Jon Frost, Allen Palmer and Mark Sumerix and two year pins to Brian Jorgensen, Jim Millring, Mark Smedley, Cory McBain, Robbie Larson, Harry Hayden, Jamie Converse, John Arend, Kenny Noland and Carl Woodrich.

Other awards were then given with bobcat badges going to Brian Noland, Mark Sankey, Andy Lowery, Scott Mefford, Keith Dickson, Don Gerken, Scott Boyle, Leonard Sears, Richard Ruth, James Kline and Steve Schmalz. Wade Cole and Fred Kline both received wolf

badges and Terry Kelley, his bear badge.

Terry Kelley, Wade Cole and Fred Kline each received one gold arrow. Three silver arrows went to Fred Kline and Wade Cole and Terry Kelley each received one.

Webelos leader George Cole and assistant webelos leader Duane Arend pinned colors on Steve Schmalz, Bobby Chadderdon, Brian Jorgenson, Jim Millring and Mark Smedley, all new Webelos.

Awards given to other Webelos were Engineering and Athlete to Harry Hayden, Citizen to Kenny Noland and Naturalist to Steve Schmalz, Bobby Chadderdon, Harry Hayden, Brian Jorgenson, Jim Millring, Mark Smedley, Jamie Converse, Robbie Larson and Cory McBain.

In a candlelight service Kenny Noland received the Arrow of Light, as well as a plaque for work accomplished in Webelos.

The evening ended with all the scouts, sisters and brothers having fun bobbing for apples. Mrs. Janet Cole was in charge of this activity.

Unity Hospital Starts Respiratory Therapy Program

In the past two decades there has been an alarming rise in lung disease in the United States. The period 1960-69 witnessed an increase of more than 60 percent in deaths due to lung cancer, accounting for more than 80,000 deaths in 1974. Deaths due to emphysema and chronic bronchitis number over 30,000 per year, these debilitating respiratory problems afflict 7,500,000 Americans -- second only to coronary heart disease as a major public health problem in the United States. Perhaps what is more startling is that respiratory disease was the diagnosis in 3,900,000 hospital discharges in 1972. These alarming figures were among the major reasons Unity Hospital has established a respiratory therapy department.

Respiratory therapy is an allied health specialty which assists the physician in diagnosing and treating all types of respiratory disease. The new department at Unity Hospital is supervised by Patricia Graham, a certified respiratory therapy technician, who will be working with Mrs. Heidi Eger.

The respiratory therapy department performs a number of sophisticated diagnostic procedures to help identify respiratory problems which can then be treated with a wide range of therapeutic techniques. In addition to helping identify and then

To Conduct Oboe Clinic

A second free music clinic -- for area junior and senior high school oboe players -- will be held at Lake Michigan College the afternoon of November 8.

Clinic director will be Gayle Petrick, advanced oboe performance student at Western Michigan University, who will conduct analysis and help sessions for oboe players, who are to take their own instruments, from 2:30 to 5:30 p.m. in Room D-116 on the LMC Napier Avenue campus.

All who take part in the clinic will be given free tickets to the 8 p.m. LMC Symphonic Wind Ensemble Concert at St. Joseph High School auditorium that evening.

BHS Parents To Meet

The High School Parents Communication Group will meet Tuesday, November 11 at 7:30 in the high school library. The meeting is open to any interested persons.

Indian Hills

By Mrs. Adolph Rychly 695-6039

The Indian Hills School Community Club will meet at 6:30 p.m. for its annual Thanksgiving Dinner, Monday, November 11. Families are to bring dishes to pass and their own table service. Coffee will be provided and turkeys with dressing will be baked by Mrs. Audrey Hayden, Mrs. Dorothy Gunn and Mrs. Bernadette King. Mrs. Darlene Davis is in charge of arrangements. Program plans will be announced.

During a short business meeting, plans will be completed for the Bake Sale to be held November 21 in Buchanan, with Mrs. Max Yazell as chairman.

The Christian Youth Ministry will have its November Rally this Saturday the 8th at 7 p.m. in the Bridgman High School Auditorium. On the program will be the New Tribes Institute Ensemble and Dr. Herb Atkinson from Zaire, Africa. Mrs. Larry Evans reports transportation to the Rally will leave Oronoko Methodist Church at 6:30 p.m.

Final plans for a public Spaghetti Dinner were made when the UMYF met Sunday night at the Oronoko Church. Dinner tickets may be obtained by calling the Matrons at 695-5077. Donation will be \$2 for adults, \$1 ages 6 thru 12 with 5 and under free. The dinner will be served from 5 to 7 p.m. on Saturday, November 15 at the church.

The youth also participated in Roller Skating with the Faith United Methodist Church Monday of this week.

The Jr. High Fall Rally of the Kalamazoo District of the United Methodist Church will be held at the Methodist Church in Bangor, from 9 a.m. to 3 p.m. A \$2 registration charge will be made for each 7th, 8th and 9th grader who attends. See Dianne Matern for reservations.

The November Family Dinner will be this Sunday immediately following the morning worship service at the Oronoko Methodist Church.

The North Buchanan Modern Mothers will meet Tuesday, November 11 in the social hall of the Oronoko Church with Mrs. Ollie Breland as hostess. The group will make plaques.

A Feast of Thanks for the adults of the Oronoko Methodist Church will be held at 6:30 p.m. on November 22. Mr. and Mrs. John Rydwelski and Mrs. Lloyd Phiscator are in charge of the dinner and Mr. and Mrs. Robert Gunn will provide the games. Signup sheet is in the Narthex of the church.

Community Sing

A community sing is planned for this Sunday, November 9 at Huntly Memorial Baptist Church on Huntly Road, Niles, from 8:30 to 9:30 p.m. The public is invited to attend.

Portage Prairie

By Mrs. William Shaw 695-6592

On Sunday evening at 6:30 a potluck dessert luncheon will precede a Singpiration at Portage Prairie Church. Everyone is asked to bring sandwiches or a jello dessert with own table service. At 7:15 the Singpiration will be held in the sanctuary with Al Abbott of White Pigeon in charge. Mrs. V.E. Ward and Mrs. Kenneth Ward also of White Pigeon will assist. Everyone is invited to come and bring a guest.

The All Star Class met on Tuesday, October 26 in the home of Mrs. Maude Korn and had an election of officers. Russell File was elected as president, Mrs. Fred Reum is vice-president, Mrs. Mildred Elliot is secretary and Mrs. Lena Schantz is treasurer. Mrs. Maude Korn was appointed for Bible Study.

Weekend guests of Mrs. Frank Feifar were her mother, Mrs. Steven Renyak and her sister and family, Mr. and Mrs. Peter Sienkiewicz of Chicago.

The deadline for bringing things for Red Bird Mission will be November 10. Mr. and Mrs. Kenneth Mummy, Coalbush United Methodist Church, will be leaving on Friday, November 28. If anyone would like to accompany them contact Mrs. Albert Lichtenbarger. The only cost will be for meals.

Mr. and Mrs. John Kane entertained on Sunday evening honoring their daughter Tammy for her third birthday, November 3. Guests were Mr. and Mrs. Paul Kane, Mr. and Mrs. Lynn Eddy and family, Miss Julie Feifar of Buchanan, also Mrs. Frank Feifar of the local area.

Robert Shaw returned to East Lansing after spending the weekend with his mother, Mrs. William Shaw.

The Happy 3-4-H Club met Tuesday, October 28 at the Shady Grill, Niles-Buchanan Road for a Halloween Party. Twenty members and guests attended the party which included games and dancing. Mrs. Joanne Sherbrum and Mary Ellen and Mrs. James Leirley and Debbie had charge of refreshments.

UNICEF Collection

The Senior High Fellowship of the First Presbyterian Church with the assistance of the Junior High Youth Group from the First United Methodist Church collected a total of \$625 Sunday evening during the annual UNICEF drive.

The young people expressed appreciation to the community for the fine response. Since some homes may have been missed, anyone wishing to make a contribution may do so by sending it to the First Presbyterian Church, 115 West Front Street, Buchanan.

At the meeting of Cub Scout Pack 524 last week three cubs were chosen for their outstanding Halloween costumes. From the left are Jeff Sexton, who was named most original, Robert Larson, termed the ugliest and Max Christopher, the funniest. Or at least they said that was who was inside!

Band Dinner Is Well Attended

The Band and Orchestra Association had a potluck supper Monday night at the high school with about 200 attending. Mrs. John Hagley was in charge of the arrangements.

The program, arranged by Michael Morse and Mrs. Corbin Detgen, high school and middle school band directors, with assistance from Jan Braaksmas, Gayle Petrick and Mike Bashara, was a humorous skit about the marching band whose members were guests at the meeting.

Tony Wold received a prize for having the most original costume in the Halloween parade and all senior marching band members were honored.

During the business meeting, presided over by Mrs. Ralph Gilbert, Mrs. W.F. Firehammer reported that almost 100 percent of the calendars had been sold and the candy sale was now in progress. The group voted to purchase a cello, cymbals and snare drum cases. A need for 18 more middle school blazers was reported.

A request was made by Mr. Morse for volunteers to mend spats and uniforms. Anyone willing may contact Mr. Morse or Mrs. Gilbert.

Return From Field Trip

Dana Wregglesworth of Buchanan is one of 30 Grand Valley State Colleges students who have just taken part in a four day College of Arts and Sciences Mineralogy Department Fall Field Trip in the Midwest.

Led by Drs. William Neal and Richard LeFebvre, the group conducted studies of the geode formations of Brown County, Indiana, the coral reef at Wabash, Indiana, and glacial geology, crystals, quartz and fossils of the area.

Beseler Factory Demo

November 14 & 15

No. 1 in Its Class Modern Photo
beseler's 23C

The 23C enlarger (8mm to 2 1/4 x 3 1/2") is Beseler's most popular model. It's been performing up to the standards of thousands of pros and advanced hobbyists for years.

Here's why the 23C is the preferred choice of so many knowledgeable photo printers:

- Double-Post Cantilever Construction For absolute rigidity and sharp-as-negative prints
- Tilting Lens Stage For image distortion control
- Horizontal Projection -- Lamphouse tilts 90° for wall projection and mural sized enlargements
- Negastans' Negative Carrier A revolutionary way to transport your negatives smoothly without your fingers ever touching the format area. Negative selection controlled by turning a knob on the outside (optional)
- Extender Base Permits enlargements up to 16" x 20" (optional)
- Also now available with The new Dichro 23 dpa Colorhead A continuous (from 0 to 160) dichroic diffusion-type colorhead which eliminates filter-fading and the need for supplementary filters. Offers the user the finest in diffusion color printing, but enlarger is easily converted back to condenser black and white printing at any time. You get the best of two worlds!

All this and more! Get the full story on the proven performer Beseler 23C, at:

Bobcats Maul Bucks

Buchanan scored the first touchdown of the game on Friday night, and also the last; Brandywine however, scored six touchdowns in between the two, as they rolled to a 45-15 victory.

The Bucks won the toss and chose to receive the opening kickoff. Unable to move the ball, they were forced to punt to the Bobcats. However, on the first play from scrimmage, a fumble by the Brandywine quarterback was recovered by Robert Luke on the Brandywine 20 yard line. It took only two plays for the Bucks to score, with the big play a 16 yard touchdown pass to Luke from quarterback Bryan

Virgil. Virgil added the extra point to give the Bucks a short-lived 7-0 lead.

Brandywine scored on its next two possessions to take a 16-7 lead. At this point the Bucks tried to close the gap with a 42 yard pass from Virgil to Moe Kyles gave the Bucks the ball on the Brandywine three yard line. But a first down fumble erased the Buck's hopes.

The other Buck score came with just three minutes remaining in the game, on a 14 yard pass from Virgil to Greg Frazier. A two point extra point, this time on a Virgil to Kyles pass, ended the scoring for both

sides.

The story on the Brandywine side was a devastating rushing attack, which gained over 500 yards. The workhorse of the attack was Daryl Walls, who ran for an area record of 332 yards. The second leading rusher for the Bobcats was a former Buchanan athlete, Jim Reed.

The Bucks, who usually rely on a ground attack, found their greatest success through the air. Virgil completed 15 of 35 passes, five each to Kyles and Frazier.

This was the final home game of the season for the Bucks, and it was the last home game ever for these senior Buchanan foot-

ballers Bryan Virgil, Willie Brown, Bart Vergon, Eric Grabber, Steve Rifenberg, Richard Sanford, Ben Cramer, Bob Fischer and Robert Luke.

The Bucks finished the conference season tied for sixth place with Edwardsburg and River Valley, while the Bobcats are tied for the conference lead with Dowagiac. Buchanan will travel to Allegan this Friday for the season's final game. A win will end an otherwise disappointing season on a high note for the seniors. And for the underclassmen, it will keep morale high, as they look ahead to next season. This will be the Bucks' only chance at Allegan, as they will be replaced on the schedule by Paw Paw next year.

Cross Country Team Finishes 3rd

The Buchanan cross country team finished second in the Conference meet last week. This allowed the team to finish third in overall conference standings. Edwardsburg was first, and River Valley was second. Now the Eddies and Mustangs will go to the state championships.

Dave Nelson and Terry Shaner received all-conference honors by finishing second and fifth. Rich Humphrey was third for the team in 11th place, and Doyle Morris and Rod Snow finished 17th and 22nd.

The meet results had Edwardsburg winning with 44 points, Buchanan second with 57, River Valley third with 61, Brandywine fourth with 104, Nelson's time was 16:24, and Shaner's was 16:32.

Among the freshmen in their conference meet, Brian Burks placed second and Brian Dineen and Jeff Christie were 14th and 15th. In the jayvee meet Mark Entenman was second, Greg Zeug fourth and Duane Fleetwood fifth.

Last Wednesday the varsity girls' team pulled off a close one against Edwardsburg as they won by a single point. Patience Vanderbush is shown surrounded by opponents with Sharon Rottmann, Karen Bobo, Becky Gray and Brenda Mottl standing by ready to assist.

GIRLS BASKETBALL

In a closely fought match last Wednesday, Buchanan varsity won 30-29 over Edwardsburg. Once again Patience Vanderbush led the scoring with 21 points. She had 7 baskets, 6 of them in the first half and hit seven out of ten attempted free throws. Barb Barton of Edwardsburg came next with 12. In other Buchanan scoring Sharon Rottmann had 4, Becky Gray 3 and Karen Bobo 2.

The jayvees lost to Edwardsburg 19-25 with Debbie Hesser getting 6, Rolanda Williams and Paula Mottl each 4, Linda Waggoner 3 and Rhonda Ward 2.

Monday the varsity dropped a game 24-48 at Cassopolis. They were ahead at the half but ran into serious trouble as Cass got basket after basket in the final quarters. Patience once again took top honors with 14, followed by Brenda Mottl with 4 and 2 each from Becky Gray, Lynn Bobo and Sharon Rottmann. The season record is now 8-7.

Score by Quarters

Team	1	2	3	4
Buchanan	10	11	6	3
Edwardsburg	4	14	5	6

The jayvees lost 15-26 with Linda Waggoner getting 5, Priscilla Hill 4, and Sue Forburger, Rolanda Williams and Paula Mottl each adding 2.

The last home event was to be November 5 with Dowagiac.

Greenland is the world's largest island, 4 times the size of France, and lies almost entirely within the Arctic Circle.

What Ziebart uses to rustproof cars:

What car dealers use:

We use 9 patented spray tools to get at every inch of vulnerable metal inside your car's body. Your car dealer uses 2, maybe 3 tools.

We use over 1,000 pages of instructions compiled from factory specifications. Your car dealer uses a few pages of general directions from the salesman who sells him sealant.

There are other important differences, too. And you should check them all out. Call us.

Dollars Revert
Unclaimed lottery prize money -- a healthy \$2 million for fiscal 1974-75 -- goes back to Michigan's general fund to help pay all the state's bills.
Rep Paul Rosenbaum, D-Battle Creek, thinks that's the wrong thing to do with those dollars.
Unclaimed winnings, he says, should go back into the lottery bureau purse to boost the number or size of prizes. "The unclaimed money came from lottery players and it should go back to lottery players," Rosenbaum says.

Michigan could use the money for other purposes, "especially at the present time," Rosenbaum admits.
But, he says, if we channel that much money into prizes, it would make the lottery even more attractive, which in turn could generate even more lottery revenue.
The lawmaker says he plans to urge action on his proposal when legislature reconvenes later this fall.

Commission Proceedings

Buchanan, Michigan
October 27, 1975

A regular meeting of the City Commission of the City of Buchanan was held in the Chambers of the City Hall on Monday, October 27, 1975. The meeting was called to order by Mayor Bachman at 7:30 p.m. Present Commissioners Garbert, Wesner, Anderson, Gault, Bachman, City Manager Faulhaber, City Attorney B.R. Desenberg, and City Clerk Russell. Absent None.

7797
Purchase of new addressing equipment was approved in the amount of \$1,436.80.
7798
The increase of Building Permit Fees was tabled.
7799
Approval of final engineering design of bridge replacements on South Oak Street and Alexander Street was tabled.
7800
Bills in the total amount of \$135,593.93 were approved for payment.

7801
Commissioner Garbert reported on the progress of interim Ambulance Service meetings and an offer of assistance from the First United Methodist Church of Buchanan.

7802
A Resolution was passed to be presented to the Southeast Berrien County Landfill Authority stating Buchanan's desire that Landfill deficits be recovered on a basis of population.

7803
One-half of John G. Yerington Concrete Company's bill (final) for construction of Schirmer Parkway was withheld pending correction of the surface roughness. The withheld amount was \$16,041.77.

7804
The meeting adjourned at 9:30 p.m.
Signed
Herbert D. Russell, Clerk
Joseph C. Bachman, Mayor

7791
The minutes of the October 14, 1975 meeting were approved.
7792
Dr. Little's Archaeological Report was again tabled due to his absence.
7793
An additional sum of approximately \$2,500 was approved for surfacing the reconstructed Charles Court Bridge by the Contractor. Originally, city labor was to be used.
7794
The Tree Trimming Bid was awarded to Mr. Jerry J. Aitken of Andrews University for \$29,894.20.
7795
Traffic Control Order No. 110 was made permanent prohibiting parking on the west side of South Cayuga Street from Roe Street to Chicago Street.

7796
The City Budget Revision was tabled.

Obituaries

Mrs. Walker A. Miles

Mrs. Grace McFallon Miles of Charlevoix, Michigan, died there October 15. Services were conducted October 22 by Rev. Raymond Griffin and burial was at Brookside Cemetery, Charlevoix.

Mrs. Miles was born in Buchanan and in 1944 was married to Max Scamehorn and moved to Charlevoix. He preceded her in death and in 1966 she married Walker A. Miles.

She was formerly employed at the Charlevoix Chamber of Commerce as a secretary and was a member of the First Congregational Church, Margaret Parker circle of the church and of the Charlevoix Chapter of the Order of the Eastern Star.

In addition to her husband, she is survived by a daughter, Mrs. Clarence (Nancy Jean) Glenn of Oxnard, California, a granddaughter, Mrs. Sharon Lee Vahlstrom of Fresno, California and a sister, Agnes P. Engel of South Bend.

Tuesday Hot Dog, tater barrels, garden vegetables, hot dog bun, mustard, milk, cookie.
Wednesday Hamburger, crispy french fries, corn-off-the-cob, hamburger bun, catsup, milk, cookie.
Thursday Fish 'n Cheese, potatoe cubes, corn and peas combo hamburger bun, milk, cookie.
Friday Pizza Turnover, potato cubes, corn and carrot combo, milk, cookie.

Arrested Saturday

A 17 year old South Bend man was arrested on three charges after he fled from police Saturday evening. The police had seen a car run a stop sign on Moccasin Street and stopped it. While the officer was in the process of writing a ticket, Anthony Greer left the car and fled. He was later arrested for resisting arrest and for having no operator's license on his person. The latter two charges were added when he tried to obtain his impounded car.

Here is the entire cast of The Broken Broomstick, the play presented last Thursday by Mrs. Rossow's third grade class at Ottawa School. Invited guests included mothers, friends and neighbors. From all reports it went very well with the services of the prompter not required.

Last Saturday this team of Buchanan 10 and 11 year olds played River Valley here on the last day of play in the current Rocket Football season.

Rocket Football Season Ends
Rocket Football closed its season here last Saturday. A climax for the young players was their appearance by teams Friday night at the high school during the halftime of the home game with Brandywine.
Rocket Football provides a unique opportunity for the youthful players. This year approximately 142 boys from 8 through 11 years of age took part as members of three teams of 8 and 9 year olds and three more aged 10 and 11. Other communities taking part in the league, a part of the Berrien County Rocket Football Association, were Berrien Springs, River Valley and Galien.
Several things take precedence in this football program now in its second year here -- one is publicity or rather the lack of it. The purpose of Rocket Football is to teach football -- it is a learning experience for the young players with safety and sportsmanship intertwined with the lessons.
Each boy who takes part regularly in the numerous practices must get to play a required amount of time in each game. They are not out to set and keep records -- there are no stars -- it is a team effort -- hence the feeling about publicity.
Rocket Football is made possible here by the support of local businesses, citizens and organizations. The president of Buchanan Rocket Football is Fred Kline with Dick Best as vice president and Rich Gridley as secretary-treasurer.

Niles (1838) On this late Fall day United States soldiers began escorting some 300 Potawatomi Indians from Michigan to Kansas.

Less than 40 years ago the tribe held sway over parts of Wisconsin, Northern Illinois and Indiana and Michigan south of the Grand River.
The government claims that the Indians have no right to the land now, based on treaties between the government and the Indians.
The agent in charge of today's removal, Mr. Godfrey, claimed the move was long overdue.

Godfrey claims that the Indians have been cheated and overcharged by unscrupulous traders and must be moved to protect them from the White settlers.
However, the Indians are not happy with the move and not all are going.
Under the terms of one treaty about 250 Michigan Potawatomis are staying. Led by Chief Leopold Pokagon, the tribe is being allowed to form a community on lands in Cass County near Silver Creek.
"I signed to save the land which my people have here now. I signed so that I and my children can live in the land of their fathers," Pokagon said.
It is expected by nightfall all the Indians headed for Kansas will have started their journey.

Store Vegetables For Winter Use

Potatoes, cabbage, cauliflower and Chinese cabbage need temperatures between 32 and 40 degrees but slightly lower humidity -- 80 to 90 percent. The average unheated basement storage room usually provides these conditions. The strong odor of cabbage may prompt you to store this vegetable outdoors, though Potatoes must be protected from sunlight to prevent greening.

A cool, dry place is necessary for storing onions, beans, peas and soybeans. An attic room or dry basement where the produce will not freeze is often suitable. Onions for storage should not be pulled until the tops have dried. Then the bulbs should be dried in a well ventilated place for a week or 10 days.

Store onions in slatted crates or coarse mesh bags or in thin layers on shelves. If closed in or piled in deep layers, they will heat up and spoil. Beans, peas and soybeans, on the other hand, should be kept in closed containers. Glass jars are excellent.

Bob Emerick at Stark School agreed to pose with room mothers Jackie Scoggins and Marlene Zeug and Rose Przybylinski during the school's Halloween party.

"The treaties provided that the Indians would vacate the land over two years ago. The troops have been necessitated because the tribe has not moved out on its own," he said.

Godfrey claims that the Indians have been cheated and overcharged by unscrupulous traders and must be moved to protect them from the White settlers.

However, the Indians are not happy with the move and not all are going.

Under the terms of one treaty about 250 Michigan Potawatomis are staying. Led by Chief Leopold Pokagon, the tribe is being allowed to form a community on lands in Cass County near Silver Creek.

"I signed to save the land which my people have here now. I signed so that I and my children can live in the land of their fathers," Pokagon said.
It is expected by nightfall all the Indians headed for Kansas will have started their journey.

THE SPINAL COLUMN
Chiropractic is Totally Different From Medicine. Chiropractic does not profess to cure all of the body's ills. Chiropractic does not profess to cure anything. Chiropractic is a revolutionary science which simply states that the brain controls all function within the body, and that the brain utilizes the nervous system to communicate with the body.
Since the spinal cord and nerves (nervous system) are protected by the spinal column, the spine becomes a major factor in health care, because as the result of a spinal misalignment it can cause pressure on the nervous system disrupting communication between the body and the brain, causing a possible malfunction within the body due to a lack of nervous impulse or communication. Many times prior to a systemic or organic malfunction there is an inborn warning system in the form of a backache or soreness along the spine at some point, indicating the manifestation of a possibly more serious problem.
Chiropractic does not attempt to cure anything, only to try and restore normal nerve function, thereby allowing the body to normalize itself, naturally without the use of drugs or surgery.
Yours for better health, naturally,
Dr. K. R. Jones
Jones Chiropractic Life Center P C

Fish Fry

The Buchanan Lions Club will have an Original Jonah fish fry this Friday at the American Legion from 5:30 to 8:30 p.m. They advertise all you can eat and homemade pie. Adults are \$2.75, children \$2, and pre-school free.
 The receipts from this event will be used to promote several of the causes which the Lions support.

Home From Okinawa

Staff Sergeant Ronald Gwin arrived home on October 12 after serving three and a half years with the U S Air Force in Okinawa.
 He has been visiting his parents Mr and Mrs Otis Gwin of Fedore Road and leaves Saturday for New Jersey where he will be stationed for approximately the next 18 months at McGuire AFB.

Clark Women Visit Chicago

A group of 37 members and guests traveled by bus to Chicago Saturday for a mini-tour arranged by Clark Professional Women's Club.
 They had an opportunity to shop in Oak Lawn Mall and then had dinner at the Martique before seeing Dorothy Lamour in Fallen Angels at Drury Lane South.
 The club hopes to sponsor another such tour in the near future as well as a trip to Hawaii in the spring.

Explain Delay In Dance Program

The PTA Dance Program has not been started yet this year because those in charge have still been unable to locate a qualified teacher to instruct acrobatic, ballet, tap and modern jazz dancing.
 If anyone knows of someone who might be available they are asked to contact Mrs Tom Fritz at 695-9015 or Mrs Lowell Dunham, 695-3279.

Group To Note Thanksgiving

The Bend of the River Home Extension Study Group will meet Wednesday, November 12 with Mrs Meryl Bachman, 107 Maple Court. Mrs Berdella Peters will be the co-hostess.
 The business meeting will start at 10:30 with a cooperative Thanksgiving dinner at noon. The lesson on Drugs, Alcohol and People will be given by Mrs Bea Wolkins.

Nov 3	.20"	64	55

Budding Friendship Club

The Budding Friendship Garden Club met October 28 at the home of Mrs John Miller with members responding to roll call by telling of fall decorations they had made or some decorating activity.
 Mrs Robert Brewer gave the conservation report on how to put ladybugs to work in members' gardens - both they and the praying mantis eliminate unwanted garden insects.
 One of the suggestions given in Mrs Daniel Smith's horticultural report on putting gardens to

sleep was to cover them with 8" of spoiled hay.
 Mrs Miller directed the members in making corn husk wreaths.
 The next meeting will be November 25 at the home of Mrs. Richard Dragomer when the program on making tree ornaments will be presented by Mrs William Peterson.

Juveniles Caught

Two juveniles, both 13, were charged with breaking and entering two garages and a parked camper Sunday evening. The two had originally been picked up for being runaways, and questioning of them revealed a cache of stolen property in a tree house they used. The police also recovered a mini-bike which the pair had stolen.

Gaels Win 50 to 12

Craig Schau, with lots of help from his friends, gave Galien four touchdowns as the Gaels romped over New Buffalo 50 to 12. The team climaxed a strong come-back by winning four games after losing the first three.
 Schau also contributed to the strong Gael defense. Randy Chase, Dennis Williams and Brian Pahl's touchdown passes to Phil Koza and to Roger Ljweski, and a touchdown run by Tom Murdock added to Galien's overwhelming night, and Mike Kuntz and Matt Koziel were singled out for their offensive blocking.

Hazel Marsh (left), general chairman of the Fall Festival in Galien, consults with her committee as they look at some of the many prizes they have on hand for the big event scheduled for this Saturday, November 8. Next to Mrs Marsh is Sharon Keefe, cake walk chairman, Janet Begun, in charge of the county store, Marcia DeFriez, making arrangements for the electing of the King and Queen and Janet Shaffer, kitchen chairman.
 Sponsored by the Galien PTO in the high school cafeteria, the event from 4 to 8 p.m. will offer all sorts of games as well as the county store and sloppy joes, hot dogs and pizzas during the festival.

DAR Recipient

Leslie Patric, a senior at Galien High School and the daughter of Mr and Mrs Gordon Petric of Boyle Lake Road, has been named the 1975 recipient of the Daughters of the American Revolution Award.
 During the current year at Galien, Leslie is serving as president of the Student Council, of which she has been a member all four years. She is also president of the National Honor Society as well as treasurer of the senior class. She was 1975 Homecoming Queen, is on the Yearbook and Bagpipe staffs and the varsity debate team.
 Her freshman year she received an honor roll letter and a bar the following two years.
 Leslie was secretary of the Student Council for two years and vice president of her sophomore class. She went out for athletics also - in girls' track two years, she lettered as a sophomore, and lettered in varsity volleyball her freshman year.

Genealogical Meeting

John Stubblefield of St Joseph will be the speaker for the Genealogical Association of Southwestern Michigan on Friday, November 14, at 7:30 p.m., in the South State Street Branch of the Peoples State Bank on State Street, St Joseph. This is a different location.
 Mr Stubblefield, who will speak on "One Man's Search," has been interested in genealogy for many years and will discuss what he has accomplished in tracing his family.
 Those who may be interested in a published index to the graves in the Union Cemetery in Berrien Township may secure a copy of the November issue of the Pastfinder, the publication of the local genealogical association, available at the meeting, Saturday, November 15, at 1:30 p.m., there will be a workshop at the Maud Preston Palenske Library in St. Joseph to give assistance to genealogical association members and anyone else interested in preparing their family charts. Mrs Harry Ball will be in charge.

These are some of the candidates for King and Queen with the winners to be announced Saturday at the Fall Festival in Galien. In the front are the first grade candidates Jeff Krumm and Amanda Grooms. Behind them are Kim Snyder and Mike Bauman, second grade candidates and David Welsh and Sarena Wolfe from the third grade.
 Other competitors for the titles who are not shown here are Andy Nichols and Denise Iozmack from kindergarten, Kim Zylstra and Paul Phillippi from fourth, Lisa Stineback and Tim Swartz from fifth and sixth graders, Judy Curtis and Mike Przybylinski.

FFA Takes Second

The Galien Future Farmers of America received second place recently in the Berrien County land judging contest held by the Galien River Soil Conservation District at the Gary Sommers farm near Galien.
 Top three-point earners for Galien were Dale Seyfred, Ken Quint and Michael Glaeys. Other contestants for Galien were Rick Hein, Ed Patric, Mike Westveer, Gary Quint, Mark Sebasty, Dan Sebasty, Darle Sebasty and Mike Gregory.
 In the top ten of the contestants were Dale Seyfred in second place and Ken Quint, ninth.

Conferences Ending

Parent-Teacher conferences are now in progress for elementary students at Galien Township School.
 On today, Thursday, the final day of conferences, they are planned between 6 and 9:30 p.m.

Freedom seems to be the ability to do anything you want to, without considering anyone except the wife, children, parents, neighbors, police, boss, fellow workers, Internal Revenue Service, the banker, the preacher, and a few dozen other people.

Thank God for your next meal...

Most of us have had it pretty good. We probably feel blessed that we were born Americans. And in worship, we thank God—for our country, for all we have. But that's not enough. God expects us to prove our appreciation—by making sacrifices so that the hungry might have food. By providing shelter for the poor. By giving the parolee a new chance. In short, by bringing the God we worship into our lives. In doing this, we'll end up being helped as much as the people we're helping. Join with others at your local church or synagogue and celebrate the bicentennial. Help make this country—and this world—a better place.

Welcome God to America's bicentennial... practice what you pray.

W. E. Baker

A PUBLIC HEARING will be held in BUCHANAN HIGH SCHOOL AUDITORIUM on

NOVEMBER 10, 1975 7:30 p.m.

To hear suggestions from interested citizens on community improvement projects. The City intends to apply for Federal funds available under the Housing and Community Development Act of 1974. Should these funds become available, they can be used for a variety of purposes:

- Acquiring and clearing blighted, deteriorating or underdeveloped areas.
- Open space land.
- Recreation facilities
- Historic preservation
- Senior Citizen Centers.
- Public Works and certain other public facilities.
- Code Enforcement in deteriorating areas.
- Relocation payments.
- Community Development planning and administration.
- Public services for persons residing in project areas.

Your comments are welcome. HERBERT D. RUSSELL, City Clerk Publish October 30 and November 6, 1975.
