Band Brings Home A I Rating

The 88 member Buchanan High School Marching Band, led by Drum Major Dana Skidmore, marched and played its way to a First Division Rating at the District VI Marching Festival, held at the Niles High School Stadium on October 15. A large audience estimated at between 1,000 and 1,500 spectators attended including a sizeable contingent of Buchanan supporters.

Director of the band is Michael Morse. Ten bands entered the competition in addition to the Niles High School Band which marched for exhibition only in Class D, Second Division ratings were awarded to bands from Lawton, Marcellus, and Lawrence, and First Division rating to Gobles. In Class B, Second Division rating went to Dowagiac, River Valley, Coloma and Paw Paw, with First Division ratings going to Brandywine and Buchanan.

The Marching Festival climaxed over seven weeks of hard work by the band starting at Band Camp on August 25, and continuing with regular daily rehearsals and many extra rehearsals for the full band as well as rehearsals for each section of instruments. Each band member gave a great deal of his time and energy in preparation for the festival, but the First Division rating made it all worthwhile, according to the young people and director Morse.

In addition to the Marching Festival, the Buchanan High School Band has appeared at all home football games and was the lead band for the Four Flags Apple Festival Parade held recently in Niles. The Band will finish out the marching season with the annual Halloween Parade in Buchanan and the final home football game. A banquet on November 3 has been planned to honor the band for its accomplishments during the marching season.

Seniors in the band for whom this First Division rating was the third they have won during their high school band careers are:

Laurie Nelson, Piccolo, Karen Gordon, flute, Sharon Watson, clarinet, Linda May, alto sax, Alyson Nelson, cornet, Jim Vigansky, trombone, Don Holmes and Dino Jackson, tubas, Daryl Sawyer, percussion, Linda Mattson, twirler and Shelley Leiter, Donna Kenney, Kyla Newsom and Barb Stone, flag girls.

Other band members by section are:
Flutes and piccolos -- Denise Tropp, Maribeth Merrill, Bonnie Holmes, Brenda Ellis and Sue Wesner.
Clarinets -- Shelley Hamilton, Zoraida Ferrell, Pat Dineen,

Karen Bobo, Lynn Bobo, Tracy Pelley, Sue Kreidler, Debbie Layman, Karen Virgil, Kathy Rundborg, Jeff Butler, Cathy Boyer, Becky Williams and Alice Swartz.

Alto sax -- Paul Gunn, Jim Stoner, Carolyn Kenney and Ronni Pelley, and tenor sax -- Janice Under, Jim Norton and Terri Hagley.

Cornets -- Dianne Camp, Lisa Mahan, David Brown, Angela Koenig, Kevin Clem, Jane Montgomery, Brenda Motil, Vince Williams, John Dougherty, Liz Banke, Dianne Matern, Paul Dodson, Tim Lohraff, Gordon Hanson, Scott Vergon and Debbie Moren.

Trombones -- Patience Vanderbush, David Gault, Carol Stromswold, Bob Mahan, Brian Kelley, Jim Schröder and Judy Bachman.

Baritone -- Tracy Stroud, Sue Trull, Brad Pointer, Debbie Tyus, David Vigansky, Amy Gray and Sue Fitzpatrick.

Tuba -- Jon Roti, Tony Wold and John Speckme.
Percussion -- Dan Batchelor, Kurt Bratzler, Jim Hardy, Kent Spoke, Todd Miller, Becky Gray, Randy Gilbert and David Zelmer.

Bells -- Nancy Kingsbury, twirlers -- Martha Rifenberg, Tam Fritz and Donna Leazenby, flags -- Debbie Hesser, Sarah Gault, Karen Kay, Dee Dee Hall, banner carriers -- Holly Wantz and Bill Musgrave.

City Asks For Planning Ideas

The city of Buchanan, successful in receiving H U D funds for community development this year, plans to apply for more funds next year. To do so, they must have a public meeting to receive input from citizens on possible ways to spend the money.

Some of the possibilities include acquiring and clearing of blighted, deteriorating or underdeveloped areas, a program of historic preservation, senior citizen centers, or more recreational facilities.

To enable everybody to take part in this future planning, the city will conduct a public meeting on Monday, November 10 at 7:30 at the high school auditorium. At this time it is hoped that many persons will appear with ideas helpful to the commission in their planning.

The School Budget Is A Tight One This Year

As is the case with most school districts, the pinch is on in Buchanan. Although a budget was prepared for the fiscal year starting in July, it was revised at the formal budget hearing Monday.

For the fiscal year 1975-1976, the school anticipated local revenues from taxes will increase from \$1,630,976 to \$1,997,193 (up 22.5 percent). On the other hand, revenues from state aid will be down from \$1,016,122 to \$761,928 (down 25 percent). There is some federal revenue, to be used for specific purposes, and it is up from \$35,346 to \$86,383. Altogether, the school will receive \$2,882,412, which is \$167,568 more than last year.

There are fixed charges having to do with insurance, retirement and interest about which nothing can be done. They show the biggest increase from \$122,165 to \$202,247 (up 65.6 percent).

The budget for elementary education calls for a cut of almost 6 percent. Some of this is savings in salaries by the elimination or reassignment of personnel. Salaries on the secondary level will be higher from \$978,266 to \$993,565, but supplies and other expenses at high school are to be cut drastically (40.8 percent). Special education expenses are up 54 percent, but most of that is through state or federal funds earmarked for that purpose.

School Board Adopts The Budget

Few people attended the budget meeting conducted by the Buchanan board of education before the regular meeting. The budget was then adopted during the later business session.

At the meeting, Dale Florey appeared to request permission to use the middle school gym for bingo on Thursday nights. Proceeds would go for extra items for the middle school such as uniforms, stage curtains, and needed equipment. This idea will be discussed.

Tuition rates of \$263 for elementary and \$339 for secondary were approved. These are close to the maximum allowed.

There was a total \$3520.26 remaining from several bond issues for various schools from some years ago, and it was voted to transfer this amount into the 1974 middle school building and site fund.

The board received a request for use of sick leave in excess of the teacher contract. The extra day was denied and only three days were allowed.

There was a request from the

Administrative expenses will be cut 7.7 percent from \$114,217 to \$105,402.

Even transportation and the total operation of the plant have been cut. These two budget items are considerable, and \$22,702 has been lopped from them.

Although the salaries of coaches are included in the general fund, athletics are in a separate activities fund because some revenue is derived from them. However, last year \$5,000 was transferred from the general fund to the athletics to help cover its loss. This will not be done this year.

\$2,867,083 was spent last year over receipts of \$2,714,844. This year's budget allows for \$2,866,092 to be spent in anticipation of revenues of \$2,882,412. Thus, if it is possible to adhere to this budget, there would be a slight cushion instead of a deficit.

Capital outlays, which had been drastically reduced to \$29,578 last year after the middle school had been completed, has been cut to zero this year. Actually, the school administration says that this will be a handicap since some normal replacement and improvement should be done if there were any money to do it.

Actually, it appears to be an austerity budget for Buchanan. It was indicated that it will be difficult, but not impossible to live with.

Sylvia Chapter of the Order of the Eastern Star had a service of installation last Friday. Seated are Mrs. William Barnes, associate matron, Charles Oxender, patron, Mrs. Charles Oxender, worthy matron and William Barnes, associate patron. In the second row are Mrs. Paul Hicks, Martha, Mrs. Frank Hamilton, Ruth, Mrs. Orval Newport, treasurer and Mrs. Dale Hanover Jr., associate conductress. At the back are Mrs. Truman Bever Jr., secretary, Mrs. George Fairman, waiter, Franklin Williams, chaplain, Mrs. Frank Williams, conductress, Kenneth Gearhart, organist, Mrs. Roy Barz, Electa and Dale Hanover, II sentinel.

United Way At 79 Percent

The Buchanan United Way reached \$42,908.81 Monday, which is 79 percent of its goal. Chairman Robert Powers, at a report luncheon Friday, expressed confidence that the goal might still be met if everybody participated in the campaign.

Corporate gifts now stand at \$15,945 which is over that particular goal. Because of layoffs at Clark Equipment Company, the gifts from employees are down considerably, although there are a few departments yet to be reported. Although Buchanan Steel Products has fewer employees than a year ago, their gifts are greater with more people giving.

Professional men have given more, and the total for this division is now \$915. Unity Hospital employees reached \$491. The gifts among Buchanan's businesses now stand at \$2,340.

Powers explained the need for realizing the goal which had been set. He said that there is no reserve to fall back on, and that all the requests of the participating agencies would have to be cut back accordingly, causing a hardship for all of them.

Last year the Buchanan United Way reached \$49,143.63, 93 percent of its goal, and in the year before that the goal was reached.

Bob Couchman Wins District

Three Buchanan area zone winners competed in district Punt, Pass and Kick competition in Lansing on Saturday, October 18. Robert Thomson, 8, Tim O'Bryant, 10, and Bob Couchman, 13, represented Buchanan.

Bob Couchman was the winner in his age group and will now compete in area competition on Thanksgiving Day in the new Detroit Lions domed stadium in Pontiac. He and his parents and representatives from Habicht Ford will be guests of the Ford Motor Company.

Bob got 428 points which is considered good enough to rank him high in national competition.

Lions Fish Fry

The Buchanan Lions Club will have an Original Jonah Fish Fry for the community on Friday, November 7. It will be at the American Legion starting at 5:30 p.m. and serving until 8:30. The fish will be all you can eat, and there will be homemade pie. Adult tickets are \$2.75 and children \$2 with pre-school children free.

The proceeds will go to help the many charitable projects including their work for the blind.

Turn Back Clocks

Saturday night before going to bed is the time to set clocks behind one hour. Michigan will return from daylight savings to Eastern Standard time. This will put Buchanan on the same time as South Bend but one hour ahead of Chicago.

Store Name Is Changed

On January 15, 1974, Walt and Marilyn Moore bought Krieger's Department Store from her parents Mr. and Mrs. Bertrand Krieger. This week the store name was officially changed to Moore's Department Store.

The store on the corner of Front and Days was purchased in 1960 by the Kriegers. It has specialized in fashions for ladies, lingerie, coats and shoes. It carries jeans and sport clothes for the young set, and there is a department for children's clothes and baby needs. Sport clothes and work clothes for men are featured as well as a department for domestics featuring towels and linens.

Mrs. Moore will continue to manage the store, and Walt is engaged in his contracting business. The Moores live at 3205 Knight Drive.

Halloween In Buchanan

Buchanan plans to observe Halloween and to attract as many people to town as possible. Many of the stores will be competing for recognition for having the best scarecrows on display. A great deal of friendly rivalry has already been generated.

There will be prizes for the best carved pumpkins. Everybody is asked to bring his pumpkin to the chamber of commerce office before noon on Thursday, October 30. They will then be assigned a store in whose window they will be displayed. They should be accompanied by a dish or pan to serve as a base.

There will be four winners in various divisions. There has already been a great deal of planning for original pumpkins. The residents of Metea Court plan to compete in one category.

The Buchanan city commission designated October 30 between 7 and 8 p.m. as the official time for trick or treat.

The age groups for the pumpkin judging will be 10 through 12, 13 through 15, 16 through 18, and senior citizens.

The Buchanan High School Marching Band landed a Division I rating at the District VI Marching Festival last week. Shown proudly admiring the trophy, given out to those bands receiving a Division I or II rating, are: (l to r) Dr. Walter Vanderbush, Dino Jackson, treasurer; Jane Montgomery, secretary; Dana Skidmore, Drum Major; Michael Morse, band director; Shelley Leiter, president and Kyla Newsom, vice-president.

Can't We Cut It Out

Every year, in observation of a date in October, about which origin nobody is quite clear, a certain time is set aside for Trick or Treat. Everybody has to go out and buy lots of candy in anticipation of this invasion of privacy.

It wouldn't be bad if it were limited to the tiny neighborhood children, but these days carloads from South Bend or Niles descend on the smaller communities. Some of the trick or treaters are teenagers who don't even bother to put on a costume. Their little gratitude shown by the recipients of the gifts, and often the person who bothers to accumulate all this glop gets his windows soaped anyway.

There's a safety factor too. The little ones in their enthusiasm rush across streets and come out from behind parked cars. Since they're usually dressed in black, they are hard for a driver to spot.

Since all the schools and the Legion already have events planned at this time, there is plenty for everybody to do and many opportunities for the young ones to get dressed up. There is absolutely no justification for there to be Trick or Treat for anybody under ten.

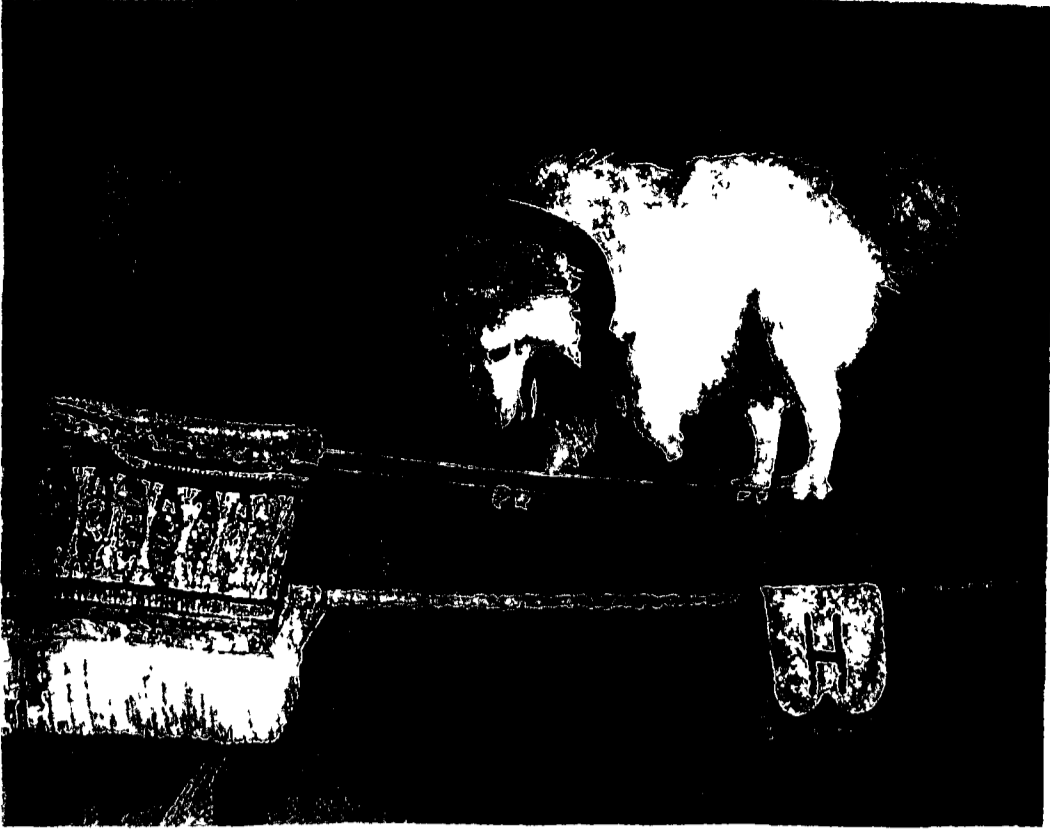

Old times will relate stories how they used to knock over privies and how the present behavior is tame by comparison. But there still is no excuse for one night of the year being set aside for vandalism.

Let's get rid of the whole obsolete custom. It'll save lots of future dentist bills and prevent lots of belly aches if we abandon this custom of greed.

And besides, we don't know how to spell Halloween.

Mayor Joseph Bachman signs a proclamation for National Business Women's Week presented to him by Mrs. Virgil Miller, president of Buchanan Business and Professional Women's Club. In the words of the proclamation he urges "all citizens and organizations in Buchanan to join in their observance by encouraging and promoting the celebration of the achievements of all business and professional women as they contribute daily to our economic, civic and cultural development."

This wire walking dog is just one of the acts in the Patterson Bros Circus which will be presented at Buchanan High School gym on Sunday, November 16. Sponsored by the Buchanan Tennis Club, it will include two performances at 2:30 and at 6 p.m. Tickets are available at the Stationery Center, Roti Roti Shoes and at Stubbs.

Strictly Personal
By D.E.N.

Had to attend a meeting at which there were two young women, both of whom wanted to be called Ms and both of whom smoked cigars. Take us back to Jeannette McDonald. Can't a Ms still be feminine?

A reader reminded us of our last year's promise not to run pictures of dead deer. Actually we said we'd print only unusual ones, but she (he?) is right.

Most of the comments about Dr. Vanderbush's recent article on educational standards were extremely favorable, although one reader interpreted it differently than most.

The editorial about trick or treat will undoubtedly generate the same feeling among some as though we had come out against Christmas. But the city commission is truly interested in public opinion on this matter.

We had recent criticism that the Record has too much about school children in it. But we always figure that almost every child has two parents and four grandparents. The fact that the Record sold out last week might indicate that we're on the right track.

Northwestern beat Indiana 30 to 0, and Michigan beat Northwestern 69 to 0, so the Indiana-Michigan game should be a real barnburner.

Next week there'll be a special page as a result of a silly bet made by the editor with one of the smart Alec coaches.

To Honor Marching Bands At Dinner

The Band Parent Association is having a 6:30 potluck dinner on Monday, November 3 to honor the marching bands.

Any family planning to attend is asked to notify either the band office or Mrs. John Hagley by October 27.

Jolly Dozen Club

The Jolly Dozen Club will meet tonight, Thursday, in the home of Miss Mable Miles.

1st place PP&K winners are Tom Smith, Randy Matthews, Mack Elliott, David Zdenahlik, Ronnie Aalfs and Steve Berry.

Noted Evangelist To Appear in Buchanan

Bob Stacy, founder and director of Christ In Youth, Inc., is a nationally known youth evangelist, and he will be in Buchanan to lead in a youth crusade Friday, October 31 through Sunday, November 2. He has held hundreds of youth crusades and high school assemblies throughout the nation during the past ten years. "The Sanctified", one of several Christ In Youth musical groups, will be in Buchanan with Mr. Stacy.

Mr. Stacy is a native of Tonawanda, New York, where he was active in the local church from his youth. He preached his first sermon at the age of sixteen, at which time he was also serving as Bible school superintendent and teacher. In 1951, he enrolled in Cincinnati Bible Seminary. In January, 1954, Mr. Stacy transferred to Ozark Bible College. Ranking third in his class, he received the Bachelor of Arts degree in 1955. Mr. Stacy has served churches in Kentucky, Kansas, Iowa, and Illinois. While serving the church in Ancona, Illinois, he enrolled in Lincoln Christian Seminary where he received his master's degree in Semitic Language and Literature in 1961.

In 1955, Mr. Stacy married Nell White and the Stacys are the parents of twins, Roger Duane and Rhonda Nell, born in 1961. From 1962-1968, he served as professor of Old Testament and English at Ozark Bible College.

Christ In Youth, Inc. was founded by Mr. Stacy in 1968. Since that time Mr. Stacy has averaged six to eight speaking engagements each week in youth crusades, camps, faith-promise rallies, special college emphases, conventions, rallies, sponsor training clinics, and special classes throughout the United States. He is scheduled two to three years in advance all the time and is in constant demand across the nation.

The Christ In Youth ministry has continued to grow each year. Beginning in 1968 with three workers and one youth team the ministry now includes well over 50 workers and evangelists. They have evangelists working full time in Oklahoma, Missouri, Georgia, Texas and California. The main office for this ministry is located in Tulsa, Oklahoma.

Not only does Christ In Youth conduct a full preaching ministry, but the ministry includes the supplying of youth programs, tracts, books, and other youth oriented materials. They have an Adult Training Department to assist churches in the recruitment and training of youth sponsors.

The theme of Christ In Youth is this "Praise to Him who specializes in the Impossible". The fact that this ministry has

grown more rapidly than any faith-venture supported by Christian churches and churches of Christ is a testimony to the faith that the leadership has in the Lord Jesus Christ and the love for young people which permeates the whole ministry of Christ In Youth.

This crusade will be held at the Church of Christ, corner of Moccasin and Third Streets. On Friday and Saturday the crusade will begin at 7 p.m. and on Sunday at 10:45 a.m. and 7 p.m.

Detroit - December 5, 1848) Eight residents of the City of Marshall have been fined \$1,900 following a lengthy emotion-packed trial here in U.S. Circuit Court.

The case began almost a year ago when a group of Kentuckians led by Francis Troutman came to Marshall to return some escaped slaves to Kentucky.

The slaves, Adam Crosswhite and his family, escaped to Canada as a group of Marshall residents drove off the men from Kentucky.

Troutman and his group then pressed charges that resulted in today's verdict.

Troutman sees today's fine as a warning. "The actions of this mob amounted to theft of property. Today's trial proves this. Now, maybe citizens of non-slaveholding states will no longer aid fugitive slaves and conceal them from their rightful owners," he said.

Charles T. Gorman, leader of the defendants, called today's decision shameful. "If accepted, it would force all free men in free states to aid slaveowners in this despicable practice, under penalty of severe fines," he said. Gorman indicated that Senator Lewis Cass may have attempted to influence the jury in order to win southern support for his recent presidential bid.

Gorman said the Marshall residents will fight today's court decision. "Too many of us in the North are opposed to slavery to force us to support the activities of those in slave owning states," he said.

Mr. Zacariah Chandler of Detroit paid the fine for the defendants.

The Teen Center has completed another highly successful candy sale, the only such money making project it undertakes during the year. There is still some candy available at the Teen Center if anyone was missed or wishes more.

The top sellers are cited each year and three of them are shown here receiving their prizes from Mel Ravish, Teen Center director, and Kathy Pletcher, candy sales coordinator. From the left are Chuck Vigansky first place winner, David Haltmon, third place and Bill Jones, who received honorable mention. Missing from the picture are second place winner Donnie Reed and Dexter Wade, who also got honorable mention.

the shirt that lives up to its luxe look: **ultrassa** by **Arrow**

A shirt with all the splendor of silk, none of the liabilities. Made of woven textured polyester, Ultrassa leads a beautiful life. In and out of the washing machine. It tumbles or dries. Never seems to lose its look. Something Arrow makes the most of with faultless tailoring. Wide placket. Precise pocket. Collars neat and newly narrowed. And a gratifying collection of patterns, colors, styles. To give you that rare breed—a luxury shirt that lasts. No wonder American men look so good.

Teen Center News

The Teen Center Candy Sale is now over and the center expresses appreciation to the community once again for its fine cooperation with all the young sellers. Top sellers have been determined as shown in an accompanying picture.

Teen Center on North Oak Street is open regularly on the following schedule: For grades 4 through 6 on Tuesday and Thursday from 4 to 5:30. For grades 7 through 12 it is open Monday, Tuesday, Wednesday and Thursday from 7 to 9:30 and on Friday and Saturday from 7 to 11. Saturday work hours are from 1 to 5.

Memberships are on sale at the center where a variety of activities are offered including ping pong, pool, a trampoline, television and companionship among many others.

A dance is planned for this Saturday from 8:30 to 11:30 to the music of American Harvest. Admission is \$1.25 for members and \$1.50 for non-members.

A Minute With Mary

Carpet -- Your Guide to Better Living

If you are about to buy a soft floor covering, careful consideration of your needs, as well as the variety of soft floor coverings available, will help you make a wise decision.

Before you buy, ask yourself "Where will it be used?" "How much use will it receive?" "How long is it expected to last?"

By answering these questions, you can evaluate your specific needs. First, you must decide on the type and quality best suited to your life-style. Then, select a reputable dealer carefully. His help can be invaluable.

Rug or Carpet?

Do you want a rug or carpeting? A rug is a soft floor covering available in a variety of patterns, shapes and sizes. Some have a border or fringe. Generally, a rug does not cover the entire floor and is not fastened to the floor.

A carpet is a soft floor covering available in standard widths from 3 to 18 feet. Wide widths are called "broadloom." Carpeting usually covers the entire floor surface and is fastened to the floor. Although wall to wall carpeting is most common, occasionally carpeting is used as a rug.

Fibers & Construction Rugs and carpets are made of either natural or synthetic fibers. Each fiber has characteristics you should know before you make your purchase. A comparison chart will help you recall the characteristics. Construction is either woven or tufted. Although today most soft floor coverings are tufted, be sure you know the difference.

Quality The best single guide to quality is the density and depth of the surface pile. Gentle bending of a corner to expose the backing will give you an indication of both density and depth. "The deeper, the denser, the better" is a good rule to follow.

Generally, the better quality name-brand covering will cost more but will wear longer. When deciding where the covering will be used, remember:

--Use high grade in heavy traffic areas such as halls, stairs, kitchen and recreation room.

--Use medium grade in areas used less frequently such as a den or dining room.
--Use economy grade in low-use areas such as bathrooms, closets and as decorative wall coverings.
--Wall to wall carpeting should be medium to high grade since the installation is permanent. It's a good idea to buy extra carpet or to save any scraps. These can be used for pretesting spot cleaners.
Regardless of where you will use a rug or carpeting, a pad or cushion should be used. While adding more quiet and comfort to your home, it will increase the life of your soft floor covering.
Cost This will be determined primarily by the amount of surface yarn per square yard. Use the density rule of quality and the guidelines for choosing carpet to estimate the cost range for the carpet you need.
Color & Style Choose a color that is practical for the area where it will be used. For example, pastels are not appropriate for heavy traffic areas because they show soil readily. Medium colors, color mixtures and patterns hide signs of use between cleaning. Tightly textured surfaces also hide evidence of heavy traffic.

Isaiah Robinson of 111 Bluff Street (right) stopped by the Record Friday with the 19" bass he caught on a lure from the bank near the top of the Buchanan dam. With him is his fishing companion Robert Tucker of 911 Redbud Trail North. The bass tipped the scales at over 5 lbs.

Honored For 25th Anniversary

Rev and Mrs. Kenneth Snow were honored last Sunday evening for their 25th wedding anniversary at a buffet supper in the fellowship hall of Faith United Methodist Church with their sons Rodney and Daryl Snow as the hosts.

The couple was married October 19, 1950 by Rev. Lawrence Veltkamp at the Bethany Christian Reformed Church, Muskegon. The former Dorothy Hyma, is the daughter of late Mr. and Mrs. John Hyma Sr. of Muskegon and Rev. Snow, the son of Mrs. Lyle Snow of Muskegon and the late Mr. Snow.

The event was attended by nearly 200 with guests coming from Kalamazoo, Three Rivers and Lawrence as well as Buchanan and Niles.

Mrs. Robert Groat attended the punch bowl and Mrs. Mildred Ley the coffee service with Mrs. Robert Bachman cutting the cake and Nancy Strong at the guest book. The ladies of the Morris Chapel and Faith United Methodist Churches prepared and served the buffet supper.

Golden Workers Class

The Golden Workers Class of the Buchanan Church of Christ met October 14 in the fellowship hall for a 12:30 carry-in dinner. Hostesses were Mrs. Esther Smith and Mrs. May Rouse. The tables were decorated by Mrs. Carl Quick with ceramic figures and red apples.

Twenty-three were present including some guests -- pastor Robert Hudson, Mr. and Mrs. Gordon Pippin and their daughter Taira, Mrs. Ruth Armstrong and Mrs. Betty Crawford.

The birthdays of Carl Herdt and Mrs. Crawford were observed.

The business meeting was conducted by the president, Mrs. Frances Holston, and the devotions were given by Miss Alene Arney on "The Great Commandment" taken from Matthew 22.

During the afternoon many of the members contributed readings and jokes for the entertainment and a social hour followed.

The next meeting will be November 11 at the church at 12:30 with Mrs. Holston, Mrs. Quick and Mrs. Edward DeSonia as the hostesses.

Truman Adams of 108 Main Street holds the chook he landed last Thursday afternoon near the Buchanan dam. He used a light rod and 10 lb. test line and salmon eggs as bait. His catch weighed over 10 lbs. Adams said on the previous weekend he was fishing with a friend and the friend's 15 year old nephew from South Bend landed a 40 lb. salmon, taking over an hour to get in.

What a beautiful way to end your phone hang-ups

Trimline® Touch-Tone® Extensions.

Convenient! Extra Trimline phones save time, steps, missed calls and the Touch-Tone feature makes calling even faster—easier, too!

Inexpensive! Additional phones may cost much less than you think—just pennies a day.

The ponies at the school farm got a lot of extra attention Tuesday when Ottawa morning kindergarten visited the farm. The group had just toured Prince and King's living quarters in the barn and learned a lot about the care and feeding of them as well as the equipment they wear to go out and work on the farm.

Indian Hills

By Mrs Adolph Rychly
695-6039

The October meeting of the Mt Tabor Home Extension group to have been at the home of Mrs Wyman Batchelor on Thursday, October 23, has been cancelled.

The Richard Matterns had a surprise visit last Wednesday from Mrs Mattern's sister and husband, Mr and Mrs Ralph Miller of Akron, Ohio.

Costumed guests of all ages are invited to a Halloween Party in the Fellowship Hall of the Oronoko Methodist Church Saturday, October 25 from 7 to 8:30 p.m. The party is sponsored by the High School Youth.

The Fall Rally of the Kalamazoo District United Methodist Youth Fellowship in Plainwell, Michigan, was attended by Diane and Dorothy Mattern and Sue and Nancy Patrick of the Oronoko United Methodist Church and Kevin Surch of Faith United Methodist Church.

The Modern Mothers Home Extension Group had its October meeting in the home of Mrs Gene Beck, with Mrs Richard Mattern as co hostess Mrs John Montgomery presented the lesson "Age -- a State of Mind". Mrs Julian Davison, president of the group, presented the lesson "Counter Intelligence". The title of the lesson is misleading, as it's really a program designed to help consumers be better shoppers, to become more proficient in shopping for and finding the best values, to learn how to utilize the lower cost cuts of meat for more than one meal. The next meeting will be November 11 in the Fellowship Room of the Oronoko Methodist Church with Mrs Ollie Breland as hostess. The group will make plans.

Because of inclement weather on Sunday the 19th, the Benefit Football Game by 4th graders thru adults for Jose' Neves of Brazil has been postponed to Sunday, October 26 at 3 p.m. at Indian Hills School. Anyone in the area wishing to participate or observe is invited to attend. The UMYF of the Oronoko Church are also planning a Spaghetti Supper on Saturday, November 15, proceeds to be used for other projects.

Mr. and Mrs Karl Dehring celebrated their 35th wedding anniversary with a dinner at a Michigan City restaurant. Guests were their sons Dennis and Jack and their wives Sally and Sharon and grandchildren Kirk and Jonathan, Cindy, Lisa and Jack.

Mrs Leon McNally has returned home from St Joseph Hospital in South Bend following successful eye surgery.

BPW Chooses A Member For Honor

Business and Professional Women's Club met Monday night for a potluck dinner attended by thirty members and guests at St Anthony's Church, arranged by Mrs Bernard Klute and her committee. The program on Self Protection from Rape was given by Mrs Thomas Seager.

Plans for Knickknacks and Snacks were discussed and it was announced by the co-chairmen Mrs Fred Samson and Mrs Harold Ritter that the event will be held in the old bank building at Front and Main on Friday and Saturday, November 7 and 8. In addition to craft and gift items there will be baked goods and also bar-b-ques, soup and chili for lunch while visiting the bazaar.

The selection by the club of Eleanor Parker, the second vice president, as Women of the Year in conjunction with National Business Women's Week was announced. Miss Parker, executive secretary and administrative assistant for Richard McCormack, vice president and general counsel for Clark Equipment, is the immediate past president of Clark Professional Women's Organization and is currently serving as National director of public relations for the National Association of Legal Secretaries. She is also a past state president of the Michigan Association of Legal Secretaries.

During the business session it was voted to raise the dues to \$20. A report on the district meeting last Sunday in Paw Paw was given by the president Mrs Virgil Miller, who had attended with eight other club members, Mrs Ernest Sadler Mrs S H Hill, Mrs Earl Rizer, Miss Jeanne Roti, Miss Rose Zachman, Mrs Bernard Klute, Mrs E J Michner and Mrs Duane Arend.

The next meeting will be November 17 at the First U M Church when the program on community awareness will be given by Mrs Don Ryman who will tell what is in the planning stages in Buchanan for the Bicentennial.

Buchanan Menu

Menu for Buchanan Schools for the week of October 27-31

Monday Taco Joe, potato cubes, corn and carrot combo, taco shell, 2 pretzels, milk

Tuesday Hot Dog, tater barrels, garden vegetables, hot dog bun, mustard, milk, cookie

Wednesday Meatloaf with Tomato Sauce, whipped potatoes, carrot 'n green beans, enriched bread, fortified margarine, milk, cookie

Thursday Hamburger, crispy french fries, corn-off-the-cob, hamburger bun, catsup, milk, cookie

Friday Toasted Cheese Sandwich, crispy french fries, green garden peas, milk, special Halloween treat

Inter-city Bank is observing Buchanan Awareness Days and has been serving cake and coffee to its friends. Here Joyce Foster offers a piece of cake to Bill Maycroft.

This Week At Fernwood

Perhaps the most popular class offered at Fernwood will be meeting next week for three separate sessions. Marking the close of Fernwood's 1975 Arts and Crafts Program, Stan and Sheri Beckmann's Christmas Greens has been anxiously awaited by more than sixty class members. Christmas Greens has carried a full register since early in the season, and this year's addition of another session still has left many members on waiting lists.

The popularity of Christmas Greens is no surprise. A format calling for natural materials of fruit, nuts, pine cones, and fresh greens has generated immense interest as always. And an added treat this year, an exploration into original Colonial Williamsburg decorations, seems to be just the thing everyone wants.

Stan and Sheri have combined their well known talents to bring class members a wide variety of new approaches to natural Christmas decorations. Traditional wreaths, swags and centerpieces of fresh greens and cones will not be forgotten, but different and unusual variations will be stressed. Stan and Sheri will teach class members how to construct several different types of wreaths. In addition to pine cone and greens, class members will make herb wreaths from dried herbs and flowers. And for something really out of the ordinary, Stan and Sheri will teach everyone how to make grape vine wreaths from real grape vines.

In keeping with the Colonial Williamsburg theme, the construction of dellarobia decorations will be demonstrated. Lots of fresh fruit combined with cones and greens is the principle behind dellarobia and Sheri has some beautiful examples ready to fascinate the class members. Apple cone centerpieces will also

be demonstrated and several of the forms used in their construction will be available for sale to those who would like to try one on their own.

Assisting Stan and Sheri will be Peggy Bormann, a floral designer from Niles with lots of experience.

Christmas Greens is scheduled for Tuesday night, October 28, from 7 to 10 p.m., Wednesday, October 29 from 9:30 a.m. until 3 p.m., and Thursday, October 30 from 9:30 a.m. until 3 p.m. Class members have been asked to bring a few tools with them, but most of the necessary materials will be available with a small fee charged for some. Those lucky enough to be part of the classes are guaranteed an exciting and informative class.

To Dedicate Pledges

During the 9:30 morning service of worship at the Morris Chapel United Methodist Church, Pucker Street and Chapel Road, Niles, this Sunday, October 26, the Sacrament of Holy Baptism will be administered.

The congregation under the leadership of the pastor, Rev Kenneth Snow, will also observe Loyal Pledge Sunday. At this time there will be a dedication of pledges made toward the financial support of the 1976 church budget.

The sermon entitled "What do you see," will be delivered by the pastor and Mrs William Stafford will serve as the organist.

Budding Friendship

The Budding Friendship Garden Club will meet Tuesday, October 28 at the home of Mrs John Miller.

The program for the day will show the use of corn husks in the making of wreaths and other decorations.

Royal Neighbor Lodge

During last Thursday's meeting of the Royal Neighbor Lodge plans were made for a bazaar in November. The business meeting was conducted by Mrs John Jennings.

Winners of games were Mrs Everett Baughman, Miss May Rouse, Mrs Lena Mitchell, Mrs Eldon Kingery, Mrs Clair Baldwin and Mrs Jennings. The committee for the next meeting November 6, will be Mrs Eugene Adolph and Mrs Melvin Miller.

Golden Age Club

The Golden Age Club will meet this Friday, October 24 for a 1 p.m. potluck dinner at the Niles-Buchanan Y. A program is being planned.

All area senior citizens are invited to attend taking their own table service and a dish to pass.

Hospital Notes

Correction On 1910 Picture

A good number of Record readers called last week to say the name Vine Cook was given incorrectly in the caption for the 1910 picture. The Record knew it was Vine Cook's father, but had the mistaken impression that his name was also Vine -- rather it was Bill. However several people thought it was technically William Vine. Mr Cook was in the center and John Portz was on the right end. It is nice to know so many enjoyed the picture. How about some other residents sharing some with the public. Like the ones last week and in this issue, all pictures will be returned.

Cloverleaf 4-H Plans Hayride

The Cloverleaf 4-H Club met recently at Bertrand Township Hall in an election of officers. Susan Forburger was elected president, Alice Swartz, vice president, Barb Zelmer, secretary and Anita Layher, treasurer.

Committees were also appointed that night with Greg Ward and Patty Taylor to serve as recreation leaders and Patty Taylor, Peggy Morgan and Betsy Makowski named for the calling committee.

Members signed up for winter projects, and those project leaders who were present showed samples and discussed their areas of instruction.

Barbara Haight, Berrien County 4-H representative, was present and told of the Crafts-at-Home Workshop planned for November 8 at the Berrien Springs Middle School. Registration must be made by October 31.

Plans were made for a hayride at 7:30 October 25 with November 1 selected as a rain date. All members and their guests are to meet at the home of Ralph Swartz and after the hayride there will be a Weiner roast at the Charles Taylor home.

Trophies were presented to the cookie sale winners -- first to Peggy Morgan and second, Betsy Makowski. The evening ended with refreshments furnished by Jimmy and Sue Fouburger and Greg Ward.

The club extends an invitation to join to any young person 9 years old and up who are interested. For more information call Mrs. Taylor 695-9312.

Games were then played with first prize going to Edna Hinman, second and the unseen gift to Frances Holston and third to Helen Mann

The next meeting will be November 20 at the home of Eula Stout where members are to meet at 12:15 and then go to Somplace Else

Youth Evangelist to Visit Buchanan

Bob Stacy founder and director of Christ In Youth, Inc., Tulsa, Oklahoma, will be in Buchanan October 31 through November 2 to lead a Youth Crusade. Accompanying Mr Stacy to Buchanan will be "The Sanctified", one of several musical groups working with Christ In Youth.

During the past four years Bob Stacy has toured our country holding youth crusades, speaking on college campuses and preaching for youth conventions. One of the outstanding features of Mr Stacy's national ministry is the annual International Conferences - Youth held on campus at Morehead State University in Kentucky and at Tulsa. Annually thousands of young people from Canada, Mexico and the United States gather for these week long meetings.

Mr Stacy is a dynamic man of God in tune with the needs of youth today. Come and meet him...

THE SPINAL COLUMN

COLDS AND CHIROPRACTIC

The common cold is a persistent nuisance. This respiratory disease may cause inflamed nasal cavities, blocked sinuses and sore throat. Complications can spread the infection to the trachea or bronchi.

CAUSE OF COLDS According to most authorities, the common cold is caused by a virus. This microscopic germ spreads quickly from one person to another.

Most viruses cause the body to manufacture "antibodies" to fight recurrence of the same disease. This protection is called immunity. Unlike other viruses, the cold virus fails to confer immunity upon the cold sufferer, thus, a person can have several colds in the course of a single year.

CONTRIBUTING FACTORS. Allergies, inhalation of noxious fumes, wet feet, allowing the body to become chilled and vertebral subluxation all can contribute to colds because they lower body resistance.

However, in the absence of a virus these contributing factors will not produce a cold.

CHIROPRACTIC HELPS. Although chilling does not affect individuals whose tissue resistance is high because of normal nerve supply, poor nerve supply does lower resistance. This allows virus to grow rapidly in unhealthy tissue and a cold is often the result.

The science of chiropractic is based on the premise that adequate nerve supply is of prime importance in regulating the function of the body.

The upper respiratory tract and other vital parts of the body need a strong normal nerve supply. In most cases of common cold the nervous system is functioning poorly. A patient with a cold should see a chiropractor. Your chiropractor is most qualified, through examination and spinal analysis, to locate and correct abnormal functioning of the nervous system.

Yours for better health, naturally.

Better than a checking account!

Savings Drafts

Answers to your questions

Q What is a Savings Draft?

A It is a form which allows you to withdraw money from a separate Savings Draft account at Clark Federal Credit Union without coming to the credit union office. This draft may be made out to "cash" or used to pay a bill or make a purchase.

Q What is the difference between a check and a Savings Draft?

A A check is directed to a bank for payment out of your checking account. A draft is payable through a bank for payment out of your Savings Draft account at the credit union.

Each member account insured to \$40,000

NCUA
by Administrator National Credit Union Administration

Your Savings Draft account will earn the same high dividend as your other credit union savings account.

Good Thursday, Friday

Saturday & Sunday

Dave Casey, Director of Outdoor Education, demonstrates the old corn sheller for the Ottawa kindergartners as one of them prepares to drop in one of the ears the youngsters picked up on the tour of the school farm. The children learned a lot on their visit to the barn and look forward to more visits in the years to come.

Last week the third grade Brownies of Troop 155 had a service project and picked up trash and generally cleaned up the area around Moccasin School where they meet each Thursday after school. Leader of the troop is Mrs. Daniel Baker.

Visit Churches And Sights In Hawaii

Mr. and Mrs. Douglas Bennett Route 1, Buchanan, and Mrs. Ora Prekert of Galien returned recently from a two-week tour of the Hawaiian Islands. Another member of the group of 200 was Mrs. Prekert's cousin, Mrs. Lillian Hickson of Memphis, Tennessee.

The main object of the tour was a Bible Conference conducted by Dr. J. Vernon McGee of Pasadena, California, who is heard on his radio Bible teaching program, "Thru the Bible Radio" on 465 stations in the U.S. and many other parts of the world. Locally he is on station WHME in South Bend.

The group attended the evening radio rallies in five different churches on the islands and in a Christian day school supported by Hawaiian Islands Mission. The Bennetts found the friendliness of the people in all the locations very impressive. One church served a Hawaiian luau for the group and another a Homecoming dinner on Sunday. The school served a buffet supper on the beach of the nearby Pacific Ocean. Refreshments were prepared for the group members after each service.

The days were filled with visiting the scenic wonders of the four islands visited. On the big island, Hawaii, which is continuing to grow due to the volcanic eruptions, the buses drove through the Kilauea Crater, an active volcano in Volcano National Park. They also visited the Captain Cook Monument, and drove through the Parker Ranch, the largest ranch in the world.

On Maui the group was driven up to the 10,000 ft level, to view the Haleakala Crater, the largest dormant crater in the world. Also of interest is the national championship tennis tournament being held at the Royal Lahaina Hotel where the group stayed.

The third island visited was Kauai where the Waimea Canyon, the "Grand Canyon of the Pacific", was viewed. The last four days were spent on Oahu. They saw the Punchbowl National Cemetery where thousands of World War II and Korean soldiers are buried. Ernie Pyle is buried there between two unknown soldiers. The new Aoha Stadium was pointed out by the bus drivers.

From the Pali Lookout the group viewed the windy Nuuanu Valley on their tour around the east and north coasts of the island. It was most interesting to see the sugar cane and pineapple fields in all stages of growth. Differences in rainfall between the mountains and coastal lowlands make irrigation essential in growing these crops.

On the last afternoon many of the travelers availed themselves of the impressive Pearl Harbor Cruise with a narration pointing out the locations of the naval vessels on December 7, 1941. The boat paused briefly for an opportunity to take pictures in front of the Arizona Memorial before leaving the waters of Pearl Harbor.

Women Of The Moose

The Women of the Moose will meet tonight at 8 sharp with Mrs. John Lockey and her committee in charge of the arrangements.

Women Observe National Week

Several members of the Buchanan Business and Professional Women's Club will be among those observing National Business Woman's Week at a dinner at the Benton Harbor Ramada Inn this Saturday, October 25. Following the dinner those attending will go to Lake Michigan College to hear addresses by the speakers of the evening: Mrs. Clare Daniels, chairwoman of the Michigan Woman's Commission and Ms. Carol Kleiman, creator of the "Working Woman's" column for the Chicago Tribune, who will speak on the International Women's Year Convention held last summer in Mexico City.

During this entire week, in celebration of International Women's Year, meetings are planned in the Benton Harbor area on a variety of subjects geared especially for women.

Tonight, Thursday, at 7:30 Women In Concert will present vocal and dance selections at the First Congregational Church of Christ in St. Joseph. At that same hour there will also be a program on Prepared Childbirth at the St. Joseph YWCA.

Friday at Temple B'nai Shalom in Benton Harbor at 8:30 a Shabbat Service by the women of the temple.

Saturday, all-day festival events at the St. Joe YWCA include The Working Mother, Told by a Survivor given at 2 and 4 by Carol Kleiman, Feiffer's People, LMC directed by Carolyn Beck at 11, 1 and 3, dance at 2, a variety of films, art exhibits and displays will continue all day as well as a number of booths of interest.

Youth To Plan '76 Musical

The Bicentennial spirit is arriving in Buchanan. All high school and college age youth are invited to join in preparing a dramatic musical review to help celebrate the 200th birthday of our country.

A planning meeting will take place this Monday night, October 27 at 7 in the high school vocal room. Rehearsals will begin shortly after the first of the year. "Mini-programs" are being planned to perform for the area organizations during the spring months as a prelude to the summer's festivities. The entire program will be ready for presentation in early August, '76.

Michael Bashara, drama coach at Buchanan High School, will coordinate the dramatic presentations, with Janice Merrill organizing and directing the music.

Anyone wishing to try their wings at drama or music or just plan have some fun, plan to attend the Monday meeting. Any who are interested but unable to attend the meeting are asked to contact Janice Merrill, 695-6260. Here is an opportunity to contribute talent to your community in '76" and feel the Spirit.

Plan Dinner For Veterans

Veterans of World War I Barracks 1093 and the Ladies Auxiliary had their monthly meetings last Sunday at the Niles Legion Home with 27 members present.

Plans were made for a Veterans Dinner on November 11 at 12 noon. All veterans and friends are invited. Named to serve on the dinner committee were Eula Stout, Sylvia Ochenryder, Glazella Bowman and Gladys Cornwell.

Tuesday when the kindergarten from Ottawa visited the school farm they first walked to the middle school where the farm wagon picked them up for a tour of the farm and a ride over to the barn. The class ended the visit with a stop at the pumpkin patch where each one picked out the pumpkin of his choice to take home.

To Attend Girl Scout Convention Discussion On Ambulance Service Continues

Mrs. Duane Koenig is leaving today, Thursday, to attend the National Girl Scout Convention in Washington, with a group of delegates representing the Girl Scouts of Singing Sands.

The actual convention begins Sunday and their early arrival will enable the group to visit Rockwood, a national Girl Scout Center in Maryland on Friday and do some sightseeing in the capitol on Saturday when Representative Edward Hutchinson will personally guide them on a tour.

Tuesday all the delegates will be the guests of Mrs. Gerald Ford, honorary Girl Scout President, at a tea at the White House.

Ardell Koenig is also the recipient of a National Certificate of Appreciation given to her last spring at the fly-up ceremony to thank her for her work the past twelve years. During that time she served as OX-LI Service Unit chairman, day camp director, troop leader for nine years, trainer of adult leaders, development of the first grade brownies and a member of the board of directors.

Presently Mrs. Koenig is the troop organizer for the OX-LI Service Unit and chairman of the Bicentennial presentation "Christmas is the Birthday of Freedom" to be presented in December by the Girl Scouts.

Girl Scouts is a participating member of the United Fund.

Halloween Parade Saturday Afternoon

The Halloween Parade will be this Saturday Youngsters thru age twelve are asked to assemble at the bank parking lot at 12:30 p.m.

The parade will start at 1 p.m. and the line of march will go down Main Street to Front, then to the Moose Lodge for judging of costumes.

The event is being co-sponsored by the American Legion, Moose Lodge and Lions Club.

In the event of rain the young people are asked to go directly to the Moose Lodge for judging.

There have been several meetings to establish some kind of an ambulance authority where, with cooperation from several municipalities, adequate emergency and regular ambulance service can be maintained.

It has been proposed that Niles, Niles Township, Buchanan, Buchanan Township, Bertrand Township and Howard Township go together to provide this service.

Last week Mr. and Mrs. Ken Henes were in Buchanan. She is the former Chris Holmes. He is a minister presently located in Heyworth, Illinois. They told of a successful volunteer ambulance service in their community, which is smaller than Buchanan.

Originally memberships were sold for \$20 each. Some \$8000 was raised to purchase the first ambulance. Now the service has 21 volunteers, and they have answered 54 calls so far this year. Each volunteer went through the 14 hour first aid course, required for insurance, but most are now Emergency Medical Technicians which requires 80 hours. They have to go to the hospital in Bloomington, which takes a half hour, and the hospital staff has been extremely complimentary of their work. Three phone numbers have been established, and the men are on call on 12 hour shifts. The Henes couple wonders why Buchanan can't do the same thing.

On the other hand, Mrs. Jeanette Davis, administrator at Pawating Hospital, favors the larger authority. She says she would hate to see several smaller volunteer groups doing the job of one larger professional company.

The communities have until November 17 to come up with a program for providing the ambulance service. Members of the Buchanan city commission have been attending the authority meetings and have had discussions with private individuals.

To Present Recital

The music department at Western Michigan University will present a recital by french hornist Sally Gillette of Buchanan, a WMU junior, at 3 p.m. Saturday, October 25, in Oakland Recital Hall.

A student of Neill Sanders, professor of music, she will be assisted by pianist-accompanist Jane Paulsen of Kalamazoo and hornist, Denise Mosier from Buchanan.

Sally will play compositions by Beethoven, Poulenc, and Michael Haydn. She has performed with WMU's Symphony Orchestra and has been a member of opera orchestras, a woodwind quintet, and the horn choir.

She is the daughter of Mr. and Mrs. James Gillette of 1585 Red Bud Trail, Buchanan.

Open House At Middle School

Buchanan Middle School is having an open house Thursday, tonight, from 7:30 to 9:30, for the parents of students and any members of the community who are interested.

The evening will begin with a meeting for everyone in the gym. One or two numbers will be presented by the middle school chorus and parents will then be dismissed to tour the building and visit informally with each of their child's or children's teachers.

Girls' Basketball

The girls' basketball teams were hosts to Brandywine with the varsity winning their outing 47 to 32 Patience Vanderbush was the high scorer with 15, closely followed by Becky Gray with 12 Each had six baskets and Patience got her additional three on free throws Sharon Rottmann had 7, Karen Bobo 6, Brenda Mottl 4 Becky Canfield 2 and Lauretha Watts

The jayvees had another hard evening losing theirs 11 to 27 Debbie Hesser had 6, Rhonda Ward and Debbie Marbeiter each added 2 and Paula Mottl 1 Wednesday the teams were going to Coloma and Monday, October 27 will be the next home game against Lakeshore The jayvees start at 6:30 and the varsity close to 8

Middle School Basketball

7th and 8th grade girls basketball results from games played October 14 at Buchanan Middle School
8th Grade Lakeshore 28 - Buchanan 24 High scorers for Buchanan were Melody Pinkston and Kris Nutting, both with 8 points
7th Grade Buchanan 44 - Lakeshore 21 Sherry Vanderbush had 20 points for Buchanan

Chiefs Hand Buchanan A Big Loss

The first half was fine It could have been better But who could complain about being behind by a score of only 12-10 against Dowagiac, a heavy favorite against the Bucks, and also in a tie for the conference lead Unfortunately, there was another half to be played During the second half it was all Dowagiac, as they reeled off 27 unanswered points to finish up with a 39-10 victory over Buchanan

The worst part of the game, believe it or not, was not the score, but rather the casualties that accumulated during the game The Buck offensive backfield had already been dealt a severe blow by the loss of starting running backs, Willie Brown and Joe Kyles, before the game even started Kyles, a junior halfback, is out for the season with a thigh injury, while Brown, the leading Buchanan rusher was sitting out the game following an ankle injury the week before Another running back, Eddie Smith, was restricted in playing time by an injury to his arm. As the game developed, key defensive and offensive players could be seen limping, hobbling, or even being carried off the field A first half injury to Barry Manley was, according to Coach Shoemaker, an important turning point "When Manley got hurt, we were forced to move people on defense to unfamiliar positions" This hurt the Buck defense, and offense, where he is a starting end Manley is probably out for the

season Next to get hurt was Kevin Vanderbush, who will also probably be out for the season, with a back injury The next to be injured was Larry Granger, another two-way starter Granger will be questionable for action this week Chuck Heney, filling in at offensive and defensive halfback, was knocked groggy during the second half, but should return for this week's game The same is hopefully true for Rober, Luke, who suffered a shoulder injury late in the second half

With all the injured out of the way, the good parts of the game can be discussed It was Kevin Vanderbush's interception in the first half that set up Buchanan's only touchdown His return put the ball on the Dowagiac six yard line Two running plays gained only one yard, but on the third play John Donley ran the ball in from the five yard line Bryan Virgil added the extra point, giving Buchanan a 7-6 lead A 40 yard field goal by Bryan Virgil, his fourth field goal of the year, provided the other three points for the Bucks

The story on the Dowagiac side was the running of Doug Mitchell, who gained 262 yards in 42 carries The leading Buck ball carrier was Donley, who carried the ball just 10 times for 65 yards

This week's game will find the Bucks traveling to Edwardsburg, where they will continue the search for their first win Edwardsburg picked up their first win just last week, beating River Valley 19-12 According to Coach Shoemaker, the Bucks again this week will be meeting a team that they could beat with a good effort Edwardsburg goes possess a tough defense and will present a strong challenge to Buchanan's injury riddled offense

There was a large crowd at the Motocross last weekend in spite of rainy weather Jim Ellis caught this race in action

Men's Basketball League Meeting

The Buchanan Community Education Program is sponsoring a men's basketball league again The first organizational meeting will be Monday, November 3, at Buchanan High School in room 123 (across from the gym., at 7:30 p.m.) Team managers or their representatives are expected to attend

Team rosters are restricted to twelve players Eight of the

Jayvees Win Big

Things started badly for the Buchanan jayvees against Dowagiac, but the Bucks played good ball and overcame their disadvantage

Right off the bat, Buchanan fumbled but recovered on the two yard line They couldn't advance, and Jeff Butler was caught back in the end zone for a safety A free kick to Dowagiac was returned to the fifteen yard line, and three plays later Dowagiac passed into the end zone to make it 8 to 0

Still in the early part of the first quarter, a pass from Jeff Butler to Mo Kyles accounted for a 40 yard touchdown Then still in the first quarter the Bucks ended a 93 yard drive with a five yard end sweep by Rick Davis for the second touchdown

In the second quarter, Rick Layher intercepted a Dowagiac pass on their 40 yard line and Rick Davis scored again The point after touchdown was made by a two yard drive by Davis

There was no score in the third quarter but plenty of action in the fourth Jeff Butler threw a long pass to Greg Frazier to the five yard line, and Rick Davis took it the rest of the way A kick by "Dugg Dixon" made it 29 to 8

Dowagiac came back with a 20 yard pass for a touchdown to make it 29 to 14 They kicked off to Buchanan's 33, and Rick Davis ran 67 yards for another touchdown to make it 35 to 14

Coach Dave Wishart gave special recognition for defense to Greg Frazier, Don Bumstead and Tim McNeil, and on offense for aggressive blocking to Aaron Samson and Rick Layher

Local Girls Compete In National Event

Today, Thursday, "Pony-masters and Company," with three girls from Buchanan and one from Cassopolis, are competing in the A.Q.H.A. Horse-Judging Contest held at the A.Q.H.A. CONGRESS, big National show at Columbus, Ohio.

The team won the Intermediate Division of the Michigan Quarter Horse Association statewide contest at East Lansing last Saturday. In this contest, they had to judge 4 halter classes of Quarter Horses and give memorized oral reasons for why they placed one class as they did. They next judged 4

riding classes - two western, pleasure, one bridle path hack, hunt seat, and one reining, and answer questions on two of these classes.

When the scores were totaled, Ponymasters & Company were in first place with one member, Vanessa Nelson, 2nd highest individual scorer of the contest. Second place team was from Ohio and third place from Indiana, where they had already won their states' contests.

Only the highest intermediate (14-18 yr olds) team is sent to the Congress contest.

Ponymasters & Company includes Vanessa Nelson, daughter of Mr and Mrs Vaniel Nelson, Mead Road, Buchanan, Regina Schaus, daughter of Mr and Mrs Harold Schaus, Rt 7 Box 209, Dowagiac; and Pam and Pat Rothfuchs, whose parents are Mr and Mrs John Rothfuchs, Route 2, Buchanan. Coach of the team is Mrs Rothfuchs, Georgia.

All four girls have shown both ponies and quarter horses. Currently, Vanessa is showing quarter horses, Regina, quarter horses and P.O.A. ponies, Pam, an N.A.P.I. pony and a hunter horse and Pat, registered Welsh ponies and a jumper horse. All four have been involved and encouraged in equine interests for many years and have previously done horse judging. All have taken part in the 4-H horse program for years, with Regina an FFA member, as well, and all have ridden both Western and English, adding to their judging backgrounds.

First place in the Intermediate individuals went to Jeff Spitzer, Berrien Springs, of the Al-Bar Ranch Team. First place winner in Junior Individuals was Shelly Rosebrook, Niles, also of Al-Bar, which placed 2nd in their age division. The Al-Bar team consisted of Shelly Rosebrook, Jane Anstey of Stevensville, Donnette Porter of Niles and Julie Spitzer, Berrien Springs. Coaches for the Al-Bar Ranch teams are Mr and Mrs Barry Boist, Niles, and Dr Michael Chaddock, Stevensville.

Other members of Al-Bar Intermediate team are Gwen Hein of Buchanan and Kathy Rosebrook.

Some of the contestants prepare for their race at the Motocross last weekend.

Mr and Mrs August P. Schmaltz of 1751 Siemon Road, Baroda, will be honored for their 50th wedding anniversary at an open house Sunday, October 26, from 2 to 5 p.m. in the home of their son-in-law and daughter, Emel A. and Marie Zelmer, Route 2, Box 134, Wagner School Road, Buchanan.

Relatives and friends are invited to the event, for which no invitations are being sent.

The couple's children are the hosts for the open house. In addition to Mrs Zelmer they are John H. Schmaltz of Buchanan, Robert L. Schmaltz, St. Joseph and LeRoy Schmaltz of Chicago. Mr. Schmaltz and the former Elsie King were married October 24, 1925 at Trinity Lutheran Church at Glendora.

Retired farmers, Mr and Mrs Schmaltz have lived in the rural Baroda area all their lives. They have twelve grandchildren and four great grandchildren.

7776

Joseph C. Bachman, Mayor

Commission Proceedings

Buchanan, Michigan
October 14, 1975

A regular meeting of the City Commission of the City of Buchanan was held in the Chambers of the City Hall on Tuesday, October 14, 1975.

The meeting was called to order by Mayor Bachman at 7:30 p.m.

Present Commissioners: Garbert, Anderson, Gault, Bachman, City Manager Faulhaber, City Attorney B.R. Desenberg, and City Clerk Russell. Absent: Commissioner Wesner.

The minutes of the September 22, 1975 meeting were approved.

Dr. Robert Little of Andrews University could not appear to report on the archaeological digging for a former mill site near the St. Joseph River. His report will be given at the next meeting.

Mr. Adrian Koert, Traffic Consultant, reported on the past accomplishments of traffic direction and future surveys to report changing traffic patterns.

Mr. and Mrs. S. Charles Jones of 120 W. Front Street were present to ask if the City was still interested in purchasing their property in order to widen the intersection of Front and Moccasin Streets. The Commission said "No."

Mrs. Elizabeth Hellwig and Mrs. Retha Scroggins of the H.C. Stark Parents-Teachers Organization were present to request permission to park cars on the grass area of Smith Park during their Country Carnival Saturday, October 18, 1975. The request was granted if the ground was not soft from rain. It was suggested Electro-Voice be con-

tacted about the use of their parking lot.

The Commission will study a request from Bertrand Township to cooperate in building inspection.

Bids to trim and shape trees on city treelawns were received and tabled until the next meeting.

Trick-or-Treat night was set for Thursday, October 30, 1975 from 7:00 to 8:00 p.m. with serious consideration being given to discontinuing this event next year.

Cemetery rates were increased for lot sales, perpetual care, interments and foundations to become effective October 20, 1975.

Traffic Control Order No. 107 - Prohibiting a left turn onto Woodside Drive - was cancelled. The County will assume this responsibility.

Traffic Control Order No. 108 - Establishing a stop sign on Schirmer Parkway at River Street - was made permanent.

Traffic Control Order No. 109 - 35 MPH limit on Schirmer Parkway - was made permanent.

Ordinance No. 227 to amend Section 803B, Article VIII of Ordinance No. 154, was adopted, governing grading and draining of parking lots, with an effective date of October 14, 1975.

The City plans to cooperate with other cities or organizations to provide emergency Ambulance Service.

Obituaries

Mrs. Clyde Fuller

Services were conducted Sunday afternoon for Mrs. Ione E. Fuller of Glendora Road, who was pronounced dead on arrival at Unity Hospital the afternoon of October 16.

Mrs. Fuller was born in Baroda December 10, 1919, and had always lived in this area. She was employed at Simplicity Pattern Company.

On July 11, 1936, at South Bend, she married Clyde Fuller, who survives. Five sons also survive, Clyde Fuller, Charles Fuller and Jack Fuller, all of Buchanan; Harry Fuller of Galien and Larry Fuller of New Troy. Other survivors are a brother and sister, Leigh Raven and Helen Thompson, both of Buchanan, thirteen grandchildren and thirteen step-grandchildren.

The funeral was conducted at Swem Chapel of Swem-Smith Funeral Home by Rev. Leonard Schmidt of Florida. Burial was in Ruggles Cemetery, Baroda.

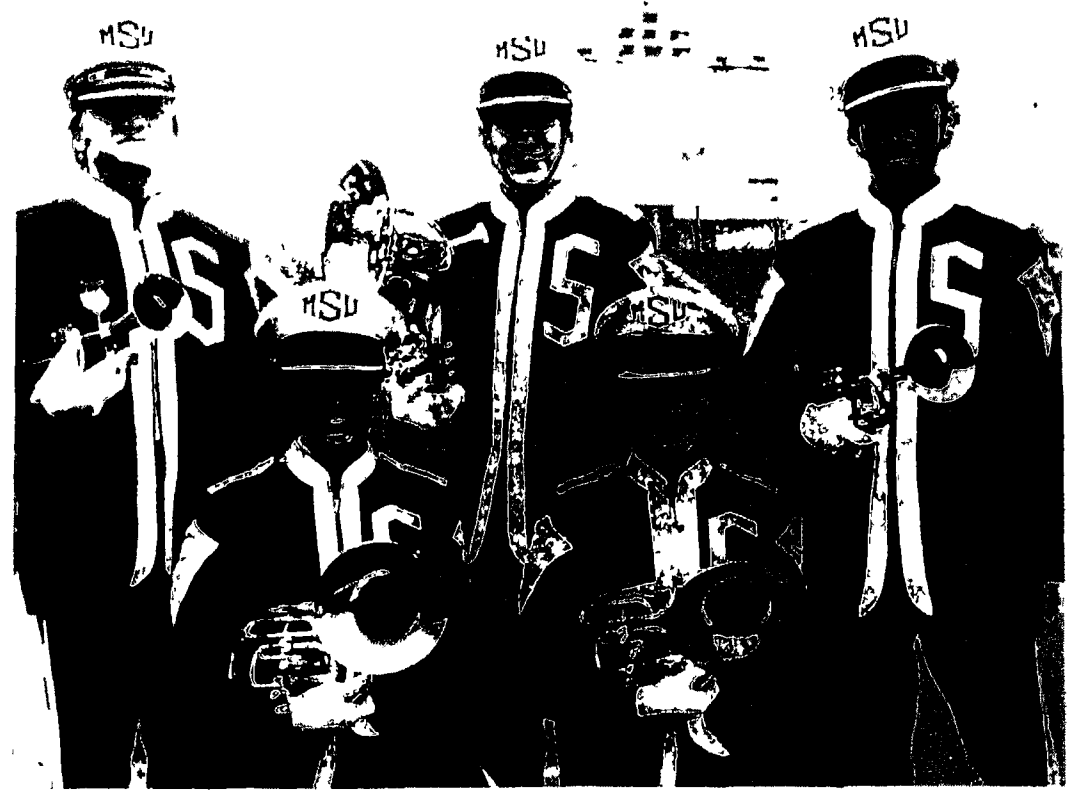

Clark Women Tour New Office Building

The Clark Women's Organization met at the Clark General Office building October 15. A tour of the new facility was followed by a buffet dinner served in the auditorium.

The president, Mrs. Gladys Canfield, introduced Mrs. Jan Houseman from the Four Flags Area Bicentennial Commission, who showed a film "The Bicentennial Beyond the Birthday." Mrs. Houseman also enlightened the group about Berrien County activities and projects in connection with the celebration. During the business meeting several suggestions for future projects were discussed and a committee was appointed to review the club constitution. A proposed amendment to the constitution could not be voted on as planned, and it was announced that this vote will be made at the November or December meeting.

The November 1 dinner and theatre trip to Chicago is filled to capacity, and plans are now underway for a future trip to Hawaii.

Mr. J.R. Welton, secretary of Clark Equipment Company, will speak at the November 19 meeting at Franky's in Niles.

Nancy Hassan and Barbara Hanson, both in front, and Jim Smith from Lawrence, Tom Gillette and Phil Gemunder (all standing) are working hard this fall as members of Michigan State University's 250-piece Spartan Marching Band.

Nancy, daughter of Mr. and Mrs. D. Kent Hassan, is majoring in natural science, and Barbara, daughter of Mr. and Mrs. David L. Hanson, is majoring in chemical engineering. Both are 1974 graduates of Buchanan High School and sophomores at MSU.

The son of Mr. and Mrs. James Gillette, 1585 S. Redbud Trail, Tom is a 1975 graduate of Niles High School and a freshman majoring in school music. Gemunder, son of Mr. and Mrs. Phillip Gemunder of 217 Blakeslee, Galien, graduated from Galien High School in 1974 and is a sophomore majoring in accounting.

Included in the band's schedule, in addition to six home game appearances, are trips to perform at the Notre Dame and Minnesota game, a mid-day concert in downtown Chicago en route to Minnesota, pregame and halftime performances in the new Pontiac Metropolitan Stadium October 12 when the Detroit Lions played the Chicago Bears, and performances at several high schools in Michigan and Iowa.

Fischer Reports on Present Elementary School Conditions

At Monday night's board of education meeting an Elementary School Report was presented by William Fischer, elementary coordinator. Fischer opened his report by stating that staff reaction to the financial cutbacks in teacher aides, hot lunch, support staff, etc. has been quite positive. Staff members have responded "how can we" resulting in much rethinking without great harm to the learning program which should produce future benefits.

Fischer reported the current year's elementary enrollment of 1072 was encouraging. The anticipated 38 student decrease became just 9 as a result of a current 212 kindergarten enrollment. Change to census listing of 145 resulted primarily by increase of families in apartments and change of individual rental homes. If employment remains stable the report anticipates somewhere near 160 kindergartners for 1976 rather than 129 of census.

amount expected although cuts must still be expected.

In an update on curriculum development Fischer reported that following recommendations submitted in June the recommended music materials are now in use and a program evaluation in planning. The reading materials in grade 1 are also in use with a complete communications study to be completed this year. New materials are being used in the social studies demonstrations rooms and in-service training scheduled for Wednesday of this week and sample testing of items developed to begin soon.

By the end of the current year it is expected to achieve the following, among other goals: Be fully prepared to implement the social studies objectives and new materials; Complete communications and place recommendations of objectives evaluation format and materials revisions in reading, language, handwriting, and spelling; Complete the creative arts (art, music and creative dramatics) study and identify priority areas for study beginning in September, 1976.

Health, mathematics, science, physical education evaluation procedures and mechanics, and conference and report card forms will require much consideration and money for materials and services during the 1976-77 school year. It is hoped these can be completed in a shorter time after past experience.

In stating a policy of continuing to expand knowledge of the learning process, motivation of students and relationships with students, Mr. Fischer said that if one request to explore an item not currently available were possible, he would request budgeting to expand staff development programs for all personnel. He expressed the belief the Glasser program provides evidence that the more investment for improving the school and learning program now and in the future.

4-H Banquet Well Attended

Nearly 280 people jammed the Youth Memorial Building in Berrien Springs to participate in the 25th Annual 4-H Leaders' Recognition Banquet. The banquet is held to honor the outstanding service that over 800 teen and adult leaders provide to the youth of Berrien County.

Each year several awards are given to Berrien 4-H Leaders, one of which is the Outstanding 4-H Leader Award sponsored annually by the St. Joseph Division of the Whirlpool Corporation. This award is the highest honor any 4-H leader can receive in Berrien County.

The recipients of the 1975 Outstanding Leader Award are Mrs. Martin (Dorothy) Granger of Benton Harbor and Mrs. Raymond (Doris) Marske of St. Joseph.

Mrs. Dorothy Granger is a leader in the Sorter Busy Bees 4-H Club and has been a leader since 1963. She has led hundreds of children in the foods nutrition and clothing projects. Also, she has been an active leader on the county level, serving in various roles, including co-chairman of both the Annual Spring Achievement Program and the well-known county 4-H cookie sale held each fall. Mrs. Granger is presently secretary-treasurer of the Berrien 4-H Leaders Association. Mr. and Mrs. Martin Granger are the parents of two children.

Mrs. Doris Marske is a 4-H leader with a sixteen year background. As a leader in the Tryon Skirts and Jeans, she has led such projects as clothing, foods and gardening. Mrs. Marske has worked on numerous committees of the Berrien County Youth Fair, Spring Achievement, Style Reveys and banquets of all kinds, just to name a few. She is a county 4-H Council member and represents all leaders of the Berrien County 4-H Leaders Association on the Board of Directors of the Berrien 4-H Foundation. Mr. and Mrs. Marske are the parents of four children, one of whom has become an active adult leader in our program.

Gaels Win

Craig Schau scored the three touchdowns to give the Galien Gaels a 20 to 0 win over Berrien Springs, but good offensive blocking and some sharp defense made it all possible. Berrien Springs drew first blood, but the Galien team dominated most of the game.

Set Date For Fall Festival

The annual Galien Parent-Teacher Organization's Fall Festival is scheduled to be at Galien Township School on November 8 from 4-8 p.m. Mrs. Hazel Marsh will serve as chairman.

There will be games to play, door prizes, donated by local merchants, a cake walk, country store and cafeteria-style dinners served in the high school cafeteria.

Some of the games featured are the Lollipop tree, Bozo bucket, Teddy bear toss, Spin-O-Prize, Tip-the-Cat, Bottle ring game, fish pond, bumper car and cork gun game, all chosen to delight the youngsters. Anyone not contacted to help, who would like to assist in any way, is urged to call Mrs. Hazel Marsh at 545-3316 as soon as possible.

Sunday Visitors

Rev. and Mrs. Dale B. Ward from Ferndale, Michigan, visited Sunday afternoon with Mrs. Mayme Reep on their return from a trip to Iowa.

Troop 548 Sells Apples

Boy Scout Troop 548 went to Tree Mendus Fruit Farm at Eau Claire early Saturday. An apple tree was donated to Troop 548 for a money earning project and the boys picked them.

Scouts who went were Clare D. Davis, John Davis, Terry Cole, Jody Frost, Tom Gault, Ralph Skinner, Paul Seager and Carl Wodrich, Scoutmaster. Bob Dulin, Committee Chairman, Les Wodrich and Mrs. Clare W. Davis accompanied them.

Troop members and their families are reminded that the first Family Night Dinner will be October 27 at the Presbyterian Church. A potluck dinner will be served at 6:30 followed by a Investment ceremony.

Honor Retiring Couple

Friends and members of the Buchanan Seventh day Adventist church met recently in the cafeteria of Andrews University Lab School for a potluck supper and social evening. The occasion was in honor of Dr. and Mrs. G. W. Brown and their approaching retirement after more than thirty years of service in Buchanan and the Andrews University areas. The church honors Dr. and Mrs. Brown, a registered nurse as an important medical team.

After refreshments Dr. Kenneth Strand, a Bible instructor at Andrews and close friend of the Browns, gave a tribute to the influence of the Browns on his life during his senior year in college when he lived in their home.

Dr. Brown served as a strong church leader, instrumental in the building of the Seventh day Adventist Church on Niles-Buchanan Road in the early 1950's, and also serving as a church Elder and a faithful Sabbath school teacher. Mrs. Brown is a dedicated worker in Community Services, often at her own expense.

In his parting remarks the doctor said, "We hope to have some relief from our very busy life and enjoy our new home in the sunny south near Rome, Georgia," being built by their oldest son Arthur. Their youngest son Harold is a practicing physician on East Front Street, Buchanan.

In Police Academy

Thirty-one area police officers currently enrolled in Lake Michigan College's ninth Basic Police Academy are in the last quarter of their seven-week intensive training program.

Certified recruit basic training became mandatory in Michigan in 1971 and LMC's Law Enforcement and Public Safety Department has since then conducted two basic police recruit schools annually.

This semester's police recruit trainees come from law enforcement agencies from a wide area include two from the Buchanan Police Department, John E. Leich and Larry E. Pitchford.

The Home Study Club will meet Thursday, October 30 at the home of Mrs. W.F. Firehammer on Mayflower Road. The business meeting will begin at 10:30 with a planned cooperative luncheon at noon. The group plans to attend an open house in the afternoon honoring the 25th Anniversary of the Bell Aire Home Economic group at the Commercial National Bank.

The United Church Women will meet Thursday, November 6 in the home of Mrs. Charles Ehlinger. Mrs. Glenn Vite will have a short Thank Offering Service. Miss Trella Rough will have the lesson on "American Indians".

On Saturday a group of neighbors on Chicago Road had a co-operative dinner at the Bertrand Township Hall with Mrs. Wayne Graham and Mrs. Ed Genda acting as hostesses. Around 30 attended. The evening was spent visiting and ping pong was played by the young people.

The Willing Workers Class will meet Saturday evening at 8 p.m. with Mr. and Mrs. Michael Dalrymple in Buchanan.

Mr. and Mrs. Russell Clifton, Jr. of Laurel, Maryland, spent several days last week visiting their mothers, Mrs. Clarence Hartline and Mrs. Russell Clifton, Sr.

Mr. and Mrs. Earl Gamble entertained Saturday evening at a family dinner honoring Mrs. Gamble's sister and husband, Mr. and Mrs. Russell Clifton, Jr. Twenty-two attended from the area.

The Happy 3 4-H Club will meet Tuesday, October 28 for a Halloween Party.

Nine ministers of the Buchanan Ministerial Association met at the Portage Prairie Church with Rev. Robert Stillson as host. Doughnuts and coffee were served at the close of the meeting.

Low Mileage

The average fuel economy of Ford Division's 1976 models is 28 percent higher than a year ago on the Environmental Protection Agency's (EPA) estimated combined city-highway cycle, according to G.V. Alexander, Jr., Lansing District Sales Manager.

Alexander said the 1976 Ford Division models have an EPA combined city-highway fuel-economy average of 17.8 miles per gallon (mpg) -- a 3.8 mpg increase over the 14 mpg applicable for the average of our 1975 models.

"Among our four-cylinder cars," Alexander added, "the 2.3-liter Ford Pinto with manual transmission achieved 35 mpg on the EPA highway cycle, and 24 mpg on the city cycle. A special edition of the 1976 Pinto -- the Pony MPG -- achieved 38 mpg on the highway cycle and 25 mpg on the city cycle."

"Among six-cylinder cars, the

One of the many popular enrichment classes offered under the Buchanan Community Education Program is Knit-Knacks, meeting each Thursday night from 7 to 9 for eight weeks. It is taught by Mrs. Alfred Hanson who is shown demonstrating some of the many tricks and suggestions she shares for successful sewing.

League Discusses Executive Branch

Consensus unit meetings of the League of Women Voters held last Wednesday, concerned the role of the executive branch in the federal government. Mrs. Thomas Athanas and Mrs. Gary Swanson served as discussion leaders of the morning and evening sessions while Mrs. Roy Streffling and Miss Martina Myers provided resource material and study information.

Discussion questions focused on the roles of the president and vice president, methods of election or selection, and powers vested in each office.

Almost 200 years ago, the Constitution provided the basis of the boundaries of presidential powers, and since then Congress has gradually broadened the scope of presidential authority. Included in this authority, since the ratification of the 25th Amendment in 1967, is the right to appoint a new vice president should this office become vacant. The advisability of retaining this amendment, limiting or adding to it was discussed at length, as well as the term of presidential office which is designated by the 22nd Amendment.

Further consideration was given to specific powers relegated to the President: executive agreement, war powers, emergency powers, and fiscal policy powers. The positive and negative aspects of these presidential powers were presented and many facts and opinions were expressed concerning the various aspects and ramifications of authority in these areas. Ways of preventing abuse of presidential power and increasing accountability to the people were factors reflected in the discussion.

Guests included Mrs. Jack Quade, Mrs. John Bess, Mrs. William Peterson, Mrs. A.C. Meadors, Mrs. Rolf Rampoldt, Mrs. Graham Dingman, and Mrs. Alfons Verwilt. The November meeting concerns an update on the UN and the program will be presented by the South Bend League.

For further information concerning the league or membership contact Mrs. Gilbert R. Brazo.

Alexander said the 1976 Ford Division models have an EPA combined city-highway fuel-economy average of 17.8 miles per gallon (mpg) -- a 3.8 mpg increase over the 14 mpg applicable for the average of our 1975 models.

"Among our four-cylinder cars," Alexander added, "the 2.3-liter Ford Pinto with manual transmission achieved 35 mpg on the EPA highway cycle, and 24 mpg on the city cycle. A special edition of the 1976 Pinto -- the Pony MPG -- achieved 38 mpg on the highway cycle and 25 mpg on the city cycle."

"Among six-cylinder cars, the

First U.M. Church Has Annual Meeting

The First United Methodist Church had its local church conference last Sunday morning with Rev. George Hartmann, district superintendent of the Kalamazoo District, presiding.

Named as chairman of the administrative board for the coming year was F. William Kelley, with Mrs. John Hagley as recording secretary, John Boyers as lay leader, Mrs. Kent Hassan as lay delegate and Mrs. Frank Hamilton as alternate.

Church treasurer is Mrs. Robert Neal, financial secretary, Mrs. Jack Hess, chairman of the trustees. Dr. Kent Hassan, chairperson for the pastoral-parish committee is Mrs. Hassan, secretary of the nominations committee is Mrs. Arthur Funk with Dean Swem as secretary of enlistment and Bert Metzger as district steward.

The following were named to take charge of designated work areas: Mrs. Robert Hamilton, education and ecumenical affairs, Jerry Ritter, missions and social concerns, Mrs. Tom Fitz-

patrick, evangelism and worship and Larry Peters, stewardship and finance.

Pastor for the congregation is Rev. Ronald Entenman.
