

Set Election on I&M Franchise in Township

The renewal of a 30-year franchise agreement, to operate in Buchanan township, was granted to Indiana and Michigan Electric company by the Buchanan township board at its regular meeting Monday night. In accepting the franchise, I&M requested that township voters confirm the board's action by vote at a special election to be held April 25. This request was granted.

The franchise gives the utility the right to use highways, streets, alleys and other public places within the township and to set poles, string wires, lay pipe or conduits and to operate and maintain the same, subject to such reasonable regulations as the township board shall prescribe. It also holds the township harmless from any and all liability arising in any way, from negligence in the erection, maintenance or operation of said lines for the distribution of electric energy. The present 30-year agreement expires Dec. 19.

I&M will bear all costs of holding the election and has deposited with the township treasurer a good faith check in the amount of \$225.

Representing I&M at the meeting were Rex Porter, manager of the Buchanan area, and Andrew Mollison, Niles attorney.

Buchanan township is the first of 12 townships in Berrien county in which I&M will seek new franchises in 1968.

Board of Review to Meet

Township residents were reminded by Supervisor Ivan Price, that the Board of Review will be meeting March 11 and 12 at the township hall to review all property assessments. Property owners may meet with the board any time between 9 a. m. and 3 p. m. or 7 p. m. and 9 p. m. on Monday, March 11, or 9 a. m. to 3 p. m. on Tuesday, March 12. Members of the Board of Review are E. J. Ernst, Harry Arend and Richard Gitto.

Annual Meeting Set

Township board members voted to hold the annual meeting of the township on Saturday, March 30, at 2 p. m. At this meeting the budget for the year 1968-69 will be reviewed and the township treasurer's report will be submitted.

In other business the township treasurer acknowledged the following receipts:

—Sales tax, for the fourth quarter, \$6,121.40. In 1967, the fourth quarter sales tax receipts were \$5,880.40.

—Gallen township, \$4,110, for the use of the township landfill.

—Jim Graves, \$5, for the use of the hall.

—I&M, \$225, deposit for election costs.

Nick Sceandra was issued a township voucher for \$160 for bulldozing and fill dirt at the township landfill.

Building Permits

Building inspector, Galen Weaver announced that the following building permits had been issued to:

—Lee Topash, Broceus road, for aluminum siding and new roof, estimated cost, \$1,100.

—Samson Builders, Inc., Crescent View subdivision, for new home, estimated cost \$22,700.

Bertrand Township Board to Meet Friday

The regular monthly meeting of Bertrand Township Board will be held Friday night at 8 o'clock in the township hall on Buffalo road, announced Supervisor Brayton Yaw. This meeting will take the place of the regular second Thursday meeting.

On the agenda will be a request by Indiana & Michigan Electric company for a special election on a new 30-year franchise for the utility company. Also on the agenda will be setting the date for the annual meeting.

For County Schools

Data Process Center Deleted from Budget

A \$91,900 allocation for operation of a data processing center was deleted from the 1968-69 budget of the Berrien County Intermediate School district during a budget hearing held Thursday night in Berrien Springs. Following deletion of the allocation, representatives from Berrien county school boards approved a \$163,975 budget for the ensuing school year.

The allocation was for installation and operation of leased data processing equipment in the new county intermediate school district building to be erected this year in Berrien Springs.

Acting chairman Lawrence Peachey, vice president of the Berrien County Board of Education, posed the question of approval of the allocation for the center because of apparent opposition of school boards to the costs. The vote for deletion of the budget item was a 7-6 decision, with three county boards not represented.

Will Not Save Money

The vote was taken, following a lengthy discussion, after an explanation of the proposed program by Dave Clawson, director of data processing center for Washtenaw county schools. Clawson said "You will not save money by installation of the center, but you will have available to you a lot more information."

The Washtenaw center has been in operation for about 2 years and is just presently becoming a valuable tool for use by the county's school districts. Preparational work in programming, key punching and instruction of personnel in use of the center has delayed full utilization of the data processing program.

"Programs for payroll, census, budgets, scheduling of student activities and test scoring are made available thru the center," Clawson stated.

After the vote and further discussion, one board representative stated that he wished to reconsider his negative vote.

Following further discussion,

Postpone Meeting

The regular monthly meeting of the Park and Recreation board has been postponed, announced Goldwyn Smith, chairman. The meeting, scheduled for the first Thursday of each month, will be held Thursday, March 14, at city hall, beginning at 7:30 p. m. The postponement was because of the district basketball tournaments.

City Issued Two Building Permits

Two permits were issued during the past week by Rudolph Rodighero, city building inspector.

No. 1347—issued Feb. 29 to David D. Hunter, 202 Moccasin, 19x15 and 23x24 foot frame additions (family room and attached garage), \$8,500.

No. 1348—issued March 4 to Leland L. Conrad, 411 South Hill, interior alterations, \$2,800.

School Seeking Business Head

Applications for the position of business manager of Buchanan schools are now being accepted and reviewed, reports Richard Dougherty, assistant superintendent.

In filling this position, the school board is seeking applicants with a master's degree in administration as the preferred minimum educational level, but also is considering applicants with a bachelor's degree in business administration.

No salary range has been established, depending upon the applicant's qualifications.

Re-establishment of the position of business manager was recommended in the administrative study of the school system, conducted last spring by Dr. James E. Green and Dr. Fred J. Vescolani of Michigan State University. The position will be created with the beginning of the 1968-69 school year, at which time Dougherty will succeed Pierre Bailey as superintendent of schools. Bailey announced last spring he planned to retire at the end of the current school year.

The position of business manager was eliminated in 1966 and since then the duties have been handled by clerical and part-time assistants to Bailey. Robert Willard, now business manager of the River Valley school system, was business manager here when the position was eliminated.

ICB, Eau Claire Banks Merge

Approval of the consolidation of Inter-City bank and the Eau Claire State bank has been granted by Department of Commerce, announced Eitel O. Eberhardt, president of Inter-City bank and M. Gordon Bull, president of Eau Claire bank, in a joint statement.

The merger agreement approved by stockholders of both banks Jan. 16, would give 10 shares of ICB stock par value \$10 for each share of Eau Claire stock with a par value of \$100. It will add assets of \$4,628,104.34 from Eau Claire to ICB's \$49,696,993.

With the addition of the Eau Claire bank and the construction of a branch in Lakeshore, Inter-City will have nine banking offices serving Berrien county.

Michigan City Signs Karpinski

Bill Karpinski, former head coach at Buchanan, has accepted a position as head football coach at Michigan City, it was announced Wednesday. Karpinski will assume his new duties with the beginning of the 1968 season.

Michigan City is a large Class A school system and is a member of the Northern Indiana conference. In 1967 Michigan City finished near the league cellar.

Karpinski was head coach here six years during which the Bucks posted a 44-4-4 record. He has been head coach at Mishawaka for the past two years during which his teams have a 10-8-1 record. Mishawaka is a member of the Northern Indiana conference.

Five Treated At Pawating

Five emergencies involving Buchanan area residents were reported from Pawating hospital during the past week.

Joe Osban, 2½, son of Mrs. Opal Osban of 5555 Buffalo Rd., was treated Feb. 27 for ingestion of baby aspirin.

David Conley, 9, son of Delmore Conley of Gallen, was treated Feb. 28 for contusions of forehead suffered in fall from slide at school.

Ricki Marsh, 4, son of Roy Marsh of Gallen, was treated March 2 for laceration of scalp suffered while jumping off porch.

Lawrence Phiscator of Route 1 was treated March 3 for injury to chest, back and knees and laceration of forehead incurred in two car accident on Niles-Buchanan road.

Albert Payne of Gallen was admitted after treatment March 4 for inhalation of gas fumes from tractor while working in barn.

RELAXING BEFORE GRAND OPENING — Owner Joe Garbert (seated) and his staff at Sexton's Furniture relax at the entrance to the Colonial room in preparation for their grand opening celebration which begins today (Thursday). Bucks Meet Chiefs in Cage Tournery Tonight

Buchanan Bucks will take their first step tonight (Thursday) in seeking to prove that the pollsters are wrong.

Coach Ray Berry's Bucks will meet Dowagiac in the district basketball tournament being played at Dowagiac Game time is 7:30. Fans can look for a tough game as the Chiefs are always a strong competitor on their home floor.

This will mark the first tournament action of the season for the Bucks, who completed their first undefeated season in 39 years. Boasting a 16-0 record, the Bucks were ranked fourth in the final Class B polls this week. However, many fans feel the Bucks are underrated and should go all the way.

Dowagiac advanced to its second game of the tourney, beating Edwardsburg 53-50 in opening play Tuesday night. Wednesday night Brandywine and Cassopolis were scheduled to meet, with Wednesday and Thursday night winners meeting Saturday night for the district championship. All tourney games begin at 7:30.

Also favored to take the district title, the Bucks face the old tournament bug-a-boo of being undefeated and having previously beaten all tourney competitors once or twice during the regular season. In their previous meeting Buchanan beat Dowagiac 54-40, coming from behind in the final minute. In season games the Bucks beat Brandywine 75-50 and 78-53, and defeated Cassopolis 72-70 and 79-73.

Winner of the district tourney at Dowagiac will play in the regional tournament at Kalamazoo, in competition with winners of district tourneys at

Bucks Finish Fourth

Buchanan's unbeaten basketball team remained in fourth place in the final Class B polls by Associated Press and United Press International. This marked the second week the Bucks were ranked fourth in both polls. The Bucks boast a perfect 16-0 record, the first undefeated season since 1929.

Lakeshore, Comstock, Plainwell, Sturgis and South Haven, Class B at Lakeshore. The first upset in area tournaments came Tuesday night at Lakeshore when Coloma beat Lakeshore 78-75.

Coloma will meet Berrien Springs tonight (Thursday). Winneton tonight will meet winner of the River Valley-Waterloo contest Saturday night for the championship.

All games at Lakeshore begin at 7:30.

Class C at Gallen. Eau Claire flexed its muscles Tuesday in the opener of the Class C tourney at Gallen, beating Bridgman 92-46. Wednesday night Gallen was scheduled to meet New Buffalo and winner of that game will meet Eau Claire Friday night for the championship.

Game time at Gallen is 8 p. m. Class A at Niles. In the other area district cage action, Benton Harbor beat Coldwater 72-57 in the opening game of the Class A tourney at Niles.

Wednesday night Niles was scheduled to meet St. Joe, with the winner to meet Benton Harbor Friday night for the championship.

Game time at Niles is 7:30.

At High School

Hearings to Highlight Commission Meeting

Local Weather

February went out on a snowy note and March entered under sunny skies and with mild temperatures Monday and Tuesday. Spring-like temperatures soared into the 50's. Snow accumulation for February was 21.9 inches. High temperature for the month was 53 degrees Feb. 1 and the low was a minus 2 degrees Feb. 17. Precipitation for the winter season, Nov. 1 thru Feb. 29, was 59.6 inches of snow and 13.51 inches of rain.

Weather picture as recorded at the city weather station during the past week was:

Date	Snowfall	High	Low
Feb. 28—27 in	32	15	
Feb. 29—snow	25	14	
March 1	38	18	
March 2	28	12	
March 3	38	20	
March 4	53	24	
March 5—snow	52	23	

Little Interest Being Shown In City Election

With the deadline for filing nominating petitions for city office less than a week away, little interest is being shown in the April 1 city election. At press time Wednesday the three incumbents had filed their nominating petitions and no other petitions were being circulated.

Deadline for filing nominating petitions is 5 p. m. Tuesday, March 12. Nominating petitions are available at the city clerk's office. To be valid, petitions must contain at least 30, but not more than 50 signatures of registered voters.

To be elected in the April 1 election will be two city commissioners and one constable. Incumbents Maurice Nelson and Goldwyn Smith have filed petitions for re-election to three-year terms on the City Commission, and Winford Bennett has filed for re-election to the one-year term as constable.

Sexton's to Hold Grand Opening

Grand opening of Sexton's Furniture will begin today (Thursday), announced Joe Garbert, owner. The special observance is being held to acquaint area residents with the new owner, his staff and the expanded furniture display area.

Special evening hours will be observed during the grand opening, with doors remaining open until 8:30 Thursday, Friday and Monday nights. Outstanding values in all departments will be featured during the grand opening, as well as door prizes and refreshments for visitors.

Garbert purchased the furniture business from Phil Sexton Nov. 16. After the appliance business was moved to another location that area of the store was remodeled to provide for expansion of furniture lines on display and available to customers.

Members of the staff at Sexton's include: B. G. Harker and George Loveland, salesmen; Fred Holycross, interior decorator, and Mrs. Evelyn Nelson, office secretary.

Two public hearings of necessity will headline the City Commission agenda Monday night. The meeting will be held at 7:30 in the high school study hall, to encourage greater attendance from residents in the area to be affected.

The two hearings will involve special assessment districts for construction of curb and gutter and storm sewer in the South Portage street area.

The area storm sewer improvement project, as proposed, includes both sides of Berrien south to Marble, both sides of South Portage from Alexander to Smith, plus miscellaneous properties in that area.

The curb and gutter improvement would include South Portage from Alexander to the railroad, Berrien from the north terminus to Marble, Alexander from Berrien to Days, Smith from mid-block between Sylvan and Berrien to Portage, and Marble from Berrien to Portage.

Sewer Bids High

Also on the agenda for Monday night is a report on the northeast area sanitary sewer project. Bids were opened Monday and the lowest bid was approximately 40 per cent above estimates supplied by R. W. Petrie and Associates of Benton Harbor, engineering consultant for the city.

Cost of the project, scheduled to begin this summer, was estimated at \$122,720, including approximately 10 per cent for engineering. The low bid submitted by Verington and Harris of Benton Harbor was \$156,329.64, not including the 10 per cent engineering cost. The only other bid was \$178,656 submitted by Woodruff and Sons of Michigan City.

Miscellaneous

Other items to be considered by the commission include:

—Acceptance of bids on a new police car.

—Consideration of a letter from Mrs. Ora Johnson, 305 East Jordan, in which she is seeking to have portions of Jordan and Berrien streets and the alley, all adjacent to her property, vacated. Mrs. Johnson proposed to construct a garage in the alley if vacated and clean up the general area.

—Authorization to purchase a new Michigan front end loader out of next year's budget and waive the requirement to take bids. The desired piece of equipment is a rental unit with a full guarantee, available at a discount.

Commission Proceedings

Buchanan, Michigan February 26, 1968.

A regular meeting of the Buchanan City Commission was called to order by Mayor Witt on Monday, February 26, 1968 at 7:30 p. m.

Roll showed all Commissioners, City Manager, City Attorney and acting City Clerk present.

4653
The minutes of the February See COMMISSION, Page 5, Sec. 2

Street Program Told

Seventeen persons attended the informal hearing Monday night as preliminary plans for improvement of South Portage street were revealed by the City Commission. The special session was held in the high school study hall.

Proposed improvement of South Portage street calls for widening the street to four lanes, from 31 to 44 feet, from Front to Alexander street, and then taper the street down to three lanes from the railroad tracks south to the city limits. A reduced street width at the south end of the street is necessary due to the railroad siding that runs along South Portage, south of Alexander.

Following discussion of the

city's proposal, Commissioner Maurice Nelson discussed an alternate proposal for handling the traffic flow.

City Proposal. The city's proposal for South Portage calls for completion of the project in two stages—Front to Alexander, and Alexander to the city limits.

If adopted by the commission, the first stage—Front to Alexander—would be completed this summer.

The widening project would involve removal of all trees in that area except eight on the west side of South Portage and moving of the sidewalk closer to the houses. The project also would include a new storm sewer along the east side of the

street between Front and Chicago street.

Since this is an improved area, the first stage of the project would be done at city expense, including replacement of trees.

The second stage of the project would require two special assessment districts, thus delaying that stage until next year. As a part of the street widening, curb and gutter and storm sewer would have to be constructed in the area. Public hearings will be held on the necessity of these two special assessment districts next Monday night at the City Commission meeting, also to be held

The Public Letter Box, a record service feature, is open to all our readers. It's your column, where you may express yourself on topics of community interest. Just send your letters to the Berrien County Record, Buchanan, Michigan. All letters must be signed by the writer, although the letter writer's name may be withheld on request for good reason.

This has been getting worse as time goes by. At the time the patrols are needed down here in the south end, the men are up at St. Joseph.

I think it is our responsibility as tax paying citizens to demand our paid for protection by getting a sub-station back down here in our end of the county. They have the county jail, the fabulous new courthouse, the junior college, the good roads, and now have taken about the last public service away from us — our police protection.

The citizens of the south end of our county must organize and get our rightful protection back down here, because if we continue to sit back and ignore this situation the inevitable will happen and then we will ask the big question, "Why didn't we do something about this?"

Now is the time to start moving on our request, as there are other candidates, seeking the office and this may encourage one of them to propose this change during his campaign. I am sure we can muster up a lot of votes if the right man would assure us of some consideration "Down South." The way we have been ignored down here one would think we had succeeded from the county. If the present Sheriff won't live up to his oath of office in serving ALL of the people in the county, let's elect a man who will!

Remember, "safety is everyone's business" so let's do our part and voice our opinion before we will live to regret it.

Paul Spaulding

CENTER

(Continued from Page 1)

Cost of Program

The IBM 1400 (hardware) could be leased to the district at a 60 per cent discount, with all necessary forms such as checks, and paper materials furnished.

Cost to Buchanan district for the data processing program would be \$4,371 (.13 of a mill).

Niles school district, which has already contracted for the services of a private data processing firm, urged a "no" vote in a letter to all other districts. If the proposal had passed, Niles would have been taxed for the program.

Buchanan school board representative Gordon Schneider voted for deletion of the allocation for the center. Two non-high school districts, River and Riverside, were privileged to vote on the center. Only one district, River, was represented. The program would have cost the River district \$108.

Budget Increased

The \$163,975 approved budget shows an increase of \$38,975 over the current year's budget of \$125,000. "The increased amount," Intermediate Superintendent Doyle Bakmeier said, "would not require any increase in millage requested from the tax allocation board. Last year's millage of 127 of a mill, with increased valuation and more state aid, will provide the additional amount," he explained.

The \$38,975 increase will cover 1) annual increments for em-

ployees; 2) employment of additional personnel to assist in implementation of federal programs and a materials instructional center; 3) moving expenses in setting up new office facilities.

State law requires approval of the intermediate school district budget by representatives from the county school districts.

Auditorium To Be Inspected

Buchanan School Board met in an informal session Monday night to discuss circumstances surrounding the collapse of part of the ceiling in the auditorium Feb. 28.

Milton Curtis, representing Warren Holmes architectural firm, met with the board to discuss his preliminary findings. He reported that arrangements have been made to call in a structural engineer to inspect the entire auditorium.

Bernard Ellis, board president, said that until that inspection is completed cause of the ceiling collapse and extent of damage will not be known. He added that the auditorium will remain closed until all the facts are known and repairs can be made.

FRUIT FRITTERS

Fruit fritters make a delectable accompaniment to fried chicken or ham, or the fritters may be served as a dessert. For the latter use, accompany the fritters with a dessert sauce.

STREET

(Continued from page 1)

at the high school.

Residents Object

Altho the first stage would be done at general city expense, residents in that area are objecting to the improvement. Their primary objections are loss of about 41 trees and movement of the street and sidewalk so close to their homes.

Residents expressed the feeling that since most of them were retirees, the project should wait a few years until it could be completed without considerable inconvenience to elderly people.

Among suggestions by residents was elimination of parking along the street to permit more room for traffic flow. In the area of parking, city officials indicated that parking would be eliminated even after the street was widened.

Alternate Proposal

In his alternate proposal, Commissioner Nelson suggested a one way street system. This, he said, would greatly reduce cost of the project and might help promote commercial development of Days avenue.

Nelson proposed widening South Portage from Front to Central court, and then making Central court one-way west to Days. Days avenue would become one way south from Central court to Smith street, and Smith would become one-way east to Portage. Portage street would then be one-way north from Smith to Central court.

Under either proposal, the city is faced with expenditure of funds for street widening and the curb and gutter and storm sewer improvements would be necessary, according to Mayor Kenneth Witt.

Costs Are Factor

That if costs were too high, the whole project might have to be delayed. He cited bids on the northeast sanitary sewer, opened Monday afternoon, as an example of the increasing costs. Bids on the sanitary sewer project were approximately 40 per cent above engineering estimates.

As a prelude to opening the hearing, Witt reviewed the city's street improvement program over the past two years.

Present and participating in the meeting were Mayor Witt and Commissioner Nelson and Joseph Bachman, City Manager; Daryl Tammen, traffic consultant; Adrian Koest, and Kenneth Major, representative from B.W. Pettie and Associates of Benton Harbor, engineering consultants.

VICTORIA CARRIES 75

The hydrofoil ship Victoria was launched in Baltimore in July 1965. She is designed to carry as many as 75 passengers across Puget Sound between Seattle, Washington and Victoria, B.C.

Announce First Contestants as Miss Buchanan Deadline Nears

Mrs David Reitz, chairman of entrant registration for the Miss Buchanan contest, has announced that two entries had been received as of noon Wednesday. They are Lana Jones and Nancy Ann Padgett, both seniors at Buchanan high school.

Mrs Reitz issued a reminder that the deadline for entering the contest is Saturday, March 9. The new Miss Buchanan will be crowned March 30.

Entry forms may be obtained at the high school, Art's Rexall Drug or by contacting Mrs. Reitz.

Requirements for the contest are as follows: A contestant must be between the ages of 17 and 21, or be 17 by April 29, never married, of good reputation; must now be attending Buchanan high school, or be a high school graduate and now have a Buchanan mailing address.

Keith Welsh, pre-contest dinner chairman, announced that on Saturday, March 16 the contestants will be guests of the Buchanan Jaycees and their wives at a dinner at the Royal

Contestants

Miss Jones, daughter of Mr and Mrs Earnest Jones of 203 South Holmes Dr., stands 5'6", weighs 123 pounds and has blonde hair and blue eyes. She is a member of the Pep club and has previously had memberships in the Future Teachers club, Spanish club and Glee club. She is also a member of the Youth Fellowship at First Methodist church. Her other interests are swimming, dancing, horseback riding, and reading.

Miss Padgett, daughter of Mr and Mrs Lee Padgett of 310 Ryerson, stands 5'4", weighs 125 pounds, has green eyes and blonde hair. She is head usher of the Usher club. As a co-op student she is employed as a nurse's aide at Pawating hospital. She attends Church of Christ.

SOCIAL SECURITY Questions and Answers

By Sidney N. Manning, District Manager, Social Security Office, Benton Harbor

About 350 people in the Tri-County area did not sign up for the supplementary medical insurance under Medicare — which helps pay doctors' bills and other medical bills not covered under hospital insurance — will miss out on new protection unless they take advantage of the open enrollment period provided by recent legislation. These people will soon be receiving an application blank in the mail which will give them through April 1, to indicate whether or not they want the supplementary coverage. If they sign up by April 1, their coverage will begin July 1, 1968. The premium paid by the person who enrolls on time will be \$4 a month, matched dollar for dollar by the government — so the insurance is worth twice the amount of the premiums people pay for it.

Those who miss out on this second chance to take the supplementary protection will have to wait another year, and pay a premium that is 10 percent higher for each full year they could have had the medical insurance, but were not enrolled. Those now enrolling, who for a year or longer had been eligible but had not signed up, will pay an additional premium of 40 cents a month above the \$4. A person who is not enrolled for medical insurance may henceforth enroll during the first 3 months of any year, provided this period begins within 3 years after he had his first opportunity to enroll. People already 65 or older who do not have medical insurance may enroll through April 1. If they do not enroll by that date, they will have to wait until 1969 for another opportunity to do so and their coverage will not begin until July 1, 1969.

If you are the son or daughter or guardian of an elderly parent who is a bit absent-minded or has reading difficulty, and you are not sure whether he or she has signed up for medical insurance, we suggest you check to see whether that elderly person received the letter in January offering this opportunity to enroll. You may want to advise him, or help him be sure the application for this important protection is mailed back by April 1. Remember, more than 9 out of 10 people over 65 already have Medicare protection.

Besides setting new enrollment deadlines, the 1967 amendments also set yearly time limits for filing claims for reimbursement of doctor and medical expense. The most important deadline now is March 31, by which time claims must be filed for medical services received before October, 1966.

The next general deadline requires that claims for services received from Oct. 1, 1966, through Sept. 30, 1967, be filed by Dec. 31, 1968.

House Making Attempt To Control Own Spending

By DON R. PEARS, Representative 43rd Dist.

Although there have been some rather sensationalized headlines recently about legislative study missions, there can be no doubt that the Republican leadership in the House of Representatives this session has attempted to exert strict control over these trips.

Three major ideas were put into effect during 1967 and 1968. The House now operates under a budget. A legislative audit now being prepared will show fully what expenses have been undertaken and for what purpose. This audit will also give members definite guidelines for more efficient and effective future operating procedures. A controller was added to the House staff this term, another first. Another innovation established this term in the House was appointment of a budget and expenditures committee to constantly review all House expenses.

Flood of New Bills

A flood of new bills poured into the Legislature last week as House and Senate members scrambled to introduce their proposals prior to the Feb 26 deadline. A total of 216 House bills and 150 Senate bills were submitted on the final introduction day. A total of 1,555 bills have been introduced this year, 971 in the House and 584 in the Senate. At the start of the year, it was estimated that about 1,000 would be introduced. The new 1968 bills, combined with approximately 1,700 bills still active from last year, give the present Legislature over 3,200 measures to consider. Over the entire two-year term of the 74th Legislature, a total of 5,606 bills now have been introduced.

The recently-passed deadline for introduction did not apply to taxation and appropriation bills. Additional bills dealing with these subjects will be submitted during the coming weeks. Among the bills introduced on the final day was another "fair housing" measure (HB 4019) which is essentially similar to the bill that was defeated by a narrow margin during the special session last fall. Sponsors of the bill indicate a belief that the bill has a better chance of passage this year, because of the balancing aspect of the crime and anti-riot bills that are being considered on a parallel path.

More bills attempting to extend the war on crime and lawless rioting were also submitted on the final day. In addition, bills were introduced in both the House and Senate designed to strengthen provisions prohibiting strikes and work stoppages by teachers and other public employees. This is becoming an area of increasing concern with more and more legislators. Many Republicans in the House believe the recent garbage strike in New York graphically demonstrated the danger these illegal strikes pose to our society.

Other New Bills

Other House bills introduced last week would: —Allow electronic surveillance in special circumstances with court approval. This measure is aimed primarily at combating organized crime. —Exempt certain senior citizens from special tax assessments, such as for water and sewer projects. The initial loss of revenue would be made up by adding the cost of the special assessment to the price of the senior citizen's property when it is sold or transferred. To qualify for the exemption, a person 65 or older would have to have an income of \$5,000 or less and property worth not more than \$11,000 at state equalized valuation.

—Make interference with a fireman in the performance of his duty a felony offense. —Allow Michigan drivers to obtain special license plates for an extra \$10 fee. —Attempt to reduce juvenile delinquency by making hearings on juvenile offenses open to the press in felony cases. The bill would also allow news media to release the names of juvenile offenders and their parents. This, I believe, is a step in the right direction.

—Encourage year-round school operation by offering more state school aid for full-year educational programs.

—Protect tenant's rights. A number of bills were introduced on this subject, including one that would require owners to maintain leased property for the use intended, in good repair and in compliance with health and safety laws.

—Provide minimum standards for ambulance services and allow state grants up to \$20,000 to counties which guarantee to improve ambulance services above the minimum standards. Much of the floor discussion

in the House and Senate this past week has centered around the proposed lower court reorganization bill. One of the early controversies concerned the salaries for judges in the new district court system.

The House bill provides for \$20,000 state-paid salaries, which counties could supplement up to a total of \$27,500. The Senate bill contained provisions for a \$17,500 state salary.

In both chambers, moves materialized to cut the state salary back to \$15,000. I voted in favor of this cut back but was out-voted and the higher salary of \$20,000 prevailed in the Senate. However, the lower salary was adopted with a provision that it could be supplemented locally up to \$25,000.

House members gave overwhelming approval to a bill which I co-sponsored making possession of five bombs a felony. Under present law it is a felony to make or possess a "molotov cocktail" or other fire-bomb with intent to use it. However, it is practically impossible to prove intent unless the person actually does use the device. This anti-riot bill, passed 80 to 8 in the House, makes possession proof of intent.

Another bill passed by the House last week is intended to speed action on driver's license suspension cases. The bill would require a determination by the license appeal board within 30 days. The original bill had a 15 day limit, but this was amended in floor action. Figures released last week indicate that over 400 driving licenses have been suspended under Michigan's new implied consent law which went into effect last November.

Three Injured In 2-Car Crash

Three persons were injured in a two-car crash Sunday evening on Niles Buchanan road, east of Brookside drive. The crash occurred about 10:20 p.m.

Treated at Buchanan Community hospital were Otto Farrow, 43, of 403 Elizabeth and a passenger in his car, Carl Dixon, 18, of Niles. Both were treated for facial cuts. Treated at Pawating hospital for facial abrasions was the other driver, Lawrence Phiscator 21, of Route 1.

Niles State Police reported the Farrow auto apparently crossed the center line and crashed into the Phiscator car. Troopers reported measuring 135 feet of skid marks from the Farrow car, on the wrong side of the road. Phiscator's car skidded about 39 feet. Farrow was ticketed for reckless driving and for having no proof of insurance.

Band Festival Set March 16

The Buchanan varsity band under the direction of Darius Jaspers will participate in the Band and Orchestra Festival at Brandywine school Saturday March 16. The festival is sponsored by the Southwestern Michigan Band and Orchestra association.

The three selections to be played by the Buchanan band are the concert march, "Minute Man" by Robert H. Pearson; the required piece for bands, "Introduction and Invention" by Paul W. Wherret; and "Second Suite" by Robert E. Jager.

The Buchanan band is scheduled to play at 8:30 a.m. The public is invited to attend the festival and there is no admission charge.

Cub Scouting First Step Toward Manhood

"I... promise to do my best to do my duty to God and my country, to be square and to obey the law of the pack."

Hands tightly clasped in a living circle, eyes bright and alert, voices eager and earnest, boys from all over the United States in homes from Maine to Hawaii, from Oregon to Florida pledge themselves to the laws of Cub Scouting.

At the impressionable age of eight, Cub Scouting holds the promise of excitement and challenge which helps boys through a tender, awkward stage as they make their first independent step into the wonder-filled world of boyhood and hence into manhood.

Started in England

Just as Boy Scouting started first in England, so did Cub Scouting or Wolf Cubs as it was called, and it was based on Rudyard Kipling's book, "The Jungle Book." Robert Baden-Powell introduced the Wolf Cubs program, designed for boys between the ages of 8 through 11 years, in 1916 with the publication of his Wolf Cubs Handbook. His widow continues to devote her time and energies to scouting.

The Wolf Cub ranks were tenderpad, first star and second star. When Cub Scouting was introduced into the United States, its ranks were bobcat, wolf, bear, lion, and webeles, although the lion rank has now been eliminated.

The Cub Scout program is centered around the home where a den of approximately eight boys meets weekly with a den mother, a den chief and sometimes an assistant den mother in charge. Two or more dens form a pack which meets monthly with a cubmaster in charge. A month of planning and hard work is culminated at

these meetings where proud moms and dads look on as their sons receive awards and present skits or demonstrations on a monthly theme.

Two Packs

Today we have two active packs existing in the Buchanan area. Milton Holmes is cubmaster of Pack 42 which is sponsored by the American Legion and centers on the boys in the town area, while Roger Davis heads the newly formed Pack 50, sponsored by the E. U. E. church.

Pack 42 consists of 49 boys and 5 dens, and the cubs enjoy a wide variety of activities. In the past there have been swimming parties, snow ball fights, trips and tours, hikes, nature studies, games, crafts, a magic show, and camping among other things. Plans for the future include a kite flying contest scheduled for March, a pine derby race, which has become an annual event, and a roller skating party.

Recently organized Pack 50, consisting of 10 boys, is well under way with plans for tours and outings as well as skits and a memorial to Lord Baden-Powell to be presented at their blue and gold banquet this month.

Aim of Program

The Cub Scouting program is aimed at giving the boys not only fun, but a sense of good sportsmanship and citizenship. It teaches them to work and play together, to tackle new goals and to finish a job once started. They are made more aware of their duty to God and their country as well as to those around them. They are taught to give and to accept friendship, and to follow Akela (Akela is the Cub Scout name for a good leader such as a teacher, parent, policeman, cubmaster, den

Used Properly, Portable Heat Lamps Handy

Portable heat lamps are handy items for winter use around the farm and home. They can be used to warm machine and automobile engines, to warm water, to warm young pigs and lambs, to dry wet areas, and to provide quick warmth while working with equipment or at the workbench.

But make-shift heat lamp installations cause thousands of dollars worth of farm loss each year. Berrien County Agent Clare M. Musgrove recommends certain basic safety precautions which could prevent heat lamp damage. Musgrove advises using heat

mother, etc.) In short they learn "to do my best."

Armed with this motto the Cub Scout is well prepared to meet the new challenges offered by Boy Scouting and one day by the demanding role as a responsible citizen in an ever-changing world.

lamp fixtures which have been approved by the Underwriters' Laboratories to insure adequate insulation against moisture and heat.

The cord on a heat lamp unit should lead directly to a permanent outlet, not run along extension cords. The socket in the lamp unit should be of porcelain. Rubber, plastic or brass cannot endure long exposure to the heat from the lamp.

The lamp unit should be suspended securely with a chain or No. 9 wire, never string or cord. Both the lamp and cord should be kept out of reach of animals and children. And the lamp should be at least 15 inches from a litter or any flammable material, the county agent advises.

One further precaution, Musgrove said, is to protect the lamps from moisture and mechanical injury by means of a non-removable guard that would cause the fixture to roll over and direct heat away from the litter if the unit should fall with the cord still connected. Even better, he said, the cord should be short enough so that if the unit falls, it will pull the plug before it hits the floor.

FRANCHISE

A franchise granting to Indiana & Michigan Electric Company, its successors and assigns, the right to acquire, construct, maintain and operate in the streets, alleys and public places of the Township of Buchanan, County of Berrien, State of Michigan, and its successors, lines for the transmission and distribution of electric energy to the Township of Buchanan and the inhabitants thereof for light, heat, power, and other purposes and for the transmission of the same within, through or across said Township of Buchanan, County of Berrien, State of Michigan.

Be it resolved by the Township Board of the Township of Buchanan, County of Berrien, State of Michigan, and it is hereby ordained by authority of the same that:

Section I.

The Indiana & Michigan Electric Company, its successors, and assigns (hereinafter called "Grantee") are hereby granted the right, privilege, franchise and authority to acquire, construct, maintain and operate in, above, under, across and along the streets, thoroughfares, alleys, bridges and public places (as the same now exist or may hereafter be laid out) of the Township of Buchanan, County of Berrien, State of Michigan, lines for the transmission and distribution of electric energy, either by means of overhead or underground conductors, with all the necessary or desirable appurtenances for the purpose of supplying electric energy to said Township and the inhabitants thereof, and persons or corporations beyond the limits thereof, for light, heat, power or any other purposes or purpose for which electric energy is now or may hereafter be used, and the transmission of the same within, through or across said Township of Buchanan, County of Berrien, State of Michigan, subject to such reasonable regulations as the Township Board shall prescribe from time to time.

Section II.

Said lines and appurtenances shall be constructed so as to interfere as little as possible with the proper lawful use of the streets, alleys and public places. The location of all poles, conduits and appurtenances shall be made under the supervision of the Township Board of the said Township and shall be subject to such reasonable regulations as shall be prescribed by said Township Board from time to time.

Section III.

The rights, privileges and franchise hereby granted shall be in force and effect for a period of thirty (30) years from the date of the passage of this franchise.

The rights, privileges and franchise hereby granted shall not be construed to be exclusive and the Township Board of the Township of Buchanan, County of Berrien, State of Michigan hereby reserves the power to grant similar rights, privileges and franchises to any other person or persons, firm or firms, corporation or corporations.

Section IV.

Said Grantee shall save the Township harmless from any and all liability arising in any way from negligence in the erection, maintenance or operation of said lines for the distribution of electric energy.

Section V.

Whenever said Grantee shall begin the erection of any lines or equipment it shall promptly and diligently prosecute the work to completion and leave the streets, alleys and public places where such work is done in as good condition of repair as before such work was commenced.

Section VI.

Whenever in this franchise, reference is made to the Township or the Grantee, it shall be deemed to include the respective successors or assigns, of either and all rights, privileges and obligations herein contained by or on behalf of said Township, or by or on behalf of said Grantee, shall be binding upon and inure to the benefit of the respective successors or assigns of said Township, or of said Grantee, whether so expressed or not.

Section VII.

This franchise shall be accepted by the Grantee within sixty (60) days from the date of the adoption of this resolution.

Section VIII.

This franchise shall take effect from and after its adoption, acceptance and publication as required by law.

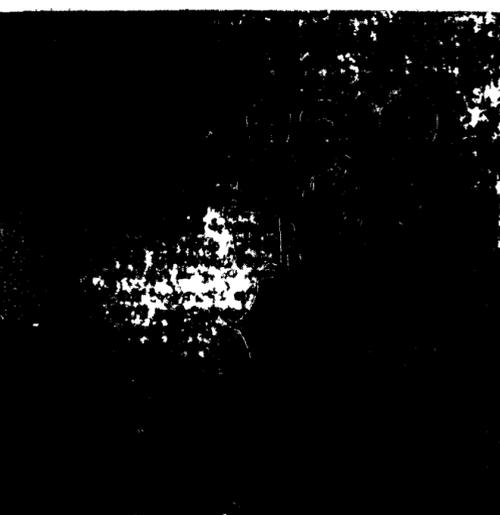

Adopted this 4th day of March, A. D. 1968.

TOWNSHIP OF BUCHANAN, COUNTY OF BERRIEN, STATE OF MICHIGAN

EASY AS THAT — Charles Starkweather, custodian at Stark school, shows how compact the new folding tables are when folded into the upright storage position. The new tables at Stark, Moccasin and Indian Hills schools can be folded up or taken down in 10 seconds each, resulting in a considerable time savings over the previous tables and chairs used. The tables cost \$200 each, but estimated savings in labor during one semester is \$675 at Stark school only. —Record Photo

SEAT 20 STUDENTS — The new folding tables at three of the elementary schools seat up to 20 students each during the noon hour. Enjoying their lunches at Stark school are a table of fifth graders. —Record Photo

Inklings by NORMA

The Buchanan class of '68 has taken its lumps, as the saying goes, with one adversity after another since the beginning of this senior year. The senior band show was rained out during football season. The annual Christmas holiday dance, usually dominated by the senior class, was cancelled this year. The senior cruise, a traditional feature of graduation time, was cancelled (due to lack of a cruise ship) and last week the auditorium ceiling came down before the curtain could go up on the senior play.

Undaunted . . . at least to outward appearances . . . the cast and crew moved their two performances of "Curtain Going Up" to the Moccasin school gym, and, like real troupers of the boards, "made do" with the trappings on hand to produce two nights of impressive entertainment in spite of a small stage with soiled backdrop curtains, poor acoustics, a spotlight crew teetering on scaffolding at the back of the gym, and a

full house audience cramped in to folding chairs, the kids were able to present a very mobile, smoothly paced comedy whose subject dealt with, most ironically, the tribulations of putting on a class play! Faculty director Mrs. Pauline Hiatt quite possibly spent all of Sunday in a darkened room gulping warm milk and tranquilizers, but in retrospect she should be very proud of the entire troupe and of her own skill and endurance in bringing it off so beautifully.

I am in no way qualified as a drama critic, but I do think some special words of praise are in order for the fine performance of Kathy Montgomery, who was able to overcome a naturally delicate voice to project her many, many lines clearly to the back of the house without sacrificing any of the dramatic interpretation of her lead part. The audience also took special delight in the performances of Connie McCaslin, John Colip, Jack Ervin, Terry Morlock, Paul Marazita, and Mike Gray. And it might be noted that Miss Jackie Nelson, who played the part of a disgruntled, testy home ec teacher, exhibited a stage presence and dramatic talent befitting the unmistakable mark of a professional. We hope she will further develop her potential.

"Curtain Going Up" was an easy play . . . a light adolescent comedy . . . and each cast member gave his part its full measure of characterization. Now, we would like to see a senior class attempt some drama with more depth. Plays by Saroyan, Eugene O'Neill, Tennessee Williams, or even Shakespeare. Those seniors who performed last week could meet such challenges and, so, surely, could many students. These plans yet-to-be

Well, no one could be more surprised than I, but the Jolly Joggers, Joggers Anonymous, or whatever we might call them, have quickly become a reality. A number of enthusiastic phone calls after last week's Inklings soon put action to the words, and four women gathered at the athletic field Monday morning to begin a daily "run, walk, gasp-awhile" routine. Several more announced their intention of joining the running team before the end of this week.

Jolly Joggers Minus One

The first day was tough, all right. After coming nowhere near the mark for minimum physical fitness (a MILE in 12 minutes!) we nevertheless staggered home feeling exhilarated, super ventilated, and somewhat like a bowl of gelatin left to melt on the kitchen table. The second day was worse . . . like the tin man without his can of oil, but we carried on, a little better than before.

The plans are to gather each morning (when it's not blizzardy or raining) at 9:30 on the road encircling the athletic field. We'll use the track when the snow melts . . . and anyone with gumption and determination is urged to come join the pack. It only takes a few minutes out of the day if you come to run with us . . . fine if you come to laugh, we'll run you down . . . and we'll be wearing a junior size before you!

There has been considerable stirring of minds and some worthwhile suggestions concerning a teen center in Buchanan, following (and before) our recent opinion survey. Ideally, of course, youth activities would be incorporated into a new civic center for Buchanan. Such a center could serve many functions . . . a social and hobby headquarters for senior citizens and others, a home for a community theatre group and a children's theatre, organizational meeting place, and recreational hall for all ages, including teen "doings" . . . plus a lot more. Eventually the people of this community will find the impetus and the financial means to construct such a beneficial activity center . . . in the meantime, summer is coming, and our 13-to-17-year olds will once again have the choice of the local pool halls, the library steps . . . or a fast car out of town . . . for the casual kind of get-together with their peers which people of ALL ages seek in one way or another.

If we want our young people to really like their hometown . . . to want to come back and spend their lives here, we'll seek the means to fill some of their out-of-school hours with the kind of fellowship and fun they want and need. We will not simply shrug and abandon them to loneliness and boredom, or assail them with the familiar adult words, "In my day, kids found plenty of worthwhile things to do" in "their" day . . . it's a far different world. Just the EFFORT to provide them once again with a place of their own, even if the first results are not ideal, should help our teenagers to like Buchanan a little better . . . to feel a little kinship and appreciation toward the town that cared.

I think it's time to investigate some of the new youth center programs now being organized in other towns . . . to study their methods and the results . . . and perhaps to query our own junior and senior high students on the subject.

Ode to a Closed Mind
Ignorance cannot be bliss, still
What we do not know
Is not so hurtful to us, as
What we know that isn't so
by Donald Huron,
Buchanan

To Host VFW Auxiliary
The Gladys N. Lyon Post 3102 Veterans of Foreign Wars auxiliary will meet Wednesday, March 13, at 8 p.m. at the home of Mrs. Russell Cole of Walton road. Mrs. Harvey Swem will be in charge of refreshments.

Navy Mothers to Meet
The Paul E. Thurston Navy Mothers club will meet next Wednesday, 1 p.m. at the home of Mrs. Alice McClellan of 210 Cecil Ave.

Set Moosehau Night
The Buchanan Women of the Moose will hold Moosehau chapter night Thursday, March 14, at 8 p.m. Mrs. Robert Dill is chairman of the program arrangements.

Engaged

Miss Diane Linfor

The engagement of Miss Diane Elaine Linfor to Michael Louis Stevens of this city is announced by her parents, Mr. and Mrs. Dean A. Linfor, of Dearborn. He is the son of Mr. and Mrs. Earl L. Stevens, Wagner road, Buchanan.

The bride-elect, a graduate of Edsel Ford high school, Dearborn, is presently completing her junior year at Michigan State university, where she is majoring in the field of special education. She is affiliated with Alpha Omicron Pi social sorority.

Her fiancé, a 1963 graduate of Buchanan high school, received a bachelor of arts degree at Michigan State in 1967, and is presently an April candidate for a master's degree in English at the University of Michigan.

No definite wedding date has as yet been set by the couple.

Go-Downers Change Name

The Go-Go-Downers TOPS club met Thursday afternoon in the Oronoko Methodist church. Mrs. Vern Cuthbert, recorder of weights and measures, reported 13 members weighing in.

The title of queen of the day was shared by Mrs. Lawrence Decker and Mrs. Stephen Hancher.

During the brief business session Mrs. Donald Trull, leader, reported the new name of Go-Downers TOPS club was approved by the area council. The name change was necessitated by the ruling that no TOPS club have a name with a commercial connotation.

Mrs. Trull reported on the area leaders meeting that she attended in Benton Harbor recently.

The club then divided into three workshops for discussion of the topic "Ways to use food for nutrition and weight loss and not as a crutch."

Freedom Festival Theme For Blue, Gold Banquet

Using the theme "Freedom Festival" Cub Scouts of Pack 42 and their families met Wednesday evening in the American Legion home for the annual Blue and Gold banquet.

Milton Holmes, cubmaster, opened the meeting with the Pledge of Allegiance followed by the Philmont prayer.

Awards were then presented to the cubs who had earned them. In Den 1, Steve Hancher received the Wolf badge and Larry Ott the silver arrow, Den 2, Scott Weirbeck the Bobcat pin, Jim Norton the Wolf badge, Frank Unger his denner bars, and Jeff Miller the assistant denner bars. In the Webelos Den 3, athletic awards went to David Runkewich, Mark Jackson, Scott Mitchell and David Habicht. Other awards in Den 3 were David Habicht, science award, Jeff Griffin Holmes, aquanaut award, and John Ott, citizenship award.

Wayde Sumeix of Den 4 was awarded the Wolf badge. In Den 5, Jeff Letcher received his Wolf badge and gold arrow, Steve Riddough his silver arrow, and Brady Mitchell his Wolf badge.

In keeping with the theme each den decorated its own table. Den 1 used the theme of mountains centered on the table with individual mountains with flags at each place.

The Den and American flags surrounded by a flower garden decorated the table of Den 2 and the cubs made corsages for the mothers at their table.

Den 3 draped its table in blue and gold bunting and arranged standing plaques down the table center.

A cherry tree with a hatchet and silhouette of George Washington and a wood pile and axe and silhouette of Abraham Lincoln were the centerpiece for Den 4's table and each place was marked by a hatchet place card.

A styrofoam replica of the Capitol building was sculptured by the Cub Scouts of Den 5 for their centerpiece. Surrounding the building were miniature Cub Scouts.

The entertainment for the evening featured the talents of Uncle Wentzel, a chalk artist.

Services Mark Day of Prayer

The women of Buchanan area churches joined with other women of the world Friday afternoon at the Buchanan Seventh day Adventist church in observance of the annual World Day of Prayer.

Elder E. J. Stevenson, pastor of the host church, welcomed the approximately 55 women present.

Mrs. Glen Lemon conducted the service. Others participating in the service were Mrs. Ernestine Williams, Evangelist Velma Kelly, Mrs. Bernice Virgil, Mrs. George VandenBosch, Mrs. Myrtle Rith and Mrs. Joseph Barrett.

Rev. Louise Harris sang "If I Can Help Somebody" and "The Day Thou Gavest, Lord."

"Bear Another One's Burdens," taken from Galatians 6:2, was the title of Elder Stevenson's sermonette. Elder Stevenson stated "If we have love in our hearts, and place others first in our consideration, there would be less strife and hardship and suffering throughout the world." He urged that each one try to become more like Christ in his everyday life and actions, so as to help one another bear his burdens.

The offering will be given to the Berrien Council of Churches to help in the "migrant worker needs" which is the second largest state employing migrant workers, approximately 18,000.

A fellowship hour followed the service in the home of Mr. and Mrs. G. Wisner.

Observance for Anniversary Set By Legion Post

Mrs. Joseph Gorbitz, president, announced that the American Legion auxiliary is again sponsoring Post 51's annual Legion birthday anniversary dinner Saturday, March 9 in the Legion home. The occasion also marks the 50th anniversary of the American Legion.

'But, Daddy' Is Reviewed

The Buchanan book club met Monday afternoon in the home of Mrs. Roy F. Wright.

Mrs. Ted Halbitter reviewed the book, "But, Daddy," by Tom Buck. Buck is the father of 11 children and has related some of his humorous experiences with his large family.

Mrs. J. R. Semple presided at the tea table which was centered with a spring bouquet.

On March 18 the club will meet with Mrs. Caryl Herman.

Legion is Holding

Charles Irwin, second vice commander, has announced that beginning this Friday, the snorgasbord at the American Legion home will open at 6:30 p.m. and continue thru the evening.

Starting at 9 p.m. the piano bar features Chuck Hanes at the organ for the entertainment of Legion and auxiliary members and their guests.

Church to Sponsor Adult Education Class

Tentative plans for another adult education class at First Presbyterian church were reported this week. The course will feature the viewing and discussion of films with the course theme being "Conformity," and taught by Rev. Donald Nepstad.

The course which will run for three sessions is scheduled to begin Monday, March 18.

Couple Honored At Reception

A reception was held March 2 in Bertrand township hall in honor of Lance Corporal and Mrs. Leonard G. Pease, Jr., who were married Dec. 23 in Church of the Nazarene, Pisgah, Ohio.

Hosts for the reception were the bridegroom's parents, Mr. and Mrs. Leonard Pease, Sr., of 4230 Curian Rd.

The bride is the former Mary Watchorn, daughter of Mrs. Charles Watchorn of Fayette. She is a 1964 graduate of Lakota high school in Cincinnati, Ohio and attended Olivet Nazarene college in Kankakee, Ill.

The bridegroom, a 1965 graduate of Galien high school, also attended Olivet Nazarene college.

Cub Pack 50 Holds Banquet

Recently organized Cub Scout Pack 50 held its first annual Blue and Gold banquet Thursday evening at the Evangelical United Brethren church.

The tables were decorated with blue and gold crepe paper accented with silhouettes of George Washington and Abraham Lincoln and several cub scouts. In keeping with the month's theme "Freedom Festival," the cub scouts made flag nut cups.

John Steere, cubmaster, opened the program by calling upon Denner Mark Fall to lead the Pledge of Allegiance.

Two skits were presented by the cubs. The first included a demonstration of 10 different ways to display the American flag and was under the direction of Mrs. Roger Davis, den mother. The second skit was in honor of Lord Baden-Powell, founder of scouting, directed by Mrs. Paul Gradeless, assistant den mother.

Rick Swem, assistant denner played the piano accompaniment to the "Star Spangled Banner."

Mothers to Meet

The Mothers or Twins Club of Niles and Buchanan will meet Tuesday evening at 8 p.m. in the home of Mrs. Ted Armstrong of 1643 Regent St. Niles. Assisting the hostess will be Mrs. John Prucec.

Hold Annual Dinner

Odd Fellow Lodge No. 75 held its annual dinner at a Niles restaurant Tuesday evening. Gus Pagnas made the dinner arrangements.

Men in Service

Leonard Little of 401 Portage was among 10 area men who enlisted in the Navy during February, reports Radarman First Class Paul W. Shock, Jr., Navy recruit.

John W. Matlock, son of Mrs. Ruth Matlock of 416 West Front St., is home on 30 day leave from Alaska. He was recently promoted to the rank of Specialist 4.

Upon completing his leave he will be sent to do a tour of duty in Vietnam.

Matlock is a graduate of Buchanan high school.

Must Tumble Dry Permanent Press

Tags reading "For best results, tumble dry" found on permanent press garments may be misleading, according to Bernetta Kahabka, extension textile and clothing specialist at Michigan State university.

More accurate instructions should read "Best non-iron results will be obtained only by tumble drying."

"Although many types of slacks give satisfactory no-iron performance whether line or tumble dried, most other types of permanent press should be tumble dried to achieve the desired no-iron performance," she says.

Tumble drying is especially necessary for light weight blouses, dresses and shirts in white and solid shades. Drying time should be short and prompt removal from the dryer is important.

What does permanent press mean to the homemaker who does not have access to a dryer? "The results of line drying blouses, shirts, and dresses will be equivalent to the best performance of wash and wear garments. Therefore, touch-up ironing at a low temperature may be needed," Mrs. Kahabka continued.

Great strides toward solving the problems of durability, cleanliness, and complete no-iron features for durable press are being made. For example, the current soil release processes were developed for freeing stains from durable press.

Progress will continue with greater future emphasis on engineering fabric construction and variety in fiber blends, especially for permanent press.

Highway Trainee Program Opens

Applications are being accepted for a three-year technical training program to be sponsored by the Michigan Department of State Highways.

Selection of 100 students will be based on examinations, and applications can be obtained from county clerks, the Michigan Employment Security Commission and the Michigan Civil Service Commission.

The program will include on-the-job training and classroom study. Students will work for six months beginning in July on various highway department jobs, including drafting, design and survey, then attend one of four colleges and universities for six months.

Graduates will receive an associate of applied science degree. Students will be paid from \$215 to \$230 every two weeks while working, but will receive compensation while attending school.

High school graduates, including those of next June, 40 years old and under, are eligible to apply.

Cooperating schools are Ferris State college, Big Rapids, Lansing Community college, Michigan Technological university, Houghton, and Schoolcraft Community college, Livonia.

Road Hazards Getting Axe

Work will start soon to remove some 1,400 trees that represent a hazard to traffic on US-12, M-50 and M-99 in Jackson, Hillsdale and Washtenaw counties.

The work is part of a continuing State Highway Commission safety program to eliminate roadside hazards.

Safety experts estimate that about 50 fatal automobile accidents in Michigan last year which might have resulted in only minor damage to cars except for the presence of trees near the roadway.

IN THE TOWNSHIP OF BUCHANAN, BERRIEN COUNTY, MICHIGAN, TO BE HELD

APRIL 25, 1968

FOR THE PURPOSE OF SUBMITTING TO THE ELECTORS OF SAID TOWNSHIP THE QUESTION OF THE CONFIRMATION OF THE GRANTING OF A FRANCHISE TO THE INDIANA & MICHIGAN ELECTRIC COMPANY, ITS SUCCESSORS AND ASSIGNS, TO USE THE HIGHWAYS, STREETS, ALLEYS AND OTHER PUBLIC PLACES OF THE SAID TOWNSHIP FOR THE TRANSMISSION AND DISTRIBUTION OF ELECTRICITY, TO SET POLES, STRING WIRES, LAY PIPE OR CONDUITS AND TO OPERATE AND MAINTAIN THE SAME SUBJECT TO SUCH REASONABLE REGULATIONS AS THE TOWNSHIP BOARD OF SAID TOWNSHIP OF BUCHANAN SHALL PRESCRIBE FROM TIME TO TIME.

TO THE QUALIFIED ELECTORS OF THE TOWNSHIP OF BUCHANAN, COUNTY OF BERRIEN, STATE OF MICHIGAN —

Notice is hereby given that in conformity with the "Michigan Election Law", I, the undersigned Clerk, will upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township not already registered who may apply to me personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Fifth Friday preceding any regular, special or official primary election and the day of such election.

NOTICE IS HEREBY GIVEN THAT I WILL BE IN MY OFFICE, IN BUCHANAN TOWNSHIP HALL, 1280 MAIN STREET ROAD ON —

FRIDAY, MARCH 22, 1968 LAST DAY

THE FIFTH FRIDAY PRECEDING SAID ELECTION

As provided by Section 498, Act No. 116, Public Acts of 1954 as amended.

From 8 o'clock a.m. until 8 o'clock p.m. on said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP as SHALL PROPERLY apply therefor. ALSO, at other times by appointment call 695-5484.

The name of no person but an actual resident of the township at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Clayton E Spaulding
Township Clerk

Berry's Bucks Record Perfect 16-0 Season

First Undefeated Mark In 39 Years for Bucktown

"Great! It's just great!" exclaimed Coach Ray Berry after the Bucks beat Niles 62-54 Friday night for their first undefeated season in 39 years.

"It takes a special group of boys to do this," he added as he stood dripping wet in his office. Jubilant cagers hoisted their coach to their shoulders after the victory, which gave them a perfect 16-0 season record, and later threw him in the shower—a long standing tradition after an out-standing accomplishment.

The undefeated season was the first in his 17 year career for Berry and the first since 1929 for Buchanan. Berry has been head coach here for 13 years and once before just missed a perfect season. In 1962 the Bucks posted a 15-1 record and advanced to the regional finals. That was the last year

the Bucks beat Niles twice in one season.

In 1929 under Coach Curly Bradfield the Bucks went undefeated and posted a 20-0 record before being beaten in the state finals at Lansing, the first year the finals were held there. At that time Buchanan was a Class C school.

Buchanan could well be in for a repeat of 1929, and 1957 when after they suffered six losses during the season, the Bucks went on to meet River Rouge for the Class B championship.

If the boys have their way they will do one better than any of their predecessors. "We're going all the way," shouted the boys after Friday night's game.

Typical Game

Friday night's game was typical of the season, with the Bucks coming from behind to win and defense telling the success story. A tough man-to-man defense has been the key to the Bucks' success thruout the season. Accuracy at the free throw line also has been a big factor, altho the Bucks were cool Friday night.

Both teams played scoreless ball for more than a minute and a half before the Vikings broke the scoring ice. Chet Hankerson retallated with a layup before Niles started bombing the net from the outside.

At 4:27 in the first period the Bucks trailed 8-2 and Berry called time out to realign his defense. After that Niles scored only twice more and the Bucks came back to take a 14-12 lead before the quarter ended.

Hayward Miller sank a free throw to start the Bucks' express. Bill Rauch tossed a high pass to Miller under the bucket for two more points before Pat Sexton swished the net from the corner. Francis Brown drove in for a layup and Hankerson sank a pair of free throws to close the gap to one point, 12-11 with 50 seconds remaining.

THEIR HERO — Coach Ray Berry was everyone's hero Friday night after the Bucks beat Niles to post their first undefeated season in 39 years. Excited players carried their coach around the gym as happy fans crowded around to extend their congratulations. —Record Photo

A free throw by Sexton tied the score and a rebound by Miller put the Bucks out in front with 7 seconds remaining.

The Vikings threw a full court press at the Bucks in the second period and succeeded in tying the score three times before taking a one point, 29-28 lead at halftime.

Miller sank another rebound to give the Bucks a four point lead as the second period opened, but Dwight Kelly and Dan Loupee countered for Niles to tie the score at 16-16.

A layup by Brown and a long shot by Rauch opened a gap which the Bucks maintained until late in the period. Eight points by Rauch during the quarter kept the Bucks alive as the Vikings repeatedly closed the gap to two or four points.

Buchanan held the lead until the final 18 seconds when a long shot by Mike Burdick tied it up at 26-26. Rauch came back with a layup for the Bucks, but a three-point play by Rod Yeung as the halftime buzzer sounded gave the Vikings a 29-28 margin.

Bucks Take Command
The Vikings' lead was short-lived as the third period opened. Miller sank a jumper with the period only 18 seconds old to put the Bucks in command.

Bill Haslett countered for Niles for the Vikings' last lead of the game. Buchanan went out front to stay on a two-point lead from under the bucket by Rauch. Rauch added a jump shot and the Bucks slowly began to widen the gap.

Shortly before the period ended the Bucks had opened a seven-point margin, only to have it cut to four points.

Fouling remained light by both squads thruout the third period, and as they went into the final 8 minutes Jim Lauderdale of Niles was the only player on the floor with three personal fouls.

Free throw shooting was the Bucks' mainstay in the fourth period as they scored 10 of 16 points at the foul line.

The Vikings tried desperately to close in on the Bucks, but that tight defense kept them from shooting. Thus, the Bucks were able to eat up valuable time as their opponents attempted to work the ball in for the choice shots.

When the final buzzer sounded a happy Buck squad had posted a 62-54 victory, the second of the season over their Class A rival. After hoisting their coach on their shoulders, the next target was the nets which were soon cut from their hoops and became souvenirs.

Narrow, come-from-behind victories have been the Bucks' trade mark this season. As a result the starting five has seen lengthy action thruout many contests. Their superior physical condition and endurance was in evidence Friday night as the starting five played the entire game, with exception of less than a minute when Brown was pulled to have a bandaid placed over a cut on his hand.

Balanced Scoring
Another trade mark of the Bucks was in evidence against Niles—balanced scoring. Rauch led the pack with 18 points, while Miller accounted for 14, Hankerson 13, Brown 9 and Sexton 8 points.

As a team, the Bucks sank 23 of 45 shots for a hot 51 per cent from the floor, and 16 of 30 from the free throw line for 53 per cent, an unusually low percentage for this year's squad.

The Vikings also turned in a good performance, hitting on 23 of 49 field goal attempts for 46 per cent and 8 of 14 free throws for 57 per cent.

Buchanan held a decided edge in rebounding, claiming 19 on offense and 29 on defense, compared to 9 on offense and 17 on

For Buck Fans

Tournament Time Revives Memories

The reality of an undefeated basketball season and the beginning of district cage tournaments have Buck fans strolling down memory lane, reviving past glories.

The 16-0 perfect season posted by Coach Ray Berry's cagers was the first in 39 years for Bucktown. Not since Coach Curly Bradfield's 1929 squad posted a 20-0 record has a Buchanan team gone undefeated.

In 1928 and 1929 Bradfield's defense for the Vikings. Miller was the top rebounder with 12, followed by Rauch with 10, Hankerson with 9 and Brown with 8.

teams advanced into the state finals. In 1929 Buchanan beat Niles twice, 22-20 and 21-15, and Bridgman team which later became state Class D champs.

In that same era several other local residents were helping to write basketball history. At Bridgman Coach Lawrence Decker's squads were state Class D champions in 1928 and 1929. In 1928 tournament Bridgman beat Ravenna, then coached by Dr. Milton J. Converse. High school principal at Bridgman during those days of basketball fame was Pierre Bailey.

Another local fan who recalls

Jayvees Lose

Buchanan jayvees suffered their fifth loss of the season Friday, bowing to Niles 61-57. Coach Don Rennhack's squad ended the season with an 11-5 mark.

The future Bucks trailed Niles thruout the contest as the visitors tallied 23 points in the opening stanza. From then on Niles maintained an 8-10 point margin until the final buzzer.

Buchanan ran into foul trouble early, and before the first period was completed Harlan Vastine was riding the bench with four fouls and Jeff Clark had been whistled for three.

Dan Merritt paced the home squad with 11 points, followed by Vic Backus, David Hassan and Vastine, each with 10 points.

LAYUP FOR RAUCH — Forward Bill Rauch's hand can be seen thru the glass backboard as he lets the ball roll off his finger tips for a two-point layup Friday night against Niles. The Bucks won 62-54 for their 16th consecutive victory of the season. Behind Rauch is Tom Mallory of the Vikings. —Record Photo

the glory days of basketball is Emil Stelter, who played on three Bridgman teams that won state titles, 1928, 1928 and 1931. In 1955 the Bucks posted a 10-6 season mark, but won the district and regional titles and challenged River Rouge in the state Class B championship game.

Back to more recent history, Berry's 1962 squad just missed a perfect season, dropping the lone defeat of the season to New Carlisle. That year the Bucks won the Big Six championship with a perfect 10-0 record.

Buchanan also posted perfect league records in the Blossomland conference in 1963 and again this year.

In addition to league titles in 1962, 1963, 1964, 1966 and 1968, Berry's squad lays claim to four district titles. The Bucks were district champs in 1960, 1961, 1962 and 1964. In 1960 the Bucks advanced to the regional finals, where they were defeated by Godwin Heights, 1961 the Bucks met and lost to Holland Christian in the regional final, 1962 East Grand Rapids upset the Bucks in the regional final, and in 1964 Buchanan lost to Allegan in the regional semi-finals.

With an undefeated season behind them, Buck fans are looking forward to the district at Dowagiac, regionals at Kalamazoo, and

Cougars 20-19 in the sixth grade. Tuesday night the Hawks were beaten by the Lakers 13-6 and the Bears edged the Lions 9-8 in overtime in fifth grade action, and the Bruins beat the

Wolverines 11-8 and the Cougars whipped the Trojans 23-18 in overtime in sixth grade games. Wednesday night Cougars lost. See CAGE, Page 3.

Set Lenten Schedule In Galien Churches

The following schedule has been set up for Lenten services by Galien Council of Churches.

March 10—Service at 7:30 p.m. at the RLDS church with Rev. Richard Arent of St. Peter's United Church of Christ in charge of the service.

March 17—Service at the Haven Hubbard home in New Canisls, Ind., at 8 p.m. Michigan time, with Rev. Lawrence "Suicide Mountain" being shown speaker.

March 24—Service at 7:30 p.m. at the RLDS church with Rev. Philip McLaren, science instructor at Bethel college, as speaker.

March 31—Service at RLDS church at 7:30 p.m. with a film, "Suicide Mountain" being shown. The film lasts approximately 45 minutes.

April 7—Palm Sunday service will feature a singspiration at the St. Peter's United Church of Christ at 7:30 p.m. with Rev. Richard Arent, pastor in charge.

April 12—Good Friday playlet at the high school at 8 p.m. The playlet is entitled, "Were You There?"

April 14—Easter Sunrise serv-

ice will be held at the Olive Branch, Evangelical United Brethren church at 6:30 p.m. The Methodist church will be in charge of the service and the Olive Branch EUB church in charge of the breakfast.

A community choir has been organized for the Lenten services and practice is held Monday evenings at the RLDS church at 8 o'clock. Kenneth Stanek, director of music at the high school, is directing the choir.

Set Lenten Service

Sunday evening the second Lenten service will be held at Galien RLDS church with the St. Peter's United Church of Christ in charge of the service, which begins at 7:30 p.m.

Each Monday evening a Community choir practice is held at the RLDS church at 8 p.m. for the Lenten services. Kenneth Stanek, music director at the high school, is in charge.

Athletic Boosters to Meet
The Galien Athletic Boosters will meet Monday evening at 7:30 p.m. in Room 10.

Galien Township School Menu

March 11 thru 15

Monday — Hot dog, Spanish rice, and peaches
Tuesday — Pizza, corn, and pineapple.

Wednesday — No lunches
Thursday — No lunches
Friday — Bean and bacon soup, chopped ham sandwiches, and orange jello

School Calendar Listed at Galien

The following activities have been scheduled during the month of March at Galien Township high school.

March 11 Athletic Boosters in Room 10 at 7:30 p.m.

March 12 Girl Scout banquet at the cafeteria at 6:30 p.m.

March 13 PTA meeting at 7:30 p.m., report card day, science fair, parent-teacher conference for grades 7-12.

March 14 Science fair, parent teacher conferences for grades 7-12.

March 16 High school band contest in Bridgman.

March 18 Board of Education meeting at 8 p.m.

March 19 Cub Scouts at 7 p.m. in the cafeteria and 4-H in room 10.

March 20 Little League meeting in auditorium at 7:30 p.m.

March 22-April 1 Spring vacation.

March 30 PTA benefit basketball game, 8 p.m.

Galien Eagles Are Honored

The annual Boy Scout banquet was held Saturday night with 76 attending a co-operative supper and honoring Ernest Chase and David Hickok, sons of Mr. and Mrs. Ernest Chase and Mr. and Mrs. Warren Hickok, who recently received Eagle Scout awards. Their mothers were presented corsages by Wayne Newitt.

Devon Hilschman presented miniature life pins to Mrs. Hickok and Mrs. Chase. Miniature star pins were presented to Mrs. Edward Markunas, Mrs. Ellis Sheppardson, Mrs. Harley Marrow and Mrs. Robert DuBois.

Dick Norris and Edward Markunas presented the summer camp program and discussed this with those present.

Firemen Plan Dance

A fireman's dance was planned for April 20 at New Troy American Legion home when Galien volunteer firemen met last week at the fire station. There will be dancing and refreshments.

The next regular meeting for firemen is scheduled for March 25.

Girl Scouts Set Banquet

The annual Girl Scout banquet for scouts and their families will be held March 12 at 6:30 p.m. in the cafeteria of the Galien high school. Movies on camping will be shown.

To Sponsor Movie

The Galien Parent-Teacher association will sponsor a movie, "Tom Sawyer," on Saturday, March 16, at 10 a.m. in the auditorium of the high school.

Board to Meet

The Galien Board of Review will meet March 13 from 9-12 a.m. and 1-5 p.m. at the fire station.

Mr. and Mrs. Lloyd Lewis of Dayton have recently returned home from a vacation trip to Nassau. Lewis won the trip thru his job at Oliver corporation, which sponsored the trip.

RUTS VISIBLE

Wagon ruts of the old Oregon Trail are still visible at some points in Nebraska—more than a century after they were made.

States Chief Shibinski

Civil Disobedience Points Up Need for Change of Attitude

"The spread of civil disobedience and increasing crime rate points up the monumental need for changing the attitude of many people toward law and order," stated Chief Shibiński in his annual report to the City Commission. Although there was some increase in crime on the local level, Chief Shibiński directed his comments toward the general trend of lawlessness evident throughout the country.

"People must realize that, basically, law enforcement is not a game of 'cops and robbers' but a part of the science of government designed for the protection of the rights of every individual citizen. Freedom is the right to create, but not a license to destroy. Thus, the purpose of all just laws is to expand freedom—not to destroy it."

"Protection of life, liberty and property is the foundation upon which all civilization must be built. If this foundation weakens, eventually the civilization falls."

"If such protection is to be adequate to meet the requirements of today's revolutionary society, we must reassess many of our attitudes," stated Chief Shibiński.

Six Rules

He then listed six rules of which everyone should be aware.

—Every citizen must understand that law enforcement is everybody's business.

—Every good citizen must be on the side of law and order, which means personal involvement and commitment.

—Every citizen must know that if he is to preserve freedom for himself and security for his family and his property, he must exercise restraint and not license, that he must respect the government that he relies upon to protect him, his family and his property, and not to flaunt or defile it.

—Every citizen must understand that the police officer is his agent, his employee, his friend, and his agent of the government to preserve freedom and security for all who want to build and not destroy.

—Every citizen must obey all of the laws and not just those with which he agrees.

—Every citizen must realize a lack of respect for the rights of others will eventually destroy his own.

"Many people," said Shibiński, "visualize the police officer as a threat to their freedom rather than its protector. This image must be supplanted with a new concept of an officer as protector of that which is sacred and meaningful to every

thinking person.

"The police officer must become for every child, not a symbol of fear and coercion, but his protector against aggression of the cheat, the destroyer, and the unfair."

"All of us must realize and appreciate the great debt which we owe all law enforcement officers—city, county, state and federal—who risk their lives daily in the line of duty," concluded Chief Shibiński.

Crime on Increase

Shibiński's report showed that the incidence of criminal and traffic arrests was higher than a year ago. However, he noted it was lower than the 1965 level. In 1967 the department investigated 1,199 complaints and 226 accidents, resulting in 133 criminal arrests and 315 traffic arrests. This compares with 1,556 complaints in 1966, 281 accidents, 77 criminal arrests, and 228 traffic arrests.

In the area of criminal activity, the department investigated 205 reported offenses. Of these, 13 were found to be false reports. Of the 192 actual offenses reported, investigation resulted in the arrest of 52 adults and 24 juveniles.

Petty larceny was the most common offense. Investigation

of the 106 offenses lead to arrest of 21 adults and 14 juveniles.

There were 28 burglaries, resulting in the arrest of seven adults and six juveniles, and 20 offenses of grand larceny resulted in arrest of two adults and one juvenile.

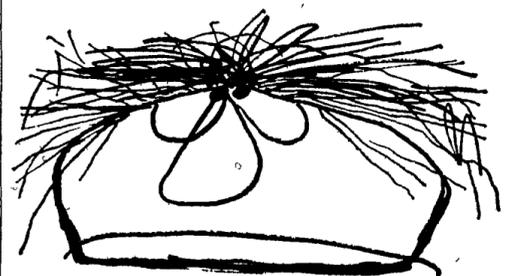

Investigation of 26 cases of assault lead to the arrest of 16 adults. Three cases involved use of firearms and three involved use of knives.

Nine autos were stolen in 1967, and following investigation five adults and three juveniles were arrested.

Chief Shibiński's report indicated an increase in parking violations, from 316 in 1966 to 652, a decrease in meter violation, from 750 down to 675, an increase in the number of assists and escorts, from 221 to 252; a decrease in vacation checks, from 125 to 104, and an increase in miles traveled, from 50,683 in 1966 to 64,748 last year.

OPIUM PREHISTORIC

It is probable that opium, which is native to Asia Minor, has been used since prehistoric times. There are written references to its use by man as early as the third century B.C.

Fire Alarms Average Two Per Month in '67

The frequency of fires in Buchanan was reduced almost in half during the past year, compared to 1966, reports Chief Neal Burks. Twenty-six fires were reported last year compared to 48 the previous 12 months.

Altho the number of fires was down, the estimated damage increased in 1967 estimated damage was \$15,420 compared to \$12,755. A breakdown of last year shows damage to buildings \$8,720, contents \$4,320, and miscellaneous \$2,320.

Value of property endangered by fire totaled \$137,815, with estimated value of buildings \$101,750, contents \$19,600, and miscellaneous \$10,465.

September and October were the "most popular" months for fires with four each, followed by January and May with three each, February, March, April, and November with two each, and June, July, August and December with one each. The lone alarm in August was an assist to Buchanan township, and one of the November fires was an assist to Bertrand township.

Five of the fires were attributed to electrical causes, while four were blamed on carelessness, three were undetermined, two were false alarms, one was blamed on lightning and one on flammable liquids. Ten fires were listed as having miscellaneous origins.

Seven fires were in residences, six in automobiles, three in industries, two each in lumber piles and private garages, and one each utility pole, business establishment and lodge hall.

Most fire alarms were reported on Thursdays and the most frequent time was between 1 and 5 p.m.

Burks also reported on success of the department's water-ball team last summer. The team won two first places, two thirds, and two fourths.

Horsemanship Course Planned

An eight week Horse and Horsemanship school to be held on successive Tuesday evenings from March 5 thru April 23 has been announced by Berrien County cooperative Extension service. This program is designed for adults 18 years of age or older, from the "just interested" thru to the experienced horseman.

Subjects to be covered include The Anatomy of the Horse, Nutrition, Unsoundness including legs, hooves, respiratory and nervous systems, eyes, hearing, teeth, etc.; Breeding, Hoof Care, Buying and Transporting Horses, Health and Care, Stable Facilities and Management; plus demonstrations and instruction on Western and English riding.

Registration for this non-profit school will be limited to the 120 persons making formal application. Persons interested in registering for this school may do so by sending in their name and address with their \$10 application fee or personally visiting the Berrien Cooperative Extension Service in the court house at St. Joseph Applications and brochures will be mailed upon request. Applications will be accepted only at the Berrien Cooperative Extension Service office.

The first class will be held March 5, 7:30 - 9:30 p.m. at Laughlin Place Stables on Niles-Buchanan road. The balance of

the classes will be held in the auditorium of the Youth Memorial building at the Youth Fair Grounds in Berrien Springs.

In addition to professional resource persons from Ralston Purina Horse Research division at St. Louis, Mo., and Michigan State University, area persons serving on the staff will include veterinarian Dr. Charles Ward, William Erwin, Barry Borst, and Robert Egan of Laughlin Place stable.

Jayshees Plan Important Meeting

The Buchanan Jayshees will meet this evening (Thursday) at 8 p.m. in the home of Mrs. Brian Lohmough of 308 Harlan Ave. Mrs. Victor Shafer, president, stressed the importance of all members attending to make committee progress reports for the Miss Buchanan contest.

Spring dues will be payable by all members at this meeting.

GAR Plans Dinner

The Carlisle-Hanley Bunker circle of the Ladies of the Grand Army of the Republic will meet Tuesday, March 12, at the home of Mrs. John Pfeil of Niles Buchanan road. A cooperative dinner is scheduled for 5 p.m. and will honor those members who have March birthday anniversaries.

Mrs. Meryl Lintner, president, will conduct the business session.

Band Boosters to Meet

Milton Viganaky, president announced the Buchanan Band and Orchestra association will meet Monday evening at 8 p.m. in the high school band room. A report on scholarships will be made Mrs. William Wantz will be hostess.

Set Meeting Tonight

The Prumrose camp of Royal Neighbor lodge will meet this evening (Thursday) at 8 o'clock in the Royal Neighbor hall. Hostesses are Mrs. Cecil Pierce and Mrs. Marguerite Murray. Mrs. Clair Baldwin oracle, will conduct the meeting.

Rebekahs Plan Dinner

The June Rebekah lodge will meet this evening (Thursday) at 6:30 p.m. for a co-operative family dinner in Glendora Odd Fellow hall. Mrs. Duane Fletcher is in charge of dinner arrangements.

Society to View Film

Mrs. James Topash, president, announced that the film, "Witness Only a Layman Can Give", will be featured as the program for the Altar and Rosary society meeting this evening (Thursday) at 8 o'clock in St. Anthony's Roman Catholic church.

FDI Club to Meet

The FDI club of Bay Leaf Rebekah lodge will meet this evening (Thursday) at 7:30 in the Odd Fellow hall. Members are to take a white elephant and a sack lunch.

Rose Circle to Meet

The Rose circle of First Methodist church will meet Wednesday, March 13, 1:30 p.m. Hostesses are Mrs. Wyman Batchelor and Mrs. Eugene Anderson. The devotions and lesson will be presented by Mrs. C. E. Ailsworth.

White, Reddington Named To Clark Equipment Posts

William E. White has been appointed manager of axle applications, and Thomas H. Reddington, manager of industrial axle sales, for Clark Equipment company's Automotive division at Buchanan.

White will serve as liaison between engineering and sales in approving product applications of Clark axles. He will report to John Henon, division vice president, axle engineering. Reddington will be responsible for industrial axle sales, reporting to George Kempton, division sales manager.

White joined Clark as a product engineer in 1953 and became chief engineer, automotive development, in 1956. A year later, he was appointed product engineer, sales and engineering, and he became manager of industrial axle sales in 1961.

A member of the Society of Automotive Engineers since 1947, White currently is chairman of that organization's construction and industrial machinery technical committee. He also belongs to the National Management association and the American Ordnance association. White attended the University of Michigan.

Reddington joined the automotive division in 1959 as a sales engineer, industrial products. He became eastern region sales representative in 1961, and a year later was appointed sales representative for the Detroit region.

Reddington is a member of the Society of Automotive Engineers and the American Ordnance association. He attended the University of Arkansas.

William E. White

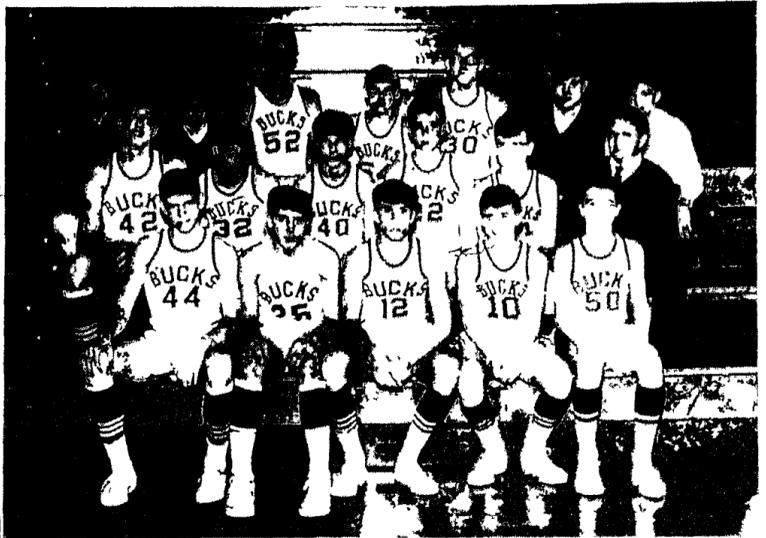

Thomas H. Reddington

To Antique Flowers

Modern Mothers Home Extension Study group will meet in the Oronoko Methodist church's Fellowship room for the March meeting Tuesday evening. Mrs. Elmer Handley will present a craft, lesson on "Antiquing Flowers." Members are requested to take plastic flowers to the lesson. Mrs. Oliver Lemon, chairman, also will serve as hostess.

Couples Club Meets

Couples club of the Oronoko

FRESHMAN'S CAGERS — Freshman cagers posted a 510 record in the season just ended. Members of the squad include (from left) Front row—Mark Rohde, Gary Dickow, Don Simpson, Ray Hartline, and Gary McElroy. Second row—Tom Hassan, Bob Mosier, Mark Gray, Ray Amiel, Jack Walkden, and Coach David Weshart. Back row—Managers Don Gramm and Mike Blanes, Gary Beaverson, Duane Zdenahlik, Tony Janson, Leslie Hanson, and Brad Miller. —Record Photo

Methodist church met at the home of Mr. and Mrs. William Conn last Sunday evening. Altho Blake, president of the group, presided over the meeting, for which Mrs. Blake gave the devotions. Mrs. Elmer Handley was appointed to act as general chairman for the pancake and sausage supper which the group is planning to give on Saturday, April 27. Mrs. Conn reported receiving word from the foster parents that Al Lim, the 14-year old orphan of Hong Kong which the group has been supporting, has chosen to go to work in a Hong Kong factory for a daily wage of \$1.73. She, therefore, is removed from the Foster Child program. The group was given a choice of several countries from which to choose a new child and decided to ask for a child from Brazil. Lorraine Wier was an exchange student with the Youth for Understanding program in Brazil a few years ago and it was thought she could create more interest in a child from a country with which she is familiar. The next meeting of the group will be held at the home of Mr. and Mrs. Handley, with Mrs.

Allen Cable giving the devotional program.

Indian Hills Community club will hold its regular March meeting next Monday evening, Mrs. Paul Walters, head of the Junior Girl Scouts and Brownies groups, which meet at the school, is chairman of the program which will feature the Junior Girl Scout Troop 67 and the Brownie Troop 83 and then projects and work. A movie "The World Outdoors," will be shown. The Indian Hills Community club sponsors the groups and it will be interesting

to see how the work has progressed in its first year at the school.

Plans for the money making project of the year also will be discussed. The hot lunch program held once a month has been deemed a success and both the children and the sponsors are happy about it. So far it has been a profitable enterprise financially.

There are now on order and being built 189 oil tankers of more than 100,000 deadweight tons. Such vessels are too large to traverse the Suez Canal.

R
NEW POSITIVE DRUGS REPLACING OLDTIMERS
 Each new year has brought us new drugs which differ greatly from the guesswork ingredients of past years. It is difficult to realize that less than a hundred years ago, you could count on your fingers the known drugs which could be depended upon to give a positive medical result.
 Now the multi ingredient, hope they work, mixtures are rapidly disappearing. We have single ingredient medicines which can positively cause a desired result. We have drugs which raise or lower blood pressure. Others permit a diabetic to live a normal life. We can fill any prescription.
 YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

Carlson Named To N-S Post

Jerrold L. Carlson has been named plant superintendent of National Standard company's Havana plant, Havana, Ill., according to John F. Cress, general manager of Buchanan Steel Products division.

The Havana plant, which opened in 1967, is a branch location of National Standard's forging division. Forged sickle guards for farm equipment are currently being heat treated at the new plant, and additional manufacturing equipment will be installed this year.

Carlson was previously plant foreman, and has been located in Havana since July 1967. Prior to his transfer, he was layout inspector at the Buchanan plant, where he had worked since 1950.

Carlson is a member of the Havana Optimist club, Masons Lodge 68, P & A M, Buchanan of which he was past master, and Order of Eastern Star, Sylvia Chapter 74. His family will be moving from Michigan to the Havana area in the spring.

Cancel Meeting

Pioneer Farm Bureau group will not meet this month due to the pressure of work on some members, and the absence of others. The group extends its sympathy to Mrs. Orval Newport in the loss of her husband who was a member.

Members are asked to study by themselves the discussion topic for the month found in the Michigan Farm News. The discussion topic is on "School Problems." The one room school had its problems, our schools have changed, but the problems remain.

Mission Sunday

Next Sunday being the second Sunday of the month will be Mission Sunday for which a special offering will be lifted both during Sunday school and worship service at the Oronoko Methodist church.

A family dinner will follow, during which a report of the mission work will be given by Mrs. Leon McNeill, Mrs. Mylin Phiscator, and Mrs. Warren McConighy, mission commission. Everyone is invited to both the worship services and to the

Legion Auxiliary Honors Members

The American Legion auxiliary met Monday evening in the Legion home Mrs. Joseph Gorbitz, president, conducted the meeting attended by 17 members.

Members voted to purchase a Girl Scout flag for Troop 67 at Indian Hills school.

A thank-you note was received from the first grade at Otawa school for their classroom American flag.

Mrs. Mae Eisenhart, a charter member, was honored as the auxiliary's oldest member. Mrs. James Scott presented Mrs. Eisenhart a corsage of pink carnations and Mrs. Kenneth Smith presented her a "helping hand" of pink felt on which to attach the pins "Helping hands" is the auxiliary's theme for the year.

Mrs. Gorbitz appointed a nominating committee consisting of Mrs. Harvey Swem, Mrs. T. R. Stephens, and Mrs. William Jane.

Mrs. Swem reported on the district 4 meeting held Sunday at New Troy. The next district meeting will be May 5 in Paw Paw.

Hostesses were Mrs. Harry Heath, Mrs. John Ochmeyer, and Mrs. Gorbitz. The unseen gift went to Mrs. Eisenhart.

Hostesses for the March 18 meeting are Mrs. Flora Baker, Mrs. Robert Topash, and Miss Stella Trough.

Study Club Elects Mrs. DeRosa

New officers were elected by the Buchanan Child Study Club Monday evening in the home of Mrs. Daniel Shelles. Officers elected are Mrs. Thomas DeRosa, president, Mrs. Ben Porsch, vice president, Mrs. William Vite, secretary, and Mrs. Donald Payne, treasurer. The installation of officers will be conducted at the May meeting.

Mrs. Don Rennhack, president, announced the spring planning meeting will be held in Grand Rapids April 27. At this meeting program ideas will be presented which fit in with the theme for the year. Delegates will be selected at the April meeting.

"Home Decorating With the Family in Mind" was the program presented by Mrs. Ramon Sexton. Colors, floor coverings, and fabrics were exhibited to show some of the new easy-care features of decorating the home. Mrs. Sexton offered suggestions on how to brighten rooms and make them more interesting.

The next meeting will be April 1 with Mrs. Donald Payne of 2110 Mayflower Rd. Assisting her will be Mrs. Harold Forburger and Mrs. Richard Post. Mrs. William Gnodtke will present the program "Government and the American Woman".

Record Want Ads Get Results

Engaged

Miss Charlotte McConnell

Mr. and Mrs. Charles McConnell of Gallen Buchanan road announce the engagement of their daughter, Charlotte, to Pfc. Bruce Botsford, son of Mrs. G. K. Grimes of Comstock Park. The bride elect is a 1967 Buchanan high school graduate and her prospective bridegroom, a graduate of Comstock Park high school, is serving in the Army stationed at Fort McClellan, Ala.

A March 23 wedding in the Church of the Nazarene is being planned.

Seek Addresses Of Servicemen

The Presbyterian Women's association would like to re-member Buchanan servicemen and women at Easter. They would appreciate having the current addresses of servicemen before March 17.

Anyone having a serviceman's address is requested to contact one of the following women: Miss Hazel Miles, 695-3968; Mrs. William Donley, 695-3926; Mrs. Stanley Stromswold, 695-3172; Mrs. Donald Trull, 695-9066; Mrs. George King, 695-3693; Mrs. Daryl Tammen, 695-9266; Mrs. Kenneth Watt, 695-3178; or Mrs. George VandenBosch, 695-6010.

Offer Course in Advanced First Aid

An advanced first aid course will be offered beginning today (Thursday) at the YWCA in Benton Harbor, announced the Berrien County chapter of American Red Cross. Classes will be held from 1:30 to 3:30 p.m., under direction of Ethel Ruggles. The course is open to anyone who has completed the standard first aid course.

To Elect Officers

The Moccasin Parent Teacher organization will conduct its elections of new officers at a meeting Tuesday evening at 7:30 p.m. Mrs. William Borst, president, will conduct the business meeting.

The program will feature that much discussed film "The Child Molester".

Social Security Outlined for Senior Citizens

There were 32 persons present at the co-operative supper served at the Odd Fellows hall Monday evening by the Senior Citizens Club of Buchanan. There were five guests also present: Herb Anderson, George Jabol, Mr. and Mrs. Carr, and Mrs. George Closson.

The tables and dining room were decorated by Mrs. Edna Heckathorn in honor of St. Patrick with shamrocks and a floral arrangement in an old straw hat for a centerpiece.

Following the dinner the meeting was opened by vice president Mrs. Heckathorn, with Mrs. Ed DeSonia, secretary, calling the roll "How Great is Thy Faithfulness" was sung by Leo Carlson, accompanied by Mrs. DeSonia.

The meeting was then turned over to Anderson, a representative of the Social Security office in Benton Harbor, who gave an informational talk on the new Social Security and Medicare laws now in force.

He and Jabol answered questions from the floor. They also invited anyone with problems to visit them at their Benton Harbor office for information and help.

Mrs. Closson and Mrs. Carr of the YWCA in St. Joseph outlined plans of the Y regarding the hobby show being sponsored there April 24 and 25 in the Lakeview room. They distributed application blanks to all who wished to exhibit their hobbies and collections, as well as those with talents to entertain. Hobbies are important to senior citizens to keep them mentally alert and happy. It is wise, however, to develop such an interest before one becomes a senior citizen, they said.

The next meeting of the group will be held the first Monday in April, which happens to be April Fools day and the program will be centered on this theme. DeSonia will arrange the program.

Members are again asked to take their treasures that are over 50 years old to share. A few were taken to the March meeting and created much interest. One of the items was an old carpet beater and it was strange how many had forgotten the days when rugs were taken out into the yard and the winter's dust virtually beaten out of them, before vacuum cleaners took over the job.

Circle To Hear Report

The Deborah circle of First Presbyterian church will meet Tuesday evening at 8 p.m. in the home of Mrs. Chester Westendorf of 111 Lake St. Assisting the hostess will be Mrs. Donald Trull.

The program presented by Mrs. Stanley Stromswold will be "The Report of the President's Commission on Civil Disorders".

Announce Birth of Son

Mrs. Herbert Huebner has received word of the birth of a son born Feb. 29 to Mr. and Mrs. Thomas Huebner of Oakland, Calif. He has been named Daniel Herbert and is welcomed by a sister, Lisa Ann.

Church Circle to Meet

The Bertha Arney circle of Church of Christ will meet this evening (Thursday) at 7:30 in the home of Mrs. Doyle Veigon of 1360 Woodside Dr. Members are to take articles of clothing for completing the infant layette.

Mrs. Richard Walkden will present the lesson on "Hong Kong".

4-H's Set Meeting

The Cutler 4-H club will meet Monday evening at 7:30 p.m. in the Buchanan township hall. Chris Holmes, president, will conduct the business meeting.

Golden Agers to Meet

The Golden Age club will meet Friday in the Niles YMCA. There will be a co-operative luncheon at 1 p.m. with a social hour to follow. Members attending should take their own table service and a dish to pass.

Israel To Be Topic

"Israel" will be the program presented by Mrs. Kent Hassan Monday afternoon when Mrs. Lester Miller of 103 Main St. entertains members of the Buchanan "30" club.

To Present Program

Mrs. Raymond Rough will present the program "Garden Therapy" for Buchanan Garden club when it meets Monday evening at the home of Mrs. Carol Herman. Mrs. Eldon Proud will assist the hostess.

Landscaping Topic For Newcomers

The Buchanan Welcome Wagon Newcomers club will meet Wednesday, March 13, at 8 p.m. in the home of Mrs. Don Fernwalt of 612 West Roe St. Co-hostesses will be Mrs. John Eger and Mrs. Walter Ridgough.

The program, "Home Landscaping," will be presented by Don Fernwalt, a local landscaper.

Mrs. Califf is Queen of Week

The Buchanan B-TOPS club again named Mrs. Lyle Califf queen of the week for the most weight lost when members met Monday evening in Bertrand township hall.

For first of the month inventory 16 members weighed in. Two new members were welcomed into the club.

Mrs. Jimmie Sebasty, leader, reported that four members have signed up to attend the state recognition day program in Battle Creek.

A new contest entitled "Easter Parade" was begun. The contest is to emphasize consistent weight loss. Each member has a paper doll and each week that she records a weight loss she adds an article of clothing to the doll with the object being to have the doll dressed by Easter.

The next meeting is Monday evening at 7:30 p.m. in Bertrand township hall.

Legion to Hold St. Pat's Dance

American Legion Post 51 will be celebrating its first St. Patrick's day dance Saturday, March 16, in the Legion home.

Featured will be music by the Sonny Edwards orchestra. Also planned is a lot of fun, feasting, and dancing, reports Charles Irwin, second vice commander.

Decorations will be by Mr. and Mrs. Charles Berg. There will be a donation of \$3 per couple and sponsored guests are welcome. For reservations call 695-6633.

The post is offering a \$10 cash award for the best singer of an Irish song. Is there any talent among that 500 membership?

Robert Palmer Earns Degree

W. Robert Palmer II, son of W. Robert Palmer, former pastor of Buchanan Church of Christ, and Mrs. Palmer, now of Lansing, will graduate Sunday from Michigan State university with a bachelor of arts degree in the social sciences.

Also on Sunday, Palmer, a 1963 Buchanan high school graduate, will be commissioned a second lieutenant in the Army under the college ROTC program. He will report to Ft. Benning, Ga. April 15.

Girl Scout News

New officers were recently elected by Brownie Troop 209. They are Beverly Ellis, president, Penny Naragon, vice president, Sherrie Saratore, secretary, and Marsha Williams, treasurer.

The troop meets at the Stark school. Troop leader are Mrs. Richard Fungary and Mrs. Clifford Kingery.

Golden Agers to Meet

The Cutler 4-H club will meet Monday evening at 7:30 p.m. in the Buchanan township hall. Chris Holmes, president, will conduct the business meeting.

Israel To Be Topic

"Israel" will be the program presented by Mrs. Kent Hassan Monday afternoon when Mrs. Lester Miller of 103 Main St. entertains members of the Buchanan "30" club.

To Present Program

Mrs. Raymond Rough will present the program "Garden Therapy" for Buchanan Garden club when it meets Monday evening at the home of Mrs. Carol Herman. Mrs. Eldon Proud will assist the hostess.

BOARD OF REVIEW

BERTRAND TOWNSHIP

Notice is hereby given to all persons liable to assessment for taxes in the Township of Bertrand, County of Berrien, State of Michigan that the assessment roll of said township as prepared by the undersigned will be subject to inspection at the Bertrand Township Hall in said township, on Monday, March 11 and Tuesday, March 12, 1968.

At which place, and on each of said days, said Board of Review will be in session at least six hours, beginning at 9 o'clock in the forenoon of each day, and upon request of any person who is assessed on said roll, or his agent, and upon sufficient cause being shown, said Board of Review will correct the assessment as to such property in such manner as will in their judgment make the valuation thereof relatively just and equal.

After said Board shall complete the review of said roll, a majority of said Board shall endorse thereon, and sign a statement to the effect that the same is the assessment roll of said township for the year in which it has been prepared and approved by the Board of Review.

EASTER Message

EDITOR'S NOTE - This is the first in a series of Lenten messages presented by laymen of the community.

Lent, derived from an old English word meaning spring, is the season of the renewal of life and beauty in the natural world.

Christians are called upon to give themselves to meditation and self denial during this same period each year that they too might enter truly and fully into the spiritual exaltation of the Easter truth.

For several centuries Lent was seldom, if ever, observed in Protestant churches. More recently, however, Protestants have reexamined their faith and practices and are now observing this holy season as a period of special spiritual emphasis.

Correspondent
Tel. 695-6592

Jay Vite, Jim Steere, Harold Passig have returned from a two week vacation in Florida. They visited the former's uncle and aunt, Mr and Mrs Merritt Vite in Orlando, and toured the state while there.

Mi and Mrs Paul Corner of Baldwin lake near Union were guests of Mi and Mrs I. A. Swartz Corner has just returned from a trip to Africa.

Milton Bachman was still a patient at Pawating hospital at this writing and was reported as slightly improved over last week.

Mi and Mrs Richard Bachman and family of Saginaw were guests of Mi and Mrs Robert Bachman over the weekend.

Lenten Schedule
Special evening services have been scheduled during the Lenten season at Portage Prairie United Methodist church.

Action was taken by the City Commission not to participate in the Mayor Exchange Day to be held on Monday, May 20, 1968.

Traffic Control Order No. 61 to provide a loading zone in front of Mr. Carbon's business at 107 Days Avenue, was rescinded.

The City Manager was authorized to solicit bids for the purchase of a new 1968 Police Car to be opened and read at 2:00 p.m. Wednesday, March 6 at the City Hall in Buchanan.

Authorization was given to extend the contract with Rohleder and Suabedissen for accounting services for the Urban Renewal Project from a total payment of \$2,500 to a total maximum payment of \$3,250 in order to cover the remainder of the Urban Renewal Project.

Discussion was held concerning the sale of vacant lots in the Urban Renewal Area and the Mayor agreed to write to Congressman Hutchinson and request his help in getting action for the sale of the lots.

The Annual Police Department Report was accepted and it was recommended that the Chief of Police be commended for making a comprehensive and complete report.

Bills from the various funds in the total amount of \$3,512.20 were approved and ordered paid.

The City Commission approved a proposed letter prepared by the City Manager and instructed him to mail the letters to property owners on South Portage Street between Front Street and Alexander Street, to set up a meeting with these residents for March 1, 1968 to review plans for South Portage Street widening.

The matter of establishing loading zones in the downtown area of the City and the North City Parking Lot was referred to the city traffic and parking consultant for recommendation.

The meeting adjourned at 8:05 p.m. Signed: Vera J. Cline, Acting Clerk; Kenneth C. Witt, Mayor.

Mrs. Kosick Candidate for Register of Deeds

Margaret G. Kosick of Benton Harbor, secretary and assignment clerk to Berrien Circuit Judge Chester J. Byrns, has announced her candidacy for the Republican nomination for register of deeds.

Mrs. Kosick is seeking the office held by Beatrice Chapman, who is retiring at the end of this year as register of deeds for Berrien county.

In her 17 years of service to Berrien county, Mrs. Kosick was secretary for three years to Circuit Judge Edward A. West, deceased, and for 12 years to Circuit Judge Philip A. Hadwell, retired in addition, Mrs. Kosick has worked for Circuit Judge Thomas N. Robinson, deceased, and Circuit Judge Karl F. Zick. Mrs. Kosick also is and has been for many years the librarian of the circuit court library.

She is a member of St. John's Catholic church of Benton Harbor, and a member of its Altar-Rosary society.

Mrs. Kosick has three children, Mrs. S/Sgt. John Kosick, Air Force, Penny Kosick, a teacher at Washington school, Colons, and Peter Kosick, a student at Detroit College of Law.

OUT OF THE PAST

40 YEARS AGO
March 8, 1928

Caucuses for both the Republican and Democratic parties are to be held at 2 p.m. Saturday, the former at the American Legion hall and the second at the village hose house, preliminary to a shifting of scenes from village to township elections.

Clarence Dunbar, former police officer of Buchanan, returned Friday from Bakersfield, Calif. where he has been engaged for three months as a railroad detective and is planning to resume his home here.

The old barn on the E. I. Blvd property used by the Bird Transfer company in days when a string of horses was used, has been bought by E. S. Arney and is being moved to the lot on Chicago street immediately south Mr. Arney also purchased the rear half of that lot from Peacock and will move the barn there, fitting it up for storage purposes.

The manufacture of the transmitters for the new Ward apartment house telephone was begun this week at the local plant, with the assurance that the completed products will be finished and shipped by the middle of April.

At the Ready in Niles—today is the last showing of "Divine Woman" with Greta Garbo, Lowell Sherman, and Lars Hanson.

At long last Buchanan is to have a burnt cork show again, a minstrel show just like they used to have annually in the Rough Opry house in the eighties and nineties. Only this year it is to be given by a cast of 100 children from the Buchanan grades, instead of the customary annual operetta.

Mr. and Mrs. Frank Rumsey received word Friday from their son, Robert Rumsey, saying that he had been transferred to Camp Wolke, Texas.

Lowell Swann, chairman of the bond sale campaign for Buchanan, states that Buchanan-over-subscribed its quota of \$69,100 for February by buying \$76,493.75 in bonds and stamps. The quota for March has been set at \$73,100.

Tuesday, March 16, will be the last date for filing for city offices to be filled at the spring election Monday, April 5. There have been no filings so far for the several offices to be filled according to Harry Post Supervisors whose terms expire are George Deming Precinct 1, and William Nelson, Precinct 2. Other officials to be elected are two supervisors, two constables, one justice of the peace.

10 YEARS AGO
March 11, 1958

When Buchanan's Centennial directory is published this year, Willow avenue will replace Phillips street. The city commission approved the name change, which had been suggested by residents of the street. Originally, the suggestion for the change was prompted by the fact that city fire trucks last month made a run to Phillips street to fight a fire that was on Phelps street.

On Thursday an apprentice banquet was held in honor of Elmer Adolph's graduation as a toolmaker from the Buchanan plant of the Clark Equipment company. Jack Berg, plant manager, presented Mr. Adolph with his certificate. Mr. Adolph is a 1950 Buchanan high school graduate.

The Bucks' hopes for success in the tournaments to salvage some measure of glory from an otherwise disappointing season were quickly dashed Thursday evening by Three Rivers. Good ball handling by the Wildcats and that old bugaboo, inaccuracy of the Buchanan eagles gave Three Rivers a victory in the first district tournament contest for both teams, at Niles, by a score of 72-55.

John Culp Enrolls at Theological Seminary

John Culp, son of Harold G. Culp of Niles-Buchanan road, is enrolled this semester at Christian Theological Seminary, a graduate professional school for the education of ministers for the church.

Culp, a former resident of Niles, was a member of the Niles United Missionary church.

To Host Church Guild

Mary-Martha Guild of St. Paul's Lutheran church will meet March 14 at 7:30 p.m. in the church parlor. Mrs. Claude Penn, president, will conduct the business meeting. Hostesses are Mrs. Arthur Pudell and Mrs. Dennis Pudell.

And any other business or information pertaining to the Township. —Telephone for above days 695-6442— BUCHANAN TOWNSHIP BOARD.

Dear Pat... I know it has been a long time since I've written. As you can imagine, I've been very busy getting settled here. Everyone has been wonderful, and what an experience it is teaching these first grade children! It's a real thrill to watch them as they learn to read. I've already met some wonderful people, both here at school and in church... So she writes her letter, and although "it has been a long time..." these words will stretch across the miles and the fibres of this friendship will be as strong as ever. If you were never to write a letter you would lose touch with people who mean a great deal to you. By the same token, if you never were to go to church, you would fail to keep the fabric of your faith woven tight and strong. True, you might still believe firmly in God, but the affirmation and continued growth of this faith requires worship in His presence and in His house. Thinking about a friend isn't the same thing as writing a letter to him—wanting to be in that person's presence. Believing in God isn't the same as professing that belief by attending church regularly. Copyright 1968 Keater Advertising Service, Inc. Strasburg, Va. Handley is Champion

7 Wrestlers Place In Regional Tourney

Buchanan claimed one indivi dual title as the Bucks placed seven wrestlers in the regional mat tourney Friday and Saturday at Sturgis. As a team the twice-defending regional champions placed fifth in a field of 14 schools.

David Handley won the lone championship, in the 135 pound class. It marked the second consecutive regional title for Handley. Last year he was 127 lb. champ.

Runners-up in the tourney were Eugene Bailey at 154 lbs., Bill Glossinger at 165, and Roger Hassen at heavyweight. Placing third at 120 lbs. was Ron Gwin, and in fourth place were Ron Marbeiter at 112 lbs. and Ozzie Brown at 133 lbs.

By placing first or second, Handley, Bailey, Glossinger and Hassen qualified to compete in the state mat tourney this Friday and Saturday at Godwin Heights, Wyoming. In previous years third place winners also have been eligible, but under a new rule this year Gwin will not be able to compete.

Coach Doug Borgert's squad missed fourth place by two points. Borgert said this probably was due to Richard Spaulding being re-injured and unable to compete in consolation matches. Spaulding, a four-year varsity wrestler who was 120-lb. runner-up last year, has seen only limited action due to a hip injury. However, he was expected to make a strong showing in the regional.

David Handley

Dowagiac Wins Tourney Dowagiac won the tourney with 103 points, followed by Brandywine with 96, Sturgis 81, Bronson 69, Buchanan 68, Vicksburg 27, Lakeshore 25, Edwardsburg 18, Three Rivers 12.

Four Wrestlers To Vie at State

Four local wrestlers will represent Buchanan in the annual state tourney Friday and Saturday at Godwin Heights school in the Grand Rapids suburb of Wyoming.

David Handley, 138 pound regional champion, will lead the group. Also competing will be Eugene Bailey at 154 lbs., Bill Glossinger at 165 lbs., and Roger Hassen in the heavy weight class. All three were runners-up in their weight classes in the regional tourney held Friday and Saturday at Sturgis.

Under a new rule this year, only wrestlers who placed first and second in the regional are eligible for the state tourney.

Weighing in of wrestlers will be held Friday and Saturday morning between 10 and 11:30. The preliminaries will begin at 2 p.m. with additional matches at 7:30 p.m. up to the semi-finals.

Semi-finals and consolation competition will begin at 1 o'clock Saturday afternoon, with the finals starting at 7:30 Saturday night.

Individual Results Results of individual matches were: 95-lb. Bob Aalfs (Bu) pinned Mead (BS) in 5:40 before losing a 5-1 decision to Rohr (PP). 103-lb. Mike Wesner was pinned by Hooker (Bn) in 5:29. Hooker placed fourth.

112-lb. Ron Marbeiter (Bu) beat Dospy (BS) 13-2 before losing to Blue (St) 11-0. In consolation Marbeiter pinned Beldon (V) in 5:50 and beat Culp (Con) 4-2 before losing a 6-5 decision to Mecklenberg (Bn) to place fourth. Blue was champion.

120-lb. Ron Gwin upset the No. 1 seeded Plank (Con) 5-2 and beat Bolock (Ed) 15-0 before losing to Eull (Br) in the semi-finals. In consolation Gwin beat Ruff (L) 2-0 and de- cisioned Hill (D) 6-5 to place third. Eull was champion.

127-lb. Richard Spaulding (Bu) pinned Waldo (PP) in 5:44 before re-injuring his hip and being pinned by Bell (D) in 5:40. The injury prevented Spaulding from competing in the consolation. Bell was runner-up.

133-lb. Ozzie Brown (Bu) pinned Hardy (C) in 3:15 and Daily (PP) in 3:24 before losing in the semi-finals 12-5 to Swift (Bn). In consolation Brown de- cisioned Burry (D) 3-0 before being pinned by Poszik (Br) in 5:32. Brown placed fourth and Swift was champion.

138-lb. David Handley (Bu) won a 13-0 decision over Weng- er (D), pinned Falan (PP) in 4:43, and beat Chase (Bn) in the semi-finals. Handley won the championship on a 4-0 decision over Everett (Bn).

145-lb. Fred Wingo (Bu) lost a 14-3 decision to Cline (D).

154-lb. Eugene Bailey (Bu) pinned Wade (L) in 4:43, pinned Strong (C) in 2:14 and won a 3-0 decision over Clay (D) in the semi-finals. Bailey was runner up, losing a 4-0 decision to Mitchell (St) in the championship match.

165-lb. Bill Glossinger (Bu) drew a bye, pinned Northam (V) in 5:10 and beat Yearling (Bn) 6-1 in the semi-finals. Bailey was runnerup after losing a 2-0 decision to Knox (Br) in the championship match.

180-lb. Alan Hicks (Bu) lost a 4-3 decision to Roberts (St). Heavyweight, Roger Hassen (Bu) drew a bye, pinned Law- son (Con) in 5:56, and won a 1-0 overtime decision over Sy- besma (St) in the semi final. Hassen was runner-up after being pinned in 5:42 by Taylor (D) in the championship match.

Dial direct and let the savings roll in. If you'd like to save some money, you'll be interested in Direct Distance Dialing. It's a more economical way to call Long Distance because direct dialed calls are all Station-to-Station instead of Person-to-Person. It's easy, too. Just dial "1", then the Area Code, if it's different from your own, and the number you want. For an idea of how much you can save, here's an example. A 3-minute Person-to-Person call between Detroit and Chicago costs \$1.30 at the day rate. Dial direct and the cost is only 85¢. So whenever you're reasonably sure the party you're calling will be there, dial direct and let the savings roll in!
