

SEVENTY-FIFTH YEAR.

BUCHANAN, MICHIGAN, THURSDAY, MAY 4, 1944

NUMBER 18

Government Buys 4 Cars Potatoes From Local Farms

May Buy Pit-Stored Product Later, Says Koenigshof

A total of four carloads of potatoes totaling about 4,600 bushels were shipped out by farmers of the Buchanan district to the Bay City processing plant to be converted into industrial alcohol and other vital materials before the Buchanan Co-ops received a wire from the government to suspend shipments until further notice.

A federal inspector graded the potatoes at the track here, about 70% of the field-run potatoes offered being graded U. S. No. 1 and paid for at the price of \$1.95 per hundredweight. The remaining product was graded U. S. No. 2 and paid for at the rate of \$1.03 per hundredweight.

It is likely that a great part of the product would have gone to waste as there is an oversupply of 1943 potatoes in the country, and these first shipments represented potatoes stored in cellars and not as firm as pit-stored potatoes. Two more cars were loaded out from Galien.

Manager Robert Koenigshof stated that in his opinion there are three or four cars of pit-stored potatoes remaining here, which will probably be bought later by the Federal Commodity Corporation. These firmer potatoes may be dehydrated for shipment as food for overseas.

St. Anthony's Plans Pre-Invasion Mass During Month May

St. Anthony's Roman Catholic Church is holding daily masses during May, at 7:15 each morning, with the Rosary during the mass and benediction following, as part of a wide Catholic program for spiritual preparation for the coming invasion of Europe.

Rev. Father Cogley received the following letter relative to the services from Joseph H. Albers, Bishop of Lansing:

"I extend dear Father and beloved faithful. The church desires that we have a special devotion to our Blessed Mother during the month of May. With the fury of the war on us, and the invasion of Europe imminent we must have continued recourse to God through our Mother Mary, help of Christians, for an end of the war with peace based on justice and charity. Parents and relatives anxious about the moral and physical well being of their brave sons and daughters in the war should place them under Mary's protection and in her care. Remember the boast of St. Bernard, 'that never has it been heard of that any one who fled to Mary's protection, implored her help or sought her intercession was left unaided.'"

Faithfuls are therefore directed to have May devotion whenever possible during Mass or in the evening. Benediction with the Most Blessed Sacrament may be given every day in May during which the Rosary, Litany of the Blessed Virgin, and the Memorare are to be recited. The attendance of school children at daily Mass is especially to be urged.

Asking Mary to guide and watch over the Chaplains and young men from this diocese serving their country, I remain, Sincerely and devotedly yours in Christ, The annual ceremony of the 'Crowning of Mary' will take place before the 10:30 mass on Sunday, May 7. This is especially the children's devotion and they will form a procession around the church, singing the ancient hymns of Mary and reciting her litany.

Attends Graduation Chicago Seminary

Rev. Malcolm D. McNeal spent Tuesday, Wednesday and Thursday of last week in Chicago where he attended the commencement exercises and alumni meetings at McCormick Theological Seminary. "The Church and Racial Relations" was the subject of the Seminar held in connection with the affair. Representatives from the Jewish, Negro and Chinese groups participated.

Dr. Walstrom Made Governor of Moose

Dr. B. E. Walstrom was installed as governor of the Buchanan lodge, Loyal Order of Moose, Wednesday evening, during the regular weekly meeting in the Moose hall. Officers from the South Bend lodge were in charge of the installation ceremonies. Other officers inducted were: George Beckalberg, junior governor; Frank Poorman, secretary; Frank Chair, prelate and Louis Barnes, member of the board of trustees. A treasurer will be elected at a meeting later this month.

After the meeting closed, a dinner was served.

Notwithstanding the statements made by Mrs. Jane Wagner, the History of Berrien and Buren Counties, published in 1880, states that Dist. No. 5 was organized March 1, 1845, and had 16 children of school age enrolled and that the first building was of frame and built that year. The present building was built in 1864 at a cost of \$1200 (I am inclined to believe Mrs. Wagner's account.)

Frank Weaver enlisted Aug. 15, 1862, in Co. K, 25th Infantry, died April 2, 1864, Oren Wray, Co. L, 2nd Cavalry, killed at Gettysburg, July 3, 1863.

Tales of An Old Town

An Attempt to Reproduce a Cross Section of The American Scene, As Witnessed Here Through the Past Century

The following contribution to the "Tales of an Old Town", by Mrs. Bert Mitchell, raises the question of whether 1944 or 1945 marks the centennial of the Wagner school.

A letter, written by Mrs. Jane Mansfield Wagner, mother of the late Ira Wagner, and published in the Berrien County Record April 15, 1904, she claims she was the first teacher of the Wagner school, starting to teach there the first Monday in May, 1844.

While Jane would not have been 15 years old until the last day of August, 1844, David Wagner, director of School District No. 6, persuaded her to take a chance as she had passed her examination and had secured a teacher's certificate.

She was to teach five and one-half days per week, receive \$1.50 per week and board round. She wrote:

"After two months I was to receive \$3 per week—for the three other terms. Girls at housework were paid only 50c per week and worked from before sunrise till long after sunset. I tell you \$1.50 looked worth a try."

"Mr. Wagner came for me on a Sunday afternoon, and oh! such roads, in the thick woods during those days, makes me shiver to think of it."

"At 8:30 next morning Mr. Wagner (who lived nearest to the schoolhouse and where I stayed over night) walked with me up the hill to the brand new school house. It stood very near or on the same ground the Wagner school now stands, just west of Chas. Bishop's country residence. The school house standing there now, is the third one on the same spot. There was no church there then."

"I found the building to have a front door which opened into a hall, across the front end and a door into the school room, but no windows at front. Two on each side, and one in the west end and there stood the teacher's desk on a platform higher than the floor. There were two rows of seats on each side and sealed walls."

"My day book was a half dozen sheets of foolscap and a small bundle of quills and these were all I needed. Very soon my little flock came with clean faces and new clothes, trooping in by twos, threes, fours, and fives, as each family had to send."

"I will not weary my readers with names but there were the Wrays, Wagners, Weavers, Judys, Henrys, and Humphreys, some of them older than I, many younger."

"I think there were only 18 pupils the first day. Others came later. One young man, 18 years old, living four miles north, came to Mr. Wagner, asking permission to attend our school. Mr. Wagner sent him to me, saying, 'If you teacher, will you take him as one of the district?' I said, 'Yes, I am willing to take you.' He provided to be a very diligent scholar."

"What a difference between 60 years ago and now. The school house rested on 8 large stones, which caused two steps at the front door, and had no other foundation until fall. We ate our dinner from our pails in the house. I never wanted for a place to board. Often times two or more would send for me the same week. After dinner we would play outside, high-sky, hunt the slipper, or blindfold; sometimes I stayed in to sew."

"One day the scholars saw a big spotted yellow and black rattlesnake, which lay coiled up on the cool gray stone, under the corner of the school house. They all got sticks and worked splendidly. The snake only got about six feet from his resting place, when he was glad to be still. Oren Wray pulled off seven rattles and a button."

"Another time while walking along a corduroy road north of the old Beckwith farm (LeRoy Phillips lives there now, 1944), Oren Wray and I encountered a rattlesnake lying between two of the logs. He was as long as the road was wide. We picked up a couple of clubs and were able to kill the rattler."

"When the war of '61 broke out, three of my first school boys volunteered for service. They were true soldier boys and gave their lives for our Union. There was Frank Weaver, son of David Weaver of Dayton, who used to live on the Wm. Conrad farm, where Baileys live now, a 2nd Lieut., came home in a metallic casket. John Judy and Oren Wray, as also Frank Weaver, were shot in battle."

Frank Weaver enlisted Aug. 15, 1862, in Co. K, 25th Infantry, died April 2, 1864, Oren Wray, Co. L, 2nd Cavalry, killed at Gettysburg, July 3, 1863.

Dist. No. 5, reports for 1878 as follows: 90 enrolled and 60 attending school, capacity of school house 100; amount paid to teachers for school year \$228.75. Primary school fund \$44.50; total expenditures \$440.04.

Until the Gardner school house was built in eastern part of Weesaw township, the Judy children used to attend the Wagner school, as did the four oldest Covey children, until the Covey school house was built. Am not sure if Riley Wray's farm was ever in the Wagner Dist., but all of his children attended the Wagner school. (To be Continued)

Vincent DeNardo Has President's Son as His Pupil

Vincent DeNardo, who leaves Friday for his post as instructor in the Fleet Sound School at Key West, Fla., after a furlough spent with his parents, Mr. and Mrs. Ralph DeNardo, had the experience of having Franklin Roosevelt, son of President Roosevelt, in one of his classes recently. He stated that young Roosevelt was a capable student, very unassuming, and popular with his fellow officers and others. Roosevelt was reported to be in training for commander of a ship, after extended experience as a ship officer on the North Atlantic and in the Mediterranean area.

Young DeNardo started with the Key West school two years ago as an instructor in mathematics, and is now instructor in the general science and tactics of submarine warfare taught there.

Class of 51 to Be Graduated at Commencement

Ruby Clark Valedictorian; Jean Blake Second Honor Student

Inroads of war conditions on high school completion are indicated in the personnel of the class of 1944 to be graduated from Buchanan high school on June 2, there being only 19 male graduates out of a class of 51.

Ruby Clark, daughter of Mr. and Mrs. Veri Clark, has been awarded honors as valedictorian, having attended A grades in all of her subjects during her high school course. Jean Blake, daughter of Mr. and Mrs. Kenneth Blake, attained second or salutatorian honors, with an average during the four years of 3.85 out of a possible 4.00. Bill Ellsworth is third in scholarship with an average of 3.80 out of a possible 4.00. Evelyn Johnson is fourth with 3.65 out of a possible 4.00. Maurice Nelson fifth with 3.61 out of a possible 4.00.

Others with averages of 3-plus or better are Lyle Allis, Vonda Beck, Betty Donley, Helen Hancock, Jane Haslett, Bonnie Metzger, Jance Pierce, Arthur Reed and Phyllis Santoro.

Additional student graduates are James Anderson, Marie Arack, Robert Borst, Dennis Ewenty, Louis Canfield, Neaine Chain, Donna Curtis, William Dunlap, Keith Ednie, Evelyn Gaul, Kurt Holmquist, Lawrence Kline, Roy Knapp, Betty Lauer, Judy Linday, Maebelle Luke, Max McKahn, Marilyn Mull, Max Myers, Raymond Pader, Jean Pincator, Barbara Post, Dorothy Richter, Marilyn Rough, Frances Russell, Ruth Schneider, Eleanor Sekan, Phyllis Sherwood, Mary Skaner, Richard Upham, Edward Vandor, Alice, Milton Vignasky, Aileen Walquist, Beverly Weaver, Mita Wissler, Beverly Yazzell, Robert Yoeman.

PICNIC MEAT LOAF

Packed with Nutritives

1 1/2 lbs. ground meat	1/2 onion, chopped
1 cup all bran	1/2 tsp. salt
2 eggs, beaten	1/4 tsp. pepper
2 carrots, grated	1/2 cup celery
	1/2 cup catsup

Mix ingredients and bake. Place in a greased loaf pan and bake at 400 degrees for one hour. Serves 10. Try it on your range.

DON'T WASTE MEAT. Stretch it as far as you can. Use your red points to maximum advantage.

If you have a new model gas range with "low temperature" oven, cook meat at 300 to 350°. You'll be amazed at the reduction in shrinkage... the uniform doneness throughout... the juicy tenderness.

The use of meat "extenders", too, will provide more meat dishes. Serve meat loaf, hash, goulash, pot pie, slumgullion. Properly prepared, they're nutritive and tasty.

3 Oaks Rescinds Refusal to Renew Tavern Licenses

The Three Oaks village council in special session Friday night rescinded its previous action and voted to renew the village's three beer licenses after the tavern owners had voluntarily agreed to close on Sundays.

The action was taken after the Three Oaks township board had granted a beer license to Paul Witt, restaurant operator whose place is located just west of the village limits near the baseball park.

Twice before in the past month the village council had voted to deny all requests for beer licenses. Members of the council decided that in view of the fact that the township had granted a beer license to an operator within three blocks of the business district, that the local tavern operators should be granted permission to operate.

Licenses were granted to Harold Schwark for the Home Cafe; Frank and Anna Behler, and the Elm Street Tavern, operated by Ernest Schmidt, who hold similar licenses now.

Councilmen who voted previously to reject all tavern licenses said they did so because they thought Three Oaks would be better off without taverns, and not because of any complaints against the taverns.

Painting Steel
Before painting a steel surface, care should be taken to remove all loose scale or rust by scraping or sandpapering down to the bright metal. Also, it is imperative that any greasy film be removed from the metal by an effective solvent, or the paint cannot be expected to adhere to the surface. When painting over rivets and rough edges, brush the paint towards the rivets and towards the edges to make certain that they are thoroughly sealed against moisture.

May Keep Clothing
Many honorably discharged enlisted men of the army are authorized to retain certain articles of clothing in their possession.

National Family Week, May 7 to 14. The nation is paying special attention to the importance of the family. Let us as a church cooperate in this great movement. We invite the members of our constituency to plan an evening at home. If possible let it be Tuesday or Thursday evening. Let some member read aloud the 46th Psalm also the first twenty verses of Matthew, chapter five. Then let some member of the family offer a prayer for the boys and girls in the service. Write a cheerful letter to the folks that are absent from the family circle. Let some member of the family offer a number of thanks before each meal. These are only a few of the things that a family may do in the interest of vital Christian living.

Student Council
The Student Council had a meeting Monday, April 24. They discussed further the possibilities of the amateur program they wish to sponsor within the next two weeks. It seems that the pupils have not responded to the request as well as was expected. A bit of shyness may be responsible for this but it seems more likely that their interests are not aroused enough. This is a rare opportunity for anyone with talent and there should be much more interest shown by the students.

"Dot" Richter was seen among the crowd at the Chicago station Sunday night with, of all things, a soldier (Harold "Joe" Hyink by name). But alas and alack all life is not joyous and now "Dot" is confined to her home with illness.

Mary Joyce Hartline has a nose for news and a mouth for candy. Lois Reed now has the championship for gum-chewing in the Journalism class.

Jean Skinner has the makings of a fine seamstress. Day after day she sits over her sewing machine picking her lovely hands all for the sake of a style show.

Edwina Trapp has "spring fever". Beverly Weaver is confined to a smelly "lab" for the duration it seems.

News Notes

Mrs Muir substituted for Miss Ruth Alleshouse Monday. Dick Pierce and James Fagras of the army, and Art Bailey, of the navy, visited school this week. Mrs Leah Weaver, instructor at B. H. S., who recently had an operation, has had bad luck, and is now ill with the mumps.

All the children were present Wednesday, April 25. They would like to have a perfect attendance every day.

Miss Huston's room had perfect attendance last Wednesday. This was the first time in many weeks, but they hope to have many more before the end of the school year. Helpers for the week are blackboards, Kay and Harold F., chairs, Van and Roberta, plants, Ethel, cloakroom, Janet and Lestra, doors, Gordon and Nancy, milkmen, Sandra and Barbara, straws, Donald B., paper, Richard and Judy.

Last week Mrs Huston's third grade elected new captains and lieutenants. They are Bob Samson, Yvonne Ahndt, Harold Forbueger, Nancy Bristol, Janice Kingery, Doris Hennen, and Sonya West from Mrs Fuller's fourth grade were absent last week due to illness.

John Hausman's sister in the Spars sent John a coconut from Florida. Miss Bell's fourth grade was glad John brought it to school to share it with the rest of us.

They drove a nail into it to get the milk out. Some of the boys drank the milk after breaking the coconut open. It was cut up and each child had two pieces of it to eat.

Miss Bell's room is very proud to have had the banner for the room selling the most war stamps five weeks in a row.

Miss Frankland's fifth grade have been enjoying their use of water colors lately. They have painted birds and houses, using a scenic background.

The children have written some notes to Nellie Hamphill at Niles this week. Nellie was a member of our fifth grade until recently when she and her family moved to Niles.

Miss Ekstrom's fifth grade has the banner this week for the honor room for war stamp sales.

Elec's WARNING TO KITE FLIERS

"You help the enemy when you fly kites near electric wires, so PLEASE BE CAREFUL."

KITE flying is lots of fun and provides healthful exercise—so go ahead and fly your kites, boys and girls, but do it safely. The first safety rule is never fly them near electric wires, for when a kite or kite string gets across an electric line, it may cause all sorts of trouble. It may stop the flow of electricity to a vital war industry and that's helping Hitler and Hirohito. It may seriously injure you and that, too, is helping the enemy, for you and every other boy and girl are needed to do their part in winning the war. So please be careful and follow the rules for safe kite flying.

FOLLOW THESE SAFETY RULES

1. Never fly your kite near electric lines.
2. Keep your kite string dry and never use it when wet.
3. Don't use metal or wire on any part of the kite.
4. Don't use kite string with wire in it.
5. Never climb poles to recover kites.

"THANKS"

for giving the boys a break"

You do some one a real favor when you stay off Long Distance lines from 7 to 10 at night. When a lot of people do that, a lot of service men's calls get through quicker. . . . The soldiers and sailors—

their folks back home—and the telephone company are all grateful for your help. . . . So tonight and every night, "give seven to ten to the service men." That's about the best time they have to call.
