

Thar She Blows - '68 Gridders Start Friday

Friday night, the lid blows off the 1968 prep football season — and a major part of that explosion will take place at the Niles high school stadium.

On that turf, the Buchanan Bucks will meet their arch-rivals the Niles Vikings head-on in what could be the top game of the '68 Buck season.

Shock waves from that opening night explosion will be reverberating throughout the Blossomland conference far beyond the final gun Friday.

Should the Bucks lose, circuit coaches might be able to breathe a little easier as they ready for their matches against the Bucktown eleven.

With a win at Niles, Head Coach Doug Borgert would have a serious psychological advantage which, when coupled with continued strong team play, could signal a sixth straight conference crown for Buchanan. The Bucks have not met defeat in conference play since the circuit's inception in 1963.

Faces of Competition
In the team camps, there is an interesting study in contrasts.

At Niles, Head Coach Ed Weede looks at Friday night with quiet but unmasked confidence — while in the Buck dressing rooms there is an air of grim determination.

"The Bucks have had the 'breaks' for the last few years," says Weede, "and we're about ready for a break ourselves."

Looking at past performances, Weede explained the Vikings were "capable of beating the Bucks two years ago but," says Weede, "we lost our quarter-back early in the game and it hurt us." The Bucks won that match, 13-7.

"Last year, it was the Bucks' game in the first five minutes," Weede recalls, "and after that it belonged to us and we did everything but score." The Vikings were able to hold the Bucks to a 7-7 tie in 1967, and did finally score on a fourth and one yard situation with less than four minutes remaining in the contest.

Viking Liabilities
Weede sees few liabilities in his 1968 Viking squad. He ranks the loss of four men from his offensive line from the '67 team as the most serious.

In his starting line-up Friday night, his offensive line will include six seniors and a single junior. "But many of these seniors," explains Weede, "have not played regularly in the past, so we've had a building job there."

Doug Julian, a 180 pound junior, will anchor the line at the center position Friday. Hefty Mike Cronin, a 5'10", 183 pound senior will fill the left guard slot while lighter Jim Perham, at 145 pounds, will serve at right guard.

At the tackles will be 6'1" Senior Craig Seekins on the left side with Ken Eledge, a 210 pound senior balancing the line on the right.

Replacing '67 Vike ends Bill Marks and Larry Townsend will be Seniors Dave Lindstaedt at right end and Tom Belk, a Senior, at left end. Belk is 5'11" and weighs in at 170 pounds while Lindstaedt towers to 6'6" and tips the scales at 200 pounds.

Returning to the '68 squad after having had brief opportunities to lead the team last year, Bill Haslett will serve as quarterback for the Vikings. Craig Kater, 5'10", 180 pounds, who served as an understudy to full-back Frank Frucci on the '67 squad will take over that position this year, flanked by Al Batton, a Junior, and either Todd Tyler, a Junior, or John Jones, a Senior, at the halfback posts.

Defensively, Weede admits the loss of John Cinniger may be a problem. Cinniger who was graduated was responsible for 80 stops during the '67 season. "While we have some experience back, we'll miss John," said Weede.

The Vikings will show the following line-up defensively Friday night.

Kater will be at left end, with Seekins and Junior Pat Weede at left tackle and guard respectively. Doug Julian, Ken Eledge and Dennis Schuh, a 6'2", 195 pound Junior fill out the defensive line at the right guard, tackle and end positions, respectively.

Serving as linebackers will be Jerome Holloway, a 140 pound Senior, and Jeff Jackel, a 170 pound Junior. Tyler and Jones

will man the halfback slots and Bill Haslett will take up his post at the safety.

"The boys are pointing for this game," said Weede, "and we're out to make our breaks."

2,418 Students Begin Classes

Buchanan school officials erred very little in their role as "swami" in predicting enrollment in the Buchanan public schools for the 1968-69 year.

Estimates given prior to opening day called for expected enrollment of 2,455 students. Final figures, released Wednesday by Superintendent of Schools Richard Dougherty indicated that actual enrollment is only 23 more than anticipated or 2,478 pupils.

A total of 1,367 students are enrolled in the district's four elementary buildings and 1,111 pupils are enrolled in junior and senior high school, grades 7-12.

Most highly populated elementary building is Moccasin school with 509 students. Stark school has 364, Ottawa, 340 and Indian Hills, 154.

School population by grades is:

Kindergarten, 197, first, 206, second, 193, third, 182, fourth, 177, fifth, 185, and sixth, 184.

Junior and senior high school population is seventh, 181, eighth, 178; ninth, 184, tenth, 184, eleventh, 184 and twelfth, 168.

Thirty-one students are enrolled in high school special education classes while 43 are enrolled in special elementary classes.

New Phones Set In HS Offices

A newly installed phone system at the Buchanan high school will result in some new numbers being assigned and numbers appearing in the local telephone book, in some cases, may not be correct, reports Norman Kreager, assistant superintendent of schools.

According to Kreager, the new intra communication (extension) telephone system will facilitate a more efficient system within the building, allowing staff to communicate internally without dialing outside numbers.

The Record publishes the following list of phone numbers for its readers and suggests it may be clipped from the paper and attached to the inside back cover of the phone book for ready access to new school phone numbers.

Numbers of departments not listed here remain the same as printed in the local phone directory.

Apple Harvest Begins; Freeze May Take Toll

Starting harvest dates for Jonathan and Red Delicious apples have been set for Southwestern Michigan, according to Glen Antle, district extension marketing agent for southwestern Michigan.

The regional Apple Maturity committee has recommended Sept. 15 for starting harvest of Jonathan apples for fresh markets. Sept. 18 was recommended for the start of the Red Delicious harvest.

In an earlier announcement, Aug. 29 was recommended for the start of McIntosh harvest.

At the tackles will be 6'1" Senior Craig Seekins on the left side with Ken Eledge, a 210 pound senior balancing the line on the right.

Replacing '67 Vike ends Bill Marks and Larry Townsend will be Seniors Dave Lindstaedt at right end and Tom Belk, a Senior, at left end. Belk is 5'11" and weighs in at 170 pounds while Lindstaedt towers to 6'6" and tips the scales at 200 pounds.

In the team camps, there is an interesting study in contrasts.

Buchanan area growers said the date was about four to five days premature.

The apple crop in the Buchanan area is described as from "light" to "fair" depending on orchard location.

LaVonne Zelmer, who has three orchards in the area, reports his crop as "fair." Zelmer, whose main orchard is located between Chamberlain road and M-60, just east of Mayflower road, says new bearing young trees are pulling the crop up this year. Of his three orchards, only one was severely damaged by the heavy area frost in early May.

The Zelmer orchard located at the end of the Fourth Street road, west of Buchanan, has no crop because of the early season's freak freeze.

Robert L. Hall, 1640 South Bend Rd., reports a "light" crop this year, with the May freeze being a considerable factor in the crop estimate.

Hall reports that harvest of all varieties will begin this weekend with the Opal Essence variety leading off the picking. Both growers, Hall and Zelmer, say this weekend will signal the season's heaviest picking time with virtually all varieties involved.

Dates selected this year by the regional Apple Maturity committee are two to three days ahead of the average recommended dates for past years. Seasonal development during July for early apples, and other crops, ran about five to seven days ahead of last year and ahead of the average for this area.

A season catch-up occurred during August which left the recommended starting date for McIntosh three days ahead of the 1967 season, according to the committee.

"Jonathan and Red Delicious are apparently as advanced as they were a year ago," said Antle, "so the recommended starting harvest dates are the same as in 1967 and two days ahead of average for these varieties."

Other growers reporting to the County Extension office from this area include the Dale Gillette orchards at M-60 and Portage Rd. and the New Hope acres near Warren Woods and Boyle Lake roads.

12 Motorists Cited For Traffic Flaws

Twelve motorists were given summons by city police during the last week as police continued their surveillance of driving habits.

Peter Charles Glynn, 21, Bloomingdale, was stopped by police Friday on N Portage St. and given a summons for speeding. His appearance in justice court is set for Friday.

Patricia Ann Camburn, 29, of Muskegon was arrested by city police for speeding on N Portage street Friday. She demanded immediate arraignment and was taken before Justice of the Peace Jerry Lauer where she pleaded guilty to the charge and paid fine of \$10 and costs of \$4.90.

Robert Eugene McGath, 45, of Berrien Springs was given a summons for failing to stop for a stop sign at the intersection of Moccasin and Main streets Saturday. He is slated to appear before Justice Harold P. Jackson Saturday.

Danny Lee May, 17, of Rt. 2, Madron Lake Rd was stopped by city police on West Fourth street Saturday and was cited for having no registration for the vehicle he was driving. He is to appear in Justice Jackson's court Saturday to answer the charge.

Roger Dale Irvin, 17, of South Bend was named in a summons issued by city police for failing to stop for a stop sign at the intersection of W Chicago and Terre Coupe road Saturday. He asked for immediate appearance in justice court and, appearing before Justice Jackson, pleaded guilty to the charge and paid a fine of \$5.00 and costs of \$4.90.

Robert James Anderson, 22, of 105 E Second St., Galien, was given a ticket by city police Sunday for speeding on W. Chicago St. and for having no proof of vehicle insurance on his person. He is slated to appear before Justice Harold P. Jackson Saturday to answer the charge.

William Harold Clark, 21, of Niles was given a speeding summons by city police Tuesday for speeding on E Front St. She will appear in Justice court Saturday to answer the charge.

William Harold Clark, 21, of Niles was given a speeding summons by city police Tuesday for speeding on W Front St. She will answer the charge in her Tuesday appearance before Justice of the Peace Jackson.

Lucille Florence Abney of Rt. 2, Walnut street, was cited by city police Tuesday for speeding on W Front St. She will answer the charge in her Tuesday appearance before Justice of the Peace Jackson.

Russel William Seffred, 40, Cleveland road, Galien, was charged with speeding by city police when they stopped him on North Portage street. Seffred will appear in the court of Justice Lauer Tuesday.

Allan Herman Glass, 29, of Benton Harbor was charged Tuesday with speeding on North Portage street by city police. He is scheduled to make an appearance before Justice Jackson Tuesday.

Joseph Francis Clark, 21, of Oscoda was given a summons Tuesday for failing to have proof of vehicle insurance when he was stopped near the intersection of W Smith and Clark streets. He is slated to appear before Justice Jackson Saturday to answer the charge.

SEWER HEARING

A hearing for all persons interested in the city's intention to extend the Northeast Area Sanitary sewer on Victory street from Elizabeth street, south for 190 feet, will be held as a part of the City Commission meeting, Monday, Sept. 23 at 7:30 p.m.

Waste Worries Plague City As '72 Draws Near

Words flowed like water at an extended Monday evening meeting of the Buchanan City commission as representatives of two area engineering firms presented preliminary presentations to deal with the problem of removing phosphates from effluents of the Buchanan waste treatment facility.

Under growing pressure from the Michigan Water Resources commission, the city body has been wrestling with the question of meeting State demands that phosphate removal methods be installed in the treatment plant by 1972—with the State seeking a "voluntary" agreement from the city as early as 1969.

In their preliminary talks Monday with the commission, the competing firms were insistent that the city begin now, in one way or another, to meet the problem.

Some members of the City commission had recommended that nothing be done until the last minute. Their positions were justified on the basis that the present time developments in the phosphate removal field are not stable and technology is changing rapidly.

Robert Gove, president of Gove Engineering of Kalamazoo, pointed out to commissioners that the answer to the phosphate problem could lay in the biological or chemical fields. While he included a possible mechanical solution, his enthusiasm was not discernible.

Gove suggested that while method design could be put off, the city should begin now with a segmented program, a phase of which would be the collection of data on which a decision on method design could be made when the technology in

the field began to stabilize. He indicated the collection of data would require at least two years. After submission of his report, Gove indicated his firm would be available for, and has personnel trained in, the preparation of grant proposals to the Federal government which would allow the city to take advantage of present grant programs as well as possible monies under the (Quality Waters) act now pending in congress.

Charles Barger, representing R. W. Petrie and Associates of Benton Harbor, suggested the city should go back even further, to include a study of city storm and sanitary sewers to determine the city's actual need. He, too, pointed to the need for a long-term survey before a system design was begun.

In a letter sent to the city prior to his presentation Monday evening, Barger said, "We would also recommend waiting until 1970 before proceeding with phosphate removal because of increased technology concerning this within the last six months to a year."

He indicated Monday night that he felt more field tests are needed on presently highly touted phosphate removal systems being offered to municipalities seeking to meet the State's edict.

Following their presentations, the firms were invited by the Commission to present formal proposals at their earliest convenience. Further action on the problem was tabled until receipt of the proposals.

Youth Council Gains Ground At Board Meet
The hiring of a full-time professional recreation director was approved by the Buchanan Park and Recreation board at its regular meeting held Wednesday, Sept. 4. The board further moved to request the City commission to appropriate funds for this purpose.

Advisors to "Operation Recreation" Ellis May, James Mitchell and LaVerne Soules were present at the meeting to explain the need for such a director.

After discussion, the board approved, in principle, the following stipulations for a director:

Salary should be adequate to attract a highly qualified individual, probably up to \$8,000.

Job outline 1) To develop a diversified recreation program using existing facilities which will meet the needs of the youth of the community 2) To provide the youth with guidance and counseling when needed 3) To provide for adequate supervision of all activities for which he is responsible 4) To communicate with the Park and Recreation board and follow its overall directions 5) Maintain records of activities for future reference.

Qualifications: The applicant should have some experience in each of the following areas: 1) Psychology, 2) Sociology, 3) Guidance and counselling, 4) Recreation planning. Finally, he should display enthusiasm for this type of program.

To Ask for Funds
Parks and Recreation Board Chairman Goldwyn Smith explained that funds for a director were not available in the present board budget. After considerable discussion on ways and means for obtaining funds the Recreation board agreed to ask the City commission for \$10,000 "emergency funds."

Operation funds for the Park and Recreation board come from the City of Buchanan and the Buchanan School board, equally. In the request was \$8,000 for a director and \$2,000 for renovating and repairing the Youth Council building on Oak street. Repairs must be made to the roof and the condition of the furnace is questionable for the operation of the building, it was noted. Also the present operating budget does not provide for heat, light or other utilities for the building.

In its request for funds, in addition to the "emergency appropriation," the Park and Recreation board asked the City and School boards for its regular appropriation which has not been received. This amounts to \$9,000 from each unit of government. Under a city ordinance, it is payable July 1st, according to Chairman Smith.

Bills presented at the meeting were paid out of reserve funds, which had been set aside for the construction of the Northside park, with bills submitted by the city, not paid.

Operation Recreation
City Manager Robert Faulhaber, a member of the Park board, presented plans for working with the "Operation Recreation" See BOARD, Page 3

At its Monday night session, the Buchanan City commission approved in principle the City Parks and Recreation board recommendation that a full-time recreation director be retained on a year-round basis.

In its action, the Commission voted "as a body to go on record as favoring the recommendation," and to finance it on a pro-rata share with the School Board, providing the school body sees its responsibility and votes to take similar action.

The matter is expected to be taken up at the next meeting of the Buchanan school district's Board on Monday, Sept. 16.

For in-depth coverage of the Parks and Recreation board deliberations, see the Record's account in this section.

Also referred to the Plan commission was a request from the Buchanan Steel Products division of National-Standard company for permission to use a portion of the city land south and east of the new city garage for parking, in light of the division's expansion program which will utilize its present parking space.

While commissioners expressed no serious objections to Buchanan Steel representative Al Snow, who was present at the session, they indicated their feeling that it was necessary to be consistent in the matter of land usage requests by referring them to the appropriate group for detailed study.

Other Business
In other business, the commission:

—approved a request from the Loyal Order of Moose to transfer location of their 1968 Club liquor license from 109 Days Ave. to 101 S Portage St., in the city. The organization presently has an option to purchase the building which formerly housed Habicht Ford, Inc.

—approved a request from the Redbud Development corporation for transfer of ownership of a 1968 Hotel and Special Designated Merchant liquor license business from William O. and Ollis L. Donley and transfer of the location of the license from 104 E. Front St. to 1207 North Portage St., in the city.

—approved attendance by Raymond T. Suabedissen, city clerk-treasurer, at the October 9-10 meeting of the Michigan chapter of the Municipal Finance Officer's institute at Ann Arbor.

—accepted the bid of the John G. Yerington company of Benton Harbor of \$15,853.30 for paving Elizabeth and Arctic streets between Portage and Victory streets, North Detroit street south of Remus, and the walkways and basketball courts in the new urban renewal park. A second bidder, Reith-Riley Construction company See CITY, Page 6

Tax Hearing Set At Galien
A public hearing is scheduled at the Galien Township hall for Wednesday, Sept. 18 at 8:00 p.m.

The purpose of the hearing is for discussion of placing on the ballot in November a proposal for a tax levy for one year of one mill of assessed valuation for township operating expenses.

The hearing was scheduled at the regular meeting of the Township board, Tuesday, Sept. 3.

Plans were also made for the township to be represented at the Berrien County association meeting, Monday, Sept. 9, at the Sodus Township hall.

The Board reported that construction of offices in the town hall is underway. They will house the township clerk and treasurer.

Bills of approximately \$2,000 were paid, including \$75.00 which was paid to the fire department to cover a portion of the cost of a resuscitator unit.

The next meeting of the Board is set for Tuesday, Oct. 1.

Perk Host Set
The Perk Club of the Buchanan Chamber of Commerce will hold its first regular meeting of the fall season on Tuesday morning, Sept. 24, in the Masonic Temple. Time for the session is 7:45 a.m.

Radio station WNIL will sponsor the first meeting and station Manager Jim Mitchell reports that morning's program will spotlight Electro-Voice, Inc., and remarks by its President, Wayne Beaverson.

MICHIGAN MIRROR

School Labor Fights Face 140 Districts

By Elmer E. White
Michigan Press Association

Some 25 million school children are scheduled to return to Michigan classrooms this month. Many may not attend opening day. By the last week in August about 140 school districts had not reached agreement with teachers over new contracts, ac-

ording to the Michigan Education association

This does not mean that teachers in those districts will strike immediately. Some may, others will choose to begin teaching without contracts.

Educational programs will suffer in those districts where voters have defeated operating

millage. Local school boards are in the difficult position of satisfying teacher demands and maintaining academic standards while voters refuse to authorize extra revenue.

Voters in 197 districts turned down operating millage requests this year, while 339 propositions were approved. When operating millage is defeated, school boards face an immediate problem. They must either call for another millage election or reduce expenses. Increased enrollments make cost-cutting difficult, and reductions result in over-crowded classrooms, inferior programs, and loss of qualified teachers. The inconvenience to taxpayers in loss of services is often more costly than the millage.

A number of educators believe that negative votes on millage propositions do not reflect negative attitudes towards schools. They suspect that a millage vote is one of the few places remaining where taxpayers can express dissatisfaction with taxes in general.

No matter what the reasons, school children are directly affected by millage defeats. The problem must be resolved primarily at the local level.

New Traffic Laws

Michigan State Police report that 2,123 people died on Michigan highways in 1967, and 151,297 were injured. It was the seventh year in which the death toll exceeded the 2,000 mark.

Col. Fredrick E. Davids, director, comments, "This staggering loss of life, human suffering and financial waste is, at once, tragic and unnecessary. While exposure factors of more vehicles, more miles driven and more drivers continue to mount, individual attitudes and responsibilities seem to decay."

Statistics show that the average accident-prone driver in 1967 exhibited the same characteristics as in 1966. He is young, drives too fast for highway conditions, carries nine "points" on his driving record, and was probably drunk.

He caused an estimated economic loss of \$405 million in 1967 alone, enough to build four Mackinaw bridges.

Lawmakers introduced about 300 bills dealing with traffic safety during the last two years. More than 10 percent became law.

Jack Green, managing director of Traffic Safety for Michigan, credits the 74th Michigan Legislature with "possibly the most significant record on traffic safety in more than a decade."

Most dramatic of all new legislation is that which:

—allows police to impound your car if you're driving with a suspended license

—makes it mandatory for you to take a "breathalyzer" test if police suspect you're intoxicated, or face license suspension

—limits the courts' and License Appeal Boards' options in hearing appeals under the implied consent law.

—requires motorcyclists to carry helmets on their vehicles, and wear protective eye glasses or have windshields when traveling more than 35 mph

—regulates operation of snowmobiles.

BOARD

(Continued from page 1)

"Recreation" committee. Faulhaber stated that he had met with the young people several times to outline needs for the Northside park. The "Operation Recreation" board has agreed to solicit the cooperation of clubs and organizations throughout the city for funds to help equip the park. This project, he said, will help the youth prove to the organizations that they are interested in the community and its progress. It is hoped that the project will also serve as a stimulant to the youth that they can serve as a force for good in the community.

Advisor to the youth, James Mitchell, explained to the Park and Recreation board that the youth are now in the midst of signing up members. Dues for membership in "Operation Recreation" are \$3.00 per year, with 15 hours of work required. Members joining must agree to adhere to the provisions of the constitution, he said.

Chairman Smith pointed out to "Operation Recreation" advisors the need for a professional director and explained that without such a man the Youth Council building would not be open for operation. "Operation Recreation" advisors were given permission by the Park board to talk to Joseph Garbert, owner of Sexton's Furniture, to see if any painting or clean up work could be done prior to the expiration of his Youth Council building lease on November 30.

Local Bankers To Attend FBI Stickup Meet

LaSalle Federal Savings and Loan association and the Inter-City bank will be represented in Grand Rapids Monday, Sept. 23 for an area Bank Robbery conference, sponsored by the Federal Bureau of Investigation (FBI).

According to Paul H. Stoddard, special agent in charge of the FBI Detroit office, bank robberies and incidental crimes involving banking type institutions set a record high of 2,558 during fiscal 1967.

"Particularly alarming," reports Stoddard, "was the increase in which these crimes were accompanied by violence against employees, customers and others."

The FBI is conducting, during September, statewide area conferences, on a panel forum basis, for representatives of banks, Federal credit unions, savings and loan associations and law enforcement agencies to contribute and exchange information of value as preventative measures.

Milford Schultz will represent LaSalle at the conference, and the Inter-City bank will be represented by Zigmund Mileski and Jon Capron of the bank's Benton Harbor office.

Following the conference, ICB officials plan complete dissemination of information received to all branch banks, reports Dan Smith, manager of the Buchanan division.

Chief of Police David H. Shimbinski will also attend the meet, to be held in the Final Room of the Union Bank and Trust company of Grand Rapids.

Band Group Plans Projects

The Buchanan Band and Orchestra association met Monday evening to begin planning fall activities.

Ben Jensen, president, reported that band calendars should be ready by next week for sale by band members.

Plans for Tag Day were discussed with Saturday, Oct. 26 tentatively scheduled for the event.

A report was made that a concrete apron is being poured for the concessions stand at Memorial field and the stand is being rewired.

Daniel Shelles, junior band director, reported on the band department's request for a new bassoon.

Band membership this year is 110 in junior band and 86 in varsity band.

Letters will be mailed to parents of new band members explaining the purpose of the Band and Orchestra association in assisting the band and asking them to participate in the organization.

Hostesses for the September meeting were Mrs. Patrick Zanini and Mrs. Wallace Young.

The next meeting will be Monday, Oct. 12 at 8 p.m. in the band room with Mrs. Milton Vigansky and Mrs. W. F. Firehammer as hostesses.

C of C Issues Wig Warning

Area residents stand a chance of being scalped, reports the Buchanan Chamber of Commerce in a bulletin released Wednesday.

A Philadelphia, Pa. firm operating under at least two names, the Phillips Social Club of Pennsylvania or Charles Wig-gery, is offering to send, without charge, a wig if the person who receives their letter will merely return a card enclosed.

Investigation by the Chamber of Commerce with Buchanan Postmaster Charles Wesnei and area postal inspectors found that principals operating through both firms are presently under indictment by federal authorities for mail fraud, the Chamber said.

Buchanan area residents receiving such mail, should contact the postmaster at their earliest convenience.

"When you receive something for nothing in the mail, or an offer of something for nothing," said Mrs. Cyrus Bulhand, secretary of the Chamber, "nothing is usually what you get."

She said, "If there is a question in your mind, contact the postmaster or discard the offer. If unordered merchandise is received, it is advisable to turn it over to postal authorities at once," she added.

his enlistment with the U.S. Air Force. Hankerson reported to Indianapolis and flew from there to Lackland Air Force base in San Antonio, Tex., where he has begun basic training.

Hankerson will be assigned to a technical training school following his basic training where he will be schooled in Air Force mechanics and engineering.

Allan and Clayton Kyles will leave for their duty with the Air Force on Sept. 17.

Returns From Pacific

First Lieutenant Jerry Letcher, home on leave following service in the Pacific area, was a recent visitor at the home of his grandmother, Mrs. Alice Letcher of Bertrand road. While serving in the Pacific, Lt. Letcher was assigned to duty on mine sweepers and patrol boats. He is visiting with his parents, Mr. and Mrs. Russell Letcher, former residents of the area now residing in South Bend, before accepting a posi-

tion with the Navy at Burlington, Ia.

ASC Elections Set In County

Buchanan area farmers Tuesday received a last-minute reminder about election of ASC farmer committeemen who will serve for the next year as local administrators of national farm-action programs.

According to Frank Light, chairman of the Michigan ASC state committee, eligible voters of Michigan will cast ballots for community committeemen during the week of Sept. 16.

For Buchanan township farmers, selection will be made at a meeting to be held in the Buchanan Co-ops building at 8:00 p.m., Tuesday, Sept. 17.

Gallen township farmer-committeemen will be chosen at a meet to be held in the Gallen township hall at 8:00 p.m. on the same day.

Bertrand township hall will be the meeting place at which Bertrand's farmer-committeemen will be chosen. That meeting too is slated for 8:00 p.m., Tuesday, Sept. 17.

Other area meetings include Weesaw township, New Troy fire station, 8:00 p.m., Tuesday; Baroda township, Baroda town hall, Tuesday, 8:00 p.m.

The community committee consists of a chairman, a vice chairman and a third regular member, as well as two alternates. The regular members of the committee also serve as delegates—and the alternates as alternate delegates—to a county convention where farmers will be elected to fill vacancies on the ASC county committee.

All newly elected committeemen will meet Thursday, Sept. 26, at 8:00 p.m. in the Baroda town hall for the Berrien county convention.

Privileges Lost

One Buchanan driver was among more than 1,143 Michigan motorists whose driver's licenses were either suspended or revoked recently by the Michigan Department of State.

Ralph Edward Lee, 20, of Box 46, received a 60-day suspension of driving privileges for what the department termed an undesirable driving record. He is scheduled to have driving privileges restored early in October.

Zoning Hearings Set

Two public hearings are scheduled for this evening (Thursday) at 8:00 o'clock in City Hall by the Zoning Board of Appeals to consider two separate requests for variances in the zoning ordinances.

One variance calls for an addition to a building owned by Schneider's Vending at 206 Main St., while the remaining variance calls for an addition to the Ewert Pet Shop building at 600 S. Oak St.

MEMORIAM

In memory of those who left us Sept. 12, 1967 Our Precious Parents and Our Beloved Sister and Brother-in-law

Our parents were unselfish, never too busy to give a helping hand, always willing to listen and to try to understand and to bring happiness to others.

To us they were stable, stern and wise. They covered their hearts with continuing love and guidance.

As we grew older we knew that their stability was infectious making us stronger and more stable. By being stern in their convictions they taught us respect and responsibility and their wise guidance made us more secure and independent in our attitudes. As we brought new members into our family, they became as their own and they loved and guided them the same. We were all equal.

We are proud that God let us have them for our parents and as we are now proceeding into the future carrying the heritage they gave us, we hope when they look down on us they will smile and nod their heads approvingly.

The joys and laughter we shared together with Sally and Fred Phillip, our sister and her husband, are very precious. Sally's high ideals and great faith have given us much food for thought.

The families of Gilbert and Arlene Renberger

Mrs. James Shanahan

Lt. Shanahan and Bride Married In Florida Church

St. Cecilia's Catholic church in Clearwater, Fla. was the setting for the marriage of a former Buchanan resident, Lt. James Shanahan, and his bride the former Miss Sandra Campbell of Cambridge, Mass., Sunday, Aug. 11.

The bride is the daughter of Mrs. Archibald Campbell of 1761 Apache Trail, Clearwater. The bridegroom is the son of Mr. and Mrs. John Shanahan, formerly of this city, now of 1641 N.W. First Ave., Pompano Beach, Fla.

Monsignor Thomas Larkin performed the two o'clock double ring ceremony before an altar graced with arrangements of white gladioli and daisies.

Given in marriage by her brother-in-law, Curtis Galloway, the bride appeared in a sleeveless white silk A-line gown overlaid with a cotton daisy lace leading to that flowed into a chapel train. A silk pillow secured her shoulder-length veil of silk illusion edged with matching daisies and she carried a cascade of daisies. She also wore a gold and diamond pendant which was a gift from her bridegroom.

The bride's sister, Mrs. Curtis Galloway, as matron of honor was attired in a floor-length A-line gown of yellow Irish linen. Her headpiece was a matching pillow hat accented with white and yellow daisies and she carried a colonial bouquet of white daisies.

The maid of honor, Miss Ursula Shanahan, sister of the bridegroom, wore a costume identical in color and fashion detail to that of the matron of honor and carried a similar bouquet.

The ringbearer was Joseph Galloway, nephew of the bride. Serving his brother as best man was J. Dennis Shanahan of Chicago, Ill.

Groomsmen were Jerry Shanahan of Clay, N.Y., brother of the bridegroom, and Captain Dale Lux of the Marine Corps, Beaufort, S.C., and Lt. Jg. Jeffrey Behlbrink assigned to the USS Fluke, Newport, R.I.

Following the wedding, guests were received at the Jamaica Inn at Duneed, Fla.

The bride is a 1963 graduate of Jackson Memorial Hospital School of Nursing, in Miami, Fla. and a 1968 graduate of Boston university where she was affiliated with Sigma Theta.

City Recreational Needs BPW Program for September

The Business and Professional Women's club will meet Monday evening at 6:30 p.m. at the First United Methodist church. The evening's program will be related to the civic and recreational needs of Buchanan with an explanation given of the aims and purposes of the organization, Operation Recreation.

During the business session to be conducted by president, Mrs. Edwin J. Michner, the club's budget will be presented to the membership for approval.

The Finance committee is in charge of program arrangements for the September meeting with Mrs. Herbert Batchelor as chairman assisted by Mrs. Esther Hamilton, Mrs. Caryl Herman, and Mrs. Alma Stewart.

Twins Mothers Plan Activities

The Niles-Buchanan Mothers of Twins club met Tuesday evening at the home of Mrs. Talmadge Hardy in Niles with 12 members and one guest attending.

The guest was Mrs. John Morris of Dowagiac. Mrs. Benjamin Poutschet, president, conducted the business meeting and program plans for the year were presented.

Following the business session members held an in-club twin clothing exchange and refreshments were served by the hostess assisted by Mrs. Donald Kaiser.

On Oct. 8, club members will meet at DiCarroll Interiors in the Eastgate shopping center, Niles, for a program in interior decorating. The business meeting will follow at the home of Mrs. Melvin Baker of 818 Philip road.

Plan Rummage Sale
The club will hold a rummage sale Friday, Sept. 13, from 9 a.m. to 9 p.m. and Saturday, Sept. 14, from 9 a.m. to noon at the Hardy residence at 1810 Cedar St., Niles.

Clark Retirees Picnic Planned

All Clark retirees and their spouses have been invited to attend a picnic to be held in the shelter at the Sportsman's park west of Berrien Springs Saturday, Sept. 21, at 12 noon.

Vern Lubben, picnic chairman, stated that over 500 invitations have been sent to retired employees of the Buchanan plant of Clark Equipment company.

Other members of the picnic committee are Clyde Wolkins, Ed Pazel, and Gaiett Portinga.

The picnic is being sponsored by the Buchanan based Clark Credit Union.

Stark PTA Plans Annual "Walk Thru"

The Stark PTA will hold its first meeting of the year and annual "Walk Thru" Wednesday, Sept. 18, at 7:30 p.m. in the all-purpose room, announced Mrs. Robert Mahan, president.

William Fischer, building principal, will introduce the teachers and will explain the school policies and procedures. Following the brief business session, parents will have an opportunity to meet the teachers in their classrooms.

OHCC Women Plan Guest Card Luncheon

The Orchard Hills Women's association is planning a guest card luncheon Thursday, Sept. 26. The luncheon will be at 1 p.m. with cards to follow.

Reservations should be made with club manager, Roger McDonald, at 695-5991 no later than Sunday, Sept. 22.

Garden Club Studies "Art of Arranging"

Mrs. Paul Eger of St. Joseph presented a program on flower arranging Monday evening at the September meeting of the Buchanan Garden club in the home of Mrs. Vern Lubben.

Mrs. Eger, a very talented flower arranger, is also a very competent show judge. For her demonstration, she worked with many of the items available in home gardens and along the roadside.

During the business meeting conducted by Mrs. Richard Proud, president, members voted to have a booth at the Niles Jaycee Auxiliary's Christmas bazaar to be held Dec. 7. Members were requested to take ideas and materials for bazaar items to the October meeting for a workshop session.

"Alaska" Trip WTCU Topic

The Women's Christian Temperance Union will meet Monday Sept. 16 at 7 p.m. in the Reorganized Church of Jesus Christ of Latter Day Saints, announced Mrs. Edith Pruett, president.

The program will feature films of Alaska taken by Bob Luster on his recent trip there. Luster will tell of some of his experiences in the northernmost state.

Devotions will be by Mrs. Bernice Virgil. Reports will be given on work with the Loyal Temperance league.

Hostess for the September meeting will be Mrs. Virgil.

College Club Open House

The Buchanan College club will hold its first Open House for prospective members Wednesday, Sept. 18 at 8 p.m. in the I&M auditorium.

A major project of the club is to provide scholarship funds and loan service for Buchanan high school graduates who need financial assistance in obtaining a college education.

Membership in the club is open to any woman who has two or more years of course credits at an accredited college.

Mrs. James Converse, membership chairman, is in charge of arrangements for the open house. Assisting her are members of the executive board.

On Oct. 2 the club will hold its annual welcoming dinner at St. Anthony's Catholic church.

Briney Reunion In St. Joseph

The Adam Briney family held its 10th annual reunion Sunday afternoon at the Lions park at St. Joseph.

During the business meeting, which followed a picnic luncheon, members re-elected Ronald Briney of Benton Harbor as president of the 1969 reunion. Other officers elected were William Knoll of Niles, vice president; and Mrs. William Knoll of Niles, secretary-treasurer.

Mrs. Kenneth Briney of Benton Harbor was appointed chairman of the kitchen committee and Mrs. Ben Lyons of Stevensville was appointed chairman of the entertainment committee.

Albert V. Briney of Yanketown, Fla., formerly of Eau Claire, traveled the farthest to attend.

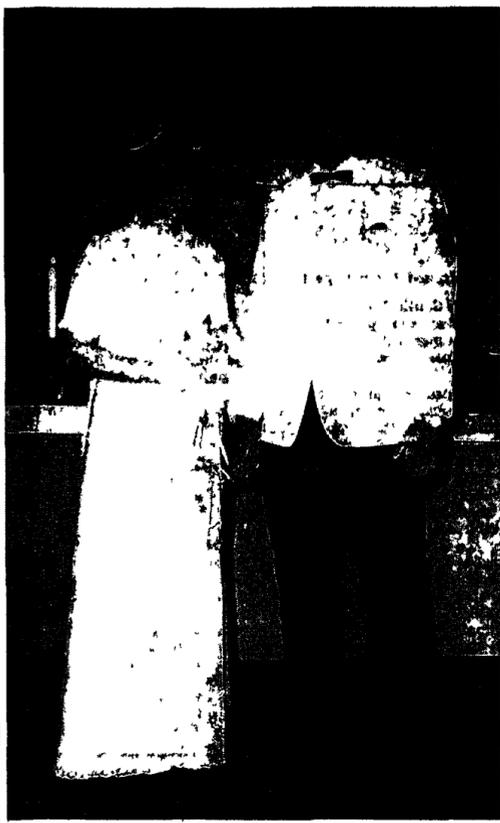

The 1969 reunion will be the first Sunday after Labor Day at the same place.

"Breathalyzer" Topic For Lions Tonight

Cpl. Ray Rudman of the Niles post of the Michigan State Police will be guest speaker at the Buchanan Lions club meeting this evening (Thursday) at 6 p.m. in the American Legion home.

Cpl. Rudman, who has completed a special training program, will discuss and demonstrate the Breathalyzer device now being used by the State Police.

The business meeting will be conducted by president Robert Koengshof.

Mr. and Mrs. Fred Walters

Miss Brittain Married Saturday In Double Ring Nuptial Service

In a double ring service performed Saturday in Faith United Methodist church, Miss Arlene Brittain became the bride of Fred Walters of Route 2, Mendon.

Baskets of yellow gladioli and white chrysanthemums graced the altar for the 2 o'clock ceremony read by the pastor, the Rev. Keith Laidler, in the presence of 200 guests.

Prior to the ceremony traditional nuptial music was played by the organist, Mrs. John Nelson.

The bride is the daughter of Mr. and Mrs. Robert E. Brittain of 315 Terre Coupe Rd., and the bridegroom is the son of Mrs. Louisa Walters of Route 2, Mendon.

Escorted to the altar by her father, the bride appeared in a floor-length princess style gown of white linen accented with lace ruffles. The lace ruffling

edged the high neckline and short sleeves and extended, in a row on each side, from the neckline to the hemline of the gown. A double bow of matching linen secured her shoulder length veil of silk illusion and she wore a diamond necklace and earrings, gifts of the bridegroom. Her colonial bouquet was formed of yellow roses and ivy.

Acting as maid of honor was Miss Karoline Eichler and the bridesmaids were Mrs. Janis Beach and Miss Jeanette Brittain, sister of the bride.

Each of the three bridal attendants was attired in a street length gown of yellow textured plique accented with white ruffling in the same manner as the bride's gown. Each attendant wore a matching double bow headpiece, with blusher veil, and carried a colonial bouquet of yellow and white carnations.

Citizens Eye Lansing Trip

Twenty-three members answered "present" when the roll was called at the meeting of the Seneca Citizens of Buchanan, Monday September 2. The meeting, held at the First United Methodist church in Buchanan, was presided over by Mrs. Edna Heckathorn, vice president.

The members were reminded they have been invited to attend a session of the Michigan legislature when it reconvenes this fall in Lansing. The invitation was made by State Representative Don Peas (R-Buchanan) when he appeared before the group at its last meeting.

Entertainment for the meeting was provided by Mrs. Mae Snider and Mrs. Bernice Mittan who offered piano solos. Group singing was led by Leo Carlson.

The next meeting will be held Monday, Oct. 7 at a place to be announced and will consist of a cooperative dinner. Arthur Wile and Leo Carlson were appointed to prepare the program of entertainment.

Peters Begins Duties In Marshall Schools

Robert Peters, son of Mrs. Berdella Peters of 122 Roe St., has recently begun duties as assistant director of instrumental music at Marshall high school.

Peters, who did his practice teaching at Marshall while a student at Western Michigan university, will be teaching music in three schools in the Marshall system. While at Marshall Peters will be associated with a former Buchanan high school assistant band director, Barry Osborn, who is now director of instrumental music in the Marshall system.

For the past three years, Peters has been instrumental music director and a music instructor at North Adams high school in North Adams. He had been spending the summer months here with his mother before going to Marshall. During the summer, he gave private music lessons at the Dowagiac high school and played cornet in the St. Joseph Municipal band.

Peters graduated from Buchanan high school in 1961 and from Western in 1965.

USE THE LITTLE GIANTS: RECORD WANT ADS

BUCKS

(Continued from Page 1)

"Our boys played two hours and twenty minutes," reports Borgert, "against Three Rivers, Coldwater and Manistee Catholic Central." He explained only one team scored against the Bucks in the scrimmage—that was Three Rivers, who tunneled through the line and took advantage of a weak secondary. "With that exception," said Borgert, "no one made it beyond our 20 yard line."

The Bucks managed to score once against Three Rivers, a Class B school, twice against Coldwater which plays in Class A competition and they made no penetration of the Manistee end zone. Manistee was ranked in the top four teams in Class B state competition last season.

"Overall," said Borgert, "I was very pleasantly surprised with the Three Rivers workout. Our timing was off, but that will jell," he said with some determination.

Assisting Borgert with the coaching chores are Dave Wishart and Howard VeHage.

Plaguing Borgert, as it is many of the prep coaches in Southwestern Michigan this year, is the problem of depth. "My first replacement off the bench will have to be a Freshman," he noted. He added, however, that he sees in his players an unusual will to compete and points to that as an important factor in forecasting results in future contests.

On the Attack

Offensively, Borgert had praise for a trio of linemen after the Three Rivers scrimmage. The same trio, Rog Hassen at right tackle, Bill Glossinger at left tackle and Steve Berry at left end will see starting action Friday night. "We've had some loafing in the line," said Borgert, "but this week they've picked up and I'm not counting them out."

Completing the offensive line are Al Hicks at left guard, Bob Davis at center and Ted Lake at right end. The right guard position will probably be filled Friday by Darrell Chappell, a 160-pound Junior. Jim Stubbs, who had been marked for the slot, is recovering from a practice injury. The team physician says there is a possibility Stubbs could see action Friday, but Borgert indicates he is reluctant to take a chance on aggravating the injury.

At the offensive helm for the Bucks will be Pat Sexton, a Senior who weighs in at 155 pounds, standing 5'10". Sexton saw some action behind the leadership of Chet Hankerson in '67 Viking Coach Weede points to Sexton as "a fine quarterback."

Running at fullback position will be Eugene Bailey, a 175-pound Senior. Rich Backus has

drawn the Slotback assignment. He is a Senior, 5'10", 145 pounds. Gary Elliott will serve as the running back. He is a 165 pound, 5'10" Senior.

Young Defense

"Defensively," reports Borgert, "the work of our line and the linebackers, looks good, but we have a lot of work to do in the deep secondary. We have all new kids back there and every thing we are doing is new to them," he said.

Starting off on defense will be John Phillips, a 5'10" 160-pound Sophomore at left end. "Phillips was working out with the Junior Varsity when we got to Three Rivers Saturday," explained Borgert, "but he was so aggressive, we wanted to see him work at the varsity level. It was on the basis of that tryout that Phillips was tagged for the starting post Friday."

Working out at left tackle is Glossinger with Chappell as a good bet for the middle guard slot. Beefy Rog Hassen will hold down the tackle right of center and Steve Klingerman, a 6', 150-pound Junior balances out the line at the end.

Bailey and Backus will put in defensive duty as linebackers and Berry will share the half back assignments with either Jim Huling, a 6'1" Junior or Gary Elliott, a 165 pound Senior. Ted Lake, 5'9", 153 pound Senior will be posted as the corner back while Sexton handles the safety.

How It Will Be

How will Borgert play it Friday night? "We will establish our passing attack and then we'll establish our running attack," Weede said. He knew Borgert would set that plan. "We have a problem with our passing game," he said. "We are primarily a ground team, but that could change, altho we haven't proven to ourselves that we can throw with much consistency," he added.

While discussing his Varsity players, Borgert took time out to praise the work of his JV squad. "They have practiced right along side of us, doing what we did and feeling what we feel—and they did a good job Saturday, scoring six times on passes." He also had praise for JV quarterback Ray Hart-

line.

Friday's game begins at 8 p.m. at the Niles high school stadium. To reach the playing field, motorists may use either Sycamore or Oak streets from downtown Niles and turn left at Fifteenth street.

Other contests set for Friday's opening:

- *Gallen at Bridgman
- *Cassopolis at Constantine
- *Berrien Springs at Bloomingdale
- *White Pigeon at Edwardsburg
- *GR Union at Brandywine
- *BC St. Philip at River Valley
- *Coloma at South Haven

Football Night Held Wednesday

The annual Jaycees Football Night was scheduled to be held last evening (Wednesday) at the high school gymnasium, beginning at 7:30, according to David Reitz, co-chairman of the event.

Dillard Crocker of Niles, a well-known football referee was to have headed up the program with a discussion of new rules, for prep ball and a discussion of plays that will be seen on area TVs this fall.

Coach Doug Borgert and members of the 1968 Bucks Grid squad were to have been on hand for introduction to the attending Members of the '68 Cheerleaders staff also were to be introduced.

Basil Withers, who won the local competition last year in the Punt, Pass and Kick contest which is jointly sponsored by Habicht Ford and the Jaycees, was to have been on hand to explain the event. He will take part locally again this year.

Following the meeting, refreshments were to have been served in the adjoining cafeteria with punch and doughnuts being served.

Buchanan Youth Held After Friday Arrest

Buchanan city police arrested Lynn Edward Davidson, 19, of 121 W. Chicago St., Friday shortly before 9:30 p.m. when he was found sitting in an automobile in which alcoholic beverages were found.

Taken from the place of arrest, near Carroll and S. Portage streets, Davidson appeared before Justice of the Peace Harold P. Jackson where he pled guilty to the charge of being a minor in possession of alcoholic beverages.

Justice Jackson assessed a fine of \$25.00 and costs of \$8.00 which were paid a short time after Davidson's detention in the city jail.

Elderly Man Arrested On Drunk Complaint

Lewis Earl Hutchins, 76, whose last known address was given as Michigan City, Ind., was arrested by city police on a charge of public intoxication Saturday at the intersection of Main and Dewey streets.

After brief detention in the city jail, he was taken before Justice of the Peace Jerry Lauver and was sentenced to five days in the county jail.

He was released to city police who transferred his custody to officers from the Berrien County jail.

Cotton tents, awnings and canopies were used by the Romans in 70 B.C.

Gaels Favored Friday Against Bridgman Bees

If a silk purse can be made from a sow's ear, that will be the task to which Jim Morgan will apply himself with vigor Friday night as the Gallen Gaels travel to Bridgman for their opening game in this season's Red Arrow conference schedule.

Morgan, as the new head coach of the Bees, will find the going a bit tough — he faces Friday night with an eight game losing streak haunting him from last season, a team that hasn't had enough time to polish a newly-installed split-T type offense which will replace the 'G' squad's pro-type offense, and the task of rebuilding lost pride and establishing tradition which must be an important factor in the long range building program he envisions for Bridgman.

Depth A Problem
His task is made doubly difficult by the fact that only four Seniors are out this season, among a weak turn out — and only three of the four will appear in the starting line up.

"Depth is our real problem," Jim points out, "if we get hurt it will cause a serious problem." Morgan has been spending much of his time since opening practice schooling his boys in the new offense and showing up defensive maneuvers. After a scrimmage at Eau Claire last Saturday, Morgan describes his team as "looking much better"

Looking Ahead

While Morgan ponders the many facets of his declared building program, Gallen Head Coach Dick Bartz is looking beyond, but not over, the Friday night match.

Pointing out that Morgan has his hands full, Bartz said, "Bridgman still figures to be one of the weaker teams in the circuit. Watervliet is the squad to beat — it will probably end up a horse race between Watervliet, Hartford and New Buffalo."

It was evident that while Bartz was making last minute plans for Friday night's match, his thoughts were really far ahead — to the opening game at Gallen's Floyd Lintner field against Watervliet, Sept. 20.

Sophomore Surprise

"We need to 'beef up' our passing game," said Bartz, "and we've had some problems with our outside running game."

There is little doubt he will use Friday night as a proving ground for strategy which will figure in the Watervliet contest.

Dave Cook, a 5'11" Sophomore back, will be the keystone of the Gaels offensive attack Friday. At the quarterback slot, Cook will be heading up a promising passing barrage. He has been showing up well with short pass patterns, but longer shots could be a snag if the Bridgman defense is up.

Adding weight to the Gael backfield will be Senior Dan Shultz at the fullback position. Shultz is a transfer from Battle Creek's Springfield high which wound up its season last year with a 7-1 record. He was a starter on the Springfield squad.

Running at tailback will be Don Wolford, a Senior, who is the only returning letterman to be operating behind the offensive line. Garry Godsey, a Senior, will fill in the wingback slot and Ernie Chase, a Junior, will be posted as an alternate in the fullback position.

Line Is Strong

Bartz sees his line as his strong suit. "Our line has good speed," he says, "they are not too big, but they have the necessary experience."

Four of the five offensive interior linemen are Seniors. All five are returning lettermen.

At the guards will be Junior Russ Anderson and Don Hinman, a Senior. Filling the tackle posts are Jim Canfield and Reg Martine, both Seniors.

Kevin Cook will see duty as the starting center in Friday night's contest.

At an end will be Sophomore Denny Geik, who saw action with the Varsity last year. A contest is shaping for the remaining offensive position between Ron Habel, a Senior and returning letterman, and Rick Karpinski, a Junior who is beginning to fill out during his first season as a serious candidate. Bartz will probably make a last minute decision on this one.

Little Change

Defensively, the Gaels will be using much of the offensive manpower, with a few changes.

Kevin Cook will be at the point with Anderson and Hinman taking on linebacker responsibilities. They have been working together at these assignments for three years and do it well. Canfield and Martine will hold down the defensive tackle slots.

Working at the guard positions will be Shultz, and Junior Gleg DePoy, Habel and Geik will offer protection at the ends.

Bartz reports a lot of work has been done in the defensive backfield. Don Wolford and Garry Godsey, both seniors and both returning lettermen and keystones in last year's defensive play will be in the halfback slots and Jim Westveer, a Junior, will hold down the safety. Jim is also a '07 letter winner.

Bridgman Offense

Coach Jim Morgan sees two men as the keystone of his offensive attack. They are Garry Benko, a starter last year as a Sophomore, who will start Friday as a quarterback; and Ken Bakeman, a 190 pound Sophomore who will work out as both defensive and offensive end.

Other Bee starters for Friday are Center Dale Wente, a Senior, Guards Jim Howard, Junior and Dave Shaffter, a Senior.

Tackles Steve Menser, Sophomore and Ken Hocutt, Junior. Ends Bakeman and Dan Davis, a Junior.

Quarterback Benko. Halfback: Joe Svoboda, a Junior and Gunther Wutski, a Junior. There may be a change here before the starting whistle.

Fullback Jeff Crocker, a Senior.

Defensively, Bridgman's line-up will be Center Wente. Middle linebackers Howard and Steve Legoni, a Junior. Corner linebackers Crocker and Davis.

Halfbacks: Benko and Svoboda. Tackles: Menser and Shaffter. Ends Bakeman and Hocutt, altho there could be a change here, too.

Missing from the Bee line-up in the opener will be Roy Baggett, a Sophomore linebacker and offensive right halfback. Roy is recuperating from a practice injury. Morgan is unsure how long he will be out of the starting eleven.

Game time at Bridgman is 7:30 p.m.

SEASON TICKETS ON SALE

Season tickets for all Buchanan high school football games are on sale at two locations in the city, according to Ray Berry, athletic director.

Fans may purchase tickets at \$6.50 to \$5.00 or at the high school office. Cost to adults is \$5.00 and students must pay \$2.50.

Five home games are slated this season, four of which are conference matches. They include Sept. 27, Berrien Springs; Oct. 4, Edwardsburg; Oct. 18, River Valley (Homecoming); Nov. 1, Lakeshore, and Nov. 8, Dowagiac.

CHECKING ASSIGNMENTS — Gael offensive guard Russ Anderson, left, and Sophomore quarterback Dave Cook, right, check assignments with Gallen Head Coach Dick Bartz in a "chalk walk through" as they ready for their season opener against Bridgman Friday night. Cook, who will head up the offensive attack, saw action with the Varsity as a Freshman and is a key to a long range building plan within the Gael squad. Gallen is favored Friday night in last year's meeting, the Gaels topped the Bees, 31-0. —Record Photo

FIRST REGISTRANT — Basil Withers, 419 Hill St., is the first boy to register in the 1968 Punt, Pass & Kick competition, jointly sponsored by Habicht Ford and the Buchanan Jaycees. Registration will continue until Friday, Oct. 4. Withers was a big winner in the 1967 competition, winning an all-expense paid trip to San Francisco where he competed in regional finals, the next to the last step to the national championship. Altho defeated, he's back this year with determination to try again. Looking on as Basil completes his form is Robert F. Habicht, president of Habicht Ford Boys between the ages of 8 and 13 may register. A parent must accompany them to the registration center at 501 N. Portage. —Record Photo

Clark Ladies Given Awards

The Clark Women's Golf league closed its season Aug. 29 with a banquet and awards presentation at an area restaurant.

Trophy awards were presented to the winners by Joseph Caenepeel, Clark safety and security officer. Awards were as follows: Mrs. Gregory Coda, champion; Mrs. Robert Dodge, champion runner up; Mrs. Joseph Matthews, consolation champion; Mrs. Dorothy Warburton, consolation runner up.

WINNING LADIES — A group of award winners in the Clark Women's Golf league posed for the Record camera on the steps of the Clark Administration building last Thursday. They received their trophies at the League's awards banquet held in South Bend recently. Shown from left are Mrs. Joseph Matthews, consolation champion; Miss Maryellen Buckley, low net and low gross; Mrs. Gregory Coda, league champion and Mrs. Dorothy Warburton, consolation runner up. Not shown are Mrs. Robert Dodge, champion runner-up and Mrs. Marion Samson, most improved golfer. Mrs. Warburton, employed at the Tyler Division, is the newly elected president for the coming year. —Record Photo

Rennhack Named As 1968 PP&K Director

Don Rennhack, Buchanan high school varsity basketball coach, was named this week as competition director for the eighth annual Punt, Pass and Kick event, being sponsored locally by Habicht Ford and the Buchanan Jaycees.

The appointment was announced jointly by Robert F. Habicht and Dennis Steinhof, Jaycees president.

Rennhack will direct activities in the competition which is open to boys, age 8 through 13 who will be vying for trophies and trips which will be awarded to the best punting, passing and kicking.

The new director is a native of Bridgman and came to Buchanan in the fall of 1959. He has taught junior high mathematics for the past nine years, coached junior varsity basketball for five years, freshman ball for the previous four years and was named head varsity mentor late in April of this year.

Rennhack, 34, is a graduate of Western Michigan university. Headquarters for registration for local competition in the PP&K activities is Habicht Ford, 501 N. Portage St., where entries will be accepted until Friday, Oct. 4.

Entrants must be accompanied by a parent or guardian. There is no charge. Competition is absolutely free to all entrants and all equipment is provided. There is no body contact in the event.

When they register, boys will receive a free booklet of tips for competition written by Green Bay's star passer, Bart Starr, the Atlanta Falcon's punting specialist, Billy Lothridge, and St. Louis Cardinal's kicking leader, Jim Bakken. The book includes exercises for better physical fitness oriented to boys of the PP&K competition ages.

18 Local Trophies
Eighteen handsome trophies will be awarded to Buchanan winners by Habicht and the co-sponsoring Jaycees. Gold trophies go to first place finishers, silver to second and bronze to third, with first place winners going on to Zone contests.

This year's division winners will go, with both parents to the Orange Bowl in Miami, for the National finals during the NFL playoff game.

First entrant in the 1968 competition was Basil Withers, 419 Hill St. Withers was a four-time winner in the 1967 event, winning an all-expense paid trip to San Francisco where he took part in competition during the nationally televised San Francisco 49ers-Dallas Cowboys game.

The basic principle of PP&K underlines fairness in competition to give every boy an equal chance to win, pitting contestants only against those their own age. Points are awarded for each foot of distance the ball travels on the fly, with points subtracted for each foot the ball lands to the right or left of center line.

Plan Caravan

The Buchanan cheerleaders corps is sponsoring a car caravan to the Niles football game which opens the season Friday evening. All persons interested are requested to meet at the high school by 6:45 p.m. which has been scheduled as departure time, announced Terri Shirlev, corps president.

The Old Pro

A quick rundown on the Blossomland Conference challengers, for the first division in 1968.

Coloma, with seven starters back, could pick up all the marbles this year. They have excellent speed and will fill the

gaps from an undefeated reserve team of last year. They will miss their great quarterback, Joel Carlson, who was graduated.

Berrien Springs boasts the best backfield in the league, with John Jessup at quarterback, Denny Fox at halfback and Jeff Lemon at fullback. All are excellent backs, but as usual, the Shamrocks will be lacking in overall depth. They should, however, finish in the first division.

Edwardsburg has eleven lettermen returning to Coach Leo Hoffman. They have excellent speed in the backfield and are expected to rebound from a 3-4 league record last year. 1967 was the first losing season in Hoffman's career. They'll be tough on a given night — like against, maybe, the Bucks.

River Valley is the fourth contender aiming to end the Bucks' domination of the Blossomland circuit. The Mustangs of Coach Dave Thompson have been rugged on defense the past two years and will be tough on defense again — but you can't see OLD PRO, Page 2.

NOTICE

Officers of the Berrien County Youth Fair Association announced today they are withholding payment of 1968 fair livestock auction sale proceeds from the owners of the grand champion market steer and the grand champion market hog.

In a letter to exhibitors who sold animals at the auction on August 16, 1968, youth fair president F. W. Bruce stated that the exhibitors of the two champion animals, three other steers including the reserve champion Angus, and two other market hogs, misrepresented their animals as being eligible for exhibition by the fair rules.

According to Bruce, rumors that the owners of the disqualified animals had violated the fair rule that exhibitors must take an active part in the production of the projects from which their exhibits are taken have been investigated and confirmed.

The investigation, conducted by fair board members, revealed, Bruce said, that four black angus steers including the one named the fair grand champion were purchased on August 8 at the Porter County Agricultural Fair at Valparaiso, Indiana.

Investigation showed that the grand champion market hog and two others exhibited by one family were purchased from and finished by a breeder outside Berrien County and transported from the breeder's farm directly to the fair.

The beef animals were loaded out from the Valparaiso fair grounds on August 10 and entered in the Berrien County Youth Fair at Berrien Springs on August 12.

Members of both families involved have violated the rules according to Bruce.

"The animals in question were clearly not eligible for exhibition, judging or sale at the annual Berrien County Youth Fair livestock auction. As a result, by allowing their stock to be sold as a bonafide Youth Fair fat stock exhibit a misrepresentation was made to the buyers," Bruce stated today.

Payment of the top market price prevailing on August 16, less premium money already paid for the champions, has been tendered to the two families. The balance is being withheld pending refunds to the buyers.

The tender is equal to, or exceeds, what the stock would have brought on the open market without the stimulus of the Youth Fair auction.

Under fair rules payment for auction purchases is made to the fair association which in turn pays the exhibitor after the fair and after the slaughter houses have received the animals.

The situation has been explained to the buyers and they have approved the board's action.

"This is an unhappy situation and the fair board regrets it," Bruce said. "If any evidence had reached us before or during the fair, these exhibitors would have been disqualified immediately."

"We are reviewing our regulations and procedures with the view of preventing recurrence of this sort of thing. The Berrien County Youth Fair has stood for fair play for 23 years, and we will not condone anything else," he said.

win unless you can score With 12 lettermen back, Coach Thompson must improve on of fence if he is to be a viable contender for the title.

Cassopolis, Brandywine and Lakeshore should fight for the bottom three spots this year.

Cass has a new coach as does Brandywine and neither appears to have the horses at this time Cass will probably field the biggest line in the league.

After seeing the Bucks in scrimmage Saturday night at Three Rivers — a word Don't write them off yet, because the Old Pro believes that you stuck with a winner until somebody beats them.

I'll stick with the Bucks until that happens!

The Bucks face the biggest challenge of the year Friday when they travel to meet the Vikings in Niles.

Niles must be considered the favorite and will be out for revenge Coach Ed Weede has never beaten a Buck team and will go "all out" for this one. But Coach Doug Borgert will be pulling out the stops as well.

Flip a coin and take your choice on this one — unless the Bucks run out of gas in the second half?

See you at the game.

MICHIGAN MIRROR

Union Splits Ticket On Recreation Issue

By Elmer E. White
Michigan Press Association

Enthusiastic lack of support for Michigan's Quality Recreation proposal was shown by the United Auto Workers union at a meeting of state leaders. The union would not oppose the proposition, but neither could it support the plan in its present form, according to Geno Serafini, from the union's conservation division.

Governor Romney introduced two separate but related programs to the group. One, designed to reduce water pollution, received support from those present, including the UAW.

The second, which finances expanded recreation, was subject for UAW criticism. Serafini, who said he spoke for Walter Reuther, argued that the \$30 million designated for local parks was too little and not likely to encourage parks where he thought they were needed most.

He expressed concern that the proposal would not result in parks in the densely populated areas of Detroit, Grand Rapids, Flint and other highly urban communities. Instead, Sera-

fini charged, the parks would be located in suburbs and cities where they would be more available to wealthier people. He asked for a revision of the plan.

The Governor and conservation officials agreed that further consideration of the points he made would take place promptly.

Present plans call for a \$100 million recreation proposal and a \$335 million water pollution control proposal on the November ballot. If authorized by voters, the state will bond itself for the \$435 million.

Proponents stress that the bonds can be sold with no increase in taxes. Retirement of other bond issues and economic growth will provide enough revenue to cover principal and interest payments within the present tax structure.

The \$30 million earmarked for local recreation facilities would be available to communities on a matching basis with the state paying 75 percent of costs. The remaining \$70 million would be spent for state parks, fishing areas, fish hatcheries, forest campgrounds, hunting areas, hiking trails, snowmobile trails,

E-V GOLF WINNERS — Paul Asmus, right, receives congratulations from Electro-Voice Men's Golf League President Bernie Ulom for being awarded the League's Sportsmanship award. The presentation was made at an awards banquet held Friday at the American Legion home. Looking on are the members of the League's championship team. From left they are Jim Wagner and Al Bennett. New officers, elected at the meet, are Greg Coda, president, Loren Jewell, vice president, Jim Wagner, secretary and Jack Salmon, treasurer.

etc. Combined with local and federal funds, an estimated \$170 million will be available for recreational purposes.

Clean-water proposal, if approved by voters, will help finance new sewage treatment plants, improvements to existing plants, and loans for new sewers. Some 150 communities are currently in violation of Michigan's pollution control law. These communities would qualify for 50 percent assistance from the state and 25 percent from the federal government in instituting a pollution control program.

About \$50 million would be earmarked for sewer construction and \$285 million for treatment plant construction and improvement. The addition of fed-

eral and local funds would provide more than \$600 million to clean up Michigan's lakes and streams.

The two proposals will appear separately on the ballot this fall, and passage of one does not depend upon passage of the other. Voters who are concerned with adequate recreational facilities and lots of good, clean water will support the propositions with their "yes" votes.

Healthier Children
Mothers should be glad to know that vaccines for six major diseases have brought a decline in smallpox, diphtheria, polio, tetanus, whooping cough and measles.

The Michigan Department of Public Health reported that in

1967 there were no smallpox cases, only one case of diphtheria, three cases of polio and seven of tetanus. Whooping cough and measles, however, still accounted for major concern. The measles vaccine is relatively new, and the 1,047 cases indicate laxity on the part of parents in having children inoculated.

Whooping cough vaccine has been available for many years. The department points out that over 70 percent of the 1,058 cases reported last year occurred in the central portion of Detroit, largely in the impoverished areas.

Mumps may soon show the decline of other communicable diseases, the department noted. In 1967, some 18,023 cases of mumps were reported, 62 led to post-infectious encephalitis. A live virus vaccine is now available and its effect should be evident in 1968.

Tuberculosis continued to decrease, 1,900 new cases were reported, down 400 from 1966. Venereal diseases increased about three percent over 1966 with 3,905 cases of syphilis and 12,677 cases of gonorrhea reported.

Apparently this summer's experience with daylight saving time has done nothing to convince Michigan farmers that it is a good idea. According to Livingston county farmwife, Mrs. Andrew Jackson, "Sunday morning we were really wishing some of those who support 'double daylight' time would volunteer to come and get the cows in. At 5:00 a.m. it was dark, wet underfoot and raining. The cows knew it just wasn't time to go to the barn in all that darkness, so it meant going around the pasture and inviting each one to get up. By the time over 70 had received their personal invitation, we were soaked and had lost almost an hour, and needless to say it didn't improve our outlook in the day of the farming business.

"One can't help but wonder which is the most important — an extra evening hour to play golf, or milk for the baby? To the golfers, it probably would be golf."

Farmers call it "Double-Daylight Saving Time" because the federal Act placed most of Michigan two full hours ahead of "sun" time, giving them a too-early start in the day on work such as hay, fruit, or grain harvest which cannot begin until the day dries off. "As we finished the hay, we came to the conclusion that we haven't been able to start haying a single day before noon. Any hired help we have wants to live by 'community time,' so we often lose them just when our work is going best..." Mrs. Jackson says.

It appears that most farmers have tolerated daylight saving time as a somewhat silly nuisance and something to be done away with as soon as possible. That opportunity, farmers are quick to point out, will come election day, November 5, when the question of federally mandated daylight saving time will appear on our Michigan ballots. The proposal on the ballot will read:

PROPOSAL No. 2 — Referendum on Act 6 of Public Acts of 1967—(Daylight Saving Time). "Public Act 6 provides that Michigan shall be exempted from observing Daylight Sav-

(This is one of a series of public service articles explaining in general terms a provision of Michigan law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.)

Our experience in Michigan shows that the majority of building contractors try to maintain a good business reputation and take care of all legitimate grievances of their customers. The problems for the public in this field are confined to the unscrupulous few contractors who care nothing about their business reputation or their customers.

Suppose that two months ago a contractor finished work on the home you've been planning to build for years. Since moving in you've found that cracks have appeared in the living room walls. But the builder won't come out to look at the walls!

Or you've just paid \$350 to have new shingles placed on your roof, but during last night's rains you found several leaks. When you called the roofing company this morning, the owner brushed you off by saying that he's been paid and it's not his problem!

What to do??
Unknown to many members of the public, there are Michigan statutes which protect home owners in both situations. Under Act 383 of the Public Acts of 1965 residential builders and alteration contractors and salesmen, except those who do contract work totaling less than \$200, must be licensed by the Michigan Department of Licensing and Regulation.

Licensed builders and contractors must adhere both to the standards of conduct set forth in the act and those established by the Residential Builders and Maintenance and Alterations Contractors' board, created under a separate 1968 act.

Home owner complaints of possible victimization should be filed first with the local building authority (building inspector, electrical inspector, plumbing inspector, etc.). Enforcement of the laws governing construction of residential or commercial building in various political subdivisions is the responsibility of these individuals. If the complaint is meritorious, then the local building authority may file a verified complaint against the licensee with the Department. The Department will process the verified complaint, filed by the local building authority, according to procedures set forth in the rules of the Board.

In many cases the local building authority must file his complaint with the department no later than one year after the completion, occupancy or purchase of the residence. Therefore, a homeowner should notify his local building authority of his grievance as soon as he discovers the problem. Early filing will enable the local building authority to investigate the homeowner's complaint and, if he so decides, to file a verified complaint against the licensee with the department prior to the one year deadline.

This grievance procedure is not exclusive of other remedies. An aggrieved homeowner may file a lawsuit against the builder or contractor since Act 383 does not relieve a licensee from civil or criminal liability under the general laws of this state.

Beware Acne, Skin Doctors Warn Gridders

Dermatologists at the University of Michigan Medical Center, Ann Arbor, say the fall football season in high schools and colleges regularly brings on an increase in acne problems for the players.

Football uniforms, perspiration, the dirt of the playing field, and the lack of sunlight on the skin all contribute to this seasonal increase.

The chairman of the dermatology department, Dr. E. Richard Harrell, said boys of high school and college age "may show a worsening of their acne condition if they play football, but only if the condition was already present. By itself football equipment does not cause acne. It can, however, aggra-

te the condition. The purpose of this referendum is to approve or reject this act. Shall the State of Michigan observe Daylight Saving Time? Yes No
Fed up with the whole idea, farmers are urging all-out support for a "No" vote.

vate an existing condition — particularly of the pustular type of acne — in the upper torso."

An important factor in acne is a mechanical blockage of hair follicles and oil ducts in the skin. Although a microorganism — the acne bacillus — may be involved, the main cause is the formation of plugs which dam the flow of skin oil. As the oil backs up it may rupture tiny channels beneath the skin and cause a severe irritation.

Dr. William B. Taylor, associate professor of dermatology, says the extent and severity of acne is influenced by hereditary, hormonal, and bacterial factors. "Although streptococcus and staphylococcus germs do not normally play a major role, they may become important under the conditions of football play and practice.

"When personal equipment doesn't get thoroughly clean, when the players are rolling in dust and their skin is hyperhydrated from long contact with sweaty equipment, they become much more receptive to

the action of the acne bacillus." Dr. Taylor says that sunshine has a beneficial effect on acne, but that football helmets, chin straps, pads, and jerseys block the sun's rays at the same time they capture perspiration and skin oil to increase the irritation.

He gave one reassurance: Football players don't catch acne from each other. "They just share the same kind of conditions which favor the growth of acne."

The University of Michigan doctors say the average case of acne lasts about two years, and is particularly noticeable from September to May. Severe cases are treated with antibiotics, with medications to promote drying or peeling, and by vigorous use of soap and water.

Miss Dodge and Bagwell United in Marriage

Basket arrangements of white gladioli and lighted tapers in candelabra graced the altar of First United Methodist church for the marriage of Miss Sandra J. Dodge and Specialist Loyd Leon Bagwell Saturday.

The church pastor, Rev. C Robert Carson, officiated at the four o'clock double ring ceremony.

Nuptial music was provided by the church organist, Mrs Corbin Detgen.

The bride is the daughter of Mr and Mrs Robert Eugene Dodge of 101 North Detroit St. and the bridegroom is the son of Mr and Mrs Leonard Bagwell of 126 West Smith St.

Given in marriage by her father, the bride appeared in a floor length A-line gown of white satin peau fashioned with an empire bodice overlay of lace and lace bell sleeves. Her gown was the needlework of the bridegroom's mother. A matching Dior bow held her bouffant veil and chapel train of silk illusion and she car-

ried a bouquet of white orchids encircled with white Fuji chrysanthemums.

The bride's sister, Mrs James Best, as matron of honor, was attired in a tangerine nylon lace cage with elbow length puffed sleeves worn over a fitted sheath and accented at the back neckline with a matching bow. Double bows held her bouffant blusher veil and she carried a cascade of Fuji chrysanthemums in autumn colors.

The bridesmaids, Miss Jean Cress, Miss Lorraine Mills, cousin of the bride, and Miss Corliss Zanini, each wore a costume identical in color and fashion detail to that of the matron of honor and each carried a similar bouquet.

The bridegroom's brother, Johnny Bagwell, performed the duties of best man. Grooms-men were James Best, brother-in-law of the bride, Jerry Flenar, and Bill Babbs.

For her daughter's wedding, Mrs Dodge selected a jacket dress ensemble of champagne

brocade with brown metallic accessories. Mrs. Bagwell chose to wear a navy blue knit suit with matching accessories. Each mother wore a corsage of yellow roses encircled with Fuji chrysanthemums in autumn colors.

Guests were received at 8 p.m. at the American Legion home.

The bride, a 1967 graduate of Buchanan high school, was a February, 1968, graduate of Twin City Beauty college in Benton Harbor. She was employed at Richard's Boutique.

The bridegroom, a 1967 graduate of Buchanan high school, is stationed at Fort Riley, Kan.

Following a wedding trip thru northern Michigan, the couple will be at home after Sept 21 at 409 1/2 West 8th St., Junction City, Kan.

Parents Club to Meet Moccasin Teachers

The Moccasin Parents and Teachers organization will conduct its annual "Meet the Teachers" program at its first meeting of the year Tuesday, Sept 17, at 7:30 p.m. in the school gym.

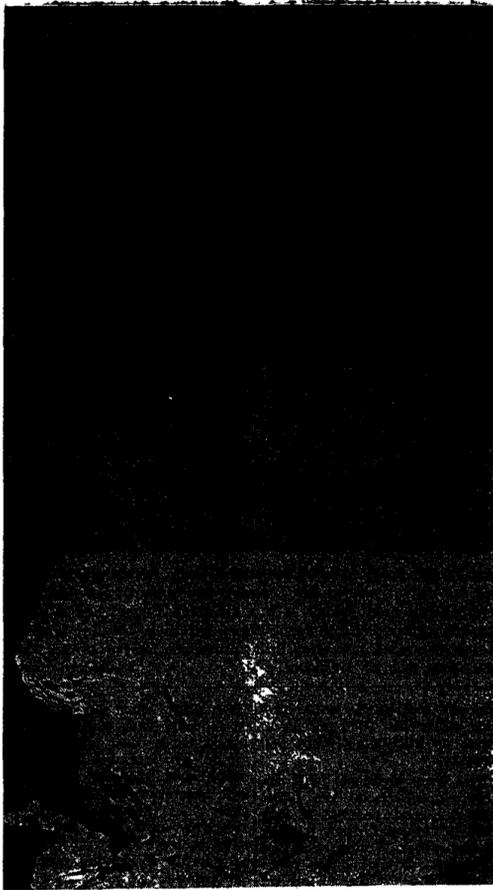

Mrs. Helen Cham, building principal, will inform parents of primary grade students of the new grading system now in operation.

Miss Ralph Gilbert, organization president, will conduct a brief business meeting.

Refreshments will be served at the social hour following the meeting.

Meeting Cancelled

The Golden age club will not meet this Friday since the Niles YMCA is closed for staff vacations this week. The next meeting will be on the regularly scheduled date Friday, Sept 27 with a co operative luncheon at 1 p.m.

Mrs. Loyd Bagwell

Mrs. Joseph F. Mitch

Mitch and Bride to Reside In Forest Park, Illinois

Joseph F. Mitch and his bride, the former Susan Kay Orr of Ann Arbor, will reside in Forest Park, Ill., following a wedding trip to New York City.

The couple were married Saturday Aug. 31 at the West Side Methodist church in Ann Arbor.

The bride is the daughter of Mr. and Mrs. Claude Orr of 3779 Lock Alpine Dr., Ann Arbor and the bridegroom is the son of Mr. and Mrs. Joe Mitch of Red Bud Trail.

For her wedding, the bride appeared in a floor length gown of cloud white Irish linen fashioned with an empire bodice and bateau neckline trimmed with Venise lace. Lace motifs also enhanced the A-line skirt and detachable panel train. Her mantilla of imported silk illusion was edged in matching lace and she carried a satin and lace fan accented with miniature white roses.

Maid of honor was Miss Cindy Waltman of Niles and matron of honor was Mrs. Alan Mimms of Long Island, N.Y.

Bridesmaids were Miss Janet Mitch of Buchanan, Miss Ronnie Davitt of Kalamazoo, Miss Karen Petersen of Clawson, and Mrs. William Orr of St. Louis, Mo.

Performing the duties of best man was Gayer Wesch of Brooklyn Ushers were Thomas Brown and Andrew Wright, both of East Lansing, Donald Weber of Ann Arbor and William Orr of St. Louis.

Following the wedding, guests were received at the Inn America in Ann Arbor.

For her daughter's wedding, Mrs. Orr, selected a turquoise suit with matching accessories. Mrs. Mitch chose to wear a pink dress with a matching lace coat. Each mother wore a corsage of white rosebuds.

The bride, a 1964 graduate of Ann Arbor high school, is a 1968 graduate of Michigan State university.

The bridegroom, a 1964 graduate of Buchanan high school, is also a 1968 Michigan State graduate. He has accepted a position as Sports Information director for the University of Illinois at the Chicago Circle campus.

PTA Offers Dance Classes

Dance classes for Buchanan and Galien school children are again being sponsored by the Buchanan parent teacher organizations with classes scheduled to begin Tuesday, Sept 17.

The classes at Moccasin school will be scheduled for Tuesday after school and in the early evening. Instructors for the classes will be the same as last year, Mrs. Janice Andrews and Mrs. Barbara Grimm, both of South Bend.

Classes offered are pre-school ballet, ballet, tap, acrobatics, and modern jazz. Fees will be \$1 per lesson.

For registration contact Mrs. Thomas Fritz at 686-8015.

River Study Club Meets

The Bend of the River Home study club will begin its fall activities with a noon luncheon Wednesday, Sept. 18 at the home of Mrs. Clyde Penwell of 114 North Cayuga, announced Mrs. LeRoy Gess, president.

Meets Women to Meet

Publicity chapter night of the Buchanan chapter of Women of the Moose will be this evening (Thursday) at 8 p.m. in Moose hall with program arrangements under the direction of Mrs. Robert Barnhart. Mrs. James Morgan, senior regent will conduct the formal enrollment of new members.

Former Resident Dies In Air Crash

Four Buchanan residents attended the funeral of a former area resident and her husband, Mr. and Mrs. Kermit White of Marks, Miss., which was held Sunday in Clarksdale, Miss.

Mr. and Mrs. White were killed in a plane crash Wednesday, Sept. 4, near Alto, Tex.

Mrs. White, a 1960 Galien high school graduate, is the daughter of Mr. and Mrs. Ben Harvel, formerly of this city, now in Germany with the American Red Cross.

Attending from Buchanan were Mrs. Carl Runyan, Jack Runyan, Mrs. Carl Harroff and Mrs. James Harvel.

Surviving are two children, Dana 4, and John 6 months.

Engagement Announced

Mr and Mrs Bradford Barnes of Southfield announce the engagement of their daughter,

Miss Linda Barnes

Linda Lee, to Randall L. Shoemaker, son of Mr. and Mrs. Willey Shoemaker of Wagner road.

Shoemaker is a 1963 graduate of Buchanan high school.

Both Miss Barnes and her fiancé are juniors at Western Michigan university. She is majoring in elementary education and he is majoring in education and business.

The wedding has been set for Dec. 21 in Southfield.

Batchelor Family Holds 52nd Reunion

Descendants of Zephaniah and Ruth Kellogg Batchelor numbering 107 gathered at the River road home of the eldest family member, Mrs. Elto Denno, 83, for the family's 52nd annual reunion.

Officers re-elected for the 1969 reunion were James Batchelor of Mishawaka, president; Gene Rose, vice president; Mrs. Denno, secretary-treasurer, and Floyd Taylor, program chairman.

The 53rd reunion has been scheduled for Aug. 31, 1969 at the Denno home.

Presbyterian Women To Meet Tuesday

The Presbyterian Women's association will meet Tuesday, Sept. 17 at 1:30 p.m. in the church lounge to hear Mr. Wenzel, school superintendent of Indiana State Prison at Michigan City, Ind. Wenzel will illustrate his talk with artwork by the prison students.

Hostesses for the meeting will be Mrs. Stanley Stroms-wold and Mrs. George Vander-Bosch.

Following the meeting association members will hold a kitchen work session.

Missionary Report Presented

Missionary Robert Carey occupied the pulpits of the Hinchman and Oronoko United Methodist churches last Sunday morning. He has been working in Liberia, Africa for twenty years and is home this year on a year long furlough. Carey told how he became interested in being a worker and left his position at the US Rubber company.

Liberia was originally settled during President Monroe's administration when Christian groups on the East coast raised money and were able to procure two navy cutters to transport recently freed slaves to found a new country for themselves.

The Christian influence still prevails in the political economy of the country and to this Carey credits the lack of strife in the country. A number of the boys from the bush or hinterland, who received their education during his administration of the school system have received scholarships to study in this country. Their worth when they return as doctors, business administrators and teachers is ten to fifteen times the value of a white missionary. When funds are available to also send the wife to continue her education the couple become invaluable.

Missionary and Mrs. Carey, whose partial support is contributed by the Hinchman and Oronoko United Methodist churches will show slides and tell further of their work, Wednesday evening, Sept. 11 at the Oronoko church at 7:30. Everyone is very cordially invited to attend.

NEW OFFICERS PLAN — Newly elected officers of the Indian Hills Community club plan program activities for the coming school year. Seated from the left are Alan Mantke, a teacher at the Indian Hills school and program chairman, Mrs. Robert Letcher president, and Mrs. Robert Tropp, Jr., treasurer. Standing, from the left, are Mrs. Robert Gunn, secretary, Mrs. Eugene Huffman and Mrs. Jay Combs, refreshment chairmen, and Mrs. George Batchelor, vice president. The election took place at the first regular meeting of the group Monday evening. —Record Photo

attend.

Farm Bureau to Meet

Members of the Pioneer Farm bureau are again reminded that the September meeting for their group has been postponed and members will meet at the home of Mr. and Mrs. Adolph Rychly, Wednesday evening Sept. 18 instead of Sept. 11, as regularly scheduled. Anyone interested in the problems of agriculture in the area is cordially invited to join with the group. The meeting starts at 8 p.m.

Beck Baby Honored

A rose was placed on the altar of the Oronoko United Methodist church last Sunday morning in honor of Todd Lee Beck, the newborn son of Mr. and Mrs. Gene Beck. Todd has two older brothers, Dale and Keith. Allen M. and Mrs. Earl Beck are the paternal grandparents.

Practice Teaching

Miss Ann Dargus, daughter of Mr. and Mrs. Fritz Dargus, a senior at Michigan State in Lansing, is doing her practice teaching at Fairplain North East Elementary school this term.

Return to Studies

Jeanette and Nona Russell, daughters of Mr. and Mrs. John Russell of Red Bud Trail have returned to their respective colleges for continued study. Jeanette has joined her sister, Carol, at Oakland University, Hillside, Michigan and Nona is at Western Michigan. Carol studied throughout the summer term.

Peace Corps Teacher

Mrs. Virginia Carlson, a former resident of Red Bud Trail, is now with the Peace Corps in Manila, where she is teaching school in a small town which she describes as the center of a progressive fishing-farming region. Mrs. Carlson will return to the states in time to start the 1969 school year. She says education is the prime need and the parents are anxious for their children to get a good education.

Schedule Earlier Meeting

The dirty bags for American Red Cross project "Operation Shop Early", for Christmas giving to servicemen in Vietnam, must be turned in to the Red Cross office no later than Sept. 19. The Mt. Taber Home Extension Study group is therefore advancing its September meeting to Tuesday, Sept. 17 instead of Thursday, Sept. 19. The club will meet at the home of Mrs. Earl Derflinger at 1 p.m. to prepare its contribution of bags filled with grooming articles and small treats for service men.

Farm Policy Makers Meet

The Michigan Commission of Agriculture, the policymaking five-member body of the state agricultural department, is holding its September meeting at the Holiday Inn at Benton Harbor. The meeting began yesterday and concludes this afternoon (Thursday).

For the past several years the commission has held a summer meeting in Berrien county to afford commissioners and staff opportunity to see the rich fruit, vegetable and nursery industries of southwestern Michigan.

A 12:30 luncheon with local agricultural business leaders at the Inn has been planned for today to further this.

Yesterday's session began at 1 p.m. and today's session was scheduled to begin at 9 a.m. Agenda topics included re-

"BELLY BUTTON" OR UMBILICAL HERNIA

Navel, or belly button hernia, is not unusual in babies and usually it corrects itself in a few months to a year. It is the only kind of hernia which can be self-correcting. The Doctor sometimes just tapes a coin, or a similar flat object over the hernia.

In grandmother's time, every baby usually wore a belly band for this purpose, but now medical opinion has discarded this therapy as having little value. Infrequently, surgery may be required for a navel hernia but the operation is simple. Your physician will tell you if one is necessary.
