Sharp appointed vice president and general manager

Ted F. Sharp has been appointed Vice President and General Manager for Clark Equipment Company's Axle Division He will have full operational responsibility for plants in Buchanan and Grand Rapids, Michigan and one currently under construction in Statesville, North Carolina

The announcement was made by Nelson Henry, Executive Vice President of Operations for Clark

Sharp joined Clark in June of 1975 after having served as an officer and Vice President of Operations for the Dodge Manufacturing Division of Reliance Electric Company in Mishawaka, Indiana He also held the post of Vice President of Engineering during his 12 years with Dodge

Prior to his move to the Indiana firm, Sharp was Chief Engineer of Morse Chain Company, a Division of the Borg-Warner Corporation and also served as Chief Metallurgist for Borg-Warner's Gear Division Sharp has also served as Project metallurgical Engineer for the Chrysler Corporation

A native of Detroit, he graduated from the University of Michigan with a Bachelor of Science degree in Metallurgical Engineering

Sharp has been a guest lecturer at Cornell University and the University of Illinois He has delivered papers before chapter and national meetings of the American Society of Mechanical Engineers, American Gear Manufacturer's Association, American Society for Metals, American Society of Quality Control, and various civic groups

He was recently reelected President of the Area Plan Commission of St. Joseph (Indiana) County, having served on the Commission since 1964 He also served as Chairman of the Greater Ithaca (New York) Regional Planning Board and as Trustee of the Village of Cayuga Heights (New York)

Sharp has participated in fund raising activities for South Bend's Century Center, the United Way, and the South Bend Symphony Orchestra He was Commodore of the Eagle Lake Yacht Club in Edwardsburg, Michigan from 1969 to 1970

He and his wife, Jean, live in South Bend and have a daughter, Mrs William C Ligety of Salt Lake City, Utah, and a son, Randall F Sharp, of Vancouver, British Columbia

The Axle Division manufactures axles, axle housings, and hydraulic products in Buchanan, sheet metal components in Grand Rapids, and will build axles in the new Statesville facility

Public participates in City's deliberations

So many people showed up at the city commission Monday that it was moved to the middle school It turned into a regular town meeting with everybody having his say, and some having many chances to air their views

Members of the library board were present They had objected to the fact that some of their building fund had been used for architect fees, and wanted it understood that they had the authority to decide what was to be done with stock which they received as a gift Although the city advised that securities received should be turned into cash as soon as possible they granted the board's authority to recommend how money received should be spent.

A group of neighbors presented a petition objecting to the trucks carrying steel which go up and down Liberty Avenue. They wondered if the trucks couldn't be routed some other way They were told that the city would attempt to enforce any ordinance they had pertaining to this

Other neighbors objected to the trash and garbage from the apartments on Arctic Street. They were told that the city would pick up the trash and send a bill to the owner of the apartments.

A public hearing was conducted on the plan for goals and objectives for Buchanan Keith Morrow explained that this was a preliminary step by the plan commission and that a comprehensive plan for the city would be presented at a later date Asking for input from the public, the commission members heard suggestions on parking, traffic, appearance of areas of the city, restaurants and stop lights. The plan commission and the city commission emphasized the need for cooperation of the city with the townships and with the school district The general concepts of the goals and objectives were accepted by the commission

The big discussion came when the city again began to talk about their proposed ordinance to regulate garage sales and rummage sales within the city The intent was to limit the number of sales any one person could have in a year, to govern where these sales are held, and to limit the number of days a sale could be conducted at one time The intent was to eliminate the perpetual garage sales which seem to go on all the time Several women appeared to object to this ordinance, one even claiming that it would be a violation of individual rights There was objection about the proposed fee for a permit and questions if the ordinance could be enforced anyway The commission, not expecting all that flak, tabled the whole matter.

Discussion over the commission's resolution to accept the industrial appraisal, although it could have a much larger effect on people's pocketbooks, received less than a tenth of the time that the garage sale argument did

The commission heard a report from Joe Bachman, chairman of the committee to erect a chapel in memory of Jack Knight in the city cemetery The committee had been to the United Airlines offices and had engendered considerable interest from the company for whom Knight flew

It's time to renew membership in the Southwestern Michigan Community Ambulance Service City Commissioner Reg Bellaire (left), is becoming a member of the service for the first time and Mayor Pro-Tem Mildred Anderson, (right), is renewing her membership Ambulance Board Representative from the City of Buchanan, Linda Shelles, (center), discusses the service with them

Cost for the service is $15 for family membership and $8 for a single membership For more information call the business office at 684-2170.

Unity Hospital announces 24 hour emergency service

Starting March 1, Unity Hospital of Buchanan, will have 24 hour emergency service available to the community according to D L Ciolli, Administrator There shall be a licensed medical doctor and nurse on the premises at all times to handle any medical problem that requires attention

The new emergency room doctors are headed by Joseph Sabato, D O

The emergency service Unity Hospital provides to the community is contracted from a California based firm, AMESCO, American Emergency Medical Services The company is home based in Santa Monica, California and maintains a regional office in Bala Cynwyd, Pennsylvania, a suburb of Philadelphia

AMESCO also staffs the emergency room of Hillsdale Community Health Center in Hillsdale, Michigan and St Anthony's Hospital in Michigan City, Indiana. Over twenty hospitals are staffed by AMESCO throughout the United States

The new emergency room doctors at Unity Hospital are career oriented physicians who specialize in emergency medicine Most of them are full time doctors with special training, since emergency medicine is now an established specialty which ranks with other medical specialties such as pediatrics and surgery

Unity Hospital and AMESCO are particularly interested in providing the best medical care available and in serving the community According to Michael Menkin, the community relations representative at AMESCO, emergency medicine no longer refers to a life or death matter If a person feels that immediate medical care is needed and can't contact a doctor, he or she has a right to proper medical care. No one in need of medical care is turned away from the emergency room

Industries and businesses in the Buchanan area shall also be served by Unity Hospital's emergency room Industrial accident cases will be treated and follow up care rendered by emergency room physicians

Pre-employment physicals and annual physical exams for employees are also available through the emergency room Unity Hospital is also interested in providing an on-the-job medical care program to meet the needs of industries in the area

There is equipment in the emergency room at Unity Hospital to handle almost any kind of accident or illness Some of the equipment includes, a defibrillator, a heart monitor, casting equipment and instruments for removing foreign objects from any part of the body

The emergency room program at Unity Hospital is only one of the steps being taken to bring better medical care to the community. Construction will soon be underway for a new physical therapy department, inhalation therapy department, kitchen, lobby and entrance Completion is expected in 1979. A new x-ray department is also planned

Unity Hospital has a staff of 23 doctors and has been serving the community since 1956

Mayor explains new property appraisal

Mayor Richard Gault called a special news conference Monday to explain what the city planned to do with tax assessments

The city had hired a private firm to appraise the industrial properties in town. Expecting that there would eventually be a county-wide appraisal, they held off on an appraisal of commercial and residential properties in the city The industrial appraisal was completed and studied by the city commission It showed considerable depreciation in value of those properties.

The city proposes to enter these appraisal values into the tax roll with a factor of 1 0 to reflect an assessed valuation of fifty per cent of fair market value The commercial and residential property, since they are figured on old appraisals, would be entered with a factor of 1 472916, or basically the same as it has been The city plans to get an appraisal of these properties, but presumably that would take at least a year

All this means that, based on present millages, the city would realize over $46,298 less revenue on 14 5 mills This would mean that the city will have to raise its millage or reduce its budget to compensate for the decrease in revenue

The school district would also suffer It is estimated that the reduction in SEV would result in approximately $84,404 less revenue from the city part of the school district, based on 28 mills.

The 1976 SEV for the city of Buchanan was $25,652,912, of which $7,258,025 was industrial The assessed value of land and buildings for the industrial section based on the new appraisal would be $4,765,450

Monday night the city commission passed a resolution to accept the industrial property appraisal by United Appraisal Company and to plan for a new appraisal of residential, commercial and agricultural property

The city expects that this use of two different factors may not meet with approval from the county or the state tribunal, but, by taking this action, the city can represent itself at future hearings and spare individual companies the necessity of making their own appeals The purpose of the city's action is to be fair and equitable to the industries without imposing an extra burden on the individual property owners or commercial taxpayers

The city commission will have until June to decide whether they'll have to trim their budget or to raise its millage, or a combination of both

Band and Orchestra Festival

District VI of Michigan School Band and Orchestra Association is sponsoring the Junior High Band and Orchestra Festival, Saturday, March 5, at Watervliet High School, Watervliet, Michigan

Each band will play three selections for a panel of three judges Buchanan Middle School Eighth Grade Band will perform the march, "Empire State Salute," by Ted Petersen, required piece, "Prelude and March" by Pergolesi, and their selected number will be "Chaconne with Four Variations" by Marcel Frank

After the concert portion of the Festival, each band is required to sightread an overture and a march before an adjudicator The ratings from the four adjudicators are then compiled for a final rating.

The Eighth Grade Band will leave Buchanan at 6 30 a.m. and is scheduled to perform at 8 25 Sight-reading will follow immediately after and the students will then have opportunity to listen to some area bands before leaving to return home at approximately 10 30 They should arrive at Buchanan Middle School by 11 30

All parents and interested people are invited to attend as the Festival is free and open to the public

Mrs Detgen is conductor of the band

Short-range goals for school outlined

An administrative council made up of school principals and administrators and new superintendent, Dr Earl Hogan, came up with a list of short-range goals for the school to implement the goals set by the board of education

Of primary importance to the school will be the forthcoming millage campaign for an April election, the purpose of which would be to inform the voters and clarify what the millage would or would not do

Another goal would be to establish an information center and the establishment of an Action Line to disseminate information and to answer questions from the parents and public at large The information could be supplemented by data in the school news letter More involvement by the staff with personal contact to the parents will be encouraged

A positive relationship between the board and the staff was recommended implemented by pre-school breakfasts, board letters in recognition of accomplishments, and informal get-togethers between the board and staff

Another paramount short-range goal would be the settlement of the present contract with the teachers and the completion of the 1977-78 contract before the next school year begins

A full day of goal-planning with administrators and the board is planned soon at St Mary's College In the meantime, committees are working on means to better coordinate instructional planning and to establish better coordination in matters of financial planning and budget responsibility.

As the year goes on, the various goals will be analyzed to determine whether they are being implemented or if new short-term goals should be added

Pre-school story hour

Pre-schoolers Story Hour each Wednesday afternoon at 1 30 p m during March

Buchanan Public Library

Service League topical fluoride program

Parents who wish to have their children enrolled in this summer's topical fluoride program have until March 5 to act, according to Mrs. Dale McKee chairman of the Niles Service League's Topical floride committee

All pre-schoolers, second, fifth, or eighth graders are eligible for the program providing they have been registered prior to the deadline. Parents who wish to enroll their children, but who have not received the registration cards may contact Mrs Dale McKee at 683-3347 or Mrs William Fairman at 684-2018. A fee of $4 50 to cover costs of operating the clinic must be submitted along with the registration card Other children can also be included in the fluoride clinic by calling Mrs McKee or Mrs Fairman for further information.

The topical fluoride program provides protection against cavities, and offers a valuable dental experience for children with no discomfort Dental health education by the clinic personnel includes proper method of brushing the teeth.

Michigan leads the nation in the number of community programs in operation and in children treated In addition to the children from the Niles area, the topical fluoride program is being offered to the children of Buchanan, and Edwardsburg. The state wide program is supervised by the Dental Division of the Michigan Department of Public Health

Reminder The deadline has been changed from February 28 to March 5

Red Cross Bloodmobile at Clark's EMS Building

On Thursday, March 3, from 12 00-6 00 p.m and Friday, March 4, from 10 00 a m to 4 00 p m , the Bloodmobile will be at Clark Equipment Company, at the E M S Building across from the Guard House.

According to Mrs. Frederick Stout, "We are very much in need of blood to provide the daily needs of all the residents who need blood in Berrien County This program provides free blood to all the residents of Berrien County who have need of it We urge you to give to help this very worthwhile program No appointment is necessary Please eat a good lunch or a good breakfast before coming."

Community Outlooks

The Record has been advised the "Opinion" question regarding angle parking on Front Street was incorrect

The suggestion should have read "angle parking on one side of Front Street and parallel parking on the other side."

Are you for or against this suggestion? Call the Buchanan Area Chamber of Commerce at 695-3291 and give your opinion

Word has been received by the Buchanan Post Office that the Readers Digest printing operations were forced to close down for 10 days due to the heavy snows and natural gas shortage, according to Postmaster Oscar Crocker.

Deliveries of the March and April issues will be arriving up to 7 days later than normal. The March issue may arrive as late as March 3 or 4, the April issue as late as April 1, Crocker said.

Riegle appointed chairman of subcommittee on consumer affairs

Chairman of a Senate Subcommittee on Consumer Affairs is one of the many hats Senator Donald W. Riegle, Jr. (D-MI) will be wearing during the 95th Congress

Riegle has received final appointments to three full Senate committees and nine subcommittees, after a two-month delay in the appointment process caused by Senate reorganization of the committee system

After six years on the House of Representatives Appropriations Committee, Riegle will now serve on the Senate Banking, Housing and Urban Affairs Committee, which is chaired by Senator William Proxmire (D-Wisc.). The 13-member committee holds jurisdiction over all legislation relating to financial institutions, financial aid to commerce and industry, federal monetary policy and credit, export controls and promotion, urban development and mass transit, private and public housing, economic stabilization and defense production, and renegotiation of government contracts

The Senator will chair Banking's Consumer Affairs Subcommittee and serve on the International Finance and the Housing and Urban Affairs Subcommittees

Riegle has also been appointed to the Senate Commerce Committee, a 17-member committee chaired by Senator Warren Magnuson (D-Wash), and to its subcommittees on Communications, Science and Space, and Surface Transportation. Jurisdiction includes all legislation relating to interstate commerce, transportation, highway safety, science, engineering, technology research and development policy, and sports.

Jurisdiction over consumer products and services, including testing related to toxic substances other than pesticides, also falls under this committee Riegle has announced plans to hold hearings on the controversial PBB contamination in Michigan.

Riegle's third major committee is the Human Resources Committee, formerly the Labor and Public Welfare Committee, Chaired by Senator Harrison Williams (D-NJ), the 15-member committee has jurisdiction over education, student loans, labor, equal employment opportunity, occupational health and safety, aging, the handicapped and public welfare He will also serve on the Subcommittees on Child and Youth Development, Labor and Employment, Poverty and Migratory Labor

Cook Nuclear returned to service

Indiana & Michigan Electric Company announced today that the 1.1-million kilowatt generating Unit 1 at the Donald C. Cook Nuclear Plant, shut down for refueling and maintenance since December 23, was returned to service February 20

One-third of the fuel core in the Unit 1 reactor was replaced with new nuclear fuel rods Refueling of a reactor core is necessary every 12-13 months throughout the life of the plant as a portion of the fuel becomes depleted Westinghouse Corporation accomplished most of the refueling procedures, but also trained Cook Plant personnel so that they will be able to carry out the next refueling operation themselves

The Nuclear Regulatory Commission (NRC) has re-licensed the plant for 100 per cent operation. Normal operating procedures, however, do not call for the plant to operate at full power for about two weeks yet In the meantime, the unit will generate at various power levels to make certain all plant systems are functioning properly.

Construction is continuing on the twin capacity Unit 2 at the plant and is expected to be completed in 1978.

The Auto Trade Class at Buchanan High School recently received an Oldsmobile engine and service manual from Harold Retan of the Oldsmobile Service Department at Lansing.

(l to r) Jeff Swank, Craig Rough and Doug Moore look over the manual with Jim Yech (right), Auto Trade teacher.

Buchanan received the engine as part of its participation in a 'Shared Time Program' with Niles and Brandywine High Schools, according to program coordinator, Howard VerHage.

Letters TO THE EDITOR

(All letters received for this column must be signed by the writer. Names will be omitted at the writer's request but must be included before the letter can be printed. All letters are printed as received.)

Hockey players

Dear Editor,

I would like to have our community know what a fine group of young hockey players went to Canada. They were very well behaved both on the playing floor and off We should all be very proud of them and the total hockey program We are so fortunate in having such a fine coaching staff

The host families in Windsore seemed to be very nice people

As the bus driver, I would say congratulations to a fine program

Kathy Kingery

I don't agree

Dear Editor,

I don't agree with Mr Nichol's editorial on the "Right to Drink"

First, if the drinking age was raised to nineteen, that still wouldn't stop younger teenagers from drinking--publicly or not

Secondly, the statement "Anybody who ever had one will attest that a nineteen year old is more mature and responsible than an eighteen year old" is, in my opinion, a ridiculous statement I know that there are quite a few twelve and thirteen year olds that are more "mature and responsible" than some nineteen year olds. That all depends; age doesn't always determine maturity or responsibility.

Thirdly, to whom do you refer when you speak of "Holy Rollers"? Do you mean religious fanatics, people who go to church every Sunday, a Boy Scout Troop, or WHAT?

Please explain I'm curious.

Signed,
Just Curious

P S I think cigarette smoking is a big problem too!

The Women Of The Moose

The Buchanan Women of the Moose conducted a business meeting, Thursday, February 24, with 31 members present

Mrs S W Vanderbutts, senior regent, opened the meeting Mrs. Fern Burks, recorder, read the past minutes which were approved.

Sermon topic "The Holy Places of Holy Week"

Rev C Kenneth Sparks, pastor of the Buchanan Church of the Nazarene, will continue the series of messages on "The Holy Places of Holy Week" this Sunday morning with a closer look at "The Upper Room" where the sacrament of communion was instituted.

At the close of the 7 00 p m service the pastor will show the slides taken during his recent tour of the Holy Land The slide presentation will begin at about 8 00 p m and the public is cordially invited to attend

The Nazarene Church is participating in the Billy Graham Crusade which will be conducted in the ACC of Notre Dame, May 11-15. The Christian Life and Witness classes will begin next Monday, 7:30 p m , at the First Baptist Church of Niles. Members are urged to attend all four of these weekly classes to deepen their own faith and commitment and to learn better how to share their faith with others

From March 30 to April 3 the church will have special youth week services with Rev. Phil Stout and Mr Dave Morrison of Olivet Nazarene College, Kankakee, Illinois, as the speaker and singer The youth also are hosting the community Easter Sunrise Service and continental breakfast Mrs Charles Gillette is the president of the Nazarene Youth organization.

Buchanan High School's pep band gave its final performance of the 1977 basketball season, at the Buchanan-Brandywine game, Friday, February 25. The pep band entertained at all home basketball games during the season and helped to boost school spirit.

Men's Lenten Luncheon

At the second men's lenten luncheon March 9, the speaker will be Harry Culp of the First Church of the Nazarene The lunches are served promptly at 12 noon at the First United Methodist Church, 130 South Oak. Dismissal at 12:50 p m. enables the working men to get back to their jobs. Men of all churches are invited.

Strictly Personal By D.E.N.

It's easy to see why the networks don't like the movie "Network". It's rough stuff. We hated to hear beautiful Faye Dunnaway issuing expletives at every turn Old fashioned, we know

---

The Berrien County Record was quoted recently in a San Francisco newspaper column In an area where water is extremely scarce, Buchanan's instructions to leave the water running during the freeze was bitterly noted

---

The committee working on a chapel to commemorate Jack Knight had a good trip to Chicago to talk with men at United Airlines, We saw the famous pilot's logs and his summer flying suit and were given some excellent pictures of him which we'll soon publish and then turn over to the library

---

The quickie novel we submitted was returned. It was a mystery story with Doctor French's house as the setting. The agent said that twenty years ago it would have been easy to sell, but that in this current market it would need more sex and dirty words Does this demonstrate that, as a civilization, we're in bad trouble?

Carter's plan to add seventeen billion to the budget is distressing when you think that Hoover's whole budget in 1932 was less than ten billion

---

One lady called to say that her electric heat bill for January was $293 85

Redbud Senior Citizens hear High School Chorus

The Red Bud Senior Citizens will meet Monday, March 7, in Fellowship Hall of Faith United Methodist Church, 728 North Detroit Street The meeting will begin with a cooperative dinner served at 12:30 p m

The Dinner Committee will be Mrs Mabel Rumsey, Mrs. Cleo Southerton and Mrs Berdella Peters Mrs. Rumsey, president of the group, will conduct the business meeting.

A special feature of the meeting will be musical selections sung by members of the Buchanan High School Chorus, under the direction of Michael Morse

Wayne Writer, Community Education director and Walter McLaughlin will speak about "Community Affairs"

All Senior Citizens in the area are cordially invited to attend the meeting.

THOMPSON'S SUPER MARKET

Galien High School Sports

By Brian Dickey

Last Friday the Gaels ended their regular season play with a victory over Lake Michigan Catholic. Leading the Gaels was Senior Rick Kuntz who played his best game of the season scoring 25 points and hauling down 28 rebounds. Following the 6"5" Center in scoring was Brad Marshall with 20, and Matt Koziel with 14.

The Gaels captured their fifth win against 15 losses by playing a very potent offense that grabbed an early 20-8 lead after the first period. Galien outscored the Lakers 24-17 in the second quarter to increase their lead to 44-25 at halftime.

Galien held L.M C. to 17 points the third quarter while they themselves scored 24 That 24 point punch padded the Gaels lead to 68-42. The Lakers topped Galien in the final stanza 21-12, however Galien maintained their lead for the 80-63 win Wallace led the 3-17 Lakers with 10. Galien will play Tuesday at Covert against the Covert Bulldogs.

The Lakers did however return to St. Joseph with a victory as their Junior Varsity downed Galien 59-43 ending the J.V. season. The Lakers grabbed a one point lead at halftime of 27-26 by outscoring the Gaels 18-14 in the first, and trailing Galien 12-9 in the second L M C. scored 10 better then Galien in the third quarter with a 16-6 period, followed by a 15-11 fourth period. Mark Kassemer led the winners with 14 points, while Chris Pence scored 10 for Galien.

The girls Varsity Volleyball team dropped two matches last week, the first was to Watervliet who beat Galien 15-2, and 15-0. L.M.C. also beat Galien by the match of 15-7 and 15-5

The Junior Varsity team also lost They were beaten by Watervliet 15-6, and 15-11 L M C beat Galien 15-4 and 15-13

Trooper addresses Aide Class

Pack 551 Blue and Gold Banquet

On February 22, Pack 551 of Galien held a Blue and Gold party to celebrate Boy Scouts' 67th birthday The entire pack opened the meeting with a torch light salute to the flag. Each den decorated its own table Den 1 paid tribute to the presidents whose birthdates are honored in February and to each scout in the den with a display of silhouettes.

Den 2 had its table decorated with Indians, feathers and teepees

Den 3 decorated its table with a large paper mache cub scout cap and neckerchief as a focalpoint. Webelo Den 2 decorated with red, green, yellow and blue with a centerpiece bearing the scout Laws

Committee members and den leaders entertained the scouts and their guests with their version of the Gong Show.

Pre-school story hour to begin at Galien

Story hour for Pre-school children will begin at Galien township school on Wednesday, March 2 at 2 o'clock.

An interesting schedule for mothers will be held during pre-school story hour. On March 2, Mrs Michael Devine will be the speaker This will be held in the North building conference room Children will report to the Elementary library

L. Richard Marzke

Royal Neighbors Lodge

The Royal Neighbors Lodge will meet Thursday, March 3. The committee will be Mrs Clair Baldwin and Mrs. Mae Rouse

March 6-12 designated as Girl Scout Week

Retire at 65? Not the Girl Scouts They're still going strong as they approach their 65th anniversary on March 12 The week of March 6 to 12 has been designated as Girl Scout Week and members will observe the occasion with displays, troop-parent dinners and a variety of troop activities

Founded in 1912 in Savannah, Georgia, by Juliette Gordon Low, the Girl Scouts of the United States of America has nearly 3 million members. It's part of an international organization, the World Association of Girl Guides and Girl Scouts, which numbers nearly six million members in 94 countries and is the world's largest voluntary organization for girls.

Girl Scouting, open to all girls between 6 and 17, provides a fun and informal educational program emphasizing self awareness, personal worth, development of values, individual and cooperative contributions to society and increased skill in human relations.

The goal of Girl Scouting is to help girls become creative and responsible individuals as they share in group planning and decision-making in partnership with adults

Singing Sands Council, one of 354 councils in the United States serves girls in ten counties in northern Indiana and southwestern Michigan The council's program is primarily supported through the United Way and the annual cookie sale, and is made possible through the voluntary leadership of nearly 2000 adults. Anyone interested in finding out more about Girl Scouting or wishing to volunteer may call (219) 277-0900

Marzke appointed

L. Richard Marzke, President of PriMar Petroleum, and Vice President and General Manager of Priebe Brothers Oil Company, has been appointed to the Board of Directors of Inter-City Bank, according to James F. Murphy, President of ICB He will fill the vacancy created by the resignation of Edward T Donahue

Mr Marzke, a graduate of Michigan State University, served in the U.S. Air Force from 1956 to 1959, as a 1st Lieutenant. He joined Priebe Brothers Oil Company and Priebe Transport in 1959. He became President of Pomeroy Fuel Company in 1961, and formed Quality Asphalt in 1969. In 1972, Mr Marzke was named President of the newly formed PriMar Petroleum The Pomeroy Fuel Company and PriMar Petroleum were merged in 1975

Mr Marzke is a Director of the Michiana Petroleum Association, past President of the Oil Heat Institute of Western Michigan, State Chairman of Citgo Jobbers, and past President of the Point O' Woods Golf and Country Club He is also a member of the Board of Directors of the Twin Cities Area Chamber of Commerce and Chairman of the Chamber's Transportation Committee.

He and his wife Nancy have five children and reside in St Joseph

Band and Orchestra Association

The Buchanan Band and Orchestra Association will meet Monday, March 7, 7:30 p m , at Buchanan Middle School

Topics for discussion will be the April pizza sale and plans for a bingo party in the fall.

A slate of officers for the next year will also be presented

MSU's Farmers' Week scheduled for March 21-25

If you haven't been off the farm or out of the house most of the winter and the blahs are getting to you, take a break and brighten your spirits at MSU's Farmers' Week, March 21-25.

The week's activities contain about 175 educational programs on such diverse topics as vegetable gardening, consumerism, family nutrition, small and large scale farm management, natural resources and beekeeping.

Nationally known speakers are among the more than 300 specialists addressing participants of these sessions and those attending the 27 breakfasts, luncheons, and banquets on campus Some of those speakers include Gov William G Milliken; former Delaware governor, Russell W Peterson; James Turner, consumer advocate; Washington, D.C.; Lynn Daft, U.S Congressional Budget Office, Washington, D C.

This year's Farmers' Week theme is "Learning Your ANRs", which stresses the accomplishments of students and alumni of the College of Agriculture and Natural Resources (ANR)

MSU's number of ANR students has doubled in the past five years and is now well over 3,200, 70 per cent of them coming from nonfarm or urban backgrounds. The number of women students enrolled in agriculture and natural resources has increased by 30 to 50 per cent each year over the past four years

In 1964, there were only 33 women enrolled in majors within the college, and this year there are more than 1,400, Of the new students enrolled in 1976, women outnumbered men.

More than $2 5 million in farm-oriented exhibits will be located in the MSU stadium, on various nearby parking lots, and on University farms. Farmers' Week visitors will also have the opportunity to tour Michigan Artrain, which will be on the campus rail siding, just south of the stadium March 10-28

Farmers' Week activities begin Monday (March 21) with a variety of dairy association meetings: American Dairy Association of Michigan, Michigan Dairy Herd Improvement Association; Ayrshire Breeders' Association, Brown Swiss Cattle Breeders' Association; Guernsey Breeders' Association; Jersey Cattle Club, and the Milking Shorthorn Association.

MSU's Department of Dairy Science will hold its dairy breeds and awards luncheon at noon in the Kellogg Big Ten Room, during which Michigan's outstanding producers will be recognized for the past year's accomplishments.

Natural resources days begin Monday evening at 7:00 p.m. in the Brody complex with a seminar on land management for landowners. Topics will explain methods in which woodland owners can improve tree growth or start tree plantations.

Tuesday's program (March 22) consists of animal husbandry, agricultural economics, poultry science, beekeeping, human nutrition, dairy science, microbiology, urban planning and landscape architecture sessions and continuation of natural resources days.

A few of the day's highlights include selection of Michigan's honey queen and recognition of outstanding producers during the Michigan Allied Poultry Industries Banquet

Operators of limited farm acreage will have a special program set aside for them Wednesday (March 23) Sessions designed for their operations include agricultural economics; beef, swine, and sheep production; cash crop and poultry management

Highlights of the day include a special luncheon to recognize ANR students and the annual agricultural engineering banquet, both at the Kellogg Center for Continuing Education, and the MSU Friends of Natural Resources banquet at Brody Hall The 49th annual Michigan FFA Convention also begins.

Thursday's (March 24) activities begin with breakfast with Governor Milliken at Kellogg Center During the president's luncheon at Kellogg Center the College of Agriculture and Natural Resources will present the distinguished service awards accorded annually to individuals who have made outstanding contributions to Michigan's agricultural industry.

That evening, the annual farm management banquet at Kellogg Center will recognize Michigan's outstanding producers of the year. There will also be a horse industry banquet at the MSU Union, held in conjunction with the annual horse day.

Other events throughout the day include special sessions on crop plant production, family and child sciences, home fruit and vegetable gardening and a day-long tour for landscape architect enthusiasts to Hidden Lake Gardens.

Farmers' Week details are listed in a special publication now available at the County Extension Office

Galien Lenten Services scheduled

March 6 Lenten service will be held at the Reorganized Church of Jesus Christ of Latter Day Saints at 7:30 p m

The rest of the Lenten schedule is as follows

For more information call 695-2771 ext 37 Evenings call 695-9264.

As our life changes, so does the way we use electricity.

A lot of people believe that higher electric bills are caused by higher electric rates.

In part, that's true.

But a big reason many electric bills are up is because the amount of electricity we use is up.

Today, for instance, an average family uses about four times more electricity than in 1950. And for a lot more things.

In 1950, most of the electricity used in the home was for lighting, cooking, refrigeration and washing clothes.

Now, less than half a family's electricity is used for that. Instead, more than 50% is used for air conditioning, color TV, dishwashing, clothes drying and hundreds of other electrical conveniences you wouldn't want to be without.

Unfortunately, inflation has drastically increased the cost of supplying the electricity needed to keep up with steady growth in demand.

And with new families continuing to join the ranks of our customers every day, the demand is going to keep on growing.

So, keeping the power coming, and finding ways to keep its costs down, is getting tougher every day.

But, while we continue to do everything we can to hold down our costs as we keep up with this growth, there are some things you can do to help keep your costs in line, too.

Use the appliances you have more efficiently. Make sure your home is properly insulated. And, when it comes time to buy new appliances and systems, look into energy savers like the heat pump.

If everyone makes an effort to do just a few of these things, we'll have a brand new source of energy to rely on.

Ourselves.

Overwhelming fourth quarter rally stuns Brandywine - Bucks win 76-60

Buchanan's Joe Kyles is up high as he shoots this basket at Friday's game with Brandywine. Buchanan won 76-60.

By Joe Lawrence

Buchanan stunned Brandywine with an overwhelming fourth quarter rally last Friday to win 76-60. Trailing throughout the first 3 periods, and down by 4 entering the fourth, Buchanan went on to steamroll over the Bobcats by 16 points. Playing erratically through most of the night, the Bucks brought down the house at the end with an outstanding performance in the final period of their final regular season game.

Buchanan began the game without star forward Gerald Busby, who is still recovering from a foot injury obtained in the Edwardsburg game. They quickly found themselves in trouble at the midway mark of th opening period, trailing 10-2, and called a timeout. When play resumed, the ailing Busby entered the game, and quickly made his presence felt Taking down a rebound after only being on the court a few seconds, he paved the way for a Ron Williams basket to make it 10-4 He then scored the next basket of the game, further closing the gap to 10-6. A short time later, the Bucks came to within three as senior guard Joe Kyles brought down a rebound off the Bobcat backboard, and sending Busby down the court on a fast break. Going one on one, he smoothly picked up the field goal with a 12 foot jumper to make it 13-10

Brandywine stifled Buchanan's budding rally, however, with impressive rebounding from forward Tony Harris and sharpshooting from guard Tim Rzepka, both juniors The quarter ended with Brandywine still on top, 19-14.

Sophomore sub guard Joe Watts, who may find himself in a starting job by tourney time, brought Buchanan to within a point early in the second period Playing a scrappy yet precise game throughout the night, he stole the ball from Brandywine and delivered it the Buck basket to make it 19-18 However, Buchanan fortunes deteriorated thereafter as Tony Harris then scored a trio of field goals in less than two minutes

Much of Brandywine's first half dominance was due to rebounding strength Dearly missing Mo Kyles and a healthy Busby, the Bucks at one point were so isolated from the backboard that Brandywine was able to make 5 consecutive attempts on one field goal before sinking it. That stretched the Bobcat lead to 11, 33-22, and led an exasperated coach Bohannon to signal for a Buchanan time-out with 4 minutes left in the half After the time-out, Busby again resuscitated his team's hopes by tacking on 7 points, a couple of rebounds, a steal, and an assist to Joe Kyles The half ended with Brandywine up by 7, 40-33

The second half opened with Buchanan controlling the tip and Busby gently laying in the team's 35th point Busby then went downcourt to scarf up a defensive rebound, setting up a fast break to Joe Kyles as Buchanan pulled to within three, 40-37 Center Greg Frazier made it a one point ball game as he sank the next basket, thanks to an assist from, you'll never guess, Gerald Busby.

Brandywine managed to fatten its lead by a few more points, but were still rattled, losing, center Scott Rose via five fouls and called a time-out with 3:49 left in the period When they came out, junior guard Terry Pruitt scored his team's next 6 points, keeping Buchanan that many away. As the quarter ended, rough play became more evident as elbows sliced beneath the backboards. The fourth quarter began with the score 54-50, Brandywine, but the Bobcat lead, which lasted over three full quarters, teetered for a few minutes, then left for good. With 5:06 left in the game, Busby sank two free throws to make it 60-58, Buchanan. The floodgates opened up for the Bucks as they washed Brandywine off the court. The Bobcats were unable to scrounge up a point as Buchanan put away 12 straight

"We used a zone press in the fourth quarter and Brandywine couldn't handle the change of pace" was Buchanan coach Jon "Bo" Bohannon's explanation of the Bobcat collapse. Brandywine repeatedly lost the ball due to steals and turnovers They were outscored 26-6 in the closing period, losing the game 76-60.

Frazier provided much of the scoring surge, as he put in half of his game total 16 points in that period "Greg's just beginning to recover from that hip injury he got at Lakeshore," Bohannon stated afterwards Health reports on Buchanan's other injured players have Forward Mo Kyles who received a knee injury two weeks ago, not playing at all in the Brandywine tourney, "maybe in the regional" was Bohannon's most optimistic prediction Busby, despite having missed the first four minutes of play, lead the game with 27 points, 4 above his average However it was still evident that the foot injury hampered his play, his gazelle like leaps were not as high or as often Bohannon reported that "He's pretty sore from tonight, and not just his foot He took a lot of bruises out there" Busby took a couple of spills during the game, the first time evoking a gasp from Buchanan fans, fresh with the memory of what happened to Buchanan's tourney hope the last time he hit the hardwood.

Frazier followed Busby's 27 points with 16 for Buchanan. Joe Kyles and sophomore Ron Williams rounded off the list of double figure scorers with 13 and 10, respectively. For Brandywine, Harris led the team with 18, followed by Pruitt and Rzepka with 12 each.

Brandywine had better luck in the junior varsity match, beating the young Bucks, 58-49. Buchanan saw a one point half-time lead demolished in the third quarter as Brandywine threw on a full court press and built up a 15 point lead at one point. Mike Bowers of the Bobcats put in a 22 point performance. Al Ward and Jeff Butler led Buchanan with 15 and 14, respectively.

Volleyball at Lakeshore

On Thursday, February 24, the Buchanan volleyball squads were on the road again playing matches with Lakeshore and Brandywine.

Buchanan had no problem with Lakeshore, beating the Lancers 15-6 and 15-6 in the first two games to win the match. Karen Bobo was the leading server with 12 points.

Brandywine beat Buchanan 10-15 in the first game of the match but Buchanan turned it around and easily won the next two games and the match 15-3 and 15-8. Lynn Bobo was top server with 13 points

The varsity squad boosted its overall record to 14-4 and its conference record to 12-2.

The junior varsity squad lost the first two games and the match to Lakeshore 1-15 and 13-15. Anita Speckine was Buchanan's top server with nine points

Buchanan fought hard in the next match and beat Brandywine in the first two games and won the match 16-14 and 15-7 Laurie Hiatt and Anita Speckine were top servers with eight points each

The junior varsity overall record now stands at 10-7 and the conference record is 8-5.

Girls win and lose

On Tuesday, February 22, Buchanan's volleyball squads competed with Dowagiac and Edwardsburg.

In the first match Buchanan had little trouble overcoming Dowagiac, 15-7 and 15-6. Patience Vanderbush was the top server with eight points.

The second match was a different story. Buchanan won the first game 11-13 but Edwardsburg poured it on to win the next two games and the match 15-7 and 15-10. Lynn Bobo was Buchanan's top server with eight points.

The varsity overall record is 12-4 and in conference the record is 10-2.

In the junior varsity matches Dowagiac won a hard fought first game 16-14 and then swamped the junior Bucks 15-1 in the second game to win the match.

The second match didn't go any better for Buchanan. Edwardsburg beat Buchanan 15-13 and 15-2 in the first two games to easily win the match.

Kim Glossinger led the junior Bucks in the first match with nine points and Karen Virgil led in the second match with six points.

The junior varsity overall record is 9-6 and the conference record is 7-4.

Greg Frazier, as graceful as a ballet dancer, makes this shot look easy as Buchanan downed Brandywine 76-60.

Spikers second in Tourney

The Buchanan varsity volleyball squad played in the Conference Tournament Saturday, February 26, at Lakeshore High School, Stevensville

In the first match Buchanan beat Coloma 15-11 and 15-5. Mary Kay Welsh was top server with 11 points.

In the second match Buchanan beat River Valley 15-12 and 15-12 Lynn Bobo was top server with 7 points

In the third match Buchanan lost the first game to Edwardsburg 12-14, came back to win the second game 15-5 but lost the third game and the match 3-15 Buchanan had three top scoring servers in the match Laurethea Watts, Cathy Prenkert and Mary Kay Welsh each had six points

In the fourth match Buchanan beat River Valley 15-12 and 15-13. Top servers were Patience Vanderbush with 9 points and Karen Bobo with 8 points.

In the finals Buchanan lost to Edwardsburg 3-15 and 15-17. Karen Bobo was top server with 8 points.

Buchanan finished second in overall standings determined by both regular season play (tied for first place) and results of the conference tournament (second place)

Mark Fisher places fourth

The Buchanan Wrestling Team took three wrestlers to the Michigan Class C State Tournament last Friday and Saturday. They were, (Sophomore) Mark Fisher, (Junior) John Lubben and (Senior) Craig Jacquez. In the first round of wrestling on Friday, Mark beat Burt Partello of Grayling (4-1) John lost his first round match to Al McQueen of Clare (7-2). Craig won his first round match against the No. 1 seeded wrestler Bill Kellogg of Grayling (9-4).

In the second round of wrestling, Mark lost to Joe Sweatland of St. Charles; John beat Kerry Corbate of Richmond (7-2), and Craig lost his second round match to Rick Bullard of Shepherd.

In the third round, Mark beat Rick Parher of Perry (3-0). John lost his second match to Junior Jones of Springpost (10-4) and Craig beat Ron Ewers of Napoleon (13-2) In the 4th round, Mark beat James Seaboldt of Constantine (10-1), and Craig lost his second match of the tournament to Brent Hagenbuch of Haslett (7-1). This left only Mark in the State Tournament going for 3rd and 4th place. In the 5th round, Mark beat Rick Morningstar of Whitehall (4-2)

In the consolation finals, Mark met George Bradley of Tri-County. Mark lost the match 4-2 which gave him fourth place in the 98 pound class.

This is the first Buchanan wrestler to place in a State Tournament since 1968. Mark's season record is 36-4-1 with 19 [illegible] ing the year.

Freshman Volleyball

On Tuesday, February 22, Buchanan's freshman volleyball squad competed with Ring Lardner Junior High School

Ring Lardner won the first two games and the match 1-15 and 12-15.

Thursday, February 24, Buchanan played a five game match with Ballard Junior High School.

Buchanan won the first two games 15-11 and 15-4 Ballard won the next game 12-15 and Buchanan won the last two games and the match 15-11 and 15-11.

Thirty Club

The Buchanan Thirty Club met Monday, February 28, at the home of Chickie Hanson.

It was announced by Donna Hinkle, chairman of the Guest Day Luncheon, that the luncheon will be Monday, April 18, 1 p m , at the Carriage House.

The program, , presented by Jean Bobo, was entitled "The Indian Experience "

The next meeting will be March 14, 1 30 p.m , at the Metea Court Community Building with Merita Huron as hostess

Blossomland Gem and Mineral Show

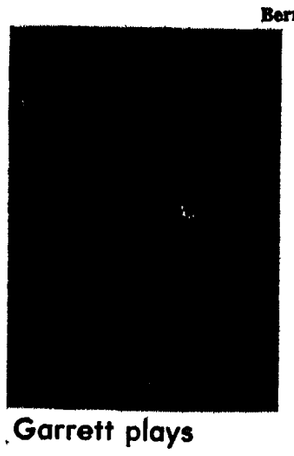
Southwestern Michigan's annual free rock, gem and mineral show, presented by the Blossomland Gem and Mineral Society of St Joseph, is set for Saturday and Sunday, March 5 and 6, in Lakeshore high school at Cleveland and John Beers roads in Stevensville.

Show hours will be from 10 a m to 9 p m Saturday and from noon to 6 p m. Sunday

Hobbyists from Flint and Kalamazoo will join host club craftsmen in continuous working demonstrations showing rock carving, sphere making, faceting, wire-wrap jewelry and silversmithing. Slide shows will cover beginning lapidary, and work on rubies and sapphires.

Nearly 90 displays will include crystals, minerals, fossils and rocks from rough to jewelry

The club will have its booth and silent auction, and dealers will have complete supplies for hobbyists Food will be available at all hours



Garrett plays Bradley basketball

Ken Garrett, a 1976 graduate of Buchanan High School, and All State basketball player, has been working hard in basketball competition this year as a freshman at Bradley University, Peoria, Illinois Bradley is par to the Missouri Valley Conference.

"It is a hard transition going from high school basketball to the starting line up at a major basketball school away from home but Ken is making the change quite well," according to Joe Dalfonso, Sports Information Director at Bradley University

Dalfonso said, "I predict Ken will be a bona-fide star here before his career is over. He's been our leading rebounder five times this year and just recently had his best game ever as a college player. Against New Mexico State at home Ken scored 25 points and hauled down 10 rebounds From the field he was 5 of 6. Against New Mexico State in two games this year Ken has shot 15 of 20 in I hope he continues that against all Valley competition," said Dalfonso.

"He's scored in double figures six times this year (over 20 twice) and has only been shut out once His shot blocking ability gives Bradley a new look defensively, too If he improves the way he has over the recent weeks Ken will be one of the best Valley players very soon," Dalfonso added.

On Saturday, February 26, Bradley played against the University of Tulsa. Bradley won the game 97-83. Garrett scored 27 points, pulled down 18 rebounds, made 6 block shots, five assists and three fouls were called against him Hamilton, the Tulsa player, guarded by Garrett, scored only six points, made three rebounds, one assist and he fouled out of the game

In overall season statistics Garrett has played an average of 22.9 minutes in each of 20 games, made 74 field goals with his field goal percentage at .465. He has made 26 free throws His free throw percentage is .760. Garrett has pulled down 107 rebounds and made 28 assists. He has chalked up 63 personal fouls and fouled out of the game five times.

Garrett is Bradley's number three rebounder and is also number three in field goal percentages and free throw percentages. He ranks fourth in total points and scoring average.

Larry Herman stationed in Hawaii

Larry F. Herman, a 17 year Navy veteran, is currently stationed in Hawaii with his family where he will remain for three years Before Hawaii, he had been stationed in San Diego, the Phillippines and Yokohama, Japan. Herman was with the Atlantic Fleet and involved with the Cuban Missile Crisis. He is a 1961 graduate of Buchanan High School. His address is Larry F. Herman, 843-F Kirkbride Ct., Pearl City, Oahu, Hawaii, 96782

Larry's brother Charles, has finished Law School and has taken the Bar Exam in Lansing He resides at Clear Lake in Buchanan with his family.

Marvin Herman, also Larry's brother, is student teaching 7th grade Science in Cedar Springs, Michigan. He will complete his teaching in April

This Week At Fernwood

Sunday marked the official opening of Fernwood for 1977 A reception was held for Mike Champagne, Naturalist, and Ken Saathoff, Arts and Crafts Coordinator who joined the Fernwood staff late in the 1976 season. Many members and guests were on hand to welcome them.

Painting, the first class of the season, is in progress Upcoming classes are Spring Pottery, Silversmithing and Stained Glass Assembly The Gardening Workshop series, with Stan Beikmann, and an Astronomy Series, with Bill Bingaman, of St. Joseph are upcoming with first classes scheduled soon

The Gardening Workshop is on five Saturdays throughout the year with such topics as Pruning in Practice, Spring Maintenance; Midsummer Garden Problems, Early Fall Garden Chores and a House Plant Clinic The Astronomy Series is in three parts featuring the skies of spring, summer and fall

Registrations, open only for two weeks now, have seen some classes fill rapidly and others nearly so. Call Fernwood or send your registration soon to insure your place in class

The Fernwood Nature Photographers at their February meeting have initiated a new format for the club Beginning in March they will hold slide and print competitions at each meeting. Members and guests are asked to bring ten of their best slides and several matted prints to the next meeting, Wednesday, March 23 Beginners are always welcome Learning sessions and field trips will continue to be an important part of the club's activities

With the melting of the winter snows and a moderating temperature, early winter aconite, snowdrops and heather are now blooming in the Rock Garden Other signs of spring are sure to be showing soon But, no matter what the weather, something is always in bloom in the Fernwood greenhouse One of the more spectacular color shows now is the Calceolaria or Pocket Plant in multi-colored profusion Thanks to the tender care of Peg Borman, a walk through the greenhouse is a highlight to your Fernwood visit

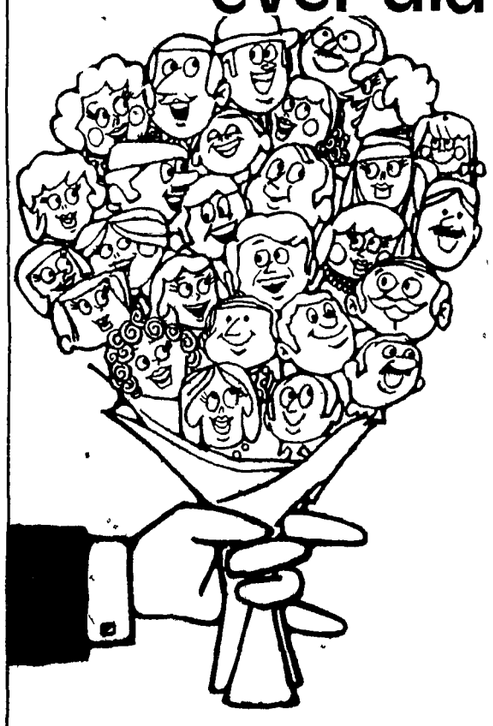
"The best thing the credit union ever did!"



THAT'S WHAT OUR MEMBERS ARE TELLING US ABOUT SAVINGS DRAFTS.

Savings Drafts . you use them just like checks for paying bills or making purchases But there is no charge for writing drafts. You don't have to maintain a minimum balance. And your savings draft account earns interest on the money you don't spend. Ask us about savings drafts. We're sure you will agree, they're the best thing the credit union ever did.

Lenten Meditations

By Rev. Ronald Eatenman
First United Methodist Church

THE POWER OF THE CROSS

At first in the face of the tragedy of the cross Jesus' disciples appeared to be in despair. In the light of the resurrection, they saw Jesus' death in an entirely new and different light. They became convinced that the love of God is inconquerable. Dark defeat on the cross changed to great victory when Christ arose on Easter morn

In our everyday life this conviction that God's love cannot be conquered gives us power to carry on in spite of difficulties. In the face of serious or prolonged illness it is so easy to get discouraged. It is so easy to feel that sickness may be the way we are being punished by God. Yet when we see how much God loves us that he sent his Son to show us the good life, we realize that he has provided us with the power to cope with illness or any of the troubles that plague our human existence We sing with the Apostle Paul, "Thanks be to God who gives us the victory through our Lord Jesus Christ".

This hope likewise is the decisive ingredient in the working out of our salvation. This is true both of individual salvation as well as the saving of the people of the world The hope of victory through Jesus is based on the love that gives value and worth to our existence. It makes the struggle against evil and wrong worth-while in our lives. For as the scripture tells us, "Nothing in all creation will be able to separate us from the love of God in Christ Jesus our Lord". (Romans 8.39)

Indian Hills

Earns Degree

By Mrs Edward Logan
695-6017

Board Of Education Minutes

The Board of Education, Buchanan Community Schools, Berrien County, Michigan, held its regular monthly meeting February 21, 1977, at the Ottawa Elementary School. Members present: William Moon, Paul W. DeVos, Jeannette Mahan, Mary Beth Larson, Robert Luke, and Charles Ward. Member absent: Richard Rossow. Also present: Administration, members of the press, and 36 visitors. The Board toured the building with principal Ellis May, after which, President Moon called the business meeting to order at 7:35 p m., welcomed visitors, and asked for questions or comments from the audience. There being no questions, the regular agenda was begun. Minutes of the regular meeting held January 17, 1977, were approved as presented The Secretary read correspondence from the Berrien County Health Department commending the school for its help with the Swine Flu Inoculation Program and awarding a certificate of appreciation to the district, also a letter from Brian Steinke, BEA President, offering the assistance of the teachers in the coming millage election

Motion by Member DeVos, seconded by Member Mahan, that bills in the amount of $240,199 32 (of which $173,216 83 is for two payrolls) be approved for payment from the General Fund Motion carried unanimously Motion by Member DeVos, seconded by Member Luke, that bills in the amount of $14,535 75 (of which $2,232 96 is for two payrolls) be approved for payment from the School Service Fund Motion carried unanimously

Under OLD BUSINESS, the Superintendent indicated that the information from the school attorney regarding the Ottawa roof litigation was privileged information until the litigation is completed, therefore, the topic would be discussed in executive session Written Board Policies will be continued on the agenda until such time as all Board policies are written. At the present time the Board Bylaws are completed and work is being done on Business Policies. Regarding the procedure for changing the district from fourth class to third class as authorized by the Board on September 20, 1976, the Superintendent explained that a change cannot be initiated because of the enrollment requirement of having a 2,400 pupil membership count, however, one change is necessitated by remaining in the Fourth Class category The title, "Business Manager," is not permitted, therefore, a motion was offered by Member Ward, seconded by Member DeVos, that the title of Business Manager be changed to Assistant Superintendent-Business, with no change in contractual arrangements, effective immediately Ayes Members Ward, Luke, DeVos, Larson, Mahan, and Moon Nays None. Resolution adopted unanimously

Motion by Member DeVos, seconded by Member Mahan, that bids for the sale of redundant equipment be accepted in order of size; the highest bid having first preference and two weeks in which to complete the purchase before the next bidder be offered the item at the price he quoted Motion carried unanimously.

In order to facilitate the attendance of the Director of Transportation at another governmental meeting, the Board permitted Paul Spaulding to present the annual transportation report. After several questions, which were answered to the satisfaction of the Board, the report was accepted and placed on file

Motion by Member DeVos, seconded by Member Larson, that the bid of $ 529 per meal from Mass Feeding Corporation for the elementary food service be accepted and a three-year contract awarded. Unanimously carried.

Because of the change in the Supreme Court's decision regarding maternity leaves, the Superintendent requested that the administration and Buchanan Education Association work toward the clarification and reach some conclusion regarding the policy for the district. The President instructed the secretary to add this to the March agenda.

Motion by Member Luke, seconded by Member Mahan, that a sick leave be approved for Sharon Gregorski due to the surgical delivery of her child, in accordance with school sick leave policy, Article VIII, Section A. Unanimously carried

Motion by Member Larson, seconded by Member Mahan, that a maternity leave of absence be granted Kathleen Paturalski for a period of time beginning April 11, 1977, and extending to the 1978-79 school year. Unanimously carried

Motion by Member Mahan, seconded by Member Larson, that $251 72 be transferred from the General Fund to the National Honor Society Activity Account. Unanimously carried.

Motion by Member Mahan, seconded by Member Ward, that an activity account be established for the Radio Communications Club to be under the authority of the high school principal and the club's sponsor Motion carried unanimously

Motion by Member Larson, seconded by Member DeVos, that the School Disciplinary Code Revision be postponed to the March 21, 1977, agenda. Unanimously carried

Motion by Member Larson, seconded by Member Mahan, that the revision of the female coaching salaries, as dictated by Title IX, be postponed to the March 21, 1977, agenda Unanimously carried

Motion by Member Larson, seconded by Member DeVos, that the previously scheduled March 4 teacher in-service day be cancelled and the day used for regular classroom instruction Unanimously carried.

Motion by Member Ward, seconded by Member Luke, that Mr Dan Shelles be contracted to direct all musical activities associated with the spring 1977 musical production and that he be paid a flat sum of $500 for this work. Further, that if a student is not available, that we hire a person as accompanist at three dollars per hour to a maximum of fifty hours. It is understood that payment for this will be taken from the profits of the musical production After discussion, the last sentence of the motion was amended by Member Larson to read. "It is understood that payment for the accompanist will be taken from the profits of the musical production" The motion to amend the original resolution carried unanimously, and the amended motion carried unanimously.

Motion by Member Larson, seconded by Member Luke, that a lease be entered into with Kennedy Motors of Buchanan, with the Vehicle Lease Agreement made by NAT-LEA, Inc , South Bend, Indiana, for a period of two years at the rate of $149.96 per month. Unanimously carried

Motion by Member Larson, seconded by Member Luke, that the short-range goals as identified by the Board of Education and the objectives as submitted by the Administrative Council be accepted as presented. Unanimously carried.

President Moon declared a short recess at 8:55 p m. Meeting reconvened at 9.15 p.m.

The Superintendent presented a five-page election planning program for the Board's consideration in conjunction with the millage renewal election to be held this spring. Motion by Member Larson, seconded by Member DeVos, that the Superintendent be directed to proceed with the planning for a millage election to be held at the earliest possible date. Unanimously carried.

Additional reports heard and placed on file were: Middle School Building Report, presented by Dale Cryan, Principal; Midyear Evaluation of the Elementary's New Reading Program, presented by William Fischer, Elementary Coordinator; Ottawa Building Report, presented by Ellis May, Principal; Midyear Budget Report and Status of State Aid Report, presented by Paul Montgomery, Asst. Supt -Business, Berrien County Intermediate School District Budget Status, presented by Member DeVos, the Board's representative to that hearing; Elementary School Snowday Activities, presented by William Fischer, Elementary Coordinator; The University of Michigan's Evaluation Report, presented by Dr. Hogan; and the Budget Development Calendar, presented by Paul Montgomery, Asst. Supt -Business

Meeting adjourned at 11 p.m.

Respectfully submitted,
Jeannette Mahan, Secretary
Buchanan Board of Education

(These minutes subject to approval at next regular Board meeting.)

Portage Prairie

By Mrs. William Shaw
695-6592

The Portage Prairie Home Study Club met on Wednesday, February 23 at the home of Mrs. Fred Reum. Twelve members and guests attended an African Luncheon. PUBLIC NOTICE
BOARD OF REVIEW

Notice is hereby given to all persons liable to assessment for taxes, in the Township of Bertrand, County of Berrien, State of Michigan that the Assessment Roll of said Township as prepared by the undersigned will be subject to inspection at the Bertrand Township Hall on Monday and Tuesday, March 14 and March 15, 1977.

At which place, and on each of said days, said Board of Review will be in session at least six hours, beginning at 9 o'clock in the forenoon of each day, and upon request of any person who is assessed on said roll, or of his agent, and upon sufficient cause being shown, said Board of Review will correct the assessment as to such property in such manner as will in their judgment make the valuation thereof relatively just and equal

After said Board shall complete the review of said rolls, a majority of said Board shall endorse thereon, and sign a statement to the effect that the same are the assessment rolls of said Township for the year in which it has been prepared and approved by the Board of Review.

In accordance with Public Act 165, November 24, 1971, the tentative ratio and estimated multipliers pertaining to Bertrand Township are

Real & Personal Property
Tentative Ratio 50.00
Estimated Multiplier 1.000000

The above ratio and multiplier are tentative and are subject to adjustments.

Albert Siekman, Supervisor
Bertrand Township

Publish March 3 and 10, 1977.

NOTICE

BUCHANAN TOWNSHIP'S BOARD OF REVIEW MEETINGS

To the taxpayers of Buchanan Township, the Board of Review will be in session to review the assessments on properties with whomever may seek information as to their property assessment, for the tax year of 1977.

The Board of Review will be in session at the Buchanan Township Hall on the following dates:
MONDAY & TUESDAY, MARCH 14 & 15, 1977 from 9 a.m. to 3 p.m.
THURSDAY, MARCH 24, 1977 from 7 p.m. to 9 p.m.
TUESDAY, MARCH 29, 1977 from 9 a.m. to 3 p.m.

In accordance with Public Act 165, November 24, 1971, the tentative ratio and estimated multipliers pertaining to our Township are:

Real Property
Tentative Ratio 30.70
Estimated Multiplier 1.628538
Personal Property
Tentative Ratio 49.14
Estimated Multiplier 1.000000

Please bear in mind that the above ratios and multipliers are tentative, and are subject to adjustments. Adjustments could create a ratio closer to 50 per cent which would reduce the estimated multiplier.

Kenneth R. Jones
Buchanan Township Supervisor
