One new commissioner a certainty

Four seek election to city's two openings

Four candidates will seek election to two three-year terms on the Buchanan City Commission in t he election to be held next Tuesday, November 8.

One of the two incumbents whose terms expire this year, Gene Wesner, is not seeking reelection, guaranteeing at least one new face on the commission in 1978

The other incumbent whose term expires this year, Mrs Mildred Anderson, is running again Mrs Anderson, 65, has served two terms on the commission and is currently mayor pro tem A resident of the city for 31 years, she is a librarian at Ottawa School and holds a B A degree from Michigan State University She has two daughters and her late husband, Arthur Anderson, was a former mayor of Buchanan Mrs Anderson lives at 301 North Detroit Street She is a past president of the College Club and a member of the League of Women Voters

Keith Welsh

Don Clifford

Mildred Anderson

Gerald Radde

Don Clifford, 35, lives at 315 Claremont Street Clifford is a 1962 graduate of Buchanan High School who has lived in the city all his life He is presently unemployed and formerly worked at Clark Equipment Co

Gerald E Radde, 37, lives with his wife and two children at 204 West Front Street He is employed as inventory manager at Clark Equipment Co and has a B S degree in business administration from Ferris State College Radde is a member of the city plan commission, a former president of the Buchanan Republican Party and a former member of the Committee of 42 Radde has lived in Buchanan for 14 years

Keith Welsh, 45, is the owner of the Stationery Center on Front Street. He is married, with five children, and lives at 304 Lake Street A graduate of Galien High School, Welsh has lived in Buchanan for 24 years He is a member of the Lions Club, the chamber of commerce and the Buchanan jaycees and has coached in youth recreation programs in Buchanan

The Record asked each candidate five questions pertaining to city government last week The questions and the candidates' answers follow

What do you consider the city's most important priorities and concerns?

ANDERSON. The preservation of our tax base The county, state and federal governments have too much control I'm tired of the county telling us what our property should be worth, then we have to make assessments accordingly The property should be appraised first before it is decided what factor we should collect

CLIFFORD Our eroding tax base Home owners are getting taxed more and more There should be tax relief for property owners, especially older people Also, the downtown project has been mishandled

RADDE I The obvious credibility gap between taxpayers and the administration Good public relations are needed to properly inform the public and not intimidate them 2 Politics have been placed above logical decision-making processes, resulting in unfavorable publicity for the city, and priorities have been ignored in the process Our time and talent should be used to manage our own affairs, rather than trying to set precedents where no direct benefit to the city is ascertainable 3 A city commissioner must be able to think for himself and set aside personal convictions, making decisions based on feedback from the public I am willing to participate every day if necessary, not jusst twice a month

WELSH The Central Business District development, the building and property tax assessment and the declining industrial tax base We need to change negative attitudes to positive attitudes concerning our city We should be concerned about our young people thinking this a good place to be from, rather than a good place to live

Are you in favor of the present Central Business District development plan? If not, do you favor any Central Business District development?

ANDERSON. Yes, but I feel badly about the misunderstandings and lack of communication I think the situation will improve with the recent reorganization of the chamber of commerce We (the commission) recently had a joint meeting with the chamber and they offered some assistance with this problem We have held public hearings, but they don't offer enough chance for informal discussion

CLIFFORD The town has to develop We should do more than just putting in parks and recreation areas We ought to try to attract more small businesses and industries Grants for development and beautification are good, but far from the most important thing they could do with the money It could be used for other purposes, like easing the tax burden The town should be attractive, but we shouldn't go overboard. We're trying to do too much too soon

RADDE. I agree with the original concept -- to spend money on public property to improve the area But public relations have been poor so far The concept has not been sold and the situation today is due to mishandling by the city administration I question why we only got two bids to do the whole job There were mistakes someplace and people haven't been told where the mistakes were I hope it can be salvaged A viable central business district is vital to Buchanan

WELSH No I feel $295,000 could be put to wiser use. I don't believe in spending money just for the sake of spending I favor downtown remodeling and I see that going on all the time Parking is definitely a problem downtown

Buchanan is currently involved in arguments with the county over the location of the proposed South County Building and property tax assessments What are your feelings on t hese issues?

ANDERSON We need to look again at our desire for the South County Building -- if there is to be one All I would ask is that the county make a feasibility study That's all that we asked before

On the assessment issue, we want to treat our taxpayers fairly

CLIFFORD They should locate the building within the city. We should fight for it, since it states in the state constitution that we're entitled to a court.

I can't comment on the tax issue because I'm not familiar with it

RADDE I support the actions taken in attempting to have the building located closer to the population center, based on a feasibility study We must also determine when our tax dollars spent for litigation are being wasted

The property tax issue has gone far enough We made our point last spring. We have now blatantly broken the law and the taxpayers will end up paying for it How can we logically follow this course of action?

WELSH No comment I feel the city should have assessed at one factor instead of using two factors, which is definitely against county and state requirements

Buchanan is faced with the possibility of a declining industrial tax base Do you have any suggestions for raising monies to provide the same services the city has offered in the past?

ANDERSON I'm interested in finding ways to raise the tax base rather than eliminating services we've been comfortable with That will take further study I do think that the improvement of the downtown district will serve as an attraction to business -- which will help our tax base.

CLIFFORD We should try to cooperate with the townships that use our facilities If they use them they should pay for them If churches can afford to build halls and other areas that are leased to the public, those areas should be taxed We shouldn't tax the churches themselves, only the areas they lease to the public.

RADDE We do have some services to sell such as sewers and water, but we have no plan to sell them

WELSH I don't feel the services of the city will be hurt I think we will have to work hard as a city to bring up the industrial level We have factory buildings empty that should be filled For instance, we should be seeking a new industry to fill the Midwest Steel Tank plant

What is your vision of Buchanan's future?

ANDERSON We have to think about our tax base and encourage maximum use of physical space I think the purpose of the downtown project is not to make Buchanan a big city, but to perk up a small city and make it interesting The towns that people like to go shopping in are the towns that have been made attractive

CLIFFORD There has to be change in any healthy society If there isn't the town will just dry up and blow away Buchanan should try to sell itself more than it has been When industry moves out you have to find something to take its place There has to be better communication between the commission and the public

RADDE The population of Buchanan has remained stable since 1970 People like Buchanan because of what's here Buchanan's character hasn't changed and it won't. But people must realize that you must have a viable central business district unless you want to become a bedroom city If you let deterioration take place downtown it spreads to the residential district and pretty soon there is nothing left to deteriorate -- you don't have a city anymore

The downtown plan is a logical plan to do something without having businesses spend money It gets rid of many eyesores, and it's a logical attempt to show people we care about our city But the manner in which it was done and the reaction and controversy show it could have been handled in more amicable manner

WELSH Buchanan's future outlook can be bright when individual feelings are put aside and the good of the majority is sought

Community Outlooks

Polls will be open from 7 a m to 8 p m for the city election next Tuesday, November 8 Polling places are. Precinct 1, the fire station behind City Hall, Precinct 2, Moccasin School gymnasium, Precinct 3 UAW Union Hall on Fifth Street, Precinct 4, Stark School community room

Absentee ballots will be available at City Hall until 2 p.m Saturday

Election of Teen Center officers will be held this Sunday night, November 6 at 6 30 at the center

Small claims court will meet here

Todd Barton, Berrien County district court administrator and clerk of the court announced last week that the judges of the Fifth District Court have decided to establish a small claims court in Buchanan

The court will hear cases every 28 days in the Junior Achievement building on Bluff Street, beginning when the first case is filed with Magistrate Jerry Lauver

"There was more or less always a judge available to Buchanan There just weren't any cases filed there," Barton said Tuesday

A small claims court was originally established in Buchanan in 1969, but there was always a small caseload Only two cases were filed in Buchanan in 1972 and 1973, Barton said The judges discontinued the court because they felt it was inconvenient to rent a building and send staff personnel to Buchanan if there were few requests to hear cases here

Buchanan sought an injunction in Circuit Court in September to stop the county from building a proposed South County Building in Niles The city sought to force the county board of commissioners to reconsider its decision to build the facility in Niles instead of Buchanan, basing part of its claim on a state statute which entitles any city over 3,200 to the regular services of a district court However, Judge James Hoff ruled against the injunction at an October 19 hearing

Barton said the possibility of establishing a court in Buchanan was discussed before the suit was filed "When we heard about the suit we thought, this means they want something there," he said

"As far as I'm concerned there will always be a service in Buchanan if someone wants it," Barton added Judge John Iwaniuk will hear cases in the Buchanan court

Mayor Richard Gault said the city hasn't had any correspondence on the small claims court yet and hasn't had any chance to evaluate the effect its establishment might have on the South County Building dispute.

The city's previous law firm, Desenberg, Desenberg and Marrs, had indicated that the building dispute could be continued in the courts even after Judge Hoff's ruling However, the firm of Klute, Stone and Campbell, hired as interim attorneys after the local firm was fired last week, has indicated it favors Niles as the site for the proposed building

"Things like that will be considered in hiring a permanent city attorney," Gault said He said it might be possible to hire another law firm to handle the building suit if the Niles firm is retained permanently

Booster's window broken in fight

One of the front windows of Booster's Tavern was broken during a fight on Front Street early Saturday morning

Police said they received a call from Kenneth Gill, owner of Booster's, at about 1 55 a m Sunday morning Gill said he heard a crash and saw two men fighting on the sidewalk in front of his tavern They had fallen against the window, breaking a 94" by 42" piece of plate glass

Police arrived on the scene to find the men still fighting Both tried to run away, but one of them was caught in the north city parking lot after jumping the fence between Dan's Pharmacy and the Mollberg building and falling into McCoy's Creek He was identified as Drew Errol Bennett, 22, of Route, 2, Box 696 A, Buchanan

Bennett said he didn't know the other man, who remains unidentified Bennett was charged with being a disorderly person and malicious destruction and was released after posting $100 bond.

Galien starts United Way drive

On November 1, at the United Methodist Church, 208 Cleveland Ayenue, Galien, Gene Watson, member of the Galien Lions Club, met with Larry Marshall, campaign chairman for 1977 Greater Niles United Way Drive to announce plans for a Galien United Way Drive to be run by the Galien Lions

Watson, chairman of Galien Drive stated, "This is the first United Way Drive we've ever run in Galien " He added, "The people in the Galien community have long received many services provided by the majority of the Berrien County United Way Agencies, therefore, our Lions Club felt a need to develop and initiate a local campaign to generate funds for these United Way Agencies. As a result with the assistance of the United Way of Greater Niles, Inc , we have organized our own local campaign and will be able to partially fund those agencies "

Marshall stated, "On behalf of the Board of Directors of the United Way Agencies, and the campaign staff in Niles, I commend Gene Watson and the members of the Galien Lions Club on their interest and effort in establishing a United Way Drive in Galien We were happy to assist Galien in organizing their own campaign and we sincerely thank the people of the Galien area for their interest in supporting our 40 United Way Agencies "

The goal for this year's Galien Drive has been set at $2,000 The following members of the Galien Lions Club will be assisting Watson with this fund drive Ray Cowan, Robert Tilmann, Arthur Howell and Terry Dalrymple, Lions Club president

"Thanks to you the United Way Agencies . are there when you need them most!!"

Is city's tax protest nearing end?

The City of Buchanan may be ready to drop its protest of what it considers inequitable property tax assessments, according to Commissioner Reginald Bellaire

"It's my feeling, and I believe the entire commission feels the same way, that to continue with the charade of breaking a state statute is wrong " Bellaire said Tuesday morning "I think now is the time to bring the tax roll back within the statute. The signs are that things are going to change "

The commission held a closed work session to discuss the "tax protest" Monday night

The city has previously stated its intent to spread taxes over a base of $35,057,410 instead of the state equalized base of $37,186,529.

The tax protest arose from industrial protests of property tax assessments over the last two or three years and agreement by the city commission and administration that those protests were justified

Since it is not feasible for governmental units to reappraise all property within their boundaries each year, county and state tax equalization departments assign factors to each governmental unit The factor is designed to reflect changes in property values since the most recent appraisal, and is determined by spot checks of sales records and inflationary trends

The purpose of the factor is to force all governmental units in the state to assess equally.

Once each unit is assigned a factor, it must multiply it by the values determined previously by the property appraisal. The City of Buchanan has been assigned a factor of approximately 1.47. Using this factor, Buchanan's state equalized valuation (SEV) is $37,186,529.

Because the state averages high, low and middle values in determining each unit's factor, the factor becomes more inequitable as it gets larger Due to the levelling effect of the factor, properties that have experienced large increases in value since the most recent appraisal tend to be underassessed, while properties whose values have dropped or remained stable may be overassessed

Feeling that use of the factor caused industrial property in the city to be grossly overvalued for tax purposes, the city commission decided last year to hire United Appraisal, Inc to reappraise only the industrial property.

"The larger the factor, the more unfair it is," said City Manager Robert Faulhaber "That's the reason for reappraisal We felt the industrial property was not being taxed equitably. The object of the reappraisal is to get a fair assessment."

The reappraisal has apparently proved that Faulhaber and the commission were correct in their belief that industrial property was assessed too high The values obtained in the reappraisal, when added to values for residential and commercial properties (determined by using the factor of 1.47) show Buchanan to have a tax base of $35,057,410, more than $2,000,000 lower than the state equalized valuation

(Continued on page 7)

Hankins says he'll sue Jones over $10

State Board upholds Price

His attempt to have Ivan Price's certification as Buchanan Township assessor revoked has failed, but Fred Hankins announced Tuesday he intends to attack a new front in his continuing war with the township's board of trustees.

The state assessors board decided not to take any action against Price because he answered all the accusations made in a revocation petition circulated by Hankins and signed by 40 township residents That information was contained in letters sent to Price and Hankins last week by George Kostishak, chairman of the assessors board.

Hankins said Tuesday he intends to seek an injunction to force Dr. Kenneth Jones, Buchanan Township supervisor, to stop charging township residents fees to examine tax records at the township hall

Hankins said he has been charged a total of $10 for the privilege of examining tax records at the hall He said a state statute and several supreme court cases hold this practice illegal.

Jones said Tuesday that the township's policy is that residents who desire to have photocopies of tax records made are charged for use of the copier, paper and the time of township employees.

"To the best of my knowledge, there is no charge to merely look at records," Jones said

Township Clerk Donna Newsom said, "The last time Fred was here a secretary spent over a half hour looking up records for him, and she charged him for the time she spent "

"We checked with our attorneys and with legislators at Michigan Township Association meetings and we found we are within our rights," Mrs. Newsom said.

Hankins' attorney, Charles Herman, confirmed that Hankins had asked him to seek an injunction against Jones. Herman said he hasn't taken action yet, adding that the suit only involved $10.

"I think he definitely has a case," Herman said. "They're supposed to allow a minimum of four hours to look at records, according to the way I read the statute."

Selling stock in Junior Achievement

Brian Hughes (right), president of Star Enterprises, a local Junior Achievement Company, and Tammy Clem vice-president of marketing for Star Enterprises, sell stock in the company to Clark Credit Corporation officials. From left are Bill Harper, controller of Clark Credit Corporation P.J. McLaughlin, European finance manager, Frank Simms, president, Miss Clemm, Bernie Booker executive vice president, and Hughes. Star Enterprises has 39 members from Niles, Berrien Springs, Galien, Brandywine and Buchanan high schools. The company will sell bumper stickers, hearth brooms and personalized pencils

Our Opinion
Berrien County Record

Now's your chance

By Steve Jewell

I'm sure the people of Buchanan don't need The Record to urge them to vote in next Tuesday's election. At least I was sure, before I checked with City Clerk Herb Russell and looked up articles about past elections in back issues of The Record

Russell told me the city now has 3,027 registered voters, the most in history Yet I could find few commission elections in the last few years where voter turnout exceeded 450, even when the elections were contested.

The present city commission and its handling (or mishandling) of the Central Business District project have been the targets of a wide diversity of criticism in the past few weeks Whether you think the project is essential and must be carried out exactly as planned, or you think the north side of Front Street is quite lovely to look at right now, and any changes such as planters and benches would only mar its natural beauty, you would be wise to vote Tuesday

The point is that there's no better place to express these divergent views than the ballot box It's the ultimate recall and the ultimate vindication If you don't vote Tuesday you really don't have much to complain about

Area Obituaries

Claude Maynard McGowan

Claude Maynard McGowan, 88, 212 Berrien Street, died at 3 15 p m , Sunday, October 30, at Paul Stephan Nursing Home, Niles, following a long illness

Mr. McGowan was born January 30, 1889 in Buchanan and was a lifetime resident of the area He served in the US Army during World War I and was a retired grocery operator. He was a member of the Church of Christ, Ralph Rumbaugh Post 51 of the American Legion and Four Flags Barracks 40 & 8 Veterans of World War I On September 5, 1917 in Detroit he married Thessel Perry She died February 9, 1970.

Survivors include two daughters, Mrs Maynard (Geraldine) Walker and Mrs Jean Hesseltine, both of Buchanan; seven grandchildren, three great-grandchildren and one sister, Mrs Iva Vandenberg of Boca Raton, Florida

Funeral services were conducted at 1,30 p.m., Tuesday, November 1, at Swem Chapel of the Swem-Smith Funeral Home. Joe R. Johnson, pastor of First Church of Christ Christian, Niles, officiated. Burial was at Oak Ridge Cemetery

John A. Russell

Phases

Dear Editor,

Phase I — Prepare the cemetery

Phase II — View the Corpse

Phase III — Close the Grave

As a Buchanan shopper I have no interest in beautiful store fronts, water fountains, park benches, cobblestone sidewalks, flower pots and trees I want easy accessibility to a store, reliable merchants, quality merchandise and reasonable prices

A Buchanan Shopper

UNICEF

To Berrien County Record,

"Thank you" to the members of the community for your generous response to the UNICEF Drive last Sunday Presbyterian youth report that approximately $330 00 was received. Anyone who was not contacted and wishes to contribute can send his contribution to the First Presbyterian Church

Keith A Morrow

Distrophy

Dear Editor:

The Bertrand Township Fire Department would like to thank everyone who donated to the Muscular Distrophy Drive The collection was $637 03

John Heller Jr
Chairman

Compliment

Dear Editor,

I would like to compliment Don Nichols on his commentary in last week's "Record". His opinion was balanced and supported by the facts

Those who may call for the City Manager's immediate resignation would do well to consider that the city's best interests dictate that the City Commission take a great deal of time in selecting a new City Manager. It is apparent that the citizens of this community demand a man who is everything from a public relations expert to a civil engineer and therefore are willing to pay the price for such a person. That kind of man will be difficult to find and will require a great deal of time. The City Manager's announced retirement within a year will allow the Commission time to find such a person and insure an orderly transfer essential to the continued well being of the city.

Until that time we as citizens of this community should, as Don Nichols has suggested, recognize the past accomplishments of the city administration and work together to improve upon them

Sincere regards,
Joe Garbert II

Out Of The Past

40 Years Ago
November 4, 1937

A movement for closing all Buchanan business houses for the Armistice Day exercises at the high school was launched by Arthur Johnston, commander of the Fourth District of the American Legion.

Bowling fans in Buchanan were interested in the coming of Andy Varipapa, rated as the world's most sensational bowler Varipapa has bowled 36 300 games and made the record exhibition average of 275½ in six games He was the star in the M-G-M motion picture, "Strikes and Spares "

The Buchanan "Fighting Bucks" added another eleven to its string of victories when they defeated a stubborn South Haven eleven, 7-0 They scored in the first 7 minutes of play on a double reverse in back of the line

25 Years Ago
October 30, 1952

Buchanan qualified voters were confronted by a complicated array of decisions as follows the choice of a president of these United States, the choice of a set of state officers and representatives in Congress, the choice of a slate of county officers, a non-partisan vote on three state and county offices, passing judgment on three amendments to the state constitution; and last and not least, deciding whether sale of liquor other than beer and wine by the glass be permitted in Buchanan

Store windows in the business district were again decorated by junior and senior high school students, who painted in all 28 windows, pictures featuring the Halloween motif

Quarterback Milt Lingle of Dowagiac, about as close as a football player ever gets to a triple threat man in this era of specialization, gave the injury-ridden Bucks a lesson in running, passing and kicking as he sparked the Chiefs to a shocking 29-7 victory on Memorial Field

10 Years Ago
November 2, 1967

Buchanan was to have a new business by the new year according to plans announced by Jack and Dick Rayburn of Niles The brothers planned to build a coin-operated car wash at 707 South Portage

The Bucks rolled to their 33rd consecutive Blossomland conference and sixth straight title with a 14-0 victory over Lakeshore

National Book Week was observed at the Buchanan City Library Work of several artists were on display, as well as more than 100 new volumes

"No man is rich who wants any more than he has got."
Josh Billings

Royal Neighbors Lodge

The Royal Neighbors Lodge will meet on Thursday, November 3, 8 p m , in Oddfellows Hall.

The committee for the evening will be Mrs Melvin Miller and Mrs. Leo Miller

PLEASE Don't Forget to Vote

Ag in Action

Weevil catcher?

When Dr. Rupert Cutler of the U.S. Department of Agriculture suggested the use of the unemployed as a substitute for pesticides, farmers shook their heads in disbelief! And since the USDA is supposedly for the benefit of farmers, one Michigan farmer felt duty-bound to either get Dr. Cutler's head out of the clouds with some practical down-on-the-farm information -- or find out if the USDA really did have information on how to replace pesticides with people.

Elton R. Smith, Kent County dairy farmer, wrote to Dr. Cutler to tell him that applying the suggestion to his particular farming operation, he could not see any conceivable way the unemployed could be considered as even a partial substitute for pesticides.

"The primary crops I grow are corn and alfalfa," Smith told Cutler. "The major pest problems I encounter are the alfalfa weevil and weeds in corn fields In the case of weeds in the corn, the unemployed could hoe the weeds but the economics of using the unemployed totally discourages my further consideration In the first place, it would be unlikely that they would even agree to perform this type of demanding physical work Secondly, the average cost of employing a farm laborer to do such work for a 10-hour or longer day is roughly $80 figuring a minimum wage rate, Worker's Compensation and compliance with other government regulations. The same amount of physical labor the worker could perform in one day can be duplicated by myself with a tractor and 2 8¢ worth of diesel fuel '

Smith called Dr Cutler's attention to a study which showed that at the 1976 costs of labor and herbicides, the net profit due to weed control by herbicide was $78 per acre However, controlling weeds by hand labor was so expensive that this method resulted in a net loss of $66 per acre

"In the case of the alfalfa weevil," Smith said, "I just cannot imagine the unemployed capturing the weevils from the underside of leaves and confining them for later destruction "

He closed by telling Dr. Cutler that if he had details of how using the unemployed in lieu of pesticides could be economically and technically justified, he would be happy to receive such information As yet, Smith hasn't had a reply Perhaps Dr Cutler has been busy taking a poll of the unemployed to see how many would be willing to learn the weevil-capturing vocation

"Man is by nature fond of novelty." Pliny The Elder

Micki May (center) had the best costume at Galien's Halloween Party Sunday Raquel Rose (right) was second and Jeff Boyle (left) was third

Some of the winners in the costume contest at Galien's Halloween Party, held at the American Legion Hall Sunday were (front row, from left) Jeff Boyle, Raquel Rose, Joey Bradford and Derk Nelson (Back row from left) Cheryl Luther Lynn Luther Marcia Luther, Cory Hoag, David Welsh, Jerry Doehrer Kim White Kathy Pilmann and Connie Tilmann Vanessa Wolford is the pumpkin.

New nature trail open to Fernwood visitors

Fall visitors to Fernwood will be able to enjoy a new addition to the nature trails. Naturalist, Mike Champagne, and Michigan State University intern, John Archambeault have built and recently opened a new trail on the Fernwood grounds A board-walk trail has been built across the south end of the large pond The Fernwood visitor now has an excellent vantage point to more closely observe pond life and the waterfowl in that area Another addition to the grounds this fall is the placement of more bird feeders A flurry of activity by our winter feathered friends now surrounds them

Continuing in the Meeting House through Friday, November 11, is a showing of the recent paintings of June Cary Landscape, still life, and abstract are the subjects in this show of nearly forty works of art A resident of Niles since 1956, Mrs Cary maintains a studio in her home, and is active in the Michiana area judging shows, lecturing, teaching, and giving demonstrations

Monday, November 14, the traditional season-ending classes on Christmas Greens will be presented Fernwood Director and Horticulturist, Stan Beikmann, will instruct this class along with Peg Bormann of the Fernwood staff and Sharon Yantis of St Joseph A new addition to the teaching staff this year, Mrs Yantis will add her creative touch to this year's class projects Noted for her beautiful pine cone wreaths in the Fernwood Shop Mrs Yantis brings to the class over nine years of floriculture experience Christmas Greens has been expanded to five classes this year with day sessions on Monday, Tuesday, Thursday and Friday with an evening class scheduled on Wednesday

Class times are 9 30 a m until 3 00 p m for the day sessions and 7 00 until 10 00 p m for Wednesday evening With the introduction of new items each year, class participants will create a variety of seasonal decorations using fresh greens, fruits, and other natural materials Reservations can be made by calling the Fernwood office

Mr. and Mrs Eugene Aalfs, 706 West Roe Street, announce the engagement of their daughter, Karen Sue, to Orville W Worvey, son of Mr and Mrs Bobby Worvey Sr , 510 Impala Drive, Niles

The bride-elect is a 1976 graduate of Buchanan High School, attended Western Michigan University and is presently attending Lake Michigan College.

The prospective bridegroom is a 1971 graduate of Niles High School and is employed by National Standard Company in Niles

An August 5, 1978 wedding is being planned by the couple

Historical Workshop at Niles Library

A two day historical workshop is being co-sponsored by the Niles Community Library and Four Flags Historical Study Committee The workshop is scheduled for 7 30 p m , November 3 and 10, at the Niles Community Library auditorium

The first workshop features JoAnne Sporleder presenting slides and architectural prints of the area She is an architectural historian from South Bend

The second workshop features Dr Peter Schmitt, who is regional architect in Kalamazoo and associated with Western Michigan University He will be checking records to date old houses in the area

Reservations may be made by calling the Niles library Cost of the workshop is $7 50 for both evenings.

SMC corn husking contest

The third annual corn husking contest sponsored by the Southwestern Michigan Agriculture Association is scheduled for 11 a m Saturday, November 5 on the campus of Southwestern Michigan College

Three categories of contestants will be competing for awards and trophies A junior high division of youths through eighth grade is primarily for 4-H members in the area A senior high division will be composed primarily of FFA members from area schools The open division will allow competition by anyone past high school age, including present or past SMC agriculture students and area farmers

Each contestant will husk two rows of standing corn for 20 minutes with deductions for gleanings and husks remaining on ears The winners are determined by total pounds of corn once deductions have been made

Corn being harvested during the contest is in a field planted earlier this year by SMC ag students

The public is invited to come and participate, or to cheer the contestants on their way down the rows The contest will take place at the corner of Cherry Grove Road and Mathews Street, on the SMC campus

For more information, contact Dr Clark Nicklow, agriculture instructor at Southwestern Michigan College,

Students from Bangor, Watervliet, Lawrence, Niles, Mattawan, Lakeshore, Stevensville, Hartford, Galien, Coloma, Centreville, Cassopolis, Dowagiac, Decatur, and Buchanan have been invited to participate

The word corn originally referred to all the grains that were used as food for men or horses

Eddies take advantage of Buchanan mistakes

A 28-point comeback couldn't undo the damage done by six first-half miscues as Buchanan dropped a 47-28 decision to Edwardsburg on the Eddies' home field Friday night.

The victory gave the surprising Eddies a 4-3 conference record, good enough to tie Coloma and Lakeshore for third place

"Everybody thought we'd win about two games this year, maybe me included," said the happy Edwardsburg coach, Ted Peak The Eddies conclude their season with a 4-4 overall mark.

As befitted this Halloween weekend, the Eddies were dressed in orange from their helmets to their socks And they had a real party in the first half, providing all the tricks while the Bucks treated them to good field position on five separate occasions Each time the Eddies took advantage of their good fortune, roaring to a 35-0 lead before the Bucks could get on the board.

The first break came the first time Buchanan had the ball Ken Stow broke through to block Jeff Butler's punt and the Eddies took over on Buchanan's 26 Four plays later George Dunn scored the first of his three touchdowns on a four-yard run A two-point conversion gave the Eddies an 8-0 lead.

Later in the first quarter, Dan Pinkerton fumbled an Edwardsburg punt and Jim Suski recovered for the Eddies at midfield Dunn scored five plays later on a one-yard plunge The big play in the drive was a 37-yard run by Dennis Mock.

A 63-yard punt by Dave Kulp backed the Bucks up to their own 16 to start the second quarter. They moved to one first down but were forced to punt at the 32 A bad snap from center ruined the punt attempt, and the Eddies took over at the 24

Two plays later, the Eddies went to the shotgun and quarterback Dan Correll hit Mock with a 24-yard touchdown pass

An 85-yard return of the ensuing kickoff by Buchanan's John Hall was nullified when officials called an unsportsmanlike conduct penalty on Hall.

Instead of a touchdown the Bucks got the ball on the Edwardsburg 36, and disaster struck immediately. Suski intercepted for the Eddies on the next play and Rex Brown scored six plays later on a 15-yard run.

Hall made another excellent return on the following kickoff, but on the first play from scrimmage Butler's pass bounced off Hall and into the arms of Edwardsburg's Correll, who carried it 60 yards to another touchdown John Lynn kicked the extra point to give the Eddies a 35-0 lead

The Bucks, to their credit, didn't give up, but the 35 point spot was just too much to overcome

Runs by Hall and Jim Longcrier moved the ball to Edwardsburg's 40, and Ricky Davis took it in from there Bob Couchman's kick made it 35-7 at halftime

Edwardsburg kept the pressure on in the second half, taking the kickoff and going 67 yards in ten plays for the score that made it 41-7 The Eddies appeared to be stopped on fourth and six from the 14 yard line, but Correll threw a lateral pass to Mock on the right sideline, and Mock found end Rich Babler open in the end zone for the touchdown

"That little double pass," smiled Peak after the game "We threw it about six times this year We dropped it a couple times, but we got three or four touchdowns on it"

The Bucks came back to go 61 yards, mostly on Longcrier's running, for their second touchdown Longcrier got the score on a 23-yard run

They still couldn't stop the Eddies, though Correll capped a 62-yard drive by passing eight yards to Brown for Edwardsburg's final touchdown

The Bucks made the score respectable with two fourth quarter touchdowns by Longcrier The senior running back went 17 yards on a draw play to score with 6 01 left, and got another TD on a six-yard run with 31 seconds to go

Longcrier's three touchdowns gave him a total of eight for the season, the most on the team Both he and Davis rushed for over 100 yards, the fourth time Longcrier has reached that mark and the second for Davis.

The backfield duo has combined for nearly 1300 yards rushing this year Longcrier has carried 113 times for 666 yards, a 5 9 yards per carry average Davis has a 5 1 average with 616 yards on 121 rushes

Mock led Edwardsburg with 82 yards rushing and Correll, playing only his second game as a quarterback, completed five of eight passes for 85 yards, "Mock and Correll switched positions because Mock is more of a threat as a runner," Peak said

"Our kids played a real good game," Peak said "We took it to them right at the start, and I think that's what it's all about"

"We had outstanding senior leadership through the year This was their game," Peak continued, citing Correll, Mock, Babler and Stan Peak for outstanding contributions

The Eddies will be a power to be reckoned with for the next couple of years in the Blossomland Their roster lists only eight seniors on this year's varsity and their junior varsity went undefeated this season, beating its nearest rival, Dowagiac, 22-2

The loss gives Buchanan seventh place in the Blossomland with a 1-6 record The Bucks are 1-7 overall going into this week's finale at Paw Paw

Other results on the final night of conference play saw Cassopolis clinch the title with a surprisingly easy 25-14 win over Dowagiac. The unbeaten Rangers need only a victory at Constantine this week to become the first Blossomland team ever to make the state playoffs

Bucks can't catch Eddie powerhouse in conference cross country meet

Buchanan's hopes for a cross country upset over Edwardsburg were shattered here Monday when the Eddies swept five of the first seven places to run away with the Blossomland Conference meet

The Eddies' Dan Parsons finished first in 17 08, regaining the course record he set in the first meet of the year here He was followed across the line by teammates Dan Hoover, in second, Mark Haines fourth, Kevin Clark, sixth, and Kevin Turner, seventh

Only LaVaughn McNary of Cassopolis in third and Brad Krugler of Lakeshore in fifth place could break the Eddies' domination The top seven runners make up the all-conference team

Buchanan's top finisher was John Dougherty, who was eighth in 17 45 The Bucks finished with 68 points, a distant second to Edwardsburg's 20

"I'm disappointed, but I'm not taking anything away from Edwardsburg," said Buchanan Coach Mike Rouse "They deserve it I don't think we could have won even if we'd run our best"

Other Buchanan finishers in the varsity meet were 11 Tom Lear, 17.54, 13 Erik Mollberg, 17 59; 17 Dennis Decker, 18 11, 19 Rick Bullock, 18 35, 35 Mark Entenman, 19 17, and 37 Jeff Christie, 19 21

Chuch Vigansky won the jayvee meet in 19 13 Other Buck jayvee runners were 11 Wayde Sumerix, 20 23, 14 Brad Pointer, 20 54, 24 Mike VanOrman, 22 03, and 26 John Lubben, 22 32

Edwardsburg's Beth Lynn won the girls' run in 21:17 Buchanan's Sue Trull, pained by a calcium deposit on the bottom of her foot, limped to sixth place in 24 10

Edwardsburg Coach Don Bourdon was happy with his runners' performances "Putting five on the all-conference team is remarkable," he said The Eddies' number two runner, Hoover, was just getting over a bout with the flu

Bourdon added that he thinks the Eddies have a good chance in the state meet, which they qualified for by finishing second in the Watervliet regional last Saturday

Buchanan just missed qualifying, finishing fifth in the regional with 145 points Mattawan won with 79, the Eddies followed with 81, Bangor had 132 and Kalamazoo Christian had 139. The top three teams qualified for the state meet

"I can't be disappointed with our performance," Rouse said "All those teams above us have beaten us before Anytime you put five guys under 16.50 you can't be disappointed"

Erik Mollberg (16 29), Rick Bullock (16.35), Dennis Decker (16 45), John Dougherty (16 49) and Tom Lear (16 50) were the Bucks top five runners Rouse pointed out that only 21 seconds separated Mollberg, 22nd, and Lear, who was 36th

"If we had run three seconds faster per man, we would have qualified for state, because the runners were so closely bunched," he said Bullock was 24th, Decker was 30th and Dougherty was 33rd. Mark Entenman finished 53rd with a time of 17 20, and Chuck Vigansky was 74th.

All in all, it had to be a satisfying season for the Buchanan runners They won 13 of 14 dual meets and the Berrien County Invitational, becoming the first team other than St Joseph to do so Several of the Bucks' top runners, including Dougherty, Decker, Christie, Vigansky and Bullock are underclassmen, so prospects for next year look good

Conference meet results

Girls drop Valley in low-scoring game

Despite scoring only nine points in the entire second half, Buchanan's girls basketball team won its 12th straight game Tuesday night, beating River Valley 38-28

Berry's Beauties led 12-8 after the first quarter and 29-16 at halftime, but both teams cooled off in the second half, totaling only 21 points Coach Ray Berry attributed the low score to good defensive play on the part of both teams

"In general, I thought we did some things better than we have for the past few games," Berry said "We played with more intensity Even though it was a low scoring ball game, I thought our running game improved"

Buchanan, now 9-0 in the Blossomland and 12-0 overall, was led by Patience Vanderbush with 14 points and Tracee Hargreaves with 11 Vanderbush, Sharon Rottman and Laurie Hiatt each had nine rebounds Julie Gnodtke and Heidi Lovgren had ten points apiece for Valley

Coach Dale Florey's jayvee team evened its record at 6-6 with a 23-16 triumph in the preliminary game. Sherry Vanderbush with ten points and Michelle Smith with six led Dale's Dolls

The girls play at Coloma Thursday and return to Buchanan for a home game with Lakeshore next Tuesday

Chamber of Commerce coloring contest winners

The winners in the Halloween coloring contest sponsored by the Retail Division of Buchanan Area Chamber of Commerce are

Pre-school Sheila Ann Codman of Berrien Center, first place and K Lynne Joanis of Niles, second place.

5 8 year olds Jamie Mansfield of Buchanan, first place and Steve Garcia of Niles, second

9-12 year olds Beth Lohraff of Buchanan, first place and Bruce Unruh of Niles, second

The 260 plus entries were judged by the Buchanan High School Art Club

Buchanan jayvees drop third straight,

Buchanan's junior varsity lost its third straight game last Thursday as unbeaten Edwardsburg downed the junior Bucks 32-22

"We played well, but came up a little bit short", Coach Frank Mucha said

The Eddies scored first but Buchanan came right back to score on a two-yard run by Dave Karpinski Karpinski's extra-point run gave the Bucks an 8 6 lead

Edwardsburg scored again to take a 12-8 lead at halftime, as the Bucks' next drive was stopped by a fumble

Edwardsburg moved out to a 26-8 lead in the third quarter The Bucks countered with a 60-yard touchdown pass from David Price to Jerome Vite Karpinski's conversion narrowed the gap to 26-16

The Eddies tried a lateral pass on the ensuing kickoff, but it went astray and Vite recovered at the Eddies' five Rodney Bradshaw then scored on a three-yard run. Edwardsburg scored again in the fourth quarter to put the game away

Nelson and Boepple each scored two touchdowns for the Eddies, who had 378 yards in total offense Edwardsburg had great success with short swing passes on third down situations

"We made mistakes I don't think will happen again," Mucha said "Our defensive halfbacks learned and will never make those mistakes again The kids are showing a lot of improvement"

In addition to Vite, who recovered two fumbles, Mucha singled out defensive halfback David Harding and offensive and defensive guard Lonnie Przybylinski for praise.

The Bucks were held to 41 yards rushing in the game, including minus 18 yards in the second half They close their season against Paw Paw this Thursday at 7 p m. at Memorial Field

Tax protest

(Continued from page 1)

The commission felt it was too expensive to have all three classes of property reappraised at once It waited until this year to reappraise residential and commercial property, and therein lies the basis of the hassle with the county

Theoretically, a new reappraisal should reduce the factor to 1 0 The city intended to assess industrial property using a factor of 1 0 this year, while using the original factor, 1 47, to assess commercial and residential property, since this year's reappraisal of those properties won't take effect until next year's assessments

The effect of this type of assessment would be to lower the city's SEV by over $2,000,000, causing a loss of $86,484 in taxes to the city and county However, the Berrien County tax equalization department has informed the city that it cannot unilaterally lower its SEV The county says that if Buchanan persists in using a factor of 1 0 for industrial property, it must raise the commercial and residential factor to 1 63 to make up the difference in SEV.

"Then residential and commercial property owners would have a protest," said Faulhaber explaining the reasons for the city's protest "If 1 47 was equitable for commercial and residential once, it is now We've made no mistakes -- we've analyzed it to the nth degree We know exactly what we're doing "

Edward Mattix, chairman of the Berrien County Board of Commissioners Affairs Committee, disagrees with the city's position Mattix' committee is in charge of tax description

"There is no justification for Buchanan to spread taxes on $35 million," he said "What they want to do is lower the value of their area -- something they can't do No city commission is empowered to change equalization "

"The fallacy in their thinking is that we don't equalize by class The equalization of the county is set for all classes across the board There have been bills in the legislature to equalize by class, but they have never been made into law "

Mattix said the county has no argument with the fact that one class of property may be assessed too high He said the only way the county would consider a change in SEV is if all classes are reappraised. The city would then have to prove that the total value of its property is less than what the state and county say it is.

Mattix said the county will decide what to do about Buchanan's protest when the city submits its tax rolls

"One alternative is to refuse to spread the taxes," he said "If they really tried to do this, the county, through the prosecutor's office, would take action "

Mattix added that the state tax commission could join the action

Most of the loss in tax revenue resulting from the revised tax base would be felt by the city itself and the local school system, since they are the recipients of 45 3 of the 54 6 mills assessed in the city

The city, which has already collected most of its taxes for this year, would receive $29,809 less under the revised tax base, while the school system would receive $66,632 less

Hills Corners Home Economics Club

The Hills Corners Home Economics Club met at the home of Mrs Iola Zindler, for a one o'clock dessert luncheon The meeting was called to order by chairman Mrs Gerald Tichenor

The members repeated the creed and devotions were given by Mrs Fred Sommers She read from Romans 13 8-10 and "The Least Coin "

Mrs Rumsey, the club president will be in charge of the business meeting and there will be an election of officers for the coming year Robert Luster will show his collection of rocks and stones

"Love and business teach eloquence " George Herbert

Galien comeback nearly catches Catholic

Shocked by Lake Michigan Catholic's four first half touchdowns, the Galien Gaels fought back to dominate the second half and nearly upset the unbeaten and third-ranked Lakers Saturday at St Joseph

The Gaels fell behind 26-0 in the first two quarters, then stormed back to close the gap to 26-22 with about four minutes left in the game

"We were faced with a decision to kick off onside or kick it deep and rely on our defense to stop them " said Galien Coach Tony Yonto

The Gaels kicked deep and forced Catholic into a fourth and two situation at its own 42 yard line

"I thought Coach (Terry) Rose would punt but he didn't," Yonto said "They made it by the length of the ball " The Lakers were then able to run out the clock and escape with a narrow victory

It looked as if Galien would get blown off the field in the first half The Gaels fumbled on their first offensive play and Catholic recovered at the 12 Seconds later, Phil Banks' six-yard run gave Catholic a 6 0 lead

"We were down within a matter of seconds. It put us in a state of shock," Yonto said

The Lakers scored three more times in the half, on a 34-yard run by John Spear, an 85-yard run by Banks and a 25-yard pass from Mike Masini to Andy Rodez Clancy Rose kicked two extra points

But Galien began to turn things around shortly before halftime when Marty Koziel blocked a Laker punt and Jerry Sears scored on a one-yard run.

"We were embarrassed after the first half," Yonto said "We were totally disorganized Our kids were so high for the game they were tense We went to the locker room knowing we weren't that bad a team. It was just a matter of getting our confidence back "

The Gaels came out throwing in the second half . Quarterback Matt Koziel threw a 66-yard touchdown pass to Jerry Woodrick in the third quarter, then added a two-point conversion on a pass to Rick Chase

We had to get back in the game somehow, and I knew Matt could hit Woody long," Yonto said

Koziel hit his brother Marty *with a 15-yard pass for the last* Galien touchdown and then ran for the two-point conversion. The senior quarterback totaled 218 yards passing for the game

The Gaels held Catholic scoreless in the second half. "They burned us in the first half when they caught our linebackers playing too close and they broke a long run with one block," Yonto said "In the second half we had our backers play off the line a little."

"I was proud of our kids We played really well in the second half What I really enjoyed was that we came from so far behind and made Catholic feel we could still win the game "

The Gaels finished Red Arrow Conference play with a 3-4 record, good for a fourth place tie with Hartford They are 4-4 overall going into Friday's final game a home contest against Centreville Galien is 4-0 at home and 0 4 on the road

Saturday's 26-22 final score represented both the most points the Gaels have given up in a single game this year and the most they have scored

Galien girls in third place

By Brian Dickey

Last week the Galien girls basketball team moved into third place in the Red Arrow Conference by upsetting Watervliet Tuesday However, Galien lost on Thursday to Eau Claire

Tuesday's game saw the Gaels jump out in front of the Panthers early as they led 11-6 at the end of the first period Galien's dominance continued in the second quarter as it outscored Watervliet 11-8 to take a 22-14 37-28 going into the final quarter The Panthers had a big closing quarter as they outscored Galien 15-9 However the Gaels' lead was too much for the Panthers and Galien won 46-43 Sue Heller again led Galien with 20 points

Thursday's game saw the Gaels lose to Eau Claire 42-37 Sue Heller led the Gaels again in scoring with 23 The Beavers and Galien were tied at halftime 16-16 after Eau Claire outscored Galien 10-8 in the second quarter

Bucks and Paw Paw have similar problems

The 1977 football season comes to an end for the Buchanan Bucks Friday when they visit Paw Paw to play the hometown Redskins

The Redskins, like Buchanan, have had their troubles this year They finished a tough Wolverine Conference season last Friday by suffering a 78-20 pasting from South Haven, probably the best team in any class in southwestern Michigan Paw Paw tied for last place in the Wolverine with a 1-7 record.

Coach Don Doll's team, which uses a multiple offense, is led by junior running back Chris Weeks Weeks has rushed for over 100 yards in each of the Redskins' last four games, with a high of 179 last week against South Haven Quarterback Jon Ghastin returned to action last week after sitting out five Fridays in a row with a broken thumb

Paw Paw's problems this year have been mostly offensive The Redskins scored only 12 points in their first four games, but they've been improving ever since, scoring at least two touchdowns their last four times out Their only victory was an 18-14 win over Gull Lake three weeks ago.

"Our scouts say Buchanan has a good football team," said Doll "They're like us -- their record isn't indicative of their ability "

"They play an awfully tough schedule in an awfully tough league," Buchanan coach Mike Young said of Paw Paw The Wolverine Conference is all Class B

Young said the Bucks will still try to throw the ball against Paw Paw, but he also expects to be able to run against the Redskins

"Ricky Davis and Jim Longcrier can as well as they have all year," said Young "Especially Davis Longcrier isn't quite 100 per cent yet "

Longcrier has been bothered by a sore ankle. Both senior running backs gained over 100 yards in last week's 47-28 loss to Edwardsburg

Young also praised the blocking of tackles Scott Smith and Tim McNeil in last Friday's game

Davis, Longcrier, Smith and McNeil are among eight seniors who will dress in Buchanan uniforms for the last time Friday night The others are Dan Pinkerton, Aaron Samson, Scott Vergon and Don Bumstead

"A hog in armor is still a hog " Thomas Fuller

Golden Age Club

The Golden Age Club met Friday, October 28, at the Niles-Buchanan YMCA A potluck dinner was served There were 50 members and five guests present

The bride's mother wore a cream colored long dress with a lace jacket The bridegroom's mother wore a long green dress featuring long sleeves

Following the ceremony a reception was held at the American Legion Home in Baroda.

The couple is residing in St Joseph following a short wedding trip to Northern Michigan

"Men are never so good or so bad as their opinions."
Sir James Mackintosh

Indian Hills

Fishing/hunting

By Mrs. Edward Logan
695-6017

Joe Benak and five friends have returned from a hunting and fishing trip to Drummond Island, Michigan Only one deer was bagged but the perch fishing was excellent. As it always happens, the jumbo perch were running the day they left. Better luck next year!

Mrs Robert Strauss has returned home from a visit with her mother in North Miami, Florida.

The Red Bud Club met Tuesday in the home of Mrs Karl Dehring

Mr and Mrs Mark Hawks and sons Scot and Brent, were Sunday guests of Mrs Otis Shounk

Mr and Mrs Joe Mitch have returned from a visit with their son in St Louis, Missouri

Mr and Mrs. Phillip Hawks visited their son, John Kreidler, at Ferris State College, Big Rapids, Saturday, for the Parents' Day events Later they went to Bay City to spend the weekend with their daughter and son-in-law, Mr. and Mrs Dan Somalski

Mr and Mrs Robert Liebetraw are the proud parents of a 6 lb baby boy, Jason Michael Mrs Liebetraw is the daughter of Mr and Mrs Henry Aalfs

Troop 541 plan trip to military reservation

A trip to the military reservation at Kingsbury, Indiana, November 19 and 20 will highlight a month of activity for boy Scout Troop 541, led by Leo "Unk" Slate

The boys will camp overnight at Kingsbury with a Green Beret Special Services unit, learning military survival and scouting skills such as signaling, map reading, compass work, first aid and orienteering The boys also will share C-rations with the soldiers The troop participated in a similar outing last January

Other activities during October included a swim at the Niles-Buchanan YMCA and an invitational campout October 22 and 23 at Camp Madron

The campout, to acquaint potential scouts with camping and scouting skills, involved 19 scouts, three adult leaders and three visitors A climax of the overnight was a turkey shoot, in which older boys and their fathers competed as teams with .22 caliber rifles Other activites included cooking by patrols, outdoor games and other scouting skills

A talk by Sgt James Uebler of the Michigan State Police Special Services unit highlighted the October 18 family night court of honor at the First United Methodist Church

Awards included the life rank to Chris Patton, just one step below the eagle rank which is the highest rank a boy can achieve, and the star rank to Bob Blumka

Second class rank was earned by Ralph Skinner, Kirk Dehring and Kent Reitz

Receiving their tenderfoot rank were Keith Beck, Mark Smedley Robert Larson, Mark Sumerix and Scott Barlow.

Merit badges were presented to Mark Topash, cooking, camping and first aid, Bob Blumka, machinery and home repair; Kent Reitz, first aid, and Chris Patton, machinery

Wayde Sumerix, an eagle scout still active in the troop, was made an assistant scoutmaster

Jolly Dozen

The Jolly Dozen Club met at the home of Mrs Mae Rouse on Thursday, October 24

Prize winners were Mrs Eugene Adolph, Mrs Harley Marrow, Miss Mabel Miles and Mrs John Jennings The club celebrated the birthday of Mrs. Eugene Adolph

Metea Court

In London Town

By Mrs John Hetman
695-5911

London shut off the rain and turned on the sunshine for what Londoners said was their most beautiful summer this season!

Alys Austin and her five traveling companions declared they had brought the sunshine with them to enjoy a lively vacation in England

They found London a beautiful, exciting and expensive city They had a personally conducted tour of the Queen's gardens before seeing the Horse Guards and the Changing of the Guards They only scratched the surface of London with its cathedrals Tower of London, palaces, bridges, museums and Herrod's Department Store

The trip to Windsor was especially delightful -- the countryside flower gardens were so beautiful, roses everywhere Going on to Stonhenge there was just enough fog to enhance the mysticism of the surroundings The sacrificial stone, where sixteen-year-old virgins were sacrificed each year, was a bit awesome

A day at Brighton-on-the-Sea was a fun day After going through the Royal Pavilion, they splurged on lunch at the Grand Hotel -- and "grand" it was! Visiting Oxford and Shakespeare country was equally exciting

The end came all too soon and as they packed Alys said they wondered when they could get together again to do it all over

Mrs Robert Idsman of South Gales California recently visited with her aunt, Mrs Emma Rough

Sue McDanold a former Metea resident now residing in Hawaii, and her daughter-in-law Mrs Gordon McDanold of Chicago, were recent visitors

Mrs Madeline Nichols of Swartz Creek Michigan, spent ten fun filled days with her mother Mrs Frances Fisher of Metea

Tom and Ruth Irvine have returned from a short vacation to the Carolinas where they visited her brother, Harold Johnson, and his family in Newton North Carolina They toured historic Charleston and also Fort Sumter and Savannah, Georgia

Many of the lovely old homes built in the 17 and 18 hundreds have been restored and are open to the public The old cotton warehouses along the river harbor are being used as shops, streets along the harbor are cobblestones which had served as ballast in the sailing ships

On their return trip they stopped in Gatlinburg, Tennessee The Smoky Mountain area was alive with fall colors and "leaf people" (fall visitors to the Gatlinburg area)

Chickie Bilotti Jeanne Roti and Polly Sell have returned from Connecticut where they visited with Mrs Bilotti's daughter and family the Gerald Bloods -- Gerald and Tom are both former Buchananites

They reported a fantastic color tour through Pennsylvania, New York and Connecticut

Florence Treash and her sister, Janet Baker, had a delightful weekend enjoying the breathtaking beauty of the fall colors along the Lake Michigan shore line and the Northport area, which is called the "little finger of Michigan" Pretty leaves, rocks, acorns and driftwood were the main items of interest Before returning home they attended the funeral of Mrs Treash's brother-in-law, Charles Mullally of Muskegon, Michigan

Of the 34 residents at the court's Halloween party on Saturday October 22, only four were in costume Nevertheless, it was a fun evening with games, music and refreshments

First prize for costume was awarded to Florence Treash as Minnie Pearl -- even to the price tag on her hat! Aurelia Atkinson's clown suit and makeup took second prize Ann Wember was a convincing lady hobo with pinned-on patches and an unusual rope necklace Waletta Lounsbury wore an attractive old-fashioned red and white checked dress and sunbonnet

Ruby Haas conducted the games and music was furnished by Arlie Evits Ruth Lane and Rose Pinter

The Thursday, October 27, salad casserole and dessert luncheon was attended by 38 residents and guests This was strictly an eating (such good food) and visiting afternoon

Pre-anniversary good wishes were extended by the group to residents Mr and Mrs Lee Coonfare in honor of their up-coming anniversary

Metea Court's annual bazaar will be at the Community Building, 809 Rynearson, Friday, November 18, 9 a m to 9 p m Many interesting items will be for sale and lunch and snacks will be available

Live one day at a time and make it a Masterpiece

Leonard Savoie to speak at CPA meeting

Leonard M Savoie, CPA of Buchanan, discussed "Inflation Accounting" at the annual joint meeting of the Southwestern Chapter of The Michigan Association of Certified Public Accountants (MACPA) and Beta Alpha Psi of Western Michigan University The meeting was held October 20 in Kalamazoo

Mr Savoie is vice president and controller of Clark Equipment Co and is a former vice president of the American Institute of Certified Public Accountants

ARTA MUSICIANS Seven Buchanan High School and Middle School students, grades 7-9, have been accepted into the South Bend Youth Symphony. The students rehearse every Saturday morning at Indiana University South Bend The first Youth Symphony concert will be Sunday, November 6, 4 p m., at IUSB

The students are front row (l to r) Debbie Shelles seventh grade, viola, daughter of Mr and Mrs Dan Shelles, Stacie Detgen, eighth grade, French horn, daughter of Mr and Mrs. Corbin Detgen; Elizabeth Rossow eighth grade, French horn, daughter of Mr. and Mrs Jerry Rossow Back row: Randy Parm ninth grade, tuba, son of Mr and Mrs Ancle Parm, Jamie Marsh, seventh grade, trombone son of Mr and Mrs Gerald Marsh, Jeff Bransford, eighth grade, string bass, son of Mr and Mrs Jim Bransford and David Chamberlain, ninth grade, bassoon, son of Mr and Mrs Dennis Chamberlain

Free emergency calls from 'Ma Bell'

Buchanan's first pay phones to handle free emergency calls will be activated beginning November 1 1977

The new "Dial Tone First" service allows callers to reach an operator ("0") without depositing coins

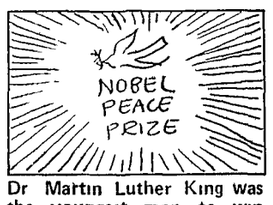
Wanda Shirley manager here for Michigan Bell said the start up of Dial Tone First will see team members beginning the on-site visits necessary to activate the 54 pay phones in the Buchanan exchange

As the Michigan Bell conversion team makes each pay phone ready to handle the new service an instruction card will be placed on it to inform the caller that all he or she has to do to get dial tone is to lift the receiver

A special sticker also will be placed on each outdoor phone booth as an aid in identifying those that have been converted

Mrs Shirley described the final on-site rewiring of the individual telephones as the "tip of the iceberg" when compared with the scope of the overall conversion job that is expected to run at least $15 million for Michigan Bell's 51 000 pay phones across the state

The outside work must be preceded, she said, by extensive central office modification and the addition of new equipment by Western Electric the manufacturing and supply unit of the Bell System



Dr Martin Luther King was the youngest man to win the Nobel Peace Prize He was only 35 when he was awarded it in 1964

Michigan Bell will begin activating the first of its Buchanan pay telephones to handle coin-free emergency calls The new service called Dial Tone First allows callers to reach an operator from pay phone without depositing coins

Pack 524 celebrates Halloween

The October meeting of Cub Scout Pack 524 was held Tuesday, October 25, at Faith United Methodist Church

All Cub Scouts and their brothers and sisters came dressed in Halloween costumes In a costume judging contest, the most original costume was won by Paul Wesner and the ugliest costume was won by Craig Lear Judges for the contest were Gary McKean and Marie Williams

Cubmaster Warren Boyle opened the meeting The flag ceremony was presented by the Cub Scouts of Den 1

The following den leaders were introduced by Cubmaster Boyle Den 1, Julie Vineyard, Den 2 Ruth Wolford and assistant Terry Ravish, and Den 3 Irene Moulds

A ghost story was narrated by Cubmaster Boyle Halloween sound effects for the story were supplied by the Cub Scouts and their families

The following awards were presented by Cubmaster Boyle and Dennis Vineyard One year service pins went to Chris Gross, Craig Lear, Richard Mesaros, Jeff Schmaltz, Jon Vineyard, Shawn Ward and Greg Thompson Two Year Service pins: Donald Gerkin, Scott Boyle, Andy Lowery, Alan Hayden and Brian Noland

Bobcat patches were awarded to Cameron Weaver, Ronnie Dunbar, Gary Moulds, Eugene Casto, Dan Werner, Paul Weaver, Louis Bruno and Doug Ravish

Webelo leader, Norman Gross presented Artist awards to Brian Noland and David Boyle

Adults receiving service awards were Warren Boyle, one year, Pat Boyle, one year, Julie Vineyard, one year, Dennis Smedley, four years and Audrey Hayden, six years

A committee meeting was held at 7 30 p m November 1, at the church Alan Hayden won a drawing for an 85 pound pumpkin All former Cub Scouts were asked to re-register after the meeting. The Webelos retired the colors

Halloween entertainment was provided by all den leaders Winners of a pumpkin seed pitching contest were Gary Moulds, eight year olds and Scott Boyle, nine year olds. A balloon popping contest was enjoyed by the younger children The Webelos provided cookies, donuts and cider for refreshments

The theme of the next pack meeting will be "Indian Lore" and will be held November 22 at Faith United Methodist Church

Nazarene Missionary Meeting

The Church of the Nazarene in Buchanan, will hold its monthly Missionary Meeting Wednesday, November 9, at 7 p m

This is always an interesting and inspiring time for all who attend The study continues to be on India and the sacrificaial work of the Missionaries there

The society suggests, "Truly what the world needs now is Love -- God's Love Come hear the results of this wonderful Love in action You will leave refreshed and blessed"

State of Michigan in the Circuit Court for the County of Berrien

PEGGY ANN HULAN, Plaintiff VS ROBERT EUGENE HULAN, III Defendant
ORDER FOR PUBLICATION AND ORDER TO ANSWER
File No. 77-2817-DM-W

At a session of the said Court, held in Chambers, in the City of St Joseph, Berrien County, Michigan.

Present: Honorable William S. White, Circuit Judge.

On the 17th day of October, A.D, 1977, an action was filed by PEGGY ANN HULAN, Plaintiff against ROBERT EUGENE HULAN, III, Defendant, in this Court for the purpose of obtaining a Judgment of Divorce between the parties, and it appearing that the said Defendant, ROBERT EUGENE HULAN, III, is not a resident of the State of Michigan

IT IS HEREBY ORDERED That the Defendant, ROBERT EUGENE HULAN, III, shall Answer or take such other action as may be permitted by law on or before the 16th day of November, A.D., 1977. Failure to comply with this Order will result in a Judgment by Default against said Defendant for the relief demanded in the Complaint filed in this Court

DATED: This 17th day of October, A.D, 1977

SPECIAL BULLETIN TO BUCHANAN TOWNSHIP TAXPAYERS

Our new Township Supervisor, Dr. Jones, makes $6,900 a year and Ivan Price quit the township supervisor job then was rehired by Dr Jones for $4,800 a year.

He seemed to show a lot of partiality to Fred Hankins who lives on East River Road. He in fact tried to deny Fred Hankins his rights and hired two township lawyers for the sum of $797 50 to deny his right to have a gun permit. This he did to a point. Fred Hankins had his Federal gun permit granted to him so there he had to concede to him

.The State of Michigan is not making us rezone or the Berrien County Zoning Commission is not Dr. Jones has the power to not accept the new proposed zoning ordinance and abide by our present zoning that is a just zoning ordinance

CAR MAKERS ARE AFTER US. BUT STILL BEHIND US.

Auto manufacturers are working hard on rustproofing New primers New application processes

But no factory rustproofing is as effective as Ziebart rustproofing.

Because Ziebart rustproofs where the factory can't. In the hidden, boxed in areas created on the assembly line In places where bolts and welds break the pre-applied primer coat In the places where rust can get started.

And our unique sealant covers your car's rust-prone metal. It even penetrates welded seams. And it fights rust for years

We use our patented Ziebart spray tools to get it inside every hidden section the car makers can't reach

Come to Ziebart for real rustproofing We will finish the job the factory started

IT'S US. OR RUST.
