**DALLAS**

Having just left a very angry Sue Ellen, a disturbed J.R. (Larry Hagman) returns to Southfork, where the family is celebrating Christopher's adoption. The happy scene only serves to depress J.R. further as he realizes he may be a long way from having his own son, John Ross, back. Bewildered by Sue Ellen's behavior, J.R. asks Macon, the detective watching Sue Ellen's house, questions about her behavior. J.R. is surprised to learn that Bobby (Patrick Duffy) had visited her. These startling revelations are part of the weekly happenings on CBS' prime time soap opera "Dallas," airing on **FRIDAY, FEBRUARY 26**.
