MACK'S COLOR JOB

The first of the week, acting on the principle that what people are talking about is news, we went out on the South Bend Road to see a color job set up there by Mack McClure.

"What do you want," Mack asked gruffly.

"A story about this color job," we said.

"Only over my dead body," was the reply.

It seemed like a good idea so we wrote this article. This color job that people have been stopping their cars in front of Mack's suburban villa to look at, is something different from the black and white stuff he has been setting up all of his life.

The set-up follows a dummy layout made by O. I. Gregg of Michigan State College.

Mr. Gregg's layouts are all very accurate and specific and this set-up follows his layout to the point (sixth on an inch to you) Gregg specifies the types and sizes and marks up the job thoroughly and all you have to do is a helluva lot of work to have a set-up that will make the neighbors poisonous.

The feature of this layout is plenty of green space in the center and foreground and a variety of types in the border. Also the form is 17 1/2 feet square, which is larger than most print shop jobs.

Two years ago this space was full of thirty-year old apple trees and Mack had to throw in the trees before starting on his layout.

This job is not a straight line and angle layout but is full of alluring curves that lead your eyes around the layout from one thing to another.

In the center background is the villa, flanked on the north by a slightly curving drive leading to a garage in the rear, and on the south by a pergola leading to a garden in the rear and a white picket fence in front of this fence and along the sides is an undulating border of color. It came pretty near being a three-color job this summer with the green body-color and a border of pink petunias and red salvias and zinnias.

On Decoration Day Mack got 300 petunias, 100 salvias and 75 zinnias. They were in full color for two months and still going strong the first of the week with that row of petunias a full four feet wide and almost solid color.

However there's a variety of color spots all about, including some prairie roses and choice roses that make you just humming old songs just to look at them. There are or were as the case might be, blue morning-glories over the pergola and big red climbing roses and purple clematis mingled along the pergola and fence set among the flowers in the border are a variety of flowering shrubs that will be the permanent border in a year or two. Some of these shrubs were already in flower production this year. They include mock oranges, forsythia, way-faring trees, hydrangeas, cornelian cherries and some other names we made notes on that we don't read.

Then scattered sparingly through the green body-ground are two varieties of elms, a sycamore Norway maple, a weeping willow, a wistful little clump of silvery birches to the right of the drive as you enter.

Other things to call, but if it's too late to look it over this year, Mack said that it would be there better than ever next year. So keep it in mind.

Cpl. Harry Frew left Monday for Camp Shelby, Texas, after spending a month with his mother, Mrs. Mollie Frew.

To Be Located At Swem Home

Defense Council Thanks All Contributors to the Purchase Price

The Buchanan community now has a long needed and highly valuable piece of first aid equipment, the respirator ordered some time since by the Civilian Defense Council, now here and placed in the Swem Funeral Home for use when needed.

L. O. Swem has agreed to keep the respirator at his home and to make deliveries when and where it is needed. It is expected that in about two weeks an expert from the factory will demonstrate the use of the device at the city hall and all who are interested will be welcome to attend. This respirator has a double attachment to care for two adults at once when needed, and a special attachment for infants. It will be of use in any case of suspended respiration whether from near-drownings, heart attacks, infants at child birth, or from various other possible causes.

In the past it has been necessary to get a respirator in cases of emergency from Niles as the nearest place. Since time is important in getting a respirator to a case of suspended respiration, this device might very likely save many lives here over a period of years.

Among the organizations contributing to the purchase cost were the following: Clark Athletic Association, Methodist church, Buchanan Steel Products, Clark Equipment company, and the Buchanan Salvage committee of the Civilian Defense Council. Phil Franks also contributed.

In behalf of the Civilian Defense Council, Harry Graham, treasurer, extends the thanks of that organization to all who aided.

The Navy Mothers Club met Friday evening in the Legion Hall for a monthly business session, with Mrs. Elsie Rouse, commander in charge.

The club voted to send gifts and cards to all navy personnel. The club is also selling Christmas cards as a money project. Mrs. Paul is chairman of this project and may be contacted for card orders. Units relatives of navy boys or girls get their correct addresses to Mrs. Fred Hall, the club will not be able to send them gifts. This is your responsibility. Send us the addresses and we will send the gifts. Call Mrs. Fred Hall, Tel. 26, or send a card.

The Navy Mothers club again urges relatives of every person who wish to display their pictures for Navy Day to bring the pictures and correct addresses to the DeNardo store or to Mrs. Claude Hess before Friday, Oct. 15, so that the names may be typed for display. We know you're proud of those pictures, so let the public see them too.

City - Township Iron Salvage Drive Set For October 25 - 30

Tales of An Old Town An Attempt to Reproduce a Cross Section of The American Scene, As Witnessed Here Through the Past Century

Recently this department received the following interesting letter from O. J. Benjamin, 55 Vale street, Battle Creek, Mich. Reading the Tales of an Old Town brings back memories of the long ago.

There are still a few of the old gang that went to school when Professor Swain was there. I can remember the big times we used to have in Buchanan on July 4. John Morris was always one of the promoters. I can still see Truman Fuller run in the fat man's race, and a Mr. Barr, who was a fast man in the 100-yard dash.

But the biggest time was usually had on the night of July 3. Promptly at 12 p. m., having been assigned to our various duties by Harvey Rough, John Needham and others, we younger fellows would start ringing the church bells. We would get in the churches earlier in the day, climb up into the belfry and throw the rope through the lattice window, to some borrowed clothesline on the end of it, so that we would be able to ring the bell from the outside.

I remember the Presbyterian church was near the Christian church, and when the boys started the ringing a Mr. Steve Earle would dash out of his home across the street. Then you should have seen we boys run! Sometimes Mr. Earle would be scantily attired, but for a man of his size he was not a bad sprinter.

One year we got into the Advent church on Oak street across from the fire station and unlocked the back basement door for escape. When we were nicely ringing the bell a Mr. Jacob Hahn (undertaker) who was custodian of the church, came rushing from his home. When he entered the church from the front, someone promptly fastened the door on the outside. The bell ringers left by the back door and fastened that door on the outside. I think that Mr. Hahn spent a good part of that night in the church. Among the guilty ones on those occasions, many have gone to the Great Beyond. There were Harvey Rough, J. Needham, Skeet Rough, George and Joe Richards, H. Hanover, S. Hanover, F. Sanders, H. Batchelor, Clyde Dumbolton, and several others.

Those days are far behind, but reading your paper brings back fond memories, and I feel sure any of the boys who are still alive will freshen up old memories when they read this.

Yours truly, O. J. Benjamin

The Record is also indebted to Mrs. May Whitman for a copy of the Berrien County Record of Jan. 9, 1867, with an editorial shedding some light on the history of the paper. We will review this old paper in the next issue.

Chairman Stark Calls For Trucks

Gasoline Will Be Provided for Trucks Donated for Collection

A second intensive scrap drive is slated for Buchanan city and township on some date between Oct. 25-30 to be announced next week, according to the city chairman, Harold Stark.

Stark states that he wants as many volunteer trucks as possible for collection, in addition to the city trucks. The definite date will be selected according to the convenience of the truck donors. He stated that he could assure extra gasoline supplies for donated trucks would be available for the drive.

Mrs. Kelsey Bainton will be in charge of the drive in the township. Trucks will collect all salvage from farms in that township which farmers may have ready for collection. This is a part of a nation-wide drive for steel scrap for war production purposes and it is most urgent that all who can turn in salvage metal. The scrap will be weighed in at the Buchanan Co-ops scales as before. The government will pay for the scrap. It is expected that in the case of good scrap in which there is not too much sheet metal, about \$10 per ton will be received, with smaller prices for inferior mixtures.

Maroons Hold Viking Team to 7-7 Draw Here

Hope For First State of Victory at Coloma Thursday

The Maroons took their first step toward a victory Friday night when they tied Niles 7-7.

It was a large step because the Bucks had not previously beaten or tied the Vikings in several years. This time the Vikings could not lay a hand on Topash Metzger could not be stopped from plunging. The other backs cleared the way for the ball carriers. The Bucks completed five passes for a gain of 80 yards. The Niles eleven completed only one pass for ten yards. The game was very even all the way.

The Buchanan touchdown was made by a pass covering 30 yards from Topash to Blake, who crossed standing up. The point was made by another pass from Topash to Rifenberg.

The Vikings attempted to score in the third quarter. They were stopped by the fighting line and by Coach VanRyzin's new defense. J. E. Anderson tackled the ball carrier twice behind the line in this scoring attempt. The line carried the brunt in this game, Miller helped complete several of the passes. Voorhes played good ball also as a substitute for Blake.

The Niles touchdown was scored by a line plunge by Statler. The Bucks were on their way to another touchdown when the game ended.

The Buchanan team is hoping to break into the victory column when it plays Coloma Thursday afternoon. The starting line-up for the local team Friday was Miller; Broomey; Stoeninger; J. E. Anderson; G. Barnhart; R. J. Anderson; R. Blake; R. Grey; Topash; Rifenberg; Metzger.

Church Council Names Committees

The Buchanan Community Church council met in the Church of Christ Sunday afternoon and selected Mrs. Allen Pierce as delegate to the Michigan Council of Churches convention in Grand Rapids Oct. 25, 26 and 27. Elder V. L. Coonfar was elected alternate.

Committee appointments were made as follows: Program, Rev. Ira E. Long, chairman and Mrs. Earl Rizor, secretary; citizenship, Rev. Malcolm D. McNeal, chairman and Harold C. Stark, secretary, finance, Rev. Grant L. Jordan, chairman and Joseph Gross, secretary, welfare, C. J. Bradley, chairman and Mrs. Grace Shipley, secretary, education, Rev. Raymond H. Kretschmer, chairman and Mrs. T. E. VanEvery, secretary.

The needs of the community were discussed and referred to the committees. Among these were the re-establishing of economic security for servicemen, the need of counteracting vicious and harmful literature, the present need of combating racial prejudice here, Sabbath observance and the need of establishing religious contacts with people living in local trailer camps.

Earless Rabbit Is Rare Phenomena On W. L. Baker Farm

It's hard to think of a rabbit without ears, but that's practically what happened to a black bunny on the W. E. Baker farm, Fortage Prairie.

The rabbit, age nearly six months, hasn't got an ear, either to speak of or to speak into. Nor does he give any appearance of being conscious of noise. There are two very small openings representing what he has of ears, but one is almost on top of his head and the other is not in the orthodox place for his ear.

His parents are a black buck and a red New Zealand doe. He came with a litter of six, all black, and the other five well eared.

Jack Post, Quits C. E. to Work For Foremen's Assoc.

Jack Post, assistant superintendent of the River Street housing department for the past eight years, terminates his connection with the Clark Equipment company tomorrow, Oct. 15, to take up his duties as executive manager of the National Association of Foremen with headquarters in Dayton, O. He will spend much of his time traveling in the interests of the organization, but plans to make his home in Dayton. His work will be in the interest of improving the quality of industrial supervision in the United States.

Mr. Post served as president of the association during the past year.

Mrs. W. L. Mercer Dies in Minnesota

The following report of the death of a former Buchanan teacher, Mrs. William L. Mercer, is taken from the Oct. 4 issue of the Rochester Post-Bulletin, Rochester, Minn.

Mrs. William L. Mercer, Rochester resident 37 years, died in St. Mary's hospital at 5:15 p. m. Saturday following a brief illness. She was 72 years of age.

Formerly Charlotte Elizabeth Gardner, she was born in Hubbardston, Mich., April 15, 1870, spending most of her girlhood on a farm near Carson City, Mich., graduating from high school there in 1888. After teaching a number of years in rural and graded schools she entered State Teachers' College at Ypsilanti, Mich., and was graduated in 1897, completing academic, kindergarten and public school music courses.

She taught primary grades at Buchanan, Mich., for a year, and was married Aug. 15, 1900, to Mr. Mercer, who was superintendent of schools there. They came to Rochester in 1906. Mr. Mercer was superintendent of Olmsted county schools from 1907 to 1910. Mrs. Mercer was active in the choir and a worker in activities of the Methodist church until ill health restricted her work about three years ago.

Survivors are her husband and three daughters, Mrs. Robert Schenken and Miss Helen Mercer of Seattle, Wash., and Mrs. Carl Morlock of Rochester. A son died in infancy.

Funeral services will be conducted in the Methodist church at 2 p. m. tomorrow. Arrangements are by Earl Vine & Sons.

Scratch Your Head And See If You Can Remember Somebody

Mrs. J. C. Strayer, chairman of the Red Cross for Buchanan, asks that if anyone here knows of young men in military service, who went from Buchanan and who might be overlooked on Christmas because of lack of immediately interested family connections, they turn such name and address in to her and the Red Cross will send packages specially prepared for such cases. Now everybody scratch their heads and see whether they can't remember such a case.

Dr. G. L. Tenney, Noted Musician, Comes to Buchanan

The Buchanan community received two notable additions recently in the coming of Dr. and Mrs. George L. Tenney, both musicians of long repute in the Chicago area, now living at the home of their daughter, Mrs. Walter Boylston, north of Buchanan, while their new home is under construction adjacent in the Fernwood residence tract there.

Dr. Tenney had spent the past three years at Lakeland, Fla., where he was professor of Latin and English and dean of the College of Music at Florida Southern college. For 30 years he was a member of the faculty of Lewis Institute (now the Armour Institute) in Chicago, and during that time was director of music in the large new Congregational church in Chicago. His wife was soprano soloist in that church.

During the Chicago Century of Progress Exhibition in 1933-34 Dr. Tenney was chairman of a chorus of music, directing the 6,000 voices which sang Handel's "Messiah" in the Court of States. At the request of Mayor Kelly he directed the music for the pageant of Chicago on Parade, produced during the Century of Progress before an audience of 100,000 at Soldier's Field.

For 30 years he has spent his summers at his 3,000 acre ranch near Grover, Colo., where he has held a summer school of music for music lovers from all parts of the country. Dr. Tenney still retains some of his Chicago music connections. He and his wife will be very distinct assets to the circle of music lovers at Buchanan.

Mr. Howard Nash of Oak Park, Ill., came Saturday to spend a week with her parents, Mr. and Mrs. Fred Welsh.

Stark Inducted As Legion Commander

Harold C. Stark was inducted as commander of Ralph Rumbaugh American legion Thursday night during a meeting in the legion home. He succeeds Joseph Malvin. The installation was conducted by Carl Schrupp, Niles.

Other positions were taken by Oscar E. Swartz, first vice-commander, Arthur Johnston, second vice-commander; LeRoy Phillips, adjutant, Lloyd Shire, finance officer, Rev. David Lehr, chaplain; Thomas Burks, sergeant-at-arms; Harry Zupke, historian; and M. H. McKinnon, welfare officer.

Mr. Stark will appoint his committee chairmen during the meeting Oct. 21.

S. B. Attorney to Talk to B&PW Club

Attorney L. M. Hammersmith of South Bend will be the guest speaker at the annual public affairs dinner-meeting of the Business and Professional Women's club to be held Monday evening in the Methodist church. His theme will be "Living on the Home Front."

The dinner will be served in the church parlors at 6:30 o'clock by the women of Mt. Tabor grange. Mrs. Nellie Boone is chairman of the committee on arrangements. Assisting her are Mrs. Roy F. Wright, Mrs. Emmi Reinke, sr., and Miss Catherine Wynn.

Mrs. Edith Willard Named Delegate to War Mothers Meet

Mrs. Edith Willard was selected as delegate to the national convention of Mothers of World War II, in Gary, Ind., Nov. 2, 3 and 4, by members of the Buchanan unit. No other than the regular meeting in the American legion hall Wednesday evening.

The group discussed arrangements for the bazaar to be held in the Sands building Oct. 23, 29 and 30. A baked goods sale will be held on the last day. Mrs. Kelsey Bainton is general chairman.

Mrs. Robert Russell, president, reported that the unit had 45 pounds of old silk hose to ship to the servicemen's hospital at Marion, Ind., which disabled soldiers will use in making rugs.

The unit is invited to attend a meeting of Bayleat Rebekah lodge Nov. 19 to hear Miss Lois Ann Baker of Grand Rapids, O. P. A. representative, who will discuss rationing problems.

The committee for the Oct. 20 meeting includes Mrs. Herman Rizor, Mrs. Ira Snider, Mrs. John Luke and Mrs. Ivan Dalrymple.

Meth. Society to Present Playlet

A playlet "The Dollar Speaks" will be presented at the October meeting of the Methodist Women's Society of Christian Service Wednesday afternoon, Oct. 20, in the church parlors, under the direction of Mrs. A. S. Boyer. The cast includes Mrs. J. R. Sample, Mrs. Spencer C. Gibbs, Mrs. Boyer and Mrs. O. Glenn Haslett. Mrs. Earl Rizor, president, will preside at the business session. Rev. Grant L. Jordan will conduct the devotional service.

The social hour committee includes Mrs. Clarence Coleman, Mrs. Archie Morley, Mrs. Maynard Martin, Mrs. W. J. Runner, Mrs. F. Clinton Hathaway and Mrs. Lowell O. Swem.

Mrs. Edward Vinson returned from South Bend Saturday after spending several days with her daughter, Mrs. Earl Tuttle, and her grandson, Donald A. Tuttle, of Drexel college, Philadelphia, Pa., who was home on furlough.

Jack Post, Quits C. E. to Work For Foremen's Assoc.

AN APPEAL TO FARMERS!

Following is a copy of a letter just mailed to 8,500 Berrien and Cass county farmers by Clark Equipment Company of Buchanan

Buchanan, Michigan
September 30, 1943

Dear Mr. Farmer:

You will be interested to know the Clark Equipment Co. is experiencing a serious manpower shortage and is soliciting the services of every available able-bodied male farmer or farm laborer during the Fall and Winter months. The Ordnance Department classifies this Company as "vital" to the War effort, and we have gone to far-distant communities to recruit help to carry on our essential production, but the results have not been sufficient to meet our need. Therefore, we are approaching the people in the home community with a special appeal to give us a hand in supplying the vital material for the boys in the armed forces.

It is not necessary that you have any prior shop experience. Applicants will be paid liberal starting wages and up-graded immediately to higher skilled jobs—depending upon their aptitude and willingness to do the work.

The Clark Equipment Co. has met jointly with representatives from your County D. A. War Board and the War Manpower Commission and all parties have agreed upon a plan whereby the D. A. War Board will release farm help to industry during the Fall and Winter months. Your Draft Board has been informed of the plan and is 100% cooperative in permitting you to keep your farm deferment classification while working in industry until the farm work starts again in the Spring.

We hope you will be interested in helping us and that you will contact your County D. A. War Board for a limited release from Agriculture, and then report to the U. S. Employment Service having jurisdiction over your County or Township for an Inter-Area Clearance and referral card to this plant. The County or Townships and their controlling U. S. Employment Service office are listed for your convenience.

All Cass County residents and residents of Berrien County who live in Chikaming, Weesaw, Three Oaks, Galien, New Buffalo, Oronoko, Berrien, Buchanan, Niles or Bertrand Townships are requested to apply at the Niles, Michigan, office for a referral card.

Those residents living in other townships in Berrien County will apply at the U. S. Employment Service, Benton Harbor, for an Inter-area Clearance before calling at the plant.

Please call at our plant employment office between 8:30 A. M. and 5:00 P. M., Monday thru Friday; or 8:30 A. M. to 12 o'clock noon on Saturday. If it is not convenient to call, please fill in the enclosed postal card and return it to us promptly. No postage is required. We are looking forward to your call.

Very truly yours,

GOOD HEALTH NOW IS PRACTICAL PATRIOTISM

*Do you want to help win the War? Why, of course! And here's one way you can render a practical service—Get Well—and Keep Well! Guard your health—first, because the nation needs your energies and efforts; second, because there are now fewer Physicians to serve us, and we must conserve their precious time; third, by bringing prescriptions here for accurate compounding from our large stock of fresh, potent drugs.

Wisner's Corner Drug

600 Miles Month Is Requisite For Tire Eligibility

Eligibility for new passenger tires (Grade I) is now restricted by the office of price administration.

tion to "C" book drivers with a mileage of 601 or more miles per month.

This removes from new tire eligibility all "B" drivers and some book holders. Previously all car owners whose mileage totaled 241 or more miles a month could obtain ration certificates for Grade I tires—pre-war or new synthetic.

The new restriction is necessary, OPA explained, to assure that the supplies of new synthetic tires for passenger cars is bridged successfully.

This action is regarded as temporary, but the date when eligibility can be broadened will depend on efforts now being made to produce new synthetic tires for passenger cars in quantity and on the care that is taken of present tires.

Used tractor and implement tires have been removed from rationing to encourage the full use of our supplies of farm service tires in vital food production, the Grand Rapids district OPA announced.

Present regulations requiring a rationing certificate for new and used tractor tires have held back the desired flow of used farm service tires from dealer's stocks, OPA has determined. Farmers who obtain certificates for a tire

have preferred, as a rule, to purchase a new tire rather than a used one. Reports indicate that, as a result, the movement of used farm tires has been insignificant.

Removal of rationing restrictions is expected to expedite moving these tires into service.

Need Protein
Young, growing animals require a high percentage of protein in their rations in order to make rapid increases in weight. Nursing mothers, milking cows and laying hens need relatively large quantities because of the amount of protein needed for the production of milk or eggs.

Use Arsenicals With Care
Arsenicals should not be used on brussels sprouts, broccoli, or cauliflower after the edible parts begin to form, or on leafy vegetables such as kale, swiss-chard, beet greens, and lettuce.

Yanks Hunt Little Men Who Weren't There

For the first time in this war, Japanese forces fled from a base without offering any resistance, and American-Canadian troops took over the Aleutian island of Kiska pictured above. This victory frees the North American continent from an immediate Japanese threat. The enemy at one time was reported to have 10,000 troops on Kiska. As in the Stelhan campaign, the area was shelled and strafed heavily by ships and planes. On 15 occasions naval surface units stood off shore and poured 2,300 shells into Japanese positions. Within 14 days various types of Allied planes raided Kiska 106 times, subjecting Japanese forces to the heaviest bombings carried out against them so far.

Busy River
Rated as one of Germany's busiest rivers, the Wupper flows to its junction with the Rhine at Opladen. It turned many water wheels, ground flour, powered local factories. Several reservoirs make provision for drinking water, supply hydro-electric installations for the great industrial centers. The Wupper is not navigable, has no port.

Languages Compared
The British and Foreign Bible Society of London reports that whereas a verse in the third chapter of St. John runs to 15 words in English, 51 are required for it by the people of Burra who speak Kachin.

Noise Used as Cure For Shell-Shocked

Blast Ears With Recordings Of Heavy Air Raids. ST. LOUIS - The "crash-conditioning" of Britons shell-shocked in air raids by subjecting them to additional noise was described to members of the Southern Medical association.
The idea of blasting the ears of persons who already are psychopathic and confined to hospitals may be fantastic. But it works. It didn't work, however, on a group of people who heard for the first time the whine of dive bombers, the shrieks of falling bombs and the blasts as they struck. The sound picture of what modern air war is like made women faint and men shudder or get up and leave.

B. & P. W. Joins In National Week Of Organization

Local Organization Active in Community Betterment and War Work. The members of the large and active chapter of the Business and Professional Women's Clubs in Buchanan are giving special attention this week to the national theme of the organization, "Living on the Home Front."
The observance is being held in connection with the annual Business Women's Week, now being celebrated by the organization over the United States. While primarily devoted to the improvement of the status of women in business life, the B & P W Clubs have a very vital role to play in the social welfare of the country. They are now engaged in large programs of work and post-war study.

Irish Potato Mismamed

Doubly mismamed like the guinea pig, which is neither pig nor from Guinea, the Irish potato is neither potato nor from Ireland. Thriving in cool climates at the northern limit of agriculture, it was first discovered growing almost on the equator in Peru. Its Spanish discoverers called it "papas." "Batatas" was their name for what is now known as the sweet potato, which is thus the original bearer of the potato name.

... tomato with crabmeat at The Mayflower

GOEBEL BEER

NATIONALLY FAMOUS FOR FINE FOOD

NATIONALLY FAMOUS FOR GOOD TASTE

In the Nation's Capital, Mayflower cuisine is a highlight for presidents, cabinet members, visiting statesmen and for Americans from coast to coast. Tomato with crabmeat is among the dishes that are first selections by people who dine in the Mayflower's luxurious Presidential Dining Room.

There is another taste that quickly became a first selection with Americans everywhere... the good taste of Goebel Beer. Wartime restrictions limit the quantity of Goebel now available, but they have not changed its taste or quality. For nationally famous good taste at its all-time peak, order Goebel Beer.

THE MAYFLOWER
Recipe for Tomato with Crabmeat
For eight tomatoes, take two cups of select crabmeat. Season with a half-tablespoon each of lemon juice and tarragon vinegar, two tablespoons olive oil, salt, pepper and Worcestershire sauce to taste. Mix gently but chopped, a teaspoon of chopped chives and two tablespoons of sweet pickle relish. Refrigerate.
Peel and scoop centers from ripe tomatoes. Just before serving combine a half cup of mayonnaise and fill tomatoes. Sprinkle with finely chopped hard-cooked egg and paprika. Serve chilled.
