Bucks Give Niles A Rough Time For Four Quarters

If Buchanan's Battling Bucks proved only one thing Friday night, it was, that they will be a team to be reckoned with in the Blossomland conference this year.

Unfortunately, though for the Bucks, four weeks of hard work and preparation, and four quarters of very good football, were not enough to register a win on Memorial Field Friday night. This year, as last year, Buchanan and Niles fought to a one touchdown tie at the end of regulation time, only to have Niles prevail in the overtime 13-7. Niles had entered the game as a pre-season pick to finish second in the tough Big Seven conference.

The overtime, which was put into effect in Michigan football two years ago, started off on the wrong foot for the Bucks again this year as they lost the toss. The team which wins the toss is able to elect to go on defense first, and statistics show that in a large majority of the games played under Michigan's overtime system the team on defense first is the winner.

The Bucks, who were given four plays to score from the ten yard line were unable to move the ball at all during the first three plays. Faced with fourth down and twelve yards to go for

a touchdown, they elected to go for the field goal. Bryan Virgil's 29 yard soccer-style attempt sailed just wide to the right.

Niles then took over on the ten yard line with any kind of score enough for the win. They didn't waste any time, as junior full-back Terry Thomas took advantage of a Buck defensive mix-up to score on the first play from the ten yard line.

All of the scoring during regulation time had come during the second half with Niles getting on the scoreboard first. The Vikings put together a 47 yard drive climaxed by Thomas' first touchdown run of the night from three yards out. Two key fourth down plays highlighted the drive, with the Vikings successfully converting a fourth down and one from the 24 yard line, and a fourth down and two from the 5 A measurement by the referees was taken on the second fourth down situation, only to show a first down by inches. A timely facemask penalty gave Niles a big break during the drive. The infraction changed a third and 16 situation to second and six.

It was the Buck defense, which was strong throughout the game, that was responsible for setting up Buchanan's only score. They forced a fumble by Tom Donley, the game's leading rusher, deep in Buchanan territory. The fumble

was picked up at the goal-line by Willie Brown, who after getting a couple of early blocks, outraced everyone to the end zone. However, a very questionable clip was detected on the 15 yard line as Brown was joining the 17 yard penalty put the Bucks back on the 30 yard line.

However, Buchanan and Brown were not to be denied. Eight plays later, Willie, who gained all thirty yards in six carries, took the ball in from the three yard line. Bryan Virgil added the extra point to tie the game at 7-7 with less than five minutes remaining.

Virgil's kickoff, which sailed over the head of the Niles deep man and into the end zone, gave Niles the ball on their own 20. They were unable to get a drive going and were forced to punt to the Bucks, who ran out the clock, setting up the overtime.

The first half was a battle of the defenses and kicking games. "Our defense and kicking game kept us in the game during the first half," commented Buchanan coach Dave Shoemaker. Shoemaker expressed disappointment with the offense, which was unable to move the ball at all in the first half. "We weren't getting the job done blocking-wise. They were very quick on defense, and we had trouble sustaining our blocks all night," added Shoemaker.

Shoemaker couldn't say enough about his defense though, citing the entire group as doing a "great job." There can be no doubt about that from anyone who saw the game. The entire group did play outstanding football. Barry Manley and John Donley did very good jobs at defensive end. "JD" was the Buck's leading tackler with 16, while Manley, who was moved to end from safety only two days before the game because of injuries, made the switch remarkably well. Bart Vergon, Richard Sanford, and Eddie Smith kept the middle clogged up all night, with Sanford, finishing the game with 13 tackles, second on the team. Bryan Virgil, Larry Granger, and Robert Luke made the big plays all game at linebacker, with Virgil and Granger making 11 and 10 tackles respectively. Jo Jo Kyles, Willie Brown, and Kevin Vanderbush kept the Vikings from any big gains with their defensive secondary play. Vanderbush, playing his first game at safety, came up with a big first half interception, which he returned for 44 yards.

Coach Shoemaker will be working this week on maintaining that strong defense, while improving the offensive execution, in preparation for the Buck's Blossomland conference opener.

School Financial Shape Is Weaker

Laurie Nelson, a student at high school, appeared before the Buchanan board of education with some questions. She wanted to know if high school sports were self supporting and if they pay for their own equipment and salaries for the coaches. She then wondered why other extra curricular activities don't receive financial help from the general fund. She wondered why the girl athletes had to share uniforms, who pays for the tennis team to play at the Raquet Club and the green fees for the golf team. She wanted to know why the male athletes have a special dressing room while those participating in other activities do not. She wondered if a special area under the auditorium couldn't be made into a dressing room for theatrical performances. She also wanted to know if it was true that school field trips were being limited to a thirty mile radius so that the football team could get new helmets at \$50 each. Miss Nelson also wanted to know why Buchanan wasn't in the National Honor Society.

One of her main questions was answered at the end of the meeting when the school audit was reviewed. It was revealed that the 1975 expenditure for athletics had been \$40,720 of which \$14,345.84 was raised by gate receipts at various activities. The cost included the part of the salaries apportioned to coaching. It was noted that basketball was the only self-supporting sport.

The reason given for limiting field trips to 30 miles was economical, not directly related to the football helmets. The idea of more space for the drama department had been discussed but rejected because of cost. Other questions raised were promised more specific answers.

The school auditors were present to discuss the whole audit and revealed that Buchanan, like so many other school districts, is in a serious position as far as its general fund is concerned. A deficit in the fund equity limited the school's amount of cash to begin with. The board was told what they already know, that they will have to pull in their horns financially.

For the year ending June 30, 1975, the school district received \$2,801,230, over 61 percent from local sources. Of that amount \$1,985,332 was spent for instruction. This was up from \$1,783,194

Pupil transportation was up from \$137,145 to \$156,875. The cost of operating the plant went from \$234,836 to \$293,991.

During the meeting some inactive accounts in the activities fund including some non-existing clubs, were eliminated from the books.

It was decided to sell Howe School. A resolution was unanimously passed in which the school will request bids for it and its four acres of land. The bids will be received on November 10.

The board ratified and signed a new contract with the Buchanan Association of Educational Secretaries. Mrs. Marilyn Smith and Mrs. Mary Heney signed for the association.

Gail Bush, who had been ill last year, asked for early graduation. The board waived the 8 semester requirements providing she completes her necessary credits, so that she can graduate in June.

It was voted to pay \$250 in dues to the National School Board Association. The board ratified the teaching staff which this year consists of 133 people.

A report from William Fischer on the elementary summer school program indicated that interest was waning and suggested that the board take another look at the program before next summer.

Ellis May reported on a successful summer program for special education, which receives county funds.

Emergency Ambulance Service To Cease

On Tuesday the Gold Crown Ambulance Service in Niles notified the city of Buchanan that it was discontinuing any emergency calls effective November 17. They gave economics and the difficulty of collecting fees as the main reason. They will still continue to handle routine cases such as transferring patients from nursing homes to hospitals.

City manager Robert Faulhaber said that the city commission is already working out some arrangement for service for Buchanan, and he assured Buchanan residents that the city will not be without emergency ambulance service.

Tanks Stolen

Lene Mollberg reported that on Sunday somebody stole two tanks used for welding from the construction site on Front Street. The value of the tanks and gauges is \$250.

A Businessman Would Be Better

Congress recently passed an education bill and last week overwhelmingly overrode the President's veto. Voting against an education bill would be politically unwise, much like attacking motherhood.

Thus an \$8 billion boondoggle was enacted. Now school districts around the country will scurry around to find ways to spend their windfalls. In many cases they'll have to invent new projects so that they'll be sure to get what's coming to them.

During the proceedings, the powerful education lobby sat in the galleries and cheered. Well might they because they've again been successful in spending somebody else's money for their own purposes.

At the same time teachers in New York, fully aware of the precarious financial situation in that city, go on a strike which will cost the city untold millions more. To rub it in more, they've been doing their negotiating at the Plaza Hotel at taxpayer expense.

In Chicago, where starting teachers get \$10,000 for nine months' work, the teachers are wanting more. They apparently haven't heard that the inflation, which is killing off businesses one by one, is continuing to spiral. They don't know that there's a recession in most of the country.

Congressmen recently voted themselves a big fat raise to keep up with the inflation they are creating. As the nation's budget deficit mounts they are interested in protecting their own income and allowing everybody else's savings to go down the drain.

It might be well if we started to elect some men and women with business experience. Few people in Washington these days have been exposed to the tremendous problems. Instead of electing men who were movie actors, lawyers, teachers or priests before they got the political bug, it might be better to elect men who had been purchasing agents, shop foremen, or retailers. It's obvious that the people in Congress who have been consistently advocating spending as the only way out of the recession don't know much about economics.

Here are Buchanan's three semi-finalists for the National Merit Scholarships: David Habicht, Laurie Nelson and Tom Trull.

Tom is majoring in chemistry with a minor in psychology. He has been president of student government.

Laurie majors in dramatics and has been president of the drama club. She also has participated in forensics and debating.

Dave has been majoring in biology. He's been active in high school dramatics, student government and various athletics.

Three Are National Merit Semi-Finalists

The principal, Dr. Walter A. Vanderbush, has announced that Laurie Nelson, David Habicht and Tom Trull at Buchanan high school have been named Semi-Finalists in the 1976 National Merit Scholarship Program. These students are among 15,000 who will continue in the competition for about 3,800 Merit Scholarships to be awarded next spring.

Over 1 million students from more than 17,000 high schools entered the 1976 Merit Program by taking the 1974 Preliminary Scholastic Aptitude Test - National Merit Scholarship Qualifying Test (PSAT-NMSQT). The Semi-Finalists are the highest-scoring students in each state, the number named in each state is proportional to the state's percentage of the nation's graduating high school senior class. The Semi-Finalists, most of whom will complete high school and enter college in 1976, represent the top half of one percent of the nation's most academically talented young people.

To continue in the competition, Semi-Finalists must advance to Finalist standing by meeting a number of requirements that

include being fully endorsed and recommended for scholarship consideration by their secondary school principals, presenting school records that substantiate high academic standing, and confirming their high PSAT-NMSQT scores with equivalent scores on the Scholastic Aptitude Test (SAT). Over 90 percent of the Semi-Finalists are expected to qualify as Finalists and to receive Certificates of Merit next February. All winners of Merit Scholarships are chosen from the highly able group of Finalists.

Every Finalist competes for one of the 1,000 National Merit \$1,000 Scholarships. A Finalist competes with all other Finalists in a state for the scholarships allocated to that state. The allocation procedure is the same as the method used to name Semi-Finalists. The National Merit \$1,000 Scholarships are one-time, nonrenewable awards supported by business and industrial sponsors and by NMSC's own funds. A Selection Committee of professionals in college admissions and counseling is convened to select the 1,000 winners nationwide.

Finalists who meet the quali-

cations that sponsors of four-year Merit Scholarships designate for winners of their awards will also be considered for about 2,800 of these awards to be offered in 1976. The list of sponsors includes corporations, foundations, colleges, unions, and professional associations. Depending upon the minimum and maximum value established by the four-year Merit Scholarship sponsor, a winner may receive up to \$1,500 (or more) during each of the four college undergraduate years.

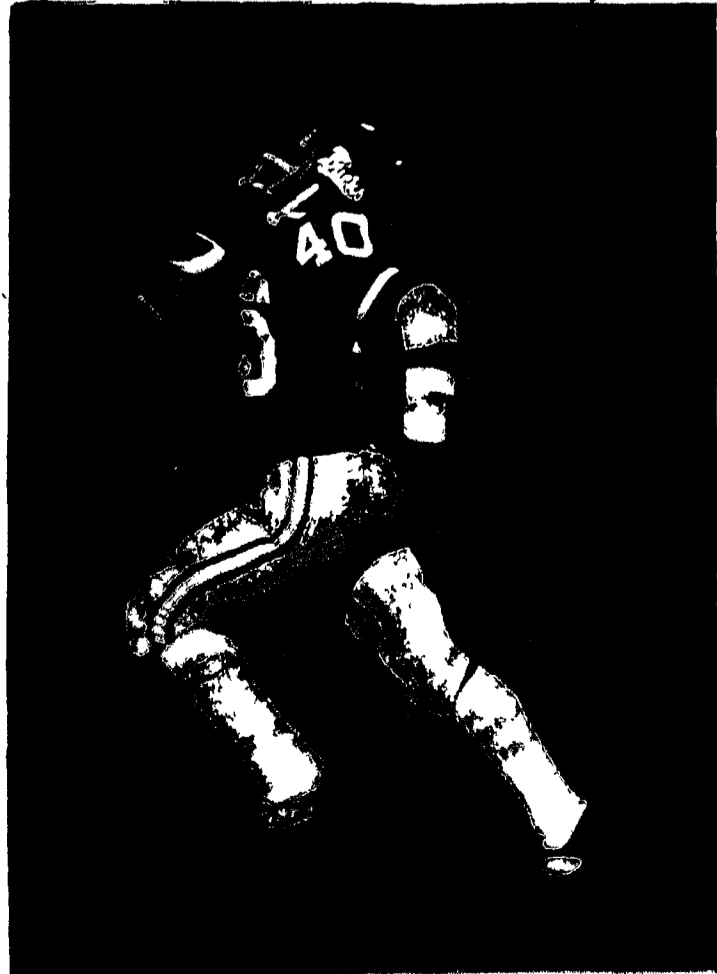

The 1976 competition is the twenty-first NMSC has conducted since 1956. In the twenty annual Merit Programs completed to date, over 41,800 students have won Merit Scholarships valued at more than \$113 million.

NMSC will release the names of Merit Scholarship winners through the news media in three public announcements in 1976. Winners of corporate-sponsored four-year Merit Scholarships will be announced on April 8, winners of one-time National Merit \$1,000 Scholarships will be named on April 22, the announcement of college-sponsored four-year Merit Scholarship winners will be made on April 29.

Monday night Stark PTO had a meeting at the school with a large crowd present. Following the short business session parents had an opportunity to visit the classrooms and meet the teachers. During the meeting the PTO presented this bicentennial flag to the school.

From left to right are Mrs. Robert Lanier, Stark third grade teacher, who helped obtain the flag; Duane Hellwig, PTO president; Mrs. Jerry Scroggins, secretary-treasurer; Mrs. Don Scroggins, vice president; Stark president William Fischer and Mrs. Don Holmes, teacher vice president.

To the City

We the undersigned feel that if the city of Buchanan wants Clark employees to confine their parking strictly to the Clark lot, then we shall also confine our "business" strictly to Clark Equipment. The revenue initiated to the city of Buchanan from said employees shall be withdrawn. We feel this move was directly aimed at us, since the 2 hour parking is from 8:00 a.m. to 5:00 p.m. Monday thru Friday and the parking lot meters were reduced from 4 hour to 3 hour parking.

If we aren't "good enough" to share the city facilities, then we aren't good enough to help support the city either!

Dear Editor,

Once again football time is here and I would like to make a complaint that I'm sure many people will agree with.

Most people at a football game know and appreciate how hard our team and their coaches work. They know it takes hours of practice and a lot of discipline for them to perform as well as they did last Friday. They did an excellent job and most of the

fans there gave them their courteous attention and support, as they well deserved.

Now, a very important part of any football game is the Band, and I think it's about time the same courtesy and appreciation is shown our fine Buchanan Band.

For years I have gone to games and been forced to put up with people talking, loud and long, through both pre-game and half-time performances. Don't you people realize that the band works as hard, in their way, as the football team. They also put in many hours of hard, hot practice, which, takes a lot of discipline, as they can perform as well as they did Friday night. Most of all can't you people realize that some people like to hear them and if you don't, don't run it for others with your loudness.

I overheard the remark made at the game that the Niles Band sure made ours look small. I think when the truth was all told they made our band look pretty big. In spite of the ridicule and name calling by the Niles Band, our band still behaved like the disciplined, well-mannered unit they usually are, which is a credit to Buchanan High School and to Mr. Morse, who should be

congratulated on his hard work. In the future, let's see a little more appreciation and a lot more courtesy to these young people. Please, pay attention when they perform and give them the recognition that is long overdue.

I like the thing about your "mayor." He comes to Michigan because of his belief that the world ends at Chicago city limits, and he wants an out of this world vacation.

He also believes that most people in the area have recently moved out of log houses into more up to date affairs.

After Fred (killer) Burke shot and killed a Benton Harbor officer Burke's neighbors were able to produce a picture for St. Joe Herald Press. Our neighbor Lous Fedore, age 65, stated that Burke had twice talked with him as he worked near the road. Fedore was not good at knowing cars but perfect at knowing faces.

I am practically age 64, and you can pick ten men like yourself and compile ten or more photos of any and all eras of history. I can beat all ten as for example, Casey Jones drove a slide valve 1900. Some early compounds had valve controls going in on front side of piston as shown in photo page two.

I can tell you the approximate time of installing gates by checking on death of two boys from south of town.

I mean crossing gates. In matter of Mayor, he does not know that cost of troops from Fort Knox and from Fort Carson, 1968 was paid for out of Chicago funds, was given out over radio.

Veterans Groups

To Meet

Veterans of World War I Barracks 1093 and the Ladies Auxiliary will be hosts this Saturday to the 4th District World War I Veterans and Auxiliaries at the Niles Legion Post 26. The potluck dinner will start at 12 noon.

The following day, September 21, is the regular meeting of Barracks 1093 and the Ladies Auxiliary with the potluck dinner at 12:30 at the Niles Legion Post 26. Special business meeting will be conducted by Commander Howard Cornwall and auxiliary president Joanna Davis.

Serving on the kitchen committee are Sylvia Ochenryder, Alice Buchanan, Eula Stout and Lena Schantz.

Merle Cook has been busy arranging displays in his new appliance store in Buchanan. In charge of sales in this store will be Jack Wynn who worked 18 years at Wisner's Drug Store.

Brownie Troop 83 To Start October 7

Brownie Troop 83 of Indian Hills School has a new leader this year, Mrs. Tom McBain, who will be assisted by two new co-leaders, Mrs. Conrad Larson and Mrs. Robert Gunn. Mrs. Dale McBain has agreed to serve as the new committee chairman when needed.

The Indian Hills Community Club P.T.A. sponsors Troop 83, paying all the adult registration fees, and appreciation has been expressed by the new leaders. Last week the troop has been registering girls from first, second, and third grades. Any girl not yet registered, may still do so by attending the day of the first meeting bringing her \$2 registration fee.

The meetings will be held in the gym after school on each Tuesday from 4 to 4:45 starting October 7 unless the girls are otherwise notified.

All parents are asked to arrange in advance to pick up their daughters on time. Each Brownie is to pay 25 cents a week dues, whether present or not, to cover patches, pins, supplies, special picnics and trips. If preferred, dues may be paid monthly.

On September 25 the Mt. Tabor Home Extension Group will meet at the home of Mrs. Earl Derflinger. A potluck dinner will be served at 11:30.

The Rychly and Conn families have returned from a week vacation in Canada. A highlight was seeing Shakespeare's play Twelfth Night, performed in Stratford, Canada.

On Sunday, September 7, ten were received into membership of the Oronoko United Methodist Church. Darlene Davis, Faith Libby, Dorothy Mattern, Kathy Phiscator, Kim Taylor, George Batchelor, Mrs. Lenna Burks, Harold Nieb, and Frank and Carol Pissarsky.

On the 14th, Rev. Robert Strauss administered the rites of baptism to Sasha Rene, daughter of Mr. and Mrs. Brad Batchelor, Susan Marie, daughter of Mr. and Mrs. Jim Jesse, Timothy Bryant, son of Dr. and Mrs. Donald Anderson, and Bruce Allen and Jeffery Michael, sons of Mr. and Mrs. Frank Pissarsky.

Rev. and Mrs. Bill Blake have returned from their mission station in Brazil. On Sunday the 14, they gave a slide program at the Hills Corners Church where a food shower was also held. They will be living at 404 Days Avenue, Buchanan.

Mrs. George Haag, and Mrs. Bill Blake are patients at Pawating Hospital. Roxanne Young is at Memorial Hospital, St. Joe. Alice Gunn was a patient at Memorial Hospital, South Bend.

A lesson on Stretch and Sew Fabrics was given by Mrs. Susan Morley when the Modern Mothers Home Extension Group met on September 9 in the home of Mrs. Roger Davis. On the 13th, 22 members and guests journeyed to Wakarusa, Indiana, for a delicious Amish dinner in the farm home of Mrs. Enos Ramer.

The choir of the Oronoko Methodist Church will begin its weekly practice tonight, Thursday, at 7:30. All who enjoy singing are urged to come. Mrs. Robert Gunn will be organist-director.

Something new has been added to our passbook savings...

25%

more interest
-and it's earned on a daily basis

October 1, ICB will start paying 5% interest to give you a 25% raise on your passbook savings. And this new, higher, annual interest rate will be earned on a daily basis, from day-of-deposit to day-of-withdrawal, to put even more dollars in your pocket.

For example, during a quarter if you have \$300 in your regular savings account, then for a week you withdraw \$250. to bring your balance down to \$50. Many banks would give you credit for having only \$50 in your account for the entire quarter, because they figure your interest on the low balance. But ICB would credit you with the interest on the full \$300

each day it's in your account. . . and on \$50 for just the one week. So our daily interest credits you every day for every dollar you save.

Why should you be penalized when you need to use your money? Withdraw it when you need it. . . put it back when you don't.

So bring or mail us your authorization form, recently mailed to you, because we can't convert your passbook savings to 5% until you do.

And, if you presently don't have a passbook savings account at ICB, now's an excellent time to establish one, so your money can work harder for you. As little as a dollar opens your account. . . bank and save at ICB, the action bank.

Rev George Hartman of Kalamazoo, will be the guest speaker for the morning worship service. Sunday School follows at 11 a.m. A carry-in dinner is planned following Sunday School. The Annual Charge Conference to be held in the afternoon following the dinner.

The Christian Pals class will be sponsoring a square dance in the home on the former Don Wagner farm on West Bertrand Road on September 27.

The Portage Prairie Home Study group will meet Wednesday, September 24 with Mrs Arthur Covault as hostess. A luncheon will be held at noon. The new officers will take over at this meeting. Mrs W F Frehammer is chairman and in her absence Mrs Arthur Covault, vice-chairman will have charge of the business meeting at 10:30. Mrs Herb Young is secretary and Mrs E J Whitfield is treasurer.

Golden Age Club
Last Friday the Golden Age Club met at the Niles-Buchanan YMCA with 35 members and one guest present. Bruce Walter and Larry Mattox of Commercial National Bank spoke on depositing social security checks. Plans are being made for a bus trip in the near future. The next meeting will be a 1 o'clock potluck on September 26 when members are each asked to bring a guest.

Junior Achievement advisors are presently undergoing training in a series of three evenings with Clyde Remmo (left), director of Four Flags JA, to prepare for the starting of this year's activities at the JA center on Bluff Street. Advisors shown are (l to r) Pat Bishop, Jose Pimentel and Tom Seager, all from Clark Equipment Company with Joe Hren of National Standard standing in front of them. JA recruitment of students at Buchanan High School will begin September 22 and continue all week. Other schools taking part in Four Flags are Niles, Brandywine, Galien, River Valley, Berrien Springs and Andrews Academy. JA provides the young people who participate with an opportunity to personally experience all phases of business.

At The Library
Ragtime
By E.L. Doctorow
This is one of the current best sellers. It's a strange book. It deals with a nameless family in which the members are called "the boy" or "the Younger Brother." Later the boy meets the girl.
Various characters keep drifting through the book. Harry Houdini makes several appearances, and there is a great deal about Evelyn Nesbit and Harry Thaw. Emma Goldman makes a brief appearance, although the fictional part is that she ever had anything to do with Evelyn Nesbit. There's also a strange encounter with J.P. Morgan and his attempts to get Henry Ford to go to Egypt with him.
There is something like a dream connected with the whole book which has little plot and no real conclusion. The author is currently a professor, so he's too young to have known Houdini or Harry Thaw, so the book can't be autobiographical.
Anyway, good or bad, it's certainly different.

Post Office Trying To Improve Service

A nationwide Consumer Service Program designed to improve and broaden the quality of mail service was announced today by Postmaster Gordon Mangold.
Beginning October 1, 1975, the U.S. Postal Service will introduce a program at the Buchanan Post Office and other offices across the nation to encourage mail users to register problems they may have with their mail service.
At the core of the program is a consumer service card, through which problems are identified and which postal managers attempt to expeditiously resolve.
The Consumer Service Program reflects Postmaster General Benjamin F. Bailar's determination that mail services to the public will be "friendly, courteous and efficient," as well as speedy and reliable.
"Good service is a far broader concept than just fast mail handling as important as that is," the Postmaster General says. "It is also built on employee courtesy, our responsiveness to customer needs, the sympathy and understanding we bring to your own expectations of what good postal service is all about."
Postmaster Mangold urged customers in Buchanan to bring their injuries and complaints to the attention of postal managers. And if people feel their problems have not been properly handled, the Postmaster said, they should see him personally.
To make it easier for a customer to make a suggestion or complaint about postal service, the new consumer service card will be available from letter carriers and at post offices.
According to Postmaster Mangold, the card is two postal cards with carbon paper between them. "One copy goes to me or a station superintendent so work can begin on the problem," he said. "The other goes to Postal Service Headquarters in Washington for cataloging and analysis. The cards will help management spot problem areas and trends and take corrective action if necessary."
The Consumer Service Program was tested earlier this year in Illinois, Massachusetts, Arizona and Rhode Island. Postal Customers in the test found the cards easy to complete and most complaints were resolved to the customer's satisfaction.
The card should take no more than two minutes to fill out. The postmaster also said he and his staff are willing to discuss any problems including lack of courtesy, irregularities in deliveries or collections, collection box convenience and postal office hours.
"We want you to come to us with your problems," concluded Postmaster Mangold. "The whole point of this service program is to bring your problems and gripes out into the open where we can attempt to resolve them."
Preschool Sessions To Start Wednesday
The Art and Story Hour for preschoolers begins Wednesday, September 24. Two sessions are planned at the United Methodist Church, 9:30 to 11 and 1 to 2:30. The ten week program is sponsored by the Buchanan Community Education Program.
Mrs. Judy Bever will instruct the 3 to 5 year olds, giving them an opportunity to meet and talk with other children, listen to well-read stories and act them out and also learn to use pencils, crayons, powder paints and finger paints.
There is no fee, but enrollment is limited. Call 695-2771 extension 37. While the youngsters enjoy their activities, their mothers will have a program planned for them.

Fernwood Craft Show Saturday And Sunday

The weekend of the Arts and Crafts in Action Fair is here! Saturday and Sunday afternoons from 1 to 5, the whir of spinning wheels and soft shuttle of looms, the clear sounds of a dulcimer, and the continuous chatter of voices exchanging information at each demonstration area set the mood for a delightful outing. Twenty-five different crafts will be demonstrated by members of Fernwood's classes over the past two years. Some of these include pottery, raku firing, natural dyeing, sculpture, painting in several medias, design, leaded glass, basketry, cornhusk flowers, whittling, quilting, stitchery, rug hooking, sandcasting and stone polishing. Sale areas will be sponsored by the Fernwood Photography Club, the Fernwood Potters Guild and the Fernwood Gift Shop. General admission will admit all visitors except members of Fernwood who are admitted free.

It is once again the time when there is an opportunity to be involved in classes that take advantage of autumn's wealth. Use of dried flower and seed heads, nuts, burrs, and berries are made easy. The first workshop on cornhusk decorations was given last year Monday and Tuesday, September 22 and 23 from 9:30 to 11:30. Lila Faulkner will conduct a two-day workshop on the construction of Cornhusk Flowers.

Lila Faulkner has contributed to Fernwood in many ways. Active on its Arts and Crafts Program and Gift Shop Committee, she has been a volunteer for numerous special events and holds a Life Membership status. She is a creative and versatile individual as exemplified by her pottery designs and gardening abilities. She was instrumental in organizing the Fernwood Potters Guild as well. Her special interest in developing uses for cornhusks and other natural materials, has netted several years of her attention and experience. Cornhusk flowers which she made are often indistinguishable from the real flower. From lilies to dogwood blossoms, each can be dupli-

ated to reality, contrived from dried seeds, cornhusks and other natural materials. Some time will be spent in learning the mechanics of cutting, wiring and taping, some in dyeing the dried materials or collecting materials to retain their color, and still other time will be given to arranging the ready-made flowers for winter bouquets. Such bouquets are long lasting, and may be used over and over. An already filled class substantiates the popularity of Cornhusk Flowers.

The second class to take advantage of autumn's arrival is Ed Herrmann's Painting class which began Wednesday. Rescheduled a week earlier, Ed Herrmann's students have already begun capturing the first color changes on canvas and paper. Some are beginners, some are more advanced, but all are making excellent progress. Mr. Herrmann's ability to work on each student's individual needs in any painting media seems to be the key to his success.

An able and talented artist, he devotes full time to his artistic endeavors and travels extensively in search of new scenery and ideas. He has exhibited in many national and regional shows, winning numerous awards and citations. To the delight of his students, he shares his proven abilities painting along with his class, demonstrating and emphasizing the various problems and techniques that arise each day.

There are still several openings in Painting. Mr. Herrmann has agreed to accept new students into his class on September 24, the originally published first day of classes. Fees will be pro-rated for those students who wish to begin at that time. Mr. Herrmann has also announced plans to move to Colorado this year. We will regret not having him on the 1976 Fernwood program. So, do not miss this chance to study painting with a well known professional. Call Fernwood for the details and sign up now.

Three young exchange students from the southern hemisphere are learning American ways at Buchanan High School. Luis Aguilera is from Mexico, Paulo Rogerio Magalhaes, Brazil, and Carlos Ospina, Columbia.

UMW Set Guest Event And Elect

The United Methodist Women of the First U.M. Church met recently for a program given by Mrs. Otto Schultz of Niles, who told of her experiences escaping from Communist Russia in the early fifties.

Plans were completed for the Flea Market the organization had last week and plans were commenced for the coming guest luncheon.

The luncheon will be at 12:30 on October 1 and hosts will be the Friendship and Minto-Margaret Circles with Mrs. John Cline as luncheon chairman. Serving on her committee will be Mrs. Floyd Renbarger, Mrs. Earl Derflinger, Mrs. William Kelley, Mrs. Guy Harvel and Mrs. Herman Jacques.

The program committee chairman, Mrs. Earl Nichols, has arranged for a presentation of slides and music by Mr. and Mrs. William Hulquist of Niles. Announcement was made of the annual district UMW meeting September 19 at Westwood U.M. Church in Kalamazoo from 10 to 3.

An election of officers was held with Mrs. Robert Voss re-elected as president, Mrs. William Wantz will serve as secretary and Mrs. Harold Kramer as treasurer. Mission coordinators are Mrs. John Boyers, Christian personhood, Mrs. Lee Hagey, global concerns, Mrs. Dean Swem, supportive community and Mrs. Mildred Keller, Christian social involvement. Mrs. J.N. Davison is local church activities chairperson.

D.U.I.L.S.

Three drivers were arrested for driving under the influence over the weekend. On Saturday Charles Thomas of Niles and Fred Payne of Buchanan both refused the breathalyzer tests and were lodged. On Sunday Franklin Simpson of Niles was observed traveling at excessive speeds. He was given the breathalyzer and jailed.

Eastern Star

Sylvia chapter of the Order of the Eastern Star met last week with 28 members present. A memorial was given for members who died during the past year.

An invitation was received for a fun night on September 22 at Hartford, the local group's sister chapter. Plans were made for a September 23 breakfast. Members will serve for Perc Club.

Delegates were named to the October 14, 15 and 16 grand chapter in Grand Rapids - worthy matron and patron, Mr. and Mrs. Franklin Williams and associate matron Mrs. Charles Oxender. Alternates are Charles Oxender and Mrs. Dorothy Hamilton.

The chapter will have a rummage sale at the temple on September 26 from 9 to 5 and on September 27 from 9 until noon. Refreshments were served by Mr. and Mrs. Williams. The next meeting will be October 8 and there will be nomination for officers.

Women Of The Moose

Forty members were present for the September 11 meeting of the Women of the Moose with senior regent Mrs. William Harrison opening the meeting in which five new members were enrolled. Mrs. John McElDuff, Mrs. Michael Terry, Mrs. Billy J. Babbs, Mrs. Duane Fisher Sr., and Mrs. B. Ray Gouldman, she then turned it over to Mrs. Art DeFauw, publicity chairman, who presented a program based on minutes from the group's charter meetings in September, 1944.

Mrs. Harrison conducted the remainder of the meeting which closed with Don Nichols speaking to the members on the signing of the Declaration of Independence, in connection with bicentennial observances.

Refreshments were served and games played with one year's dues won by Mrs. Glenn Pitchford, Barbara Thomas, Mrs. Kenneth Smith and Mrs. John Lockey. The attendance award went to Beatrice Good, good of the order to Cecile Weesaw, door prize to Lillian Shreve, mystery girl to Mrs. Warren H. Boyle and the chapter gift went to Hazel Barnhart.

The next meeting will be September 25 starting at 8 p.m. sharp. All charter members who still hold membership are asked to attend.

Guidance Notes From B.H.S.

Mr. John Dick, Guidance Counselor at the high school, has announced that sophomores, juniors and some seniors will be able to join over one million other students around the world in taking the Preliminary Scholastic Aptitude Test-National Merit Scholarship Qualifying Test (PSAT-NMSQT) this fall. The test, composed by the College Board and National Merit Scholarship Corporation is an important step in making college plans.

Scheduled for October 21, 1975, the PSAT-NMSQT measures verbal and mathematical aptitude - two abilities important in doing college work.

The test can also lead to other opportunities for high school students. They can enter the competition for scholarships administered by the National Merit Scholarship Corporation, they can participate in the College Board's Student Search Service which is used by hundreds of colleges interested in students like them, they can get a good idea of what the Scholastic Aptitude Test (SAT) is like.

Advice on using scores - and other information. Along with their score reports, students will receive a copy of About Your PSAT-NMSQT Scores, a booklet that contains valuable information about estimating SAT scores, finding out where to get and how to use more detailed information about colleges and financial aid, planning for financing a college education. Also, by using the 1975 edition of the College Board's College Handbook, available in the high school counseling office, students can compare themselves with enrolled students at the 2,863 colleges and universities listed.

Buchanan High School

you can

EARN THIS DIPLOMA FREE

Beginning its seventh year of operation, the Adult High School is offering FREE credit classes leading to a high school diploma. Well over 75 Buchanan-area adults have graduated and received their diplomas through this program. In addition to taking FREE classes for high school credit, there are several other ways that credit may be granted. Some of these are:

1. High School credit previously earned
2. Job and work experience
3. Military service (Veterans may be eligible for G.I. Bill benefits)
4. Homemaking experience (Marriage)
5. Apprenticeship training
6. Trade and business schools
7. G.E.D. Test
8. Correspondence school

Because of this, the chances are THAT YOU MAY BE CLOSER TO A DIPLOMA THAN YOU REALIZE!

High school classes, both morning and evening, are scheduled to begin the week of Sept. 8.

If you wish to enroll in our program, contact:

Bucks

(Continued from Page 1)

this Friday at River Valley Donley, Luke, and Steve Rifenberg should be at full strength this Friday with their injuries apparently healed, while Gino Jackson, Aaron Nelson, and Mike Byrum will all return to action, after sitting out the Niles game. According to Coach Shoemaker's scouting report, a Buck team at full strength will be needed against a much improved River Valley team, which beat New Buffalo in their opener last Friday.

The Niles film, which arrived late for the first meeting of the quarterback club last Saturday morning will be shown, along with the River Valley film, at 9:30 a.m. this Saturday at the J.A. building on Red Bud Trail. Coaches Shoemaker and Robinson will be on hand to answer questions, and they hope that a large group of Buck fans will attend.

Girls' Basketball

The girls' basketball teams opened the season Monday night at Berrien Springs. The Jayvees lost their game. The varsity stayed well ahead the first three quarters before dropping the game in the final period when the girls from the north piled up 12 points to come out one ahead 31-30 for the win.

High scorer was Patience Vanderbush with 14 points, followed by Sharon Rottmann with 8, Brenda Mottl with 6 and Karen Aalfs with 2.

Score by Quarters
Buchanan 10 8 8 4
Ber Springs 2 10 7 12

The teams play host to Niles tonight (Thursday) and play at River Valley Monday.

Cross Country Results

The cross country team opened its season last week at Brandywine where they lost 32 to 24 with Dino Jackson, Terry Shaner, Rich Humphrey, Doyle Morris and Don Holmes scoring. They beat Eau Claire 18 to 43. Dino Jackson set a new course record at 17:30 and was first. Terry Shaner was second and broke the old record by 18 seconds. Rich Humphrey was third, Doyle Morris fifth and Mark Entenman seventh.

At the Watervliet Invitational, Buchanan finished eighth out of 16 teams. Dino Jackson was 16th, Terry Shaner 26th, Rich Humphrey 47th, Doyle Morris 59th and Don Holmes 65th.

For the Jayvees, Greg Zeug finished 18th and Rod Snow 21st, and for the freshmen Jeff Christie was 12th and Brian Burks was 13th.

Quarterback Club

The Buchanan Quarterback Club will meet again Sunday morning at 9:30 at the Junior Achievement building to discuss the football game, talk with the coaches and see the movies. Coffee and rolls will be served.

Golfers Win 1, Drop 2

Tuesday of last week the golf team lost to Coloma with Dave Runkewich leading Buchanan with a 40. On the next day Buchanan met Cassopolis here, beating them. Richard Eichler was the medalist with 41 and David Runkewich and Kris Moulds both shot 43.

On September 15 the team lost at Dowagiac 166-180 making the season record 2-3. Runkewich was low scorer for the Bucks with 41 and Eichler was second with a 44.

The team was to play host to Bridgman Tuesday.

Tennis Winners

In the Buchanan city tennis tournament, the doubles team of Roger Relich and Joe Marazita finally beat Tom Seager and Steve Lawrence 6-4, 6-8, 6-3 on Saturday, but the team of Walt and Walt Vanderbush beat Marazita and Relich on Sunday for the league championship. The score was 6-2, 7-5 in an exciting match. On Sunday a tie between Joe Marazita and Steve Lawrence was played off for the summer league singles championship. Joe won the first and third sets and Steve won the second. Steve's comment after the match was "I just can't keep up with the young ones like I used to."

Jayvees Lose

The Buchanan Jayvees went to Niles and were beaten 22 to 14. At the end of the first quarter Niles scored twice. One two point conversion was successful, and one failed.

With 3:50 left in the second quarter Buchanan scored on a 65-yard pass play from Jeff Butler to Greg Frasier. The two-point conversion came on a pass from Butler to Mo Kyles. In the third quarter Niles scored again.

Buchanan came back in the fourth quarter and scored on a 25 yard run by Jeff Butler followed by a yard plunge by Scott Smith.

Outstanding offensive players were Don Bumstead and Doug Dixon.

The next game will be at Royal Valley on Thursday at 7 p.m.

Paper Drive Saturday

This Saturday, September 20, will be the first paper drive since spring held to benefit the handicapped persons of the area. All proceeds will go toward funding local projects for mentally retarded children and adults including Open Door and Gateway.

In Buchanan the paper truck will be at Phelps Street parking lot of Buchanan High School from 9 a.m. to 2 p.m. In Niles it will be at St. John's Church, 601 Sycamore from 9 to 4.

Other drives in the series will be on November 1, December 13, January 24, March 6, April 7, June 5, July 17 and August 28. The drive provides an easy and inexpensive way of aiding local people needing help.

Kevin Vanderbush made a key pass interception against Niles Friday.

Ministers' Group Sets Some Dates

Earlier this week the Buchanan Ministerial Association met at the Buchanan Church of God. Plans were made to hold worship services at Metea Court following the next three potluck dinners there on September 21, October 19 and November 16. Arrangements were also made to have the Community Thanksgiving Service at the First United Methodist Church on November 26 at 7:30 p.m. with emphasis given to religious heritage in the nation's history. The Christmas Carol Sing was scheduled for December 7 at Faith United Methodist Church at 7 p.m. After discussion the association decided to sponsor a hospital seminar for its members. A decision was also made to ask each pastor to publish in his church bulletin information about the September 25 and 26 visit of the Red Cross Bloodmobile to Clark in Buchanan. The group will next meet October 20 at Portage Prairie United Methodist Church.

Legion Auxiliary Meets

Monday night twelve members were present for the American Legion Auxiliary meeting. Thelma Gorbitz was named chairman for the Past Commanders Dinner on September 22. The fall convention will be September 26, 27 and 28 in Saginaw and delegates are Mrs. Margaret Samson and Mrs. Henry Reed with Mrs. Jack Swem as alternate. A membership rally for the Fourth District is planned for October 10 with a potluck at 6:30. Mrs. Gorbitz, membership chairman, announced 86 members have already paid their dues. A Gift Shop is to be held December 8 to 10 in Battle Creek and Fourth District Day is December 8. Hostesses for the evening were Mrs. Henry Reed and Mrs. William Jane. The unseen gift was won by Mrs. Gorbitz. The children and youth are collecting used stamps and Betty Crocker and Chesterfield coupons now as a special project, and members are asked to save them.

Faith U.M. Youth Plan Fall Retreat

A trio will sing this Sunday night at the 7 o'clock service of worship at Faith United Methodist Church, 728 North Detroit Street, Buchanan. The trio, composed of Mrs. Rosemary Yaw, Mrs. Doris Harris and Mrs. Linda Hersman, are from Trinity United Methodist Church in Brandywine. Mrs. John Nelson, church organist, will accompany them, and Mrs. Richard Garrett will be the inspirational reader. Faith U.M. Youth Fellowship is planning a Fall Spiritual Life Retreat at the United Methodist Lake Michigan Campgrounds at Pentwater on September 26, 27 and 28. The group and their counselors, Gary McKean and Nancy Strong, will be hosts for the U.M. Youth of Epworth Church in Brethren, Michigan. Last year the two groups shared in a Work-Witness mission at Brethren, and they will now have a chance to renew friendships and share in an experience of spiritual growth. The Faith group meets each Sunday evening at 7 in the senior high room of the church and all high school young people are invited to attend.

To Show Slides

This Sunday night at the 7 o'clock service Mark Judy will show slides of Europe at the Buchanan Church of Christ. Mark spent last summer as a missionary student and will tell of the work being done in Austria and Poland as well as other countries he visited.

Detroit (January 5 1837) The Michigan legislature today received a plan for free public education from Superintendent of Public Instruction Dr. John Pierce. The plan over two years in the making will now be studied by the legislature. The basic idea for a centralized educational system follows a recently published study of the Prussian educational structure. Dr. Pierce noted the main points of the plan, "When admitted to this Union as we daily expect we will have the only statewide department of education, under a superintendent whose sole concern is education he said. Pierce added that State funding and a library in each district are two other unprecedented elements of the plan, he proposed. When asked about State control, Pierce replied, "continuance of a republic such as ours depends on educating all of our citizens. This can only be done through a free system of State supported education, of good quality and open to all rich or poor. Congressman-elect Isaac Cray was instrumental in helping devise this unique educational plan. "The new Constitution provided the main features of the system—a State Superintendent, State school funding provision for a University and for District libraries he said. Cray added "Here in Washington although not yet a member of Congress, I was allowed to help draft the Articles of Admission which assured congressional approval of those provisions.

Dear Patients and Friends

Do you remember how you felt after your first chiropractic care? Do you remember the feeling of grateful relief you experienced when you realized your previous pains and discomforts were gone? Remember how wonderful it was? You wanted to rush right out and tell everyone you met that they should go to your chiropractor!

You also understood then why someone, or perhaps many, had urged you to see a chiropractor about your health problem, didn't you? In fact, you probably kicked yourself mentally for not going sooner. Yes, your friends' recommendations were the Golden Rule in operation that natural law that never fails to return, multiplied.

There are, no doubt, some in your circle of friends who would be greatly benefited by chiropractic care if they only knew about chiropractic results! We will tell your friend or relative honestly if chiropractic can help his condition.

You know, you can put the Golden Rule in action, too. Be a friend, tell a friend or relative about chiropractic. You'll feel better as you help others feel better.

Yours for better health, naturally.

FTC and Health Spas
Have you ever wondered about the membership contracts from your local health spa? So has the Federal Trade Commission. A proposed Trade Regulation Rule has just been announced that would include:
--A three day cooling off period that would give the right to cancel and a full refund.
--For new spas, a 10 day cooling off period after the customer receives notice that the facilities are fully operational and available.
--Right to cancel after the cooling off period and receive a prorated refund, or cancellation of any outstanding indebtedness. The health spa would be allowed a cancellation fee not to exceed 5 percent of the total contract price.
--"Notice of Cancellation" form to be furnished to consumers with the contract and inform persons over 35 that known or suspected heart disease consumers are advised to consult a physician before enrolling.
--Limiting contractual obligations to no longer than two years and not more than 5 percent of the total price if the spa is not fully operational.
* The FTC has taken this action since it believes that there has been much false and misleading advertising and sales presentations made by health spas in recent years. Comments should be sent by October 20, 1975 to:

Red Cross Bloodmobile

Thursday and Friday, September 25 and 26 are the days the Red Cross Bloodmobile will come to Buchanan. Located at Clark Equipment Company, the unit will be open from 12 noon to 6 p.m. on Thursday and from 10 to 4 on Friday. This program provides free blood for everyone living and working in Berrien County and to do so needs the support of everyone in Buchanan. The Red Cross suggests giving now to ensure that the program may continue to provide free blood for those who need it someday. For further information contact Mrs. Frederick Stout, chairman.

Take a used car to some rustproofers and they'll promise you the moon.

At Ziebart, we like to rustproof a car before it's three months old. Because corrosion gets started in a hurry. Sure, we know, some of the other rustproofers in town will make all kinds of promises to get your business. But if you bring a used car to us, we'll only promise you one thing: a straight answer. We'll check your car from top to bottom. If a rustproofing will do any good, we'll tell you. And if it's too late to help, we'll tell you that, too. There's no charge for the checkup so why don't you bring your car in now?

It's Us. Or Rust. **Ziebart**

Church Women Have Retreat

Forty-one ladies of the Buchanan Church of Christ spent last Friday evening and Saturday taking part in a fall retreat at Red Bud Trail Retreat on the river north of Buchanan.

Activities began with Friday night dinner followed by a session on Bible study, the first of three led by Mrs. Marjery Palmer of Lansing, wife of a former pastor of the local church. On Saturday morning Mrs. Palmer spoke on prayer and in the last session on hospitality. In addition to these programs those attending took part in prayer groups and had an opportunity for discussions among themselves.

The retreat was planned by Mrs. Robert Mahan, Mrs. Gordon Pippin, Mrs. Robert Hudson and Mrs. Ruth Armstrong. The singing was led by Mrs. Meri Judy and the devotions by Mrs. Armstrong. Mrs. Roland Earnst was the pianist and special music was arranged by Mrs. Earnst and Mrs. Pippin.

Mrs. John Eric Morrow

Richard Vigansky And Bride Will Live In England

Brooks AFB Chapel at San Antonio, Texas, was the setting for the August 22 evening wedding of Renee Jean Sullivan and Richard A. Vigansky, son of Mr. and Mrs. Milton Vigansky of 1508 Rynearson, Buchanan.

The bride graduated from LaBrae High School at Leavittsburg, Ohio, and U.S.A.F. Security Police School at Lackland AFB, Texas in 1974. She is an Airman first class stationed at Brooks. The groom graduated from Buchanan High School in 1972, attended Lake Michigan College in 1973 and completed USAF Security Police School at Lackland AFB also. An Airman first class, he is stationed with the 81st Security Police Squadron, RAF Bentwaters, Suffolk, England.

White roses and miniature blue carnations decorated the altar for the double ring ceremony performed by Chaplain William Ghostien.

Given in marriage by Master Sgt. Billy R. Adams, the bride wore a long sleeved gown of

candlelight satin trimmed with Chantilly lace. A cap of matching lace held her short veil and she carried a bouquet of white roses and miniature blue carnations.

Maid of honor was Sgt. Wanda Fugate and bridesmaids were Am. Marjorie Muirhead, Teresa Adams and Alc. Denise Norris, all of Brooks AFB. Their blue chiffon gowns were fashioned with matching caps and their nosegays combined miniature blue and white carnations.

Sgt. Tim Grey was the best man and groomsmen were Staff Sgt. Richard Holloway, Am. David Rider and Sgt. Steve Uynal, all stationed at Brooks AFB.

The reception took place at Security Police Headquarters at the base immediately after the ceremony. The couple had a four day wedding trip to Corpus Christi, Texas. In the near future the bride will be transferred to Suffolk and the couple expects to serve a three year tour of duty overseas together.

Mrs. Richard Allen Geik

Geik-Wesner Vows Are Exchanged Here Saturday

Michele Marie Wesner, daughter of Mr. and Mrs. Eugene Wesner, 502 Main Street, Buchanan, became the bride of Richard Allen Geik in a 1 o'clock ceremony at St. Anthony's Catholic Church on September 13, the birthday of the bride's grandmother, Mrs. Edward Wesner.

A 1974 graduate of Buchanan High School, the bride is employed at Gene Wesner Chevrolet, Inc. The groom graduated from Galien High School in 1973 and attended Lake Michigan College. He is employed in South Bend at Bendix.

The double ring ceremony was performed by Rev. Donald M. Atchison, assisted by Rev. Maurice Hayes. Mrs. Robert Bellaire was at the organ and soloist was Mrs. Norman Striegle. Lighted candelabras trimmed with white carnations, baby's breath and stephanotis adorned the church.

Escorted to the altar by her father, the bride appeared in a sate-peau gown fashioned with Venice lace and pearls trimming the fitted bodice and full bishop sleeves. The gown had a high collar and a gathered skirt flowing into a chapel length train. A deep ruffle accented the hemline and a halo style headpiece of Venice lace and pearls held her lace-trimmed elbow length veil.

Dawn Marie Striegle of Buchanan attended the bride as maid of honor with Cheryl Ann Wesner and Sharon Geik, sisters of the couple, and Susan Dougherty as the bridesmaids. Their gowns of yellow dotted swiss had jackets and they wore yellow picture hats.

Susan Rossow as the flower girl was dressed similarly to the other attendants. Corey Rossow was the ring bearer.

The brother of the bridegroom, Dennis Geik, was the best man and groomsmen were Mark Tumbleton of Buchanan, Edward Nelson and Robert Luther, both of Galien.

The bride's mother chose powder blue for her gown and the bridegroom's light pink, both wore corsages combining white sweetheart roses and baby's breath.

Following the ceremony the reception took place in the Niles Holiday Inn and the couple left afterward for a week's wedding trip through Canada and northern Michigan. On their return they will be at home at 321 Chippewa, Buchanan.

BPW Has A Real Auction

The Monday night dinner meeting of Business and Professional Women's Club was arranged by Mrs. Kenneth Jones and her committee, Mrs. Earl Rizer, Mrs. John P. Rees and Mrs. Leon Edinger.

Following the dinner, members engaged in outbidding one another for the benefit of the club treasury under the expert guidance of Auctioneer Ben Sadler, who contributes his services for clubs and organizations in the area wishing to have auctions as part of their programs.

The budget was presented by Mrs. Jones and club president Mrs. Virgil Miller for discussion and approval by members.

A district meeting at Paw Paw on October 12 was announced and several members volunteered to attend.

Plans were discussed for the Knockknack and Snacks Bazaar the club will have November 7 and 8 with Mrs. Fred Samson and Mrs. Harold Rutter as co-chairmen.

The next meeting will be a potluck dinner on October 20 at St. Anthony Catholic Church with Mrs. Bernard Klute as chairman.

Miss Mott, Eric Morrow Wed In Friday Ceremony

Following a 7:30 candlelight ceremony last Friday night in the First Presbyterian Church of Niles, Mr. and Mrs. John Eric Morrow left on a wedding trip to the Pocono Mountains in Pennsylvania.

The couple's wedding date was chosen to coincide with the anniversaries of both their parents on the same weekend.

The former Lou Ann Mott is the daughter of Mr. and Mrs. Robert E. Mott, 2400 Miller Drive, Niles and Rev. and Mrs. Keith A. Morrow of Buchanan are the bridegroom's parents.

The ceremony was performed by Rev. John Wyngarden with Walter Ginter at the organ and Mrs. Lynn Moore of Niles as the soloist. The altar was decorated with large baskets of fall chrysanthemums and candles and ribbons trimmed the aisles.

Given in marriage by her father, the bride appeared in a long sleeved jersey gown styled with a fitted waist and a full skirt. Venice lace accented the neckline sleeves and mantilla length veil. She carried a cascade bouquet of baby mums and yellow sweetheart roses.

The bride was attended by her sister Robin Mott, as maid of honor with the bridegroom's sister Linda Morrow, and Mrs. Richard Kidwell of Niles as the

bridesmaids. Their halter style yellow jersey gowns had fitted empire waists and capelets and all carried baskets of fall flowers.

Robert Habicht was the best man and groomsmen were Harlan Vastine and Cecil Myers, Dowagiac with Jerry Cuthbert and Jerry Withers, both of Niles, seating the guests.

The mother of the bride chose a yellow ensemble complemented with a corsage of matching sweetheart roses, and the bridegroom's mother a long sleeved peach jersey gown and matching corsage of baby mums.

The reception took place after the ceremony in the B and L Party House in Niles with Brenda Milthaler and Mrs. Jerry Withers, the groom's sister, serving the guests.

The bride a 1972 graduate of Niles Senior High School attended Central Michigan University and graduated in 1975 from Southwestern Michigan University. The bridegroom graduated from Buchanan High School in 1972, attended Lake Superior State College and is a 1975 graduate of Southwestern Michigan. Both are employed at Mott's Apple Core in Niles.

They will be at home at 720 Colony Court A-5 Niles after September 21.

Buchanan Garden Club

Mrs. Thomas Reddington was the hostess for the Monday meeting of Buchanan Garden Club with Mrs. Frank Murphy and Mrs. Jeff Haskin as co-hostesses. A new member, Veronica Frucci, was welcomed into the club.

Present at the meeting was Mrs. Donald C. Smith, district director, who brought members up to date on federation and district activities including the Liberty Tree federation project planned for Arbor Week and the October 24 district meeting at Orchard Hills.

The program on macrame was presented by Mrs. Reddington, who demonstrated the craft.

The president, Mrs. Walter Ross, described the nature of the artistic division for the 1976 Bicentennial Flower Show to be given by the club.

Members were reminded that any dues now unpaid are delinquent and should be sent promptly to treasurer Mrs. James Bransford.

Mrs. Charles Rohde will entertain the club at her home for the October meeting.

Elected To SRA

Monday elections took place for representatives for the BHS Student Representative Assembly.

Elected from the senior class were Cheryl McDonald, Laurie Nelson, Maureen McClellan and Tim Sullivan and from the junior were Tim Pollard, Eric Samson and Chuck Dougherty. Maggie Moon, David Gault, Wayde Sumerix and Kari Orput were chosen from the sophomore class. No freshmen representatives were elected since none ran for office, and there will be none until another election at the close of the semester.

Representatives elected from special interest groups were Sarah Gault, Kris Moulds, Eric Mollberg, Kyla Newsom, Jodi Letcher and Tom Zeug.

Arrested With Drugs

On Saturday evening, two Benton Harbor men were arrested here after police observed a knife and suspected marijuana in their car. Michael Harris, the driver, was arrested for violation of the controlled substance act as was Robert Griffith, who was also charged with carrying a concealed weapon.

Golden Workers Class

The Golden Workers Class of the Church of Christ met in the fellowship hall September 9. Vases of asters furnished by Mrs. LeRoy Peterson decorated the tables. Mrs. David Hinman and Mrs. Edward DeSoma were on the kitchen committee.

Twenty four were present including as guests pastor Robert Hudson, Mr. and Mrs. Gordon Pippin and their daughter Tera and Ruth Armstrong. Welcomed back after a long absence were Pearl and Louetta Paul and the birthdays of Mr. and Mrs. Leo Carlson were honored.

Mrs. LeRoy Holston conducted the business meeting and Mr. Carlson led the devotions. Members of the class gave readings for the class.

The next meeting will be October 14 with a carry in luncheon to begin at 12:30.

Shower Honors October Bride

A bridal shower to honor Vicki Myers took place last Thursday at 7:30 p.m. at the Metea Court Community Building. Hostesses were Mrs. Waletta Lounsbury, great-aunt of the bride-to-be, Mrs. Albert Joachim, her aunt, Mrs. Gregory Pullar, her cousin and Sandy Myers, her sister.

Decorations were carried out using the colors of her wedding, and the bride-to-be's attendants assisted her in opening the gifts.

Guests included the honoree's mother, Mrs. Robert Myers, the groom-to-be's mother, Mrs. Gerald Poznanski and his grandmothers, Mrs. Leo Poznanski and Mrs. Fannie Bartak. Other guests were from South Bend, Galien, Buchanan, Berrien Springs and Niles.

Miss Myers will wed John Poznanski on October 17 at 8 p.m. at St. Mary's Catholic Church in Niles.

G.S. Uniform Exchange

A Girl Scout Uniform Exchange is announced for October 11 in the Ottawa School gym.

Anyone having a used girl scout uniform she wishes to sell or give away may contact Mrs. Raymond Cole, 695-2287 or Mrs. George Cole, 695-5874.

Holding Tryouts

The Drama Club at the high school has selected Our Town for its fall presentation.

Tryouts are being held this week for the sizeable cast of characters.

Church Of Christ Women To Meet

All ladies of the Buchanan Church of Christ are invited to a special meeting Thursday, tonight, at 7:30 at the church to make gifts for shut-ins.

These will be kept on hand for use as needed with Mrs. Goldwyn Smith as chairman of the supply shelf.

Elected To Board

The Four Flags Area Apple Festival Board of Directors has elected James Rothfuchs as a new member. Rothfuchs and his wife Linda live at 3140 Knight Drive, Buchanan. He is employed by Clark Equipment Company as regional treasury manager.

Dale Seyfred of Galien, who won first place in the youth tractor operator's contest at the Berrien County Youth Fair, went on to win the State I-II Tractor Operator's Competition at Michigan State University August 28. Dale topped competition mandating skills in maneuvering farm equipment in close clearances as all competitors were required to operate two tractor models through a measured and timed course. The contest was conducted and evaluated by MSU agricultural engineers. The son of Mr. and Mrs. Russel Seyfred of Galien, Dale is a junior this year at Galien High School.

This is the wedding party of Mr. and Mrs. Howard Leazenby of West Third Street, who will observe their 10th wedding anniversary this Saturday with a 2 to 5 o'clock open house at Buchanan Township Hall. They were married in a much-heralded public ceremony climaxing the Buchanan Fall Festival in 1975 with the identity of the couple to be wed a secret until the night. The Record wonders how many of those in the picture its readers can name.

Gaels Win First Game

In his first game as coach of the Galien football squad, Jerry Hess showed that he believes in stressing the fundamentals of the game. There was some good blocking and some good tackles which led to Galien's 14 to 8 victory over South Central from Union Mills, Indiana.

Dale Luther passed to Mark Koziel for the first touchdown in the second quarter in a fourth down situation. Randy Chase ran 20 yards for the second one in the third quarter. Matt Koziel kicked the extra points. South Central scored in the fourth quarter and were stopped on the Gael 27 at the end of the game. Craig Schau and Mike Kuntz were outstanding on defense.

Ladies Aid Sets Rummage Sale Date

October 23-24 are selected for the annual Olive Branch Lavima Ladies Aid Rummage sale in the church basement where articles may be brought anytime.

The recent meeting of the Lavima Ladies aid was held in the home of Miss Murrie Van-Tilburg with Mrs. Grace Bohn presenting the lesson entitled "A Good Name is Rather to be Chosen Than Riches." Mrs. Duane Smith will serve as hostess for the October 9 meeting.

Mu Beta Meets

Plans were made Monday night at the meeting of Mu Beta Chapter to have a pecan sale in late November offering pecan halves and rolls. Mrs. Horace Lorance will serve as chairman for the project.

A new item, a ramp for wheel chairs, has been donated to the loan closet sponsored by the club for the use of the community.

Members are asked to bring their own sewing supplies to the next meeting October 20 at the home of Mrs. Ken Kelly when they will sew cancer dressings.

PTA Potluck And Open House Monday

The annual Galien Parent Teacher Association back-to-school potluck and introduction of new teachers will be Monday evening, September 22. There will be a potluck supper at 6:30 with milk and coffee furnished by the committee. Each family is asked to bring a dish to pass, meat and table service for their own family. Following the dinner parents will have an opportunity to see their children's rooms and meet their elementary teachers.

As an example, Reizen points to a program in the Bay-Saginaw-Midland area. That program involved a study which officials hope may result in the establishment of a mosquito control district.

Energy Study Okayed
How and when do industrial customers use electricity?

Could that use be changed somewhat to spread peak electricity demand more evenly throughout the day? Might that result in a lower cost for all electricity customers?

Answers to those questions are the expected aim of a study getting underway these days, under a federal demonstration grant awarded by the Michigan Public Service Commission. Detroit Edison Co. will provide technical assistance for the study.

The commission explains the situation this way:

Industrial customers use about 50 percent of Edison's total electric production and 36 percent of its peak demand generating requirements.

If customers' use could be spread out more, then peak generating capacity would be lessened. And that could mean a reduction in the cost of producing electricity.

Danger in Bottles
Poison -- the stuff with a skull and crossbones on the label. Right? Not always. Even aspirin, taken by mistake and in sufficient doses, can cause accidental poisoning to a child. And it's estimated that some 500,000 children across the United States are victims of accidental poisoning in a year.

"Keep it out of sight and out of reach -- even if it has a 'safety cap,'" recommends the National Planning Council for National Poison Week, in a pamphlet distributed by the Michigan Pharmaceutical Association.

The pamphlet, called "Locked Up Poisons -- Prevent Tragedy," offers several suggestions for protecting your child against accidental poisoning.

"Never call medicine 'candy'" is one recommendation that hits home.

When your child is fussy, and doesn't want to take medicine, it's maybe tempting to entice him or her with the "reward" of "candy" -- medicine disguised with orange or chocolate flavoring.

But calling medicine candy is dangerous. "When left alone, they (children) may locate the bottle and eat or drink its contents," the council warns.

Other suggestions for your child's good health include these:

--Never leave a bottle of aspirin or other pills out of place. Return it to a safe place immediately after using.

--Never place kerosene, anti-freeze, paints or solvents in cups, glasses, milk or soft-drink bottles, or other utensils customarily used for food or drinks.

--Pour contents down drain or toilet, and rinse container before discarding. Do not put container with its contents into refuse can.

--Cleaning fluids, detergents,

lye, soap powders, insecticides and other everyday household products should be stored away from food and medications. Death could be the result of a mistaken identity.

Aiming at Mosquitoes
If you own horses, beware of Eastern equine encephalomyelitis (EEE).

The state Agriculture Department is advising vaccinations against the disease in the wake of two reported cases in the southwestern part of the state. Both horses involved.

One of the cases confirmed by Agriculture Department laboratory tests as being EEE, a disease spread by insects such as mosquitoes. "Symptoms in horses include drowsiness, uncoordination, depression and a loss of appetite," says Dr. John Quinn, chief of the department's animal health division. Once the disease is confirmed, he adds, vaccinations won't help.

Meanwhile, the Public Health Department says it will push for mosquito control laws in Michigan.

That word follows reports of two apparent outbreaks of mosquito-borne disease. St. Louis Encephalitis in Mississippi and Western Equine Encephalitis in the Red River Valley area of North Dakota and Minnesota.

Department Director Maurice Reizen says the proposed Michigan law would create mosquito abatement districts and provide financing for such projects.

"There is no doubt that the legislation is needed so that future efforts at mosquito abatement in Michigan can be effective," Reizen says, "and, at the same time, properly controlled to prevent inadvertent damage to the environment."
