A New Service
 We make all arrangements to finance your new car and your insurance on it.
 We would prefer to do this through the local friendly Union State Bank, or if for any reason you desire otherwise we do have another connection for financing. Either way, you secure the lowest rate possible.
 Come in and see us. Let us show you our plan. The best feature of this plan is that you secure the good old insurance we have always sold, not the finance company kind.
 Let us talk it over. It doesn't hurt to know about these matters.
