DALLAS

J.R. (Larry Hagman) is totally devastated by Jock's death. Having done everything to please his daddy, J.R. is like a ship without a sail, staying out all night, drinking and unable to deal even with the simplest of business demands. Bobby is completely overwhelmed with work, trying to hold up not only his end of Ewing Oil, but J.R.'s as well.  
 In the meantime, the rest of the family has begun to notice. Ellie is taking Jock's death with unusual calm and, when Harv Smithfield talks to her about reading Jock's will, Ellie refuses to discuss it, leaving Harv in a state of shock.  
 This episode of "Dallas" will air on CBS-TV FRIDAY, JANUARY 15.
