Missionary trip to Liberia by Schindler

Dr Robert S. Schindler, M.D., general surgeon and chief of staff at Berrien General Hospital, will spend three months on a short-term medical missionary trip in Monrovia, Liberia, on the western coast of Africa, at the hospital he founded and organized in 1962.

In Dr. Schindler's absence, Dr. Kenley F Burkhart, M D , will serve as acting chief of staff Dr Burkhart, a surgeon, is currently vice-chief of staff at Berrien General.

At Elwa Hospital Dr Schindler will relieve the surgeon who replaced him at the time he and his family returned to the United States two years ago. During his 13 years of service from 1962 to 1975 as medical director at Elwa Hospital, Dr. Schindler and his wife, Marian, were installed in the Humane Order of African Redemption – the country's oldest honor – in recognition of their work at the hospital Elwa Hospital and its staff of 120 is sponsored by the Sudan Interior Mission

Dr Schindler received his M.D from New York Medical College in 1958 His internship

Dr. Robert Schindler

and residency in surgery were served at Saginaw General Hospital, Saginaw, Michigan. Dr. Schindler was certified by the American Board of Surgery in 1976 He was previously a member of Berrien General's medical staff from 1966 to 1967 and 1971 to 1972

Dr. Burkhart received his M D from the University of Pennsylvania, Philadelphia, in 1963 He served his internship and residency in surgery at Methodist Hospital, Indianapolis, Indiana Prior to joining the staff at Berrien General, he was a medical missionary at Gray Memorial Hospital in Puerto Cabezas, Nicaragua

School Board appoints John Imler to fill vacancy

The Buchanan school board coped with a full agenda Monday but managed to get through its business in a little over three hours.

The board awarded certificates of merit to Mrs Irma Seager, retiring school nurse, Richard Rossow, recently resigned school board member, and to teacher Mary Louise Soucek They received a letter from Mrs Mary Skidmore which accused the board of reaching an "incredible new low" in its reaction last month to Rossow's announcement of his resignation.

Three candidates were proposed as board members to replace Rossow, John Imler, Robert Hand and Clarence Bibbs. Imler, who lives on South Redbud Trail in Bertrand Township and works in South Bend, was appointed Mary Beth Larson was appointed school board treasurer to replace Rossow.

Robert Kidd appeared before the board to apologize for setting fire to the school, and he gave the board $211 which he had earned to pay for the damages

The board is making plans for an advisory task force on education. This will be made up of staff members, students and individual residents in the district whose job it will be to study various phases of the school system and to come up with recommendations before another operational millage vote Members of this task force will be appointed by August 1, and it is hoped that interested citizens will come forth with willingness to serve

There was another long discussion on adopting written board policies This matter was again tabled to determine correct policy on purchases requiring bids and those which the administration are free to make without board action

Resignations were accepted with regret from Geneva Galusha, Patsy Kwast, Ruth Lamm, Roger Relich and James Yech. Leaves of absence were granted for a year to Kathleen Bucher, Kathy John and Donna Toner. This made it possible to recall from layoff Jane Fields, Dennis Kugle, Donna Shreve and Raejene Terlisner

Adult education graduate Constance Price was certified and the plan for early graduation of Paula Mottl was approved.

The board had to pass a resolution authorizing it to borrow $700,000 for operating funds in anticipation of taxes as yet unpaid to the school system. It approved a proposal of five students to go to Mexico under the leadership of Mrs John Mefford The 1977-78 school calendar was approved.

Bids for a tractor with grass pickup and snow blower were reconsidered Among the new bids, the one from Evans Agricultural Service for $4,440 was accepted New bids were asked for replacement of 13 windows and a door at Moccasin School The board rescinded an earlier bid from Williams Supply which had been accepted on June 13 and instead accepted a bid from Twin City Glass for $14,185

The board went into a closed session to discuss litigation on the long dispute over the Ottawa roof They didn't reveal details but indicated that they would accept terms which had been offered

The superintendent reported that the courts had upheld earlier opinions in the John Moulder case, and that this case was now serving as a benchmark in the evaluation of staffs in other cases He also reported that a letter from Governor Milliken indicated that he favored modification of the state's plans for mandatory school breakfasts

Superintendent Hogan said that the new legislation proposed in Michigan would grant unemployment compensation to all non-certified personnel during the summer and vacations. He said that this would cost Buchanan schools about $33,000, and he expressed hope that this legislation would be defeated

The board approved payment of dues to the Association of School Boards for $1057 and accepted a new plan for workmen's compensation

A report from William Fischer expressed general satisfaction with the reading assistance program adopted a year ago He reported that generally the achievements were quite good, and he said that the majority of the staff recommended that the program be continued

Principal Dale Cryan of the middle school said that his staff recommended going back to six week marking periods instead of nine week periods. This, he said, would result in closer communication with the parents.

The Buchanan United Way elected two officers for 1977-78 and welcomed two new board members at its meeting Wednesday, June 8

(l to r). Robert Bellaire, president, Robert Powers, vice president, John A Dick, new board member and Dana Fair, new board member.

Advertising solicitation to begin for Michiana Community brochure

At the Chamber of Commerce building Tuesday, June 21, the following members of the Four Flags Area Chamber of Commerce, the Buchanan Area Chamber of Commerce, and representatives from Pendell Publishing were on hand to publically announce the beginning of active advertising solicitation for a community brochure documenting the Niles-Buchanan area

Al Morningstar, vice president of operations, Niles Chamber of Commerce; Gloria Cooper, community brochure committee and Chamber Board of Directors, William H. Clinger, executive vice president of Niles Chamber of Commerce; John North, president of Buchanan Chamber of Commerce; Ron Beck, coordinator for Buchanan Chamber of Commerce, Gary Rank, Chamber of Commerce consultant, Pendell Publishing Company and Kerry Calkins, communications director of Niles Chamber of Commerce.

The operations division of the Niles chamber officially announced that the Four Flags Area Chamber and the Buchanan Area Chamber are currently preparing a comprehensive, attractive, and useful publication for the overall development of the Niles-Buchanan area.

This community brochure, a first for the Niles-Buchanan area, promises to be the most used consumer and business tool of the entire Michiana area The publication will contain local editorial sections describing the individual categories of history, education, culture, recreation, industry, worship, business, and a highly functional consumers guide

The production cost of the proposed 52 page, four-color brochure will be totally paid for through advertising dollars, and will be published through contractual agreement by the Pendell Publishing Company of Midland, Michigan.

Thousands of copies will be available to chamber members, residents, businesses, industries and governmental units The brochure is designed to be utilized for economic development, professional recruiting, as a mailing piece for resident inquiries and to encourage new membership in the Chamber of Commerce Copies will be distributed to offices, businesses, and public facilities in the Niles area, and will be widely used by Michigan area banks and realtors

The chamber encourages all members of the business and industrial community to give full support to this effort, so the new brochure will accurately and effectively reflect the community

The community brochure committee, headed by Gloria Cooper has contracted with Pendell Publishing to prepare the publication

The committee has sent a letter to all chamber members stating that a representative from Pendell Publishing will be contacting them in the next few weeks explaining the project. Michigan area businesses are advised to take advantage of this important consumer and business tool

As a participant a business may take advantage of various types of display advertising It is important to remember that advertising supports this publication in its entirety, and the uses of this brochure are endless to the advertiser Use of the brochure for two or three years is anticipated so advertising investment per year is substantially reduced from the initial cost.

If any are interested in securing an ad in the community brochure and are not contacted in the next few weeks, please contact the chamber office by calling 683-3720.

Michigan Bell announces new services at Perc Club meeting

Michigan Bell Telephone Company was the sponsor at the Buchanan Area Chamber of Commerce Perc Club meeting Tuesday, June 21, at the Masonic Temple

Representatives of Michigan Bell Telephone were Wanda Shirley, Niles assistant manager and Dennis Leathers, chief switchman at Kalamazoo.

Leathers introduced the new electronic equipment that Michigan Bell is now installing in the Buchanan area. The Electronic Switching System (ESS) is designed to give several new services to the area such as three-way calling, speed calling, call waiting and call forwarding.

1 Three-way calling: a three way conversation may be carried on by direct dialing

2. Speed calling: the telephone number you are calling should ring as soon as the last number is dialed

3 Call waiting when talking on the telephone and someone is trying to reach you and receiving a busy signal a tone will also sound on your line so you know someone is trying to reach your number

4. Call forwarding: expecting an important call but must go out? The system can automatically switch the call to a number where you can be reached

The electronic Switching System is scheduled to begin operating on September 17. Orders for one or more of these additional services plus touch tone dialing may be placed beginning in July.

Mrs. Dings won the tickets to the 400 mile NASCAR race at Michigan International Speedway, in a drawing at LaSalle Federal on June 10. She registered only once for the contest.

Mrs. Dings' husband and six year old son, Lynn, attended the race, near Jackson, Michigan, on Sunday, June 19 (Father's Day). Lynn was able to see his favorite driver, Richard Petty (in the red car).

The race will be broadcast on Wide World of Sports (Channel 22) this weekend.

Juraensen promoted at I & M Electric Company

Robert W Jurgensen, a native of Niles, and the manager of Indiana & Michigan Electric Company's Donald C. Cook Nuclear Plant at Bridgman since January 1968, has been named head of the American Electric Power Service Corporation's Nuclear Engineering Division in New York City. The Service Corporation is another subsidiary of I & M's parent company, American Electric Power.

Jurgensen succeeds Robert S. Hunter, vice president–nuclear engineering of the AEP Service Corp., who today was elected senior vice president–construction, a new position. Both moves are effective July 1. Jurgensen's successor as manager of the Cook Plant will be announced in the near future.

A graduate of Michigan State University in 1949 with a B S degree in mechanical engineering, Jurgensen began his utility career in 1949 as an engineer at I & M's Twin Branch Plant, Mishawaka, Indiana In 1953 he was assigned to work with the Nuclear Power Group, an organization involved in research and development work associated with the Dresden, Illinois, nuclear plant of Commonwealth Edison Company of Chicago. He later spent two years at the government's nuclear energy facility at Oak Ridge (Tennessee) and was assigned to AEP's Kammer Plant of Ohio Power Company as maintenance supervisor and assistant plant manager. Before his appointment as Cook Plant manager in 1968 when construction began, he served in the Service Corporation's Nuclear Engineering Division in New York.

Hunter joined AEP in 1953 He had been chief project engineer and then head of the Construction Scheduling Division before he was elected assistant vice president and chief nuclear engineer in 1970. He was elected vice president in 1973.

LaSalle Federal applies for a satellite office

LaSalle Federal Savings and Loan Association of Buchanan has applied to the Federal Home Loan Bank Board, Washington, D C., for approval to establish a satellite office in the vicinity of Main and Front Streets, Buchanan, according to Eugene B Rokely, president

The Board of Directors of LaSalle Federal recommends the additional office to better serve the Association's present and future customers It is felt the new office, conveniently located to the central business district, would appeal to the shopping families in the downtown area

The Association expects the Federal Home Loan Bank Board will issue its final approval within 30 days In addition to the home office located in Buchanan, LaSalle has offices in Bridgman, Coloma, Decatur and approval is expected shortly on their request to establish a full service facility branch in Fennville, Michigan

The firm's current assets are approximately $60,000,000

Ag in Action

A viewpoint

Guess who.....

A well-known person who is a successful businessman has expressed his viewpoints on government bureaucracy. Can you guess who he is?

Here's one: "Every time the minimum wage goes up, I have to raise my other employees. It's not fair to have your better employees making the same as those who won't put as much into their work. A lot of people simply aren't worth the minimum wage."

Here's another: "We have a lot of trouble in this area with welfare. In this county, we have as many people administering welfare and related programs as there are in the rest of the county government. Five years ago, we had eight people handling welfare, now there are close to sixty."

This next quote may give you a clue to this businessman's identity. "When unemployment was at the highest, I needed a man to run a peanut-drying machine It would have paid $250 to $300 a week I couldn't hire a single person. They would rather draw $90 in unemployment benefits every week and pick up food stamps at the same time"

The man responsible for those quotes is a Georgia businessman, Billy Carter He oftened referred to his gas station as a beer joint selling gas as a sideline. But despite his public image, Billy Carter is a successful businessman operating a multi-million dollar operation

Even if he is the President's brother, like many others Billy Carter is fed up with government bureaucracy

Park names

Berrien County Record;

Chairman
The Buchanan City Park and Recreation Board
Buchanan City Hall
107 West Front Street
Buchanan, Michigan 49107

Dear Sir.

As a former member of this Board for twelve years many of which were as Board Secretary, I recall very well the controversy over the naming of Centennial Park

The name was assigned by an over-zealous group with no official sanction. Since the Buchanan Jaycees had conceived the idea for the project, invested a great deal of their own labor and for them considerable money, they were particularly irate over the naming of the Park without any contact with their organization whatsoever Several Jaycees came to the Park Board meeting for an explanation No reasonable one could be given, sadly enough

Now, I note from an article in the "Herald-Palladium" of Tuesday, 14 June 1977 that the Centennial Park is renamed as The McCoy Creek Recreation Area and the new ball diamond after Herbert Russell.

I question whether any consideration was given to the Jaycees for them to submit a name for their original project

Also, whether any consideration was given to Maud and Leo Slate for a park named in honor of their long and devoted service to area youth They were bypassed at the time Ravish Park was named

As to Herbert Russell Field, what could have possibly motivated this? Was any consideration given to Buchanan major leaguers Dick Montague or Herb Niles? Bill Broderick, Bud Proud and the many fine athletes of the Topash family certainly should have been given some thought before giving the field the name of the current City Clerk.

Definitely, the late Milt Vigansky deserves the honor in view of his long service as a Park and Recreation Board Member rather than the City Clerk

Who does the historical research into these matters and who is consulted as to any recommendations for projects of this kind?

It appears that by some whim, projects of long duration are titled with whatever comes to mind

If the name for Centennial Park was changed, why not change it again and give the many deserving people some consideration

"The McCoy Creek Recreation Area" and "Herbert Russell Field", so help us all indeed!

More on King Tut We got to Chicago at 8:30 a m their time on a Saturday. There was already a long line at the Field Museum, and it took about an hour to get our tickets The number on our tickets indicated that there'd be a four hour wait (actually it was five hours), so we looked around the museum and then went over to the aquarium The exhibit was well worth the wait, and you can spend as much time as you want in it once you're inside

---

There was much excitement in the bee hive. An army of red ants attacked, and there was open warfare for several hours Although the ants were better organized, the bees finally won the war

---

Government interference is everywhere If you have bees, there's a minimum price you are allowed to charge for honey, and the price support of that product is one of the reasons the consumer has to pay so much.

Let's hope that the school administration won't wait until the next millage vote to inform the public on its activities and needs.

One of the prime needs right now in this area is better communication between the city and the townships, particularly Buchanan. The problems facing both municipalities are closely related We still feel both the city and the township are greatly at fault in the misunderstandings which arise.

For You From Unity Hospital

WHAT IS STRESS??? (con't)

You can do a lot to keep tensions within reasonable limits· SEE YOUR DOCTOR– A check-up is always important–especially if you're running a busy schedule

TALK IT OVER–when tensions build up, discuss the problem with the people involved

EXERCISE REGULARLY–any type of exercise will help you let off steam and work out stress

PLAN YOUR WORK–plan your work to use time and energy more efficiently

TAKE A BREAK–a change of pace, no matter how short, gives you a new outlook on old problems.

LEARN TO RELAX–a few minutes of peace and quiet every day makes a big difference.

BE REALISTIC–set practical goals and expect to be SUCCESSFUL

AVOID STRESS–plan to avoid too many big changes coming at the same time. You can do a lot for yourself and others by understanding the causes of stress, the depression and anxiety to which they can lead. The first step in solving a problem is recognizing that one exists. So–don't let stress get you down and keep you out BE OPTIMISTIC–Stress is a fact of life Everyone has ups and downs Life would be dull without them. A hopeful attitude goes a long way towards helping you over the rough spots.

George Klingerman escorted his daughter down an aisle lined with lighted hurricane lamps and pews decorated in pink, blue, green, peach, lilac and yellow, to an altar decorated with candelabra, white carnations and baby's breath.

The bride's gown was a sleeveless chiffon over organza with a large ruffle around the yoke falling to form three-tiered sleeves. The gown also featured an empire waistline with a large ruffle around the hemline. Venice lace trimmed the bodice, skirt and chapel length train. The bride also wore a picture hat of double skirting chiffon over organza trimmed in Venice lace; her grandmother's gold locket and her mother's pearl earrings. She carried a nosegay of yellow roses and baby's breath.

Sarah Dougherty of Buchanan, attended the bride as maid of honor and Mrs. Charles P Lord of Niles, attended the bride as matron of honor Each wore a long southern style gown of chiffon over organza. Three tier chiffon ruffles accented the neckline and fell to form sleeves The dress had a large ruffle around the sweeping hemline which may be pulled up to form a bustle The maid of honor wore blue and the matron of honor wore pink. Each carried an open chiffon parasol matching the color of her dress [illegible] the brim of the parasol [illegible] white carnations and roses They also wore white wrist gloves with pearl closings.

The bridesmaids each wore an identical dress with the exception of color: Mrs. Stephen Klingerman of Buchanan, sister-in-law of the bride, wore peach; Miss Kelly Klingerman of Buchanan, sister of the bride, wore yellow; Miss Candy Krieger of Stillwater, Oklahoma, cousin of the bridegroom, wore lilac and Miss Kimberly Gaul of Buchanan, cousin of the bride, wore mint green.

The flower girl was Lori Chubb of Buchanan, She wore a blue chiffon gown similar to the maid of honor and carried a nosegay matching the bride's and wore a crown of flowers in her hair.

Douglas S. Moore of Buchanan, brother of the bridegroom, performed the duties of best man Alan Mottl of Buchanan; Michael Vergon of Buchanan; Charles P Lord of Niles and William Carson of Niles were groomsmen. Steven G. Klingerman of Buchanan, brother of the bride, was a groomsman and an usher. Gary L. Widman of Niles, brother-in-law of the bride was also an usher. Ty Krieger of Stillwater, cousin of the bridegroom was the ring bearer.

The bride's mother wore an aqua v-neck, gown of knit chiffon with a fitted empire waistline and long sheer sleeves Pearls and rhinestones trimmed the neck and waistline. She wore a corsage of white roses, carnations and baby's breath.

The bridegroom's mother was attired in a ginger sleeveless long sheath gown with attached finger-tip chiffon capelet. She wore a corsage of white roses, carnations and baby's breath.

A dinner reception was held, immediately following the ceremony, at the Buchanan American Legion Home. Serving the guests were Mrs Jerral Warren, Mrs Lanny Morris of Buchanan, Miss Jane Gaul of Buchanan, cousin of the bride; Mrs. Gary Widman of Niles, sister of the bride, Mrs. John Mankte and Mrs Bill Carson of Niles

Following a two week wedding trip to Vail, Colorado, the couple will reside in Buchanan

Buchanan Board of Education Minutes

The Board of Education, Buchanan Community Schools, Berrien County, Michigan, held its regular monthly meeting on Monday, May 16, 1977, at Moccasin Elementary School. Members present: William Moon, Paul W. DeVos, Jeannette Mahan, Richard Rossow, Robert Luke, Mary Beth Larson, and Charles Ward. Members absent: None. Also present: SRA Representative, Administration, and members of the press, plus approximately 50 visitors. President Moon called the meeting to order at 7:35 p.m., welcomed the visitors, and asked if there were questions or comments. Richard Chubb questioned the Board about the equipment sold by bid earlier this year from the Industrial Arts Department, his questions concerning items he alleged were "stolen" from his department and, secondly, the money received for the items sold he felt should be in his department account rather than in the general fund. Dr. Hogan indicated that the school followed State Department of Education accounting procedures, but in deference to Mr. Chubb's continued questioning, Dr. Hogan will consult with the Board attorney on this procedure.

Minutes of the April 18 regular Board meeting were approved as presented, and minutes of the May 9 special Board meeting were approved as presented. The Secretary noted correspondence from the Berrien County Intermediate School District indicating that three candidates had been certified for its election on Monday, June 6, 1977. In further correspondence, the Secretary read a letter from Linda Edquid, Chairman of the Home Economics Department, requesting the return of High School Home Economics courses next school year Also, a letter from Connie Moon, Elementary School Home-School Coordinator, with the same request. The Board reassured those present that the problem would be studied next year when the entire curriculum, K-12, would be studied, Dr Hogan reiterating that the months of planning for budget reduction was very explicit in this area and many people were involved in the planning, including staff members, administration, people from the community, and Board Members

Motion by Member Rossow, seconded by Member Larson, that bills in the amount of $12,366 65 (of which $2,430 32 is for two payrolls) be approved for payment from the School Service Fund. Unanimously carried. Motion by Member Rossow, seconded by Member Mahan, that bills in the amount of $1,054,953.11 (of which $221,172.08 is for two payrolls) be approved for payment from the General Fund. Unanimously carried.

Under OLD BUSINESS, the President noted that the Ottawa Roof Litigation had been discussed by the Board at a closed session earlier this evening. Written Board Policies are still being written and currently the priority item is policy and procedure for business affairs.

Motion by Member Rossow, seconded by Member Luke, that upon the satisfactory completion of district requirements for high school graduation, the Board of Education hereby certifies for graduation the eleven adult education students and one hundred twenty-nine high school students; and, further, authorizes the Superintendent to prepare diplomas to be presented at the respective Commencement programs. Dr. Hogan stated that the adult education graduates would be recognized at the June 10 Commencement and each diploma would be individually signed this year. Motion carried unanimously.

Dr. Hogan requested that Agenda Item H.8, Recommendations of the Intramural Review Committee, be advanced on the agenda to accommodate the schedule of Wayne Writer, chairman of the committee After a lengthy discussion of all facets of the committee's recommendation, a motion was offered by Member DeVos, seconded by Member Luke, that the Board accepts the recommendation and report of the Intramural Review Committee on a conceptual basis with the exception that the committee be charged with preparing the specifics such as cost and content and this information brought back to the Board for its review at the June meeting. Unanimously carried Dr Hogan indicated that the only objective of the program should be to increase student participation

Motion by Member Larson, seconded by Member Ward, that Paul W. DeVos be appointed delegate and that Jeannette Mahan be appointed alternate for the Berrien County Intermediate School District Board election to be held on June 6, 1977 Unanimously carried

Motion by Member Ward, seconded by Member Mahan, that the overnight trip for the Advanced Natural Science students involved in the Fernwood classes be approved and that the field trip be conducted in conformity with the plans and specifications submitted to the Board of Education. Unanimously carried.

Motion by Member Luke, seconded by Member Mahan, that the resignation of Irma M. Seager be accepted with regret and that the administration be instructed to prepare a certificate of merit to be presented to her. Unanimously carried.

Motion by Member Mahan, seconded by Member Luke, that the resignation of Mary Louise Soucek be accepted with regret and that the administration be instructed to prepare a certificate of merit to be presented to her. Unanimously carried.

Motion by Member Mahan, seconded by Member Ward, that Reverend Alfred Deeds, Jr., be permitted to use the property at the southeast corner of the Moccasin School site for gardening purposes during the summer and fall of 1977. Unanimously carried.

Motion by Member Larson, seconded by Member Mahan, that the Administration be authorized to adopt the textbooks and related materials for the Grade 1 through 5 reading program as recommended by the Communications Curriculum Study Committee and the Elementary Coordinator Unanimously carried.

The following resolution was offered by Member Mahan, seconded by Member Larson:

RESOLUTION OPPOSING MANDATORY SCHOOL — PROVIDED BREAKFASTS FOR STUDENTS AND URGING REPEAL OF LAW REQUIRING SAME

The Buchanan Community School District Board of Education, recognizing the importance of adequate food programs for the needy of our nation and having whole-heartedly endorsed and sponsored over a lengthy period of time a program to provide hot lunches to its students, nonetheless deeply regrets the recent enactment of legislation compelling school districts such as ours to institute a program for breakfast, not only as an unnecessary additional burden upon the school budget, but also as an unnecessary and duplicative substitute for programs already provided in other governmental programs,

The Buchanan Community School District Board of Education feels that most persons qualifying for such breakfasts are already receiving supplemental benefits such as food stamps, which alone can, when supplemented with free and reduced-cost hot lunch programs, assure students an adequate opportunity for wholesome and adequate meals, and though recognizing that some few may come to school unfed, our milk program assures the availability of at least minimal added nutrition to carry students through to lunch;

Since a proportion of students travel to school by bus, compulsory breakfast programs will needlessly complicate bus schedules, require buses to start much earlier in the dark during winter and will cause those students who choose not to participate in such school-sponsored breakfast programs to arise earlier, and spend more time at the school in unsupervised (or expensively supervised) activities not necessary for a full educational program, and that this lengthening of the effective school day will detract from the quality of instruction by causing students' attention spans to shorten before the end of such an extended school day.

Because of the added costs for additional help both in feeding those who choose to participate and in supervising those not participating, because the physical limitations of the school buildings will render an effective and worthwhile breakfast program impractical, and because of the disruption to the school program overall, with no offsetting benefits, the Buchanan Community School District Board of Education respectfully requests its representatives in the legislature, and the Honorable Mr William Milliken, governor of the State of Michigan, as well as the Michigan Association of School Boards, to seek repeal of the compulsory breakfast law through schools, and substitute in its place additional stress on adequacy of food stamps and aid to dependent children program, and to otherwise take such steps as may be proper to put the burden of seeing that all children receive proper nutrition on the home, where it belongs, and avoid putting such additional mandates on the local school districts

Therefore, the Board of Education of the Buchanan Community School District does direct that a copy of this resolution be sent promptly to its legislative representatives, Governor William Milliken, and the Michigan Association of School Boards, to urge repeal of this new law

AYES Members Charles Ward, Robert Luke, Paul W DeVos, Richard Rossow, Mary Beth Larson, Jeannette Mahan, and William Moon NAYS None Resolution adopted unanimously

Motion by Member Ward, seconded by Member Luke, that the Administration be directed to present to the Board at its June meeting the proposal to study the K-12 program of the Buchanan School District during the 1977-78 school year Unanimously carried

Motion by Member Larson, seconded by Member Ward, that pursuant to Board action of March 21, 1977, the Board hereby recalls the following teachers and instructs the Superintendent to notify these teachers of recall from layoff. Sharon Steinke, Ruth Ann Writer, Robert Foster, Michael Rouse, Donald Brooks, Frank Mucha, Robert Storm, Susan Rimmer, Donna Markey, Cheryl Warner, Michael Young, Marilyn McElhaney, Jon Bohannon, Ann Enrich, Gloria Smith, Evelyn Lauer, Jody Westland, Cathy John, Deborah Dye, Terry Piatti, Noel Risler, Kathleen Bucher, Andrea Godersky, Mary Celeste Lehman, and Cathy Mayrose. Unanimously carried

Secretary Mahan, seconded by Member Rossow, offered the following preamble and resolution: "It has come to the Board's attention through its legal counsel that in the process of placing Michael Morse on third year probation last year the time limit for taking such action was exceeded. Because of this, Michael has achieved tenure status by default. Since we are law abiding citizens, charged by our oath as Board Members to uphold the statutes of the State of Michigan we consider Michael Morse as a tenure teacher. While such action is not necessary, the following resolution is the recommendation of the Administration: Moved by Member Mahan, seconded by Member Rossow, that tenure status be granted Michael Morse, effective April 13, 1976, and that the Superintendent be instructed to so notify Mr Morse in writing.

AYES: Members Ward, Luke, Rossow, Larson, Mahan, and Moon NAYS: Member DeVos Resolution adopted by a six-to-one vote

Motion by Member Mahan, seconded by Member DeVos, that the American Community Mutual Insurance Company be recertified as carrier for student insurance for the 1977-78 school year Unanimously carried.

Board Member Rossow announced that he would be resigning and that this would be his last meeting He said that the discussion over the band director had led to a lack of confidence in the Board but that the Board shouldn't be condemned for one wrong decision, that he would be leaving with no hard feelings and he hoped the Board had no hard feelings toward him He gave the Board credit for the good job it was doing and commended the Board Members for the many hours of work given for the good of the school district He further wished the Board and Administration well in the continued work of the district President Moon stated that he was sorry to hear of this intended resignation

Reports were heard and placed on file from: David Casey, Moccasin building principal; Dr. Hogan, regarding the Board-Administration Goals Workshop to be held May 18 from 5:30 to 10 30 p m., and from Dr. Hogan, regarding the new campaign finance reform act workshop to be held May 24 at the County Intermediate office.

After a few additional comments regarding the High School Industrial Arts Program, which will be part of the K-12 curriculum study projected for next year, the meeting adjourned at 9.50 p.m

Approved by Board of Education on June 20, 1977.

Special Minutes

The Board of Education, Buchanan Community Schools, Berrien County, Michigan, met in special session Monday, June 13, 1977, Room 109, High School building. Members present: William Moon, Jeannette Mahan, Mary Beth Larson, Robert Luke, and Charles Ward. Absent: Paul W. DeVos. Also present: Administration, members of the press, and seven visitors. President Moon called the meeting to order at 6:42 p.m., explaining that the specially called meeting was for the purpose of considering bids on a lawnmower and Moccasin School window replacement.

I. Four bids were considered in the medium-sized lawnmower and four for the large-sized lawnmower, with the recommendation that the larger size would be more serviceable. After a lengthy discussion, the Asst. Supt. for Business was instructed to seek bids with a grass pickup attachment and snow blower attachment. This item was tabled to the June 20 Board meeting

II. Three bids were considered for various combinations of window replacement at Moccasin Elementary School. Moved by Member Larson, seconded by Member Ward, that the bids of Williams Supply Company of Niles, Michigan, in the amount of $13,642.37 be accepted for replacement of windows and one door at Moccasin Elementary School, including Thermo-Barrier glass, Color Wall top section, vents and screens Unanimously carried.

Meeting adjourned at 7:08 p m

Respectfully submitted,
Jeannette Mahan, Secretary
Buchanan Board of Education

Approved by Board of Education on June 20, 1977.

Come on in, the water's fine! Peggy Morgan and Mark Towns, in the picture, can assure you that the old saying is still true. They, along with eighty-one other Buchanan youngsters, have been participating in the YMCA instructional swim program. The program consisted of eight, one hour classes. The children were taught according to ability. Non-swimmers were given basic instruction. Intermediate and advanced swimmers were coached on improving skills and developing endurance.

The Buchanan Community Education Office is offering another YMCA instructional swim program August 8 through August 19. There will be a total of ten, one hour classes at a cost of $15 00 including transportation. Registration will be open to Buchanan school children in grades two through eight. Persons who are interested in the program, may call the Community Education Office at 695-2771, Ext. 36 or 37, for further information

Kenneth Riley presented certificate

Kenneth Riley, Lake Michigan College associate dean of Continuing Education and Community Services, Wednesday (June 15) was presented with a certificate of appreciation by the president of the Michigan State Board of Education for Riley's services during his four-year membership on the State Advisory Council for Adult and Continuing Education

The presentation was made in Lansing during the Council's regular June meeting which was the last meeting of Riley's four-year term

Edmund Vandette, Board president, awarded Riley the certificate, signed by John W Porter, state superintendent of public instruction, on which appeared the commendation. "Certificate of Appreciation for outstanding services to education and in recognition of significant personal efforts to increase the educational opportunities for the youth and adults of the State of Michigan"

Riley, who holds a master of arts degree from Andrews University, joined the LMC administrative faculty in 1970 He has been promoted since then from director of the Institute for Professional and Paraprofessional Studies to assistant dean of Continuing Education and Community Services and most recently to associate dean. He also has been designated assistant to the president of LMC.

The clinics are scheduled for June 20 and 27, and July 5 and 11. All sessions will run from 7 to 9 p m Registration forms will be available at the clinics. For further information contact Rhonda Edwards, 429-1344, or Berrien County Olympian and CANAMER games office, 927-4022.

Buchanan Garden Club features Potluck Herbal Luncheon

Meeting in the home of Mrs. R.J. Kirst, the Buchanan Garden Club had a 12:30 Potluck Herbal Luncheon in which each dish required herbs to be used in some manner in the preparation The meal featured discussion of the different herbs used and replaced the program of "Green Medicine" and "Patio Plantings" which will be held at a later date. An herbal recipe exchange was also part of the required program, producing most interesting results.

Mrs. James K. Cooper, presiding at the business meeting, announced that cards sent during the past month were a card of congratulation to the William Racines on the arrival of their baby son; birthday cards in May were sent to Mrs. Kenneth Witt, Mrs. James Blek, and Mrs. John Zeider, Mrs. Robert Groat received June birthday recognition. Mrs. Janusz Madej was congratulated on becoming a Naturalized Citizen of the United States

A report on the District 111 meeting held at the Kalamazoo Nature Centre was given and was attended by Mrs. Cooper, Mrs Blek, Mrs. George C Smith and Mrs. Zeider. Also reported upon were the field trips to the South Bend Conservatory and Fernwood

Mrs. Cooper announced the Wild Flower Place Mats were still available at ten cents each The profits from these mats, which feature the endangered and protected Wild Flowers of Michigan will be used for the Buchanan Garden Clubs Civic projects as well as for the American Land Trust which buys lands of special ecological importance throughout the United States. These lands become protected areas which will maintain the flora, fauna, and fossils which have survived the onslaught of civilization for thousands of years, and are carefully selected by a highly qualified committee, and supported by such people as United States Senator Douglas and his wife Kathy

Mrs. Witt and Mrs. Groat reported on the planting of the Library Flower Box which they planted They also donated the petunias in the name of the Buchanan Garden Club

Mrs. Zeider, as delegate to the recent Federated Garden Clubs of Michigan, Inc. annual meeting, gave a comprehensive report on the various meetings and lectures which were held in the Pantlind Hotel in Grand Rapids. As a life member, she was also among the honored guests at the Thursday luncheon held in the Black and Silver Room of the George Welsh Civic Auditorium at which the noted author and TV lecturer, Beth Hemingway presented a program on "Updating and Rejuvenating Antique Treasures with Flowers" Mrs Witt also attended the meeting

Mrs Zeider also displayed the Books of Evidence of the Buchanan Garden Club's 1976 activities which had been submitted for state and national judging. Since a club cannot receive the same award for the same activity two years in a row, the Award of Service was given for the Junior Gardening Activities in which the club counseled the Junior Garden Clubs, who in turn also received the Award of Service. Miss Cindi Coultas, daughter of Mr. and Mrs. Jerry Coultas, Red Bud Trail N., did the outline work and pictures which featured this particular Book of Evidence. Also the club received the Conservation Award of Service as well as The Flower Show Award in recognition for its efforts in raising the standards of horticulture and artistic design in the community. These awards were presented at the Awards Ceremony which followed the formal opening dinner held in the Pantlind Hotel's main ballroom Tuesday night.

Mrs Cooper announced that the reservations for the guest luncheon to be held at the Cook Nuclear Center in July were due and that members should contact either her or Mrs. Smith as soon as possible. The luncheon is to be preceded by an 11 30 tour and members are to meet at the Kirst home at 10:30 p.m. if they wish to go with a group.

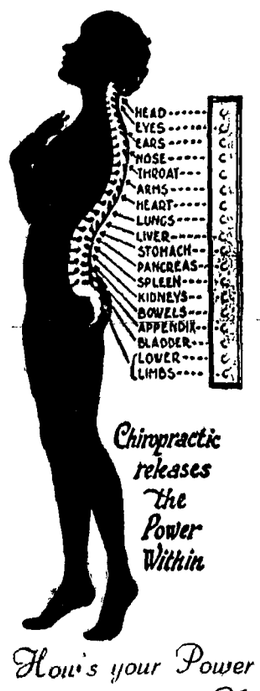
The Spine is the Human Switchboard controlling Health
Do you know



Chiropractic releases the Power Within
The Brain is the Power Plant within the human body, from which flows trillions of nerves that carry "LIFE-GIVING NERVE ENERGY" to all parts of the body all the time when there is no "Nerve Interference"
That is why the "Spine is your Lifeline", the Human Switchboard, that controls Health & Vitality
Your Doctor of Chiropractic recognizes the need for your body to be free of Nerve Interference, therefore your Doctor of Chiropractic locates and corrects the cause of your problems with scientific Chiropractic Adjustments and does not treat you or the effects (symptoms)!
You stand a much better chance of having good health and an abundant Life with a good nerve supply than without one!

Buchanan Township Taxpayers -

Dr. Jones our new supervisor gets $6,900 a year. Ivan Price gets $4,800 a year. That is a tax payers ripoff, plus the tax payer is paying for a pension plan for the board members. This new proposed Zoning Ordinance coming up in June or July will take the rest of your rights away. A Citizen

YOUR NEW CAR NEEDS RUSTPROOFING.
BUT BEFORE YOU GET IT, BE SURE YOU GET REAL RUSTPROOFING. NOT A COVER-UP COATING.
There isn't one 1977 model that doesn't need additional rustproofing protection when it leaves the showroom floor The only question is *who* can deliver the real rustproofing protection needed to retain its appearance and value One *sure* answer is your Ziebart Dealer He's got the expertise, the patented spray tools and the exclusive Ziebart process to assure you the protection your new car needs. With the cost of a 1977 car, can you afford anything less than real Ziebart protection?
IT'S US. OR RUST.
