

TOP BOND QUOTA HERE BY \$967,000

Y. C. Meets Niles in Table Tennis at Open House Session Fri. Eve

Now Here's the Proposition

Now This IS a Proposition

For years this column has been reporting "propositions," with emphasis most of the time on the more frivolous items of local happenings.

The jinx has hit the office first, it was the boss. You remember him—he's the guy who "held down" the front office well, about three weeks ago, the doc touched him on the shoulder and motioned him off to Mayo's at Rochester for a cutting-up job.

Well, anyway, like we said, this United States Marshal showed up here Saturday, and Monday morning bright and early Walt takes the train for out west—and we haven't got an editor!

So you see, folks, if the Record doesn't have big headlines on the front page this week (although we think there's a story in the making) and if the news is a bit skimpy, it's because we haven't got an editor.

Note (not by the editor). Through oversight we forgot to mention up there in the story somewhere, that Walt was subpoenaed to appear as a witness in a mail fraud case which is being tried in Salt Lake City, Utah.

Notice is hereby given that the Board of Review of the City of Buchanan, Mich., will meet in the Chambers of the City Commission, in the City Hall of said City on Monday, May 17th, and Tuesday, May 18th, 1943, from 9-00 a. m. until 5:00 p. m., for the purpose of reviewing the assessment roll of the said City of Buchanan.

Latch String Will be Out to the Community

Youth Council Awards For Achievements Made, With Dance Following

The Buchanan Youth Council will hold open house to the Buchanan community Friday evening, May 7, when a series of table tennis matches will be held between representatives of the junior and senior high schools of Niles and Buchanan, starting soon after 7:30 p. m.

Following the Niles matches the Youth Council monograms will be awarded to those who have met the requirements, consisting of a minimum of five hours of maintenance or construction work at the Recreation room, or work in before the Youth Council, and a minimum of two lessons in each of two games.

Following these awards, a dance will be held, with music provided by the Youth Council orchestra. No admittance will be charged to any of these events. The Youth Council wishes the general public will be most welcome and that a special invitation is extended to the parents and to the older people of the community who may be interested. Old and young are cordially invited to come and to dance and enjoy themselves, and to see what's going on in the Youth Council.

A. L. Auxiliary Gives Mother's Day Party

About fifty attended the Mothers' Day party Monday evening in the Legion hall given by the American Legion Auxiliary.

A short business session was held. Mrs. Guy Eisenhart and Mrs. Warren Willard, delegates to the Fourth District convention in Sturgis Saturday, presented a report of the meeting. District officers nominated were Mrs. William Tenter, Benton Harbor, president; Mrs. A. Preston Sprague, Buchanan, vice president; Mrs. A. Renner, Sturgis, treasurer; Mrs. Frank Wood, Niles, chaplain. The president, Mrs. Guy Eisenhart, appointed Mrs. Thomas Burks chairman of Wolverine Girls State.

The program and social hour were in charge of Mrs. Oscar Swartz and Mrs. Thomas Burks. Mrs. Carrie Kean Starr presented readings and Miss Rosalie Chilson gave several vocal numbers. Mothers of all Legionnaires and auxiliary members as guests received favors. Mrs. William Wood, only gold star mother of World War No. 1, was presented with a beautiful bouquet.

Maude Slate Will Be Playground Supervisor

When the park commission met Monday evening, a number of improvements were planned for Kathryn Park, and a new schedule of summer activities was drawn up.

Maude Slate has consented to lead the activities for the younger children, and to act as supervisor of the play ground during specified hours each week.

Here is the new schedule for the months of June, July and August: Croquet—June 25, Age 12-14; Horseshoes—July 9; Hop-scotch—July 30; Croquet—Aug 6, Age 7-12; Jacks—Aug 20; Party—Aug 27.

Evangelical Church Ends Successful Drive

The Evangelical church began a campaign to raise \$1,000.00 for church repairs and improvements, on Sunday, March 14, under the slogan "For 1,001 blessings \$1,000.00 on the Altar by Easter." This campaign began following a very successful revival. On Easter Sunday night at a dedication service of the heating system and "Service Roll" the recording secretary reported a total of \$1,028.00 in cash raised. The fund was fitting consecration to the Lord.

PTA to Attend Y.C. 'Open Night' Friday

Have you seen the Youth Council Recreation Room? Do you know what the boys and girls have done to make it a desirable and attractive place to spend leisure time?

Here's your chance! The Buchanan P. T. A. is planning to attend the open night activities on Friday evening, May 7, starting at 7:30, details of this program will be found elsewhere in this issue. Because of P. T. A. interest in such activities, especially during these times, the Buchanan P. T. A. will meet at the high school, in the Junior high room, on Friday evening, May 7, at 7:15, instead of at their regular time. There will be presentation of the new officers for the coming year. Mr. Toogood, apprentice co-ordinator of our local school, will lead a brief discussion on "Mothers Who Work Outside the Home." Following this the group will go to the Youth Council Recreation room to attend the open night activities. All parents and teachers are urged to attend.

Absenteeism At Clark Plant Is Near 10% Mark

President Bonner Stresses Need of Manpower in Report to Stockholders' Annual Meeting

Stressing the employment problem as it affects the local plant of the Clark Equipment Co., President A. S. Bonner, in his annual report to stockholders on April 30 dwelt at length on the questions of absenteeism, draft of workers for the armed forces and the return of workers to farm occupations for the summer months. The report was made at the annual meeting of stockholders held in the Clark theatre building.

Absenteeism was credited by Mr. Bonner as being the most important problem facing the company. Of the 2900 employees at the local plant, slightly less than 300 are absent for various causes every day. While he expressed the belief that the chief cause of absenteeism is illness, he urged employees to notify their foremen on the previous day if they expect to be absent from their work. Loss of employees to the draft and to the farm is causing a serious shortage of manpower and, in the opinion of Mr. Bonner, can only be offset by the further employment of women to take their places. Women may not be able to take over all the physical labor of many of the jobs, but through cooperation of employees in making adjustments wherever possible it is hoped lost manpower can be replaced with womanpower.

Increased difficulty in securing material is keeping a large staff constantly on the move chasing material to keep the plant running and it is inevitable that shortages will occur which will cause slack periods of operation.

In predicting the future Mr. Bonner said that automotive schedules are apt to decrease somewhat during the year, but that requirements for steel castings, drills, tractors and tractor parts will probably increase. He also mentioned the threat of inflation and government controls over wages and salaries in an effort to stem the upward spiral. The controls were something new and, at times, worked in a haphazard way, still he suggested that all accept the temporary inconvenience in the belief that over the long run it will be decidedly beneficiary.

Directors for the ensuing year were elected as follows: Mr. Maurice H. Bent, New York, N. Y.; Mr. A. S. Bonner, Buchanan, Mr. R. J. Burrows, Battle Creek, Mr. Ezra W. Clark, Battle Creek, Mr. John M. Clark, Wilmington, Del., Mr. A. R. Ford, Jackson, Mr. Frank Habicht, Buchanan, Mr. M. L. Hanlin, Buchanan, Mr. Kemper K. Knapp, Chicago, Mr. E. M. Morris, South Bend, Mr. Henry C. Murphy, Chicago, Mr. Charles S. Pearce, Chicago, Mr. E. B. Ross, Buchanan; Mr. George Spatta, Buchanan; Mr. Alfred G. Wilson, Detroit.

Twenty-six employees of the local plant were given awards for twenty years' service with the company. In addition, there were found to be thirteen employees who had been with the company thirty years or longer. It can be noted that this occasion marked the first time, and undoubtedly the last time, that a man and wife shared the honors bestowed upon twenty-year service.

(Continued on page three)

A Waac Takes the Wheel

It used to be that one healthy, trained soldier spent his full time driving this Army truck at a post in the United States. Now, he's on his way to combat duty, and the truck is still performing its valuable function because a member of the Women's Army Auxiliary Corps has taken over for him. She was carefully trained at a WAAC Motor Transport School.

Churches Hold Dedication of Service Flags

Impressive Services Honor Boys and Girls in Armed Forces

Buchanan youths who are now serving Uncle Sam are being honored in the various churches of the community by dedication of service flags. These flags have stars to represent the boys and girls who have left from that particular church to service for this or her country.

Easter Sunday evening, the Evangelical church dedicated a service flag for 18 boys and 1 girl. Donald Shafer, Robert Willard, Milton Shafer, Edwin Arthur, John Schultz, Richard Rose, Dwight Marrs, Revilo Ross, Richard Pierce, Norman MacLean, Jeannette McGowan, Jack Suit, Kenneth Jesse, Howard Dillman, Robert Wesner, Edward Toll, Edward Vergon, Lester Beadle and Kiel McCaslin.

Two Gold Stars on Flag

Dedication services will be held Sunday morning, May 9th, at 11 a. m. at the Methodist church for the new service flag, which contains names of 37 boys and one girl. They are: Fred Banke, Harry Banke, Jr., Ralph Jack Banke, Jesse G. Boyle, Norman Bachman, Dorothy Babcock, Walter Babcock, William Carlisle, Duane Chain, Keith Dalrymple, Howard Dillman, Wyman Denuo, Robert Dodge, Fred Hall, Jr., Robert Hamilton, Charles Hess, Richard Hess, Arnold Herman, Eugene W. Kelley, Willis Long, Jack Markham, Charles A. Matthews, Jack Morris, Lee Pierce, Fred Reamer, Robert Swain, George Richards, Robert Rumsey, Dale Simpson, James Snider, Leo Slate, Melvin D. Watson, Jerry White, Chester Woolley, Lawrence Zupke and two gold stars—Valentyne Paul and Robert "Bud" Ruth. The Church of Christ dedicated their service flag about six months ago.

Four Girls on Service Flag

Sunday, May 2nd, the service flag at the Presbyterian church was dedicated. Of the 32 stars, four are girls, who are in the service: Phyllis Lamb, Kathryn E. Fortz, Caroline Webb and Virginia Wright. The boys in service are: Charles C. Bainton, Joseph Bachman, Melvin R. Campbell, John Knuth, Robert Edmund Fairman, Thomas G. Fitch, George L. Fitch, Carl Garmise, William Gregory, Rynne Haak, Francis L. Heim, Dale Lyon, James A. King, John Ira Moyer, William B. Poorman, Robert L. Polley, Maynard A. Post, Edward S. Pascoe, Robert S. Russell, Jr., Winston D. Sands, Philip Sands, Robert Stevens, Earl Stevens, John W. Stray, Robert C. Strayer, William Strayer, Robert Vanderslice, Albert Webb.

NEW AIR-RAID WARNING SIGNALS

- 1-A "blue" warning signal—a two-minute steady blast on sirens, horns or whistles—to indicate an air raid is probable.
2-A "red" warning—the familiar three-minute fluctuating blast on sirens, whistles or horns—indicating a raid is imminent.
3-Another "blue" warning—a two-minute steady blast—after a raid to indicate raiders have passed but may return.
4-A "white" or "all clear" signal—a one-minute steady blast followed by two minutes of silence, a second one-minute blast followed by another two minutes of silence and then a final one-minute blast.

Walter Rumbaugh Called by Death

Was Father of Ralph Rumbaugh After Whom Local Legion Post Was Named

Funeral services were held at the Swem Funeral home at 2:30 p. m. Saturday for Walter Rumbaugh, 80, who died at 11:40 p. m. Wednesday, April 28, at the home of his daughter, Mrs. Ralph Seabast, near Bakertown.

He was born Sept. 19, 1862, in LaPorte county, Ind., the son of James and Melissa Rumbaugh. He married Linnia Burlingham on Feb. 25, 1888 near LaPorte, Ind. She died in 1925. He is survived by one son, Clarence Rumbaugh of Gallien, by one daughter, Mrs. Ralph Seabast. Another son, Ralph Rumbaugh, was killed in action in World War No. 1. The local American Legion post was named after him. A brother, Andrew Rumbaugh, lives at LaPorte, Ind.

Summer Softball Program Planned To Start June 1st

Plans for a softball league for the summer were announced early this week by Clem Savoldi, who is issuing a call for help from the softball players and fans. Four teams have already been secured and at least two more are wanted to complete league schedules. Anyone interested is asked to call Clem and make the necessary arrangements. Plans call for one game each evening, two or three evenings each week, depending on the number of teams taking part.

City's Rubbish Collection Days Set for May 17-20

Buchanan Divided Into Four Areas; No Return Calls if You Forget the Dates

Buchanan's annual Clean-Up Week has been set for May 17-20. On these four days city trucks will call for and collect all rubbish which has been placed in an accessible place such as at the curb or alley way.

Several changes have been made in the procedure as scheduled for this year and residents are cautioned to read the following instructions carefully in order that disappointments may be avoided and to insure complete pick-up service.

First—The City has been divided into four areas for rubbish collection. Oak street will be the north and south dividing line and Front street will be the east and west dividing line. Second There will be but ONE pick-up in each area. In former years many residents forgot to place their rubbish at the curb until after the designated days for such collections and the city trucks were asked to return and get it. This year there will not be any return calls made. If the rubbish is not at the curb or in an accessible alley on the day of collection—well, the officials in charge say it will have to wait until next year's clean-up.

Here are the designated days for each area: May 17—Area No. 1. All that part south of Front and west of Oak, or the southwest part of the city.

May 18—Area No. 2. All that part north of Front and east of Oak, or the southeast part of the city.

May 19—Area No. 3. All that part north of Front and east of Oak, or the northeast part of the city.

May 20—Area No. 4. All that part south of Front and west of Oak, or the northwest part of the city.

Tree trimmings or other rubbish must not be over four feet in length so that they may be easily handled in loading.

Junior Red Cross Displays Production in Gas Co. Window

The display of the American Junior Red Cross production is in the Gas Co. window this week. Everyone is urged to see the work being done by our local organization of school children.

The grade school projects are under the direction of Miss Lena Eckstrom. The high school group is headed by Miss Marion Wagness.

The articles on display made by grade children are: scrap books, book marks, crossword puzzles, ash trays, slippers and two knitted afghans. Christmas cards were made for the service men in December. Napkins, nutcups and favors were made for Halloween, Thanksgiving and Armistice Day.

The high school contributions are \$50 raised by a program and dance, 10 scrap books; 12 cushion covers; 27 pair of rompers, 1 afghan; 50 wash-it squares, 30 nightgowns; 2 dozen towels and 4 dozen triangular bandages for the local first aid stations, 30 menu covers donated by art department; 250 tally cards donated by Library club.

It may be interesting to note that most of the sewing for the Junior Red Cross organization made up of 17 girls of which Phyllis Sherwood is president. The membership includes: Thelma Clifton, Betty Crawford, Mildred Hall, Edna Hattenbach, Bernice Hempfling, Jacqueline Hensen, Jaunita Hittle, Annabelle Keller, Genevieve March, Betty Mellinger, Bonnie Metzger, Eleanor Rough, Jo Ann Rough, Phyllis Sherwood, Orpha Swaim, La Verne Toll, Dorothy Young.

Articles made by the Junior Red Cross are sent to hospitals for service men, children's hospitals and homes, and sanitariums.

Plans to organize Prohibition Party. There will be a county convention held in Berrien Springs in the Advent church on Tuesday night, May 11, for the purpose of organizing the new, live Prohibition party, in this county. All in accord with the move are urged to attend and take part. There will be speaking and stirring prohibition songs by the state organizer, E. C. Hoyt, of Nashville, Mich.—Contributed.

Post on Speaking Tour as President of Foremen's Assn.

Jack Post left last week on a speaking tour of four weeks in the interests of the work of the National Association of Foremen, of which he is president, his itinerary extending as far west as Dallas and Fort Worth, Texas. He is expected to spend two days in Wyoming, two days in Colorado, five days in California, in addition to speaking engagements in the Texas cities referred to and engagements in Columbus, Newark and Dayton, O. He will return for an appointment in Kalamazoo, May 22. He was scheduled to make 25 addresses in all, mainly in large air craft plants.

'Talk of Hour' Tickets Are On Sale at School

Tickets Sell for \$1.38 and Admit to 10 Lectures in Buchanan and Niles

Students, once in your life comes one great opportunity. Here it is. One of these rare chances has been offered to Buchanan and to the students of B. H. S. This is the "Talk of the Hour" program scheduled for this year. Tickets are \$1.38 for students and \$2.75 for adult tickets. Take advantage of the bargain. This ticket will entitle you to five lectures in Buchanan, and the same ticket will be honored for five lectures in Niles. The program is as follows:

- Niles: April 29—Jack Morrow; May 12—Dr. Hession; May 27—Dr. Struma; Sept 9—Colonel Ichore; Sept 23—Clyde Williams, Buchanan.

May 17—Dean E. Smith, who lived through the Jap invasion of Burma.

Oct 4—Dr. Richard Sturma, who is the leading American authority on Russia.

Oct 18—Prof. W. A. Scharf-fenberg, who was former director of the Institute of Oriental Studies in Shanghai.

Nov. 15—Elmer Paul Lin or William Chamberlin. Mrs. Newbery and Mr. Stark are in charge of tickets.

Honored For Extra Good 4-H Club Work

Hundreds of Michigan's top-notch 4-H club members are receiving recognition from the state office at Michigan State college for outstanding work in projects started and completed in the summer of 1942.

Included among the 268 named on the 4-H club state honor roll are five 4-H boys and girls from Berrien county.

Garden project—Arthur Reed, Buchanan. Commercial garden—Robert Colard, Berrien Springs.

1st year canning—Betty Jean Case, Sodus. 4th year canning—Jeanne Bittner, Sodus.

1st year food preparation—Mabel Irene Krueger, Baroda. Sixteen projects were included in making up the honor roll and the scholarship list. These included corn, beans, sugar beets, potatoes, garden, forestry, dairy, beef, pig, goat, sheep, poultry, farm volunteer work, junior leaders, canning and food preparation.

The scholarships are awarded by authority of the State Board of Agriculture, governing body for Michigan State College. Fees up to \$50 during the freshman year of the regular four-year course are paid from the scholarship the first year at East Lansing. If scholastic standings are maintained, the scholarship permits an additional \$45 for fees in the second or sophomore year.

Gavelear Club Records Voices

Thursday, April 29, the "Gavelear Speech Club" journeyed to Max MacKahn's laboratory and recorded their voices. Each member of the club made a speech on a "Worthy Ambition." Phyllis Sherwood acted as the announcer for the group. In a couple of weeks another record will be made which will reveal to the club their speech improvement. Miss MacNeil has charge of the club.

Buchanan First Among Cities of Berrien County

St. Joseph Ranks Second, Niles Third and Benton Harbor Fourth as Bond Drive Ends

Buchanan's name led all the rest when Berrien county's Victory Bond committee totaled the results of the second Victory Loan Drive which closed Friday night. With total sales of \$1,628,116.19 Chairman L. S. Swenson and his 65 gallant salesmen more than doubled the local quota of \$725,000 set at the start of the drive, and left other cities of the county trailing by substantial margins. St. Joseph came in second with a total of \$1,628,900, Niles third with \$1,333,575, and Benton Harbor, fourth, with a total of \$1,289,592.

Total for Berrien county is \$6,363,668, against a quota of \$2,140,000. In commenting on the success of the drive Mr. Swem praised the efforts of the 65 salesmen, who worked consistently to put it across. He expressed appreciation for the advertising and publicity given the drive by many firms and individuals of the city. Last but not least, was the splendid response of people who were asked to buy bonds. Most people considered buying an investment privilege and patriotic duty, lessening the salesmen's task to a marked degree.

The one regrettable note climaxing the campaign is the announcement by Mr. Swem of his resignation as chairman of the local committee. He has given considerable of his time to bond selling efforts and now that the second Loan campaign is, over he feels he has earned the right to be relieved of those duties. His place is being taken by Oscar Swartz, who is no mean salesman in his own right.

Neil Pease to Broadcast Over Elkhart Station

Starting Saturday, May 8, a new program will go on the air over WRET at Elkhart, Ind., entitled "The Preacher and His Family," with Rev. and Mrs. Neil Pease and four children, Ruth, Martha, Oliver and Mary Grace. The program will start at 1:30 p. m. and will continue for thirty minutes.

The program will consist of a brief sermon with vocal solos, duets and trios, the family furnishing their own accompaniment on the mandolin, Spanish guitar, Hawaiian guitar, clarinet and the piano.

Rev. Pease organized the Grace Baptist church here two years ago, the latest of several churches he has organized. His first mission work in this field was the organization of a church in Dowagiac, now a thriving institution known as the Calvary church. He also organized Bible schools at several other places including one at Franklin which developed into a thriving community church.

Pease supports himself while carrying on his mission work by employment as a tool maker in the Clark Equipment company, also contributing a liberal portion of his wages to his mission work. He is known by his fellow workers at the shop as "The Preacher," which was the reason for adopting the above title for his broadcast. Local friends of Rev. Pease are advised to tune in on Saturday, May 8, and following Saturdays, to hear his program.

Oscar Wolkins, 64, Dies at G. Rapids

Oscar Wolkins, 64, a native of Weesaw township, died at his home at Grand Rapids, Mich., on Tuesday, April 27, and the remains were brought to Buchanan for burial.

Funeral rites were held at the Swem Funeral home at 10:30 a. m. Saturday, with Rev. Norman Klump of the Buchanan Evangelical church in charge. Burial was made in Weesaw cemetery.

He was born in Weesaw township on July 19, 1879, the son of Constantine and Mary Wolkins. He is survived by the following brothers: Charles of Gallien, Robert of Gallien Rural Route, Henry of Buchanan, William of Toledo, O. and John of Bristol, Ind.

Mrs. William Kollar has returned from a week's visit with her sister, Mrs. R. E. Woodruff in Louisville, Ky.

Mrs. Arthur Myers received word that her daughter, Mrs. Eged Bromley, jr, had arrived at New Orleans, La. Mrs. Bromley has joined her husband, Fred Bromley, jr, R. M. 3rd class in the U. S. navy, stationed at New Orleans.

 Mrs. Kenneth Dickey returned home Sunday evening from several days visit with her mother in Detroit.  
 Kenneth Sheeley spent Sunday with Mr and Mrs. Fred Lickfeld.  
 Mr and Mrs. Albert Rickerman and Miss Betty Straub spent Sunday evening with Mrs. Hannah Kolberg in Three Oaks.  
 Mr and Mrs. Doan Straub and son, the George Olmsteads, Mr and Mrs. O. W. Grooms of Galien attended a birthday party for Mrs. Louise Scott and Jesse Toland at the home of Mr and Mrs. Jesse Toland in Benton Harbor.

## Portage Prairie

Mrs. W. F. Eisele and Mrs. Clarence Hess spent Sunday in White Pigeon, with their aunt, Mrs. John Cramer.

Mrs. M. J. Erdley had as her guest last week-end, Mrs. Carrie Sebasty of Hudson Lake. Mrs. Sebasty has recently returned from Florida, where she spent the winter.

Mr and Mrs. Dale Hanover report that their son, Dale Jr., Apprentice Seaman in the Coast Guard, has been transferred to Grand Haven from the Pine Lake Unit at Doster, Mich.

Mr and Mrs. L. B. Rough had as Sunday guests Mr and Mrs. Robert Hoffman and their son and Mr and Mrs. Anton Michal and daughter, Lucille, all of Elkhart.

Mrs. Robert Kell and Mrs. Jerry Kell entertained at a miscellaneous shower Wednesday evening in honor of Miss Mary Catherine Ehninger. They will entertain at the home of Mrs. Kell.

Mr and Mrs. Robert Kell visited Sunday at the home of Mr and Mrs. Robert File in Niles.

Mrs. J. E. Vite was a dinner guest Sunday at the home of her son, Glen Vite.

The All Star class of the Portage Prairie Evangelical church met Tuesday evening at the Oliver York home.

Mr and Mrs. Harold Widdis and son, Russell of Baroda, were entertained at dinner Sunday at the home of Mr and Mrs. Oliver York.

Mr and Mrs. W. E. Baker had as guests Sunday Mr and Mrs. Russell Baker and Mr and Mrs. Amos Baker of Goshen. W. E. Baker has returned to his home after undergoing an operation at Pawating hospital. He is reported to be recuperating rapidly.

Mr and Mrs. Clare Trickett visited Sunday at the home of Mr and Mrs. Fred Pealer in Mishawaka.

Miss Charles Bamton and daughter, Lonna Ruth, are spending the week in Milwaukee with the former's sister, Mrs. Howard Whammond. Both Mrs. Bamton and Mrs. Whammond will return to Buchanan this week-end to visit their parents, Mr and Mrs. Clarence Crisp.

Miss Margaret Schantz, student nurse at Epworth hospital, South Bend, was honored with a birthday dinner Monday evening in the home of her parents, Mr and Mrs. W. B. Schantz.

The Women's Missionary society will meet Thursday afternoon at the Portage Prairie Evangelical church.

The Young People and Adult Leagues will meet at the Fred Ream home Friday evening.

## West Buchanan

Mrs. Effie Wilson spent several days last week in Niles at the Lester Dickey home.

Mr and Mrs. S. C. Sarver were Sunday evening callers at the Amos Harroff home. Mr Harroff is ill.

**Simply Cotton Fabrics**  
 Simplification of cotton fabrics will add approximately 230 million yards of cotton textiles annually through increased loom capacity.

**Notches in Belt**  
 "Cans"—the navy name for destroyers—have one or more small Jap flags painted on the side of the gun director tower above the bridge. Each flag symbolizes victorious action, the nature of which is indicated by an accompanying picture of a plane, submarine or surface craft.

**Ship Work of Art**  
 One battleship, which participated in the night battle off Guadalcanal in mid-November, has elaborate paintings on gun turrets and mounds. They show the "Rising Sun" of Japan setting, and enemy warships battered by shell hits and, like the sun, sinking.

**Native Plant Has Rubber**  
 Pingue or Colorado rubber plant has been found to have the highest rubber content of any native plants tested during the past several months by the Colorado State college experiment station. The roots of 10- and 11-year-old pingue contain from 45 to 59 per cent rubber. The plant grows as a weed and is found most commonly in the mountainous counties of south-central Colorado. It is poisonous to livestock.

Mr and Mrs. Eddy and children have moved from Niles into the Kocner cottage.

Mr and Mrs. A. Hill are here for the week.

Mr and Mrs. Ritzler are new comers to the lake, having taken the Hamill cottage for the season.

Don't forget to continue buying bonds for liberty, so we won't be caught in the bonds of slavery.

## Olive Branch

Mrs. Patricia Olmstead and Adolph Walker of Indianapolis, came Sunday for a visit in the George Olmstead home. Miss Olmstead will remain here two weeks.

## W.C.T.U. Initiates Educational Program

"Re-affirming Our American Ideals," was the subject of a very interesting and instructive message given by Rev. I. B. Long, pastor of the Church of the Brethren, to the members of the Women's Christian Temperance Union, at their meeting Friday afternoon in the Church of Christ.

Members voted to finance a series of "It's Hard to Believe" educational cartoons to appear in the Berrien County Record, the first of which is to be found in this week's issue. Other forms of educational work sponsored by the Union during the past month was a meeting held at the Community church at Berrien Center, where the films, "Dollars and Sense," "He Went Straight Home" and "To Drink or Not to Drink" were presented. These films have been presented in the local schools and at various other local meetings and are the property of the state W. C. T. U. Mrs. Mason

Clark, Mrs. Kenneth Herman and Mrs. Howard Otwell each gave their reading for which they had received silver medals in former Speech Contests. The group is dated to hold similar meetings at the Dayton Methodist church, Sunday evening, May 16, and at the Portage Prairie Evangelical church in the near future.

The treasurer, Mrs. Nellie E. Boone, presented the society with a "Hold Fast" Honor Certificate, received from the national treasurer, complimenting the Union for having retained their membership of the former year, and they are also eligible for the "Victory Special" having made a ten per cent gain in membership for the present year. The membership to date is 62 active and 12 honorary members, in addition to the 12 members of the Iota Sigma which is the younger group of the W. C. T. U.

The County Convention is to be held at the St. Joseph Evangelical church, May 25, opening at 10 a. m. Mrs. A. F. Kann of Buchanan is in charge of the devotionals. The business sessions will occupy the time in the forenoon, followed by a cooperative luncheon at noon and an afternoon address by the state president, Mrs. Dora E. Whitney. Several from Buchanan plan to attend the convention. The next local meeting will be held at the home of Mrs. A. A. Rose, Sylvan avenue with the Iota Sigma cooperating.

**YOUR NUTRITION HEADQUARTERS**

**Potted Veal Shoulder**  
 with Dumplings  
 2 lbs. veal shoulder 1/4 teaspoon pepper  
 1 onion 2 cups diced potatoes  
 1 quart water 6 carrots  
 2 teaspoons salt 4 tablespoons flour  
 1/4 cup cold water

Remove fat and cut meat into one-inch cubes. Simmer veal and sliced onion in water for one hour. Add salt, pepper, potatoes, and sliced carrots. Continue cooking for fifteen minutes. Thicken mixture with the flour and water which have been blended together. Prepare dumplings and drop by teaspoons on top of the meat. Cover closely and steam twelve minutes.

Serve with Apple and Celery Salad  
 There is good nutrition in any cut of meat

# LOCALS

Miss Goldie Hemphill, who has been sick for the past two weeks, has been staying with her parents, Mr. and Mrs. Harry Hemphill. She will return to her home in Niles, where she will return to work Monday.

Mr. and Mrs. Gottlieb Thumm arrived home Sunday from Captiva, Fla., where they had spent the winter.

Riley Dills and fiance, Miss Ruby Smith, are here from Tipton, Ga., as guests of Mr. and Mrs. James A. Dills, 410 E. Fulton St.

Harry L. Hayden, who recently underwent a major operation at Rochester, Minn., was able to leave the hospital Thursday of last week, according to Mrs. Hayden, who accompanied him. They expected to remain for a week or two at a hotel in Rochester before coming home.

Mrs. Anna Bolster entertained her brother, Mr. and Mrs. Al Hoffman of Benton Harbor, in her home Sunday. Mrs. Bolster's older brother, Ernest Hoffman, has been ill, but is now recuperating rapidly.

Mr. and Mrs. Claude Hess left Wednesday evening for San Diego, Calif., where they will visit their son, Dick, who has been stationed at Kearney-Messa for the past year, with the transport division. Mr. and Mrs. Hess will be gone for two weeks. Mr. and Mrs. Fred Hagley left at the same time for a visit with their son, Fred Jr., who is a patient at the Naval hospital at San Diego.

Mrs. Charles Mills and daughter, Janice, were week-end guests at the Ernest Kellogg home at Athens, Mich.

Mrs. Norma Bromley Cramer left Wednesday evening for San Francisco, Calif., where she will join her husband, Pvt. Leonard Cramer, who is stationed at Hamilton Field, near that place.

Fred Meyer will leave this (Thursday) evening for an indefinite visit with relatives at Santa Ana, Calif.

Miss Marion Blake was a week-end guest of friends in Kalamazoo. Mr. and Mrs. William Dempsey visited relatives at Diamond Lake Sunday.

Mrs. Frank Chain had as her Sunday guest, her sister, Mrs. Naomi Cussans Granger, Ind.

A. H. Kiehn is reported to be seriously ill in Pawating hospital. Mr. Kiehn suffered a heart attack in his home here Sunday.

Mr. and Mrs. Ed. Arney went to Healthwin hospital Sunday to visit Frank Womer, who is a patient there.

Mr. and Mrs. William Darkwood of Detroit, were week-end guests of Mr. and Mrs. Louis E. Stevens.

Mr. and Mrs. T. A. Cramer had as Sunday guests Mr. and Mrs. Charles Eneyart and Ralph Eneyart and son of Inwood. Miss Cramer returned with them to Inwood to visit at her home there.

Simon Deeds has been reported ill in his home here.

Miss Florence Mackway is spending the week in Chicago, visiting friends there and in Oak Park.

We offer a dozen or more ways of patriotic, air mail, and overseas writing packs at 10c and up. Blinn's Magnet Store, 1911c.

Mrs. R. E. Doak visited friends in Chicago Monday.

Mr. and Mrs. Merritt Summey have moved from Niles to 201 N. Oak street.

Mr. and Mrs. Sam Koons of South Bend were Sunday dinner guests in the home of Mr. and Mrs. Charles E. Koons.

## U. S. Planes on Way, to Harass Enemy

An unpleasant sight for Axis eyes is this cargo of planes on the way to battlefields, where they will harass the enemy. As they near their destination the accompanying vessels of the convoy swing astern of the carrier with its precious cargo. Army mechanics can be seen giving the planes a final checkup.

Lee Allis and family, Sgt. Lohr, in the U. S. marines, is stationed at Quantico, Va.

Mrs. T. D. Mulcahy and Mrs. Roy Creamer left Tuesday for their home in Fitchburg, Mass., after spending 10 days with the former's daughter, Mrs. John Shanahan and family. Mrs. Shanahan and sons, Dennis and James accompanied them home for a three weeks' visit.

## Doris Matthews to Serve in Hawaii

Miss Doris Matthews, who left Buchanan April 24 for San Francisco, Calif. en route to Kaula, Hawaii, where she will be on the nursing staff at the Eleale hospital, writes that she has been working at the University of California hospital, awaiting leave for the island. Miss Matthews was a graduate of the Buchanan High school, attended Valparaiso college and later graduated from St. Joseph hospital at Mishawaka.

For the past eight years she has been employed at Pawating hospital, where she was laboratory technician for six years. Miss Matthews was recruited through the Hawaiian Nurse's exchange.

## Mrs. Norma Stevens City Correspondent

Mrs. Harry Post, who has acted as city news and social reporter for the Record for the past several months, has resigned this work and it has been taken up by Mrs. Norma Yoder Stevens.

Mrs. Post served most competently during the time she took care of the work and this splendid cooperation was greatly appreciated by The Record. Due to the fact that Mr. Hawes was called out of the city unexpectedly this week Mrs. Post has most graciously pitched in and helped us out. The Record solicits the cooperation and courtesy of the public for its new correspondent. Mrs. Stevens comes to the work with much less experience, but will doubtless develop competency with experience.

Mrs. Stevens is making her home with her parents, Mr. and Mrs. Earl Yoder, while her husband Earl is serving his country.

## "Talk of the Hour" Program Revised

"The Talk of the Hour" club has found that the original schedule of lectures would conflict with the Business and Professional Women's club meetings and so a revised program is given.

Dean Smith, May 24, Dr. Struna, Sept. 27, Senator Benes, Oct. 25, Prof. Schartfrenberg, Oct. 25, and either Paul Lin or Dr. Chamberlain on Nov. 22.

Mrs. Hande, representative for the Red Path circuit, stated that the students were greatly interested in the program and that they were buying series tickets. All other interested should get their memberships in at once. These membership tickets entitle the holder to attend both the Buchanan and Niles lectures.

Posters are now on display at the city hall giving further details regarding the speakers who will appear on the series.

## Fire Department Is Called to Bertrand

The Buchanan Fire Department answered a call to the Sam Purucker farm near the Bertrand bridge Tuesday afternoon, when fire completely destroyed the 7-room house and contents.

The local department was able to save the barn and garage, but the house was too far gone by the time they reached there. The loss is estimated at \$7500, with insurance of \$1250. Mrs. Purucker, who was home alone at the time, stated that there had been no fire in the stove and was unable to determine the cause of the blaze.

## Linda Mayhew Hit by Truck Tuesday

Linda Mayhew, the 5-year-old daughter of Mr. and Mrs. Arthur Mayhew, 807 N. Portage street, was quite seriously injured Tuesday afternoon about 3:30 when she was struck by a truck driven by Joey Cooper, driver of the George Ravitch Trucking Co. at Benton Harbor. The little girl received fractures of both bones in the right leg, just above the ankle and bruises and a cut near the right ear. She was rushed to Pawating hospital immediately for care. The driver of the truck was not held.

## Compress Eggs for Space

Eggs, because of their high nutritive value, have been an important lend-lease and army item. Dried, they take up only a sixth as much space as in the shell, and when compressed the bulk is further reduced by a half. A 14-pound package of compressed dehydrated eggs contains the equivalent of 537 fresh ones.

## Squeeze Air From Food

Compression squeezes out the second space-robber, air, and saves 30 to 75 per cent of the already reduced precious cargo space. Experience indicates that the compression further improves the keeping qualities of the food. By removing most of the air, the opportunity for oxidation, one of the contributing causes of food spoilage, is reduced. Compression also cuts down the food surface area exposed to what little air remains.

## Two Buchanan Girls Members of Armed Services

Miss Martha Trapp, a graduate of BHS in 1939, was in Chicago last week where she passed her examinations for the marines and is now awaiting call. Miss Trapp, daughter of Mrs. Martha Trapp, is employed in the service department at the Clark Equipment Co. She has two brothers, who are also in the marines. Arthur is somewhere overseas and Charles is stationed at Sanford, Fla.

Miss Hazel Weed, who has been employed at the Indiana and Michigan Electric Co. for the past 5 1/2 years, was sworn into the SPARS at Detroit Tuesday, April 27, and is now awaiting call, which she expects within the month. Miss Weed has enlisted for office work and expects to go to Hunter College, New York, for training. She is the daughter of Mr. and Mrs. C. F. Weed of Three Oaks, where she attended and graduated from the Three Oaks school, later taking a business course at Michigan City Business college.

## Shows Teeth

The crocodile is distinguished from the alligator by having two teeth protruding when the jaws are closed.

## Absenteeism at Clark Plant Near 10 Per Cent

(Continued from Page One)

ice employees, Mr. and Mrs. Jack Boone each received a service medal. Other employees to receive medals were as follows: Simon Hempel, John H. Hittle, Ernest Renbarger, Harry H. Hartline, James Peacock, Frank Benak, Charles Kane, Merle Bromley, G. J. Melvin, Burton Benson, William Kellee, Frank Runsey, Claude Hess, Fred Hall, Erwin Wells, George Franklin, Everett Watson, Glauys Ziminger, Arden Richardson, sr., Harold Matthews, Ora Coleman, Don Hankin, Daniel Graham and Harold Kramer.

Plant Trees Early

Planting of forest trees should take place as soon as the frost is out of the ground and the soil can be worked easily. It should be finished as early as possible in order to have advantage of spring rains.

Russ Develop 'Black Cotton'

Black cotton is something new. Russian plant breeders have succeeded in developing a cotton so black that no dyeing is necessary, and the ingrown color is far more resistant to fading than the dyes commonly used in making black cotton fabrics.

### With the Boys in Service

**Crosses Equator 6 Times**  
A letter written April 17th was received Monday, May 3rd by Mr. and Mrs. Tracy Neal from their son Richard, stating that he had reached his destination in the Southwest Pacific, having left San Diego, Calif., on Feb. 8th. He couldn't give his exact location, but stated he had been living in a hut in the jungles, that they have had lots of rain, mud and hot weather, but in this writing was "feeling fine," enjoying his new location, and that he had a small bunch of officers and men. Richard has crossed the equator six times within three years. He is stationed with the Pacific Fleet Air Force with "Shore Duty." His address is: Richard R. Neal, Y-2 C U S N, Fleet Air Base, Unit 2, care Fleet Post Office, San Francisco, Calif.

Lewis Thurston of the U S Navy, arrived Monday from Quantico Point, R I for a visit with his parents, Mr. and Mrs. William Thurston. Lewis started his fifth tour of duty last March, and is an airplane mechanic. His brother, Robert, who is also in the navy, is expected to arrive soon on a leave from New Orleans Air Base, La.

Mr and Mrs L G Fitch have recently received mailing addresses for their sons and have announced them as follows:  
Pvt Tom Fitch—615 TG, Sq 491, Duesenberg Hotel, St Petersburg, Fla  
Pvt George Fitch, Co B, 247th Engi Bn (C), A. F. O 304, Fort Louis, Wash

Aviation Cadet Duane Stanley Beadle, son of Mrs Stella Beadle, Champaign Ave., Buchanan, was among the class of cadets who arrived at the Independence Army Air Field recently for the third or basic stage of the aviation cadet flying training program.

A member of the cadet class scheduled to graduate in a few months with wings and appointments as flying officers, he has successfully completed both the pre-flight and primary phases of the aviation cadet flight training program.

At the Army Air Forces' newest flying school, cadets will fly the 475-horsepower North American Basic Trainers, quite a step-up from the lighter and slower aircraft they flew while at primary training schools.

Instruction, too, becomes more complex with cross country, formation, instrument and night flying added to a curriculum that already includes landings, take-offs, turns, stalls, spins, acrobatics and other standard military flight maneuvers.

After nine weeks at Independence, Kansas, he will move on to an advanced training school. His record will determine which of the two final stages of instruction—single engine advanced for fighter pilots or twin-engine advanced for bomber pilots—he is best adapted for.

**Promoted to Staff Sergeant**  
Sgt Kenneth J. Slocum, who recently returned to his base at San Bruno, Calif., after enjoying a ten-day visit with his parents, Mr. and Mrs. John Slocum, has been promoted to the rank of Staff Sergeant. He entered the service Feb. 19, 1942 and holds airplane mechanic diplomas from Sheppard Field, Texas, Lockhead Airport, Burbank, Calif., and Campbell, Niagara Falls, N Y.

Pvt f c John I Moyer of Redbank, N J, arrived Saturday evening for a visit with his parents, Mr. and Mrs. Fred Moyer. His return trip has been delayed due to illness.

Steve Doak, son of Mrs. Sam Rouse, is now at the Great Lakes Naval Training Station, starting his "boot" training. He enlisted at Indianapolis, Ind., about ten days ago.

Fort Sill, Okla.—Donovan Max Beadle, R. 2, Buchanan, Mich., has been commissioned a second lieutenant in the army of the U S. at the Field Artillery Officers' Training school here.

Lt Beadle has been assigned to Camp Carson, Colo.  
Frank Benak, son of Mr and Mrs Frank Benak, 316 Fulton, Texas, to Lubbock, Texas, for his last two months of pilot training. Lubbock is on the New Mexican line just within Texas, in the Panhandle county. Benak is now flying two-engine bombers both as pilot and co-pilot. He expects to be graduated as a full-fledged pilot in June. His address is: Frank J. Benak, Av/C Detachment, Class 43F, L A F S, Lubbock, Texas.

Sgt H W Taylor, son of Mr. and Mrs. Monford Taylor, Clear Lake Road, was transferred recently from Salt Lake City to Ephrata, Wash., where he is in training as an aerial gunner. His address is: Sgt. H. W. Taylor, 591st Sqdn, 395 Bomb Group, A. A. 13 Ephrata, Wash.

Arnold Herman, son of Mr. and Mrs. Fred Herman, is now located at Camp Rucker, Ala, his address being Pvt Arnold Herman, Bty B 219 F A Bn, APO 35, Camp Rucker, Ala. He is looking forward to a furlough and a trip home in June.

An error was made in a recent issue of the Record which gave the rank of Edward Rinker as a electrician's mate third class. He is an electrician's mate first class.

Mr and Mrs. Harry Brown have received word that their daughter, Miss Lily Brown, is now serving as an army nurse somewhere in Hawaii.

### Valet Service

Count Fleet, the equine aristocrat favored to win the 1943 Kentucky Derby, gets attention at Belmont Park, N. Y. He is the son of Reigh Count, who won the Derby in 1923.

ter, Miss Lily Brown, is now serving as an army nurse somewhere in Hawaii.

Mrs Mary Hahn, 407 S Oak street, received a letter Friday from her son, James L Hartline, serving as a truck driver at an army air base somewhere in the South Pacific. He stated that he had been transferred to another South Pacific. He stated that he was well and busy, and saving his money for a furlough which he hoped to get soon.

Lee F Pierce, A S, has completed his "boot" training at the Great Lakes naval training station at Great Lakes, Ill., and will arrive Thursday to spend a 9-day leave with his parents, Mr and Mrs William Pierce.

Gene Maxwell, A S, at Great Lakes, Ill, came Monday to spend a 9-day leave with his wife, Mrs Wilma Maxwell in the home of her parents, Mr and Mrs John Conard, 301 Berrien st.

Pvt Lloyd Kolhoff, Fort Custer, Mich, spent the week-end with Mrs. Kolhoff, Berrien Springs and his mother, Mrs. Mary Kolhoff.

Mrs Gladys Maynard will spend the week-end with her husband, Elmer Maynard, A S, at Great Lakes, Ill.

Mr and Mrs John Copard, sr, received a letter from their son, John Copard, jr, a seaman guard in the U S navy in North Africa. He wrote that he was well and liked the country where he was stationed.

Pvt and Mrs. Kenneth Metzger, Milwaukee, Wis, will spend the week-end with the former's parents, Mr. and Mrs. Victor Metzger and the latter's uncle and aunt, Mr and Mrs James Gray. Pvt Metzger is stationed at Camp Cudahy, near Milwaukee.

Mrs Gladys McCarty has received a letter from Lieut. N. H. Meyer, U S N R, advising her of the promotion of her son, Paul E. Arnold, from Seaman First Class to Gunner's Mate, 3rd Class, on the U S S. Saucy.

Chas R Walters, Camp Grant, has been promoted from private to corporal. He will be home over the week-end.

Pvt. Thomas Mosier, Camp Sibert, Ala, called his mother, Mrs. Margaret Mosier, Saturday evening. He stated that he still prefers Michigan. His buddy, Pvt. Roger Morrison, also talked on the call.

1st Lieut. Sidney Deming arrived home Monday for a 15-day leave with his parents, Mr. and Mrs. George Deming. He has been on army maneuvers in the desert area for the past several months, with the 4th armoured division of the Anti-Aircraft and has a Los Angeles, Calif., mailing address.

### Small Farms Show Increase In 1942 Food Production

More than 32 7/8 per cent of the 1942 increases in milk production in Michigan came from the 8,356 Michigan small farm operators in the Farm Security administration program, Roswell G. Carr, state FSA director, reported recently. Representing only 4 per cent of the 187,589 farm operators in Michigan listed by the 1940 census, these small farmers according to figures taken from actual production records increased their 1942 milk production over that of 1941 by 16 per cent.

"Significant increases made by FSA families were also shown for other war-essential food crops," Carr said. "On the basis of 1941 production figures, their pork production was increased 18 per cent, eggs, 23 per cent, beef, 41 per cent.

Operating with Farm Security credit and supervision, which enabled each family to utilize more fully its resources of land, equipment and family supply of labor, these families revised their farm plans early in 1942 to provide the expanded output necessitated by the stepping up of national food goals following the attack on Pearl Harbor, Carr continued.

By L. L. STEVENSON

**Rambblings and ruminations:** An extremely large husband and a very small wife having a heated argument on Fifth avenue. The little woman evidently wins as he thrusts some bills into her hand and meekly follows her into a glittering shop where feminine apparel is sold. A window display of that new fur which I'm told is a combination of monkey and fox. Looks expensive. Reminds me that at the theater lately, I've seen more ermine than in a long time past. A gold-braided doorman holding a chow in his arms, the dog's owner evidently being inside the establishment in front of which he stands. A pretty brunette losing a heel as she steps from the curb. With her face flaming she limps away without attempting to pick it up. Job for a cobbler!

Musician's mulling about on Broadway in front of their union headquarters. Not a demonstration, merely waiting to be summoned to jobs. Taxicab drivers stopped by a traffic light, exchanging information on hockey teams. Drunk staggering into the sidewalk exhibit of one of those sellers of toy dogs and destroying several and immediately settling all arguments by turning over a dollar bill to the owner, then tearing on his way. If I were a defeated politician I'd have my advertisements taken down as soon after election as possible, though that doesn't seem to be the practice.

Bowery stores that sell second-hand clothing and shoes. A bearded derelict bent under the weight of a packing case, which he is trying to carry up a steep stairway. Carnival men, lean and tanned, back from their wanderings over the country. Two handlers stopping to talk over their day's take and finally going into a 10-cent whisky establishment. Old men looking out of the windows of upstairs lobbies of cheap hotels. Ragged youngsters seeking bits of fuel. Unfrosted globes lighting the windows of cheap clothing stores with a hard glare. Five Points; notorious many years ago because of its gangs, now settled down into modern respectability. A stand where partly smoked cigars, the ends neatly scissored, are sold.

A gaunt, hollow-eyed man staring into the window of a fish store at a display, the center of which is live lobsters.

The Chelsea piers, where not so long ago great liners were berthed, looking idle and deserted. Where once there was a regular forest of big funnels, only an occasional smokestack. and that of some small coastwise vessel. The various ferry lines doing business as usual, the blunt-nosed boats bowing with the tide as they churn from their slips into the river. A police launch, unintelligible noises coming from its radio, pushing a white bellow as it hurries upstream. Those little tugs, with rope fenders on their bows, still remind me of children with bad colds. And I still find the odor of rotting wood and salt water alluring.

Two youngsters, in a dispute over ownership, tugging at a nondescript dog. . . and the animal looking as if it were taking no interest in the proceedings. The clang of an anvil in the shadow of Manhattan bridge, one of the few remaining blacksmith shops. . . Wonder if small-town kids still make rings out of horseshoe nails. . . A woman, whose voice has power and beauty, running the scales on the upper floor of a tenement. . . While from below come the strains of an accordion. . . Youngsters turning over pennies to a bearded peddler of hot baked potatoes.

Lately there have been numerous reports of British sailors, here on matters vital to the defense of their country, being defrauded because they do not understand the value of our money. A recent instance was that of a young officer who came into Olney inn with 79 cents, the change a cab driver had given him for a \$10 bill after hauling him less than a mile. As that was all the money he had, Clara May Downey not only provided him with a meal, but also with transportation back to where he was stationed. (Bell Syndicate—WNU Service.)

**They'll Collect—in Two Million Years**  
WALTHAM, MASS.—In 1928 a fund was started by 75 Waltham citizens, each of whom contributed \$10 with the provision the \$750 be allowed to accumulate interest until it amounts to \$75,000,000. The interest so far has reached \$1,141.39 and there is only 2,000,000 more years to go before reaching the goal.

**Babes of Two Sisters Are Born on Same Day**  
KANSAS CITY, MO.—Two sisters, whose babies were born recently in the same hospital on the same day, are making plans for joint birthday parties.

**Private Is Admiral Allen, But Major's Just Major**  
SAN ANTONIO.—Private Admiral C. Allen of the army air corps isn't the only one around Randolph field with name trouble. There's Maj. Major S. White of the medical corps. Guided by his friends about this seemingly double title, Major White is impatiently waiting for a promotion.

**Ship Construction Now Catches Up With Losses**  
SAN PEDRO, CALIF.—Rear Admiral Emory S. Land, retired, chairman of the U S maritime commission, disclosed that American ship construction has caught up—ton for ton—with the sinking of allied shipping in the European war.

The admiral paid a surprise visit to the California shipbuilding yards and the Consolidated Steel corporation at nearby Long Beach.

**This Time It Is the Fish That Got the Bird**  
OTTAWA, CAN.—Usually it's the bird who catches the fish, but banded birds turn up in strange places. The recovery of a full-grown ring-billed gull from the gullet of a large fish caught off the southern coast of Rhode Island this summer ranks among the most unusual items recorded by the department of mines and resources.

SAN ANTONIO.—Private Admiral C. Allen of the army air corps isn't the only one around Randolph field with name trouble. There's Maj. Major S. White of the medical corps. Guided by his friends about this seemingly double title, Major White is impatiently waiting for a promotion.

### Women Scholars Active in Wartime

Work the Entire World for Post-War Co-Operation.

NEW YORK — Women scholars throughout the world are working, not only to combat totalitarian aggression, but to prepare themselves and others for the task of rebuilding when the fighting is done. 600 members of the New York city branch of the American Association of University Women were told at their annual luncheon at the Hotel Pierre.

Speaking as the representative of the British ministry of economic warfare, Miss Mary Craig McGeachy said that exiled women scholars from all parts of Europe were now active in England, training young girls for their part in a "new life."

"These women," Miss McGeachy declared, "who came to England from a background of apprehension, were afraid it would be impossible to resist the German machine without setting up a similar machine. They are now making the discovery that a people who really believe in a democracy insist on defining what they are fighting for, and that, in the midst of battle, they define freedom in fresh and vigorous terms."

Civilian defense has placed emphasis, in Britain, on the maintenance of standards for food, clothing, shelter and justice, Miss McGeachy added. She believes that this will result in a new conception of service in society, the defense of the means of life for every one.

Dean Virginia C. Gildersleeve of Barnard college, acting president of the International Federation of University Women, reported that the federation still lives and functions. "It is still working for world understanding and co-operation," she said.

**Private Finds Short Cut In Laundering Is Futile**  
CAMP CALLAN, CALIF.—Pvt Loyd C. Gilbert really has a first-class case of the blues!

Gilbert tried to kill two birds with one stone by combining his shower bath and his clothes-washing. He eased under the steaming shower in his blue denim fatigues outfit, hat included, and scrubbed away briskly until long plumes of lather covered him.

When Gilbert stepped out of the shower he peeled off his clean denim suit and discovered that, underneath, his skin had taken on a very weird shade of blue. He spent the next few hours scrubbing himself white.

**Soldier Finally Gets Pair of Size 2-E Shoes**

NEW CUMBERLAND, PA.—Private William E. Boyer of Lewisburg, Pa., is one man in 20,000 to take it from Lieut. Wilbur B. Logan, to whom fell the task of obtaining a pair of 2E shoes for the soldier.

The job took two months, the shoes looked about as broad as they were long, and Logan learned the following:

They were the smallest size issued in 20,000 pairs here. The smallest shoe regularly stocked, 5A, fits only one in 13,000 men, the largest, 15EE, 19 out of 13,000, and the most common size, 9D, 54 out of every 1,000.

### War Increases Court Problems

The fact that Probate Judge Makolm Hatfield heard the cases of twenty-eight youthful offenders, eleven neglected and dependent children and four runaways during April reveals that children are greatly affected by war conditions. As several of the youthful delinquents were second offenders it was found that their mothers had taken jobs outside the home.

Throughout April, Judge Hatfield admitted eleven crippled and fifteen afflicted children to hospitals for treatment. Only one youthful traffic violation case was heard and this young man's driving privileges were curtailed for the duration of the war. Nine adoptions were confirmed and 3 new applications received.

In the Probate Division 29 new estates, 18 old estates and 16 guardianships were closed. During the same period 6 guardianship and 34 new deceased estates were opened while inheritance taxes were computed in eight estates of which the \$7681.15 in the Maurice Scofield estate was the largest single item. Two feeble-minded children and seven insane adults were committed to state institutions. Guardians were also appointed for three mentally incompetent adults. Two drain hearings were held and three adults were permitted to change their names. Intangible taxes in the amount of \$23.05 and inheritance taxes of \$2898.11 were turned over to the county treasurer.

During April Judge Hatfield also heard matters relative to partition proceedings, uncalled for bank accounts, the removal of two administrators, a sterilization case, the failure of adult children to care for an indigent mother, two restoration to soundness of mind cases, one dope addict, a disappeared person and seventeen out state delayed birth cases. He also approved twenty-nine petitions involving court wards and one hundred and three petitions pertaining to deceased estate matters.

**Bee Moths Feed on Beeswax**  
Bee moths are small insects, only about half an inch in length. They are best known as parasites on bee colonies, where their strange appetite—they feed only on beeswax—makes them a destructive and dreaded pest.

**Pine Has War Uses**  
Pine trees for parachutes—pine trees for smokeless powder—pine trees for blueprint paper—pine trees for treating sick and wounded soldiers—their pulpwood and resin find a thousand uses. Resin impregnated kraft pulp is now being moulded under pressure into airplane parts. A cord of pulpwood will make enough smokeless powder to fire two rounds in a 1.6-inch naval gun.

**Mica Process Mica**  
Mica must be trimmed, sized and sorted for quality. The mica is then rified or sheeted to various thicknesses. While some mica is shipped as block mica, a considerable portion is sheeted in India to between one-thousandth and 12 ten-thousandths of an inch for use as condenser film. A still larger part of the output is converted into "spittings" which are "less than 12 ten-thousandths of an inch in thickness" and are used for built up products, such as mica board and radio tubes.

### Rider Falls 40 Feet, Lands on Mattress

NEW WATERFORD, N S—Alex Poirier went for a ride on his bicycle and ended up by riding over a 40-foot embankment. Below there was nothing but a rocky shore—and an old mattress. Spectators who saw Poirier disappear over the cliff rushed to the shore to pick up the body, but found him unhurt on the mattress.

### Landowners to Vote Wednesday, May 12

Landowners will vote in Oronoko and Royaltown townships, on Wednesday May 12 from 2 p m to 10 p m, on whether or not these two townships will join the present St Joe River Soil Conservation District, states H J Lurkins, Berrien County Agricultural Agent. The voting places will be the Oronoko town hall at Berrien Springs and the Royaltown

town hall at Scottdale. The ladies as well as the men should vote if landowners or when their names appear on a joint deed. Those who own or have contracted to purchase land are entitled to vote.

This election has been set up by the Soil Conservation Committee, as the result of interest shown by the local people who attended the public hearing on this proposition which was held in March at the Berrien Springs high school.

"Everyone who is interested in the betterment of the soil and the community should get out and cast their ballot, either for or against joining the district," Mr. Lurkins said. "Unless a representative number show up at the polls and vote the state committee still has the power to drop the matter."

"If this territory is voted into the district, it is still optional with the individual landowner whether or not he chooses to participate in the district program. Joining the districts makes it possible for the people who

wish assistance to receive it, and does not affect the balance of the people in the territory," he said.

**Balance Diets of Sows**  
All sows should be given liberal, well-balanced grain rations and proper supplements before the pigs are born. If any pigs show loss of appetite, rough hair, or lowered vigor, they should be separated from the rest of the litter and hand fed.

**Chemical Weed Killers**  
Sodium chlorate, sulphuric acid, carbon disulphide, and common salt are four of the best weed killers. The first two kill the plants above the ground and the other two kill plants below the ground. With sodium chlorate, a solution should be made up of one pound to the gallon, and sprayed upon the plants. This chemical is very active and it must at all times be kept away from fire and sulphur. With sulphuric acid, a 1 to 2 per cent solution is sprayed on the plants. Care should be taken in mixing the acid and the water. Apply in dry weather.

## Mother'll Understand

if you don't call her on Long Distance this Sunday

Mothers are understanding and patriotic. They know that under the steadily increasing burden of war-created calls, long distance telephone equipment is seriously overloaded. Of course, they like to be remembered on Mother's Day, but they'd rather be sure the lines are kept clear for vital war messages. This year, send your love in a letter. And if you'd like to give your mother a present, she will truly appreciate a U. S. War Bond—a gift of fighting dollars to back our boys overseas.

Don't make any long distance call this Mother's Day unless it is extremely urgent.

## Carry Me Back to Old Virginia

for Smithfield Ham at White's

**White's SMITHFIELD HAM**

RECIPE

When you receive them, Smithfield hams have been slowly smoked for months over smouldering hickory logs. Each genuine Old Virginia Smithfield ham is carefully selected for size, age and flavor. . . then oven baked in sherry wine, molasses, spices and brown sugar.

**PORT WINE SAUCE Served With Ham**

1 cup port wine 1/4 teaspoon salt  
1/2 cup raisins 1 tablespoon flour  
1/2 cup fine sliced orange peel 1/2 cup water

Mix port, raisins, peel and salt. Add paste of flour and water. Cook in saucepan over low heat, stirring constantly until thickened. Yield, about two cups.

White's is at 513 East Grace St. in Richmond

**NATIONALLY FAMOUS FOR FINE FOOD**

# GOEBEL BEER

NATIONALLY FAMOUS FOR GOOD TASTE

A flair for giving food a delicious flavor and traditional care in its preparation—these are the most important "ingredients" in the fine Southern food treats for which White's in Richmond is famous. Skill and care—these very same qualities—combine to make Goebel Beer famous for its distinctive taste. Treat yourself to a glass of Goebel Beer today. We are sure you will say, like the many thousands of Goebel enthusiasts from Canada to the Gulf, that you have never tasted a finer beer.

Ration Card Management

During the late afternoon of Friday, April 30, this schivener had the honor (or as the case may be) of taking part in what will doubtless go down in history as the Battle For The Last Points.

Along with some scores of hundreds of fellow Buchananites, all grimly gripping ration cards, we shouldered our fellow citizens to the grocery counter and dispose of our remaining blue points D, E and F, before the deadline. It probably was not a battle against starvation but it might as well have been.

The store where we do much of our trading is known as are other mercantile establishments, for the sauve patience of the clerks. At that particular time the afore-said sauvity was worn a little ragged, but we were in at its worst, between 4 p m and closing time. It was shortly after the first named hour that a local woman burst into the Record office and said "Last week you wrote about dogs, now you can find something to write about in the grocery stores

didn't have time to check and we were too tired and rushed to figure. People could not only save a lot of time for themselves, looking at things in an entirely selfish point of view, but they would come much nearer getting what they want if they would co-operate to cut down the afternoon lull.

If we really want to help ourselves and help others in cutting down avoidable hardships these days, here's a way we can do it. Look over the "Rationing at a Glance" column and figure what stamps are now in effect and the expiration dates. Figure out the most essential food needs and arrange to trade them out as early as possible, and at the time when the traffic is relatively light (if we are lucky enough to be able to). With the stamps we have left, if any, we can buy the less essential things from time to time. That would be easy in buying processed foods not so easy with the meats. But we can manage even there. Let's don't let it happen again.

HOLLYWOOD

Johnny Doughboy Gets Dough at Last Minute

An inheritance which completely changes the course of four lives provides the basic theme for "Seven Years' Leave," RKO Radio's dashing new musical starring Victor Mature and Lucille Ball, and showing at the Hollywood theatre Friday and Saturday, May 7-8.

The film presents Mature in the role of an ex-bandster, recently inducted into the U. S. Army, who suddenly finds himself heir to a \$100,000 provided he marries a certain society girl (Miss Ball) whom he has never met. Mature is engaged to another girl and Miss Ball is about to marry another man.

The hilarious situations which develop as Mature attempts to carry out the terms of the freak will, and the unexpected denouement when he discovers that he is in love with the society girl instead of with his own fiancee, provide a fast-moving, delightful film. Woven into the action are sparkling musical numbers by the sweet and hot hands of Freddy Martin and Les Brown, songs by Ginny Simms and Marcy McGuire, sizzling dances by Mappy Cortes, the Puerto Rican star, "The Court of Missing Heirs" and "Truth or Consequences" radio programs, and other top specialty acts.

The supporting cast is headed by Harold (Gillespie) Peary, and includes Peter Lund Hayes, Buddy Clark, Arnold Stang, Walter Reed, Wallace Ford, Ralph Edwards and Charles Victor. Tim Whelan produced and directed.

Comedy Cast Milton Berle and Mary Beth Hughes star in the topflight comedy cast in "Over My Dead Body," the 20th Century-Fox film coming Friday and Saturday, May 7-8, to the Hollywood theatre. Cast as the Houdini of "Whodunit," Milton fancies himself as a writer of mysteries. He gets embroiled in a murder, and ends up heading for the electric chair. Reginald Denny and Frank Orth are featured in the film which was directed by Malcolm St. Clair.

New "Hardy" Film Filled With Hilarious Comedy The Hardy Family, with irrepressible Mickey Rooney in a myriad of comical troubles, returns to the Hollywood theatre in "Andy Hardy's Double Life," commencing Sunday, May 9, for three days. Mickey as the ebullient Andy Hardy is faced with a breach of promise suit that turns out to be a "frame" and otherwise is in hot water generally until he finally gets started for college.

"Night" Offers Murder and Merriment The most frightful murder mystery to hit the screen in recent years will be shown Wednesday, Thursday, May 12-13, at the Hollywood theatre. It is Columbia's delightful "A Night to Remember," co-starring Loretta Young and Brian Aherne and it richly deserves its Hollywood acclaim. As "something new in laughter," "A Night to Remember" is a gay and giddy story of a young married couple who, between kisses, hunt killers. As Nancy, and Jeff Troy, who move into Greenwich Village in search of "atmosphere" and instead find a corpse, and an assorted collection of peculiar characters, the Columbia co-stars leave nothing to be desired. Both are brilliantly at home in cracking roles, both are easy to look at, both are extremely talented, together they make a thoroughly enjoyable co-starring team. Jeff is a novelist, a writer of mystery stories. When a corpse is found in the Troy backyard, Jeff immediately falls under police suspicion. In order to clear himself and completely unaware that he is considered much too timorous to have been the murderer, the

General Patch Decorated in Guadalcanal

Vice Admiral Aubrey W. Fitch (right) is shown as he pinned the Navy Distinguished Service Medal on Maj. Gen. Alexander M. Patch, in command of U. S. troops at Guadalcanal, shortly after the army relieved the maines here. Looking on are Brig. Gen. R. L. Spragins, corps chief of staff, and Brig. Gen. William R. Woodward, artillery chief.

Nurse Training Offered Free at U. of Michigan

Girls Will be Given Free Board, Room, Tuition in 3-Months' Course This Summer

A splendid opportunity, furthered by governmental and private scholarships, for capable and patriotic girls 18 to 35 years old to enter training to become full-fledged professional nurses is described by the Michigan Nursing Council for War Service.

Student nurses, it is pointed out are desperately needed in the war effort to help fill the nation's requirements for nurses on the home front while thousands of graduate nurses enter military service.

The training is equally valuable to girls on a long-term basis, the Council avers, for they enter upon one of the most honored of professions and one for which the future appears particularly bright. Further, the training gives excellent preparation for home and family life.

Under the war-time nurses' training program, financial aids are available to qualified applicants who enroll with affiliated schools of nursing within the next few weeks, according to the Nursing Council.

Accepted applicants will, on June 3, enter a special three-month pre-clinical course at the University of Michigan, Ann Arbor. The girls will not be asked to pay tuition or room and board at the university. These expenses will be provided mainly by the federal government through its war education funds.

Upon completion of the summer study at the University, the students will return next fall to their individual nursing schools to finish their total of a two-and-a-half to three years of training. Through the efforts of private groups, particularly units of the Federation of Women's Clubs, many scholarships and loans of varying sizes are being made.

Here's Real Reason For Absenteeism

M-m-m-m Spring has sprung, as the saying goes. All the earmarks are the same—rugs on the line, roller skates and skinned knees, sulphur and molasses, new life in the old bones, and rabbits in the victory garden.

And here's a brand new "believe it or gosh darn..." for the nature lovers of Buchanan. It was sprung on five men driving to their work in Berrien Springs on Monday morning. They have decided nature gave them a sneak punch when she sent two young fawns scampering across the road in front of their car, near the Dr. Gamble home on Red Bud Trail. All five men claim to have seen the fawns, but when they try to tell it to the local skeptics all they get is a tongue-in-cheek nod and a side-long glance. Monday evening the men decided they needed more proof to back their story, so they went down to the river to find some trace of the deer, but there have been no reports on what they found. Incidentally, while the agitated victims were wandering about, beating the bush and muttering sadly, they might have heard a new sound ripple through the boughs, and if they did, it was probably only Spring, chucking up her sleeve.

Secretary of Navy at Great Lakes Fri.

HOPEING all Navy Mothers, the Bluejackets at the U. S. Naval Training Station at Great Lakes, Ill., will present a special program on the "Meet Your Navy" radio broadcast Friday evening, May 7, at 7:30 p m CWT over the coast to coast Blue Network.

The feature of the program will be an address by the Secretary of the Navy, the Honorable Frank Knox, who will be introduced by Rear Admiral John Downes, Commandant of the 9th Naval District. The Bluejacket portion of the show will present especially selected numbers for the nation's thousands of Navy Mothers.

Fuel Oil Coupon 5 is good for 11 gallons it must last until Sept 30 for both heat and hot water. Save ration sheet stubs for registration next heating season.

Science Reveals a New Milk Value

A new growth factor has been found in milk, Dr. C. A. Cary and his associates in the Bureau of Dairy Industry of the United States Department of Agriculture recently announced the discovery of a growth promoting constituent in milk which until now has not been known. This substance is called "X" until further identification.

In making these tests one group of animals was fed a mixture containing all of the now known constituents of milk. Another group was fed milk in its complete form as it comes from the cow. The latter group of animals grew much better and were maintained in superior physical condition. This work has been completely checked and shows conclusively that there is, at least one factor in milk which has not as yet been isolated and which has an important bearing on growth, health and improved physical condition.

"This," states Mrs. Ethel Austin Martin, director of nutrition service of the National Dairy Council, "furnishes an additional explanation for the improved health and increased efficiency among war workers in plants where adequate quantities of milk and its products are consumed. It points again to the importance of the consumption of sufficient quantities of milk and its products as a contribution towards the war effort. Dairy products head the list of protective foods."

Rice Surplus in Americas

A decade ago the Western hemisphere covered about 70 per cent of its rice requirements out of its own production. Meanwhile, rice growing has increased in various countries and, with good harvests, the Americas in 1942 had an estimated surplus of about 14,000,000 bushels of rice.

available to qualified students throughout their three years of training.

At present seven Michigan nursing schools are affiliated with this training program. They are accredited by the state board of registration of nursing and by the Michigan Nursing Council for War Service.

For the southwestern Michigan district of Berrien and Cass counties, the affiliated school is the Mercy hospital school of nursing, Benton Harbor.

Girls wishing to enroll should arrange a personal interview with Miss Olga L. Solberg, director of the Mercy hospital school. Applicants living at a distance from Benton Harbor may first reach Miss Solberg by mail to obtain further information or to arrange an interview.

To be eligible for nurses' training, girls must be between 18 and 35 years of age. They must be in good health and with no physical handicap. They must be high school graduates, and they must have stood in the upper third of their classes scholastically.

Buy War Savings Stamps and Bonds

It's A People's War

We are paying more in taxes than ever before... and likely will pay more. But we cannot rely on taxes to finance the war. It would not be fair to base a tax on the average single family income when many families have more than one income. We could borrow all the money from the banks, but for both economic and social reasons this is undesirable. The government would then sacrifice its greatest dam against inflation. This is a People's War and the people should finance it. The people WANT to finance it. Sale of War Bonds has mounted consistently since Pearl Harbor. They give their lives... You lend your money.

Farms Use Wood It is estimated that the 6 to 6 1/2 million farms of the country used about 5 1/2 billion board feet in 1940, or about 900 feet per farm.

**Page Is Ripped Out of Washington Irving Yarn**

KINGSTON, N. Y.—Howard E. Van Winkle, 52, lives in Stone Ridge in the heart of the legendary Catskills.

(Sure, they call him Rip.) Van Winkle's ancestors lived for many generations in that area fictionalized by Washington Irving.

(Yes, the old settlers say his great-great-grandfather was the original Rip who took the 20-year nap.)

Millet said that with every cigarette equipped with a snuffer, there would be no reason to toss a lighted one out a car window.

**Greeks Starving Under German Control of Food**

ANKARA, TURKEY.—Greeks in Athens are collapsing in the streets from hunger and their suffering is being shared by numbers of British and Australian soldiers who are hiding in small towns and mountain villages.

The situation of allied soldiers left behind in the withdrawal from Greece was said to be especially difficult because they are without credentials for obtaining food.

## New Towns Rise In Rural Britain

### Model Centers Will House Hundreds of Thousands Of War Workers.

LONDON.—Details of the steps taken in Great Britain to meet the housing emergency brought about by Nazi air raids and nation-wide armament production show that the construction is on a vast scale.

Six permanent model towns, built to plans designed by architects, have already risen on what were green fields and another 94 are nearing completion.

The ministry of supply, faced with the necessity of finding living accommodation for hundreds of thousands of war-factory workers in rural areas where there were only small villages with tiny cottages, made plans to create these new centers.

Unlike the sordid shanty towns of the last war, these, says a description of them in the London Sunday Express, will stand and expand after this war, so that men and women in industry can continue to live in beautiful rural surroundings while within walking distance of their work.

**House 100 Workers**

Each town has blocks of homes built to house 100 workers. The blocks are laid out in one-storied U formation around a central green, where communal buildings stand as the center of social life. There are hospitals, chapels, hair-dressing shops, cafes and theaters.

Some of the townships are for single men and women, who have traveled from all corners of the kingdom to work in the factories tucked away from the sinister attacks of the enemy. Others have large blocks of two-storied houses built for married couples.

To make home life easier, the towns are being run on hostel lines. This is purely a war-time measure, and when peace comes and workers settle down to normal ways of life the hostel arrangements may be ended if the workers wish.

Each block has six bathrooms—the baths are shining pale green porcelain. There is a laundry with fitted sinks, ironing boards and electric irons. Drying rooms for airing clothes and a special room for drying wet clothes are included.

Two large dining rooms seating 500 at a time serve three meals a day.

**Has Social Center.**

In the big social center around which the houses are built are the rest rooms, reading and writing room, and the theater and dance hall. There are dances twice a week and a dramatic performance once a week.

The center has a shop, postoffice and telephones, and soon there will be a cafe open all day.

Central heating pipes running through all the buildings keep the homes at an even, warm temperature in winter.

Today the inhabitants of the new townships pay an all-in rate for living there. Girl workers pay 25s a week for full board and lodgings. Furniture and all equipment are supplied. Men pay 30s a week. A special rate is being worked out for married couples.

There are no chimneys, no ash cans, rubbish being burned in incinerators.

Aside from these rural model towns, one-story flat-roof homes that after the war can be built up to regular size houses of two floors or more are being erected in bomb-ravaged sections of cities.

**Identity of Cat Poser For Judge to Figure Out**

SAN FRANCISCO.—Justice of the Peace Herbert D. Wise may have to outdo Solomon when he established the identity of a baby with a sword.

Mrs. J. D. Newton has asked \$50 damages from her neighbor, Bert Fletcher, who she alleges is the owner of a black tunneling cat that tunneled out a miniature subway system underneath her front lawn.

Fletcher charges there are five black cats in the neighborhood and that it is a case of mistaken identity.

**Band Gadget Invented To Snuff Out Cigarettes**

CLEVELAND, Anthony J. Millett, 31-year-old inventor, has devised a gadget he believes will prove a boon to absent-minded smokers—a cigarette "snuffer-outer."

The invention consists of a narrow band of fire-resistant material around the paper of the cigarette. The band is movable.

Millett said that with every cigarette equipped with a snuffer, there would be no reason to toss a lighted one out a car window.

# Church Services

**ST. ANDREW'S MISSION (Episcopal)**  
Rev. H. L. Nicholson, Priest-in-Charge  
Holy Communion, 8 a. m., last Sunday of every month.

**Claim Largest Pool**  
Camp MacDonough, Ill., claims to have the world's largest indoor swimming pool. Dedicated recently at an aquatic featuring a group of famous swimmers, the pool has a capacity of 587,000 gallons, is 165 feet long and 75 feet wide. A high wooden gangway 22 feet above water level will be used to train recruits in abandon ship drills.

**COMMISSION PROCEEDINGS**  
Regular meeting of the City Commission of the City of Buchanan, Mich., held in the City Hall of said City on Monday evening, May 3, 1943.

Meeting was called to order by Mayor Wilson. Roll call showed the following members present: Wilson, Fitch, Babcock, Deming, Bradley, City Clerk and City Treasurer and City Attorney.

Moved by Commr. Bradley, seconded by Commr. Fitch that the minutes stand approved as published in the Berrien County Record. Motion carried.

The finance committee read the bills for the month of April which were as follows:

|                  |            |
|------------------|------------|
| General Fund     | \$2,000.77 |
| Street Fund      | 705.65     |
| Highway Imp Fund | 342.25     |
| Water Works Fund | 1,255.72   |
| Contingent Fund  | 535.55     |
| Sewer Disp. Fund | 237.80     |
| Cemetery Fund    | 180.40     |

Moved by Commr. Fitch seconded by Commr. Bradley that the treasurer's report be accepted and made a part of the minutes. Motion carried.

Motion carried by the following vote on roll call, Yea: Fitch, Babcock, Deming, Bradley and Wilson Nay: None.

The finance committee next read the treasurer's report for the month of April showing a balance on hand May 1 of \$7,106.02.

Moved by Commr. Fitch seconded by Commr. Deming that the treasurer's report be accepted and made a part of the minutes. Motion carried.

The Park Board submitted a report and recommendations covering both Kathryn Park and Athletic Park to the Commission.

Moved by Commr. Deming seconded by Commr. Fitch that the Commission accept the report of the Park Board and approve the recommendation for Kathryn Park.

Motion carried by the following vote on roll call, Yea: Fitch, Babcock, Deming, Bradley and Wilson Nay: None.

Moved by Commr. Fitch seconded by Commr. Babcock that the Clerk ask for bids on insurance for the City Truck, Fire Equipment and on the buildings. Motion carried.

Assessor Harley Squier asked that the Commission appoint a committee to go with him to call upon the Clark Equipment Co., Buchanan Steel Products Co. and the Indiana & Michigan Elec. Co. regarding their assessments.

Moved by Commr. Babcock seconded by Commr. Deming that Commr. Bradley accompany the assessor Mr. Squier to the above mentioned concerns to act in the assessment matters. Motion carried.

The street committee reported that they had set the week of May 17 as clean up week.

Upon motion by Commr. Fitch seconded by Commr. Deming meeting adjourned until May 21, 1943.

**SIGNED**  
C. J. Wilson Harry A. Post  
Mayor City Clerk

1st insertion April 29, last May 13 STATE OF MICHIGAN, The Probate Court for the County of Berrien

At a session of said Court, held at the Probate Office in the City of St. Joseph in said County, on the 22nd day of April, A. D. 1943.

Present, Honorable MALCOLM HATFIELD, Judge of Probate in the Matter of the Estate of Alexander H. Hiller, also known as A. H. Hiller, Deceased. Laura Hiller, having filed her petition, praying that an instrument filed in said Court be admitted to Probate as the last will and testament of said deceased and that administration of said estate be granted to Laura Hiller or some other suitable person.

It is Ordered That the 24th day of May, A. D. 1943 at ten A. M. at said Probate Office is hereby appointed for hearing said petition.

It is Further Ordered, That Public notice thereof be given by publication of a copy hereof for three successive weeks previous to said day of hearing in the Berrien County Record, a newspaper printed and circulated in said County.

**MALCOLM HATFIELD,** Judge of Probate.  
SEAL A true copy: Elsie Krajač, Register of Probate.

1st insertion April 29, last May 13 STATE OF MICHIGAN, The Probate Court for the County of Berrien

At a session of said Court, held at the Probate Office in the City of St. Joseph in said County, on the 22nd day of April, A. D. 1943.

Present, Hon. MALCOLM HATFIELD, Judge of Probate in the Matter of the Estate of Rose Snyder, Deceased.

It appearing to the Court that the time for presentation of claims against said estate should be limited, and that a time and place be appointed to receive, examine and adjust all claims and demands against said deceased by and before said Court:

It is Ordered, That all of the creditors of said deceased are required to present their claims to said Court at said Probate Office on or before the 6th day of July, A. D. 1943, at ten o'clock in the forenoon, said time and place being hereby appointed for the examination and adjustment of all claims and demands against said deceased.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order once each week for three successive weeks previous to said day of hearing, in the Berrien County Record, a newspaper printed and circulated in said County.

 Sports editor—Jack Green  
 Feature editor—Dorothy Geary  
 News editor—Willa Miller  
 Seventh grade reporters—Paul Montgomery, Ruth Young, Connie Roti, Nedra Smith, Betty Risenberg, John Spatta, and Donald Gray, Jo Anne Renbarger  
 Eighth grade reporters—John Van Deusen, Philip Hawks, Kathleen Quinn, Darlene Durbin

## News Notes

The senior play cast went to South Bend last Friday and saw Riley High School's presentation of "Mrs. Miniver." Miss Dunbar had charge of the group.

Ed Hemple, a graduate of Buchanan high school, is home on leave from the Navy.

The other day Don Gray and John Spatta, two reporters on the Microphone, were talking about a mounted skeleton in the F. F. A. room. John was describing it and when he finished, Don replied, "Next, huh?" At the same time Willa Miller happened to be passing by. "Boy, was Don's face red!"

School exhibits have been canceled for this year.

Grade conferences which are substitutes for report cards, were held last week.

There was a Berren County Superintendent's meeting in Berrien Springs Monday, April 26. They elected new officers for the following year: President, Superintendent Alvin Nolin of Eau Claire, secretary-treasurer, Superintendent V. J. Whittemore of Three Oaks.

The Ag class has been planting shrubbery around the school lawn. They've done a grand job.

Why do all the teachers have smiles? Mr. Stark says the reason is that they have all received their contracts.

## Stamp News

The results of the war stamp sales for last week are as follows:  
 Dewey Avenue .....\$34.60  
 Grades .....115.85  
 High School .....91.00  
 Total .....\$241.45

With the exception of the special drives, more stamps were sold last week than any other week.

## Gamma Zeta Pi

The make-up club held their regular meeting last Monday. They are studying about wigs and mustaches.

## 7th and 8th Grades Tie in Speed Ball

The seventh and eighth grade speed ball game came out a four to four tie. The seventh graders were behind four points for three quarters. The fourth quarter resulted in four points scored by the seventh graders. Bob Stark made an outstanding play when he took the ball all the way down the field to score three points. There are going to be more games played between these grades in speedball and many other sports.

## "The Sea"

I am the sea so dark and deep, I've a story to tell too good to keep.  
 Of Colin P. Kelly and others unnamed,  
 Who died as heroes and will long be proud.  
 I am the sea so dark and deep, I saw the Japs in their murderous creep.  
 Across my surface to kill and plunder,  
 Like fiendish devils from way down under.  
 I am the sea so dark and deep I've many a secret forever to keep.  
 Many a lad beneath my wave Has lost his life, the world to save.  
 I am the sea so dark and deep And always will I vigil keep.  
 And hope that victory soon will be on land, in air and on the sea.  
 John Spatta, Seventh Grade

## Nicknames

Bill Montgomery, "Wee"  
 Paul Montgomery, "Wee Wee"  
 Darleen Durbin, "Dee" or "Clear Lake"  
 Betty Moren, "Tilly"  
 Herbert Moyer, "Biel"  
 John VanDeusen, "Speed"  
 Eety Runyan, "Legs"  
 Norman Strong, "Bugs"  
 Georgeine Clark, "Toby"  
 Phillip Hawks, "Wolf"  
 Jack Russell, "Casanova"  
 Jackie VanderVen, "Beauty"  
 Spencer Gibbs, "Bub" or "The Beast"

## Dashes By Dot

Another year has raced and here we are again getting set to view another senior play. Mrs. Dunbar, director, has chosen "Mrs. Miniver" for this spring, a play highly different from the plays put on by graduating classes of the past. The story revolves around Mrs. Miniver and her family. It is an up to the minute drama of a middle-class English family in the war.

This reporter took a seat the other night at a rehearsal, and watched with wonderment. I then came to the conclusion that we had some Lynn Fontana and Alfred Lunt in our hands and Mrs. Dunbar was making good usage of them.

I know that no one will want to miss this forth-coming senior play. Not only because it is a heart-warming story, but no one will want to miss seeing Bill Montgomery and Gene Myers in a R. A. F. uniform. Also the scenes of George Joanson, Jacqueline Stark, Joanne Cherry and Paul Montgomery add a great deal to the play.

## SANDY HOOK PILOT INVESTS HEAVILY IN WAR BONDS

"My Way of Charting a Safe Course for the Future of My Country and Myself," He Says

Charles Onasch

Charles Onasch is a ship's pilot. It is his ticklish job to bring ships into New York Harbor safely—through the tricky eddies and currents that run through the harbor.

## Grade School News

Miss Carnagan's first grade chose the following helpers for the next two weeks: Plants, Albert Rakowski, Dusting, Gray Newsom, Bookcases, Phyllis Flanagan, Boards, Harold Snider and Billy Warner, Milk, Dale Gleffe and Jerry Coultas.

Tommy Huebner has been elected captain of the room and Gladys Rauch and Herman Warner have been elected Lieutenants for the last six weeks period.

Bonnie Mary, Delores, Eugene and Gordon brought Easter things to show the children in Mrs. Morley's room this week. They were enjoyed by all of the children.

The new helpers are Housekeeper, Fred Heeter, Doorkeeper, Barbara Burrus, Librarian, Beverly Moreh Closet keeper, Gordon Smith, Flower keeper, Carmen Shreve and Board keeper, Shirley Nordin. New Lieutenants are Lillian Streifling and Bobby Johansen.

The children in Miss Fritz' room have finished their scrap books. These books show the children's year growth in number concepts, writing and art.

The boys and girls in Mrs. Huston's room were very happy to have so many of their mothers come to school for conference last week. Nearly every mother came.

The children are solving problems now with uneven division where there is a remainder. Most of them enjoy long division work. Mrs. Huston has finished reading "The Bobsey Twins" to the children. The new book that she is going to start is one brought to school by Donald Carbon. The name of it is "Nikkernick, Nikkernak and Nolkernok." The children are anxious to start it for it is a very humorous book.

Miss Gruessing's fourth grade has made a bird feeding shelf which has been placed outside the classroom window where all of us may observe our feathered visitors.

The children in Mrs. Fuller's fourth grade have selected Charlene Nehring for their captain during the last period. The lieutenants are Jo Anne Russell and Ted Thurston.

## Rats Cost U. S. 50 Cents to \$2 Apiece

Damage Caused Yearly by Rodents, \$300,000,000.

OAKLAND—The United States is maintaining a "fifth column army" of 250,000,000 rats at an annual cost in damaged food and property of 50 cents to \$2 per rat.

Dr. W. B. Herms, professor of entomology and parasitology at the University of California, told the national convention of pest control operators that rodents and pests are doing enough damage in the nation to undermine the national defense.

He declared that the staggering total of their damage is \$1,000,000,000 annually, or enough to supply the navy with 10 superdreadnaughts every year.

The greatest destruction by rodents and pests, he declared, are inflicted on food, clothing, furniture and housing materials.

With the rats causing a loss of more than \$300,000,000 annually, he said that insects come next, with an annual sabotage to stored grain and milled products of \$300,000,000.

"Especially during the present national defense period," he said, "vast stores of milled products are assembled at numerous cantonments, as well as great quantities of clothing and stocks of building material, where rats do more damage than professional saboteurs of an enemy nation might be able to accomplish. It is here that weevils, moths and termites get in their deadly work."

The total damage to clothing by moths be placed at \$20,000,000 annually, while the damage to buildings by termites was estimated at \$40,000,000.

Prof. Herms insisted that new methods of pest control must be substituted for those used at present.

Welding Oxygen Atoms  
 A single layer of oxygen atoms on a silver of steel the size of a safety razor blade can be weighed by a sensitive balance. Such a layer weighs two hundred-millionths of an ounce, or about a hundredth as much as a speck of pepper.

## Christian Home Week Now Being Observed

The Evangelical church, in cooperation with the nation-wide observance of Christian Home Week, sponsored by International Council of Religious Education, has planned a full program for this week.

Last Sunday evening open-house was held at the church with exhibits of work done in the children's department; also an excellent book table, arranged by Mrs. Viganski, local librarian. This book table will be on display at the library throughout the week. Books may be loaned from the same.

Monday night was "family-at-home" night, Tuesday the men and women's meeting was held at the church with Marlin Kean showing his pictures of service men.

Wednesday night was Christian home prayer service with special prayers for homes of service men and women.

Thursday night will be church workers conference, launching "The Advance." A program of church betterment in all areas of the life.

Friday night at 6:30 a Mother-Daughter banquet will be held with Mrs. Roslin Steel, Niles, as guest speaker.

Sunday, special Christian home festival services will be conducted throughout the day. Chancel dedication will be held Sunday evening with Dr. E. S. Faust as guest speaker.

## Tomato Plants Productive

A fair yield from 15 tomato plants will provide fresh tomatoes to eat and enough surplus to fill about 50 No. 2 cans. The canned supply would take 800 ration points if the tomatoes were bought at the store. The annual point allowance for one person is 576.

U. S. Heavy Meat Buyer  
 Present estimates are that the government will buy 7,500,000,000 pounds of meat in 1943 for the armed forces and lend-lease shipments, which will leave for civilian use 18,000,000,000 pounds of meat if farmers reach goals set for meat production.

You've done your bit—now do your best!

first grade are very sorry to lose Carson-Gancer from their room. Carson is moving to LaGrange, Ill.

Children in the second grade have brought several kinds of spring flowers to school. They make our room more attractive and they are also interesting to talk about and study.

The children in Miss Kappel's third grade have sketched some very attractive colored-chalk pictures. They have used the various spring flowers that were brought to class as their models.

The children in Mrs. Wilcox's third grade are reading and studying about oil wells and refineries, the products that we get from crude oil, and the many ways in which they are used.

Miss Gruessing's fourth grade has made a bird feeding shelf which has been placed outside the classroom window where all of us may observe our feathered visitors.

## War Takes 96% Of Each Dollar

Out of every \$18.75 that is invested in a War Bond, \$18 goes into guns, planes, tanks, ships and other military equipment. The 75 cents for ordinary governmental expenditures. Out of every dollar 96 cents goes toward the war effort and 4 cents goes for Government "business as usual."

The same ratio applies to all other securities the Government has offered investors in the Second War Loan campaign for 13 billion dollars.

## Street Car Is Chartered To Celebrate Birthday

ST. PAUL—To celebrate their birthdays, Jean Miller and John Hastings hired a street car.

Miss Miller, 18, and Hastings, 17, invited 22 young people to their party aboard the car, which traveled along downtown streets for three hours.

Several amateur musicians and a phonograph supplied music for dancing. Refreshments were served on card tables. Everybody had a good time, including startled pedestrians who watched the car move slowly through the business district. The rental fee for the street car was \$10.

## Fibers Indispensable

Fibers are in great demand for manufacture of ropes and cords for use in electrical apparatus, communication lines, shipbuilding. They are indispensable in war as well as in peacetime production.

## Railroads Cut Debt

Thirty-five selected Class I steam railways during 1942 reduced their indebtedness by \$800,735,471 or 3.76 per cent, and their annual interest accruals dropped \$11,606,770 or 3.58 per cent, it is shown in a report made public by the Interstate Commerce commission.

## Soap in Bug Poison

Thousands of tons of soap are used with mineral and vegetable poisons fatal to bugs, in order to spread the liquid over more area. Thus used as a dispersing agent, soap does double duty because it blocks the breathing tubes of its insect victims.

## Kale Quick Cooked

Contrary to old fashioned ideas, kale should not be boiled in a quart or so of water, nor should it be cooked for an hour or more. Long cooking makes kale stringy and dull-looking, while quick cooking—rather steaming—in a very little water, works wonders for fresh color and tenderness. For good flavor always add sugar as well as salt to all greens, and especially to kale.

## Tars Give Selves Away

The chief boatswain explains that pacing the deck crosswise is a sure sign of a short-timer in the navy. "An old timer always goes fore and aft," he says.

## El Salvador Varies Crops

In 1920, coffee accounted for about three-fourths of El Salvador's total exports. Since then, El Salvador has increased production of sugar, vegetables and other crops to relieve her status as a "single crop country." In addition, El Salvador, like Central American countries generally, looks forward to increased production of fibers, now in great demand in the United States to replace former imports from the Far East.

## VICTORY THIRTIETIES

ECONOMY HINTS ON COOKING WITH GAS

- MEMBER THAT THE FLEXIBLE GAS FLAME CAN BE REGULATED TO ANY DEGREE OF HEAT YOU NEED ELIMINATING SCORCHING AND OVER-COOKING OF FOODS!
- USE ANY REMAINING VEGETABLE LIQUIDS IN SOUPS, GRAVIES, SAUCES OR COLD IN TOMATO JUICE!
- DO NOT PRE-HEAT YOUR GAS OVEN OR BROILER TOO LONG! REMEMBER, GAS IS FAST!
- AVOID USING SMALL PANS ON LARGE TOP BURNERS PERMITS HEAT TO ESCAPE AROUND THE SIDES AND WASTES FUEL!

There's Plenty of Gas — Use All You Need — But Don't Waste It

Michigan Gas and Electric Company

## HOW TO MAKE YOUR APPLIANCES LAST LONGER

For distinguished service on the Home Front we honor mother Mother's Day, May 9.

**A STITCH IN TIME SAVES NINE!**

COUNT 'em—N-I-N-E! The old-time adoms and homely economies of our parents and grandparents are again the approved custom... and, today, in a world-engulfing wartime, it is the thing to do to avoid waste, to conserve and take care of what we have—because we may soon have "plenty of nothing!"

In valuable time-saving electric appliances, the cord is literally the life cord and carefulness begins just there. Follow the suggestions listed for taking care of your electric cords and handle all of your electric appliances with respect and consideration. Oftentimes a drop of oil—though not too much—or a turn of a screw-driver, at the right time and place, will lengthen the life of an appliance that otherwise would have to be discarded.

Take care of what you have. A toaster or vacuum cleaner conserved is an electric helper earned.

**HELPFUL HINTS ON CARE OF YOUR ELECTRIC CORDS**

- Never JERK appliance or lamp cord when disconnecting. Take a firm grip on the plug and pull gently.
- Keep cords free from oil, grease and moisture.
- Don't let them get knotted or "kinked."
- After using, coil and hang up carefully.
- Most important—have frayed or worn parts repaired at once. Blown fuses are often caused by defective cords.

**"KEEP THOSE ELECTRIC APPLIANCES WORKING"**

INDIANA & MICHIGAN ELECTRIC COMPANY

**GOOD CARE GIVES LONG WEAR**

## Library News

There are some new books on the shelves of the school library. These books are "Christmas in Storyland" by VanBuren, "Stone-wall Jackson" by Tate, "Your Clothes and Personality" by Ryan, "Tugboat Annie" by Rame, "Map Makers" by Cottler, "Two Way Passage" by Adams, "R. A. F. The Story of a British Fighter Pilot" by Ayling, "Singing in the Wilderness" by Peattie, "Diagrams For Oral Interpretation" by Johnson, "The Robe" by Douglas, "Falling Through Space" by Hillary, "Vitamins" by Borsook, "The Great Plains" by Webb, "Annapolis Today" by Barming, "Inside Latin America" by Gmther, "The Model Plane Annual 1943" by Cooke, "Winged Highway" by Grooch, "The Wind from the Mountains" by Gulbransen, "Stage Makeup" by Corson, "Mighty Engineering Feats" by Salt, "With Hearts Courageous" by Kenton, "My Friend Flicks" by O'Hara.

## Behind the Times

According to an old army regulation still in effect in Fort Logan, Colo., soldiers are strictly forbidden to shoot buffalo from their barracks windows!

## Plasma Restores Action

The transfusion of plasma, for any burned sailor, for any soldier in traumatic shock, is a first consideration. In burns, it replaces fluids lost by the body. In shock, it increases circulation and sends the blood back out of its temporary concentration points to the rest of the body.

## Where Will Money Come From?

People ask: "Where will the money come from?" to reach the thirteen-billion dollar objective of the Second War Loan. The answer is simple. The people HAVE the income. When we produce munitions or peacetime goods, or anything else, we likewise produce income. For every dollar of production, there is a dollar of income.

The problem of war finance boils down to this—if individuals and businesses receive more income after taxes than there are things produced for them to buy, then excess funds arise. The government deficit is matched by the combined surplus of everybody else. This surplus should be put into Government securities to wipe out that deficit. They give their lives... You lend your money.

# SOCIETY

## Fred W. Riley Weds Lorraine Cronin, Niles

Miss Lorraine R. Cronin, daughter of Mrs. Thomas G. Cronin, of Barron lake, was married to Fred W. Riley, son of Mr. and Mrs. Harleigh W. Riley, 402 W. Front street, at a 9 o'clock nuptial mass Saturday in St. Mary's Roman Catholic church, Niles.

Rev. Jacob E. Gensterblum officiated as the couple exchanged vows before an altar banked with Easter lilies. Miss Margaret Grathwohl, organist, offered Handel's "Largo" for the processional and "The Postlude" by Stearn, at the recessional.

At the offertory she played "Pans Angelicus," by Lombillo. Attending the couple were Mr. and Mrs. James B. Kenny, brother-in-law and sister of the bride. Sheridan Cook was the usher.

Mrs. Riley, who entered the church with her brother, Thomas G. Cronin, wore her mother's wedding dress of Swiss embroidered Persian lawn, fashioned with inserts of Valenciennes lace. Her three-quarter length blusher veil, bordered with Chantilly lace, fell from a tiara of seed pearls and she carried a bouquet of white sweetheart roses. Mrs. Kenny's gown was of yellow frosted organza, fashioned with puffed sleeves, a tightly fitted bodice and full skirt. The small, yellow net cap which she wore was made with a narrow, pleated brim and her bouquet was of blue iris. A reception was held in the home of the bride's mother following the ceremony.

**START YOUR CHICKS RIGHT WITH PHENOSAL**

THE Double-Duty DRINKING WATER MEDICINE

1. Checks Germ Growth in Drinking Water. 89% of 2,355 chicks sent Dr. Salisbury's Laboratories for free diagnosis had bowel troubles. These troubles often come from germs entering the digestive system through the drinking water. Phen-O-Sal inhibits germ growth.

2. Medicates Chick's Digestive System. Phen-O-Sal's non-oxidizing medicines stay active, reach the entire digestive system with stringent action on germs needed in bowel troubles. Use Phen-O-Sal in any kind of water.

ANOTHER WEEK NEARER TO VICTORY

Mrs. Riley is Niles society editor of The South Bend Tribune. She was graduated from Niles high school. Mr. Riley, an electrical engineer, is employed in South Bend. He was graduated from Buchanan high school and attended both the University of Cincinnati, Cincinnati, O., and Illinois Institute of Technology, at Chicago.

Out of town guests included Mr. and Mrs. Carl Steinweg, Mrs. DeJores Steinweg, Mr. and Mrs. Henry Niehoff and Joseph Niehoff, Chicago, Mrs. John F. Weidlin of Wilmette, Ill.; Mr. and Mrs. Geo. Plambeck and son, David of Jackson, Mrs. Thomas Grimes and daughter, Nancy, Mr. and Mrs. Lester B. Merrifield and Mr. and Mrs. Stanley P. Hull and daughter, Susan of South Bend, Mr. and Mrs. Harleigh W. Riley and Mr. and Mrs. Harleigh V. Riley and son, David, of Buchanan, and Miss Mary Kenny of Evanston, Ill.

**Honor Anniversary**  
Mr. and Mrs. I. M. Wells of Portage Prairie entertained Mr. and Mrs. Fred Tichenor, Bend of the River, at a birthday dinner on Wednesday. The occasion honored the anniversary of Mr. Tichenor.

**Child Study Club**  
The Buchanan Child Study club met Monday night in the home of Mrs. Richard Chubb. A review of the recent book "Cross Creek" by Marjorie Kinnan Rawlings, was given by Mrs. J. R. Semple. Mrs. M. F. Suris spoke on the talk of the hour program. Members made plans to make surgical dressings Monday evening, May 17, at the Presbyterian church, which will be followed by a business meeting in the home of Mrs. E. V. Walters, 216 Sylvan Ave.

**B. & P. W. Club**  
The Business and Professional Women's club executive committee met Monday night in the home of Mrs. Paul Wynn. Mrs. Gertrude Cook led the discussion on "Tunisia." Mrs. Otto Schurr will be hostess at the dinner meeting Monday, May 10, in her home at 122 W. Chicago St. A 6:30 dinner will be served by the Episcopal church guild. Mrs. Paul Wynn, committee chairman, will be assisted by Mrs. Esther Hamilton, Miss Hazel Miles and Miss Catherine Wynn. New members will be initiated and new officers installed at the business session.

**Entertain at Dinner**  
Mr. and Mrs. Fred Rikert had as dinner guests Sunday the latter's parents, Mr. and Mrs. C. H. Light, of Berrien Springs.

**Honor Birthdays**  
The Accounting department of the Clark Equipment' company had a party Thursday night in the home of Mrs. Lloyd Zoleman, honoring the birthdays of Mrs. Schuyler Erickson, Mrs. Thurston Milligan and Miss Catherine Ferkus. Niles. Mrs. Gordon Mangold, Three Oaks, and Mrs. Zoleman. Contests were the evening's entertainment. Prizes were awarded to all guests and special prizes were won by Mrs. Rollie Hoyt of Niles and Mrs. Blanche McIntosh of Buchanan.

**W. B. A. Tuesday**  
Regular meeting of the Women's Benefit Association will be held on Tuesday night, May 11, in the W. B. A. hall. The committee for the social hour includes Mrs. Robert Smith, Mrs. John Luke and Mrs. Judson Markham.

**To Elect Officers**  
The annual meeting of the St. Joseph chapter of the Buchanan and Niles Daughters of the American Revolution will be held on Thursday afternoon, May 13th, at the home of Mrs. E. H. Murphy, Main street. Officers for the ensuing year will be elected. Mrs. G. H. Armstrong is the present regent. Mrs. Richard Williams of Niles will be in charge of the program, which will include a book review.

**Annual Fish Supper**  
Over fifty attended the annual fish supper Friday night in the Odd Fellows hall given by Encampment No. 148, O. O. F. Members were present from LaPorte, South Bend, Kalamazoo, Benton Harbor and Niles.

**Lillian Club**  
Members of the Lillian club will be entertained Wednesday evening in the home of Mrs. Ira Snyder, 304 Days Ave.

**Hi-Lo Bridge Club**  
Mrs. George Roe will be hostess Wednesday afternoon, May 12, in her home, 601 Rynearson street to members of the Hi-Lo Bridge club.

**Independent Club**  
Mrs. Charles Bainton was hostess Tuesday afternoon to members of the Loyal Independent club in her home, 411 E. Front St. Contest prizes were won by Mrs. John Morris. Mrs. Arthur Voorhees, Mrs. Lloyd Shire and Mrs. Della Rynearson. The club will meet June 1 in the home of Mrs. Arthur Voorhees, 413 Moccasin avenue.

**Boys 4-H Club**  
The Cloverleaf Boys 4-H club will meet Monday night, May 10, in the Buchanan co-ops, auditorium, with Ted Siekman Sr. club leader in charge. Members will start their records for the summer projects.

**College Club Breakfast**

**Pulp From Farm Woods**  
Selective cutting in many farm woodlands will yield a large supply of pulpwood, which is in great demand, and will also help the general production of the woodlands.

## OPA Announces Rules Governing Poultry Marketing

Mr. Martin H. Krotzman, chairman of the Berrien county AAA announces that as a part of the campaign to smash the "black market" in poultry, OPA has made sweeping changes in poultry price ceilings and simplified its regulations to facilitate enforcement.

Substantial savings to the consumer are predicted as the result of the following measures:

- 1 Uniform prices are established for many different types of poultry.
- 2 Prices of drawn and quick-frozen eviscerated poultry are reduced by as much as from one cent to ten cents per pound. These deductions are slightly offset by increases of from one and one-half cents to two cents per pound for quick-frozen eviscerated broilers and fryers.
- 3 The establishment of F.O.B. pricing for sales of live poultry at country shipping points all buyers now have the same ceiling at the same point.
- 4 The establishment of an allowance for truckers who haul live poultry to city markets.
- 5 The establishment of a wider differential for country dressers, designed to take care of normal and actual dressing cost. The prices become effective April 22, 1943, however, any person now in possession of dressed or quick-frozen eviscerated poultry will be able to sell at the old price until June 30, provided he files with his regional or state OPA office a complete inventory.

**U. S. Is Sulphur Source**  
The United States produces three-fourths of the sulphur supply of the world.

**Measles Respect None**  
No nationality or race is spared from measles.

**India Chief Mica Source**  
The world's chief source of mica has been India, which in 1938 produced 70 per cent of the world output. India's supremacy is based not only on its supply of the crude mineral, but on the skill of its native workers in preparation of mica for commercial use.
