Why Bert Won First Prize

Folks weren't surprised when Bert Childes won first prize for his corn at the county fair. Yet the judges admit it wasn't just because Bert had the finest ears of corn. He knew how to display them neatly arranged, with the husks cleanly trimmed, and the both white and spotless.

"Trimming" sure make a difference no matter what you're offering - as Andy Dotkin, keeper of the Garden Tavern, well knows. Andy doesn't just sell good beer. He sells it in a place that's clean and attractive in nice surroundings that belong with the enjoyment of a wholesome beverage of moderation.

And Andy, of course, is a whole-hearted supporter of "Self Regulation." That's the system by which the Brewers and tavern keepers themselves make sure that taverns selling beer are clean and orderly.

From where I sit, people like Andy also rate a "First prize" Not just for the quality of the product - but for the "trimming" too.

A REPORT ON

PROGRESS IN BUCHANAN

There are still a number of people waiting for telephones in this area. Before we can serve everybody, we'll need more outside wire and cable to connect new customers' premises with the central office. But shortages of lead and copper have seriously slowed their manufacture.

Even after we receive the new wire and cable, there will be the painstaking job of interconnecting it with the present telephone plant... a job that must be done carefully without interrupting existing service.

We are continuing to stretch our present equipment to the limit to install telephones for as many waiting applicants as we can. If you are waiting for a telephone, you can be sure your order will be filled in its proper turn just as soon as possible.

Meanwhile, our facilities are serving more telephones and handling more calls than ever before, which means that service for everyone may not always be as good as we want it to be. We're sorry when that condition occurs, but you can be sure that we are doing our best to get additional equipment as soon as possible.

Wagner grange members held their regular meeting Friday evening in the grange hall and made plans for a potluck Thanksgiving dinner and program at the Nov. 29 meeting. Frank Wright, new grange master, presided and named Mrs. Bert Mitchell, chairman of the dinner committee. Miss

Charles Hess will arrange the program. The toll call topic was "What Have You To Be Thankful For?" and the responses comprised the program.

Members of the Dayton Rebekah lodge meeting Wednesday evening in the Odd Fellow hall voted to fill four boxes for the Veterans Hospital Service Council's Christmas project for Percy Jones hospital. Miss. Clane Davis, Mrs. Clayton Leifer and Mrs. Joseph Letcher were named to buy the gifts for the boxes, which will be packed and wrapped during the meeting Nov. 27. Arrangements were made to hold a party at the Nov. 27 meeting to honor members whose birthday anniversaries occur this month. A post-nuptial shower, following the meeting, complimented Mrs. A. D. Adams. Refreshments were served by Mrs. Ivan Price and Mrs. Frank Heckathorn.

Dinner guests Sunday of Mr. and Mrs. A. D. Adams were Miss Mary Adams, Benton Harbor, and Peter Lisika, Jr.

Mr. and Mrs. Richard Lee and family were dinner guests Sunday of his parents, Mr. and Mrs. Ira Lee of Galesburg.

Mr. and Mrs. Ward Doughten and son, Howard, were dinner guests Sunday of Mr. and Mrs. Max Morley of Galesburg.

Charles L. Wilcox and Ivan Price left last week for northern Michigan to spend several days hunting deer.

Mrs. Della Copeland of South Bend and Mr. and Mrs. Richard Potter and son, Jimmy, of Galesburg were guests Thursday of the former's sister, Mrs. Ward Doughten and family.

Mr. and Mrs. Max Boyer of Hagerstown, Md., are spending two weeks as guests of Mr. and Mrs. W. B. Schantz.

Members of Dayton Rebekah lodge will meet Wednesday evening in the Odd Fellow hall.

Mrs. A. G. Bowers will entertain members of the Terre Coupe Road Home Economics Club this Thursday afternoon. Mrs. George Eddy and Mrs. Onofrio Morelle, project-leaders will give the current lesson.

Mrs. Effie Wilson, who spent the past six weeks with her granddaughter, Mrs. Lorren Jewell and family of Warren, O., arrived home Saturday. Mrs. Wilson, aged 83, made the trip by airplane, which was her first plane ride.

Mr. and Mrs. Forrest Sebasty of Three Oaks, are on a deer hunting trip near Republic, Mich.

Recent dinner guests of Mr. and Mrs. Arly Judy were Frank Nordquist and daughter, Ruth, Chicago.

Mrs. H. B. Gustafson and son and daughter of South Bend, were guests Monday afternoon of Mr. and Mrs. Arly Judy.

Mrs. Martha Baughman of Buchanan, spent several days last week with Mrs. Charles Oxender.

Thomas Oxender and son, David, of Sturgis, were guests Sunday night of the former's son and daughter-in-law, Mr. and Mrs. Charles Oxender.

Mr. and Mrs. Lester Stoner were guests Sunday evening of his mother, Mrs. H. G. Stoner, Three Oaks.

Members of Mt. Tabor Grange will meet Friday evening in the grange hall for their annual Thanksgiving dinner.

Look ahead to
Something Great

Put to you straight, the story's this:
No car made today is coming to you fast as its makers would like.
It stands to reason that the car most wanted is not going to be the easiest to get.
But that car will have what you're aiming for.
Style that's no mere one-year wonder — but smart and clean and right in a way that lasts.
Power — plenty of it — a big bonnet-ful of Fireball-straight-eight-power, smooth as cream pouring from a pitcher.
Size and roadability and easy-handling — this car will be a travel-wise honey that hugs the road as though it loved it!
There will be smoothness and steadiness you haven't known before — and putting it all together for you a hard-driving production outfit that's staging a notably successful battle against shortages and slowdowns.

Tune in HENRY J. TAYLOR on the air twice weekly

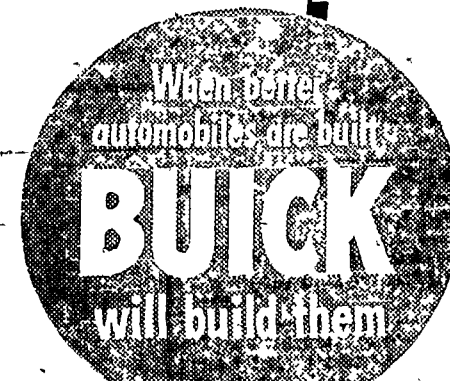

FIREBALL AT ITS FINEST In a tit-for-tat of vital dimensions, this big Fireball straight-eight is made to closer tolerances than an aircraft on girth. And Accurate cylinder boring gives a piston-fit from the beginning, that never has been equaled before.

What Other Car Has So Much That Clicks For Forty-Six!

- SMARTNESS** — that sets the style pattern with car-length Airfoil fenders and bolts on rear wheel shields.
- POWER** — from a Buick Fireball valve-in-head straight eight engine.
- OIL SAVINGS** — from non-scuffing Accurate cylinder bores.
- FLASHING ACTION** — of lightweight pistons.
- STEADINESS** — from full length torque tube drive in a sealed chassis.
- GLIDING RIDE** — from Panhard coil springs.
- COMFORT** — of soft Foamtex cushions in roomy Body by Fisher.
- SURE FOOTING** — of Broadrim wheels.
- CONTROL** — through Perm firm steering.
- CONVENIENCE** — of high leverage StepOn parking brake.
- PROTECTION** — of Buick-originated fender shielding front and rear bumpers.

*Foamtex seat cushions standard on Super and Roadmaster models, available on Special Series at extra cost.

A New Service We make all arrangements to finance your new car and your insurance on it. We would prefer to do this through the local friendly Union State Bank, or if for any reason you desire otherwise we do have another connection for financing. Either way, you secure the lowest rate possible. Come in and see us. Let us show you our plan. The best feature of this plan is that you secure the good old insurance we have always sold, not the finance company kind. Let us talk it over. It doesn't hurt to know about these matters. E. N. IN MEMORIAM

In memory of our loving son and brother, Harold Fuller, who gave his life for his country in China, Nov 23, 1944. I cannot say and I will not say that he is dead—he is just away. With a cheery smile and a wave of the hand, He has wandered into an unknown land, And left us dreaming how very far It needs must be, since he lingers there. And you—O you, who the wildest yearn For the old time step and glad return, Think of him faring on as dear In the love of There as the love of Here. Think of him still as the same, I say He is not dead, he is just away. Mr and Mrs William Fuller and Family

Tilling with a Hundred Teams of Steel

MORE power on the farm means more food... more jobs.

If a farmer had three teams of horses twenty-five years ago he was well equipped. Now, with over two million tractors and thousands of other power products, most farmers command the equivalent of... a HUNDRED TEAMS.

Wise use of their power, which can be packed into a few tons of steel, is enabling U.S. farmers to keep abreast of unprecedented food requirements. It is one of the secrets of national progress.

Steel horsepower does more than produce bigger crops with less labor. It has released, for production of human food, millions of acres once needed to feed horses and mules,

and has created thousands of new jobs for town and city people who process and sell the increased harvests.

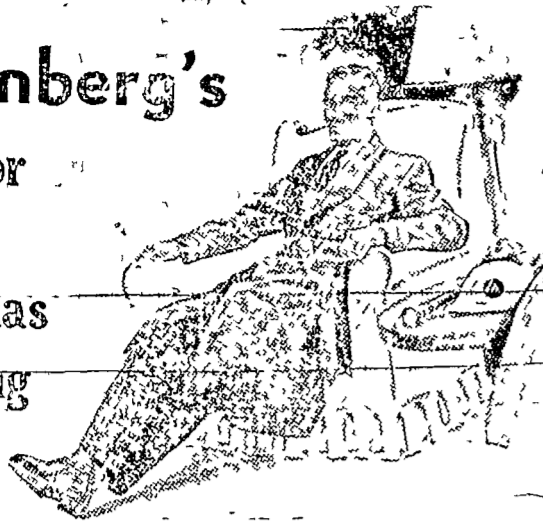

The benefits of farming with steel are the result of teamwork between farmers and industry. The farmer knows what he needs; industry knows how to supply it at a price he can afford. This teamwork must continue if America is to remain a land of abundance.

Farmers need still more power. The country needs still more food. Uninterrupted industrial production will permit industry to catch up with the pent-up need for more farm power.

Kroger

Hey, Carrot! What are you doing here?

This is a leftover carrot, trying to hide behind the counter. But the Kroger Manager has spied it and out it will go!

When you trade at Kroger, you get fresh produce. It's delivered every morning—and usually sold before closing time. For freshness is a big part of the better values that millions of American women get at Kroger every day.
