

The Berrien County Record

OFFICIAL PAPER OF THE COUNTY.

THURSDAY MORNING, JULY 14, 1870.

To Advertisers. The Record is the best Advertising Medium in South-western Michigan, having a larger circulation than any other paper in this part of the State.

ALL persons indebted to the late firm of French Brothers, either by note or account, are hereby notified to settle the same immediately with W. D. Kingery, in whose hands the books and notes have been left for settlement.

PERSONAL.—Rev. Mr. Mills, of Paw Paw, preached in the M. E. Church, on Lord's day forenoon and evening. Rev. J. R. Berry filled the M. E. Pulpit in Paw Paw.

LOCALS are scarce as greenbacks. GREEN CORN was in our market as early as Tuesday or Wednesday of this week.

FOR SALE.—A pleasant house and lot for sale. Enquire at the RECORD office.

BLESSED are they who do not advertise, as the trouble of waiting upon customers shall not be theirs.

FIFTY-TWO THOUSAND acres of California land for sale; also good business houses for sale in Buchanan, and they must be sold. Enquire of J. M. Matthews, at the Commercial Center.

Don't fail to attend the auction of Dry Goods, Clothing, Boots, Shoes, &c., on Saturday P. M., 16th inst., by CLARK & ALEXANDER.

NEW POTATOES have been in our market for a couple of weeks past. The Early Rose being the principal variety.

WAGES, through harvest, have been about \$2.50 per day. A little higher and a trifle lower have been paid in some few cases.

FOR SALE.—Four foot Beech and Maple wood, and Ash edging, from 4 1/2 to 6 feet long. SMITH, BROS. & CO., 151st.

EDITORIALS.—It is a pleasure to us to furnish our friend of the Traveler with editorials. See in last issue the "Income Tax" and the "Public Debt."

Closing out sale at auction, of Dry Goods, Clothing, Boots, Shoes, &c., on Saturday P. M., 16th inst., by CLARK & ALEXANDER.

IN SALEM one business man pays at the rate of five dollars per line for every insertion of his advertisement, and he makes it pay.

THE LECTURE, by Rev. H. P. Weston, before the Literary Association on Tuesday evening, was a good thing. The audience, however, was so fine and so scarce to be seen. We imagine Buchanan folks don't care much for literary entertainments. Where were our young men?

CENSUS.—Hon. J. M. Glavin, Assistant U. S. Marshal, was in town a few days ago. He will probably commence taking the census of Buchanan on Monday of next week.

NILES.—The census just completed shows the population of Niles to be 4,643, quite a falling off from what was claimed theretofore. This falling off, however, may be expected in most of our towns and cities, as the estimated population is always greater than the real number of inhabitants.

THE NORTHWESTERN WEEKLY PRICE CURRENT, a 16mo of nearly 800 pages, published by Dennis Beach, Rooms 87 and 88, Reynolds Block, Chicago, is one of the most complete trade publications in the whole country. Its quotations embrace all classes of merchandise. No country merchant can afford to do without it, as it will keep them posted up on all changes of prices, and thus save them many times its cost. Subscription \$5.00 per year, or \$2.50 for six months.

HOME INSTITUTIONS.—The way for any town or country to succeed is to patronize home institutions and home industry. Thus the money that is expended is not taken away, but will, probably, return again to him who expended it. While on the other hand, if taken away it benefits other communities. The man who is constantly going away from home to do business, make his purchases and spend his money, has no claims on the patronage of his neighbors. Such a man in any community is a curse to the interest of the place.

OLD PAPERS for sale at this office. Price, 10 cts. per dozen; or 65 cts. per hundred.

The Ladies' Aid Society of the M. E. Church of Buchanan, take this method to return their thanks to the public in general for their liberal patronage of the Festival given by the Society on the evening of July 4th.

By Order of Com. Buchanan, July 6, 1870.

Now is your time to buy Dry Goods, Clothing, Boots & Shoes, at your own price, at the auction, on Saturday P. M., 16th inst. CLARK & ALEXANDER.

P. S.—Sixty days' credit on sums of ten dollars and over. C. & A.

BUSINESS CHANGE.—Mr. John Kingery has sold his interest in the Bakery establishment to his partner, Mr. Wm. H. Cox.

ALREAD.—Again Peterson's Ladies Magazine is ahead of all its competitors. The August number is before us, and fully sustains its high reputation, both as a fashion and as a literary publication.

THOSE who advertise most are the most successful in business, is a true adage. The business men of Buchanan are no exceptions to this rule.

ACTION! AUCTION!—Dry Goods, Clothing, Boots & Shoes, &c., on Saturday P. M., 16th inst. CLARK & ALEXANDER.

P. S.—Sixty days' credit on sums of \$10 and over. C. & A.

THE FOURTH at St. Jo.—The Herald, speaking of the Fourth at St. Jo., relative to the oration, says: "The speech, by Capt. J. C. Burrows, was unusually fine. The captain seems to possess all the elements of a strong and successful man. He has a fine personal carriage, is a good reader and speaker, and has that peculiar element of power which leads an audience in harmony with the speaker's will. The Herald pronounces this part of the programme a great success, and the only real success of any part of the Traveler's programme."

FAIR.—Arrangements are being consummated for the holding of a County Agricultural and Mechanical Fair, on the grounds of the Park Association. The Fair will be held the 21st, 22d and 23d of September. With the new building erected on the Park grounds, no place in the State offers finer accommodations for a Fair. The excellent success attending the Fair, at Buchanan, last year and the general satisfaction in the award of premiums, will add much to the success of the coming Fair. Let the people of the County begin now to make their calculations to attend. Let the farmer save his best bushel of wheat, oats, corn and other products, to bring to the Fair. Let the stock raiser bring his best specimens. Let the manufacturer and artist be present to compete for premiums, and to show their goods. The fruit growers, too, do not want to let their interests lag, by a failure to be fully represented. The Posters and Premium Lists will soon be out.

DR. ANDREWS has his residence nearly completed, and will open his quarters there on the 1st of August. Mr. Murdoch has the frame of his residence up, and the carpenter will, without doubt, have it enclosed this week.

ON yesterday (Sunday) evening the regular Sunday School concert was held at the M. E. Church, and was very largely attended, the house being crowded. The exercises were certainly very interesting. The next concert is to be held at the U. B. Church, the second Sabbath in August.—The fourth quarterly meeting of the M. E. Church will be held in their church two weeks from next Saturday and Sunday.

MR. EDITOR.—We had no celebration at Three Oaks on the Fourth, therefore, many of our citizens went to St. Joseph, and some to Michigan City. Some of us had not forgotten the hotel swindle perpetrated on last year, at Michigan City. Therefore, after leaving the crowded cars of the Michigan Central, at New Buffalo, our Three Oaks Band, who were engaged to play at St. Joseph, here gave us some music, when away we went on the Lake Shore R. R. car, under the care of Superintendent Hughes, and Conductor J. M. Raper. Mr. Hughes, not having passenger coaches enough, had a number of racks substantially fitted up with railing and seats, and shade trees placed about the cars for the convenience, safety and comfort of the excursionists. I believe there have been no very serious accidents on this road, as yet. This is owing to the good management and supervision of the officers of the road. These cars were well loaded with people from the different stations along the route, although many had taken the early train for Michigan City. Each station furnished its proportion of excursionists. As we neared St. Joseph, we saw a large mass of people were on the bluff to receive us with their rousing cheers and the booming of cannon. St. Joseph is a fine place to have a celebration at. It is a slightly place, with its Lake view and boat facilities. Yet the people are like the people in most other towns, cannot agree. Some feel slighted, because they are not on a committee, and, therefore, deter add discourage others from doing. There seemed to be no order or regulation—about one-third of the people did not know where the Orator was to be delivered, and, therefore, did not hear the Orator. Major Warner, Marshal of the Band, leading with the Three Oaks Band, did his best to get the people together and to preserve order throughout the day. The Band boys say they were well pleased with their trip, and the attention shown them, especially by Major Warner and Mr. Stevens. The latter gentlemen kindly inviting them to take an excursion on the Propeller, Favorite, at his expense. They had a very pleasant trip. On our return, we first arrived at Lincoln station, where a female approached the Conductor, took him by the coat, and asked him if he had seen her runaway husband. What!

THE LITERARY ASSOCIATION.—As per notice the third lecture before the M. E. Church of Buchanan, was delivered last Tuesday evening, by Rev. H. P. Weston, and as for the lecture by the Reverend gentleman, it was full of good common sense, and I do not know when I have listened to a lecture that was more instructive to all classes. But, Mr. Editor, is it a fact that the citizens of Buchanan can not appreciate anything of this kind? Are we lower in the scale of beings than citizens of our sister villages? They can sustain such an institution as this. And now what is the matter with us? Is there something rotten in Denmark, as the old saying is? For the fact is not one of our board of Directors, or a single member of their family was there. When we first organized there was a few, as you know there always is, who declared it would be a failure. Now are we to let this Association go by default, or are we each one to put our shoulder to the wheel, and, by our united effort, make it a success? There are some people who put me in mind of the little whippersnappers the boys had on the Fourth of July. When first touched off they make a big splutter, but soon begin to grow beautifully less and less, until not a splutter, snap, or flash can be got out of them.

BASE BALL.—A match game was played at Benton Harbor, July 9th, 1870, between the Mechanics Club, of Buchanan, and Pioneer Jr. Club, of Berrien. The following is THE SCORE.

Table with columns for Mechanics and Pioneer Jr. Club, listing players and scores.

THE RETURN game will be played at Buchanan, Friday, July 16th, on the Norvic Ground.

WILCOX'S Anti-Periodic. A CERTAIN, SAFE and SPEEDY CURE FOR CHILLS and FEVER, AGUES, DUMB CHILLS, and all Fevers of miasmatic origin. It is Safe because it contains no Arsenic nor Potash, either vegetable or mineral.

IT IS CERTAIN, because THOUSANDS have tested its virtues and pronounced it a success.

IT IS SPEEDY, because it destroys the periodical tendency of Chills to return on the seventh, fourteenth and twenty-first days.

Try Wilcox's. Don't if you wish to cure your Chills, have a clear head and go about your business in a few days.

IT DOES NOT WEAR OUT THE BODY, and makes a raw, lead, and bloody face of you, like cholera, nor blot your face and swell your eyes like arsenic, nor split your head and raise a Niagara Falls in your ears, like quinine. IT IS SAFE. Sold by Wm. Osborn, Buchanan. 2174

Snake Bitten.—On Saturday Miss Schran, of this village, was severely bitten by a snake, while picking out a few miles northwest of town.

Dr. McLean was called on Sunday evening, and at first little hopes were entertained of her recovery, but she is, at present, improving, though still in a dangerous condition.

DO YOU TAKE THE RECORD? You ought to do so if you do not, whether you live in Niles, Berrien, St. Jo., Benton Harbor, Watervliet, New Buffalo, Three Oaks, Laketon, or any other place in the County. Do you ask, why so? We answer, because THE RECORD is the only paper in the County that circulates to any extent in all parts of the County, and it is therefore the only medium of anything like a general communication.

FURTHER, THE RECORD is devoted to the interest of the people of the whole County, and through its columns the grievances of any portion of the County can be heard.

THIS high ground has been taken ever since the paper has been in the hands of its present publisher. Again, it is run by no clique, either at home or abroad. For these reasons, and many others equally good, every tax payer in the County should take THE RECORD. No matter how many other papers he may take, THE RECORD should not be missing. Your rights shall be defended by it, whether it is popular or unpopular. If we know the right, it shall be maintained, though it is against the interest of our own town. We imagine the people of Buchanan, as well as all over the County, understand this matter by this time.

THE DAILY engagements of the members of our club are as equally binding as are those of your club, yet we propose to play you on any ground you might select, on the line of the M. C. R. R. We see nothing unreasonable or unfair in claiming that if you desired a game with us you would accede to this proposition, but as you are determined to play us on no other grounds than the ones named (the time would have suited us) and as we cannot accede to it, the arrangements for a game, as far as our club is concerned, must here end. Permit us, however, to hope your club will yet give us an opportunity to prove that we are what we claim—the best players. With the kindest personal regards for the individual members of your club, believe us,

Yours, Fraternally, FRANK BUTLER, Sec. Fearless B. B. Club.

FROM NEW BUFFALO.—Base Ball. July 11th, 1870. EDITOR RECORD.—The members of the Fearless Base Ball Club of this place, never have sought or desired newspaper notoriety, neither do we desire a newspaper discussion. Yet, if forced into one, shall enter upon it as fearlessly as upon a ball ground. As an article appeared in your last issue written in the interests of the Favorite Base Ball Club of St. Joseph, and reflecting somewhat upon the members of our club, by intimating that we were better at a game of "bluffing" than ball playing. I ask you to insert in your next issue the following correspondence, leaving your readers to judge from whose "crest protrudes the WHITE FEATHER." If John Stranger, or any other outsider, desires an interview with "King B." they can find him here any day they may choose.

NEW BUFFALO, June 27, 1870. W. R. MORRISON, Esq., Sec. Favorite B. B. C., St. Joseph.

DEAR SIR.—The members of the Fearless Base Ball Club hereby challenge your club to a match game of base ball, either for amusement or money. Time and place to be mutually agreed upon. No player to be accepted, unless a member of either club at the date of this challenge. Hoping for an early answer to the above, I am, Yours, &c., FRANK BUTLER, am Sec. F. B. B. Club.

ST. JOSEPH, June 29, 1870. F. BUTLER, Esq., Sec. Fearless B. B. C., New Buffalo.

DEAR SIR.—The Favorite B. B. C. of this place are willing to give to your club the best satisfaction of another game of ball. Circumstances beyond the control of the members of the Favorite forbid their playing further away than Benton Harbor. We would, therefore, suggest the St. Joseph or Benton Harbor grounds, as the place, and Wednesday, July 6th, 1870, the time for the next game.

Very Respectfully, W. R. MORRISON, Sec. Favorite B. B. Club.

NEW BUFFALO, June 29th, 1870. W. R. MORRISON, Esq., Sec. Favorite B. B. C., St. Joseph.

DEAR SIR.—Yours of this date agreeing to a match game of ball is received. Your suggestions regarding time and grounds are duly considered. July 6th, a portion of our players are engaged in a law suit at Niles; consequently could not play on that day. Good and sufficient reasons to our club, reasons which may readily suggest themselves to your own mind, will compel the choosing of other grounds than those you named. Any grounds on the line of the Michigan Central Railroad will be accepted by us, and any day between July 6th and 13th will also suit us. My hope these preliminaries may be readily arranged, as we think we are the best club, and think in the next game can prove it. Hoping for an early reply, I am, Very Respectfully, FRANK BUTLER, Sec. Fearless B. B. Club.

ST. JOSEPH, June 30th, 1870. F. BUTLER, Esq., Sec. Fearless B. B. C., New Buffalo.

DEAR SIR.—Your favor of today is received. Our club never having sought notoriety, and never having challenged another club to play, for the very good reason that it is impossible for us to leave further than Benton Harbor. Your refusal to meet us there, (where the grounds are good as any other) does not seem at all fair. We do not wish to be unreasonable, and are willing to play you with the understanding that, if you win the game, we will bear your expenses here and back. And, when we take into account the unbounded faith you have in your ability to beat us, we think this proposition not at all unfair, and look for its immediate acceptance. If members of your club are engaged on Wednesday, the 6th, would name Thursday, July 7th, 1870, the time, and Benton Harbor the place. Please write me what the opinion of your club is, and send letter by conductor to-morrow.

Yours, &c., W. R. MORRISON, Sec. Favorite B. B. Club.

NEW BUFFALO, July 2d, 1870. W. R. MORRISON, Esq., Sec. Favorite B. B. C., St. Joseph.

DEAR SIR.—Yours of June 30, is at hand, containing duly noted by our club. In reply, I am instructed to say, as our club is not a member, and we are informed also that your club are not members of any State or National Association, we had the right to issue to you, as we did, a conditional challenge, which conditions were such no reasonable club, desirous of playing, would object to. Your conditional proposition to pay our expenses if we win, will be to the members of our club, which acknowledging the same, always preferring their own expenses. Besides, we have already experienced the generosity of your club, and the courtesy of your citizens, and do not feel disposed to trespass further upon the same. We regret exceedingly the refusal of your club to play on any other grounds than your own, or at Benton Harbor, as we see in it an after thought, as an escape from playing us. We readily admit the encouraging and accelerating influences of paternal eyes. Yet there are occasions when it might be beneficial, even for youthful lads to cut loose from apron strings and exhibit a little self-reliance.

The daily engagements of the members of our club are as equally binding as are those of your club, yet we propose to play you on any ground you might select, on the line of the M. C. R. R. We see nothing unreasonable or unfair in claiming that if you desired a game with us you would accede to this proposition, but as you are determined to play us on no other grounds than the ones named (the time would have suited us) and as we cannot accede to it, the arrangements for a game, as far as our club is concerned, must here end. Permit us, however, to hope your club will yet give us an opportunity to prove that we are what we claim—the best players. With the kindest personal regards for the individual members of your club, believe us,

Yours, Fraternally, FRANK BUTLER, Sec. Fearless B. B. Club.
