Tax Notice.
Notice is hereby given that the Tax Roll for the Village of Buchanan, for the year 1874, is now in my hands for collection. On all taxes paid before the fourth day of July one per cent. will be charged. I will be at my office at Buchanan No. 1, for the reception of taxes each Saturday, from one o'clock P. M. to five o'clock P. M. until July 10th, 1874.

To SUBSCRIBERS.—The terms of the RECORD heretofore will be as follows: \$2 per year; \$1 for six months; 50 cents for three months. If paid yearly in advance, \$1.50 per year. No reduction made when paid in advance for a less period than a year. Any paper will be continued after the expiration of one year unless notified. If the paper is paid for before it is over 60 days in arrears it will be considered as advanced payment. We hope all will understand the above. All who pay us \$1.50, on or before the 6th day of July next will receive the paper one year from May 7th, 1874.

RELIGIOUS.—The Venerable John Marindale, of Greeley, Iowa, will preach in the Christian Church next Sunday, July 12th, in the morning and evening. All are cordially invited to hear him.

The time for our \$1.50 subscribers has now expired. According to our rule those now in arrears over sixty days must pay for the paper, at the rate of \$2 per year. They can pay up to the present at this rate, and then if they pay one year in advance they will get the paper for \$1.50. We would much prefer that all would pay \$1.50 in advance than \$2 at the expiration of the year.

CLERGY IN MICHIGAN.—The friends of Mr. Colfax everywhere are pleased to learn of the manner in which he was received during his recent tour in Michigan. He was greeted by large crowds at every place he visited, and the people showed such marked regard and appreciation for this distinguished orator and statesman, as must afford a great source of pleasure and gratification to himself, as well as to his friends.

This place to buy Groceries is at J. P. Bins & Co's, where you will be found gentlemanly and will not be found fault with if you don't buy. Goods are sold at fair profit. Call and see for yourselves.

J. P. BINS, A. C. DAX.

PAINTER.—Those who desire to have any house painting or sign painting, graining, decorating or paper hanging done in the very best style, will call upon or address the undersigned. All orders promptly attended to. Satisfaction guaranteed and prices always reasonable.

R. ALLEN, Buchanan, Mich.

RUNAWAY.—The team of Mr. Geo. Colvin ran away on Monday last. The team ran through town at a good speed with a pair of double-tree harness hanging at their heels. It is a valuable team, and we are glad to learn that they were stopped before doing any considerable damage.

We have a large number of old papers for sale at this office—60 cents per hundred, or ten cents per dozen.

Our correspondents will please avoid personalities in their contributions. People do not care to see such things in print, and we often dislike to refuse an article on this account that may contain other matters of interest.

PHOTOGRAPHS.—Those wishing photographs will find it to their interest to call at H. B. Bradley's new gallery, over the Bank, Buchanan, Mich. 1874

THE days are growing beautifully shorter and will increase in beauty as the heat diminishes.

FRUIT JARS by the thousand, at Kinson & Vincent's. All the best varieties at bottom prices.

RECORD and Weekly Inter-Ocean one year, for \$2.50, invariably in advance.

COMMISSIONER.—Our foreman, B. D. Harper, has been Commissioned by the Governor as Notary Public for Berrien County.

THE advertisement of the Great Show will appear in our next issue. John Robinson's great combination will exhibit at Buchanan, Monday, July 27th. Remember the time and make arrangements to attend.

THE annual meeting of the Stockholders of the Buchanan Wagon Manufacturing Co., will be held at their office, Tuesday, July 14th, at 1 o'clock P. M., for the election of Officers for the ensuing year, and for the purpose of transacting such business as may properly come before them.

DEMYSTERY.—Dr. J. M. Wilson, of Buchanan, is now making full upper and lower sets of teeth for the extremely low price of thirty dollars. All other work done by him at correspondingly low rates. Give him a call. 119*

THE Public Debt was reduced over \$2,000,000 during last month.

By reading proceedings of the Village Board elsewhere, it will be seen that a new cistern has been ordered built on North Oak Street in front of the United Brethren Church. This is a wise provision, but we think the capacity of the cistern should not be less than five or six hundred barrels.

LIFE IN THE ARMY.—An interesting and instructive narrative of incidents and events connected with the late war. THANKS.—We return thanks to Mr. John Hiron for a copy of the Wichita (Kan.) Beacon, containing some interesting accounts in regard to that city and the surrounding country.

AGAIN we ask those who send us money on subscription or order their paper changed or discontinued to state the post office at which they receive the paper. During the past week we have been annoyed considerably on account of this neglect. We have to look our whole list over many times to find the names.

A CARD.—To our Friends and Patrons. We have removed our office to the first floor of the RECORD building, opposite White's Drug Store. Dr. E. S. DODD & SON, July 8th 1874. 21w4.

JUDGE BALLEGREN has been appointed Deputy Township Clerk, and will attend to the duties of that office and Township Librarian during the absence of the Clerk, Mr. Alexander.

SPECIMEN COPIES.—During the next few weeks we send specimen copies of the RECORD to some who are not regular subscribers. Those who receive it in this way may know that we desire to place their names on our subscription list and that this is the way we take of inviting them to subscribe. The terms of subscription can be learned by reading a notice in another column.

NOTICE.—The only place in the county to get your Solid Jewelry made to order, is at Lapierre & Brown's, Niles, Mich. 14w

ARRESTED.—Frank Molsberry was arrested on complaint of John DeArmond for violation of village ordinances in keeping open his saloon, or place of business, on Sunday. The trial came off before Justice Ballegren on Tuesday last. The jury found him guilty and the Court fined him fifteen dollars and costs, nine dollars and twenty-one cents. In default of payment of fine, a commitment was issued ordering his imprisonment in County Prison for twenty days or until released according to law.

A LARGE lot of improved Mason Fruit Jars, at Day & Bins's.

THINK! THINK! and again C. B. Churchill is on time, repairing time pieces, and he makes them come to time, and warrants them to keep time. He works well and warrants his work.

POTATOES.—New potatoes begin to come into market. The prospects for a heavy crop of potatoes in this locality are very flattering at present. A large amount having been planted, and the yield promises to be very heavy. Potatoes, for which there is no satisfactory substitute, will soon be abundant and can be then procured again at reasonable prices.

NOTICE.—Those wishing photographs are respectfully requested to call at H. B. Bradley's Photograph Gallery, corner of Main Front Streets, over the Bank. All work reasonable, and satisfaction guaranteed. 18w

SPY OF SHILOH.—The Spy of Shiloh was played for the second time in this village on Wednesday, Thursday and Friday evenings of last week, under the auspices, and for the benefit of the Buchanan Cornet Band. We were not able to attend only on Friday evening, but learn it was largely attended each evening, and that those who were engaged in it performed their parts creditably. This was certainly the case on Friday evening. Mr. Howard made a statement, at the close of the performance, that during his seven years' experience in giving this entertainment in different parts of the Western country, he never, on so short a preparation, was able to present it in so good a manner as the assistance he had during his present visit at Buchanan. This is a very flattering compliment to our home talent and should be an encouragement to engage in like undertakings in the future.

Room under H. J. Howe's Store.

J. W. HENWOOD, N. H. MERRILL.

PERSONAL.—We received a pleasant call from our friend West B. Wilkison, editor of the Seneca (Kan.) Courier. Brother West was very fortunate in selecting Seneca as a place to establish a paper, and we are glad to hear that he has done so well, and that his prospects for the future are so promising. He expects to remain several days visiting relatives and friends, in Buchanan, Berrien Springs and elsewhere, before returning to his home.

THE COMET.—The Comet is now plainly visible to the naked eye. We intended to give a "chapter on comets" but our space will not allow us to do so this week. We will only say that this Comet is known as the Coggia Comet. Its tail is estimated by one Professor Parkhurst to be 3,000,000 miles in length. It is expected to approach the sun and become more brilliant until about the 20th of the present month, when it is expected to recede, perhaps to not make its appearance again for centuries.

THERE is not a better location in the State of Michigan for a Woolen Factory than at Buchanan. Some men of capital should be induced to invest their means in an enterprise of this kind at this place.

Wagner has removed his office from the first floor of his brick (Record Building) on Front Street, to the "Old Record Building," on Main Street, third door north of the Bank, up stairs, where he will be pleased to meet all his old friends. Those owing him, or the late firm of Wagner & Kingery, will save trouble and cost by calling and settling the same, either by note or cash, as the books must be closed up.

THE new Grocery firm, is Smith Bros. & Co. Go and see them.

TRIAL SUBSCRIBERS.—We will send the RECORD to new subscribers for four months for 50 cents in advance. We shall continue this offer until after the campaign closes next fall.

You may go to almost any part of this town and you will find boys grouped together playing at the same sports, and with a few remarkable exceptions you will hear them conversing in the same loud tones, and emphasizing their remarks by profanity and vulgarity. It is generally conceded that rapid advancement and progress boys can make in learning vulgarity and other sinful practices. Parents are frequently to blame if their children acquire these bad habits.
