ITEMS FROM GALEN.

Nov. 12, 1879.
A report comes to town that Mr. Smith Morley's house, in Weesaw, was burned down last Sunday night about one o'clock.

Ross Shesley, who was shot in the head, is a very little better. There is a little hope of his recovery.

Mr. Jack Morris and Mr. Tracy Hall, of Weesaw, are just finishing up their new houses. Both houses are large, neat and commodious.

Another steam whistle is heard now three times a day. The stove factory began operation Monday last.

Dr. B. C. Smith's office is about completed. A nice new walk is in progress on the south and east of our school yard.

Our Sabbath school talks some of having a Christmas.

Plastering, patching and shingling is the order of the day with a good many now.

Take your slopstone to the tinshop and prevent the necessity of using "sweat" words.
