The time for annual invoices will soon be here.

THERE is a dancing school in town twice a week.

But little dry wood is being marketed this year.

Good sleighing makes lively business for lively men.

SANTA CLAUS will have a rich load to distribute this year.

THERE is talk of starting a green-back paper in South Bend.

READ J. S. Tuttle's advertisement in another part of this paper.

We expect to see some more of those street lamps before long.

We have the finest stock for dance programmes in the county.

Dowagiac people report strawberries in blossom last week.

ONE more issue of the RECORD this year, and that on Christmas.

MR. BURNS' HELMICK returned from the West Tuesday morning.

BUTTER and eggs taste awful strong of cash at this time of year.

The Christian and Methodist churches will have Christmas trees.

TEN new names were added to our subscription list last Saturday.

CHRISTMAS next Thursday. Where do you take turkey this time?

THE Grangers held their first meeting in their new hall last Saturday.

INGLEWRIGHT BROTHERS have a fine fatted calf for the holiday trade.

THE wood market has improved the past few days at a wonderful rate.

MR. &amp; MRS. W. H. Glover celebrated their tin wedding Monday evening.

THE Dowagiac Daily News is a pretty lively local sheet, for a young 'un.

WHEAT sold Tuesday for \$1.28, which is not far from being a good price.

MR. MORRIS LYON, of Kalamazoo, spent Sunday and Monday in this place.

Attention is called to the prospectus of the Inter Ocean in another part of this paper.

TIME to get that new leaf ready to turn over with the commencement of the new year.

THE Buchanan Dancing Club will give a grand dance in Kinyon's Hall Christmas eve.

THOSE who attended the meeting of the State Grange from this place returned Friday night.

THE Catholic Church of Dowagiac raised \$34.65 for the sufferers from famine in Ireland, Sunday.

THE first grand hop of the Buchanan Dancing Club, in Kinyon's hall, Friday night, was a grand success.

THE work on Rough's hall is fast nearing completion and it will now be ready for business in a short time.

THE railroad fever seems to strike Dowagiac lightly. They commence arguing the question in their lycium.

THERE are fifteen saloons in Cass County, paying a tax of \$1,788.40. One less than in the city of Niles alone.

THE Benton Harbor Times says there are no dead beats in that community, and we wager a cent that is not so.

THE devil rings a church bell in Niles, but that is considered no disgrace to the church for it is a printer's devil.

MISS M. T. HAMILTON started Tuesday morning for Keweenaw, Ill., to spend the winter with her sister, Mrs. L. T. Eastman.

LAST week the type made us say the price of the Michigan Almanac was 18 cents when it should have read 15 cents.

DR. PIERCE was down town Saturday, the first time since his fracas with the runaway team. He still carries one arm in a sling.

THERE is expected to be a jolly time at the New England supper Tuesday evening. Going?

THE Red Ribbon club will meet at the M. E. Church, Friday evening, Dec. 19. All interested are invited to be present.

Mr. G. W. Fox has bought 4,000 bushels of wheat thus far this week.

THERE was a social party at the residence of Mr. J. B. Wells, at Cottage Hill, last evening.

RETURNED.—Mr. J. N. Stevens returned to this place from Leadville, Friday evening.

THE Era claims to find 53 weeks in this year. This is probably owing to the latitude of the place.

DR. J. HOLLOWAY delivered his lecture on the wild Indians of the plains in Kinyon's hall, Monday and Tuesday evenings.

THE Berrien papers are telling about diphtheria in Buchanan, and the strange part of it is that the Buchanan people know nothing of it.

If you have any presents to give place them on the trees. They will be nice ones and well loaded, at least that is the appearance now.

Who will be the one to start a skating rink in Buchanan? No better place of amusement could be found, and a good profit made by it.

W. H. BREEKE, formerly of this county, has formed a copartnership with Harry Tuttle, of Dowagiac, for the practice of law in Michigan City.

THERE is a hard to tell whether it is sleighing or not. The appearance of the vehicles on the street would indicate that it is near "half and alf."

TAXES.—Treasurer Lister can be found in his office every day this month, ready to exchange tax-receipts for greenbacks, silver or gold.

MR. ROLAND BLACK appears on the street once more after a serious time with an abscess in the bowels that has kept him at home several months.

MR. AND MRS. J. R. BUTL, of Oregon, Ill., were the guests of Mr. and Mrs. A. J. Eychaner this week, and started for their home this (Thursday) morning.

THE attention of the few remaining greenbackers is called to the interesting letter of N. A. Dunning, of Mason, found in another part of this paper.

FRONT street presented a lively scene again Saturday afternoon, being lined with teams and people. The amount of trading done such days is immense.

We are warned to look out for cold weather. It is forty below the bottom up in the north, and is expected along this way soon. Are you ready for it?

NEW YEARS' leap-year parties are being planned already. The old maids have been so long without their say in the matter they propose to commence business with the first of the year.

BURNED.—The residence of Thomas Mason, of Stevensville, and its entire contents were burned, Saturday night. Loss about \$3,000. Insured in Berrien County Mutual for \$1,800.

THERE has been more fine Bohemian glass ware sold in this place this winter than it was ever thought possible before. There is no knowing what can be done until it is tried.

MR. B. T. MORLEY has bought the Snyder lot next east of the Foundry. This makes Mr. Morley's home and work about as handily arranged as is possible. Consideration \$800.

Two of the finest fat calves ever killed in Buchanan will be sliced up for Christmas dinners for the customers of O. S. Tourje's meat market. They are whoppers.

MR. CHARLES EVANS is authorized to take subscriptions and make collections for the Record, and monies received for by him will be credited the same as if paid at the office.

MORG. WYNN is drawing some fine walnut logs into the mill-yards in this place. He brought in one Tuesday evening that measured about five feet in diameter.

THERE will be a Christmas tree at the Christian church on Christmas eve. All are invited to come and have a good time, as Old Santa Claus is expected.

It was lively the way people rushed out those sleighs when there was snow enough to cover the ground Tuesday. A ride around the square was enough to shake a man's bones together.

MR. WM. DEWINE came down town Friday morning for the first time in over four weeks. He has been having a siege at typhoid fever. It makes him look rather bleached.

Two New Carlisle men made a clean profit of \$1,500 each last week dealing in pork options in Chicago. Once in a while that kind of lightning strikes in the right direction, but it is not the rule.

THE citizens of Edwardsburg have subscribed \$1,200 toward building a railroad from Niles to Elkhart, through that place. That looks like business, so far as it goes.

ANY one wanting to buy a farm is respectfully invited to examine our real estate column. Some valuable farms are represented there, and that can be had cheap.

HEADLESS roosters are being exhibited in nearly all of the interior towns of this State. You can find them at the meat markets here at any time in the week, and no fuss made about it either.

THE Grand, when kept in a flourishing condition as it has been in this place, is a great benefit, not only to the members but to the place. It brings a great amount of trade to this place that we would not otherwise get.

THE Marshal had twelve tramps at work shoveling snow off the side-walks Friday morning. They were all young, able-bodied, stout men, and there is no more sense in the village feeding such fellows than that the president of the village should ask alms.

Mrs. Whitman has one of the half cabinet Victor sewing machines for the holiday trade for some one who is lucky enough to get there before it is sold.

FOR 1880 and 1881 Circuit Court will be held in this county, commencing on Monday following January first, fourth Monday in March, third Monday in June, and third Monday in October. So says the Judge.

THE Masonic emblem mentioned in the Record last week as having been made by Miss Ida Knight, turns out to have been made by Mrs. Lucy Zeiters, of this place, and was made for John M. Rouch.

REMYNY, the great Hungarian violinist, and his company, will give a concert in Peak hall, Niles, next Thursday evening. Admission 50 cents. If you are fond of good violin music there is where you can hear it.

It seems evident that the man who can not get work now does not want it very badly; in plain United States, it is too easy to enjoy good health. The marshal had eight such chaps at work, shoveling snow, Tuesday morning.

COOK is growing now because some of the papers spoke about the Michigan Central Company's intention to build a bridge in Niles, and didn't give him credit. That doesn't hit this way. We stole it from the Evening News.

MASONIC.—The regular annual meeting of Summit Lodge No. 192, F. &amp; A. M., for the election of officers for the ensuing year, will be held on Monday evening, Dec. 22, 1879. A full attendance is desired. By order of W. M. B. D. HARPER, Sec.

REGULAR communication of Buchanan Lodge No. 68, F. &amp; A. M., will be held at Masonic Hall on Friday evening, Dec. 26, at which the election of officers for the ensuing year will take place. All who are interested will please take notice.

BY ORDER OF W. M.

CHARLES RUSSELL, the State Lecturer of Independent Order of Good Templars, has been engaged to deliver a lecture in this place to-morrow (Friday) evening, at the M. E. Church, before the Red Ribbon Club. All are invited.

MR. J. W. FANCHIER, while walking along Oak street a few days since, eating some small pieces of candy, he let one of them get down his wind-pipe and shut off his wind for a short time, but by some pretty violent exertions he managed to get rid of it and was relieved. It is useless to say that J. W. was somewhat frightened.

THE usually quite sane people at the mouth of the river are going crazy over the "nu stile of spelli" a la Josh Billings. It is expected that a branch of the Kalamazoo asylum will soon have to be erected just half way between the two towns there if the thing continues until spring.

ANOTHER STRICKEN CONSCIENCE.—Several months ago some one stole from Mr. Moulton's front yard a part of his washing, that had been spread there to dry, and last week returned the garments to the same place. They were all right, but had been worn and were soiled and dirty.

MR. H. H. KINYON has placed a fine lamp at the corner of his block on Front street, to furnish light on dark nights. He is the first to lead off in this direction, and it now remains to be seen who will be second. We hope to see at least a half dozen of them on Front street west of the Post Office, and as many more on Main street, Day's avenue and Oak street. Keep the ball moving.

THE M. E. Sunday school will give a musical entertainment and Festival at Rough's Hall, Tuesday evening, Dec. 23. The music will be vocal and instrumental, the festival, a New England supper, such as our ancestors of the early part of the last century served up to their guests. Everybody is invited to come and enjoy a rare musical treat and partake of a good substantial supper.

CONSIDERABLE of a stir is being made about the publication, by the papers in various parts of the State, of the statement that a Niles church had refused the use of their house for a funeral service until the payment of a fee of \$5, because the person was not a member of the church. The trustees deny the charge, although they claim that is the rule of the church.

DAYTON has a mutual life insurance association, in which the members pay \$1 each on the death of a member. Mrs. Burgess received about \$45 from the company on the death of her husband, who was a member. No solicitations are made for new members, but those who like take it, and those who do not just let it alone.

Send \$1.50 for the RECORD one year.

The County Treasurer's report of the liquor tax collected in this county shows two saloons in this place, ten in Benton Harbor, twelve in St. Joseph, two in Berrien Springs, five in New Buffalo, seven in Gales, sixteen in Niles, three in Three Oaks and one each in Bridgman, Calumet, New Troy, Stevensville and Watervliet. All of whom pay a tax of \$7,027.09.

A SHORT, heavy set man, wearing a bright red chin whisker and moustache, who was about this place last week canvassing for a paper and chromo, left town Friday morning rather suddenly without paying his last week's board. He took with him a book belonging to another person boarding at the same place. A telegram received from Michigan City that afternoon stated that he got off the train at that place.

List of Letters.

Remaining in the Post Office at Buchanan, Wed. evening, Dec. 17, 1879.

Darling, George, Wherry, E. C.

Hove, Al, Naton, L. B.

Helmick, Carl M., Wynne, Morgan

McMurry, James

This list is published here for the information of the readers of the Record, therefore there is no charge for delivery of letters advertised herein. Persons will, however, in claiming any of the above, call for "advertised letters." L. P. ALEXANDER, P. M.

It was reported here Monday morning that the men who went from Niles to interview the head of the Grand Trunk Railroad Company, regarding a short route from Niles to Elkhart via Edwardsburg, had succeeded, and that Buchanan's cake in regard to the railroad business was all dough, but a later inquiry proved that there was more scare than hurt in that report. The Niles parties laid a proposition before the G. T. Company, but had made no definite arrangements for the building of the road. They say they are going to have the road to Edwardsburg or some other point on the Grand Trunk, if they never lay up another cent, and we trust they will. That need not interfere with our business.

A Chicago firm has been making enquiries in regard to locating a cutlery manufactory here, and are favorably impressed with the location, except that with the present population and scarcity of dwellings it would be impossible to get hands to do their work. They would employ of men, women and children, from 50 to 100 persons.—Times (see) to the Western, Dec. 11. St. Joseph is the place for that firm. Plenty of land; plenty of men and women, girls and boys; good shipping facilities, and a fine, healthy location here. What more could they ask for? Send those fellows this way, neighbor Hill!—St. Joseph Traveler Herald.

Yes, and if they are not quite suited with St. Joe, just send 'em down this way, and we'll treat 'em like kings. We have plenty of material to build houses enough, and can import the help if we can not get it any other way, and we are right down sure Buchanan is just the place they seek.

Additional locals on second page.
