MR. CHARLES ALEX, of Benton Harbor, formerly of this place, has returned, and will make his home in Buchanan for a time.

SPLENDID weather for adding new names to our list. They come right along faster than any green thing. Try it yourself.

MR. WM. PATTON is making marked improvements in the appearance of his residence on Front street by a new roof and fresh paint.

WE have been having more than our share of heavy thunder and lightning this month, it coming nearly every night for nearly two weeks.

ST. JOSEPH, April 20.—A young son of John Miner, of Royalton, was crushed this morning by a rolling log. The injuries will prove fatal.

MR. W. M. WOOSTER, of the Decatur Republican, made the RECORD office a call Friday. He delivered a temperance lecture here in the evening.

ABOUT 1,300 emigrants, being two train-loads, went through this place Monday evening bound for the north-west. They were from "Die Fadderland."

SETTLED.—Mr. Alfred Hamilton has bought a farm of 166 acres in southwestern Iowa and sent for his family to come to him. They will start from Dayton to-day.

THERE are a lot of boys running at large in the streets of this place, apparently without a care from their parents, who are taking splendid instruction for a preparatory course in Jackson or Ionia. The parents are the ones wholly to blame if they end their days in the penitentiary.

COPELAND, formerly of this place, lectured at Charlotte, in this State, last week, for the benefit of the hose company, and the boys "benefited" \$15 out of pocket.

A GOOD job was done Tuesday by way of placing a line of new hitching posts along the North side of Front street, from Nash's corner east, and along the west side of Mr. Nash's lot.

THOMAS HAMILTON's new building for agricultural implements is fast nearing completion. He intends finishing the upper story with lath and plaster in good shape.

ANOTHER slander suit in Berrien county. It is Will Reese and a Mr. Parks, of Pipestone, for it this time. The damage claimed by Reese is \$5,000.

A "sword swallower" made this town a call a short time since, and some of the "little boys" still believe that he actually jammed a fifty inch sword down his neck.

The Michigan Central Company is pushing along the work of building their new iron bridge across the St. Joseph river at Niles with commendable vigor. The abutments are about completed.

A GREAT amount of barbed wire fencing is being built in this vicinity this year. The injury done to stock by running against such fences is frequently worth more than the fence.

MR. JAMES WELLS, who is now attending school at Valparaiso, Ind., writes that measles is having full swing there. That two students have died since he went there, about four weeks since.

THERE are some sidewalks in this place that are in a most deplorable condition. This spring will be a good time to put in some more brick walks, and we should be glad to see it done.

MR. WRIGHT SMITH is building a house to his addition. That is, the part he is building now is the largest part of the house by far. It improves the looks of things in that neighborhood very materially.

A NEW street lamp was placed on Main street in front of the main entrance to T. M. Fulton & Co's store, Tuesday. Good, so far. Now let us hear from some others on the same subject.

THE Republican county convention for this county, to appoint delegates to the State convention at Detroit, will be held in Berrien Springs next Tuesday, May 4. Let there be a full attendance of delegates appointed.

IT is moved and numerous seconded that the Common Council be requested to put a stop to using the streets of the village of Buchanan as a cow pasture. All in favor of the motion say "A." The Common Council will act in accordance with the vote.

SOLD CHEAP.—The house and lot belonging to the estate of James R. Taylor, on Alexander and Clark streets, was sold at Administrator's sale last Saturday. Mr. Amos House was the purchaser, paying \$161 cash. About half enough to build the house.

THE steamer Hanley has been at work the past winter transporting wood from between this place and Niles to that city and placing it along the east beach of the river, but Monday when the river arose to its top notch a portion, to the amount of ten cords or more, went down stream.

THERE seems to be considerable of an idea prevalent in this place, that just the thing the State of Michigan wants is a prohibition law, while after a 26 years trial of that kind of law, and consequent free whisky, the voters of the State decided by a large majority that they wanted no more of it. There is not a State in the Union having a better liquor law than has Michigan, and all it now requires is to enforce it, and that is no difficult task.

SEVERAL new cards have been added to our business directory, on first page of the RECORD, this week, but it is still incomplete. Other cards will be added until we have it as complete a directory of the business interests of Buchanan as is possible.

YOUNG FOLKS.—At the celebration of the eleventh birthday of Mrs. Rachel Miner, held at the residence of H. C. LeRoy, in Bridgman, April 5, the combined ages of five of the lady guests aggregated 402 years. People never die in that country unless they get the age.

AND now Brother Reeves has a little county seat boom of his own, and proposes to build a court house at Benton Harbor at once. Just you remember that quotation from Shakespeare which says, "Wait for the narrow gauge." Era.

Wrong again, Mr. Era. That quotation is pure scripture.

The distribution of the history of Berrien and Van Buren county, in this part of the county, was completed Monday. With but few exceptions we hear expressions of satisfaction from the subscribers. There are a few, however, who are dissatisfied, from some cause or other.

BURGLARY.—Last Friday night burglars entered the hardware store of Chatterton & Friedel, of Three Oaks, blew open their safe and took about \$100 in cash, besides a quantity of mortgages belonging to them and some that had been deposited there for safe keeping. No clue to the burglars.

DIVINE service will be held next Sunday morning and evening, as usual, at the Advent church on Oak street. Subject chosen for evening discourse, "Elements of Christian Character." Text, I Cor. 10: 13-14. He will also preach in the school house near Mr. Robert Mead's, three miles north-east of Buchanan, next Sunday afternoon at half past three.

THE work of surveying for the railroad to Berrien Springs was stopped last week on account of the Surveyor being obliged to stop to take the assessment of his township, he having been elected Supervisor. Work was commenced again Monday morning, and will now be pushed forward to completion. The stock holders are making a good stake by delay through the decline in price of iron.

MR. V. HERRINGTON had a little experience Saturday night. He was raising his house preparatory to building a foundation under it, and took upon himself the task of raising the building without the aid of practiced help. He succeeded in getting the house upon the blocking and all went well until in the night he was awakened by a disturbance, when he rushed out of doors and found that his house had tumbled down cellar.

SOLDIERS AND SAILORS.—There will be a meeting of the ex-soldiers and sailors, at the Engine House, next Tuesday evening, May 4, for the purpose of making arrangements for Memorial Day. Comrades, turn out promptly at 7 o'clock sharp. J. F. BARNOR, Chairman Executive Committee.

IN a visit to Buchanan last Friday, we found the busiest town on the Central. A village of 3,000 inhabitants, and it is said, without a vacant house. It is abum with many manufactures, and has business enough to warrant a continued growth. The dwellings are nicely kept and spread over the valley and surrounding hills in a pleasant variety. Altogether, in a few words, we liked the little city, and the intelligent audience it entrusts to a stranger.—*Deater Republican.*

A RAD SCARE.—Tuesday morning, Fred Schray was trying to take trunk down from a closet over the stair-way, to which there was no access excepting by a plank laid over the stairs for the purpose. He had drawn the trunk out onto the plank when the plank slipped off, and down came plank, trunk, and Mr. Schray in a pile at the bottom of the stairs, a distance of about twelve feet. Mr. Schray fell on his shoulders and was pretty badly shaken up by the fall but received no serious injuries.

AN EVENING OF JOY, LAUGHTER AND TEARS.—The Bristol Elocutionary and Humorous Combination will give one of the best entertainments of the season in Kinyon's Hall, Thursday evening, May 13. Read what the papers say: "One of the best entertainments Beloit has been favored with in a long time."—*Beloit Free Press.* "The best ever given in Sheboygan."—*Sheboygan Herald.* "The character and renditions were among the best efforts ever presented in this city."—*Chicago Times.* "I never in my whole experience as a manager heard so many hearty laughs and such applause."—F. L. Reynolds, Manager Opera House, Muskegon, Mich.

NEW LODGE.—Wessex Lodge No. 340, I. O. O. F., was instituted at Hill's Corners, this county, last evening, by W. I. Himes, of this place, assisted by a large number of the fraternity from the Lodge at Buchanan, Berrien Springs, Dayton, Bridgman and other places. The Lodge started with eleven charter members, and ten more were initiated after the institution. The exercises of installing the officers were public and were witnessed by a large number. The following are the officers installed:

Ort Henderson, N. G.
W. R. Sober, V. G.
M. J. Morley, Sec.
Otis Sterns, Treas.
Alvin Morley, W.
Elmer Adams, C.
Wm. Cavanaugh, I. S. N. G.
Charles Morley, R. S. N. G.

Wm. S. Morley, R. S. V. G.

The visiting members were treated to a grand supper about 8 o'clock, to which they did ample justice "and more too." Taken all together it was one of the most pleasant gatherings of the fraternity in the county.

[Niles Republican.]

Work is progressing rapidly on the new railroad bridge across the St. Joseph in this city. Mrs. Mary Rugg, who lives near Bertrand, fell from a load of hay on Tuesday evening last, and broke her thigh bone in two places.

[Niles Mirror.]

A spit dog, belonging to Mr. Earl, went out last Sunday. He ran through the sitting room of Professor Gas, through a window down cellar, went out and was taken with a spasm, foamed fearfully at the mouth. Mr. Gas went out and shot him. These York City has exterminated these dogs, and it should be a fine of \$5 a day for any man to keep one.
