A Losing Joke. A prominent physician of Pittsburgh said jokingly to a lady who was complaining of her continued ill health, and of his inability to cure her, "Try Hop Bitters!" From a Distinguished Physician: Prof. Green, a distinguished allopathic physician, wrote to the Medical Record and said that after other remedies had failed, he sent for the Kidney (Safe Kidney and Liver Cure), and to his astonishment cured a serious case of Bright's Disease by administering it, and afterwards found it equally benefited in other cases. 18ms

THE OLD RELIABLE NEWS STAND!

IS STILL IN GOOD CONDITION, Having been placed under the supervision of MR. ASA HAM,

"Y'er see, if he's all right, we'll have oysters stuffed with chicken orzo. That's right, and we'll have 'em eat mince-pie till I bust. If he isn't all right we'll have puddin' stuffed with milk, and I'll stand a big show for a hickin' 'fore bed-time. See?"

"I observe," replied the doctor, outside the gate.

"Ma she's callin' him darlin' and runnin' to the door to meet him; Sarah she's combin' his hair and praisin' his eyebrows, and it's sort o' underfoot for me to get in. I'll wait 'till after them stuffed oysters can't be got back on. Do you tumble?"

"The racket is plain," whispered the outside boy, "and as you and me and pals, Tim, and I know we love each other, we'll be in for a good time. I'll walk this old hat around the corner. If yer dad should see us 'scusin' together he might smell the turkey and kick. Good-by, Tim!"
