THE woodchuck that will stay in his burrow six weeks of such weather as this, just because he happened to see his shadow, isn't much of a woodchuck anyway.

ELDER J. H. PATON, will preach in the Old Advent church, on Sunday next, forenoon and afternoon. An invitation is extended to the public to come out and hear him.

JUDGE LEEDS called at this office yesterday morning on his way to New Buffalo, to settle a dispute between the Chicago and West Michigan railroad company and some property owners in that place.

E. D. BATCHELOR, of Niles, is in town visiting friends this week. He visited the RECORD office and renewed his subscription to the best paper in the county.

MR. CHAMPION, of New Carlisle, Ind., is in this place with a stock of jewelry looking for a place to locate for business. He has engaged a portion of the room occupied by Mr. Heifner.

OUR citizens should not forget when the suitable time arrives, that many of the sidewalks in this place are in an abominable condition, and should be replaced with new as soon as possible. We want no more law suits over some skinned shins.

A MAN from Illinois is looking about this place with a view to engaging in the dry goods business. Another well managed dry goods store would not only do a good business here but would be a benefit to the place by bringing in new trade.

GALLEN, Feb. 7, 1882. EDITOR RECORD, Dear Sir:—In your last week's paper I noticed the following: "Who will win the dressmaker, Sam or Johnny?" In answer to that question I will say, the first one that proposes will win the DRESSMAKER.

By the New York Daily Sun, of Feb. 8, we see that Major Samuel Wells of this place was appointed one of a committee of fifteen to inquire into and report on the advisability of holding an agricultural exposition in New York, similar to the one recently held at Atlanta.

THE question of safety to those who attend meetings in public halls is becoming a matter of public discussion once more. No hall should be without some safe means of escape in case of a stampede from a fire alarm, if nothing more than ladders built to the windows.

A SINGULAR case of hydrophobia is reported from Edwardsburg, Cass county. About 10 years ago Hiram Stedley was bitten by a dog, and the disorder was developed during the fever resulting from vaccination. He is in a terrible condition and the probabilities are that he will die.

THE subject of a fair at Berrien Springs has been talked of for some time, and offers made to donate grounds for such a purpose. That such an enterprise at that place, if properly managed can be made a paying institution, there can be no doubt. For the purpose of further discussion and direct action in the matter we propose a meeting to be held at that place and ask those interested at Berrien Springs to prepare for such meeting and issue a call, giving sufficient time to give it publicity. It is time to commence work if it is to be done.

THE weather and poor condition of the roads has had a very bad effect on business in all parts of the country this winter and Buchanan has not become an exception, although there is no serious falling off here aside from the saw-mills which are left with empty yards instead of full, as they would have been with a winter of good sleighing.

PROF. HERMAN WURZ will give instructions in music on violin, guitar, piano or flute. He comes highly recommended as a first-class musician, and his terms are reasonable. All persons wishing to receive instruction by him, are requested to leave names at this office. The Professor will be here next Saturday.

THIS morning, as some of our town boys were hunting in the vicinity of L. L. Gap, Frank Duncan, one of the party, having hold of the muzzle of his gun, the breech resting on the ground in front of him, drew the gun along toward him, when it went off, the charge taking effect in the left wrist, and shattering it so that amputation was necessary.—St. Jo. Herald, Feb. 7.

MESSRS. Philo Smith, Wm. Powers and A. J. Carothers of this place have the hull of their boat, for business on the river, ready for the engine and wheels. It is the black boat that was sailed on Clear lake two years ago, lengthened ten feet, making it now 32 feet in length, six feet beam, and will draw about four inches of water. The owners are contemplating having considerable sport with her, and perhaps make a little money.

THE Pomona Grange of Berrien county has made arrangements for a series of lectures, to be delivered by competent speakers, in Niles, Dayton, Berrien Springs, Benton Harbor and Bainbridge. The first of the series will be by Mrs. Augusta Cooper Bristol, lecturing on New Jersey State Grange, at Niles, Feb. 21. Her subject is Farmers' Relation to Society as American Citizens. It has been at a great expense that the Grange has been enabled to secure these lecturers, but no charge of admission will be made. The dates for the succeeding lectures will be announced in due time.

AT a meeting of the stockholders of the St. Joseph Valley railroad company, held in the office of the Company in this place, on Monday last, the following were elected directors for the ensuing year: Wm. R. Rough, Buchanan. Wm. Peers. Geo. H. Richards. Solomon Rough. J. J. Van Ripper. R. D. Dix, Berrien Springs. Burns Helmick. Warren Chapman, St. Joseph. C. B. Potter.

The newly elected directors elected for officers for the ensuing year the following: President—Wm. R. Rough. Vice President—Geo. Richards. Secretary—R. D. Dix. Treasurer—A. F. Ross.

DIED.—Mr. George Baker, a well-known and highly respected citizen of this county for a number of years, died at his home in Bakertown, last Saturday, Feb. 4, of Bright's disease, after a sickness of eighteen months. George Baker was born in New York State in 1829, and moved to Bakertown with his father, Mr. Hiram Baker, in 1844. In 1849 he went overland to California, and remained there seven years, returning by way of the isthmus, remaining at home one season, when he crossed the plains to California the second time, staying two years, when he returned to Bakertown once more, and has since made that his home. Mr. Baker was one of the exceptionally good men of the country, who is known by no one but to be respected and honored. A large company of friends and relatives attended the funeral, which was held at his late home on Monday, Rev. J. J. Roe officiating. He leaves a widow and two children.

Jury List. The following jurors were drawn for the next term of court, which will convene at Berrien Springs, on the 20th day of March: Isaac Brown, Buchanan. Charles Weaver, Bainbridge. Robert N. Haslett, Bertrand. John Jenkins, Berrien. John L. Gibson, Chikaming. Perry Noggle, Gallen. L. T. Bryant, Hagar. Ambrose F. Morley, Lake. Frank Stebb, Lincoln. Charles Hillman, New Buffalo. William H. Tryon, Royalton. John F. Hogue, Sodus. Thomas C. Bradley, Three Oaks. Alonzo Sherwood, Weesaw. B. F. Rounds, Benton. Marvin Cathcart, Buchanan. C. C. Potes, Bainbridge. Joel H. Gillette, Bertrand.

To the Business Men and Tax-payers of Berrien County. Your attention is hereby respectfully directed to the meeting of the Berrien County Highway Improvement Association, to be held at the village of Three Oaks Feb. 15, commencing at 9 A. M. sharp. The report of the committee appointed to prepare changes and amendments to our highway laws, will be presented at that meeting, and it is highly necessary that a full attendance shall be had. Some radical changes are suggested by the committee, and it is desirable that these measures shall be thoroughly discussed and prepared as the voice of the people of this county, and presented to the legislature at its next regular session.

To the producing, manufacturing and commercial interests of this county the matter of good roads is of the most vital importance, hence we say to all who are engaged therein, now is your opportunity. Come; let us take counsel together in this matter. The subject of taxation for this purpose is under consideration, and if you neglect this opportunity, you alone must abide the consequences of your neglect. Everybody come out. R. V. CLARK, Sec.

ACOONS FROM THREE OAKS.

Feb. 7, 1882. Prof. Rice and his class acquitted themselves splendidly in their rendition of Queen Esther, on Saturday and Monday evenings. The hall was crowded both nights, and everybody was pleased with the performance. Prof. Leslie will give a concert to-night, and will remain with us for a week giving vocal instructions to a class. Mr. Zoover lost a child, on Saturday night, of catarrhal fever. Quite a number of citizens attended the funeral services of Mrs. Hatfield, at Carlisle Hill, to-day. Miss McCormick is visiting with the Misses Strehle. Her father was here over Sunday. Mr. Ballard occupies rooms over Miller's shop for the present. Our steers have been crowded with teams for the past weeks, and business has been very lively. All on account of good roads. Sunday afternoon prayer meetings have held here regularly for nine years. The meeting of last Sunday being the ninth anniversary meeting, the occasion was celebrated by reading a number of interesting letters from absent ones. There have been five deaths among their number in that time. Five of our young men will depart from this place in the spring for New Mexico, and then there will be no more "Tapping at the parlor door, evermore."

The little folks did just splendid at the concert. We hope the citizens will appreciate Prof. Rice's efforts here. It is just glorious to be able to let your team go off of a walk when out riding. Such is the case now in this vicinity.

GALLEN ITEMS. The following officers were installed into office in Good Tempers' Lodge last Tuesday evening: Andrew Shearer, W. C. T.; Miss Emma Ingles, W. V. T.; Porter Churchill, W. Sec.; Miss Alta Davidson, W. A. Sec.; Wm. McMaster, Sen., W. F. Sec.; E. J. Fairfield, W. Treas.; Willie McMaster, W. M.; Miss Nettie Vanderlin, W. D. M.; Miss Millie Yason, R. S.; Miss Retta Pinyard, W. L. S.; Mrs. J. Harner, W. I. G.; Geo. Redden, W. O. G.; Wm. Beach, W. C.; Alma Blakeslee, G. W. C. T.

A strange boy came to Geo. Ashman's last Thursday night. Geo. has adopted him, and feeds him on milk. The "bobby" weighs eight pounds. Last Tuesday evening Rob. Rutledge came to town with a grub of wheat. Got it ground, and stopped in town a short time, leaving the flour in his buggy. When he got ready to go home the flour was gone. Some one stole or borrowed it. Bob. does not know which.

If the people of Gallen and vicinity want to attend an entertainment that is both interesting and instructive, let them come out to our Literary meetings, at the school house every Wednesday evening. Ira Wagner of Buchanan was in town Wednesday.

There was a surprise party at Granville Miller's on Tuesday evening. H. S. Cone purchased the Green property one day last week. The Wolverine Handle Factory is compelled to run evenings to keep up with orders. NIMROD.

HILL'S CORNERS ITEMS. Feb. 7, 1882. Roads in a good condition in this locality. Lake township tax collector has saved a portion of his scalp by using his organs of locomotion freely. Mrs. W. J. Hanover is very sick, and doubts are entertained as to her recovery. A series of meetings is being held at this place by one Mr. Miller, a brother of Jacob Miller, living near the Corners, and the sermons are without doubt the best we have listened to in a long time. Weesaw Lodge No. 840, and Gallen Lodge No. 347, I. O. O. F., will jointly have an oyster supper in the new house of Jeremiah Painter, on the evening of Feb. 15. A good time and general turn-out is expected.

Mrs. Wm. Gardner has been quite sick, but at present writing is better. The Huntsman saw mill, in the vicinity of Peter Wolkins', is doing a lively business in the line of lumber making. Otis Sterns has lately returned from a trip in Western Ohio, and has brought with him a pig as large as a good big rat, and worth \$16. Mrs. Corlisa Osborn is in New Troy looking up the Darwin theory. X

To All Interested in the Sunday School Cause. The Berrien County Sunday School Association will hold its third annual convention at the M. E. Church in Berrien Springs on Wednesday and Thursday, Feb. 22 and 23. This association is strictly undenominational, and has for its sole object, the promotion and extension of the Sunday school in our county. At the two conventions heretofore held, one in St. Joseph and the other in Niles, there was a good attendance of delegates from all parts of the county, and all expressed themselves greatly interested and instructed, and we feel assured of the fact that the work in our county has received a new impetus as a result of these two meetings. The Sunday school furnishes a natural ground upon which all who love the Lord Jesus Christ, of whatever church name they may be, can meet and work together for the building up of his cause and kingdom. Hence we most cordially invite you all in the county, who are the Sunday school cause, and especially all teachers and superintendents, to leave their business cares for a day or two, and come up to our county seat, and let us commune together, and consult together on our work, its past, present and future prospects, and thus gain new faith, strength and inspiration for the future. The good friends in Berrien Springs are all alive and promise to entertain all who may come, and we hope to see a large enough number to test their hospitality to its utmost. GEO. PARSONS, President. E. K. WARREN, Sec'y.

[Berrien Springs Era.] Ingham, Leslie & Co., of Benton Harbor, will remove their entire business to Muir, where they will erect extensive works for the manufacture of baskets and wooden ware, including in a collar-and-shoulder-wrestling match Saturday afternoon. Owning to some miscalculation John slipped and broke his leg below the knee. The fracture is an ugly one, and promises to keep the patient in the house some time. Additional locals on second page.

The Petoskey Record is on the alert for a new lead; and proposes the name of ex-Senator Wm. Chamberlain as candidate for Auditor General, to succeed W. I. Latimer. We have not heard Mr. Chamberlain express his views on this question, but have on others of a similar character, and the RECORD is led to the belief that he would not accept any office that would necessitate his moving away from his extensive business in Three Oaks. So far as qualification for filling that position is concerned, the Petoskey Record could not have picked upon a man more thoroughly fitted for the position than Hon. Wm. Chamberlain.
