

HIGH'S COLUMN.

We forgot to tell you, last week, about our New Jerseys Waists. They come in black and shades of cardinal & wine; & you will find that, to wear with a good Skirt, there is nothing that will answer the purpose as well as they do. Sizes run from 32 to 40, bust measure.

New Brodheads at 25c. per yard, (double fold), and we can warrant the color not to fade, either by washing or wearing. We sell lots of them every season. They are the heaviest and best made, for the price, in town.

We sell an extra quantity of Table Linen, as our assortment is good. Running at 25, 30, 35, 40, 45, 50, 65, 75 and 85 cents, and \$1. You will like them, if you want anything in that line.

1,650 rolls of Wall Paper received by us last week, consisting of new spring goods, made for this year's trade. Very fine & choice patterns at 15c. You will be surprised to see how nice they are at 20c. We give you the best quality you ever saw. Other stores ask 25c. for them. We have a very large assortment. In white, we have a very large stock and good patterns. They run lighter and in small figures, with borders to match.

Every lady says our Embroideries are very much cheaper than they are at other stores. Come in and see them. We own about \$300 worth.

DRAPER'S great Uncle Tom's Cabin Company, with all the modern improvements, including two Topsyies, two Marks, a pack of blood hounds, &c., are billed for this place next Monday evening, April 14. See their advertisement.

BUTTER appears to be an article in good demand—not alone in Buchanan, but our neighbors appear to be as hard up as we.

GOLD has been found in Oceana county. Also in Berrien county. It is in bank vaults and editors' pockets here.

Elders Paton and Hicks will preach in the Old Advent church next Sunday, at the usual hours, forenoon and afternoon. Meetings are now being held in that church each evening.

THE wanderers are returning to their homes. Frank Merrill, Mrs. Ella Samson and John Logan returned from the South last week. The other Buchananites who went to Florida last Fall are expected home soon.

LIST of letters remaining uncalled for in the postoffice at Buchanan, Mich., for the week ending April 10th, 1884: Letters, Mrs. M. E. Smith; drop, Wellington Vanderhoff.

MR. D. C. NASIR has concluded to erect a brick store building on his lot next east of that occupied by his grocery, on north side of Front street, the coming summer, and is now completing arrangements to that end.

THE third quarterly meeting of the U. B. church of Buchanan will be held on Saturday and Sunday next, beginning Saturday at 1:30 o'clock P. M. Sacramental services immediately after the forenoon sermon on Sunday.

MARRIED, in Gallien, Berrien Co., April 3, at the residence of the bride's father, by Elder Benjamin Finney, of Buchanan, Mr. John J. Mead of Buchanan, and Miss Zora E. Davidson of Gallien.

MISS MATTIE BROWN, a composer in this office, was called to Caro, Tuscola county, on account of the sickness of her brother, aged 14 years. The little girl died soon after Miss Brown's arrival there.

FARMERS who are not particular whether they raise any corn or not, may plant the imported seed that comes from Kansas and Missouri, and you will have a fine lot of soft corn next fall. Better plant Michigan corn.

THE greenbacks held their county convention at Berrien Springs yesterday. The members from this place went by special train over the narrow-gauge road. The work of the convention was to appoint delegates to the State and district conventions.

At the Republican caucus in St. Joseph, Saturday evening, a vote was taken on choice for President, which stood, 22 for Lincoln, 14 for Blaine, 3 for Arthur, 3 for Edmunds and 1 for Washburn. A majority of the caucus would not vote.

REPORT comes from Niles that the Cincinnati, Washburn and Michigan railroad has passed into the hands of the Lake Shore, which being one of the Vanderbilt roads cuts off the competition Niles has worked so hard to secure. If true, it will make an expensive investment of the road for Niles City.

THE two Masonic Lodges in this place, although both in a flourishing condition, have concluded that the interests of the Order would be best served by consolidating, and by unanimous vote in each lodge have concluded to do so. The consolidated Lodge will have a membership of about 150 members, and a treasury well supplied for the relief of the needy and distressed and for current expenses.

POSTMASTER ALEXANDER had his flag thrown to the breeze Sunday, in memory of the battle of Shiloh at Pittsburg Landing, which was fought on April 6 and 7, 1862, by Generals Grant, Meade and Buell on the Union, and Beauregard on the rebel side. It was in this battle that the 12th Michigan Infantry, a large number of them Buchanan boys, had their first and most severe action.

CAPT. GEO. H. RICHARDS, as a member of the committee appointed to receive subscriptions for the relief of the flood sufferers, has received letters from the parties to whom the money and goods were sent, giving a full account of the disposition made of them. As the parties are among Mr. Richards' acquaintances in Marietta, Ohio, he is assured of the proper use of the relief.

THE voters of Lake township at the election on Monday, by a strong vote, resolved that no pool or billiard table should be kept for use in the township, and the township board was authorized to fully enforce the resolution. There are a number of other townships in the county that might well profit by the example of Lake, Three Oaks and Gallien—the latter two having similar village laws.

A Chicago criminal named Scott, familiarly known as Scotty, has been taken to Jackson and testifies to having seen the package of papers and documents taken from the Crouch house on the night of the murder. He says they have been sealed in a lead water pipe and buried. His description of the papers is sufficiently definite to show that his story is not entirely a fabrication. He refuses to give details for fear of his own safety.

At the election in this place Monday, it was voted to raise the following amounts by tax levied on the property of the township: For township purposes, \$650; for relief fund, \$800; for highway purposes, \$1,000; library, \$100, and \$50 for shelving to accommodate the township library. Mr. Jerome Best was present at the noon hour and asked the voters to vote to spread a tax of \$75, to remunerate him for one-half the loss of his horse that died last fall from a cold contracted from the accident to his team in crossing the ferry. The motion to raise the amount

was carried by a small majority, after a division. There was some dissatisfaction among the defeated side and the question of illegality of the action arising, a vote to reconsider was passed and a collection taken for Mr. Best, which is in the hands of Mr. Alfred Richards. Any one who may desire to help swell this amount may leave their contribution with Mr. Richards.

DIED.—Mr. A. C. Harger, for the past few years a well known and respected citizen of this place, died yesterday morning, after a sickness of a number of weeks, of jaundice, resulting in internal hemorrhage. The funeral is being held as we go to press this (Thursday) afternoon, under the auspices of the Masonic lodge, of which Mr. Harger was a member. The remains were taken to Three Oaks, his former home, for interment. His age was 57 years.

NEW TROY ITEMS.

Mr. P. R. Epley and Mr. A. L. Preston have bought the wagon shop of Mr. Wm. Smith and they will continue the business at the old stand. Mr. Smith will start on a western trip next week, for the purpose of locating anew.

Mr. R. B. Jennings has returned from Grand Rapids, and looks very much refreshed by his short vacation. Judging from the caricature displayed at the post office, Troy must possess an artist of no inferior mold. The sweet singer of Michigan wastes his gems of music on the desert air when he attempts to charm the ear of an average Troyan.

The "None Such" troupe of Stevensville gave one of their interesting entertainments at Jennings' hall last Thursday evening.

One of my neighbors possesses a museum, the chief attraction of which is a dog with red eyes and a cat with white ones.

Miss Nettie Sherwood has returned from school, and will teach music this summer.

At the beginning of the present school year the tax payers of this district appropriated one thousand dollars for school purposes, and now at the end of nine months this sum has been expended, and every cent has been paid to residents of this district, tally one for home talent.

Preaching at the M. E. church one week from next Sunday evening at the usual hour.

I am sorry that some of my gentleman friends who attended the literary last Friday evening so far forgot the common requirements of society that they flooded the floor with tobacco juice; and it is to be hoped that it will not occur again.

The moonlight evenings are developing a large class of star gazers that even rural botanical investigators in point of interest to the young, both ladies and gentlemen.

The Greenback caucus renominated the present set of officers, with a few exceptions, and there is no doubt of their election, as but very little can be said derogatory to their administration of public affairs.

Some of the alleys and cross streets need cleaning. One more pool table to contend with. Sockers and milk, fritters and maple syrup is the bill of fare that makes the bad boy look wild.

Died, six aspirants for political honors. Peace be unto their blasted hopes. SAWDUST.

TECHNICAL temperance people are trying the same plan of petitioning the Common Council to reject all liquor bonds, that was started here. There is serious doubt of this kind of action standing the test of Supreme Court. Notwithstanding the two decisions that a Common Council may not be compelled to give their reasons for rejecting funds. Members of a Council are supposed to act in good faith in saying that a liquor dealer's bondsmen do not fill the requirements of the law, they do not contemplate a preconceived intention to reject any bonds that may be presented, of whatever nature, for the simple purpose of preventing the saloon-keepers from doing business, as a petition of this kind would seem to indicate. A decision on this point by Attorney-General VanRiper appears in this paper.

Returned Taxes.

The following is the amount of unpaid taxes returned from each township, as shown by the report of the county treasurer: Baldridge, \$8.82; Benton, \$69.05; Berrien, \$68.78; Bertrand, \$65.86; Buchanan, \$204.85; Channing, \$29.74; Gallien, \$18.14; Hagar, \$71.47; Lincoln, \$1,201.12; Lake, \$1,544.71; Niles, \$230.56; Niles City, \$1,811.17; New Buffalo, \$430.53; Oro-noko, \$30.42; Pipestone, \$11.22; Royal-ton, \$78.43; St. Joseph, \$607.01; So-das, \$21.44; Three Oaks, \$70.97; Watervliet, \$32.08; Weesaw, \$251.93.—Berrien Springs Journal.
