Mr. GEO. SCOTT has greatly improved his property by building a new cement walk along the Oak street front of his lot. There are other places in town that might profitably be served likewise.

BENTON HARBOR is trying to raise \$75,000 to build a paper mill. Let's see. The last paper mill that was located in that neighborhood moved to Marion, Ind., did it not? Could not make it pay where it was.

YESTERDAY Stephen Arney, of Hartland, sold Francis Wells 30 1/2 acres of school land, in Bertrand township, for \$4,299. Improvements on it not over \$300. The same land Mr. Wells sold in 1847 for less than \$400.

THE Wabash railroad time folders read, Niles, Berrien Centre, Eau Claire, Plank's Tavern. The prominence of the tavern in the railroad company's eyes so far over-shadow Benton Harbor that that little city is not seen at all.

JUSTICE HANOVER has closed his office, as there is not quarrelling enough in this vicinity to keep so many justices offices in good running order, but holds himself in readiness to attend all cases that may come before him.

THE vote on the \$12,000 bridge tax, in Benton Harbor, last Thursday, carried by a vote of 605 for and 120 against. This decides the question of the northern terminus of our new railroad. It also settles the scheme our St. Joseph friends are said to have had to secure the county seat by running a railroad several miles west of Berrien Springs, and eventually divide the county. The county seat will remain where it is, and St. Joe. people will reach it via Benton Harbor.

A LETTER from Capt. John F. Barmore states that the St. Joseph Post, G. A. R., will go to the Milwaukee Encampment by the Steamer Lora, on the morning of the 26th, and return on the 30th. The fare for the round trip is \$2.50. They invite their friends from this section to go and camp with them. It is thought that \$1 from each person will purchase all the provisions needed for the trip. Those intending to go should notify E. D. Schneider, St. Joseph, at least five days before the boat leaves.

THIS town is blessed with about a half-dozen fellows who do not carry brains enough to go away from home. They went to St. Joseph last week Wednesday to the picnic and advertised Buchanan as furnishing more drunks than any other towns that was represented at the picnic. Some of them have not quite sobered off yet. So long as they stay in Buchanan they remain sober and attend pretty well to their business, but so soon as they are allowed to go out of town they always have this kind of experience. For the reputation of the town it would be best to never allow them to go away, but whenever there is any public gathering just lock them up.

THE Walter A. Robinson Comedy Company will give a series of entertainments in Rough's opera house next week, commencing Monday evening and continuing during the week. Mr. Robinson has visited this place a number of times with the George A. Maxwell company, and was one of that party which attempted to go to Berrien Springs over the narrow gauge road, and spent the day and night in a box-car, snowed in. The exciting drama of Seven Nights in a Box-car, promised on that occasion by Markham, will not be on the program for next week, but we are assured of a good series of entertainments by a good company.

THREE OAKS people were shocked, on Wednesday morning, to learn of the death of Mrs. Sarah A. Sheldon, who committed suicide early this morning by hanging herself while in a fit of temporary insanity. Mrs. Sheldon, who had been deranged before but was thought to have entirely recovered, was not a strong woman at all, and as the family had been making preparations the day before to move, it is thought she overworked herself, and after passing a sleepless night she arose about half past four and committed the rash act as above noted. Miss Parley was the first to discover her mother, who was suspended in the wood-shed by a shawl strap. She called her brother James, who cut the body down and called in the neighbors. Dr. Sovereign among the rest, who found she was far past recovery, having been dead at least an hour and a half. Mrs. Sarah A. Sheldon was born in Wood county, Ohio, June 21, 1836.—Three Oaks Quill.
