

BUCHANAN RECORD.

JOHN C. HOLMES, Editor.
THURSDAY, MAY 22, 1890.

The McKinley tariff bill was passed by the house yesterday by a vote of 164 to 142. All the democrats voted nay and all the republicans excepting one Coleman, of Louisiana, voted yea.

Ex-Speaker Carlisle has been nominated by the Kentucky democratic caucus to succeed the late Senator Deak in the United States Senate. A caucus nomination in this case means an election.

Richard Vaux (Dem.) was, on Tuesday, elected to succeed the late Mr. Randall in the House of Representatives. His only opposition was from the Prohibitionists, who gave their candidate forty-seven votes out of a total of 5,501.

Add One More to the Roll of Honor. Treasurer Parks (Democrat) of Kansas City, was suspended from office Tuesday, a shortage of \$22,000 having been discovered in his accounts. Stanley Hobbs, City Comptroller, is now in charge of the treasury.

Louisiana Lottery company has increased its bid to the legislature for an extension of its charter, to a promise to pay the state \$1,000,000 per year for twenty-five years. This may be taken as something of an indication of the chance the contributors throughout the north have of getting their money back. It is the most gigantic gambling swindle known to the world.

The Crouch Case Again.

Richmond, Ind., May 16.—A crazy man arrived from Xenia, Ohio, on Wednesday last, and was locked up. He said he came from Bentleyville, Pa., and knew of the murder of the Crouch family. He says he did not commit the murder, but held the door while the others did it. He gives his name as Luke Allen.

Democratic Roll of Honor.

State Treasurer Foltz, of Tennessee, \$50,000

State Treasurer Tate, of Kentucky, \$20,000

—Little Rock, (Ark.), Register.

Awaiting the Result.

New York, May 20.—A Herald special from Pittsburgh, Pa., says: Half a million dollars will be invested in the erection of a tinplate mill in this vicinity if the McKinley tariff bill passes. It will be one of the largest in the world. J. Davis Lewis, formerly a tinplate manufacturer in Wales, is at the head of the projected enterprise. Free sites, coupled with cash gifts running all the way up to \$50,000, have been offered by rival localities to secure the new enterprise. Pittsburgh has the call. Mr. Davis says because it is the center of the iron and steel trade and the natural gas region. If the bill passes the mill will be built immediately.

Sixteenth Semi-Annual Meeting of the Niles District, Sunday, May 19. Review of the Proceedings.

The sixteenth semi-annual convention of the Woman's Foreign Missionary Society of the M. E. Church for the Niles district, was called to order at 2 o'clock p. m. Tuesday, at the Methodist church in St. Joseph, by the president, Mrs. Emma Stoes, of Buchanan.

There is a good attendance of delegates from the various auxiliaries in the district and the exercises are of an interesting and profitable character, the reports being of an encouraging nature and showing the work to be a flourishing and progressive condition.

The session opened with devotional exercises led by Mrs. R. C. Essick, of Berrien Springs. Miss Anna Cooper presided as organist, and familiar hymns were used throughout the meeting.

The following committees were appointed: Enrollment—Mrs. Holland and Miss Anna Cooper.

Finance—Miss Nellie Crumrine, Mrs. Forbes and Mrs. Caldwell.

Resolutions—Mrs. Jas. Paley, Benton Harbor; Mrs. A. T. Barrett, Niles; Mrs. Hathaway, Paw Paw; Mrs. E. H. Smith, St. Joseph; Mrs. Griswold, Buchanan; Mrs. Wood, Pokagon; Mrs. Esbeck, Berrien Springs; Mrs. Terry, Watervliet; Mrs. Bassett, Decatur.

Mrs. Caldwell and Miss Crumrine were appointed to act as salesladies in charge of photograph and mite box table.

Mrs. Howe was appointed to receive the scholarship fund during the session.

A paper was read by the president in lieu of the opening address, in which the object and work of the sessions were outlined.

Interesting reports of auxiliaries were called for.

Mrs. Gosling reported for Berrien Springs: enrollment 22; scholarship fund \$8.00.

Mrs. Farmer reported for Benton Harbor: 6 new members and eight monthly meetings since annual meeting; thank offering \$11.89; 3 dozen mite boxes in use; use lesson leaves with much profit.

Mrs. Bassett spoke for the Decatur society: membership not so large as last year; mite boxes in use; thank offering \$2.24.

Report for Buchanan presented by Mrs. Griswold. Meet each month and are well organized; have very profitable meetings.

Mrs. Moore said the Dowagiac auxiliary was doing well; 13 members; ready to pay assessment of \$10 for the Hoag memorial scholarship fund.

Mrs. Soror reported for Niles a membership of 48; \$9.35 raised for Hoag memorial scholarship fund; \$100 in mite boxes in use.

Mrs. Hathaway, of Paw Paw, said their auxiliary had a membership of 14; \$5 collected for Hoag memorial; thank offering \$11.50; one of their most efficient workers, Mrs. Nash, had died during the year.

Mrs. G. W. Gosling read a paper on "The History of the W. F. M. S.," which contained interesting statistics of the organization of the various missionary societies, and a detailed history of the work of the Methodist branch of the W. F. M. S. in all parts of the world. This branch was organized in March, 1880, in Boston. The first year there were only 82 auxiliaries in the northwestern district, but the movement steadily grew until now there are several hundred.

Mrs. Howe read an interesting letter from Miss Mattie Taylor, missionary to Japan, giving a brief account of her work in the mission school at Fukuoka, May 10, 1890.

Mrs. Taylor said she had 90 pupils who were very bright, and more studious than those in American schools. She has four classes in the English language and three in music, in addition to the

other courses of study. She also spoke of the customs of the people, the climate, etc.

Mrs. G. W. Moore, of Dowagiac, presented a deeply interesting and very nicely written paper on "Bible Incentives to Missionary Work."

TUESDAY EVENING.
The devotional exercises were led by Rev. S. T. Cooper.

Mrs. J. W. H. Carlisle delivered the address of welcome, extending a cordial greeting and speaking encouragingly of the assembly workers in a noble cause of sending glad tidings of good joy to benighted lands. The address was felicitously responded to by Mrs. Barrett, of Niles, who has long been a prominent character in mission work.

"Patchwork" was the title of an excellent recitation by Miss Nellie Crumrine, who is quite a talented elocutionist. This was one of the pleasantest features of the session.

Miss Ella Hewitt, of Gilead, Mich., who returned home from her mission work in Japan, last December, was present and delivered a fine address upon the "Religion and Customs of the People of Japan," illustrating her remarks with an elaborate collection of Japanese curiosities in the shape of dolls and other articles, specimens of idols, and a letter recently received from one of her Japanese pupils that measured six yards in length. The address was listened to with deep interest. The morning session closed with a prayer by the Rev. S. T. Cooper.

WEDNESDAY MORNING.
The Methodist Women's Foreign Missionary Society convened promptly at 9 o'clock, Mrs. Emma Stoes presiding.

Devotional exercises were conducted by Mrs. E. H. Brown, of Paw Paw. This remarkable lady is nearly 74 years of age, and is the oldest corresponding secretary in the district. She possesses, in a rare degree, youthful sprightliness of manner and if one did not see her silver hair, he would never guess her age. She does good and effective work in her old age.

The Bible reading, contrary to program, was read by the president. It was unique in plan, in form of questions and answers.

Mrs. Emma Stoes was made honorary manager by the appropriation of \$100 to the thank offering fund.

The report of the treasurer showed, beside other money, a balance of \$18 for present incidental fund.

Mrs. Stoes' discussions were followed by a paper by Mrs. Dr. M. M. Knight, of Buchanan, showing how woman could best utilize her opportunity. It was a master piece of thought and finely read.

A paper by Mrs. A. C. Wood, of Pokagon, chronicled the history of the W. F. M. S. in 21 years, showing a gain of the seven wise women of the East from 7 to 135,000 in that time.

The morning session closed with 47 delegates in attendance, after accepting an invitation to hold the next semi-annual meeting in Decatur.

WEDNESDAY AFTERNOON.
Convened at 2:30 p. m. Question drawer duly disposed of and a spirited discussion ensued concerning life members.

Praternal greetings from Mrs. Collins were responded to by Mrs. S. A. Howe. Mrs. Collins represented the Congregational church, giving encouragement and bidding the association God-speed.

A paper was read by Mrs. Toneroy, of Dowagiac, showing careful thought and research, also a paper by Mrs. E. H. Brown, showing careful consideration, and telling of the disheartening facts that 70,000 gallons of spirituous liquors go with every missionary to foreign lands.

Mrs. Watson, in her paper called "Michigan," gave some interesting statistics. Nearly \$12,000 were given by this N. W. branch last year.

Mrs. Carlisle made a few pleasant remarks, congratulating the workers, followed by Brothers Jennings and Egbert.

Session closed with remarks by Mr. Wm. E. Blackstone on "Chicago Training School."

After devotional exercises led by Mr. Carlisle and singing, Miss Josie Burke recited with graphic emphasis "The Bread Withheld from Heaven Lips."

Mrs. Stoes introduced Mr. Wm. E. Blackstone, of the Chicago training school, who addressed the audience at length, illustrating his remarks with maps, showing conclusively that over half of the world is in absolute darkness. He held an attentive audience and his address was a building up and forcible dictation.

The convention then adjourned sine die.

The following is a list of visiting delegates seated at the home of Mrs. J. R. Walker, of Buchanan.

Paw Paw—Mrs. E. H. Brown, Mrs. J. R. Walker, Mrs. Hathaway.

PHACTS AND PHYSIC.

When a man has a sore throat and it hurts him to swallow, he wants to swallow all the medicine he can get.

Dr. Brown Sequard's elixir of youth may be an important discovery, but every one knows that Dr. Franklin Miles' New Heart Cure certainly is. It has given thousands of men with serious heart disease a NEW LEASO OF LIFE. Druggists who can observe its effect on customers every where speak very highly of it. Mr. John Weaver, of Knightstown, Ind., says: "I have had much of Dr. Miles' New Cure, and have received many good reports." O. Monroe, of Dunkirk, N. Y., reports large sales. "And the best part of it is every medicine but mine satisfies me," and guaranteed by Barnore. 6

"Management." This one word has more meaning on the farm than is generally supposed.

The Verdict Unanimous.—W. D. Sull, Druggist, Bippus, Ind., testified: "I can recommend Electric Bitters as the very best remedy. Every bottle has given relief in every case. One man took six bottles and was cured of rheumatism of ten years' standing." Abraham Hare, druggist, Belleville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters. It has given me relief from a serious heart disease a NEW LEASO OF LIFE. Druggists who can observe its effect on customers every where speak very highly of it. Mr. John Weaver, of Knightstown, Ind., says: "I have had much of Dr. Miles' New Cure, and have received many good reports." O. Monroe, of Dunkirk, N. Y., reports large sales. "And the best part of it is every medicine but mine satisfies me," and guaranteed by Barnore. 6
