CARPETS!

Carpets are the same low price that they have been for a year. Probably this is the best time to purchase Carpets that people will see for years. It is estimated that if the bill placing an increased duty upon wool passes Congress it will increase the price of carpets from 15 to 25 cents a yard. As long as we have Carpets at low prices we will ask a low price. Our prices this fall are as follows:

Cotton Ingrains, 15, 18, 20 and 25 cents.

Union Ingrains, 30 and 35 cents.

All Wool Extra Super Ingrains, 45 cents.

Hartford Extra Super, 50 cents. Others, 55 and 60 cents.

Tapestry Brussels at 40, 45, 50, 55 and 65 cents.

Body Brussels we have in several qualities, from the cheapest to the best, and we have borders to match each pattern.

Mansome Patterns in Velvets and Moquette.

Beautiful assortment of Rugs, in Moquet and Smyrna. We are selling a good Smyrna Rug, 50x60 inches, for \$2.25, and one 36x72, for \$3.75.

Good quality Floor Oil Cloth for 25 cents a yard. Also a large line of Oil Cloth Rugs at 25 cents a yard.

Lithocum from 37 cents a yard up.

We sell all kinds of Mattresses and all kinds of Bed Springs at low goods prices.

Our Carpet Department is one of the most satisfactory departments that we have.

The reason is, we sell the Newest and Handsomest Carpets each season, at the very lowest price. Look out for our sale of Lace Curtains and Bed Springs.

THE fellow who was in jail for stealing from Plank's tavern, and another from Eau Claire sent up for being drunk, took advantage of the absence of the sheriff to attend the convention in St. Joseph and sawed out of the jail. It is supposed that they slept on the roof of the jail the first night, but they have not been seen or heard from since.

GUS BUTLER was running the overshoot planer for Kompass, Stone & Stoll, Monday morning, and mana ed to get his right hand into the knives. He now has one less joint on his thumb and two less on the index finger. Drs. Henderson & Bradley dressed the wound. This is the second accident within a week in that shop.

SOME of the many Democrats who would like to sacrifice their valuable time for this district, as members of the next legislature, are A. L. Drew, of Chicaming; Frank Stryker, of this place; Osmond C. Howe, of Bertrand; George Lambert and Theodore G. Beyer, of Niles; and they all take as a matter of course that to secure the nomination is all of the effort necessary to place them there. The Republicans will astonish them before Christmas on that subject.

THE Cass and Berrien City and Village Mutual Insurance Company has just made its report and assessment. The losses have been greater than last year and the assessment consequently higher. The RECORD carries \$500 insurance in this company and the assessment is \$7.37 for the year, in class nine. The other insurance carried on the same property costs \$10 for the same amount. Last year the assessment on the \$500 was \$5.55.

TO MR. AND MRS. A. G. ROONEY, in Memory of Their Little Daughter Kittie, Who Died Aug. 27, 1890.

Away from earth's toil and gloom; Safe on the other strand; From the dark, dreary path, through the gate of the tomb, From life's shadows and tumult at rest in the bloom, And peace of the morning lit land.

From the cares and sorrows of time; From the weary ways her feet have trod; To the limitless joy of life's morning, To a home in the palace of God.

Oh! cannot we meet that face so fair, Nor tears dim the beautiful eyes; In sweet repose her spirit now waits To welcome, and lead us through the path to her father's house in the skies. Lonely and sad on the shore, We wait in the dark of life's even; For the best time to come, who will carry us o'er, Where love's roses and lilies bloom ever more, To our home, in the Kingdom of Heav'n. A. S. WATKINS.

ALF. WOOD, of Dayton, drove to this place, Thursday evening, and when at the west end of Front street his team became frightened and ran through town, and in going across that beautiful gutter at the foundry corner, he was thrown out, and landed on the sidewalk head downward. When the crowd gathered about him he was in an insensible condition, but soon recovered sufficiently to be removed to N. J. Slater's house. He remained in town over night, and next morning was able to return to his home. He steered the runaway through town, and thought they would get tired of it before they reached Niles.

THE Patrons of Industry met in Cassopolis Tuesday and nominated George E. Cunningham, of Sodus, as their candidate for Congress. The Democratic members did what they could to swing the vote to Yapple, but he received only 21 votes to 51 for Cunningham. About 25 Prohibitionists met in Niles at the same time, and went through the old conglomerate tactics of the democrats and green-backers of years ago. After telephoning with the Cassopolis gathering, concluded to do the same as they. So George Cunningham is to receive their support also.

MR. ARTHUR COTTEN, of Chicago, is here in the interest of the Thomson-Houston Electric Light Company, and is endeavoring to establish an electric light company here. Buchanan is about the only town of its size on the Michigan Central road that is groping about in the darkness that we are, excepting Niles, of course, but Niles don't count. We trust that Mr. Cotten will succeed in establishing a plant here. He certainly represents one of the best concerns in the business.

The Republican Glee Club of Niles, furnished music at frequent intervals throughout the convention.

To the Gulf Mexico. Two young men living in Niles and one whose home is in Buchanan, are about to distinguish themselves by taking a water trip to the Gulf of Mexico. The Niles young men are Joseph Lipp and John Copp, and the one from Buchanan is Lyman Piag. They will take three substantial boats and start in the Kankakee river in the vicinity of Crumstown, floating down the Kankakee to the Illinois river, thence to the Mississippi and thence to the Gulf.

A boat load of Buchananites started for just such a trip two years ago, but by the time they reached the Mississippi river found so much ice from the north as to make uncomfortable boating and returned.
