"THE ROCKY MOUNTAIN LIMITED"

AND "THE BIG 5."

Two Grand Trains Daily between the

World Fair City and Buchanan, Mich.

One Night Out, or One Day Out. Take

the People Must Have it.

The popularity of "The Great Rock Island Route" as a Colorado line—its long history since taken first place as the people's favorite between the Lakes and the Mountains—has compelled the management to increase its present splendid service by the addition of a train that is one night on the road from Chicago to Denver, Colorado Springs or Pueblo. This train will be known as the "ROCKY MOUNTAIN LIMITED," and will be put in service May 1.

Leaves Chicago daily at 10:15 A. M., arriving at above cities in the afternoon of the next day, earlier than any of its competitors. Special equipment has been built for this train, with the view of making it LIMITED in every sense of the word, and best of all, there will be no extra charge. The route of this exceedingly fast train is by the Rock Island Short Line, and a few of the large cities through which it passes are Denverport, Des Moines, Council Bluffs, Omaha, Lincoln, Beatrice, Fairbury, Belleville, Phillipsburg, Smith Centre, Colby and Goodland. This makes it a most desirable route, and particularly one to take for the traveler. Another point: The popularity of our dining-car service is still on the increase, and no money spared to make this service what our patrons always say, "the best."

Our "Big 5" will continue as usual, leaving Chicago at 10 P. M., and arriving at Denver, Colorado Springs and Pueblo at the following times:

One day out, and this fast popular train goes through Omaha.

Our No. 11 will leave as heretofore at 6 P. M., arriving at Kansas City at 9:30 A. M. and will reach Denver, Colorado Springs and Pueblo the second morning.

Our Colorado service is made perfect by this new "ROCKY MOUNTAIN LIMITED" and the "Big 5," and gives to the traveling public TWO ELVENS DAILY.

Manitou passengers should consult the map and time tables of our line, to fully appreciate the advantages in time saved by taking this route, when on their summer vacation.

THE prospect of starting up the

the drafting of a new contract, which
has been signed by both the Rough
Bros., and Mr. Redden, which was done
Saturday, and the present prospect is
that the new machinery will be forth-
coming at an early date.

THERE is a pretty strongly expres-
sed prophecy that if the village work
on streets and everything else were
done by contract with the lowest bid-
der, we might be able to get along
with less taxes, or more or better work
done. It might not be a bad plan to
try, to say the least.

in his new venture.

Building, Loan and Savings Associa-

the transaction of such other business
as may properly come before it, will
be held at the Secretary's office, in Bu-
chanan, Tuesday evening, June 21, at
7:30 o'clock.

RUNAWAY.—Saturday forenoon El-
mer Cauffman had his team of western
ponies hitched up, and in doing so his
helper had used a light strap for hold-
back strap. He had not gone far be-
fore this broke, and let the tongue of
the buggy drop and break. With this
the team ran away. Mr. Cauffman
was considerably bruised and scratched
by a barbed wire fence. The neck yoke
was driven into the breast of one of
the ponies several inches, and the same
one received a pretty severe scraping
from neck to rump with the broken
tongue. Dr. Jordan was called to dress
the wounds of the pony.

A row of the young people of this
place, Niles and Berrien Springs are
in Kalamazoo to attend the marriage of
Miss Ida M. Anshambeck, formerly of
this place as Miss Ida Black, and
Mr. James L. Kellogg, of Keweenaw, Ill.,
which is to occur at nine o'clock this
evening. Miss Anshambeck has been
serving as teacher of Latin and French
in the Mt. Hope Seminary the past
three years. Mr. Kellogg is a graduate
of Olivet College and John Hopkins
University. Their home will be in
Olivet, where he has accepted the Pro-
fessorship of Biology in Olivet college.

Benefit of the Band.

The celebrated Hoosier Nighten-
gales have been secured to give an en-
tertainment for the benefit of the Bu-
chanan Cornet Band, at Rough's opera
house, Friday evening, June 17. Of
this famous musical family the press
has the most flattering notices where
they have appeared:

"Did it ever occur to you," as render-
ed by Master Otis, brought down the
house.—Elkhart, Ind., Daily Truth.

To say that they are wonderful mu-
sicians, hardly expresses the feelings
of which one is conscious when he
hears the famous "Roll on deep ocean,"
a bass solo of considerable compass,
rendered pleasingly by an artist of six
years, and something shorter than the
piano stool beside him. Miss Rose,
the soprano, passes a voice of rare
sweetness, and Miss Dora and Master
Winfield displayed rare talent.—Val-
paraiso, Ind. Star.

The program will consist of solos,
duets, quartets, comic songs, medleys
and humorous recitations. Mr. Sam.
C. Miller, "the man of many faces,"
will appear in comic songs and recita-
tions. Master Otis, the child wonder,
is alone worth the price of admission.
The proceeds of the entertainment will
go to buy uniforms for the band, and
our citizens should give them a full

Geo. Wyman & Co. clean house
twice a year just as any well regulat-
ed family does. We always wait in
the spring until June to do it, as we
have more time then. Besides we can
turn the cat and dog outdoors and
they won't catch cold.

First we clean up our Lace stock.

We have guessed the price of all
over Lace for dresses, in black and
cream white, at 50c, \$1.00 and \$1.50.
They are worth up to \$3.00.

Black and cream Lace Edging, in
hand run Spanish, Escorial and Gui-
pure, 50c and \$1.00.

We have guessed the price on a lot
of Swiss Flouncings—25c, 50c and
\$1.00.

Also Demi Flouncings, same prices.

The price we have made on the
above goods is really no price at all
for the goods; at the same time if the
goods do not sell well at the price,
we reserve the right to guess again.

We clean up our Dress Goods
stock by guessing the half-dollar
quality of Printed India Silks 25c,
and the 25c quality Zephyr Ging-
hams 15c.

We clean up our Corset stock by
making the price on Infant's Cloaks
\$1.00, \$3.00 and \$5.00. Worth up
to \$10.

We clean up our Lace Curtain
stock by guessing the price \$1.00,
\$2.00 and \$4.00 for curtains worth
up to \$10.

We have three piles of remnants
of Lace Curtains at 15c, 25c and 50c
each, from 1 yard up to 2½ yards
long.

We will close out our Boys' Cloth-
ing.

We sell Ladies' and Children's
Shoes.
