THERE is a feed mill at Bakertown which grinds corn and cobs, which Niles "Chamber of Commerce" might induce to move to Niles, by simply moving the mill pond. It would be a valuable acquisition to that enterprising city, and well worth trying a pull.

A SPECIAL meeting of Buchanan camp, Modern Woodmen of America, will be held to-morrow evening at which time they will adopt four new neighbors. All members are requested to be present.

CHILDREN'S DAY was pleasantly celebrated at the Prairie church Sunday evening, June 19. Long before the hour of opening all the available space within the church was occupied, and many went away without being able to gain admittance. One hundred and fifty teams lined both sides of the road for a considerable distance. Though the church was densely crowded, the program, arranged by our efficient Superintendent, J. E. Cauffman, was well rendered. If the rain had not prevented several rehearsals the few hesitations would have been avoided. The collection amounted to \$11.37, which goes to the Parent Missionary Society Long Live Children's Day!
