### JOHN W. NEEDHAM.

For County Clerk.

It is a well known axiom that "what is worth having is worth asking for" and the friends of Mr. Needham fully believe in the saying. Buchanan by reason of the fact that it is the largest township as regards population in Berrien county and one in which faithful and aggressive work for the Republican party has always been shown by results at the polls, we repeat, Buchanan is entitled to representation on the county ticket, and this being the case the Republican voters attending the caucus on Saturday should by all means settle on a definite candidate, with which to go before the county convention and ask for that candidate's nomination. The friends of Mr. John W. Needham believe that with Mr. Needham as Buchanan's candidate, he can be nominated as County Clerk. John W. Needham is the son of Mr. B. F. Needham for forty years has been an old wheel horse of the Republican party and the son has labored faithfully for the republican party all his life. Mr. Needham has had ample business training, and has been employed in the Buchanan post office, and also in the Niles post office. He is honest, straightforward and well qualified for the position he seeks. With John W. Needham for clerk, as the token of the Buchanan delegation, the Record believes victory would perch upon their standard.

Don't delay, if you intend taking advantage of our special campaign offer of the twice-a-week Free Press and Record, as this offer will expire this month.

List of letters remaining uncalled for in the post-office at Buchanan, Mich., for the week ending Aug. 17, 1890: Miss Mayne Peeland, Mr. John McPhail, Mr. David B. Hill, Will Clark, Jr. Call for letters addressed.

The Buchanan Hose Company made a great run at Niles at the Young Peoples picnic, making their run in 33 1/2 sec. which was 1 2/5 sec. better than any other team, but for some reason the boys were disqualified by the judges, and the prize staid in Niles.

Mrs. Henry Sales and Mrs. William R. Davis, of Niles, had a narrow escape from instant death Tuesday, two miles north of that place. Just as they were crossing the Big Four tracks an engine struck their carriage and smashed it to pieces. Both women were badly injured, and it is feared Mrs. Davis may not recover.

The national convention of Republican clubs will be held at Milwaukee beginning on Tuesday Aug. 25th, and lasting three days. This will be an interesting meeting and every one who can arrange to attend should be on hand. An effort will be made to have Detroit selected as the place of holding the next National League convention. Let Michigan send in a big delegation.

W. D. Ballou, of the Ballou Basket Mfg. Co. of Belding, Mich., is looking around with the intention of removing to another location. The concern is capitalized at \$40,000, and is said to be on a solid and paying basis. If cheap power, and good location with shipping facilities could for anything, Mr. Ballou should come to Buchanan and investigate.

The Benton Harbor Palladium of Aug. 15, in speaking of the Hartford ball game, here on Friday, says: "This is the first game that the Buchanan boys have lost this season, and they feel very down-hearted over their defeat."

The Record begs to call the Palladium's attention to the fact that the game referred to constituted no game at all, inasmuch as but four innings were played. At the time the game was called, Buchanan had a man on third base, but one out and the heavy hitters next at bat. As far as being discouraged, the result of the four innings satisfied both Blues and the spectators that the Blues need have no fears as to their ability to beat the Hartford. Furthermore, the Hartford club took every occasion to delay the game, in order that it would have to be called on account of the rain, while the Blues were using every effort to have the game played out promptly.

### Church Notes.

The Union Temperance meeting at the Evangelical church on Sabbath evening under the auspices of the W. C. T. U. was very largely attended and was an excellent meeting. The program consisted of Devotional services, music and recitations, with an admirable paper on The Flower Mission, by Mrs. Morgan, and an eloquent address by the pastor, Rev. F. C. Berger. It is the purpose of the W. C. T. U. to hold their meetings quarterly if agreeable to the Pastors. W. C. T. U. session at the Evangelical campmeeting on Tuesday P. M. Aug. 20, from 1.30 to 4. A very interesting program will be presented. All are specially invited.

Good congregation, last Sabbath morning. Annual offering for Education was taken. Good attendance at Sabbath School. At 6.30 P. M. Mr. F. T. Plimpton conducted a very interesting session of Y. P. S. C. E.

Mrs. O. J. Roberts and family will move to Ann Arbor about Sept. 20. They will rent a home sufficiently large to accommodate a few students.

Miss Ida, of the class of '95, will enter the Literary Department of the University. Mr. Roberts will continue in charge of his work here.

### An Apology.

BUCHANAN, Aug. 18, 1890

We feel an apology is necessary, to our many friends who came the Christian church, Sunday evening last, and found the doors closed. Late last week we were asked to unite in a W. C. T. U. service. We were thus compelled either to refuse to participate in this important service, or to disappoint our Sunday evening audience, many of which could not receive notice of the change of service. It is not probable we shall ever again accept this horn of the dilemma. Unless at least one week's notice is given and an announcement made in the public press, our doors will be open Sunday morning and evening fifty-two weeks in the year, D. V. It is also the unanimous verdict of the church that union services should be called so as not to interfere with the regular services of the church.

E. R. BLACK  
Pastor, Christian Church.

### Niles-Bertrand-Buchanan Sunday School Rally.

A committee consisting of Miss Emma V. Way, Mr. J. Miller, J. L. H. Dodd, A. L. Sewell, Mrs. E. Estes, D. H. Bower, Mrs. S. Whitman, Mrs. G. Noble, Misses A. Mead, E. Dressler, J. K. Woods, Mr. Cauffman, Wm. Rough, Mrs. W. A. Koehler Wm. Hathaway, Arthur Wray, Edith Beardsley with Rev. O. J. Roberts chairman met at the Advent Christian church on Tuesday evening Aug. 18th.

Ten minutes were spent in prayer asking God's special guidance in planning the work for this great Rally day. Edith Beardsley was chosen secretary.

In planning for this great rally our minds went back to the grand Rally Day held in Niles one year ago; the success attending it, no doubt was due to the faithful energetic committee due to that each item was considered carefully and prayerfully.

The following items of business were considered.

The time for holding the Niles-Bertrand and Buchanan Rally be held at Buchanan, Saturday Sept. 12th, 1890. The place to be at the High School building grounds. Committee on finances to be D. H. Bower, Mrs. E. Estes, A. C. Roe, Mrs. Koehler, Edith Beardsley, and J. K. Woods, D. H. Bower chairman. That this committee appoint committees on grounds.

Program committee to be Rev. O. J. Roberts, Mrs. Estes and the secretary. Music committee to be J. J. Roe as chairman assisted by the chorister of each Sunday School in the village.

It was moved and supported that F. C. Berger be Marshal of the day with power to appoint his own assistants and the arrangements for the line of march be left to them.

It was moved and supported that we kindly invite all business places and dwelling houses to decorate; especially on the line of march.

It was moved and supported that the request made by one of the W. C. T. U. ladies be left to the committee on grounds. Also that the executive committee shall consist of these various committees.

After prayer by the chairman the meeting adjourned.

### Good News from South Dakota.

The glorious results of this season's harvest of golden grain will pour a stream of sound money into the pockets of every Dakota farmer.

South Dakota has thousands of acres of choice farming ranch land lying east of the Missouri river, and within easy reach of Chicago or Milwaukee, which can now be bought respectably cheap, but which before the end of another year may be advanced in price.

The stock-raising industry in South Dakota is profitable, and Eastern capital is now being invested in cattle and sheep growing in that state.

Diversified farming, the growing of live stock, and the products of the dairy, are placing South Dakota foremost in the ranks of the successful Western states.

Those desiring full information on the subject, and particularly those who wish to seek a new home or purchase land, are requested to correspond with Harry Mercer, Michigan Passenger Agent, 7 Erie street W., Detroit, Mich.
