Fear That 4,000 Mussulmans Who Are Deported Near Canada May Have Perished Also—Admirals of the Allied Fleet Declare That Greek Warships Must Leave Certain Waters—Whitely Party Fight Hopes—Fate of Birthday Celebrations.

Paris, March 2.—A dispatch to the *Telegraph* from Canca says it is reported there that 2,000 Mussulmans who were confined in the fortress near Selino have been massacred and that great apprehension is felt in regard to the fate of 4,000 Mussulmans who are besieged near Candia.

Canca, March 2.—The insurgents effected a junction with the Greek garrisons before bombarding the blockhouse at Stavros Sunday. The Mussulmans of Canca are so incensed and excited at the danger to their lives that they have taken the lives of Europeans are in danger and the foreign consulates are threatened.

ROME LEO IS EIGHTY-SEVEN.

Roman Pontiff Celebrates the Anniversary of His Birth.

Rome, March 2.—The anniversary of the coronation of the pope was duly celebrated Monday. His holiness, who was in excellent health, received the cardinals and bishops and delivered an address, which was a paraphrase of last year's encyclical on the same subject.

The pope's 87th birthday occurred Tuesday and was celebrated in a solemn and quiet manner. Three masses were said at the Vatican by Leo, assisted by the cardinals. The twentieth anniversary of accession to the pontifical chair was also celebrated. Pope Leo died in 1810. The holy father is a little in advance of Gladstone and Bismarck, and, unlike them, can neither resign nor be turned out, so that he is still in actual possession of the papacy and is the oldest sovereign and statesman in Europe.

England and Belgium Disagree.

London, March 2.—The Globe understands on high authority that great tension exists between Great Britain and Belgium on the subject of the demands of Great Britain for indemnity as a result of the imprisonment of Ben Tillett, the English labor leader, arrested at Antwerp last year while promoting a strike. Belgium, the Globe adds, has refused to pay this indemnity, and Great Britain, it is further stated, has made another demand for the same purpose. The foreign office officials declare that the negotiations on the subject are proceeding amicably.

Mr. MacVeagh Leaves Rome.

Rome, March 2.—The Hon. Wayne MacVeagh, the United States ambassador to Italy, and Mrs. MacVeagh left this city Tuesday morning for Rome. They were bid farewell at the railroad station by the Marquis Visconti Venosta, the Italian minister for foreign affairs, the diplomatic corps, the ladies, the members of the United States embassy and consulates, and by many representatives of the American colony.

BENEFITS THE TRAVELER.

Mr. Headford on the New Anti-Scalpers' Law.

Chicago, March 2.—In speaking of the benefits to accrue to the public from the passage of the anti-scalpers' bill, General Passenger Agent Headford of the Milwaukee and St. Paul road said: "Where excursion rates have heretofore been made on the basis of one and one-third or one and a-half fare for the round trip there will be nothing to prevent the making of one fare rate. In exceptional cases of any large and important meetings, it is probable that even a less rate than one fare can be made profitable to all concerned. Mileage tickets can be sold at a flat rate without requiring an additional payment for any sum of money to be refunded according to the present system, when the rightful owner has verified his claim to the refund and do not see any reason why non-transferable mileage tickets should not be sold at say 25 cents a mile for 1,000 miles; 2 cents for 2,000 miles, and 5,000 miles should be sold at 10 cents."

Rang His Own Death-Knell.

LaCrosse, Wis., March 2.—The bell of the Sixth district school struck three not long after midnight. The bell, which people living near, and soon after daylight Janitor James Clark was found dead, hanging to the bell rope. He got his month's pay and spent it in 20 cents in dissipation. As he had been getting in debt lately, this is the probable cause of his act. He leaves a wife and twelve children of them small enough to be helpless.

Illinois Town Elections.

Normal, Ills., March 2.—The biennial town election was held Monday and the following were chosen: President of the board of trustees, Otto Albert; for trustees, G. H. Coon, James Hoeselton, John Norris, A. J. Houchen and D. C. Smith. F. A. Trumann, independent, was elected mayor of Dixon, Ills.

Murder of Dr. Ruiz.

Key West, Fla., Feb. 26.—The Associated Press correspondent here ascertained that the passengers of the steamer *Oliveite*, which arrived Wednesday night, that it is reported that Dr. Ruiz, the American citizen alleged to have been killed while in jail, was visited by the governor of Guanabaco, Senor Fondiveila, while in his cell, and insolently questioned by him. This was resented by Dr. Ruiz. Governor Fondiveila, angered by the incident, it is claimed, seized a club and struck Dr. Ruiz on the head, causing his death.

Formed a New Association.

Kansas City, Feb. 25.—The Union Reform Press association was brought into existence and Grand Master Workman J. E. Sovereign of the Knights of Labor is the president of the association.

Memphis, Feb. 25.—At the afternoon session of the Reform Press association the committee rendered its report, exonerating General Vandervoort from any and all charges made by the Nebraska State Reform Press association and National Secretary Edgerdon and condemning his accusations.

Flood Marks Thousands Killed.

Pittsburg, March 1.—At least 30,000 persons in the Monongahela, Allegheny, and upper Ohio valleys are out of employment at present, owing to the floods which have prevailed this winter. A conservative estimate of ten days before service is resumed will make a loss in wages alone of \$900,000, to say nothing of the loss to the property.

Drum Lectures at New York.

New York, Feb. 27.—Well-filled houses greeted William Jennings Bryan in Carnegie Music hall last night, when he appeared on the platform to deliver a lecture on the "Evils of the auspices of the Bimetallism association. The platform was filled with friends of the free coinage theory.
