Stole a Ladies' Purse and ran through the street crying "Thief, Thief." A man doing credit business charges 10 to 25 per cent more for his wares than the man who sells for cash because he loses so many "bad debts." Instead of saying "Stop Thief," the credit man says the Cash Man sells cheap just to get the best of you. Well, the thief made his plan work and escaped, but the credit man still tells his tale of woe and the CASH MAN still sells for CASH. The proper thing to do.

The Board of Directors of the Berrien County Farmers Mutual Fire Insurance Co. held their regular meeting last Saturday. The net amount of gain in insurance written during September was just a few dollars short of \$75,000. Over eighty policies were written in October, amounting to over \$100,000. This speaks volumes for this popular company.

A SCHOOL DEPARTMENT.
This week we begin a new department in the Record, devoted to school news of Berrien county. The fact that we are enabled to inaugurate this department, is largely due to the courtesy of our indefatigable School Commissioner, Mr. Ernest P. Clarke of St. Joseph, who has kindly consented to furnish us "copy" each week, and in addition to Commissioner Clarke's contributions, many of our district schools have promised to send us items of interest, and if your school is not represented in this department, see if you cannot arrange to have some one to contribute from your district. We will gladly publish all items of interest, as we desire to make this department an special feature.
