Clipped From Our Exchanges

Rev. Frank DeWitt Talmage D. D., of Chicago, son of the late C. DeWitt Talmage, will preach at the Congregational church here Sunday morning. Dr. Talmage is pastor of the Presbyterian church in Chicago.—Coloma Courier.

Galen, Mich. Aug 6—Mrs. Sarah Mann, proprietor of a boarding house, was burned by the explosion of a five gallon can of gasoline. Her sister saved her from being consumed by the flames by rolling her in the grass. She is in precarious condition.—Benton Harbor Palladium.

Nearly 100 families at Decatur, Mich. have joined in a project to reduce the amount of daily cooking and dish washing. They have fitted up a big kitchen and dining room in a vacant store, hired cooks and waiters and are preparing meals for themselves on the co-operative plan at a cost of about 8 cents a person.—Coldwater Courier.

Wednesday was Hamilton day at Allegan Street Carnival. Congressman Hamilton being a guest of the town.—Kalamazoo Telegraph.

Miss Flora Currier went to Ann Arbor a few days ago to visit there, and she and her sister Miss Mabel Currier will return home Saturday. The latter lady has taken a course of study this summer at the university.

MISS ELLEN STONE

Climax of Fine Program at Benton Harbor Assembly on Wednesday.

The world renowned missionary Miss Ellen M. Stone was no disappointment to her audience as she lectured last Wednesday at the assembly for over two hours, holding the vast audience of over 3000 in rapt attention.

Miss Stone was introduced by the Congregational minister of Benton Harbor, Rev. W. J. Cady, as this was the church under whose board Miss Stone had gone out. She gave in the introduction of her talk a very interesting description of the geography and topography of the countries, where she had spent 24 years of her life. The brutality of the brigands and the indignities Miss Stone and Mrs. Tsilka suffered seemed a hundred fold more real and more terrible coming in spoken words from the lips of the captives than when read in our periodicals.

Miss Stone is a woman of charming address and looks much prettier in new up-to-date gowns than in old fashioned pictures which are shown of her.

There were 100 people went from Buchanan to the assembly on Wednesday and proportionately large delegations from the surrounding towns.

T. H. KELLER'S TRIP.

W. H. Keller's brother, T. H. Keller of Hamilton, Canada, who recently was a guest in our village for a few days has returned to his home and gives to the "Hamilton Spectator" a glowing description of his trip. He was delighted with the country and says in part:

Leaving Macatawa park, you journey southward a hundred miles or more through the Michigan fruit belt to South Bend, Indiana, which is picturesquely situated on the extreme southern bend of the beautiful St. Joseph river. Within two miles distant from the center of this city are the celebrated educational institutions of Notre Dame university and St. Mary's academy, the most extensive Catholic seats of learning in the United States. Four miles away to the east, and connected by electric railway, is located the flourishing city of Mishawaka, which place is also widely noted as a manufacturing and business center and connects by inter urban electric line the cities of Goshen and Elkhart. South Bend has grown to a city of 40,000 or more people. It has the Studabaker Wagon factory and the Oliver Plow works, the largest of its kind in the world, and when the British government wanted a rush order for the Transvaal during the recent war between the Boers and the British, it was the Studabaker company that got the order.

Genuine Closing out Sale

Several weeks ago D. L. Boardman made a trip to the west and while there kept an eye open to see an opportunity to better himself, which he thinks he has done. He is now disposing of his stock of Dry Goods as rapidly as possible as he expects to leave Buchanan early in September. See for yourself some of the bargains he is offering. You will save money by buying.

Removal

G. A. R. and the Ladies of the G. A. R. are moving their headquarters from their present rooms to the rooms over Dr. Brodricks drug store. They will hold their first meeting there on Friday, August 15th. The rooms are now undergoing a complete transformation in papering and painting, the work being done by Messrs Arney and Rockhold.

Visiting Friends

Clyde M. Valentine and wife of South Bend are visiting relatives in Buchanan a few days. They spent Tuesday and Wednesday in St. Joseph and Benton Harbor and Thursday at Paw Paw lake. Mr. Valentine is a representative of the well known dry goods house of John Chess Ellsworth and next week is to spend a few days in Chicago, then go East on a visit.

EASTERN TRIP

L. M. Vincent Visits the Home of his Youth.

Forty-five years ago L. M. Vincent left his eastern home and 81 years ago he arrived here, where he has become an honored citizen, respected by all who know him.

June 5th he started to go back to his old home at North Adam, Mass. where a brother and sister still remain. He was well pleased with the trip. His sister's 78th birthday was June 20th; his brother was born on the same day June 20, and was 75 while he was born July 4, and was 80. They had a reunion June 20th of the three who survive, the fourth having died.

Mr. Vincent's brother and sister endeavored to persuade him to spend the rest of his days there, but while he has no blood relatives here his family all having died, he concluded to return to his Michigan home, although it was a great pleasure to have seen his friends. His friends welcome him back to Buchanan.

WEDDING BELLS

At the residence of Mrs. Rachel E. Beardsley, at high noon Thursday August 7, occurred the marriage of Mr. William R. Tuttle of Burton, O., and Miss Lesbia Beardsley. The ceremony was performed by Rev. C. E. Marvin, in the presence of relatives of the bride and groom.

The happy couple left on the 5:19 train, accompanied to the depot by a bridal party. After a short wedding trip north, Mr. and Mrs. Tuttle will be at home in Bryan, Ohio.

The out of town guests were: Mrs. Robt. Niel Ford and Mr. A. J. Tuttle of Burton, Ohio, Messrs S. L. and A. R. Beardsley of Elkhart, Ind. Dr. and Mrs. Ruml, Masters Beardsley and Wentzle and little Miss Frances Ruml, and Miss Salome Hromatko of Cedar Rapids, and Miss Dottie Beardsley of Chicago; and Mrs. F. E. Newberry of St. Louis, Mo.

The gifts were varied, numerous, and beautiful, consisting of cut glass silver, carving set, lace pieces of bettenburg, and a linen set imported from Belfast by an uncle of the bride for this event.

At the home of the bride in Hinchman, at 5 p. m. last Wednesday Mrs. Millie H. Small was married to Mr. Andrew Beather. The ceremony was performed in the presence of a few near relatives, by Rev. E. M. Renner.

The happy pair went to Chicago for a few days and will be at home after Aug. 11. May peace attend them.

Thursday evening at about 9 p. m. at the residence of Justice W. H. Keller two young people were united in matrimony. The parties were Ray A. Frame and Edith M. Weaver. Both the young people belong to good families a short distance from Buchanan. We have not learned what the future intentions are but, we certainly wish them a prosperous and pleasant married life.

Leaving Town.

Mr. D. L. Boardman's trip to the west was not for nothing. He has decided to leave Buchanan for the west early in September where he will engage in business. We are very sorry to lose him.

Mr. and Mrs. Boardman will be missed everywhere. The business community, the social circle, the literary and musical organizations, as well as the church will all feel their loss. We are sorry to have them go but if it is for their good, we wish them God speed and hope that their places here may be filled by others as agreeable as they have been.

Larger Hope Church of Christ has had a thorough repairing, papering, painting, new roof and new carpet and a window forty inches square has been put in for the benefit of the choir. The interior of the church is pretty and neat. The church is free from debt, all bills being paid as soon as work was done. Elder Paton will preach Sunday, August 17th. All are invited. There will be no collection taken.

Assault and Battery

On May 30th Frank Russell and Mrs. Lawson and daughter became involved in a quarrel which ended in their beating each other. Russell came out best, and fearing arrest fled; but after a time his caution wore away and a few days ago Dept Sheriff Richards captured him in Buchanan. His trial was set for Thursday before John C. Dick; he was defended by Attorney Frank Sanders, while Prosecuting Attorney Riford defended Mrs. Lawson. The trial continuing all day, and about 10:30 the jury brought in a verdict of guilty and Justice Dick fined him \$10 and costs or 40 days in jail. As we go to press it is decided that the case will be appealed.

THE DRAUGHT

BLACK-DRAUGHT

THE ORIGINAL LIVER MEDICINE

A sallow complexion, dizziness, biliousness and a coated tongue are common indications of liver and kidney diseases. Stomach and bowel troubles, severe as they are, give immediate warning by pain, but liver and kidney troubles, though less painful at the start, are much harder to cure. Theodford's Black-Draught never fails to benefit diseased liver and weakened kidneys. It stirs up the torpid liver to throw off the germs of fever and ague. It is a certain preventive of cholera and Bright's disease of the kidneys. With kidneys reinforced by Theodford's Black-Draught thousands of persons have dwelt immune in the midst of yellow fever. Many families live in perfect health and have no other doctor than Theodford's Black-Draught. It is always on hand for use in an emergency and saves many expensive calls of a doctor.

Mullins, S. C., March 10, 1901.
I have used Theodford's Black-Draught for three years and I have not had to go to a doctor since I have been taking it. It is the best medicine for me that is on the market for liver and kidney troubles and dyspepsia and other complaints. Rev. A. G. LEWIS.

The members of the S. F. A. drove out to Mrs. Allen Frame's residence on Thursday morning and spent the day with her, having a royal good time. It was "feast of reason and flow of soul," a splendid dinner and social time generally.

The Ladies' Aid Society of the Evangelical church will serve ice cream and cake in the Arthur building on Main St. a few doors north of the First National bank, on Saturday afternoon and evening of the 16th of August. A cordial invitation is extended to all.

The tragic death of outlaw Tracy seems an appropriate ending for a character like his, but withal a most shocking and horrible climax to his career of crime.

Have you tried Skeet's Ice Cream?

Every business has its dull season and we believe that is a good time to advertise. We have been on a rush ever since we have been in this office, but we are told that August is the dulllest month of the year so we are going to provide for it. If you have any job work to do bring it to us during August; when it is done you come and pay for it in August and bring the coupon printed in another part of the paper with you and if our surprise will not be both pleasant and profitable to you we will admit that we were mistaken.

Mount Clemens, Mich. Aug. 1, 1902.
Mr. Bower,
Editor of the Record,
Buchanan, Michigan.

Dear Sir:

I am in receipt of the Record of July 30, thank you, it is indeed gratifying to know that we made such a favorable impression upon the good people of Buchanan during our sojourn there this summer. We certainly were charmed with the people we met, and for hospitality and cordiality the citizens of Buchanan cannot be excelled, equaling but not excelling the hospitality of the people of the old Southern States. I cannot pay a higher complement to your community than that.

In our travels over your state, we have found no section as pretty as that around Buchanan, no town as lovely as the beautiful little village of Buchanan, on the banks of the St. Joe river. "The Hudson of the west."

Yours truly
W. L. MURPHY.

ALL WRONG.

The Mistake is Made by Many Buchanan People.

Don't mistake the cause of backache. To be cured you must know the cause. It is wrong to imagine relief is cure. Backache is kidney ache. You must cure the kidneys. A Buchanan resident tells you how this can be done.

Mr. B. S. Crawford, nurse, living on Clark street, says: "Some time ago I strained my back while lifting, waiting on a patient, and the injury has bothered me ever since. Seeing Doan's Kidney Pills recommended so highly I thought I would test their merits, and I procured a box at W. N. Brodrick's drug store. I am more than pleased with the result obtained. They acted very quickly and promptly, relieving the dull aching pain that had annoyed me so long. I have no hesitation in recommending so valuable a remedy to others."

For sale by all dealers. Price 50c. Foster Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name Doan's, and take no substitute.
