IN MEMORIAM

Mrs. ELIZABETH BAKER TREAT.

Was born in the state of New York, January 24 1835. When she was less than one year old her parents moved to Door village, Indiana. In 1843 they came to Baker town and her life has been spent in this vicinity.

On June 17, 1858 she was united in marriage to George R. Treat, who with six children and two step-children survive her. Early in life she united with the Methodist church, but in later years attended the church of the Larger Hope.

As wife and mother she was always ready with a kind word, working for the good of others; her life was noble, full of good deeds. Patient to the last; just before she departed she said "good by" -- on the beautiful Sabbath day, September 7, 1902, aged 67 years, 9 months and 14 days. She was loved and respected by all who knew her and will be missed by a large circle of relative and friends. The following was composed by Clyde Treat, 12 years of age:

Sleep, grandma sleep, thy work is o'er, while loved ones still weep they are glad that you have gone to the beautiful shore. In life you worked for others and you they will never forget. To all you were as a mother, and you they will always regret. While in life so kind and gentle, and just the same in death. While we all mourn here below we know you have gone above and that is the only place for you whose heart was so full of love.

The funeral of Mrs. Treat was held from her late residence at 10 o'clock Tuesday morning. Rev. J. W. Douglas preached the funeral sermon.

The pall-bearers were: C. B., F. A. and W. W. Treat, Walter Hathaway, J. Wynn, and C. H. Baker.

Gone to Rest,

One of the oldest most beloved citizens, a devoted mother, has left us for her long home. Mrs. Sarah Batson, was born in New York 1819, Aug 13, and died in Buchanan, Mich., Sept. 6, 1902.

She was a resident of Buchanan 58 years, and leaves to mourn their loss 4 children, A. M. Baker and Mrs. Bell East, of Buchanan; Mrs. Harriet Matthews, of South Bend and Mrs. Alice Keiser, of Chicago. She leaves five grandchildren, and one great grandchild.

The funeral was held at her late home on Monday afternoon, the sermon being preached by J. W. R. Lister assisted by Elder Black The

pall-bearers were Messrs. McEwen, Chas. Snyder, Aaron Miller, N. Hamilton, Benj. Crawford, and Hiram Mowry.

Democratic Meeting.

The democrats of this township met in caucus at Frank Sanders' office Saturday afternoon last to elect delegates to the county convention at St. Joseph on Sept. 10. Officers of the caucus were: Chairman, Edgar Ham; secretary, J. L. Richards, Sr.; tellers, J. W. Beistle and John Searles. Attorney Frank Sanders administered the oath. Delegates chosen were: first ward—Edgar Ham, James Batton, J. L. Richards, J. W. Beistle, J. C. Dick, Harry Beck, John McFallon. Second precinct—John Searles, W. H. Murphy, J. Arney, Wm. C. Porter Charles Bates, Geo. Markley, F. A. Stryker.

Terms made known on day of sale.
Mrs. J. F. BARTNESS,
N. Hamilton, Auct.

The latter part of May, Mrs. Lucy Broceus received notice of the death of her girlhood friend, the wife of Rev. Geo. P. Hartzell, at Liscomb, Iowa, and a few weeks ago she received a letter from Rev. Hartzell in which he so pathetically spoke of his bereavement, and last Friday she learned of the death of Rev. Hartzell. He had solemnized her marriage with Mr. Broceus and preached her mother's funeral sermon. His sickness was of short duration, his two sons, who live at Orangeville Ill., not being able to reach his bedside before his demise. Life is uncertain.

One of the new things in the way of games this fall in the social world is called "Sir Hinkle Featherduster". There are specially prepared cards for the game, but if they are not obtainable playing cards may be used, in such case the king of diamonds serves as "Sir Hinkle" the queen, his wife the jack, his son etc.; it is a very amusing game and with the regular "Sir Hinkle" cards is quite a fad this season.

FAREWELL SERVICE!

Impressive Talks at the Presbyterian Church Sunday Morning.

"GOD SPEED" FOR MRS. STEBBINS!

Officers of the Church Make Brief Addresses in Bidding Missionary Good-Bye.

The Presbyterian church of this village are blessed in having one of their number a missionary who has been doing work in India, and for the past few weeks has been in this country to have her physical and spiritual strength renewed.

But the time has come when this missionary, the much beloved Mrs. M. A. Stebbins, known here from her childhood, is to go back to her work among the heathen, and Sunday the service was in honor of her departure and wishes for her success were expressed in behalf of the trustee by C. H. French, the Sunday school and C. E. society by H. V. Shrieber, the Women's Missionary society by Mrs. Beardsley. The pastor then made an address in a few well chosen words, and the remainder of the service was given to Mrs. Stebbins who gave the congregation a heart felt talk. She spoke not so much of the hardships of the missionary's life, but of the joy of serving "Him whom not having seen we love," and of the consciousness of His nearness. It was a very impressive service and every heart was touched.

Mrs. Stebbins will leave this week for New York City and sail for India on the 13th, where if her life is spared she expects to labor for 8 years more before returning to this country.

County S. S. Convention.

A meeting of the Berrien county Sunday school executive committee was held in Benton Harbor, Tuesday July 26. The meeting was well attended, and of more than ordinary interest.

The next county convention is to be held in Benton Harbor, Tuesday and Wednesday, October 27 and 28. Three strong Sunday school workers are to be present during the entire convention, viz. W. C. Pearce of Chicago, Ill., Alfred Day of Detroit, and E. C. Knapp of Ann Arbor.

It is the intention of the committee to make the convention a strong one, and of the greatest possible value in educational and institute work, such as can be made practical in our Sunday schools.

Rev. and Mrs. Marvin Entertain.

In response to invitations about thirty of their friends, gathered at the home of Rev. and Mrs. Marvin on Monday evening and enjoyed a social time. The gathering occurred just at this time so that the guests might have the pleasure of Mrs. Stebbins' society.

Miss Clara Hubbell rendered some piano selections in a very delightful way, which added much to the pleasure of the evening.

Dainty refreshments were served in two courses and the guests dispersed at about 11 o'clock expressing much pleasure for the evening's entertainment given by their host and hostess.

Kent-Roe Party.

Mrs. C. D. Kent and Dr. C. B. Roe entertained about thirty-five of their friends at Dr. Roe's Bachelor's Headquarters in the Redden Block, Friday evening Sept. 5th, in honor of Mr. and Mrs. F. E. Gribben, of Cleveland, Ohio. Cards and dancing were the order of the evening, with Miss Beryl Wynn at the piano. Refreshments were served and all report a good time.

Dancing was in the old Masonic banquet hall, which was beautifully decorated with flags and Chins Asters. "Dr. Roe's brand of punch" was served.

H. O. Weaver and wife are in Chicago, the former in the interest of his work, portrait painting, the latter to buy a supply of fall millinery.

Boardman will give recklessly low prices for the few days of his stay here.

BUILDS BIG ELECTRIC PLANT

Michigan Capitalist Constructs \$500,000 Concern for Indiana Industries.

BUCHANAN, MICH., Sept. 6.—There will soon be completed at this point one of the most notable electrical transmission plants in the middle west, one in which upward of \$500,000 has been invested and from which many Indiana industries are expected to draw their power.

The power necessary to operate the electricity will be furnished by ten turbine water wheels that are now being placed in position. Each wheel will furnish 800 horse power, so there will be an aggregate force in generating the current of 3,000 horse power. The wheels will be operated by the water of the St. Joseph river. The big power house is 270 feet long, 30 feet wide and 80 feet high, the superstructure being of brick. To afford space for the reservoir not less than 50,000 cubic yards of earth have been removed.

It is known that in the enterprise is engaged the almost unlimited capital of Charles A. Chapin, who up to this date declines to name the particular use of the works. Mr. Chapin acquired a large amount of property adjacent to the site of the works, buying all but 500 horse power of the dam, which is located about one mile up stream from this city.

Besides this dam, Mr. Chapin is interested in the projected of another dam at Berrien Springs, about which there has been a large amount of litigation between different sets of people, who claim the sole right to build the dam. Should this dam and consequent power be established, the volume of power of the two plants will be tremendous, and capable of operating any number of industrial concerns in the St. Joseph Valley.—Chicago Record-Herald.

Ladies of The G. A. R.

Mrs. Juliet M. Baird, Department President of Michigan of the Ladies of the G. A. R., has written a very interesting paper regarding this organization for the current number of the Vidette. We quote from it as follows:

"Its objects are to unite with Loyalty love for each other; to practice the precepts of true Fraternity of feeling toward all sisters of our order, thus emulating the spirit which unites our fathers, husbands, sons and brothers; to honor the memory of those fallen, and to perpetuate and keep forever sacred "Memorial Day."

To assist the Grand Army of the Republic in its high and holy mission; aid, encourage and sympathize with them in their work of Charity; to extend needful aid to members in sickness and distress; to aid sick soldiers, sailors and marines; to do all in our power to alleviate suffering; to look after our Soldiers' Orphans' Homes; to see that the children obtain proper education in the history of our country, and in patriotism; to look after Soldiers' Homes, also to keep from alms houses the mothers, wives and widows of permanently disabled soldiers. The Ladies of the G. A. R. is an independent organization and not auxiliary to any other order, and receives the daughter of the brother or sister of the veteran of '61 to '65."

We shall all be glad to see the president Oct. 4.

A large number of our summer visitors have gone home and we are gradually settling down to our winter's work.

Judge Durand, the democratic candidate for governor, is improving physically and may possibly be the candidate.

The president's lack of precaution while traveling about the country is being made the subject of much discussion in the British newspapers.

D. M. Ferry, of Detroit, is out in a letter announcing his candidacy for the U. S. Senatorship. Henry C. Smith, ex-congressman, of Adrian, is also running as a candidate.

Mr. Graff, a representative of the Chicago Record-Herald, was in Buchanan last week and today we copy an article from that paper, which no doubt came from his pen. Buchanan, it is to be hoped will reap from the dam more substantial benefits than mere newspaper talk—however desirable that may be. But good, humming factories, employing our people at good wages are what we desire and hope some move may be made in the direction of getting them.

The Grim Reaper.
All over the country the grim reaper has been at work and none are exempt. He enters the palace of the affluent as well as the cottage of the humblest, and all submit to his will. During the past week some of the great have given in their last account and in our midst and neighborhood he has been busy. First, Mrs. Batson, then Mrs. Treat, and at Galien, Mrs. Geo. A. Blakley. These had seen the snows of many winters and they had lived to a good old age, and we grieve not as when in the full activities of life one is cut down. It behooves us to so live that when we are called to change time for eternity that we too may leave behind us the effect of a life well lived.

The world renowned and only absolute
smoke consuming stove on earth

The Hot Blast Air Tight Florence
No Smoke-- No Soot -- No Dirt-- Everything Consumed

The only jointless leg bottom and base with full radiation and large ash-pan, that has ever been made in the history of the stove industry. The jointless leg bottom and base make the stove air-tight below the grate, which is the only true fire-keeping principle.

The Hot Blast Airtight Florence will heat twice the space that can be heated by any other stove on earth, at one-half the cost. The only perfect floor heater that has ever been made. All features are patented, and remember no stove manufacturer can copy same for 18 years from date of patent.

The Hot Blast Airtight Florence burns soft coal or slack, all the smoke and gases. No filling up of the stove pipe or flue with soot. No dirt inside or outside the house. It will burn hard coal and all the gases which escape from the hard coal base burner. It will burn coke just the same as hard or soft coal. It will burn wood and sawdust, wet or dry. It will produce less than half the ashes than any other stove on earth, with any kind of fuel.

The Hot Blast Airtight Florence will be on exhibition, in full operation,
Friday, Sept. 12,
on the street outside of my place of business, burning smoke. Come and see for yourself the most wonderful discovery of the century.

Sam Lochart's Elephants.

A half hour's fun with the elephants is one of the interesting features promised for the coming West Michigan State Fair which is to be held at Grand Rapids the last week of this month.

The performance will be given on a stage near the grand stand every day and there will be no charge for it.

Brief Mention.

The parsonage of the St. Joseph Catholic church was entered by a burglar Friday evening, and a desperate struggle ensued between him and the priest, Father Esper. The latter kept the burglar down until the arrival of the police, and the offender was lodged in jail.

Edward F. Burns, of Bay City, formerly of Berrien county, was married recently to Miss Rose O'Brien, at the home of the bride's mother at Sault Ste. Marie. Mr. Burns will be remembered in this county as the young Niles man who spoke so stirringly at the republican county convention at St. Joe two years ago.

Florence Zimmerman, of Niles, who has come into such notoriety by marrying the alleged bigamist, Claud Railing, has denied that she had anything to do with the license secured by the latter Sept. 2, and does not intend to marry him again. His first wife is living in Fort Wayne and has not secured a divorce from her husband.

Fearless and Independent.

The Chicago Record-Herald is a conspicuous example of the success with which the public rewards fearless nonpartisanship in the columns of a great metropolitan daily paper. It is an independent newspaper in which men and measures are invariably viewed wholly from the standpoint of the public good and not from that of the interests of any particular party. It is the very reverse of neutral—fearless and outspoken on all the great questions of the day, but presenting its editorial opinion upon independent judgment and entirely regardless of political affiliations. Partisanship is barred as strictly from the news columns as from the editorial page. All political news is given without partisan coloring, thus enabling the reader to form correct conclusions for himself. In the ordinary partisan newspaper political news is ordinarily colored to such an extent as to make it difficult if not impossible for the reader to secure a sound basis for intelligent judgment.
