## ROYAL NEIGHBOR.

### Fifth Anniversary Suitably Celebrated

Last Friday evening the social event of the week took place, the occasion being the celebration of the fifth anniversary of the organization of Primrose Camp No. 896 Royal Neighbors of America. The lodge is the ladies auxiliary to the Modern Woodmen, and they took advantage of their anniversary to invite the members of the Woodman camp to participate in the enjoyments of the evening.

The guests were met upon their arrival by the reception committee and escorted into the Maccabee hall where each was given a very neat little souvenir, printed with the name of the camp, the year of its organization and present year, and tied with royal purple and white ribbon, the lodge colors.

The program of the evening was given in the Maccabee hall and was as follows:

- Address of Welcome  
Mrs. Clara Richards, Oracle
- Original Poem—Primrose Camp, read by  
Mrs. Nellie Fuller
- Original Poem—Royal Neighbor Initiation  
Mrs. Millie East
- Recitation—Woman's Idea of Woodman  
Initiation.....Mrs. Ella Brant
- Original Conundrums  
Mrs. Frederika Runner
- Lecture—Woman's Rights, Mrs. Millie East

The program was exceptionally good and greatly enjoyed by all present. Each number was so well rendered that it would be an injustice to give any a special mention.

Following the program the ladies and their guests repaired to the Woodmen hall which the willing hands of the committee had been busily engaged in transforming into a scene of splendor long to be remembered by those present. Three tables were arranged the whole length of the hall and the 150 present were all seated at once.

The banquet was served in two courses and was one that would satisfy the appetite of an epicure. Mrs. Clara Richards, oracle, presided as toastmistress, and after the banquet had been partaken of to the satisfaction of all, called attention to a large and handsome birthday cake that graced the center table. The cake was decorated with geranium leaves and five lighted tapers to represent the five years since the camp was organized. The cake was a present from neighbor Maggie Van Meter.

Before cutting the cake Mrs. Richards called upon and short remarks were made by Mrs. H. M. Brodrick, first oracle of the camp and first oracle in Michigan; Mrs. C. D. Kent, first Royal Neighbor organizer in Michigan; S. Arney, present V. C. of Buchanan Camp M. W. A.; and A. Emerson, first V. C. of Buchanan Camp.

The following toasts were then given by the toastmistress, with the names of those responding:

Though puzzles do our minds distress  
We'd like two good ones now to guess.  
C. O. Hamilton

We'd like to hear you tell to-day  
Some funny things that children say.  
Will Miller

Describe some woman in the town  
Her nose and hair, her hat and gown  
But do not give us her address  
Nor tell her name, and we will guess.  
Wm. Van Meter

We'd like a story full of fun  
You're gifted, so please tell us one.  
O. P. Woodworth

Misery likes company they say  
We'd like to hear you tell to-day  
(Don't hesitate, but now begin)  
Of the worst scrape you were ever in.  
A. E. Mead

Your talent gives us much delight  
We wish that you would please recite.  
A. Emerson

Your part in this program to help us  
along  
Will give us much pleasure, please sing us  
a song.  
J. P. Beistle

If music hath charms, we wish that to-day  
You'd prove it, and something quite charming  
would play.  
E. Steele

Tell some joke on yourself, your wife  
or a friend,  
But we hope that you'll have it pleasantly  
end.  
R. R. Rouse

Give a tale of olden times, when settlers  
were few  
Of what they had then and what they did  
do.  
W. F. Runner

Without a bit of gossip sweet  
This program would not be complete,  
Be sure that while the seasons roll  
This crowd will never tell a soul.  
Chas. Babcock

Following the toasts the birthday  
cake was cut by Mrs. Richards and  
a piece given to each present. The  
guests and their ladies then departed  
for their homes fully satisfied that  
the Royal Neighbors were also royal  
entertainers and taking with them a  
very cordial invitation to be present  
at the sixth anniversary celebration.

The various committees who had  
the work of repairing the banquet  
and evening's entertainment cannot  
be praised too highly for the manner  
in which the program was carried  
out, and we feel safe in saying that  
it was one of the most successful  
social events of the season, and one  
long to be remembered.

## Teachers, Scholars, Pupils, Attention!

The most advanced teachers of the East have, after careful preparations, published three wonderful books.

In the first one they have put all of the common branches, twelve in all, and then have written each branch in questions and then answered each question in full making Five Thousand Questions with the Five Thousand Answers, completely exhausting Grammar, Geography, Arithmetic, History, Physiology, Spelling, Reading, etc., so that anyone, right at home, can become greatly proficient in all these branches without the aid of a teacher. This first book is worth fifty dollars of any one's money in preparing a teacher or student for examination, and the book complete sells for only \$1.50.

The second book takes up twelve Normal branches in the same way, and the third book takes up the Higher branches and exhausts them in a like manner, so any one wishing to prepare for college can use this one.

Any of these books can be had for \$1.50, and the authors have placed them with

W. F. RUNNER

where all scholars and teachers from this vicinity can get a copy.  
Do not fail to come and see them at your earliest opportunity.

### USEFUL LIFE CUT OFF.

Geo. Bennett Expires From Effects of  
a Severed Artery.

A couple of weeks ago, George Bennett while at his work at the axle works met with a severe accident which caused his death. A small piece of steel penetrated his arm above the elbow severing the artery. He has been hovering between life and death ever since, on Friday he succumbed to the inevitable.

He was a young man whose life was above reproach, he was exceedingly frank even to bluntness, often putting forward the side that was not his real self, as he was exceedingly kind and thoughtful of others.

Since he was fourteen years of age he has been the support of his mother. He will be missed by the community as well as the home. It seems sad that one so young in the full strength of his manhood should be so cut off. He was fully aware that he must die and as he had lived at peace with man he made his peace with God.

The entire community extend their sympathy to the mother, brother and sister. The funeral will occur this afternoon from the M.E. church, Rev. Douglass officiating.

### Colonial Dames.

The March special meeting of the Colonial Dames occurred on Monday evening at the home of Mrs. Sanders she and Mrs. Crotser uniting in entertaining. There were thirty four ladies and gentlemen present, the gentleman's first prize being won by Herb Roe, there were four ladies who had equal number of games, and in drawing for the prize it fell to the lot of Mrs. Kingery. A three course luncheon was served. Everybody expressed themselves as having had a delightful evening.

Mrs. Jessie Van Meter, who has been spending the most of the winter in Tiffin, Ohio, is expected home next week. She is now in Jackson, having gone there to participate in a family re-union on her father's birthday. She and two sisters are the only remaining children. Her sister, Mrs. Lyon who was present on this occasion and who is well known here has decided to locate in Niles, Rev. Lyon having resigned his pastorate of the church in Owosso, and accepted the charge of the Baptist church in Niles.

### PRETTY HOME WEDDING.

Mr. A. F. Howe and Mrs. Glover are  
United in Matrimony.

On Sunday afternoon at the home of the bride, on Day's Avenue, there occurred a pretty wedding, the contracting parties being Alonzo F. Howe and Anna Mae Glover.

There were present only the immediate relatives, the out of town guests being Mr. Austin Howe and Miss Rose Howe, of Kalamazoo, nephew and niece of the groom.

The home was prettily decorated with ferns and potted plants. The ceremony was performed by Rev. W. J. Douglass, after which an elegant supper was served. A number of pretty gifts were received, among the more elaborate ones being two handsome leather rocking chairs, from a brother and son of the bride, C. B. Simmons and Orville Glover, of Cleveland, Ohio, a handsome nickel plated bath set, from C. L. Simmons of Cleveland, and a set of pearl handled silver fruit knives from a niece of the brides.

Mr. and Mrs. Howe will make their home in the Culver property on Days Avenue, where their many friends have been showering congratulations on them. They are both well known and popular people. Mr. Howe has held positions of honor and trust, having served as chairman of the board of supervisors of the county the past year. Mrs. Howe is prominent in church and social life of the village, and they have the best wishes of a host of friends.

### Notice to Dog Owners

At a special meeting of the common council, February 19, 1903, the following resolution was adopted:

That all dogs within the corporate limits of the village of Buchanan be muzzled until further notice, under penalty of the law.

Signed by

30 CLUB.

Jolly Time at Street Carnival.

"Home of my heart I sing of thee, Michigan, My Michigan."

The ladies of the 30 club with their gentleman and lady friends assembled at the spacious home of Mrs. E. F. Kingery's last Wednesday where they had the last special meeting of the year.

The occasion was called "Michigan Evening." Upon entering the house it was found that the hall and parlors were tastefully decorated with flags but as the wide door of the dining room was neared, there was to be heard above the voices of those present, a great din and continuous music. The noises were familiar ones however, and everybody was pleased when they beheld the sign, "Michigan Street Carnival." Then there was a rush, for every one was anxious to see the wonderful things which the heavy, maroon draperies held from view. Once through the curtains each person was invited into the mysteries of the "Maze," while there was to be seen "Jo-Jo, The Turtle Boy," Kalamazoo Twins, "Prof. Do Every Body's Animal Show" and other attractions too numerous to mention.

After all the guests had been through the carnival, guessing contests were entered into. In the first one, the prize was won by Mrs. Emery and the consolation fell to Mr. Bower. In the second contest, Miss Ella Hahn was the lucky one, Mr. E. W. Sanders taking the consolation.

Mrs. Cora Rough read an original story of the 30 club, written by Miss Florence Mead, who is an ex-member, which was very good; adjectives had been omitted, but they were supplied by each one present, making the story a very amusing one and doing the members of the club great justice (?)

After these entertainments were over, it was found to be near morning, so a "Michigan Breakfast" was served. The guests lingered over the griddle-cakes, maple syrup, coffee and other good things, forgetting the time, but at length they thought of adjournment. Every one declared that an enjoyable evening had been spent and that Mesdames Smith, Kingery, Cook, Rough and Andrews deserved a great deal of praise for arranging an entertainment so unique.

It is to be regretted that "Michigan Evening" is the last special meeting for the year, but let us remember that: "Beneath the hostile southern sky, They bore thy banner proud and high Ready to fight but never fly, Michigan, My Michigan."

Ellsworth of South Bend calls the attention of the people of Buchanan and vicinity to an opportunity of making money by saving on their purchases. It will pay person expecting to purchase to take advantage of this magnificent sale. Delay and you will regret it.

IN MEMORIAM

JULIA ATWOOD SMITH

Who was the daughter of Horace and Samantha Atwood, was born at Cuyahoga Falls, Ohio, April 14, 1837 and departed this life March 14, 1903 aged 65 years and 11 months.

She removed with her parents from Ohio to Indiana and from there to Michigan, when 14 years old. She was married first to Frank Colbetzor, who died in the service of his country and by whom she had two children, Milton and Charlie, neither of whom survive, both dying in youth. She later married Henry Smith. Mrs. Smith was baptized by Elder D. R. Mansfield over 40 years ago, and at the time of her death was a member of the Larger Hope church.

She leaves behind one sister and five brothers beside many friends, to mourn her departure.

The funeral services were held at the home of the deceased Tuesday morning and were conducted by Elder Charles Shook of the Advent Christian Church.

ORSON O. BRONSON

Was born near Akron, Ohio, on the twenty fifth day of August, 1841.

In the summer of 1852, his father, Dennison Bronson and family moved to Michigan, locating in Bertrand township, three miles west of Niles. Here Orson Bronson lived till he was thirty years of age. He enlisted in the artillery service of the Union army during the latter part of the Civil war and served till the close.

Later he spent nearly two years in Kansas. In December, 1871, he was married to Mary E. Sparhawk, at Carbondale, Kansas. Returning to Michigan, he resided on a farm in Niles township till 1890. In the spring of that year the family moved to Niles, where the wife and mother died.

During the past twelve years he lived at his home in Buchanan township, where he died March 11, 1903, at the age of 61 years, six months, and fifteen days. He is survived by three sisters, Ada and Minerva Bronson of Niles, and Ida Bronson of Rawlins, Wyoming, also by his four children, Harry Bronson of Elmira, Michigan, Velna and Maurice Bronson of Buchanan, and Arla Bronson of Los Angeles, California.

The funeral services were conducted by Rev. Niergarth at the home of the deceased, two miles west of Buchanan at one o'clock Sunday with interment in Niles cemetery.

The community has lost a peaceful neighbor and a good citizen. Much sympathy is expressed for all the bereaved ones especially for Miss Arla, who was so far away, and unable to return for the funeral.

MR. JOHN GOGLE

Son of Christian and Anna Gogle was born in Trown Stein, Ober Bayern Germany, January 1, 1829 and died in Dayton, Michigan, March 11, 1903, aged 81 years, 2 months and 11 days.

When twenty eight years of age he left his home in Germany and landed in New York City during the month of July 1850. Immediately he went to Indiana where he procured work in South Bend, as miller. In the year 1852 he was united in marriage to Miss Pheba Harding, who died in 1853 leaving one infant son, Carl, of three months. In 1856 he was married to Amarette Rose Williams and 1861 they removed to Dayton, Michigan and lived more than 40 years in the house where he died.

To this union two sons were born, George and John, who preceded the father into the better world. His second wife having died in 1867 he was again united in marriage to Miss Elizabeth C. Schmidt, who now survives him and deeply mourns a kind husband. To them was born one child who died in infancy.

Besides his sorrowing wife, he leaves to mourn for him two grand children, Maurice and Gladys, children of his son, John, who reside in Middletown, Michigan, a step daughter, Mrs. Alva Stryker, child of his second wife.

Mr. Gogle was a devoted father, a kind neighbor and was esteemed by all who knew him. Although on his arrival in America he could not speak one word of English, he mastered the language and by his perseverance gained distinction in the community where he resided. For many terms in succession he held the office of Justice of Peace and other offices of responsibility.

For some years he has been quite feeble but always ready to lend a

helping hand and to do his share in making a pleasant home. Only the day before his death he met a number of his acquaintances in the Post Office and greeted them with kindly cheer as of old.

In childhood he was brought up in the Catholic faith and had utmost respect for his parents because of their sincerity and belief in Christ. His wish had been to depart from this life without a struggle and it was granted. On Wednesday morning, day of his death, before he had arisen, his wife heard a moan and when she reached his side he had departed without one word.

The funeral services, conducted by Rev. R. H. Allsopp of Niles, were held at the home of the deceased, Saturday morning at ten o'clock. A large number of friends gathered to pay their respect. Those from abroad who attended were nieces, Mrs. Mina Myer of Grand Rapids, Miss Crisse Smith of Saginaw and his grandson, Maurice, of Middleville. Burial took place at Mt. Zion cemetery.

Ancient Prophecies

From the earliest times transportation has been an important feature in the development of the church. You will remember what serious times St Paul had in his travels, and it is curious to note how clearly various forms of transportation of to-day, were outlined in the Old Testament scriptures, and especially in the prophecies of a thousand years before the beginning of Christian era.

For instance, Nahum, in the fourth verse of the second chapter of his prophecy, evidently refers to automobiles, as follows:

"The chariots shall rage in the streets, they shall jostle one against another in the broad ways, they shall seem like torches, they shall run like the lightnings."

He no doubt had in mind the crowded condition of the street cars and the elevated railways in New York when, in the eighth verse of the second chapter, he says: "Stand, stand, shall they cry but none shall look back."—From "Ancient Prophecies Fulfilled," by George H. Daniels, in Four-Track News for March.

The Ladies of the Grand Army  
will give dinner and supper in the  
Roe building on election day, (April  
6). Every member is requested to be  
present at our next regular meeting,  
(March 20) to make arrangements.  
By order of Committee;

JULIET M BAIRD  
ADELAIDE COUSE  
MARIETTA MANSFIELD.

Last Saturday, March 14, on Mr.  
and Mrs. E. A. Baird's return home  
from Galien, they found waiting for  
them their many friends from the  
G. A. R. Circle and Larger Hope  
church. The home was thrown open  
to them and a real old social time  
was had. Popping corn, speeches  
and songs were the order of the even-  
ing, and a general good time was en-  
joyed by all.

After the basket ball game last  
Friday night a number of young men  
went to the Benton Harbor train and  
disgraced themselves and our town  
by throwing mud and stones against  
the windows and sides of the cars.  
It is unnecessary to say that neither  
the members of our home team or its  
management had any thing to do  
with these acts which are deplored  
by the better class of our citizens.

The Missionary society of the Pres-  
byterian church met at the home of  
Mrs. Whitman Wednesday afternoon  
and had a very interesting session.  
They were delighted to greet Mrs.  
Rogers of New Buffalo, West Vir-  
ginia, whom they had not seen in  
their meetings for many years. A  
letter was read from Mrs. Stebbens,  
concerning her work in India, which  
also added to the pleasure of the day.

C. H. French so well and favor-  
able known to all the citizens in and  
around Buchanan was taken ill Sun-  
day morning and for a time was ex-  
ceedingly ill but his condition has  
very much improved so that the dan-  
ger point has passed but he is still a  
sick man. The doctors attending  
him have decided that he had con-  
gestion of stomach, liver and spleen.  
The prospects are that he will be a  
round soon for which all will be  
thankful.

There has been several young men  
who were not students of the school  
loafing about the school grounds  
during the past week. While the  
school was in session they would re-  
main under the trees and as soon as  
the session was over they would take  
possession of the ball diamond and

violate the regulations of the school  
by using profane language and smok-  
ing cigarettes. Their presence was  
the direct cause of two cases of tru-  
ancy. While there had been no re-  
striction as to the use of the grounds  
by those not in school yet Superin-  
tendent Mercer felt that it was  
necessary to ask these young men to  
remain away and he hopes they will  
have to good sense not to come again.

day evening, the Buchanan high  
school team meet defeat, the score  
being 16 to 20, in Benton Harbor's  
favor. The game was fairly played  
but our boys were not at their best.  
The game was conducted by Mr.  
Winter of Benton Harbor, who acted

of refreshments. Later in the  
evening they were each given a  
little diploma the contents of which  
were the cause of much merriment.

Miss Van Riper, of Niles, the sister  
of Mrs. Worthington, and Rev. Doug-
