EX SHERIFF ENGAGES IN HOTEL BUSINESS AGAIN

Joins Experienced Men In Management
of Hotel Benton

The well known and popular hostelry, the Hotel Benton, is under the management of Collins & Irish, who took over the lease of Charles Welshans.

The new firm is composed of practical hotel men. Fred Collins was chief clerk and practically manager of the hotel for two or three years before he was elected sheriff of Berrien county four years ago. The traveling public know him and like him.

Mr. Irish—in fact, the name Irish in the firm name means two, H. D. and F. H. Irish, father and son—are hotel men of long experience and excellent record. They started the Livingston hotel in Grand Rapids and ran it for some time. They were proprietors of the Old County House at Grand Haven before it was burned, and later the proprietors of the Alphon at Hot Springs, Va. At present they own and operate a hotel with a capacity for 150 at Harbor Springs.

Mr. Collins will reside at his new residence on Pipestone street and be the active manager of the hotel. The Messrs Irish with their wives will live at the Hotel Benton during the winter months and assist in the management. In the summer they will conduct their hotel in northern Michigan.

Monday Club

The Monday club met with Mrs. E. S. Roe, Monday, 28. Opened with singing "Showers of Blessings." Mrs. Weaver made the opening address.

The minutes of the previous meeting were read and approved. The afternoon was in charge of the general committee, and was a Shakespeare program. Mrs. Worthington read an interesting paper on "The Twelfth Night." "King Lear" was the subject of a reading by Mrs. Redden. Mrs. Johnson gave the story of the Comedy of Errors. Mrs. Graham favored the ladies with a charming instrumental selection, which was much enjoyed. After a short intermission Mrs. M. East and Mrs. Howard rendered the duet, "Romeo and Juliet" in a manner that was highly appreciated. Mrs. Whitman had a very excellent paper on "The Winter's Tale." Mrs. Knight gave the story of "Othello." Mrs. Sarah Smith had a good talk on "Measure for Measure." Mrs. E. S. Dodd sang a selection from "The Huguenots." Mrs. Knight presiding at the piano, that was thoroughly enjoyed by the ladies. Roll call was responded to with the name of an actor and their favorite role. Club adjourned to meet at the home of Mrs. E. S. Roe Monday, Jan. 30, at eight p. m.

Only Two Weeks More

The Chicago papers are devoting much space to comparative tables of great dramatic engagements played in that city. The occasion is the remarkable series of characters, the mammoth productions, and the throngs which have daily thronged the Grand Opera House to see Richard Mansfield during his first three weeks.

In two weeks Mr. Mansfield will have gone. He will leave indelible memories for all who have seen him. Not since the first engagement of Irving and Bernhardt have such artistic achievements been disclosed as Mansfield's numerous gallery of great characters. Last Saturday he concluded his first two weeks, and not once during that time was there a vacant seat or box. And the crowds have been enthusiastic as they were numerous.

This week the great actor is playing the Baron Chevalier in "A Parisian Romance" and the King in "King Richard III." The repertoire for next week is Monday "Dr. Jekyll & Mr. Hyde," Tuesday, "Beau Brummel," Wednesday, "Ivan the Terrible," Thursday, as Shylock in Shakespeare's comedy, "The Merchant of Venice," Friday, "A Parisian Romance," Saturday Matinee, "The Merchant of Venice," Saturday night, "King Richard III."

Mr. Mansfield plays one week after that, for which the repertoire will be announced next week. From Chicago he goes to New Orleans direct by special train of 12 cars, and thence direct to New York City.

DAYS OF DIZZINESS

There are days of dizziness; spells of headache, sideache, backache; sometimes rheumatic pains; often urinary disorders. All tell you painfully the kidneys are sick. Doan's Kidney Pills cure all kidney ills. Here is proof.

Mrs. J. Mitten, residing on Regent street, Niles, says: "I took several boxes of Doan's Kidney Pills, and they did me a world of good. I had nearly all the symptoms common to kidney complaint, but those which caused me the most trouble and suffering were backache and dizziness. My back was so sore and lame most of the time that I could hardly get around and many a night it pained me so after I went to bed that I had to get up. When the dizzy spells came on which was quite often, I had hard work to keep my balance and staggered when I tried to walk. After I got Doan's Kidney Pills and took them they relieved me so much that I kept using the remedy until my dizziness and backache and other symptoms had entirely left me."

Plenty more proof like this from Buchanan people. Call at the drug store of W. N. Brodick and ask what his customers report.

DUTY HOLDS KING'S CUP.

Customs Officials of Spain and France Would Stop Trophy for Revenue.

A comic incident occurred after the races at San Sebastian a few days ago. The king of Spain presented a silver cup for one of the races, which was won by a French gentleman rider.

The winner duly received the cup and set off for home; but when he arrived at Hendaye, the frontier town, the French custom-house officers demanded the duty which is levied on works of art entering France.

This the sportsman refused to pay, considering the circumstances, but the officers insisted and sent him back across the frontier in default of payment.

As he reentered Spain he was pounced upon by Spanish carabinieri, who in their turn demanded the duty for the import of works of art into Spain.

In a furious rage, the French sportsman telegraphed to King Alfonso, and it needed the personal interposition of the sovereign before the unfortunate Frenchman was allowed to take his trophy home without being taxed on both sides of the frontier for the privilege of having won a silver cup in a horse race.

Michigan Millers Grade Wheat

The Michigan Millers, who have just been in session at Lansing, have issued the following rules relative to the grading of wheat which will prove of interest to farmers:

"Full red wheat must weigh 59 pounds to the bushel. Full price white wheat must weigh 58 pounds by the testers after being cleaned. If wheat tests one pound light we deduct two cents in price or one pound of flour in exchange. If wheat tests two pounds light we deduct four cents from price or two pounds of flour in exchange. If wheat tests three pounds light we deduct seven cents or three pounds of flour in exchange. If wheat tests four pounds light we deduct twelve cents in price or five pounds of flour in exchange. If wheat tests five pounds light we pay three-fourths of the full price."

"All wheat testing lower than the foregoing is worth about the price of corn for feeding purposes. If wheat is mixed with rye to the extent of one per cent we deduct five cents per bushel in addition to all other deductions. Wheat mixed with more than three per cent rye will be bought only on special prices."

Troubles of a Janitor

A western paper tells of the janitor of a city school who threw up his job one day, and when asked by a friend what the trouble was, said:

"Well, it's this, I'm honest, and won't stand being hounded. If I ever found a pencil or anything else in the school when I was sweepin' out I always gave it to the principal; but just the same, the teachers, or some one that's too mean to face me, gives me the slur."

"In what way?" asked the friend. "Well, just this: A little while ago I saw written on the board, 'Find the common multiple.' Well, I didn't say a word, but I searched for garbage to cellar, and I couldn't find the thing. Well, again last night, in big writing on the same board, it said, 'Find the common divisor.' Well," says I, 'both of them things be lost now, and I'll get blamed for sweepin' 'em; so I quit.'"

INDIAN BOYS SUCCESSFUL.

Cheyenne Youths Have Become, Catholic Raisers of Some Prestige in Oklahoma.

An experiment of much value was attempted among the Cheyenne Indians in Oklahoma. An Indian agent wished the boys to milk cows for him and agreed to give each one who milked for three months a nice calf.

Fifteen boys started, but they were so ridiculed by the older men of the tribe that 12 of them gave it up. But three won the calves, and the pride of being owners of cattle served as quite an assistance in getting other Indian children to try.

After a year 12 had won calves, and the agent asked them to plow corn for him, agreeing to give them all the corn they could raise. Ten boys volunteered to grow corn, and they actually raised 3,000 bushels which was sold and afterward converted into 35 head of steers. Each steer was branded with an individual brand chosen by the boy owner. This made them prouder than ever, and more industrious.

Every boy at the agency wanted to go to work at once, and as a result of that experiment the Cheyennes are the most industrious farmers of any tribe so recently on the warpath.

SEQUOYA, INDIANS' PATRON

Cherokee by That Name Was Godfather of Famous Giant Trees of California.

Every American and nearly every other civilized man recognizes the queer name "Sequoia" (once as referring to the wonderful big trees of California. But how many people know where the name comes from?

The godfather of the great trees was Sequoya, a Cherokee Indian. He died in 1843, at the age of 83 years, and he left behind him something that makes his name much more famous among the Cherokees than the fact that the big trees are named after him.

The great thing that he bequeathed to the Cherokee was a syllable alphabet. It is a wonderful yet simple device. As soon as a Cherokee has mastered the 85 characters he can read and write. Within a few months after Sequoya first introduced it thousands of Indians had learned to read and write fluently without a teacher.

Belgium's Public House Record.

Belgium, where public libraries are almost unknown, enjoys 190,000 public-houses. That means one public-house for 36 inhabitants, or one public house for 12 men above 17 years of age, the publican included. During the last 50 years the population has increased 50 per cent.; the number of public-houses, 258 per cent.

Japanese Rice Wine.

Next to grape wine, it is believed that Japanese sake, or rice wine, is the oldest alcoholic beverage known to man, its use in Japan dating back over 2,000 years.

A Grim Tragedy.

is daily enacted, in thousands of homes, as Death claims, in each one, another victim of Consumption or Pneumonia. But when Coughs and Colds are properly treated, the tragedy is averted. F. G. Huntley, of Oaklandon, Ind., writes: "My wife had the consumption, and three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, Coughs and Colds, which cured her, and today she is well and strong." It kills the germs of all diseases. One dose relieves. your life he is digging worms for
bait."

A head on collision occurred Tues-
day afternoon at Bangor, between
two freight trains on the Pere Mar-
quette. Both engines and nearly all
the cars were piled up in great con-
fusion and it was 10 or 12 hours before
traffic could be resumed. Both
engine crews jumped before the trains
came together, but George Gardiner,
of Grand Rapids, was cut about the
head.

A quiet wedding took place at the
home of the bride's parents, Mr. and
Mrs. F. W. Mead, last night at eight
o'clock, the contracting parties being
Miss Bernice Mead and Mr. Ralph
Allen. Only a few of the immediate
relatives were present. After the
ceremony, which was performed by
Rev. W. J. Douglass, a fine wedding
luncheon was served. The young
people are both well known to all
our readers, having lived here all
their lives. They will be at home to
their many friends at Mr. Allen's
home west of town. The Record
together with their many friends ex-
tends congratulations.

Mrs. Mary Hetzler an old lady who
resides on Berrien street, had a very
narrow escape from being burned to
death last Tuesday evening. Her
sister Miss Edith Rynearson had gone
to lodge, and she had been fixing
the fire and it is supposed that a coal
of fire fell from the stove onto her
dress, which was soon all ablaze.
With great presence of mind Mrs.
Hetzler went to the kitchen and by
the use of water extinguished the
fire. She was quite badly burned
about the hands and but for her
heavy clothing she would no doubt
have been burned to death. Mrs.
Hetzler, although 78 years' old, dis-
played more courage and fore thought
than nine tenths of the people would,
if placed in a like position.

In speaking of the Judicial conven-
tion, the Niles Star says: The ju-
dicial convention, which will be held at
Berrien Springs on Feb. 8, promises to
prove decidedly interesting. There
are four candidates for circuit judge,
viz., O. W. Coolidge, of Niles; George
M. Valentine and George Bridgeman of
Benton Harbor, and L. C. Fyfe of St.
Joseph. Judge Coolidge will have a
strong following from this end of the
county, and will, perhaps, secure
more delegates from outlying town-
ships than any of the others, still
Fyfe is a strong candidate, but the
fact that Benton Harbor has two can-
didates makes Coolidge look like a
winner. If Benton Harbor and St.
Joseph were united on one man, the
result might easily be foretold, but
as such is not the case, Coolidge's
chances are bright, indeed.

E. J. Carter has his ice house at
Hazen lake filled with ice and will
fill the house at F. A. Stryker's re-
sidence. Mr. Carter says that the ice

past few days has made a great deal
of extra work in harvesting this ice.

The board of trustees for the Cryst-
al Springs camp grounds held their
annual meeting at the M. E. parson-
age the other day. Rev. Dr. D. F.
Barnes, presiding elder for the Niles
district, was elected chairman; Rev.
H. L. Potter was made secretary and
A. B. Morse, treasurer. The president
and secretary were authorized to bor-
row \$100 to meet current expenses.
The present indebtedness was shown
to be \$400, about half of which will
be covered when the subscriptions
made at the last camp meeting, all of
which was still unpaid, are gathered.
