TERRIFIC

TERRIFIC STORM

Is Reported on the Great Lakes Many Boats are Lost

KATE LYON WAS BEACHED

Wind Reached 50 Miles an Hour at Benton Harbor Friday Morning

Chicago, Oct. 20.—Lake Michigan was swept last night and today by one of the worst storms that has occurred in years, doing hundreds of thousands of dollars worth of damage at lake points. Loss is reported from nearly every port on the east shore of the lake. Buffalo also reports damage to boats and loss of life from the ravages of the storm.

Holland, Oct. 20.—The barge Kate Lyon, which left Benton Harbor at 2:30 yesterday afternoon reached here early in the evening, but was unable to make the harbor. She was carried just beyond the north pier where she went on the beach. The crew of four men climbed off the vessel on the jib boom onto the north pier and all were saved. The barge broke in two about midship and will be a total loss.

Fully 250 feet of the north pier has been destroyed. From the shore out for about that distance the entire superstructure has been washed away. A large number of small craft in Black lake have been lost, boat houses were washed out and demolished by the waves; the beach line has been wiped out up as far as the cottages. The lower end of the interurban at Macatawa park has been submerged, causing heavy loss to the company. The total loss at Holland will reach about \$100,000.

Buffalo, Oct. 20.—Two barges, the Unadilla and the Sweetheart were broken from their moorings by the high winds and heavy sea this morning and carried out into the harbor, beyond the reach of assistance. A great storm was seen from shore shortly before noon and at least one of the boats is known to have gone down with a crew of six men. The tugs from this port are making a desperate effort to reach the other and rescue the crew.

Manistee, Oct. 20.—The schooner Lydia High was wrecked on the beach early this morning and the life savers are unable to reach her to rescue the crew who are still clinging to the craft.

Lorain, Ohio, Oct. 20.—The crews of the Sheldon and Wisconsin are believed to be safe except two who were doubtless drowned from the Sheldon.

Momonie Mich., Oct. 20.—The worst storm ever known, on Green bay raged last night.

A heavy snowstorm, which set in early in the evening, is making the gale still more dangerous for mariners. The seas are rolling 30 feet high and it is feared that vessels caught in the open lake will meet disaster.

The schooner Rob Roy, which succeeded in reaching port before the snowstorm began, was leaking badly and all the pumps were kept in constant service to keep the craft afloat.

Two men were required at the wheel to hold the schooner on her course. The crew was worn out from their experience when the harbor was reached.

Capt. Pishon, who has sailed the lakes since 1853, says the present gale is the worst he has ever known.

It is reported here that 100 feet of pier is washed out at South Haven and damage is reported to small craft, boat houses and summer cottages.

The storm at this port was the worst that has been known so early in the fall for a vast number of years, but the loss of property is small compared to what it is in other ports. All of the Graham and Morton boats were in safety and did not venture out in the sea. The City of Chicago came in from Holland yesterday afternoon and the Argo reached

Holland in safety before the storm came upon her. The Tourist which was tied up in the bayou was lifted from her moorings onto the top of the old pier at the old Preston site, but was recovered from this position before any serious damage was done. Happ's boat houses were wrecked and three boats were carried out into the river. One of the life saver's boat's was carried away in the wind, and the boat houses along the river are all more or less damaged. The shore line south of the south pier was washed out as far up as the cottages on the beach and some of these are entirely surrounded by water and the only way of getting out is by boat; some families foresaw the flood and packed part of their effects and moved out. The sidewalk from the pier to Silver Beach is completely gone and the casino is surrounded by water and the walk on the pier is badly damaged.

The Pere Marquette bridge was tied up for a few hours Friday morning because of the high waves. The filling under the approach on the north end of the bridge was washed out after the early morning trains had crossed and for a time it looked as though the end of the approach was doomed. The construction train was dispatched to the spot and a large number of carloads of sand were dumped into the hole to make it safe for the trains to cross. The first train to go over was the train from Chicago which barely moved when the weak place was reached. It was a risky undertaking but was a safe one, and more filling was done before another train attempted to cross. Drake & Wallace's dock property and Happ's stand are filled underneath with water and the current has washed far enough through to have undermined the driveway leading to the Graham dock and washing it out half way across the street.

THE LECTURE COURSE

Will Open With H. W. Sears, the Popular Lecturer at Rough's Opera House Nov. 8.

The Lecture Course to be given, in this place this winter, will be for the benefit of the Buchanan Band Boys. The first series of the five different numbers will be held in Rough's Opera House on Friday evening, Nov. 8, when H. W. Sears, "The Taffy Man," will appear before, we trust a large sized audience.

Dr. H. W. Sears, by his lecture will drive out the blues, and rout the demons of grumbling with his scourge of satire, wit and humor. He is one of the greatest entertainers and best drawing cards on the lecture platform today.

The tickets will be on sale at the American Express office. Sale opens at 9 o'clock Friday morning, Oct. 27. All who have pledged to take tickets on the Lecture Course, should get them as soon as the sale opens, and get their seats.

Don't forget this Lecture Course is for the benefit of the Buchanan Band boys and those who have not already patronized them should do so at once. All join in and give the boys a much needed help.

Minnedosa Founders; Crew of Eight Lost.

Harbor Beach, Mich., Oct. 20.—The Canadian schooner Minnedosa foundered two and one-half miles off the port, at Harbor Beach, in Lake Huron early Friday. She carried down her entire crew of eight men.

The Minnedosa was coming down from Fort William with some 80,000 bushels of wheat, bound for Lake Ontario. She was in tow of the steamer Westmount, which was also towing the barge Melrose.

The Melrose and Westmount succeeded in getting into the harbor of refuge late this afternoon when the loss of the Minnedosa was reported.

The lost boat was in command of Capt. Phillips, who had his wife with him. The names of the other members of the crew cannot be learned here tonight.

The Minnedosa was built in 1890

The Youth's Companion in 1906

During 1906 The Youth's Companion will publish in 52 weekly issues 7 serial stories, each a book in itself, reflecting American life in home, camp and field. 50 special articles contributed by famous men and women, travelers, essayists, soldiers, sailors, statesmen and men of affairs. 200 thoughtful and timely editorial articles on important public and domestic questions. 250 complete stories by the best of living story-writers, stories of character, stories of achievement, stories of humor. 1000 notes on current events and discoveries in the field of science and natural history. 2000 bright and amusing anecdotes, items of strange and curious knowledge, poems and sketches.

This is what The Companion offers its readers during 1906. The quality of it is fully equal to the quantity. The paper is interesting without being sensational, bright without being flashy, elevating and strengthening without being prosy, a paper for every member of the family.

A full announcement of the new volume will be sent with sample series of the paper to any address on request. The new subscriber for 1906 who sends \$1.75 for the new volume at once will receive free all the remaining issues for 1906, including the Double Holiday numbers; also The Companion's "Minutemen" calendar for 1906, lithographed in twelve colors and gold.

THE YOUTH COMPANION
144 Berkeley St. Boston, Mass.

House cleaning time is drawing near, and plenty of old papers can be purchased at the Record office for that purpose.

The Record has the largest circulation and is the best advertising medium in the county.

A new and original love story entitled "The Moonshiner's Daughter," is a really dramatic surprise as well as a scenic treat. There is nothing of the cheap melodrama about it; all the players are of the higher order and the scenic effects superior in every detail and no expense has been spared to make the production high class in every particular. The public may expect something out of the ordinary and well worth seeing. The engagement here is for Rough's Opera House, Wednesday, Oct. 25.

OCTOBER, 24, 1905.

School Notes

School will close this afternoon on account of the funeral service of Mr. Keller, who has been a most faithful member of our school board for a number of years.

Miss Hamilton and Miss Reynolds took the county teachers' examination in St. Joseph last week.

The class in book-keeping are working with their first balance sheet. Mae Smith has entered the eighth grade making the enrollment 24.

The eighth grade classes in History and Orthography will have tests this week covering the years work so far.

The eighth grade class in History are now considering the war of 1812. Some good maps have been drawn illustrating the same.

In the written test given the seventh grade in Geography, Alosia Richardson and Edward Stopp stood 100.

Inez Seybert carried off the honor for spelling in sixth grade, Friday.

Gladys Weaver was again voted the highest in writing last week in sixth grade.

The morning exercises in sixth grade during the last week, were conducted by the children. There was good work done.

The fifth grade reading class are studying "The Farm-Yard Song."

Some splendid compositions have been written by 5th graders, subject, "Autumn."

Junior Wagner's rabbit was sketched during drawing period, Wednesday by 5th graders. Some very good ones were placed in the art corner.

In a spelling contest of 50 words Cattie Barnes stood 100 and a number stood above 95.

Mae Tarrent left the 7th grade last week. We all wish her success in her work in Marcellus.

Some very pretty autumn leaves painted by the pupils of the 7th grade decorates the art corner.

Seventh graders show a great deal of interest in "Current Events." Only a few fail to tell something of interest every Friday morning.

Comparison of trees in the school yard have furnished basis for science and language lessons in the Ward school. Entertaining and instructive drawing and cutting lessons of leaves and flowers have emphasized the science work.

A feature of the Friday afternoon story period has been the dramatization of story read previously, first grade pupils taking Cinderella, second grade, an Indian Fairy Tale.

Do not allow your watch to run dry and cut the pivots. See Horace Shadel, have it cleaned, save trouble, save expense.

State Items

The Hon. Peter White, of Marquette, Mich., who has just been re-elected treasurer of the board of education of the district, has held the office for more than half a century. He was first elected in 1851, when he was 21 years of age, and he has served in that position continuously ever since. It is believed there is no other man in the state who is serving his fifty-sixth term in any office.

Supervisor Harcourt of Manistique reports wolves unusually numerous in the north end of the county, and that they are killing many deer. Only a few days ago a doe was run through the village by a pack of wolves.

Ned Webster, aged 29, Linden, Mich., committed suicide Friday, by shooting. He was found back of the barn of William Clark with a ragged shot wound in his breast. He had apparently bared his breast, placed the muzzle of a shotgun against it, and pulled the trigger by means of a string attached to his foot. He had been quite attentive to Miss Clark, but as there had been no quarrel between them, and as he belonged to a well-to-do family, his deed is quite unexplainable.

ADDITIONAL LOCALS.

WANTED—Plain sewing to do.
Mrs. F. Eldredge.

Gov. Fred M. Warren after inspecting the state prison at Jackson last Thursday, declared he found everything to his satisfaction at that institution. The Governor spent much time in consultation with Warden Vincent, and made the above statement later. The warden has seemingly many enemies, who are more than desirous to have him lose his position.

Mr. L. A. Graffort had the misfortune, last Friday, to sustain a badly sprained knee as the result of a fall. He was in the act of carrying wood into his shop, when he made a mis-step and fell through a hole in the floor twisting his knee almost out of place. This was a very painful accident, and it will be at least ten days before he can step on the afflicted member.

Because Miss Ruth, the 18-year-old daughter of Attorney and Mrs. Hendrix, of Dowagiac, giggled in high school, Principal Dunning slapped her. The father demands that the school board take immediate action or he will ask for a warrant for Dunning charging assault and battery. Dunning is not popular with some families and his retention on the faculty was an issue at the last school election.

Grand Secretary Wloder of the I. O. O. F. presented his annual report to the grand lodge which met at Benton Harbor last week. The report showed that the total membership of the I. O. O. F. lodges in Michigan on Dec. 31, 1904, was 44,100. Of these 3,844 were added during last year. The loss during last year is given as 2,825, which makes the net gain for the year 1904 of 2,124. The total receipts are given as \$331,013.15.

Information has just reached here of a terrific fight between moonshiners and revenue men. It seems there were two moonshiners in love with

the same girl. One was looked upon with favor, the other was not. The latter determined to play even by giving information regarding the location of an illicit still that the former moonshiner was in. Information was found to be reliable and the Reveaux men determined to make a raid immediately, but in the mean time the moonshiners had in some manner learned of the betrayal of the still and had meted out summary justice to the informer by a mysterious execution of which method nothing can be learned at present. Though the moonshiners have a wonderful amount of honor among themselves it is certain death to a traitor. Full particulars of the above can be learned at Rough's Opera House, Wednesday, Oct. 25, which date "The Moonshiner's Daughter" will be the attraction.

A Leading Educator on the International Live Stock Exposition

Here is what Dean Davenport at the Illinois Agricultural College says of the International:

"No one, not even those responsible for its development, has adequate conception of the influence of the International upon American live stock interests. As a practical educator it cannot be surpassed; as a stimulus to trade, it has no equal; as a means of shaping policies and correcting ideals, its influence is supreme.

"A decade or two ago such a thing would not have been possible in this country. It seems incredible now that a company, organized primarily for business, should see its way to expend so much time, energy and money in the establishment of such an exposition. That it will pay there is no doubt. The pay will come in a thousand ways. The live stock interests will be more prosperous, the individual farmer who lives by it will be more successful, and the multitude of interests that depend upon live stock will thrive the better for it.

"The marvel of it all is that such a thing could be at all. It shows the breadth of the commercial spirit in this country, the generosity of live stock men, and the readiness of the American farmer to respond to modern methods and conditions.

"What should be said of the man who does not go? That he is blind to his own best interests is certain, that he will get behind in the race and be lost in the shuffle is no less true, that the young man who will come on after him will ultimately possess his herds and his land, goes without saying. This is the age when every business must be studied, and farming is no exception, indeed it looks more and more as if farming were coming to be one of the most complicated professions and that the more is learned of it the more complicated it becomes.

"Let the International live long and

prosper. This certainly will be true. The only uncertainty is how much good will individuals get out of it. This rests entirely upon them and depends upon whether they attend the exposition or whether they stay at home and find fault with what they have not helped to accomplish. May they and others go."

The exposition of 1905 is to be held December 3rd to 9th at the Union Stock Yards Chicago.

Estate of Abigail N. Hamlin Deceased
STATE OF MICHIGAN, the Probate Court for the County of Berrien.

At a session of said Court, held at the Probate Office in the City of St. Joseph in said County, on the 17th day of October, A. D. 1905.
Present: Hon. Frank H. Ellsworth, Judge of Probate.

In the matter of the estate of Abigail N. Hamlin deceased, Emma Perrot, having filed in said Court her petition praying that a certain instrument in writing, purporting to be the last will and testament of said deceased, now on file in said court be admitted to probate, and that the administration of said estate be granted to Harry O. Perrot, or to some other suitable person.

It is ordered, that the 13th day of November, A. D. 1905, at ten o'clock in the forenoon at said probate office, be and is hereby appointed for hearing said petition.

It is further ordered that public notice thereof be given by publication of a copy of this order, for three successive weeks previous to said day of hearing, in the Buchanan Record, a newspaper printed and circulated in said county.

The "Rich" Broomholder

This is the way my brooms were before I got one of Rich's Broomholders. It was very hard work for me to sweep, as my broom was always bent so badly.

This is the way my broom is now for I have one of Rich's Broomholders and it makes my sweeping easy and my brooms last twice as long.

Several Reasons Why You Should Get One.

- 1st—It keeps the broom straight, as the bending of the broom is caused by standing on the floor and should be hung up at all times when not in use.
- 2d—You always know where to find the broom when you use this holder.
- 3d—How many times per day do you have to pick up your broom from the floor being knocked down by the children or yourself, where if you had one of these holders it would not happen.
- 4th—Cleanliness and neatness are only attained around the house by keeping everything in place, and you cannot do so by letting your broom lay around.
- 5th—Your broom will last twice as long by keeping it hung up.
- 6th—Just think of the extra work and time lost every day, by trying to sweep with a broom that is all bent over and which would not happen if you had one of Rich's Broomholders.

For sale by all stores which handle brooms, and if they have not got them, ask them to get them, or send 10 cents to me and I will forward you one prepaid.

GEO. R. RICH,

Sole Mfr. and Patentee. BUCHANAN, MICH.

Look at your clothes!

If they look shabby and worn replace them with new ones Go to F. J. Banke & Co., and leave your measure for a Suit, Overcoat or Trousers. Workmanship and prices are right; he will give you a fit or he will have a fit.

A MARVELOUS HEATING STOVE TO BE DEMONSTRATED WEDNESDAY NOVEMBER 1ST.

Come see the wonderful FLORENCE HOT BLAST in full operation, burning well sawdust and rubbish with as great heat as coal in a base burner. This marvelous Heater will be burning paper without any smoke; will be fed with the cheapest kind of fuel and refuse and will produce heat of amazing intensity. It will burn its own smoke, consume its own gas, and through other wonderful workings will convince every beholder that it is a MARVEL AMONG HEATERS.

No Smoke! No Soot! No Dirt!
Everything Consumed.

NO CLINKERS
From Hard or Soft Coal. Ashes as fine as powder.

As a fire keeper it will be just as good 20 years from now. If the fire pot cracks inside of 5 years, we will give you one free of charge.

The only Floor Heater on the market or that has ever been made.

The Hot Blast
AIR-TIGHT FLORENCE

will burn anything combustible—hard or soft coal, coal siftings, coal dust, slack coal, coke, wood, sawdust and rubbish. The fire never goes out day or night, and a steady, even temperature may be maintained. All features are patented and any stove manufacturer, dealer or purchaser using same without proper authority will be rendering himself liable for profits and damages. It is the zenith of stove perfection—the most important invention of modern times.

Come and see this Wonderful Stove Operated.

- If the FLORENCE is operated according to directions
- The No. 49 will heat 2 or 3 small rooms all winter with 2½ tons of slack or lump coal
- The No. 51 will heat 3 or 4 rooms all winter with 3 tons of slack or lump coal.
- The No. 53 will heat 5 rooms all winter with 4 tons of slack or lump coal.
- The No. 55 will heat a large store or school room with 6 tons of slack or lump coal.
- Will burn a ton less of hard coal than a hard coal base burner of the same size, and heat twice the space.

SPECIAL NOTICE

Mr. J. J. HOWARD will be here to exhibit this wonderful Heating Stove on the sidewalk in front of my store, and will show you things which it does that no other stove on earth can do.

Don't fail to see this stove in operation.

H. R. Adams
Buchanan, Mich.

OUR GUARANTEE

If by operating this stove according to instructions, you find at the end of the season any soot in our pipe WE WILL RETURN YOU ALL YOUR MONEY and make you a present of the Stove. No other dealer would dare to make such an offer.

A RESPECTED CITIZEN

W. H. Keller Passed Away at His Home on Oak Street Friday Night

HELD IN HIGHEST ESTEEM

Funeral Services Held in the Methodist Church Tuesday Afternoon at 2 o'clock

William Howard Keller, the son of Howard and Anna Keller, was born January 7, 1862, at Victoria, Canada. His parents moved from New York to Canada where they lived but a short time. They moved to Pennsylvania when William was three years old, then to Mishawaka, Ind., when he was sixteen years old.

He was married to Harriet L. Dwier in 1884. To them was born seven children, two sons and five daughters. The oldest son, Frank, died nearly 7 years ago at the age of thirteen.

They came to Buchanan eighteen years ago. Since then with the exception of a short period, their home has been in this place.

Mr. Keller held various positions of public trust and honor, such as Justice of the Peace, member of the village council, member of the school board, etc. He was a member of the school board at the time of his death. He was a member of the Independent Order of Old Fellows, The Modern Woodmen and the Patrician Fraternal orders.

He was converted when a boy and united with the Methodist Episcopal church. He continued a faithful member until death. Twenty-two weeks ago Sunday evening, with several of his children, he was at church. It was the last place he was, for the next morning, very early he was stricken down. For nearly twenty-two weeks he was a helpless sufferer. No one but those who watched at his bedside and ministered to him, knows the intensity of his suffering. It was a school for patience, a time to show the qualities of the man. But he was not heard to murmur or complain or to charge God foolishly. He was not impatient with those around him or did he speak harshly or fretfully to them; but for every thing that was done for him he expressed his thanks. It was not because his intellectual faculties were dulled, for they were keenly sensitive. His faith did not fail nor his hope give way, but they were as an anchor to his soul. He wanted to live to care for his family that he so much loved, for he knew something of the hardship of the life that awaits them, and their need of a husband and father's care, but he was ready to go when God should call him. He told them he was not afraid to go. The Christian's faith and confidence in God is truly a great help in times of so great suffering and sorrow.

What shall we say of him as a man in business and public life? It seems that the honors given him by his fellow citizens in the many public offices that he held by their votes answer that question better than any words we can say. He will be greatly missed. Kind to those in need and in sorrow and he was always ready to help by his counsel and means.

He was a hard working business man, giving long hours in his devotion to his business and his family. To thoroughly know a man and to appreciate his qualities you must know him in his home with his family. Here is where Mr. Keller attained the highest place. Kind, loving, thoughtful and devoted. His children loved to be with him. He exerted a great influence in the formation of their characters. They were early led to give themselves to the services of the Master.

Three brothers, four sisters, a wife and six children mourn the loss of this loved one.

A Benton Harbor woman rushed into the telegraph office the other day and informed the operator that her husband had gone to Chicago to get a banner for the Sunday school, but she had forgotten to tell him the inscription and how large the banner was to be. She then wrote a telegram containing the needed information and handed it to the operator. It read: "My dear Frank, Great Northern hotel, Chicago. Unto us a child is born, eight feet long and two feet wide." The husband is still in Chicago, and it is rumored that he isn't coming back.

The Better Way

The tissues of the throat are inflamed and irritated; you cough, and there is more irritation—more coughing. You take a cough mixture and it eases the irritation—for a while. You take

SCOTT'S EMULSION

and it cures the cold. That's what is necessary. It soothes the throat because it reduces the irritation; cures the cold because it drives out the inflammation; builds up the weakened tissues because it nourishes them back to their natural strength. That's how Scott's Emulsion deals with a sore throat, a cough, a cold, or bronchitis.

A Few Reasons Why You Should Attend the South Bend Commercial College
"Indiana's Greatest School of Business"
Always the Leader.
BOARD \$1.50 PER WEEK.

It is past the experimental stage, 22 years under the same management. Its graduates are successes; they hold the best positions in the gift of the public. Every department separated and in charge of expert instructors. Individual attention given every student. Instruction not all given by one or two teachers; every student having advantage of a large faculty of specialists. No students employed as teachers. Courses of study the best and most complete. Employment department places every qualified student in a position; hundreds placed during past year. It is endorsed by all business men. We are called upon to fill all positions in South Bend and vicinity. Our tuition rates are the lowest consistent with thoroughness. Accept only the superior faculties.

Open Now. Students may enter at any time Both Day and Evenings.

Accept only the superior faculties of the South Commercial College. Consider Quality and Quantity in estimating the cost. To accept so-called cheap courses, which are always short and superficial, will prove a waste of both time and money.

Investigate our school and you will be convinced that we can give you the best training.
Office open every day and evening. Get our catalogue.
